In addition, all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents. However, any documents or

portions thereof, whether specifically listed above or filed in the future, that are not deemed “filed” with the Commission, including without limitation any information furnished pursuant to Item 2.02 or 7.01 of Form 8-K or certain exhibits furnished pursuant to Item 9.01 of Form 8-K, shall not be deemed to be incorporated by reference in this Registration Statement.

- 3 -

Any statement in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item¹ Indemnification
of Directors
6. and Officers.

The Registrant currently has provisions for limitation on the personal liability of directors in its Articles of Incorporation, as restated (the "Articles of Incorporation"), and provisions for indemnification of directors and officers in its Bylaws, as amended and restated (the "Bylaws"). Additionally, sections of the North Carolina Business Corporation Act (the "NCBCA") provide indemnification of the Registrant's directors and officers in a variety of circumstances.

Article VII of the Articles of Incorporation provides that no director of the Registrant shall have personal liability arising out of an action whether by or in the right of the Registrant or otherwise for monetary damages for breach of his or her duty as a director. Consistent with the NCBCA, the Articles of Incorporation do not limit or eliminate the personal liability of a director with respect to (i) acts or omissions not made in good faith that such director at the time of such breach knew or believed were in conflict with the best interests of the Registrant, (ii) any liability under Section 55-8-33 of the NCBCA or any successor provision, (iii) any transaction from which such director derived an improper personal benefit, or (iv) acts or omissions occurring prior to the date of the effectiveness of Article VII of the Articles of Incorporation. In the event that the NCBCA is amended or legislation is enacted to permit further limitation or elimination of the personal liability of a director, Article VII provides that the personal liability of the Registrant's directors shall be limited or eliminated to the fullest extent permitted by applicable law.

Article IX, Section 3 of the Bylaws provides that the Registrant shall indemnify, to the fullest extent permitted by law, any person who is made, or is threatened to be made, a party to any threatened, pending or completed civil, criminal, administrative, investigative or arbitral action, suit or proceeding and any appeal therein (and any inquiry or investigation that could lead to such action, suit or proceeding), whether or not brought by or on behalf of the Registrant, seeking to hold him liable by reason of the fact that he is or was acting in his capacity as a director or officer of the Registrant, or at the request of the Registrant is or was serving as a director or officer for any other foreign or domestic corporation, partnership, limited liability company, joint venture, trust, employee benefit plan, or other enterprise, or as a trustee or administrator under any employee benefit plan of the Registrant or a wholly-owned subsidiary of the Registrant, against (i) reasonable expenses, including without limitation all attorneys' fees actually and necessarily incurred by him in connection with any such action, suit or proceeding; (ii) all reasonable payments made by him in satisfaction of any judgment, money decree, fine (including an excise tax assessed with respect to an employee benefit plan), penalty or settlement for which he may have become liable in such action, suit or proceeding; and (iii) all reasonable expenses incurred in enforcing the indemnification rights provided in the Bylaws. Pursuant to the Bylaws, this indemnification may, at the discretion of the Registrant's board of directors, also include advancement of expenses related to such action, suit or proceeding.

Sections 55-8-50 through 55-8-58 of the NCBCA permit a corporation to indemnify its directors, officers, employees or agents under either or both a statutory or nonstatutory scheme of indemnification. In general, the NCBCA provides directors and officers with a right to indemnification when the director or officer has been wholly successful, on the merits or otherwise, in defense of any proceeding to which he was a party because he is or was a director or officer of the corporation, unless limited by the Articles of Incorporation. The NCBCA also permits a corporation to indemnify directors and officers who met a certain standard of conduct. Directors and officers are also entitled to apply to a court for an order requiring the corporation to

indemnify the director or officer in a particular case. The court may grant such an order if it determines the director or officer is fairly and reasonably entitled to indemnification in view of all of the relevant circumstances.

In addition to, and notwithstanding the conditions of and limitations on, the indemnification described above under the statutory scheme, Section 55-8-57 of the NCBCA permits a corporation to indemnify, or agree to indemnify, any of its directors, officers, employees or agents against liability and expenses (including attorneys'

- 4 -

fees) in any proceeding (including proceedings brought by or on behalf of the corporation) arising out of their status as such or their activities in such capacities, except for any liabilities or expenses incurred on account of activities that were, at the time taken, known or believed by the person to be clearly in conflict with the best interests of the corporation. Additionally, Section 55-8-57 of the NCBCA authorizes a corporation to purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee or agent of the corporation against certain liabilities incurred by such a person, whether or not the corporation is otherwise authorized by the NCBCA to indemnify that person. The Registrant has purchased and maintains such insurance.

The Registrant has also entered into an indemnification agreement with each of its directors and executive officers. The indemnification agreement requires the Registrant to indemnify the indemnitee to the fullest extent permitted by the laws of the State of North Carolina currently in effect or as such laws may be amended to increase the scope of permitted indemnification. The indemnification agreement further requires the Registrant to advance expenses incurred in connection with an action, demand, suit or proceeding and includes an undertaking by the indemnitee to reimburse the Registrant for any amounts advanced if it is ultimately determined that indemnification is not proper. The rights provided in the indemnification agreement are in addition to rights provided in the Bylaws, the Articles of Incorporation and the NCBCA.

Item Undertakings.
9.

- (a) The undersigned Registrant hereby undertakes:
 - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the

- 5 -

aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
