Cumulative voting of shares of common stock is not permitted.

PROXY STATEMENT FOR THE ALPHATEC HOLDINGS, INC.

2018 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

This proxy statement, along with the accompanying Notice of 2018 Annual Meeting of Stockholders, contains information about the 2018 annual meeting of stockholders of Alphatec Holdings, Inc. (the “Annual Meeting”), including any adjournments or postponements thereof. We are holding the Annual Meeting at 10:00 a.m., Pacific Time, on Thursday, May 17, 2018, at our corporate headquarters, which are located at 5818 El Camino Real, Carlsbad, CA 92008.

In this proxy statement, we refer to Alphatec Holdings, Inc. as “the Company,” “we” and “us.”

This proxy statement relates to the solicitation of proxies by our Board of Directors (the “Board of Directors”) for use at the Annual Meeting.

On or about April 27, 2018, we will begin sending this proxy statement, our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the “Annual Report”) and a proxy card for the Annual Meeting to all stockholders entitled to vote at the Annual Meeting.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

FOR THE STOCKHOLDER MEETING TO BE HELD ON MAY 17, 2018

This proxy statement, our Annual Report and the proxy card for the Annual Meeting are available for viewing, printing and downloading at www.proxyvote.com/. To view these materials, please have your 12-digit control number available that appears on your proxy card. On this website, you can also elect to receive future distributions of our proxy statements, annual reports to stockholders and proxy cards by electronic delivery.

Additionally, you can find a copy of our Annual Report, which includes our financial statements, for the fiscal year ended December 31, 2017 on the website of the Securities and Exchange Commission (the “SEC”) at www.sec.gov, or in the “Financial Information” section of the “Investor Relations” section of our website at www.atecspine.com.

IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Will I receive any other proxy materials?

Rules adopted by the SEC allow companies to send stockholders a notice of Internet availability of proxy materials rather than mail them full sets of proxy materials. This year, we chose to mail a full set of proxy materials to stockholders. However, in the future we may take advantage of the Internet distribution option as we have in the past.

If in the future we choose to send such notices, they would contain instructions on how stockholders can access our notice of annual meeting and proxy statement, annual report to stockholders and proxy card via the Internet. They would also contain instructions on how stockholders could request to receive their materials electronically or in printed form on a one-time or ongoing basis.

Why is the Company Soliciting My Proxy?

The Board of Directors is soliciting your proxy to vote at the Annual Meeting to be held at our corporate headquarters, located at 5818 El Camino Real, Carlsbad, CA 92008 on Thursday, May 17, 2018 at 10:00 a.m., Pacific Time, and any adjournments or postponements of the meeting. The proxy statement along with the accompanying Notice of 2018 Annual Meeting of Stockholders summarizes the purposes of the Annual Meeting and the information you need to know in order to vote at the Annual Meeting.

We have made available to you on the Internet or have sent you this proxy statement, the Notice of 2018 Annual Meeting of Stockholders, the proxy card and a copy of our Annual Report for the fiscal year ended December 31, 2017 because you owned shares of our common stock on the record date. We intend to commence distribution of this full set of proxy materials to stockholders on or about April 27, 2018.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on March 23, 2018 are entitled to vote at the Annual Meeting. However, as noted below, the holders of the 3,265,132 Merger Closing Shares (as defined in Proposal 5 below) acquired under the Merger Agreement (as defined in Proposal 5 below) as described in this proxy statement will not be entitled to vote on Proposal 5.

On the record date, there were 25,548,990 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting. For instructions on how to change or revoke your proxy, see “May I Change or Revoke My Proxy?” below.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or withheld for each nominee for director and whether your shares should be voted for, against or abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board of Directors’ recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, Computershare, Inc. (“Computershare”), 480 Washington Ave., Jersey City, NJ 07310, or you have stock certificates registered in your name, you may vote:

By Internet or by telephone. Follow the instructions included in the proxy card to vote by Internet at www.proxyvote.com or telephone.

By mail. If you received a proxy card by mail, you can vote by mail by completing, signing, dating and returning the proxy card as instructed on the card. If you sign the proxy card but do not specify how you want your shares voted, they will be voted in accordance with the recommendation of our Board of Directors as noted below.

In person at the meeting. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on Wednesday, May 16, 2018.

If your shares are held in “street name” (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at

the meeting, you should contact the broker or agent to obtain a legal proxy or broker's proxy card and bring it with you to the Annual Meeting in order to vote. You will not be able to vote at the Annual Meeting unless you have a proxy card from your broker.

2

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

- “FOR” the election of each of the nominees for director;
- “FOR” the ratification of the selection of Mayer Hoffman McCann P.C. as our independent registered public accounting firm for our fiscal year ending December 31, 2018;
- “FOR” the approval of the amendment of our 2016 Equity Incentive Plan (the “2016 Plan”) to increase the number of shares authorized for issuance under the 2016 Plan;
- “FOR” the approval, on an advisory basis, of the compensation of our named executive officers; and
- “FOR” the approval, as required by and in accordance with the listing rules of The Nasdaq Stock Market (“Nasdaq”), of the issuance of shares of our common stock (or securities convertible into or exercisable for common stock): (A) representing more than 19.99% of our outstanding common stock or voting power in connection with: (i) the acquisition of SafeOp Surgical, Inc. by merger, (ii) our issuance of shares of common stock upon the conversion of the Series B Convertible Preferred Stock and the exercise of the warrants sold in a private placement pursuant to the Securities Purchase Agreement (as defined in Proposal 5 below), and (iii) the Warrant Exercise Agreement dated March 8, 2018 with an existing warrant holder; and (B) in connection with the Securities Purchase Agreement to insiders at less than market prices; and (C) in connection with the above merger, the Securities Purchase Agreement, and the Warrant Exercise Agreement that could result in a Nasdaq Change of Control.

If any other matter is presented at the Annual Meeting, your proxy provides that your shares will be voted by the proxy holder listed in the proxy in accordance with his or her best judgment. At the time this proxy statement was first made available to our stockholders, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the Annual Meeting. Stockholders of record may change or revoke your proxy in any one of the following ways:

- if you received a proxy card, by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;
- by re-voting by Internet or by telephone as instructed above;
- by notifying us at 5818 El Camino Real, Carlsbad, CA 92008, Attention: Craig Hunsaker, Executive Vice President, People & Culture and General Counsel, in writing before the Annual Meeting that you have revoked your proxy; or
- by attending the Annual Meeting in person and voting in person.

Beneficial owners of shares held in street name must follow the instructions provided by your bank, broker, trustee or other nominee if you wish to change your vote.

Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the Annual Meeting that the proxy be revoked.

Your most current vote, whether by telephone, Internet or proxy card is the one that will be counted.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under “How Do I Vote?”

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee that holds your shares has the authority to vote your uninstructed shares only on the ratification of the appointment of our independent registered public accounting firm (Proposal 2) if it does not receive instructions from you, as this is considered a routine matter on which the bank, broker or other nominee has discretionary authority to vote. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the Annual Meeting and in the manner you desire. A “broker non-vote” will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority.

Your bank, broker or other nominee does not have the ability to vote your uninstructed shares in respect of Proposal 1, Proposal 3, Proposal 4 or Proposal 5. Thus, if you hold your shares in street name, it is critical that you cast your vote if you want your vote to be counted for the foregoing proposals. If you do not instruct your bank, broker or other nominee how to vote with respect to the foregoing proposals, no votes will be cast on these proposals on your behalf.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Election of Directors The nominees for director who receive the most votes (also known as a “plurality” of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers’ uninstructed shares held by the firms in street name for the election of directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Selection of Independent Registered Public Accounting Firm The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to ratify the selection of our independent registered public accounting firm. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers’ uninstructed shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ended December 31, 2018, the Audit Committee of our Board of Directors will reconsider its selection.

Proposal 3: Approval of the Amendment of our 2016 Equity Incentive Plan to Increase the Amount of Shares Authorized for Issuance
The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to amend our 2016 Plan. Abstentions will have no effect on the results of this vote. Brokerage firms do not have authority to vote customers' uninstructed shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 4: Approval, on an Advisory Basis, of the Compensation of our Named Executive Officers
The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal is required to approve, on an advisory basis, the compensation of our named executive officers. Abstentions have no effect on the results of this vote. Brokerage firms do not have authority to vote customers' uninstructed shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote. Although the advisory vote is non-binding, the Compensation Committee and the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Proposal 5: Nasdaq Stockholder Approval
The affirmative vote of a majority of the votes cast affirmatively or negatively for this proposal, excluding the 3,265,132 Merger Closing Shares acquired under the Merger Agreement as described in this proxy statement, is required to approve, as required by and in accordance with the listing rules of Nasdaq, the issuance of shares of our common stock (or securities convertible into or exercisable for common stock): (A) representing more than 19.99% of the outstanding common stock or voting power of the Company; (B) to insiders at less than market prices; and (C) that could result in a Nasdaq Change of Control. Abstentions will have no effect on the results of this vote. Brokerage firms do not have authority to vote customers' uninstructed shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Where Can I Find the Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting and we will publish preliminary results, or final results if then available, by filing a Current Report on Form 8-K within four business days after the Annual Meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended Current Report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

If we Solicit Proxies, What are the Costs of Soliciting these Proxies?

If we solicit proxies, we will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. If we ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies, then we will reimburse them for their expenses. We have not engaged and do not currently intend to engage a proxy solicitor to assist us with the solicitation of proxies. If we later determine to engage a proxy solicitor, then we will pay the costs of the solicitor, including its fee and the reimbursement of its expenses.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The Annual Meeting will be held at 10:00 a.m., Pacific Time, on Thursday, May 17, 2018 at our corporate headquarters, which are located at 5818 El Camino Real, Carlsbad, CA 92008. When you arrive at our headquarters, signs will direct you to the appropriate meeting room. You need not attend the Annual Meeting in order to vote.

Householding of Annual Disclosure Documents

SEC rules concerning the delivery of annual disclosure documents allow us or your broker to send a single notice of Internet availability of proxy materials or, if applicable, a single set of our Annual Report and proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as “householding,” benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our notices of Internet availability of proxy materials, annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be “household,” the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single set of proxy materials this year, but you would prefer to receive your own copy, please contact our transfer agent, Computershare, by calling their toll free number, 1-866-265-1875.

If you do not wish to participate in “householding” and would like to receive your own notice of Internet availability of proxy materials or, if applicable, set of our proxy materials in future years, follow the instructions described below. Conversely, if you share an address with another Alphatec Holdings, Inc. stockholder and together both of you would like to receive only a single notice of Internet availability of proxy materials or, if applicable, set of proxy materials, follow these instructions:

¶ If your shares of our common stock are registered in your own name, please contact our transfer agent, Computershare, and inform them of your request by calling them at 1-866-265-1875 or writing them at 480 Washington Ave., Jersey City, NJ 07310.

¶ If a broker or other nominee holds your shares of our common stock, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of April 23, 2018 for (a) each of our named executive officers, (b) each of our directors, (c) all of our current directors and executive officers as a group and (d) each stockholder known by us to own beneficially more than 5% of our common stock. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders.

The share amounts set forth in the column below entitled “Number of Shares of Common Stock Beneficially Owned” represent the number of shares of common stock beneficially owned by such holder as of April 23, 2018. Applicable percentage of ownership in the column below entitled “Percentage of Outstanding Common Stock” is based on 26,582,332 shares of common stock outstanding on April 23, 2018.

The share amounts set forth in the column below entitled “Number of Shares Beneficially Owned Assuming Stockholder Approval” represent the number of shares of common stock beneficially owned by such holder as of April 23, 2018, including shares of common stock underlying the Merger Warrants, the Private Placement Warrants and/or the Series B Convertible Preferred Stock held by such holder, assuming Stockholder Approval (as defined in Proposal 5 below) is obtained within 60 days of April 23, 2018, and assuming conversion of all Series B Convertible Preferred Stock on April 23, 2018, subject to the limitations set forth below.

Applicable percentage ownership in the column below entitled “Percentage of Shares Beneficially Owned Assuming Stockholder Approval” is based on 26,582,332 shares of common stock outstanding as of April 23, 2018, and includes all shares of common stock underlying the Merger Warrants, the Private Placement Warrants and/or the Series B Convertible Preferred Stock held by such holder, assuming Stockholder Approval is obtained within 60 days of April 23, 2018, subject to the limitations set forth below.

Under the terms of the Private Placement Warrants, following Stockholder Approval, certain of the warrant holders will be restricted from exercising such Private Placement Warrants to the extent such exercise would cause such holder, together with its affiliates and attribution parties, to beneficially own a number of shares of common stock which would exceed 4.99% of our then outstanding common stock following such exercise (subject to adjustment up to 9.99% upon the fulfillment of certain conditions), excluding for purposes of such determination shares of common stock issuable upon exercise of the Private Placement Warrants which have not been exercised. The disclosures contained in the columns below entitled “Number of Shares Beneficially Owned Assuming Stockholder Approval” and “Percentage of Shares Beneficially Owned Assuming Stockholder Approval” and in the footnotes to the table below reflect these limitations.

CORPORATE GOVERNANCE MATTERS

Board of Directors Independence

The Board of Directors has determined that the following directors are independent directors within the meaning of the applicable Nasdaq listing requirements: Evan Bakst, Mortimer Berkowitz III, Quentin Blackford, Jason Hochberg, R. Ian Molson, David H. Mowry, James L.L. Tullis, Donald A. Williams and Ward W. Woods.

Board of Directors Leadership Structure

The Board of Directors has no written policy with respect to the separation of the offices of Chairman and the Chief Executive Officer. Our bylaws and corporate governance guidelines provide the Board of Directors with the flexibility to change the structure of the Chairman and Chief Executive Officer positions as and when appropriate. Our Board of Directors makes determinations about leadership structure based on what it believes is best for the Company given specific circumstances. This flexibility allows the Board of Directors to review the structure of the Board of Directors periodically and determine whether to separate the two roles of Chairman and Chief Executive Officer based upon the Company's needs and circumstances from time to time. The Board of Directors' decision to recently combine such roles by appointing Mr. Miles as our Chief Executive Officer and Chairman is based on Mr. Miles' experience successfully serving as both an executive and a director of both private and publicly-traded medical device companies and on what the Board of Directors believes is best for the Company.

Under our current governance guidelines, if the director holding the Chairman position is not independent, a Lead Director may be appointed by the independent directors. The Lead Director, among other things, works with the Chairman to set and approve agendas and schedules for meetings of the Board of Directors, serves as a liaison between the Chairman and the independent directors, presides at any meetings of the Board of Directors at which the Chairman is not present, including executive sessions of the independent directors and monitors conflicts of interests of all directors. Our governance guidelines provide that independent directors will meet in executive session without management present at the time of each regular Board of Directors meeting and additionally as deemed appropriate or necessary. The Board of Directors believes that this leadership structure helps provide a well-functioning and effective balance between strong company leadership, an independent Lead Director and oversight by active, independent directors. The Board of Directors believes that given the Company's corporate governance structures and processes, a combined Chairman and Chief Executive Officer position in conjunction with an independent Lead Director provides effective oversight of management by the Board of Directors and results in a high level of management accountability to stockholders. The Board of Directors believes the current leadership structure is appropriate for the company and promotes the development of long-term strategic plans and facilitates the implementation of such plans.

We believe that we have a strong governance structure in place, including independent directors, to help ensure the powers and duties of each of the Chairman, Chief Executive Officer and Lead Director roles are handled responsibly. Furthermore, consistent with Nasdaq listing requirements, the independent directors regularly have the opportunity to meet as an independent group, with Mr. Berkowitz serving as the Lead Director.

