Item 1.01. Entry into a Material Definitive Agreement.

On October 19, 2015, Ocean Power Technologies, Inc. (the “Company”) entered into an At the Market Offering Agreement (the “Offering Agreement”) with Rodman & Renshaw, a unit of H. C. Wainwright & Co., LLC (the “Manager”). Pursuant to the Offering Agreement, the Company may offer and sell shares of its common stock, par value \$0.001 per share (the “Shares”), having an aggregate offering price of up to \$2,906,836 from time to time through or to the Manager, acting as sales agent and/or principal, in reliance on and subject to the limitations of General Instruction I.B.6 of Form S-3 and other applicable law and regulation.

Sales of the Shares of the Company’s common stock through the Manager, if any, will be made by any method permitted by law that is deemed an “at the market” offering as defined in Rule 415 under the Securities Act of 1933, as amended, including by means of ordinary brokers’ transactions at market prices, in block transactions or as otherwise agreed by the Manager and the Company. Each time the Company wishes to issue and sell common stock under the Offering Agreement, it will notify the Manager of the number of shares to be issued or dollar amount to be sold, the dates on which such sales are anticipated to be made, any minimum price below which sales may not be made and other sales parameters as it deems appropriate. The Company is not obligated to make any sales of Shares under the Offering Agreement. The offering of Shares pursuant to the Offering Agreement will terminate upon the earlier of (a) the sale of all of the Shares subject to the Offering Agreement or (b) the termination of the Offering Agreement in accordance with its terms.

The Company will pay the Manager a commission rate of 1.5% of the gross proceeds from the sale of any Shares sold through the Manager as agent under the Offering Agreement. The Company has also agreed to reimburse the Manager for certain expenses incurred in connection with entering into the Offering Agreement and has provided the Manager with customary indemnification rights. As contemplated by the Offering Agreement, any sale of Shares directly to the Manager will be made pursuant to a separate terms agreement relating to such sale.

The foregoing description of the Offering Agreement is not complete and is qualified in its entirety by reference to the full text of such agreement, a copy of which is filed herewith as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. A legal opinion related to the Shares is filed as Exhibit 5.1 to this Current Report on Form 8-K.

The Shares sold in the offering will be offered and sold pursuant to the Company’s effective shelf registration statement on Form S-3 (Registration No. 333-186181) previously filed with the Securities and Exchange Commission (the “SEC”), in accordance with the provisions of the Securities Act, as supplemented by a prospectus supplement dated October 20, 2015, which the Company has filed with the SEC pursuant to Rule 424(b)(5) under the Securities Act.

Edgar Filing: Ocean Power Technologies, Inc. - Form 8-K

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy the common stock discussed herein, nor shall there be any offer, solicitation, or sale of common stock in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