Mr. Miles has served as Chairman of the Board of Directors and Chief Executive Officer since March 2018, prior to which he served as the Executive Chairman since October 2017. In October 2017, when Mr. Miles was appointed as the Executive Chairman, in accordance with our governance guidelines, the Board of Directors appointed Mr. Berkowitz as the Lead Director, which position he presently holds. The Chairman of the Board of Directors, with the aid of the Lead Director, provides leadership to the Board of Directors and works with the Board of Directors to define its activities and the calendar for fulfillment of its responsibilities. The Chairman of the Board of Directors approves the meeting agendas after input from management, facilitates communication among members of the Board of Directors and presides at meetings of our Board of Directors and stockholders.

The Chairman of the Board of Directors, the Chairman of the Audit Committee, the Chairman of the Nominating and Governance Committee, the Chairman of the Compensation Committee and the other members of the Board of Directors work in concert to provide oversight of our management and affairs. The leadership of Mr. Miles fosters a collaborative culture of open discussion and deliberation, with a thoughtful evaluation of risk, to support our decision-making. Our Board of Directors encourages communication among its members and between

management and the Board of Directors to facilitate productive working relationships. Working with the Lead Director and other members of the Board of Directors, Mr. Miles also strives to ensure that there is an appropriate balance and focus among key Board of Directors responsibilities such as strategic development, review of operations and risk oversight.

The Board of Directors' Role in Risk Oversight

The Board of Directors plays an important role in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. In particular, the Board of Directors administers its risk oversight function through: (1) the review and discussion of regular reports to the Board of Directors from its committees and our management team on topics relating to the risks that we face; (2) the required approval by the Board of Directors (or a committee of the Board of Directors) of significant transactions and other decisions; (3) the direct oversight of specific areas of our business by the Audit Committee, the Nominating and Governance Committee and Compensation Committee; and (4) regular reports from our auditors and outside advisors regarding various areas of potential risk, including, among others, those relating to our internal control over financial reporting. The Board of Directors also relies on management to bring significant matters impacting us to the Board of Directors' attention.

Pursuant to the Audit Committee's charter, the Audit Committee is responsible for discussing the guidelines and policies that govern the process by which our exposure to risk is assessed and managed by management. As part of this process, the Audit Committee discusses our major financial risk exposures and steps that management has taken to monitor and control such exposure. In addition, we, under the supervision of the Audit Committee, have established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter in order to encourage employees to report questionable activities directly to our senior management and the Audit Committee.

Because of the role of the Board of Directors in risk oversight, the Board of Directors believes that any leadership structure that it adopts must allow it to effectively oversee the management of the risks relating to our operations. The Board of Directors recognizes that there are multiple leadership structures that could allow it to effectively oversee the management of the risks relating to our operations. The Board of Directors believes its current leadership structure enables it to effectively provide oversight with respect to such risks.

Committees of the Board of Directors and Meetings

Our Board of Directors currently has a standing Audit Committee, Nominating and Governance Committee and Compensation Committee as well as a special purpose Special Finance Committee formed on October 19, 2017 as described below. As of November 7, 2017, our prior Nominating, Governance and Compensation Committee was replaced with a separate Nominating and Governance Committee and a separate Compensation Committee, neither of which new committees met during the 2017 fiscal year. Other than with respect to Mr. Rydin, who was appointed to the Nominating and Governance Committee pursuant to the exceptional and limited circumstance independence exemption under Nasdaq Rule 5605(e)(3) on November 7, 2017, only independent directors serve on the committees. The table below indicates the members of each board committee:

Meeting Attendance. During the 2017 fiscal year, there were eight meetings of our entire Board of Directors. In addition, the Audit Committee met seven times and the Nominating, Governance and Compensation Committee met five times. During 2017, no director attended fewer than 75% of the total number of meetings of the Board of Directors or committees of the Board of Directors on which he served that were held during the periods in which such director served. The Board of Directors has adopted a policy under which each member of the Board of Directors is strongly encouraged, but not required, to attend each annual meeting of our stockholders. Four directors attended our annual meeting of stockholders held in 2017.

Audit Committee. This committee currently has four members: Donald A. Williams (Chairman), Quentin Blackford, R. Ian Molson and David H. Mowry. Siri Marshall and Stephen O'Neil served as members of this committee during 2017 until their retirement from the Board of Directors in February 2017 and October 2017, respectively. Mr. Mowry joined the committee in April 2017 and Mr. Blackford joined the committee in November 2017. Our Audit Committee's role and responsibilities are set forth in the Audit Committee's written charter and include the authority to retain and terminate the services of our independent registered public accounting firm, review annual and quarterly financial statements, consider matters relating to accounting policy and internal controls and review the scope of annual audits.

All members of the Audit Committee satisfy the current independence standards promulgated by the SEC and Nasdaq, as such standards apply specifically to members of audit committees. The Board of Directors has designated Mr. Williams as the "audit committee financial expert," as the SEC has defined that term in Item 407 of Regulation S-K.

A copy of the Audit Committee's written charter is publicly available on our website at www.atecspine.com under "Investor Relations-Corporate Governance." Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

Nominating and Governance Committee. This committee currently has three members: Mortimer Berkowitz III (Chairman), R. Ian Molson and Jeffrey P. Rydin. Our Nominating and Governance Committee's role and responsibilities are set forth in the committee's written charter and include, among other things: (i) evaluating and making recommendations to the full Board of Directors as to the size and composition of the Board of Directors and its committees and (ii) evaluating and making recommendations to the full Board of Directors as to potential director candidates.

With respect to nominations for persons to be elected to our Board of Directors, the committee may consider Board of Directors candidates recommended by our stockholders as well as from other appropriate sources, such as other directors or officers, or third-party search firms. For all potential candidates, the committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board of Directors, and concern for the long-term interests of our stockholders. Although the Board of Directors has no formal policy regarding diversity, the committee seeks a broad range of perspectives and considers both the personal characteristics (such as gender, ethnicity, and age) and experience (such as industry, professional, and public service) of directors and prospective nominees to the Board of Directors. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources.

If a stockholder wishes to nominate a candidate to be considered for election as a director at the 2019 Annual Meeting of Stockholders, it must comply with the procedures set forth in our Bylaws and described under "Stockholder Proposals and Nominations for Directors," including giving timely notice of the nomination in writing to our Corporate Secretary not less than 45 nor more than 75 days prior to the date that is one year from the date on which we first mail our proxy statement relating to our 2018 Annual Meeting of Stockholders. If a stockholder wishes simply to propose a

candidate for consideration as a nominee by the Nominating and Governance Committee, it must make such proposal for such candidate in writing, addressed to the Nominating and Governance Committee in care of our Corporate Secretary, 5818 El Camino Real, Carlsbad, CA 92008. Submissions must be made by mail, courier or personal delivery and must contain the information set forth in our Nominating and Governance Committee's written charter.

Other than Mr. Rydin, all members of the Nominating and Governance Committee qualify as independent directors under the standards promulgated by Nasdaq. Mr. Rydin is currently serving as a non-independent member of this Committee pursuant to the exceptional and limited circumstances exemption under Nasdaq Rule 5605(e)(3). Nasdaq Rule 5605(e)(3) permits one non-independent director to serve on the Nominating and Governance Committee for a period of up to two years if the Board of Directors has determined that it is in the best interests of the Company and its stockholders. Mr. Rydin served as Special Advisor to the Board from September 2016 through September 2017 and was compensated by the Company during that time pursuant to a Consulting Services Agreement with the Company. While that agreement and the consulting services ended in September 2017, and while Mr. Rydin currently receives no compensation from the Company other than as a non-employee director described herein, Mr. Rydin is deemed not to be an independent director pursuant to Nasdaq Listing Rule 5605 for three years following termination of his consulting services. Nevertheless, pursuant to Nasdaq List Rule 5605(e)(3), the Board of Directors has determined that, due to Mr. Rydin's experience and expertise in the medical device and spine industries, he is uniquely positioned to assist the Board in identifying qualified candidates for director and Board committees, to assist the Board in its review of Board performance, and to otherwise serve on the Nominating and Governance Committee, and it is in the best interests of the Company and its stockholders for him to serve as a member of the Nominating and Governance Committee.

A copy of the Nominating and Governance Committee's written charter is publicly available on our website at www.atecspine.com under "Investor Relations-Corporate Governance."

Compensation Committee. This committee currently has two members: Ward W. Woods (Chairman) and Quentin Blackford. Our Compensation Committee's role and responsibilities are set forth in the committee's written charter and include, among other things, reviewing, approving, and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board of Directors are carried out and that such policies, practices and procedures contribute to our success. The Compensation Committee is responsible for the determination of the compensation of our Chief Executive Officer, and conducts its decision-making process with respect to that determination without the presence of the Chief Executive Officer. This committee also administers our equity compensation plans.

A copy of the Compensation Committee's written charter is publicly available on our website at www.atecspine.com under "Investor Relations-Corporate Governance."

Special Finance Committee. On October 19, 2017 the Board of Directors appointed a Special Finance Committee, consisting of Mr. Woods (Chairman) and Messrs. Blackford, Mowry and Williams, to review, consider, evaluate and make recommendations to the Board of Directors with respect to possible strategic transactions, including, without limitation, debt and equity financing transactions, including with respect to the Company's outstanding credit facilities and any other debt restructuring activities.

Stockholder Communications to the Board of Directors

Stockholders may communicate with the Board of Directors by sending a letter to the following address: Attn: Security Holder Communication, Corporate Secretary, Alphatec Holdings, Inc., 5818 El Camino Real, Carlsbad, CA 92008. The Corporate Secretary will receive the correspondence and forward it to the Chairman of the Board of Directors, or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business or is similarly inappropriate. The Corporate Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

PROPOSALS TO BE VOTED UPON BY STOCKHOLDERS

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors has nominated Evan Bakst, Mortimer Berkowitz III, Quentin Blackford, Jason Hochberg, Patrick S. Miles, David H. Mowry, Terry M. Rich, Jeffrey P. Rydin, James L.L. Tullis, Donald A. Williams and Ward W. Woods for election at the Annual Meeting. If they are elected, they will serve on our Board of Directors for a term of one year until the 2019 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified, or until their earlier death or resignation.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of Evan Bakst, Mortimer Berkowitz III, Quentin Blackford, Jason Hochberg, Patrick S. Miles, David H. Mowry, Terry M. Rich, Jeffrey P. Rydin, James L.L. Tullis, Donald A. Williams and Ward W. Woods. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in that nominee's place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the shares voted FOR each nominee at the Annual Meeting is required to elect each nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EVAN BAKST, MORTIMER BERKOWITZ III, QUENTIN BLACKFORD, JASON HOCHBERG, PATRICK S. MILES, DAVID H. MOWRY, TERRY M. RICH, JEFFREY P. RYDIN, JAMES L.L. TULLIS, DONALD A. WILLIAMS AND WARD W. WOODS AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors is seeking stockholder ratification of its selection of Mayer Hoffman McCann P.C. (“Mayer Hoffman”) to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Representatives of Mayer Hoffman are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Mayer Hoffman as our independent registered public accounting firm is not required under the laws of the State of Delaware, by our Bylaws or otherwise. However, the Audit Committee is submitting the selection of Mayer Hoffman to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Mayer Hoffman. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and those of our stockholders.

The affirmative vote of a majority of the shares cast affirmatively or negatively on this proposal at the Annual Meeting will be required to ratify the selection of Mayer Hoffman. Abstentions will not be counted toward the tabulation of votes cast on this proposal and will have no effect on the results of the vote. Brokerage firms have authority to vote customers’ uninstructed shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote.

Changes in Certifying Accountant

As previously disclosed in the Company’s Current Report on Form 8-K filed with the SEC on September 5, 2017, the Audit Committee approved the engagement of Mayer Hoffman as the Company’s independent registered public accounting firm for the Company’s fiscal year ending December 31, 2017. Also, the Audit Committee informed Ernst & Young LLP (“Ernst & Young”) that it had been dismissed, effective August 29, 2017, as the Company’s independent registered public accounting firm. The report of Ernst & Young on the Company’s consolidated financial statements for the fiscal year ended December 31, 2016, did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. The report of Ernst & Young on the Company’s consolidated financial statements for the fiscal year ended December 31, 2015, did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to audit scope or accounting principles, but was modified to include an explanatory paragraph regarding uncertainty of the Company’s ability to continue as a going concern.

During the fiscal years ended December 31, 2016 and 2015, and the subsequent interim period through the date of the filing of the Company’s Form 8-K on September 5, 2017, there were no disagreements, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K, with Ernst & Young on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedures which, if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the matter in their report. During the fiscal years ended December 31, 2016 and 2015, and the subsequent interim period through the date of the filing of the Company’s Form 8-K on September 5, 2017, there were no reportable events, as that term is described in Item 304(a)(1)(v) of Regulation S-K, except with respect to the material weaknesses in internal control over financial reporting identified by management in connection with its assessment of the Company’s internal control over financial reporting at June 30, 2015, September 30, 2015 and December 31, 2015.

Fees of Principal Accounting Firm

The following table presents fees for professional audit services rendered by Ernst & Young and Mayer Hoffman for the audit of our annual financial statements for the fiscal years ended December 31, 2017 and 2016, as applicable, and fees billed for other services rendered by our certifying principal accountant during those periods.

	Mayer		
	Ernst & Young		Hoffman
	Fiscal Year	Fiscal Year	Fiscal Year
	2016	2017	2017
Audit fees (1)	\$2,032,616	\$273,882	\$290,000
Audit-related fees	—	—	—
Tax fees	—	—	—
All other fees	—	—	—
Total	\$2,032,616	\$273,882	\$290,000

(1) Represents aggregate fees for professional services rendered for the audit of the Company's annual consolidated financial statements and review of financial statements included in the Company's periodic filings, and other services that are normally provided in connection with statutory and regulatory filings or engagements. All fees described above were pre-approved by the Audit Committee.

Mayer Hoffman leases substantially all its personnel, who work under the control of Mayer Hoffman shareholders, from wholly-owned subsidiaries of CBIZ, Inc., in an alternative practice structure. All of the hours expended on Mayer Hoffman's engagement to audit our financial statements for the 2017 fiscal year were attributed to work performed by such leased personnel.

Pre-Approval Policies and Procedures

Pursuant to its charter, it is a primary duty and responsibility of the Audit Committee to pre-approve all audit and non-audit services rendered by our independent registered public accounting firm, and all such services were pre-approved in accordance with its charter during the fiscal years ended December 31, 2017 and 2016. Pursuant to its authorized responsibilities, the Audit Committee generally pre-approves specified services in the defined categories of audit services, tax services and other permissible non-audit services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of non-audit services by Ernst & Young and Mayer Hoffman was compatible with maintaining the independence of Ernst & Young and Mayer Hoffman and all such services had been preapproved.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The material in this report is not “soliciting material,” is not deemed “filed” with the SEC and shall not be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this report by reference.

Audit Committee Report

The Audit Committee of the Board of Directors operates under a written charter adopted by the Board of Directors. In accordance with its written charter, the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the Company’s accounting, auditing and financial reporting practices.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from Mayer Hoffman a formal written statement describing all relationships between the Company and Mayer Hoffman that might bear on Mayer Hoffman’s independence consistent with applicable requirements of the Public Company Accounting Oversight Board (United States) regarding Mayer Hoffman’s communications with the Audit Committee concerning independence. The Audit Committee discussed with Mayer Hoffman any relationships that may impact their objectivity and independence and satisfied itself as to Mayer Hoffman’s independence.

The Audit Committee discussed with Mayer Hoffman the matters required to be communicated under Auditing Standards No. 1301, as amended, “Communication with Audit Committees.” In addition, with and without management present, the Audit Committee discussed and reviewed the results of Mayer Hoffman’s examination of the Company’s 2017 financial statements.

Based upon the Audit Committee’s discussion with management and Mayer Hoffman and the Audit Committee’s review of the representation of the Company’s management and the independent registered public accounting firm’s report to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company include the audited financial statements and management’s assessment of the effectiveness of the Company’s internal control over financial reporting in its Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the SEC. The Audit Committee has also recommended, subject to stockholder approval, the ratification of the appointment of Mayer Hoffman as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF MAYER HOFFMAN MCCANN P.C. AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING

FIRM, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 3: APPROVAL OF AMENDMENT OF THE 2016 EQUITY INCENTIVE PLAN

Our Board of Directors believes that equity incentives are important tools in motivating the performance of our officers, key employees and directors. As of April 23, 470,894 shares are available for grant of future equity awards under the 2016 Plan. Upon the recommendation of the Compensation Committee, the Board of Directors has approved, subject to stockholder approval, an amendment to the 2016 Plan to increase the number of shares authorized for issuance under the 2016 Plan by 3,000,000 shares for a total number of shares authorized for issuance thereunder equal to 6,083,333 shares of common stock. In addition to the foregoing the amendment also corrects a typographical error contained in the 2016 Plan. The proposed amendment to the 2016 Plan is attached hereto as Appendix B.

New 2016 Plan Benefits

All awards to directors, executive officers, employees and consultants are made at the discretion of the plan administrator.

Except as may otherwise be described in this proxy statement, benefits and amounts that will be received or allocated under the 2016 Plan are not determinable at this time because future awards to our officers, employees and consultants under the 2016 Plan are discretionary. Additionally, awards to non-employee directors may differ from the awards described herein.

Vote Required; Recommendation of the Board of Directors

The affirmative vote of the holders of a majority of the votes cast affirmatively or negatively on this proposal at the Annual Meeting is required to approve the amendment to the 2016 Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDMENT OF OUR 2016 EQUITY INCENTIVE PLAN, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 4: ADVISORY VOTE TO APPROVE

THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are seeking your advisory vote of the compensation of our Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including in the section of this proxy statement titled “Executive Officer and Director Compensation.” You are being asked to vote on the following advisory resolution:

“RESOLVED, that the compensation paid to the Named Executive Officers of Alphatec Holdings, Inc., as disclosed pursuant to the compensation disclosure rules of the SEC including the compensation tables, and the related material disclosed in this proxy statement is hereby APPROVED.”

The compensation of our Named Executive Officers is based on a design that ties a substantial percentage of an executive’s compensation to the attainment of financial and other performance measures that, the Board of Directors believes, promote the creation of long-term stockholder value and position the Company for long-term success. As described more fully in the “Executive Officer and Director Compensation” section of this proxy statement, the mix of fixed and performance based compensation and the terms of long-term incentive awards, as well as the terms of executives’ employment agreements, are all designed to enable the Company to attract, motivate and retain key executives who are crucial to our long-term success while, at the same time, creating a close relationship between performance and compensation. The Compensation Committee and the Board of Directors believe that the design of the program, and hence the compensation awarded to our Named Executive Officers under the current program, fulfills this objective.

Stockholders are urged to read the “Executive Officer and Director Compensation” section of this proxy statement, which discusses in detail how our compensation policies and procedures implement our compensation philosophy.

The affirmative vote of a majority of the votes cast affirmatively or negatively on this proposal at the Annual Meeting is required to approve, on an advisory basis, this resolution. Although the vote is non-binding, the Board of Directors and the Compensation Committee will review the voting results and take them into consideration in connection with their ongoing evaluation of the Company’s compensation program and when making future decisions regarding executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS SET FORTH IN THIS PROXY STATEMENT, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 5: APPROVAL OF THE ISSUANCE OF SHARES OF OUR COMMON STOCK (OR SECURITIES CONVERTIBLE INTO OR EXERCISABLE FOR COMMON STOCK): (A) REPRESENTING MORE THAN 19.99% OF THE OUTSTANDING COMMON STOCK OR VOTING POWER OF THE COMPANY; (B) TO INSIDERS AT LESS THAN MARKET PRICES; AND (C) THAT COULD RESULT IN A NASDAQ CHANGE OF CONTROL

Background

Acquisition of SafeOp Surgical, Inc. by Merger

On March 6, 2018, the Company and its newly-created wholly-owned subsidiary, Safari Merger Sub, Inc. (“Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with SafeOp Surgical, Inc., a Delaware corporation (“SafeOp”), certain key stockholders of SafeOp and a stockholder representative. The Merger Agreement provides for a reverse triangular merger (the “Merger”), which was consummated on March 8, 2018, in which Sub was merged into SafeOp, with SafeOp being the surviving corporation and a wholly-owned subsidiary of the Company. Under the terms of the Merger Agreement, the Company paid to the former stockholders of SafeOp \$15 million in cash, 3,265,132 shares of common stock (the “Merger Closing Shares”), \$3 million of notes (the “Merger Notes”) that are convertible into 986,578 shares of common stock, assuming conversion of principal and accrued interest at maturity (the “Merger Note Shares”), and warrants to purchase 2.2 million shares of common stock (the “Merger Warrants”) at an exercise price of \$3.50 per share (the “Merger Warrant Shares”). An additional 443,421 shares of common stock are issuable to the former stockholders of SafeOp upon achievement of certain post-closing milestones (the “First Milestone Merger Shares”), and 886,842 shares of common stock are issuable upon achievement of certain additional post-closing milestones (the “Second Milestone Merger Shares”). The Merger Closing Shares, Merger Note Shares, Merger Warrant Shares, First Milestone Merger Shares, and Second Milestone Merger Shares are referred to collectively as the “Merger Shares.”

Private Placement

On March 8, 2018, the Company entered into a securities purchase agreement (the “Securities Purchase Agreement”) pursuant to which the Company sold in a private placement (the “Private Placement”) to certain institutional and accredited investors (collectively, the “Purchasers”), including certain directors and executive officers of the Company, at a purchase price of \$1,000 per share, 45,200 shares (the “Preferred Shares”) of its newly designated Series B Convertible Preferred Stock (the “Series B Convertible Preferred Stock”), and warrants (the “Private Placement Warrants”) to purchase up to 12,196,851 shares of common stock (the “Private Placement Warrant Shares”) at an exercise price of \$3.50 per share.

The Preferred Shares will be converted automatically into approximately 14,349,236 shares of the Company’s common stock (“Preferred Conversion Shares”), at a conversion price of \$3.15 per share (subject to adjustment as described below and in the Series B Designation of Rights (as defined below)), upon approval by the Company’s stockholders (“Stockholder Approval”) of this Proposal 5, as required in accordance with Nasdaq rules as further described below. The Private Placement Warrants will become exercisable following Stockholder Approval, are subject to certain ownership limitations in certain cases, and expire five years after the date of such Stockholder Approval. The Preferred Conversion Shares and the Private Placement Warrant Shares are referred to collectively as the “Private Placement Shares.”

The aggregate gross proceeds for the Private Placement were approximately \$45.2 million. The Company intends to use the net proceeds from the Private Placement for general corporate and working capital purposes and to fund strategic initiatives, including funding a portion of the cash consideration paid in the Merger.

Warrant Exercise and New Warrants

On March 8, 2018, the Company entered into a Warrant Exercise Agreement (the “Warrant Exercise Agreement”) with an existing holder of an outstanding warrant (the “Warrant Holder”) to purchase up to an aggregate of 2,400,000 shares of common stock, at an exercise price of \$2.00 per share (the “Original Warrant”). Pursuant to the terms of the Warrant Exercise Agreement, the Warrant Holder agreed to exercise, from time to time

and in accordance with the terms of the Original Warrant, including certain beneficial ownership limitations set forth therein, the Original Warrant for cash (the “Warrant Exercise”). As a result of the Warrant Exercise, the Company received gross proceeds of \$3.4 million on March 8, 2018 from the exercise of 1.7 million shares of the Original Warrant, and expects to receive additional gross proceeds of up to \$1.4 million thereafter from additional exercises of the remaining shares under the Original Warrant following Stockholder Approval. The Company expects to use the net proceeds from the exercise of the Original Warrant for general corporate and working capital purposes and to fund strategic initiatives.

Pursuant to the terms of the Warrant Exercise Agreement, and in order to induce the Warrant Holder to exercise the Original Warrant, the Company has issued to the Warrant Holder new warrants (the “New Warrants”) to purchase a number of shares of common stock equal to 75% of the number of shares of common stock received by the Warrant Holder upon the cash exercise of the Original Warrant. The terms of the New Warrants are substantially similar to the terms of the Private Placement Warrants, and have an exercise price of \$3.50 per share.

The New Warrants will become exercisable following Stockholder Approval, are subject to certain ownership limitations, and expire five years after the date of Stockholder Approval.

The Merger Warrants, the Private Placement Warrants, and the New Warrants are sometimes referred to herein collectively as the “Warrants.”

Registration Rights Agreements

In connection with the Private Placement, the Merger and the Warrant Exercise Agreement, the Company is party to a registration rights agreement (the “Registration Rights Agreement”) with the Purchasers, the recipients of the Merger Shares and the Warrant Holder (collectively, the “Holders”). Pursuant to the Registration Rights Agreement, the Company was obligated to prepare and file a registration statement (the “Resale Registration Statement”) with the SEC by April 16, 2018 for purposes of registering the resale of the Private Placement Shares, the Merger Shares and the shares of common stock issuable upon exercise of the New Warrants. The Company also agreed to use its best efforts to cause the Resale Registration Statement to be declared effective by the SEC by May 7, 2018 (by June 5, 2018 in the event the Resale Registration Statement is reviewed by the SEC). If the Company fails to meet the specified filing deadlines or keep the Resale Registration Statement effective, subject to certain permitted exceptions, the Company will be required to pay liquidated damages to the Holders. Pursuant to the Registration Rights Agreement, the Company gave certain rights to the Holders to require the Company to cooperate with an underwritten offering of their registered securities, and to “piggyback” on certain offerings by the Company. The Company also agreed, among other things, to indemnify the selling holders under the registration statements from certain liabilities and to pay all fees and expenses incident to the Company’s performance of or compliance with the Registration Rights Agreement.

Support Agreements

Prior to the closing of the Private Placement and the Merger (the “Closing”), and as a condition to Closing, certain stockholders comprising a majority of the outstanding shares of common stock of the Company entered into support agreements (“Support Agreements”) pursuant to which such stockholders agreed to vote all shares of common stock owned by them in favor of this Proposal 5. Accordingly, a sufficient number of stockholders have signed such Support Agreements to ensure approval of this Proposal 5.

Reasons for Stockholder Approval

Our Board of Directors is seeking the approval of our stockholders under applicable Nasdaq Rules, including Rules 5635(a), (b) and (d), with respect to the issuance of shares of our common stock (or securities convertible into or

exercisable for common stock):

(A) representing more than 19.99% of our outstanding common stock or voting power in connection with: (i) the acquisition of SafeOp Surgical, Inc. by the Merger, (ii) our issuance of shares common stock upon the conversion of the Series B Convertible Preferred Stock and exercise of the Private Placement Warrants, and (iii) the Warrant Exercise Agreement; and

37

(B) in connection with the Securities Purchase Agreement to insiders at less than market prices, and

(C) in connection with the Merger, the Securities Purchase Agreement, and the Warrant Exercise Agreement that could result in a Nasdaq Change in Control.

Common stock issuances referred to in (A) through (C) above would occur with respect to:

- the conversion of the Merger Notes, the exercise of the Merger Warrants, and the potential issuance of the Second Milestone Merger Shares, all in connection with the Merger,
- the automatic conversion of the Series B Convertible Preferred Stock and the exercise of the Private Placement Warrants in connection with the Private Placement, and
- the exercise of the New Warrants.

Our common stock is listed on Nasdaq and, as such, we are subject to the Nasdaq Listing Rules.

Nasdaq Listing Rule 5635(a) (the “20% Acquisition Rule”) requires that an issuer obtain stockholder approval prior to the issuance of common stock in connection with the acquisition of the stock or assets of another company if, due to the present or potential issuance of common stock, including shares issued pursuant to an earn-out provision or similar type of provision, or securities convertible into or exercisable for common stock: (i) the common stock has or will have upon issuance voting power equal to or in excess of 20% of the voting power outstanding before the issuance of stock or securities convertible into or exercisable for common stock; or (ii) the number of shares of common stock to be issued is or will be equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the stock or securities. The issuance of the Merger Closing Shares, and the potential issuance of the First Milestone Merger Shares, represent issuances by the Company of less than 19.99% of our issued and outstanding common stock, and thus could be effected prior to and without Stockholder Approval. However, for purposes of analyzing application of the Nasdaq stockholder approval rules, and compliance with Nasdaq Rule 5635(a) in particular, the Company is aggregating the Merger Shares, the Private Placement Shares, and the New Warrants. The proceeds from the sale of the Series B Convertible Preferred Stock and the Private Placement Warrants were used, in part, to finance the Merger, and the Merger Shares were issued as part of the consideration paid to the former stockholders of SafeOp in connection with the Merger. Thus, the conversion of the Merger Notes, the exercise of the Merger Warrants, and the potential issuance of the Second Milestone Merger Shares (all in connection with the Merger), the automatic conversion of the Series B Convertible Preferred Stock and the exercise of the Private Placement Warrants in connection with the Private Placement, and the exercise of the New Warrants, will result in the issuance of our common stock representing in excess of 20% of the voting power, and 20% of the number of shares of our common stock, in each case, outstanding, before the Merger and the Private Placement.

Nasdaq Listing Rule 5635(d) (the “20% Private Placement Rule”) requires that an issuer obtain stockholder approval prior to the issuance of common stock if such issuance is for less than the greater of book or market value of the common stock and would equal 20% or more of the common stock or voting power of the issuer outstanding before the issuance. The maximum conversion price of the Series B Convertible Preferred Stock is less than the greater of the book or market value of our common stock immediately before we entered into the Securities Purchase Agreement. In addition, the terms of the Series B Convertible Preferred Stock and the Securities Purchase Agreement include anti-dilution adjustments that could result in a reduction of the conversion price, or the issuance of additional shares of common stock, in the future. Furthermore, if this Proposal 5 is approved, the issuance of our common stock upon conversion of the Series B Convertible Preferred Stock and exercise of the Private Placement Warrants will exceed 20% of our common stock currently outstanding. We seek your approval of this Proposal 5 in order to satisfy the requirements of the 20% Private Placement Rule with respect to the issuance of the common stock upon conversion of the Series B Convertible Preferred Stock and exercise of the Private Placement Warrants.

Nasdaq Listing Rule 5635(c)(the “Insider Equity Compensation Rule”) requires that we obtain stockholder approval prior to issuing shares of common stock to insiders of the Company (i.e., officers, directors, employees or consultants) at less than market price, including issuance of our common stock upon conversions of the Series B

38

Convertible Preferred Stock at the current conversion price of \$3.15 per share, and potential anti-dilution issuances of common stock to any such insiders pursuant to the provisions of the Securities Purchase Agreement. We are therefore seeking your approval at the Annual Meeting to issue the Preferred Conversion Shares, the Private Placement Warrant Shares, and shares of common stock pursuant to any anti-dilution protection provisions of the Securities Purchase Agreement or Series B Preferred Designation of Rights, to insiders of the Company, when common stock is issued in such transactions at less than market price.

In addition, Nasdaq Listing Rule 5635(b) requires prior stockholder approval for issuances of securities that could result in a “change of control” of the issuer (the “Change of Control Rule”). Nasdaq may deem a change of control to occur when, as a result of an issuance, an investor or a group would own, or have the right to acquire, 20% or more of the outstanding shares of common stock or voting power, and such ownership or voting power of an issuer would be the largest ownership position of the issuer (a “Nasdaq Change of Control”). Upon obtaining Stockholder Approval of this Proposal 5, thereby triggering the automatic conversion of the Series B Convertible Preferred Stock, L-5 Healthcare, as the lead purchaser in the Private Placement, would own or have the right to acquire more than 20% of the Company’s outstanding shares of common stock. We seek your approval of this Proposal 5 in order to satisfy the requirements of the Change of Control Rule, as that rule would be triggered by adoption of Proposal 5 and the resulting issuance of common stock upon conversion of the Series B Convertible Preferred Stock and the exercise of the Private Placement Warrants. Removal of these restrictions would result in L-5, or potentially could result in other Purchasers securing ownership of the Company that could constitute a Nasdaq Change of Control.

The Securities Purchase Agreement require us to submit this Proposal 5 to our stockholders at the Annual Meeting. Approval of this Proposal will constitute approval pursuant to the 20% Acquisition Rule, the 20% Private Placement Rule, the Insider Equity Compensation Rule, and the Change of Control Rule. The information set forth in this Proposal 5 is qualified in its entirety by reference to the actual terms of the Securities Purchase Agreement (substantially in the form of Appendix G), the Series B Designation of Rights (substantially in the form of Appendix F), the form of Warrants (substantially in the form of Appendix H), and the form of Merger Notes (substantially in the form of Appendix I), attached hereto, and which are incorporated herein by reference. Stockholders are urged to carefully read these documents.

We are not seeking Stockholder Approval of the Merger itself, or the use of proceeds from the sale of the Series B Convertible Preferred Stock and Private Placement Warrants. Approval of those transactions by Company stockholders is not required under Delaware law or Nasdaq regulations. For additional information about the Merger, including a summary of the terms of the Merger Agreement entered into in connection with the Merger, see the sections entitled “Background of the Merger” and “The Merger Agreement.”

Also, this Proposal 5 is not seeking authorization or approval of our stockholders to enter into the Securities Purchase Agreement, to enter into the Merger Agreement, to consummate the sale of the Series B Convertible Preferred Stock, or to complete the Merger with SafeOp. The Securities Purchase Agreement for the sale of \$45.2 million of Series B Convertible Preferred Stock has already been executed and 45,200 shares of Series B Convertible Preferred Stock and the Private Placement Warrants and New Warrants have already been issued by the Company. In addition, in connection with the Merger, the Merger Closing Shares, the Merger Notes, and the Merger Warrants, have been issued to the former stockholders of SafeOp. Upon approval of this Proposal 5 at the Annual Meeting, the Series B Convertible Preferred Stock will be automatically converted into the Preferred Conversion Shares, and the Private Placement Warrants and New Warrants will become exercisable. In addition, the Merger Note becomes convertible, the Merger Warrants become exercisable, and the Company may issue the Second Milestone Merger Shares if and when the conditions underlying those milestones are satisfied.

Description of the Series B Convertible Preferred Stock

The following is a summary of the terms of the Certificate of Designation, Preferences and Rights of Series B Convertible Preferred Stock (the “Series B Designation of Rights”) filed with the Secretary of State of the State of Delaware on March 8, 2018 in connection with closing the Private Placement. We encourage you to read the Series B Designation of Rights thoroughly; the following summary is qualified in its entirety by reference to the actual terms contained in the Series B Designation of Rights.

A total of 45,200 shares of Series B Convertible Preferred Stock are authorized for issuance under the Series B Designation of Rights. Each share of Series B Convertible Preferred Stock has a stated value of \$1,000 and is convertible into approximately 317 shares of the Company's common stock at a conversion price per share of \$3.15. Until the date that Stockholder Approval is obtained, the Purchasers will be unable to convert their Preferred Shares into common stock, in accordance with Nasdaq rules and regulations. Upon Stockholder Approval, the Preferred Shares will automatically convert into shares of common stock.

The Series B Convertible Preferred Stock will be entitled to dividends on an as-if-converted basis in the same form as any dividends actually paid on shares of common stock or other securities.

The initial conversion price of \$3.15 is subject to appropriate adjustment in the event of a stock split, stock dividend, combination, reclassification or other recapitalization affecting the common stock. In addition, until the earlier of the date there are no shares of Series B Convertible Preferred Stock outstanding, or one year from the effective date of the Resale Registration Statement, the conversion price is also subject to anti-dilution protection adjustment in the event the Company issues securities at an effective price less than the initial conversion price, subject to certain exceptions. If the Company's stockholders do not approve the conversion feature of the Series B Convertible Preferred Stock, the shares of Series B Convertible Preferred Stock will not become convertible, and will remain outstanding in accordance with the terms of the Series B Designation of Rights.

Except as otherwise required by law, the holders of Series B Convertible Preferred Stock will have no right to vote on matters submitted to a vote of the Company's stockholders. Without the prior written consent of 75% of the outstanding shares of Series B Convertible Preferred Stock, however, the Company may not: (a) alter or change adversely the powers, preferences or rights given to the Series B Convertible Preferred Stock or alter or amend the Series B Designation of Rights, (b) amend the Company's certificate of incorporation or other charter documents in any manner that adversely affects any rights of the holders of Series B Convertible Preferred Stock, (c) increase the number of authorized shares of Series B Convertible Preferred Stock, or (d) enter into any agreement with respect to any of the foregoing.

In the event of the dissolution and winding up of the Company, the proceeds available for distribution to the Company's stockholders shall be distributed *pari passu* among the holders of the shares of common stock and Series B Convertible Preferred Stock, *pro rata* based upon the number of shares held by each such holder, as if the outstanding shares of Series B Convertible Preferred Stock were convertible, and were converted, into shares of common stock.

Description of the Warrants

Each of the Merger Warrants, Private Placement Warrants and New Warrants entitles the holder thereof to purchase one share of common stock for cash at an exercise price of \$3.50 per share, subject to customary anti-dilution adjustments. The Warrants become exercisable upon receipt of Stockholder Approval of this Proposal 5, for a period of five years after Stockholder Approval.

At the election of a particular warrant holder, Warrants held by that holder are subject to a provision prohibiting the exercise of such Warrants to the extent that, after giving effect to such exercise, the holder of such Warrant (together with the holder's affiliates, and any other persons acting as a group together with the holder or any of the holder's affiliates), would beneficially own in excess of 4.99% (or, at the election of the holder, 9.99%) of the outstanding common stock. Again, such restriction does not apply to a holder unless that holder elects to be bound by the limitation. L-5 Healthcare did not elect to be bound by the limitation.

Interests of Related Parties

Certain of our officers, directors and affiliates hold shares of Series B Convertible Preferred Stock and will receive shares of common stock upon conversion of their shares of Series B Convertible Preferred Stock (approximately 317 shares of common stock for each share of Series B Convertible Preferred Stock held by such stockholder) immediately upon approval of Proposal 5 at the Annual Meeting, as indicated in the following table:

Name of Stockholder	No. of Shares of Series B	No. of Private Placement

Potential Adverse Effects of Proposal 5

If the Company does not receive approval of this Proposal 5, the Series B Convertible Preferred Stock will continue to be non-voting stock, entitled to payment of dividends if and when dividends are paid on shares of Company common stock, but will not be convertible until Stockholder Approval can be obtained at a future meeting of the stockholders.

Similarly, if our stockholders do not approve this Proposal 5 at the Annual Meeting, the Merger Notes may not be converted into shares of common stock, no Merger Warrants, Private Placement Warrants, or New Warrants may be exercised, and the Second Milestone Merger Shares may not be issued. In addition, we have agreed to hold special meetings of stockholders and to seek approval of a similar proposal (and to incur all related expenses) until the required approvals have been obtained to allow issuances of the Merger Shares, the Private Placement Shares, and the New Warrant Shares. Your approval of this Proposal 5 will permit us to continue with the transition and integration of the Merger and assist us in meeting the obligations of the Company under our agreements with these parties and continue to pursue our growth strategy. Approval of this Proposal 5 will constitute approval pursuant to the Nasdaq Listing Rules set forth above.

If Proposal 5 is approved, existing stockholders will suffer immediate substantial dilution in voting rights and in ownership interests upon the issuance of common stock upon the automatic conversion of the Series B Convertible Preferred Stock and possible future dilution upon conversion of the Merger Notes, issuance of the Second Milestone Merger Shares, and exercise of the Merger Warrants, Private Placement Warrants, and New Warrants. The sale into the public market of these shares of common stock also could materially and adversely affect the market price of our common stock. The table below summarizes the dilution to our existing stockholders immediately following the

The table does not give effect to the exercise of any of these options and grants or the potential exercise thereof. The number of shares of common stock described above also does not give effect to (i) the issuance of additional shares of common stock due to potential future anti-dilution adjustments on the Company's common stock, Series A Convertible Preferred Stock, or Series B Convertible Preferred Stock, (ii) the issuance of shares of our common stock pursuant to other outstanding options and warrants or (iii) any other future issuances of our common stock.

Background of the Merger

Discussions between the Company and SafeOp commenced in November 2017. On December 31, 2017, the Company and SafeOp executed a non-binding letter of intent for the Merger. The non-binding offer was conditioned

upon the achievement of financial, legal and technical due diligence. The Special Finance Committee of the Board of Directors, which the Board of Directors authorized to consider, analyze, and negotiate the Merger met and discussed the potential Merger on six occasions from December 2017 through March 2018. On March 6, 2018, the Special Finance Committee recommended to the Board of Directors that it approve the Merger. By written consent

resolutions dated March 6, 2018, and upon the recommendation of the Special Financing Committee, the Board of Directors authorized the Company's executive officers to finalize and execute all transaction documents related to the Merger.

Regulatory Approvals

Neither the Company nor SafeOp is aware of any federal or state regulatory approval required in connection with the Merger, other than compliance with relevant federal securities laws.

An additional 886,842 First Milestone Merger Shares are issuable upon achievement of post-closing milestones, with an additional 443,421 Second Milestone Merger Shares issuable upon achievement of additional milestones.

The Merger Agreement contains representations and warranties of each of the Company and SafeOp which relate to, among other things, the authorization to enter into and carry out the obligations in the Merger Agreement and the enforceability of the Merger Agreement. The Merger Agreement contains additional representations and warranties of the Company, Merger Sub, and SafeOp subject to certain disclosure schedules of exceptions, which relate to, among other things, the following:

All of the representations and warranties survive the Closing and remain in full force and effect following the Closing until performance or the expiration of the applicable statute of limitations.

The Merger Agreement is governed by the laws of the state of Delaware, without giving effect to any conflict of law principles which would result in the application of the laws of any other jurisdiction.

The business formerly operated by SafeOp continues to be operated by SafeOp as a wholly-owned subsidiary of the Company.

We have filed with the SEC Current Reports on Form 8-K disclosing terms and conditions of the Merger, the Private Placement, and related transactions. Those reports included or incorporated by reference as exhibits, the Merger and Private Placement transaction documents, including the Merger Agreement, the Securities Purchase Agreement, the Series B Designation of Rights, the Form of Warrant and the Form of Merger Note. RISK FACTORS

An investment in us involves a high degree of risk and should not be made by persons who cannot afford the loss of their entire investment. Our subsequent filings with the SEC may contain amended and updated discussions of significant risks. Alphatec cannot predict future risks or estimate the extent to which they may affect financial performance. Please also read carefully the section entitled "Special Note Regarding Forward-Looking Information" in

this Proxy Statement.

Certain risk factors relating to the business and industry of the Company and its securities can be found in Part I, Item 1A —“Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017. In

45

addition, you should carefully consider additional risks that relate to the Merger and the business of SafeOp, including but not limited to, the risks set forth below.

Risks Relating to the Merger

Uncertainty about the Merger may adversely affect relationships with our customers, suppliers and employees, whether or not the transaction is completed.

In response to the announcement of the Merger, the Company's and/or SafeOp's existing or prospective customers or suppliers may:

- delay, defer or cease purchasing products or services from us or the combined company, or providing products or services to us or the combined company;
- delay or defer other decisions concerning us or the combined company; or
- otherwise seek to change the terms on which they do business with us or the combined company.

Any such delays or changes to terms could materially harm our business or, if the Merger is completed, the combined business. In addition, as a result of the proposed Merger, the employees to be acquired from SafeOp could experience uncertainty about their future with us following the Closing. As a result, key employees may depart because of issues relating to such uncertainties, or a desire not to remain with us following the Merger. Losses of customers, employees or other important strategic relationships could have a material adverse effect on our business, operating results, and financial condition. Such adverse effects could also be exacerbated by a delay in the completion of the Merger for any reason.

We may incur substantial expenses related to the integration of SafeOp.

We may incur substantial expenses in connection with the integration of the business, policies, procedures, operations, technologies and systems of SafeOp. There are a large number of systems and functions that must be integrated, including, but not limited to, management information, accounting and finance, billing, payroll and benefits and regulatory compliance. Mergers are particularly challenging because their prior practices may not meet the requirements of the Sarbanes-Oxley Act and/or generally accepted public accounting standards. While we have assumed that a certain level of expenses would be incurred, there are a number of factors beyond our control that could affect the total amount or the timing of all of the expected integration expenses. Moreover, many of the expenses that will be incurred, by their nature, are difficult to estimate accurately at the present time.

We may be unable to successfully integrate our business with the business of SafeOp and realize the anticipated benefits of the Merger.

The Merger involves the combination of the businesses of two companies that currently operate as independent companies. Our management has limited integration experience and will be required to devote significant attention and resources to integrating our business practices and operations with those of SafeOp. Potential difficulties we may encounter as part of the integration process include, but are not limited to, the following:

- inability to successfully combine our business with the business of SafeOp in a manner that permits us to achieve the full synergies anticipated from the Merger;
- complexities associated with managing our business and the business of SafeOp following the Merger, including the challenge of integrating complex systems, technology, networks and other assets of each of the companies in a seamless manner that minimizes any adverse impact on customers, suppliers, employees and other constituencies;
- integrating the workforces of the two companies while maintaining focus on providing consistent, high quality customer service; and

potential unknown liabilities and unforeseen increased expenses or delays associated with the Merger, including costs to integrate the two companies that may exceed anticipated costs.

Any of the potential difficulties listed above could adversely affect our ability to maintain relationships with customers, suppliers, employees, lenders and other constituencies or our ability to achieve the anticipated benefits of the Merger or otherwise adversely affect our business and financial results following completion of the Merger.

Our actual financial and operating results after the Merger could differ materially from any expectations or guidance provided by us concerning future results, including (without limitation) expectations or guidance with respect to the financial impact of any cost savings and other potential synergies.

We currently expect to realize an increase in sales and other synergies as a result of the proposed Merger. These expectations are subject to numerous assumptions, however, including assumptions derived from our diligence efforts concerning the status of and prospects for SafeOp's business, which we do not currently control, and assumptions relating to the near-term prospects for our industry generally and the markets for SafeOp's products in particular. Additional assumptions that we have made include, without limitation, the following:

- projections of SafeOp's future revenues;
- anticipated financial performance of SafeOp's products and products currently in development;
- anticipated cost savings and other synergies associated with the Merger, including potential revenue synergies;
- our expected capital structure after the Merger;
- amount of goodwill and intangibles that will result from the Merger;
- certain other purchase accounting adjustments that we expect to record in our financial statements in connection with the Merger;
- merger costs, including transaction costs payable to our financial, legal and accounting advisors;
- our ability to maintain, develop and deepen relationships with SafeOp's customers; and
- other financial and strategic risks of the Merger.

We cannot provide any assurances with respect to the accuracy of our assumptions, including our assumptions with respect to future revenues or revenue growth rates, if any, of SafeOp, and we cannot provide assurances with respect to our ability to realize any cost savings that we currently anticipate. Risks and uncertainties that could cause our actual results to differ materially from currently anticipated results include, but are not limited to, risks relating to our ability to integrate SafeOp successfully; currently unanticipated incremental costs that we may incur in connection with integrating the two companies; risks relating to our ability to realize incremental revenues from the Merger in the amounts that we currently anticipate; risks relating to the willingness of SafeOp's customers and other partners to continue to conduct business with us following the Merger; and numerous risks and uncertainties that affect our industry generally and the markets for our products and those of SafeOp, specifically. Any failure to integrate SafeOp successfully and to realize the financial benefits we currently anticipate from the Merger would have a material adverse impact on our future operating results and financial condition and could materially and adversely affect the trading price or trading volume of our common stock.

The combined businesses may not perform as we expect, or as the market expects, which could have an adverse effect on the price of our Common Stock.

Risks associated with the combined company following the Merger include:

Integrating businesses is a difficult, expensive, and time-consuming process, and the failure to integrate successfully our business with the businesses of SafeOp in the expected time frame would adversely affect our financial condition and results of operations;

- the Merger will significantly increase the size of our operations, and if we are not able to effectively manage our expanded operations, our stock price may be adversely affected;

It is possible that key employees of SafeOp might decide not to remain with us after the Merger, and the loss of such personnel could have a material adverse effect on the financial condition, results of operations and growth prospects of the Company;

The current sales rates of SafeOp as combined with the Company may dilute the observed growth rates of the Company;

The success of the Company following the Closing will also depend upon relationships with third parties and pre-existing customers of us and SafeOp, which relationships may be affected by customer preferences or public attitudes about the Merger. Any adverse changes in these relationships could adversely affect our business, financial condition and results of operations; and

- the price of our common stock after the Merger may be affected by factors different from those currently affecting the price of our common stock.

If any of these events were to occur, the price of our common stock could be adversely affected.

Risks Related to the Operation of the SafeOp Business Following the Merger

Uncertain or weakened global economic conditions may adversely affect SafeOp's industry, business and results of operations.

The overall performance of the SafeOp division will depend on domestic and worldwide economic conditions, which may remain challenging for the foreseeable future. Financial developments seemingly unrelated to SafeOp or its industry may adversely affect it. The U.S. economy and other key international economies have been impacted by threatened sovereign defaults and ratings downgrades, falling demand for a variety of goods and services, restricted credit, threats to major multinational companies, poor liquidity, reduced corporate profitability, volatility in credit, equity and foreign exchange markets, bankruptcies, acts of terrorism and overall uncertainty. Healthcare reform in the United States has created a great deal of confusion and reduced capital expenditures for medical equipment and products such as those manufactured and distributed by SafeOp. These conditions affect the rate of medical or therapeutic equipment spending and could adversely affect our ability to sell SafeOp's products, or delay prospective purchasing decisions, any of which could adversely affect our operating results. We cannot predict the timing, strength or duration of the economic recovery or any subsequent economic slowdown worldwide, in the United States, or in SafeOp's industry.

SafeOp's failure or inability to enforce its trademarks or other proprietary rights could adversely affect its competitive position or the value of its brand.

SafeOp owns certain federal trademark registrations but also relies on unregistered proprietary rights, including common law trademark protection. Third parties may oppose SafeOp's trademark applications, or otherwise challenge its use of the trademarks, and may be able to use its trademarks in jurisdictions where they are not registered or otherwise protected by law. If SafeOp's trademarks are successfully challenged or if a third party is using confusingly similar or identical trademarks in particular jurisdictions before SafeOp, SafeOp could be forced

to rebrand its products, which could result in loss of brand recognition, and could require additional resources for marketing new brands. If others are able to use SafeOp's trademarks, its ability to distinguish its products may be impaired, which could adversely affect its business. Further, we cannot assure you that competitors will not infringe upon SafeOp's trademarks, or that we will have adequate resources to enforce its trademarks.

SafeOp may be unable to effectively develop and market products against the products of its competitors in a highly competitive industry.

The present or future products of SafeOp could be rendered obsolete or uneconomical by technological advances by its competitors. Competitive factors include price, customer service, technology, innovation, quality, reputation and reliability. SafeOp's competition may respond more quickly to new or emerging technologies, undertake more extensive marketing campaigns, have greater financial, marketing and other resources than SafeOp, or be more successful in attracting potential customers, employees and strategic partners. Given these factors, we cannot guarantee that we will be able to continue the current level of success of SafeOp in the industry.

The cost of complying with complex governmental regulations applicable to the SafeOp business, sanctions resulting from non-compliance, or reduced demand resulting from increased regulations, could affect our operating results.

SafeOp's operations and facilities may be subject to the requirements of the Occupational Safety and Health Act and comparable state statutes that regulate the protection of the health and safety of workers, and the proper design, operation and maintenance of equipment.

Failure to comply with these requirements, including general industry standards, record keeping requirements and monitoring and control requirements, may result in significant fines or compliance costs, which could have a material adverse effect on our results of operations, financial condition and cash flows.

ADDITIONAL INFORMATION ABOUT SAFEOP

Historical Financial Information

This summary information should be read in conjunction with the historical financial information prepared by the management of SafeOp, including SafeOp's audited Balance Sheets and Income Statements as of December 31, 2017 and December 31, 2016, attached to this Proxy Statement as Appendix C. Financial information about the Company for the year ended December 31, 2017, including our audited financial statements for the two years then ended, and the notes thereto, is available on our Annual Report on Form 10-K, filed March 9, 2018, incorporated herein by reference.

As discussed above, in connection with our Annual Meeting, we are not seeking stockholder approval of the Merger and there are no regulatory requirements that we obtain stockholder approval of the Merger. We are seeking stockholder approval, in accordance with the Nasdaq Listing Rules, of the issuance of securities in excess of 19.99% of the outstanding common stock of the Company in connection with the Merger, including the Private Placement. The risks and uncertainties described above are not the only ones related to the Merger. Additional risks and uncertainties regarding SafeOp not presently known to us or that our management currently deems immaterial also may impair our business operations. Following the closing of the Merger, the business of SafeOp is now the business of the Company, operated by SafeOp as a wholly owned subsidiary of the Company. If any of the risks described above were to occur, our business, financial condition, operating results and cash flows could be materially adversely affected. In such an event, the trading price of our common stock could decline and you could be materially and adversely impacted. The risks discussed above also include forward-looking statements and our actual results may differ substantially from those discussed in these forward-looking statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS OF SAFEOP

Set forth below is management's discussion and analysis of financial condition and results of operations for SafeOp for the year ended December 31, 2017 compared to the year ended December 31, 2016.

The following discussion and analysis of SafeOp's financial condition and results of operations should be read in conjunction with the audited financial statements of SafeOp, as of and for the years ended December 31, 2017 and 2016 and the notes thereto, provided to the Company in connection with the Merger by SafeOp.

Overview

SafeOp was incorporated in the State of Delaware on September 30, 2011. SafeOp is focused on the commercialization of a medical device that automatically monitors and detects nerve abnormalities during surgeries. SafeOp's corporate office are located in Hunt Valley, Maryland and its executive offices are located in Carlsbad, California.

In January 2014, SafeOp received clearance from the Food and Drug Administration of the U.S. Department of Health and Human Services, to market its Evoked Potential Assessment Device (EPAD™). The device is portable and intended for use in monitoring neurological status by recording somatosensory evoked potentials (SSEPs).

In 2016, SafeOp officially launched its product and began recording revenues. Prior to 2016, SafeOp's primary activities since incorporation were to establish its offices, recruit personnel, conduct research and development, perform business and financial planning, and raise capital.

Critical Accounting Policies and Estimates

Revenue Recognition

Revenue is derived from sale of goods and services associated with the EPAD device, and recognized upon delivery of such goods and services. Revenue is recorded at the fair value of the consideration received or receivable, excluding any trade discounts.

Accounts Receivable

Accounts receivable are stated at realizable value. Allowance for uncollectible amounts are based upon prior experience and aging. Receivables are reduced by this allowance, if any. All allowances and offsets are charged against revenue.

Inventories

Inventories consists primarily of finished goods, which includes specialized medical devices, and are stated at the lower of cost or market using the first-in, first-out cost method. SafeOp evaluates inventories for obsolescence and excess quantities based on changes in market demand or introduction of competing technologies.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and

liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. Actual results could differ from such estimates, and any difference could be material to the financial statements and accompanying notes.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, which include cash and cash equivalents, prepaid expenses, accounts payable and accrued expenses generally approximate their respective fair value because of the short-term maturities.

Income Taxes

Income taxes are accounted for under the asset-and-liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to the differences between the tax bases of assets and liabilities and their reported amounts in the financial statements, as well as the operating loss and tax credit carryforwards. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Deferred tax assets and liabilities are measured at the balance sheet date using the enacted tax rates expected to apply to taxable income in the years in which these temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period such tax rate changes are enacted. SafeOp has incurred losses since September 30, 2011 (inception), and therefore has incurred no income tax liability and has not recorded any provision for income taxes.

SafeOp recognizes uncertain income tax positions at the largest amount that is more likely than not to be sustained upon review by the relevant tax authorities. An uncertain income tax position will not be recognized if it is less than 50 percent likely of being sustained.

Year Ended December 31, 2017 Compared to Year December 31, 2016

Results of Operations

Revenue. Revenue was approximately \$247,000 for the year ended December 31, 2017 compared to approximately \$61,000 for the year ended December 31, 2016, representing an increase of \$186,000, or 305%. The increase in revenue was attributed to increased customer adoption of the EPAD device, which SafeOp launched in July 2016.

Cost of goods sold. Cost of goods sold was approximately \$123,000 for the year ended December 31, 2017 compared to approximately \$184,000 for the year ended December 31, 2016, representing a decrease of \$61,000, or 33%. This decrease was attributable to the write-off of approximately \$115,000 of expiring product in December of 2016, offset by an increase on cost of goods sold related to the increase in sales volume.

Gross profit. Gross profit was approximately \$123,000 for the year ended December 31, 2017 compared to a negative gross profit of approximately \$122,000 for the year ended December 31, 2016. The increase in gross profit was attributable to write-off of expiring product in December of 2016 of \$115,000 and the increase in sales volume.

Operating expenses. Operating expenses were approximately \$3.5 million in each of the years ended December 31, 2017 and 2016, and include research and development costs to design, develop, test, deploy and enhance the EPAD device, costs to market and sell the EPAD device, and general and administrative expenses to support operations.

Other expenses, net. Other expenses, net, were approximately \$13,000 for year ended December 31, 2017 compared to approximately \$95,000 for the year ended December 31, 2016 representing a decrease of \$82,000. The majority of the expenses represent interest expense of the Company. The decrease was attributable to a decrease in the weighted average debt for the year.

Liquidity and Capital Resources

SafeOp has incurred significant net losses since inception and has relied on its ability to fund operations primarily through debt financings and equity financings. At December 31, 2017, SafeOp had a cash balance of approximately \$300,000 and an accumulated deficit of approximately \$13.8 million.

SafeOp used net cash of \$3.3 million from operating and investing activities for the year ended December 31, 2017, primarily to fund the net loss, working capital requirements, and equipment purchases. Financing activities provided net cash of approximately \$2.4 million, attributable to proceeds from the issuance of convertible promissory notes.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTORS

To be considered for inclusion in the proxy statement relating to our 2019 Annual Meeting of Stockholders, we must receive stockholder proposals (other than for director nominations) no later than December 28, 2019, which is 120 days prior to the date that is one year from this year's mailing date of April 27, 2018, unless the date of the 2019 Annual Meeting of Stockholders is changed by more than 30 days from the anniversary of the 2018 Annual Meeting, in which case the deadline for such proposals will be a reasonable time before we begin to print and send our proxy materials. These proposals must comply with the requirements as to form and substance established by the SEC for such proposals in order to be included in the proxy statement. In addition, our Bylaws establish an advance notice procedure with regard to certain matters, including stockholder proposals and director nominations not requested to be included in our proxy statement, to be brought before an annual meeting of stockholders. In general, the notice must meet the requirements in our Bylaws and be received at our principal executive offices not less than 45 days before nor more than 75 days prior to the one year anniversary of the date on which we first mailed our proxy statement to stockholders in connection with the previous year's annual meeting. Therefore, to be presented at the 2019 Annual Meeting of Stockholders, such a proposal must be received no earlier than February 11, 2019 and no later than March 13, 2019. However, if the date of the annual meeting is more than 30 days before or more than 30 days after the one year anniversary date of the 2018 Annual Meeting, notice must be received not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the 60th day prior to such annual meeting or, if later, ten days following the date on which public announcement of the date of the meeting is first made. Proposals that are not received in a timely manner will not be voted on at the 2019 Annual Meeting. If a proposal is timely received, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. All stockholder proposals should be marked for the attention of Corporate Secretary, Alphatec Holdings, Inc., 5818 El Camino Real, Carlsbad, CA 92008. Stockholders are advised to review our Bylaws which also specify requirements as to the form and content of a stockholder's notice.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SafeOp Surgical, Inc. as of December 31, 2017, and the results of its operations and its cash flows for the year ended December 31, 2017, in conformity with accounting principles generally accepted in the United States of America.

SafeOp Surgical, Inc.

Notes to Financial Statements

1. Description of Business

SafeOp Surgical, Inc., (the “Company”) was incorporated in the state of Delaware on September 30, 2011. The Company is a private biotech company focused on the commercializing of a medical device that automatically monitors and detects nerve abnormalities during surgeries. The Company’s corporate office is in Hunt Valley, Maryland.

In January 2014, the Company received clearance from the Food and Drug Administration of the U.S. Department of Health and Human Services, to market its Evoked Potential Assessment Device (EPAD™). The device is portable and intended for use in monitoring neurological status by recording somatosensory evoked potentials (SSEPs).

In 2016, the Company officially launched its product and began recording revenues. Prior to 2016, the Company’s primary activities since incorporation were to establish its offices, recruit personnel, conduct research and development, perform business and financial planning, and raise capital.

2. Liquidity

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. Since inception the Company has reported losses from operations and is expected to generate losses and consume significant cash resources in the foreseeable future as the Company continues development of modules around the core product and continues to expand its sales channels. The Company has cash and cash equivalents of \$300,581 and an accumulated deficit of \$13,761,635 as of December 31, 2017. During 2017, the Company received bridge note financing of \$2,387,500 in the form of convertible promissory notes. These promissory notes are convertible to Series D preferred stock. As part of the Series D Closing, the Company also plans to issue an additional 1,795,342 shares of Series D Preferred Stock raising \$1,172,678 in additional funds. Management believes that cash and cash equivalents on hand at December 31, 2017 of \$300,581, the funds raised by the Series D Closing, and cash flows from sales in 2018, will be sufficient to fund planned expenditures and meet the Company’s obligations through part of 2018. However, there can be no assurance that additional financing will be available on satisfactory terms at all.

3. Significant Accounting Policies

Basis of Presentation

The Company’s financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate the continued existence of the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. Actual results could differ from such estimates, and any difference could be material to the financial statements and accompanying notes.

Fair Value of Financial Instruments

The carrying amounts of the Company’s financial instruments, which include cash and cash equivalents, prepaid expenses, accounts payable and accrued expenses generally approximate their respective fair value because of the

short-term maturities.

SafeOp Surgical, Inc.

Notes to Financial Statements (continued)

3. Significant Accounting Policies (continued)

Cash and Cash Equivalents

Cash and cash equivalents are stated at fair value. The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents. The Company maintains its cash in depository accounts that, at times, may exceed federally insured limits. The Company has not experienced any losses on such accounts.

Sources of Supply

Many of the purchased components used to manufacture the Company's products are single-sourced due to technology, price, or other considerations. Some of these single-sourced components are manufactured to the Company's design and specifications. Most of these items, however, may be sourced from other suppliers, often after a requalification process. In the event that the Company's supply of critical components was interrupted due to the time required to requalify materials or modify product designs, the Company's ability to manufacture the related product in desired quantities and in a timely manner could be adversely affected. The Company attempts to mitigate these risks by working closely with key suppliers to coordinate product plans and the transition to replacement components for critical parts.

Inventories

Inventories consists primarily of finished goods, which includes specialized medical devices, and are stated at the lower of cost or market using the first-in, first-out cost method. The Company evaluates inventories for obsolescence and excess quantities based on changes in market demand or introduction of competing technologies.

Equipment and Depreciation

Equipment consists of computers, office equipment and furniture and is stated at cost, less accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the respective assets, generally three to five years. Expenditures for maintenance and repairs, which do not improve or extend the useful lives of the respective assets, are expensed as incurred.

Research and Development Expenses

Research and development costs are charged to expense as incurred. Research and development costs include the costs to design, develop, test, deploy and enhance its product. Costs incurred under agreements with third parties are charged to expense as incurred in accordance with the specific contractual performance terms of such agreements. Milestone payments incurred are charged to expense in accordance with the specific contractual performance terms of such agreements.

Intangible Asset

Intangible asset consists of purchased developed technology, which is amortized over a period of 20 years.

SafeOp Surgical, Inc.

Notes to Financial Statements (continued)

3. Significant Accounting Policies (continued)

Income Taxes

Income taxes are accounted for under the asset-and-liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to the differences between the tax bases of assets and liabilities and their reported amounts in the financial statements, as well as the operating loss and tax credit carryforwards. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Deferred tax assets and liabilities are measured at the balance sheet date using the enacted tax rates expected to apply to taxable income in the years in which these temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period such tax rate changes are enacted. The Company has incurred losses since September 30, 2011 (inception). Therefore, the Company has incurred no income tax liability and has not recorded any provision for income taxes.

The Company recognizes uncertain income tax positions at the largest amount that is more likely than not to be sustained upon review by the relevant tax authorities. An uncertain income tax position will not be recognized if it is less than 50 percent likely of being sustained.

The Company's income tax returns are subject to examination by the appropriate taxing jurisdictions, and generally remain open for the last three years, as applicable.

Revenue Recognition

Revenue is derived from sale of goods and services associated with the EPAD device, and recognized upon delivery of such goods and services. Revenue is recorded at the fair value of the consideration received or receivable, excluding any trade discounts.

Accounts Receivable

Accounts receivable are stated at realizable value. Allowance for uncollectible amounts are based upon prior experience and aging. Receivables are reduced by this allowance, if any. All allowances and offsets are charged against revenue.

Stock-Based Compensation

The Company measures and recognizes the cost of employee services received in exchange for awards of equity instruments based on the grant date fair value of those awards. Stock-based compensation expense is recognized ratably using the straight-line attribution method over the expected vesting period, which is considered to be the requisite service period. In addition, the Company is required to estimate the amount of expected forfeitures when calculating compensation expense. The Company accounts for nonemployee equity-based awards, in which services are the consideration received for the equity instruments issued, at their fair value.

For purposes of calculating the stock-based compensation expense, the fair value of the options granted by the Company in 2012 through 2016 was determined giving appropriate analysis to the preference of the Company's outstanding preferred stock, the Company's cash position and prior to 2016, its stage of development. Stock-based compensation expense recognized in the accompanying statements of operations for the year ended December 31,

2017, was further based on awards ultimately expected to vest and is reduced for estimated forfeitures, if any.

The fair value of each stock option grant is estimated on the date of grant using the Black-Scholes option-pricing model and straight-line amortization of compensation expense over the requisite service period of the grant.

Series A

The Company issued a total of 4,340,000 shares of Series A preferred stock with a price of \$1 per share. The net cash proceeds of this financing was \$4,340,000. The Company's Series A preferred stock has been classified as mezzanine on the balance sheet instead of stockholder's equity in accordance with Accounting Standard Codification (ASC) 480-10-S99-3, Classification and Measurement of Redeemable Securities, under which if the preferred security holders control a majority of the votes of the Board of Directors through direct representation on the Board of

Directors or through other rights, the preferred security is redeemable at the option of the holder, and its classification outside of permanent equity is appropriate. Accordingly, the Series A preferred stock is classified as other than permanent equity or mezzanine equity.

Conversion

Each share of Series A preferred stock may, at the option of the holder thereof, be converted at any time and from time to time, and without the payment of consideration by the holder thereof, into fully-paid and non-assessable shares of common stock, subject to anti-dilution adjustments. The number of shares of common stock which a Series A holder shall be entitled to receive upon conversion of its Series A preferred stock shall be equal to the product obtained by multiplying (a) the number of shares of Series A preferred stock being converted at any time by, (b) the conversion rate then in effect; or (c) upon a qualified public offering; or (d) upon the affirmative vote or consent of, and written notice to, the Company by the holders of at least a majority of the then outstanding shares of Series A preferred stock.

-9-

SafeOp Surgical, Inc.

Notes to Financial Statements (continued)

Effective April 2016, in connection with the issuance of the Series C preferred stock, the conversion rights of the Series A preferred stock was changed from a 1:1 conversion rate to a 1:2.8868 conversion rate. At December 31, 2017, the total preferred stock issued and outstanding of 4,340,000 shares equals 12,528,868 common stock shares upon conversion.

The rights, preferences, and privileges of the preferred stock are as follows:

6. Convertible Preferred Stock (continued)

Voting

Each Series A preferred stock holder shall be entitled to vote together with the common stock and all other series and classes of stock permitted to vote with the common stock on all matters submitted to a vote of the holders of the common stock (including election of directors). For each vote in which the Series A holders are entitled to participate, each Series A holder shall be entitled to that number of votes per share to which such Series A holder would have been entitled had each share of Series A preferred stock held by such Series A holder then been converted into shares of common stock as specified in the Company's certificate of incorporation. The approval of Series A preferred stockholders is required for a number of significant changes to the Company, including creation of new classes of shares and amendments to the Company's Articles of Incorporation, election of the Company's board members, in addition to other corporate actions.

Dividends

Holders of Series A preferred stock shall be entitled to receive dividends out of any assets legally available only when as, and if declared by the Board of Directors, prior to and in preference to any declaration or payment of any dividend on the common stock, at a rate equal to 8% per annum (based upon a 365-day year) of \$1.00 per share. Effective April 2016, the accreted value of such undeclared dividends were added to the liquidation value of the shares, and all further accretion has been cancelled. To date, the Board of Directors has not declared any dividends.

Liquidation

In the event of liquidation, dissolution, or winding up, whether voluntarily or involuntarily, and upon certain other defined events, the holders of the Series A preferred stock are also entitled to receive liquidation preferences in an amount per share of Series A preferred stock equal to (a) the Series A Issue Price plus, (b) an amount equal to all accrued and unpaid Series A dividends (whether or not declared) on such shares of Series A preferred stock. Common Stock: In connection with the sale of the Company's Series A preferred shares in the year ended December 31, 2012, the Company entered in an Award Agreement for Restricted Shares (the "Agreement") with several common stockholders, including one employee/officer. In March 2012 a total of 900,000 shares of common stock were issued under the Agreement. At December 31, 2015, the entire 900,000 restricted shares granted became fully vested. During 2016, an additional 7,215,541 shares of common stock were issued under the Agreement. None of the awarded shares or any beneficial interest therein shall be transferred, encumbered, pledged or otherwise alienated or disposed of in any way until they have become non-forfeitable in accordance with the Agreement. Even after any of the awarded shares become transferable pursuant to this Agreement, they will remain subject to the transfer restrictions set forth in the Stockholders Agreement.

Common Stock Warrants: In connection with the April and June 2016 sale of the Company's Series C preferred shares, the Company granted 3,540,950 warrant shares to the Series C shareholders for the purchase of the Company's common stock at an exercise price of \$.01 per share. The number of shares of common stock purchasable upon the exercise of this warrant is subject to adjustment from time to time upon the occurrence of certain events as described in the Warrant Agreement. The warrants allow for either a cash or share settlement at the sole discretion of the Company, and are only exercisable, whether in whole or in part, concurrently with the consummation of the Company's first firm commitment underwritten public offering of Warrant Shares which occurs before the expiration time of the warrants. The warrants expire upon the first to occur of (a) on June 30, 2026 and (b) the consummation of a liquidation of the Company.

Stock Option Plan and Stock-Based Compensation

Stock Option Plan - Under the 2012 Equity Incentive Plan (the Plan) including amendments, 10,200,000 shares of common stock have been reserved for the issuance of incentive stock options (ISOs) and non-qualified stock options (NSOs). Employees, Directors, consultants, and other individuals who provide services to the Company are eligible to be granted Awards under the Plan; provided, however, that only employees of the Company are eligible to be granted ISOs. ISOs and NSOs may be granted with an exercise price no lesser than the fair market value of the common stock on the date of grant. Options granted to a 10% stockholder shall be at no less than 110% of the fair value, and ISO

grants to such 10% stockholders expire five years from the date of grant. ISOs granted under the Plan generally vest 25% after completion of the first year of service, and the balance vest in equal monthly installments over the next 36 months of service and expire ten years from the grant date, unless subject to provisions regarding 10% stockholders. NSOs vest per the specific agreement and expire ten years from the date of grant.

7. Stockholders' Deficit (continued)

The fair value of stock options granted was estimated using the following weighted average assumptions:

Expected dividend yield	0.00 %
	10
Expected term (in years)	years
Risk-free interest rate	2.019 %
Expected stock price volatility	100 %

The Company has not paid dividends on its common shares in the past nor does it expect to pay dividends in the future. As such, the company used a dividend yield percentage of zero. Additionally, because the Company does not have a publicly traded common stock, the expected volatility was estimated by the Company to be 100% consistent with the historical changes in the fair value of its stock price. The risk-free rates approximated the rate of treasury securities with the same term as the options on the date of the respective grant.

For the year ended, December 31, 2017, the Company recorded \$191,132 of compensation expense related to stock options. As of December 31, 2017, there was \$433,039 of total unrecognized cost related to non-vested stock option grants which is expected to be recognized over the next four years.

A summary of the 2012 Equity Incentive Plan activity is as follows:

	Available	Outstanding	Outstanding	Weighted
	for	Options	restricted	Average
	Grant		shares	Exercise
				Price
Balance at December 31, 2017	1,343,089	582,203	8,274,708	\$ 0.0882

8. Income Taxes

At December 31, 2017, the Company had federal and state net operating loss carryforwards of approximately \$13,714,000 and \$7,614,000, respectively. The difference between the federal and the state tax loss carryforwards is primarily attributable to the apportionment of income to various states. The Company also has federal research and development tax credit carryforwards of approximately \$227,000 available to reduce future income subject to income taxes.

Significant components of the Company's deferred tax assets are shown below. A valuation allowance of \$3,467,000 has been established as of December 31, 2017, to offset the deferred tax assets as realization of such assets does not meet the more likely than not threshold set forth in the standards.

Deferred tax assets:	
Research and development credits	\$48,000
State taxes	(1,000)
Depreciation and amortization	(8,000)
Net operating loss carryforwards	3,428,000
Total deferred tax assets	3,467,000
Valuation allowance for deferred tax assets	(3,467,000)
Total net deferred tax assets	\$-

9. Commitments

The Company has entered into employment agreements with 5 of its key employees. The terms of the agreement include provisions for salary, bonuses, and benefits when certain measurable targets are achieved. In addition, the agreements include provisions that provide severance payments ranging from 75% to 100% of the employee's annual base pay plus a pro rata portion of the performance bonus through the date of termination if the employee's employment is terminated by the employer without cause or by the employee for good reason, or if there is a change in control (defined as greater than 50% of the Company's stock sold).

The Company has entered into a lease agreement for office space in Maryland. The initial lease term is for 37 months commencing December 2014, with an option for one additional 3-year term. The notes also have a conversion feature of 90% of the lowest price per share of the next equity securities in a Qualified Financing. See Note 11 for more information on the issuance of the Series D preferred shares in exchange for the notes, subsequent to year-end.

11. Subsequent Events

The Company also sold 1,686,165 shares of Series D preferred stock for net cash proceeds of \$1,101,366. The proceeds received by the Company from the sale of the shares at the Closings shall be used to fund the continued development of the Company's business and for general working capital purposes. Holders of the Series D preferred stock shall be entitled to dividends only when and if declared by the Board of Directors. Upon liquidation, holders of the Series D preferred stock are also entitled to be paid before holders of the Series C, B, or A Series preferred stock. Series D shares are convertible into shares of the Company's common stock at a rate 1:1.

As part of the Series D issue, the Company amended and restated its Certificate of Incorporation and certain Stockholders Agreements, to among other things increase the aggregate number of shares of all classes of stock of which the Corporation has the authority to issue to 68,412,553, designated as follows:

(i) 50,000,000 shares of common stock, par value \$0.0001 per share, and (ii) 18,412,553 shares of preferred stock, par value \$0.0001 per share, of which 4,340,000 are designated Series A Preferred Stock, 1,097,783 are designated Series B Preferred Stock, 7,096,900 are designated Series C Preferred Stock, and 5,877,870 are designated as Series D Preferred Stock.

On December 31, 2017, The Company received a Non-Binding Preliminary Indication of Interest to acquire all of its outstanding equity through a reverse triangular merger with a wholly-owned subsidiary of Alphatec Holdings, Inc.

(“Alphatec”). During 2016, the Company completed the first two tranches of its Series C Closing raising \$4,500,000 from the issuance of 7,096,900 shares of convertible Series C preferred stock. A total of \$8,000,000 is planned to be raised from the Series C preferred stock financing. The remaining \$3,500,000 is expected to close on or before December 31, 2017. Prior to 2016, the Company had completed its Series A and Series B Closings and received \$4,340,000 and \$2,470,012 in net proceeds from the sale of 4,340,000 and 1,097,783 shares of convertible Series A and B convertible preferred stock, respectively. Management believes that cash and cash equivalents on hand at December 31, 2016 of \$1,226,539 in addition to \$3,500,000 from the remainder of the Series C transaction in 2017, will be sufficient to fund planned expenditures and meet the Company’s obligations through 2017. However, there can be no assurance that additional financing will be available on satisfactory terms at all.

3. Significant Accounting Policies

Basis of Presentation

The Company’s financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate the continued existence of the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. Actual results could differ from such estimates, and any difference could be material to the financial statements and accompanying notes.

3. Significant Accounting Policies (continued)

Fair Value of Financial Instruments

The carrying amounts of the Company's financial instruments, which include cash and cash equivalents, prepaid expenses, accounts payable and accrued expenses generally approximate their respective fair value because of the short-term maturities.

Cash and Cash Equivalents

Cash and cash equivalents are stated at fair value. The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents. The Company maintains its cash in depository accounts that, at times, may exceed federally insured limits. The Company has not experienced any losses on such accounts.

Sources of Supply

Many of the purchased components used to manufacture the Company's products are single-sourced due to technology, price, or other considerations. Some of these single-sourced components are manufactured to the Company's design and specifications. Most of these items, however, may be sourced from other suppliers, often after a requalification process. In the event that the Company's supply of critical components was interrupted due to the time required to requalify materials or modify product designs, the Company's ability to manufacture the related product in desired quantities and in a timely manner could be adversely affected. The Company attempts to mitigate these risks by working closely with key suppliers to coordinate product plans and the transition to replacement components for critical parts.

Inventories

Inventories consists primarily of finished goods, which includes specialized medical devices, and are stated at the lower of cost or market using the first-in, first-out cost method. The Company evaluates inventories for obsolescence and excess quantities based on changes in market demand or introduction of competing technologies.

Equipment and Depreciation

Equipment consists of computers, office equipment and furniture and is stated at cost, less accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the respective assets, generally three to five years. Expenditures for maintenance and repairs, which do not improve or extend the useful lives of the respective assets, are expensed as incurred.

Research and Development Expenses

Research and development costs are charged to expense as incurred. Research and development costs include the costs to design, develop, test, deploy and enhance its product. Costs incurred under agreements with third parties are charged to expense as incurred in accordance with the specific contractual performance terms of such agreements. Milestone payments incurred are charged to expense in accordance with the specific contractual performance terms of such agreements.

Intangible Asset

Intangible asset consists of purchased developed technology, which is amortized over a period of 20 years.

Income Taxes

Income taxes are accounted for under the asset-and-liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to the differences between the tax bases of assets and liabilities and their reported amounts in the financial statements, as well as the operating loss and tax credit carryforwards. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Deferred tax assets and liabilities are measured at the balance sheet date using the enacted tax rates expected to apply to taxable income in the years in which these temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period such tax rate changes are enacted. The Company has incurred losses since September 30, 2011 (inception). Therefore, the Company has incurred no income tax liability and has not recorded any provision for income taxes.

The Company recognizes uncertain income tax positions at the largest amount that is more likely than not to be sustained upon review by the relevant tax authorities. An uncertain income tax position will not be recognized if it is less than 50 percent likely of being sustained.

The Company's income tax returns are subject to examination by the appropriate taxing jurisdictions, and generally remain open for the last three years, as applicable.

Stock-Based Compensation

The Company measures and recognizes the cost of employee services received in exchange for awards of equity instruments based on the grant date fair value of those awards. Stock-based compensation expense is recognized ratably using the straight-line attribution method over the expected vesting period, which is considered to be the requisite service period. In addition, the Company is required to estimate the amount of expected forfeitures when calculating compensation expense. The Company accounts for nonemployee equity-based awards, in which services are the consideration received for the equity instruments issued, at their fair value.

For purposes of calculating the stock-based compensation expense, the fair value of the options granted by the Company in 2012 through 2016 was determined giving appropriate analysis to the preference of the Company's outstanding preferred stock, the Company's cash position and prior to 2016, its stage of development. Stock-based compensation expense recognized in the accompanying statements of operations for the year ended December 31, 2016, was further based on awards ultimately expected to vest and is reduced for estimated forfeitures, if any.

The fair value of each stock option grant is estimated on the date of grant using the Black-Scholes option-pricing model and straight-line amortization of compensation expense over the requisite service period of the grant.

Subsequent Events

Management has evaluated transactions and events that occurred through February 16, 2017, the date that these financial statements were available to be issued, for recognition and/or disclosure in these financial statements.

7. Stockholders' Deficit (continued)

The fair value of stock options granted was estimated using the following weighted average assumptions:

Expected dividend yield	0.00 %
Expected term (in years)	10 years
Risk-free interest rate	2.13 %
Expected stock price volatility	100 %

The Company has not paid dividends on its common shares in the past nor does it expect to pay dividends in the future. As such, the company used a dividend yield percentage of zero. Additionally, because the Company does not have a publicly traded common stock, the expected volatility was estimated by the Company to be 100% consistent with the historical changes in the fair value of its stock price. The risk-free rates approximated the rate of treasury securities with the same term as the options on the date of the respective grant.

For the year ended, December 31, 2016, the Company recorded \$63,745 of compensation expense related to stock options. As of December 31, 2016, there was \$624,171 of total unrecognized cost related to non-vested stock option grants which is expected to be recognized over the next four years.

A summary of the 2012 Equity Incentive Plan activity is as follows:

The unaudited pro forma condensed combined financial statements reflect certain adjustments based on management’s preliminary estimates of the fair values of tangible and intangible assets acquired. Upon completion of detailed valuation studies the Company may make additional adjustments to the fair values, and these valuations could change significantly from those used to determine certain adjustments in the pro forma condensed combined financial statements.

In addition to the Merger, the pro forma financial statements include the effect of entering into a securities purchase agreement dated March 8, 2018, pursuant to which the Company sold in a private placement (the “Private Placement”) to certain institutional and accredited investors (collectively, the “Purchasers”), including certain directors and executive officers of the Company, at a purchase price of \$1,000 per share, 45,200 shares (the “Preferred Shares”) of newly designated Series B Convertible Preferred Stock (the “Series B Convertible Preferred Stock”) (which Preferred Shares will be converted into approximately 14,349,236 shares (subject to adjustment as described below and in the Certificate of Designations) of the Company’s common stock (“Common Stock”) upon approval by the Company’s

stockholders (“Stockholder Approval”), and warrants to purchase up to 12,196,851 shares of Common Stock at an exercise price of \$3.50 per share (the “Private Offering Warrants”). The Private Offering Warrants will become exercisable following Stockholder Approval, are subject to certain ownership limitations in certain cases, and expire five years after the date of such Stockholder Approval. The aggregate gross proceeds from the Private Placement were \$45.2 million. The Company intends to use the net proceeds from the Private Placement for general corporate and working capital purposes and to fund strategic initiatives, including a portion of the Merger consideration described above.

The pro forma financial statements also include the effect of the Company entering into a Warrant Exercise Agreement (the “Exercise Agreement”) with Armistice Capital Master Fund, Ltd. (“Armistice”) on March 8, 2018, a holder of an outstanding warrant to purchase up to an aggregate of 2,400,000 shares of Common Stock, at an exercise price of \$2.00 per share (the “Original Warrant”). Pursuant to the terms of the Exercise Agreement, Armistice has agreed to exercise, from time to time and in accordance with the terms of the Original Warrant, including certain beneficial ownership limitations set forth therein, the Original Warrant for cash (the “Warrant Exercise”). As a result of the Warrant Exercise, the Company received gross proceeds of \$3.4 million on March 8, 2018 from the exercise of the 1.7 million shares of the Original Warrant, and expects to receive additional gross proceeds of up to \$1.4 million thereafter from additional exercises of the remaining shares under the Original Warrant following Stockholder Approval. The Company expects to use the net proceeds from the exercise of the Original Warrant for general corporate and working capital purposes and to fund strategic initiatives.

1. Description of Transaction and Basis of Presentation

Description of Transaction

On March 6, 2018, Alphatec Holdings, Inc. (the “Company”) and its newly-created wholly-owned subsidiary, Safari Merger Sub, Inc. (“Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with SafeOp Surgical, Inc., a Delaware corporation (“SafeOp”), certain Key Stockholders of SafeOp and a Stockholder Representative. The Merger Agreement provides for a reverse triangular merger (the “Merger”), which was consummated on March 8, 2018, in which Sub was merged into SafeOp, with SafeOp being the surviving corporation and a wholly-owned subsidiary of the Company. Under the terms of the Merger Agreement, the Company paid \$15 million in cash, agreed to issue 3,265,132 shares of Common Stock, issued \$3 million of notes that are convertible into 931,667 shares of Common Stock (the “Notes”), and issued warrants to purchase 2.2 million shares of Common Stock at an exercise price of \$3.50 per share (the “Merger Warrants”). An additional 1,330,263 shares of Common Stock are issuable upon achievement of post-closing milestones.

In addition to the Merger, the pro forma financial statements include the effect of entering into a securities purchase agreement dated March 8, 2018, pursuant to which the Company sold in a private placement (the “Private Placement”) to certain institutional and accredited investors (collectively, the “Purchasers”), including certain directors and executive officers of the Company, at a purchase price of \$1,000 per share, 45,200 shares (the “Preferred Shares”) of newly designated Series B Convertible Preferred Stock (the “Series B Convertible Preferred Stock”) (which Preferred Shares will be converted into approximately 14,349,236 shares (subject to adjustment as described below and in the Certificate of Designations) of the Company’s common stock (“Common Stock”) upon approval by the Company’s stockholders (“Stockholder Approval”), and warrants to purchase up to 12,196,851 shares of Common Stock at an exercise price of \$3.50 per share (the “Private Offering Warrants”). The Private Offering Warrants will become exercisable following Stockholder Approval, are subject to certain ownership limitations in certain cases, and expire five years after the date of such Stockholder Approval. The aggregate gross proceeds from the Private Placement were approximately \$45.2 million. The Company intends to use the net proceeds from the Private Placement for general corporate and working capital purposes and to fund strategic initiatives, including a portion of the Merger consideration described above.

The pro forma financial statements also include the effect of the Company entering into a Warrant Exercise Agreement (the “Exercise Agreement”) with Armistice Capital Master Fund, Ltd. (“Armistice”) on March 8, 2018, a holder of an outstanding warrant to purchase up to an aggregate of 2,400,000 shares of Common Stock, at an exercise price of \$2.00 per share (the “Original Warrant”). Pursuant to the terms of the Exercise Agreement, Armistice has agreed to exercise, from time to time and in accordance with the terms of the Original Warrant, including certain beneficial ownership limitations set forth therein, the Original Warrant for cash (the “Warrant Exercise”). As a result of the Warrant Exercise, the Company received gross proceeds of \$3.4 million on March 8, 2018 from the exercise of the 1.7 million shares of the Original Warrant, and expects to receive additional gross proceeds of up to \$1.4 million thereafter from additional exercises of the remaining shares under the Original Warrant following Stockholder Approval. The Company expects to use the net proceeds from the exercise of the Original Warrant for general corporate and working capital purposes and to fund strategic initiatives.

Basis of Presentation

Edgar Filing: Alphatec Holdings, Inc. - Form DEF 14A

The unaudited pro forma condensed combined financial statement have been prepared based on the Company's and SafeOp's historical financial information, giving effect to the Merger and related adjustments described in these notes. The Company and SafeOp prepares its financial statement in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"). Certain note disclosures normally included in the financial statements prepared in accordance with U.S. GAAP have been condensed or omitted as permitted by the Securities and Exchange Commission rules and regulations.

The unaudited pro forma condensed combined statement of operations for the year ended December 31, 2017, gives effect to the Merger and the completed and anticipated financing as if they were completed on January 1, 2017

and the unaudited pro forma condensed combined balance sheet as of December 31, 2017, gives effect to the Merger and the completed and anticipated financing as if they had occurred on that date.

The historical financial information is adjusted in the unaudited pro forma condensed combined financial information to give effect to pro forma events and are based on (i) the historical consolidated results of operations and financial condition of the Company; (ii) the historical consolidated results of operations and financial condition of SafeOp; and (iii) pro forma events directly attributable to the proposed merger and with respect to the unaudited condensed combined statements of operations are expected to have a continuing impact on the combined results, as further described below.

The Company accounts for business combinations in accordance with Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 805, “Business Combinations.” The purchase price for the Merger has been allocated to the assets and liabilities acquired based on management’s preliminary estimates of the fair values of tangible and intangible assets acquired. Upon completion of detailed valuation studies the Company may make additional adjustments to the fair values, and these valuations could change significantly from those used to determine certain adjustments in the pro forma condensed combined financial statements.

Certain reclassifications have been made to the historical presentation of SafeOp to conform to the presentation used in the unaudited pro forma condensed combined financial information. These reclassifications have no net impact on the historical operating loss, loss from continuing operations, total assets, liabilities, or shareholders’ equity reported by the Company or SafeOp.

2. Purchase Price

In connection with the Merger, the Company agreed to pay \$15 million in cash (subject to a working capital adjustment), agreed to issue 3,265,132 shares of Common Stock, issued Notes for \$3 million, and issued Merger Warrants to purchase 2.2 million shares of Common Stock at an exercise price of \$3.50 per share. In accordance with the terms of the Merger Agreement, the price per share of the Common Stock was based on the per share price at the time of entering into the Letter of Intent and the volume weighted average price per share of the Company’s Common Stock for the period commencing on December 31, 2017 and ending March 5, 2018. For accounting purposes, such shares were valued as of March 12, 2018, the date of issuance, at a per share price of \$3.30; a total of \$10.8 million. The Merger Warrants were fair valued at \$1.6 million using the Black-Scholes valuation model. Additionally, a portion of the consideration transferred was to pay for certain SafeOp transaction costs incurred related to the Merger. As such, payments related to these reimbursements are included in the purchase price below.

The Company agreed to issue additional shares of Common Stock for up to \$4.3 million upon achievement of post-closing milestones (the “Contingent Consideration”). The first milestone includes payment of up to \$1.4 million 10 days after 501(k) submission of an application for regulatory clearance for an indication for use of a product that includes specifically recording of muscle activity, also known as electromyography (“EMG”). The second milestone includes a payment of up to \$2.9 million 10 days after the receipt of 501(k) clearance from any regulatory authority for an indication for use of a product specifically EMG. The Contingent Consideration is recorded as a liability and measured at fair value using a probability-weighted income approach, utilizing significant unobservable inputs including the probability of achieving each of the potential milestones and an estimated discount rate related to the risks of the expected cash flows attributable to the milestones. The material factors that may impact the fair value of the Contingent Consideration, and therefore, this liability, are the probabilities of achieving the related milestones and the discount rate. Significant increases or decreases in any of the probabilities of success would result in a significantly higher or lower fair value, respectively. The fair value of the Contingent Consideration, and the associated liability relating to the Contingent Consideration at each reporting date, will be re-estimated with the changes in fair value reflected in earnings.

The total estimated purchase price is presented below (in thousands):

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article 1

Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time (as defined in Section 1.3), Merger Sub shall be merged with and into the Company, and the separate existence of Merger Sub shall cease. (b) Out-of-the-Money Options. As of the Effective Time, each unexercised Company Option that is outstanding immediately prior to the Effective Time with a per share exercise price that is greater than the Per Share Common Consideration will be canceled and cease to exist as of the Effective Time and no payment shall be made with respect thereto.

1.7 Closing of the Company's Transfer Books; Surrender of Certificates.

(a) At the Effective Time, all holders of certificates representing shares of Company Capital Stock that were outstanding immediately prior to the Effective Time shall cease to have any rights as stockholders of the Company (other than rights of Non-Dissenting Stockholders to receive applicable Merger Consideration hereunder), and the stock transfer books of the Company shall be closed with respect to all shares of Company Capital Stock. No further transfer of any such shares of Company Capital Stock shall be made on such stock transfer books after

E-3

the Effective Time. If, after the Effective Time, a valid certificate previously representing any shares of Company Capital Stock outstanding immediately prior to the Effective Time (a “Company Stock Certificate”) is presented to the Surviving Corporation or Parent, such Company Stock Certificate shall be canceled and shall be exchanged as provided in Section 1.7(b).

(b) At or prior to the Closing, Parent will deliver to the holders of Company Stock Certificates (i) a letter of transmittal substantially in the form of Exhibit E attached hereto (a “Letter of Transmittal”), and (ii) instructions for use in effecting the surrender of Company Stock Certificates in exchange for applicable Merger Consideration. Until surrendered as contemplated by this Section 1.7(b), each Company Stock Certificate shall be deemed, from and after the Effective Time, to represent only the right to receive upon such surrender the Per Share Merger Consideration for each share of Company Capital Stock represented by such Company Stock Certificate as contemplated by this Article 1. If any Company Stock Certificate shall have been lost, stolen or destroyed, Parent may, in its discretion and as a condition precedent to the delivery of any applicable Merger Consideration, require the owner of such lost, stolen or destroyed Company Stock Certificate to provide a customary affidavit of loss and indemnity.

1.8 Payment of Merger Consideration; Other Payments.

(a) Closing Merger Consideration. Commencing on the Closing Date and, in the case of any holder of Company Stock Certificates, within two (2) business days following receipt from such holder of each item required by Section 1.7(b), Parent shall pay or issue, or cause to be paid or issued, as applicable, the Merger Consideration payable at Closing (the “Closing Merger Consideration”) to each Company Equityholder, as follows:

(i) Parent shall pay, or cause to be paid, an amount in cash equal to such Company Equityholder’s Pro Rata Percentage of the Cash Portion of the Purchase Price, by wire transfer of immediately available funds to the applicable account of such Company Equityholder as designated on the Consideration Spreadsheet or as provided on instructions included in such Company Equityholder’s submitted Letter of Transmittal; provided, however, with respect to each In-the-Money Optionholder, Parent shall pay, or cause to be paid, such cash amount to the Company on behalf of such In-the-Money Optionholder, who shall be entitled to receive such cash amount (subject to any Tax withholding obligations) as part of the next full payroll cycle of Parent or the Surviving Corporation, as applicable, following the Closing; provided, further, that that each In-the-Money Optionholder shall execute an Acknowledgement and Release Agreement as a condition to receiving such In-the-Money Optionholder’s Pro Rata Percentage of such Cash Portion of the Purchase Price;

(ii) Parent shall issue to each Company Equityholder a Note with a principal amount (which principal amount shall be subject to adjustment pursuant to Section 1.10) equal to such Company Equityholder’s Pro Rata Percentage of the Note Amount (less the Transaction Expense Note Amount);

(iii) Parent shall issue to each Company Equityholder a Warrant with a value equal to such Company Equityholder’s Pro Rata Percentage of the Warrant Amount (less the Transaction Expense Warrant Amount);

(iv) Parent shall issue to each Company Equityholder, such Company Equityholder’s Pro Rata Percentage of the Closing Stock Consideration Share Amount (less the Transaction Expense Closing Stock Consideration Share Amount), rounded up to the nearest whole share of Parent Common Stock, by causing the Transfer Agent to credit the balance account of such Company Equityholder with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if Parent is then a participant in such system and either (A) there is an

effective registration statement permitting the issuance of the applicable shares of Parent Common Stock to or resale of such shares by such Company Equityholder or (B) the applicable shares of Parent Common Stock are eligible for resale by such Company Equityholder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in Parent's share register in the name of such Company Equityholder, for the number of applicable shares of Parent Common Stock comprising the applicable portion of the Closing Stock Consideration Share Amount to which such Company Equityholder is entitled hereunder.

To the extent such amounts are so deducted or withheld and paid over to the appropriate Governmental Body, such amounts shall be treated for all purposes under this Agreement as having been paid to the applicable Company Equityholder to whom such amounts would otherwise have been paid.

E-5

(d) Escheat. Neither Parent nor the Surviving Corporation shall be liable to any holder or former holder of Company Capital Stock or any other person with respect to any Merger Consideration delivered to any public official in good faith pursuant to any applicable abandoned property law, escheat law or similar Legal Requirement.

The Stockholder Representative shall have sole control of withdrawals from, or other decisions with respect to, the Stockholder Representative Escrow Fund in accordance with Section 10.1.

(ii) At the sole discretion of the Stockholder Representative and in accordance with Section 10.1, the Stockholder Representative shall pay to each Non-Dissenting Stockholder, such Non-Dissenting Stockholder's Pro Rata Percentage of any applicable portion of the Stockholder Representative Escrow Fund remaining from time to time, by check or wire transfer of immediately available funds (at the sole discretion of the Stockholder Representative), to the account designated for such Non-Dissenting Stockholder, as applicable, in the Consideration Spreadsheet.

(f) Transaction Expenses. At the Closing, Parent shall issue and deliver (or cause to be issued and delivered) to the Company or pay (or cause to be paid) by wire transfer of immediately available funds on the Company's behalf, in each case at the direction of the Company, sufficient funds, Notes, Warrants and shares comprising the Transaction Expense Closing Stock Consideration Share Amount, in each case, to enable the Company to satisfy all applicable Transaction Expenses set forth in the Consideration Spreadsheet. 1.9 Dissenting Shares.

(a) Notwithstanding anything to the contrary contained in this Agreement, shares of Company Capital Stock held by a holder who has made a demand for payment and appraisal of such shares in accordance with Section 262 of the DGCL (any such shares being referred to as "Dissenting Shares" until such time as such holder fails to perfect or otherwise loses such holder's appraisal rights under Section 262 of the DGCL with respect to such shares) shall not be converted into or represent the right to receive any Merger Consideration in accordance with Sections 1.5 and 1.8, but shall be entitled only to such rights as are granted by the DGCL to a holder of Dissenting Shares.

(b) If any Dissenting Shares shall lose their status as such (through failure to perfect or otherwise), then, as of the later of the Effective Time or the date of loss of such status, such shares shall automatically be converted into and shall represent only the right to receive applicable Merger Consideration in accordance with Sections 1.5 and 1.8, without interest thereon, upon surrender of the Company Stock Certificate representing such shares, and the holder of such shares shall be deemed to constitute a "Non-Dissenting Stockholder" for purposes of this Agreement.

(c) The Company shall give Parent (i) prompt written notice of any demand for payment and appraisal received by the Company prior to the Effective Time pursuant to the DGCL, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the

E-6

DGCL, and (ii) the opportunity to participate in all negotiations and proceedings with respect to any such demand, notice or instrument. The Company shall not make any payment or settlement offer prior to the Effective Time with respect to any such demand, notice or instrument unless Parent shall have given its written consent to such payment or settlement offer.

(d) Each Key Stockholder hereby irrevocably and unconditionally waives, and agrees not to assert, any right of appraisal or any similar right relating to the Merger that such Key Stockholder may have by virtue of, or with respect to, any shares of Company Capital Stock or other securities of the Company owned by such Key Stockholder.

1.10 Cash and Working Capital Adjustment. The Merger Consideration shall be subject to adjustment on the following terms:

(a) Closing Adjustment. At least three business day before the Closing, the Company shall prepare and deliver to Parent a statement setting forth its good faith estimate of the Closing Cash (the “Estimated Closing Cash”) and Closing Working Capital (the “Estimated Closing Working Capital”), and a calculation thereof, which statement shall contain an estimated balance sheet of the Company as of the Closing Date (without giving effect to the Contemplated Transactions) (the “Estimated Closing Statement”), and a certificate signed on the Company’s behalf by the Chief Financial Officer of the Company that the Estimated Closing Cash and Estimated Closing Statement was prepared in accordance with GAAP, applied using the same accounting methods, practices, principles, policies and procedures, with consistent classifications, judgments and valuation and estimation methodologies that were used in the preparation of the Financial Statements for the most recent fiscal year end as if such Estimated Closing Statement was being prepared as of a fiscal year end (except that, in the case of unaudited financial statements, such financial statements will not contain footnotes and are subject to normal, immaterial, year-end audit adjustments) (GAAP, as so applied, the “Company Accounting Methodologies”).

(b) Post-Closing Adjustment.

(i) Within 120 days after the Closing Date, Parent shall prepare and deliver to Stockholder Representative a statement setting forth its calculation of Closing Cash and Closing Working Capital, which statement shall contain an unaudited balance sheet of the Company as of the Closing Date (without giving effect to the Contemplated Transactions), (the “Closing Statement”) and a certificate of the Chief Financial Officer of Parent that the Closing Statement was prepared in accordance with the Company Accounting Methodologies.

(ii) After receipt of the Closing Statement, Stockholder Representative shall have 30 days (the “Review Period”) to review the Closing Statement. During the Review Period, Stockholder Representative and its accountants and other representatives shall have full access to the books and records of the Surviving Corporation, the personnel of, and work papers prepared by, Parent and/or its accountants to the extent that they relate to the Closing Statement and to such historical financial information (to the extent in the Surviving Corporation’s or Parent’s possession) relating to the Closing Statement as Stockholder Representative may reasonably request for the purpose of reviewing the Closing Statement, provided, that such access shall be during normal business hours. Prior to the expiration of the Review Period, Stockholder Representative may object to the Closing Statement by delivering to Parent a written statement setting forth its objections in reasonable detail, indicating each disputed item or amount and the basis for its disagreement therewith (the “Statement of Objections”). If Stockholder Representative fails to deliver the Statement of Objections before the expiration of the Review Period, the Closing Statement and the Closing Cash and Closing Working Capital reflected therein shall be deemed to have been accepted by Stockholder Representative. If Stockholder Representative delivers the Statement of Objections before the expiration of the Review Period, Parent and Stockholder Representative shall negotiate in good faith to resolve such objections within 30 days after the delivery of the Statement of Objections (the “Resolution Period”), and, if the same are so resolved within the Resolution Period, the Closing Statement and the Closing Cash and Closing Working Capital reflected therein with such changes

as may have been previously agreed in writing by Parent and Stockholder Representative, shall be final and binding.

(iii) If Stockholder Representative and Parent fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute (“Disputed Amounts”) shall be submitted for resolution to RSM US LLP or, if RSM US LLP is

E-7

unable to serve, Parent and Stockholder Representative shall appoint by mutual agreement an impartial nationally recognized firm of independent certified public accountants (the “Independent Accountant”) who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any adjustments to the Closing Statement and the Closing Cash and Closing Working Capital reflected therein. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accountant shall only decide the specific items under dispute by the parties and their decision for each Disputed Amount must be within the range of values assigned to each such item in the Closing Statement and the Statement of Objections, respectively. The Independent Accountant shall make a determination as soon as practicable within 30 days (or such other time as the parties hereto shall agree in writing) after the Independent Accountant’s engagement, and their resolution of the Disputed Amounts and their adjustments to the Closing Statement and the Closing Cash and Closing Working Capital reflected therein shall be conclusive and binding upon the parties hereto. The fees and expenses of the Independent Accountant shall be paid by the Stockholder Representative, on the one hand, and by Parent, on the other hand, based upon the percentage that the amount actually contested but not awarded to the Stockholder Representative or Parent, respectively, bears to the aggregate amount actually contested by the Stockholder Representative and Parent.

(iv) Upon final determination of the Closing Statement and the Closing Cash (the “Final Closing Cash”) and Closing Working Capital (the “Final Closing Working Capital”) reflected therein, the Note Amount shall be (A) increased by the amount that the Final Closing Cash exceeds the Estimated Closing Cash, (B) decreased by the amount that the Estimated Closing Cash exceeds the Final Closing Cash, (C) increased by any Final Closing Working Capital Overage, and (D) decreased by any Final Closing Working Capital Underage. In each such case, the principal amount of each Note issued pursuant to Section 1.8(a)(ii) shall be automatically increased or decreased without any action on the part of Parent, the Surviving Corporation or the holder thereof to reflect such increase or decrease in the Note Amount (as applied pursuant to Section 9.7(c) through (f)).

1.11 Consideration Spreadsheet.

(a) At least three business day before the Closing and concurrently with the delivery of the Estimated Closing Statement, the Company shall prepare and deliver to Parent a spreadsheet (the “Consideration Spreadsheet”), signed on the Company’s behalf by the Chief Financial Officer of the Company, which shall set forth, as of the Closing Date and immediately prior to the Closing Date, the following:

(ii) the names and addresses of all In-the-Money Optionholders, together with the number of shares of Company Common Stock subject to In-the-Money Options held by such Persons, the grant date and exercise price for such In-the-Money Options;

(iii) detailed calculations of the Merger Consideration, Fully Diluted Company Share Number and Per Share Merger Consideration;

(iv) the portion of each element of the Merger Consideration that each Company Equityholder is eligible to receive hereunder;

(v) the aggregate amount of Transaction Expenses payable or issuable to any recipient thereof, together with wire instructions for such recipient and, with respect to the Non-Cash Transaction Expense Recipients, a physical mailing address for the issuance of the applicable Notes, Warrants and shares comprising Transaction Expenses, as applicable; and

(vi) the wire instructions of the Stockholder Representative Escrow Account.

(b) The parties agree that Parent and Merger Sub shall be entitled to rely on the Consideration Spreadsheet in making payments under Article 1 and Parent and Merger Sub shall not be responsible for the calculations or the determinations regarding such calculations in such Consideration Spreadsheet.

(c) All of the outstanding shares of capital stock, options, warrants and other securities of the Company have been issued and granted in compliance with (i) all applicable securities laws and other applicable Legal Requirements, and (ii) all requirements set forth in applicable Contracts. 2.5 No Violations; Consents. Except as set forth in Schedule 2.5, neither the execution, delivery or performance of this Agreement or any of the other Transaction Documents to which the Company is party, nor the consummation of the Merger or any of the other Contemplated Transactions will directly or indirectly (with or without notice or lapse of time):

For purposes of this Agreement, the Company will be deemed to be or to have been “required” to obtain a Consent if the failure to obtain such Consent (i) reasonably could result in the imposition of any liability or obligation on, or the expansion of any liability or obligation of, the Company under applicable Legal Requirements or Contractual obligations existing as of the date hereof, (ii) reasonably could result in the termination, modification or limitation of any contractual right of the Company, (iii) reasonably could otherwise have a Material Adverse Effect on the Company or (iv) reasonably could prevent the Company from performing its obligations under this Agreement or any of the other Transaction Documents.

4.6 SEC Documents and Related Representations and Warranties.

(a) Parent has filed all reports, schedules, forms, statements and other documents required to be filed by Parent under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof (the foregoing materials, including the exhibits thereto and documents incorporated by reference therein, but excluding any risk factors, forward looking disclaimers or similar disclosures included or incorporated by reference therein, being collectively referred to herein as the “Parent SEC Documents”) on a timely basis or has received a valid extension of such time of filing and has filed any such Parent SEC Documents prior to the expiration of any such extension. As of their respective dates, the Parent SEC Documents complied as to form in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable. Except to the extent amended or superseded by a subsequent filing, as of their respective dates (and if so amended or superseded, then as of the date of the last such amendment or applicable subsequent filing), none of the Parent SEC Documents, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated or incorporated by reference therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Except to the extent described in the Parent SEC Documents, since the end of Parent’s most recent audited fiscal year, there has been (i) no material weakness in Parent’s internal control over financial reporting (whether or not remediated) and (ii) no change in Parent’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, Parent’s internal control over financial reporting. Parent’s internal control over financial reporting is overseen by the Audit Committee of Parent’s board of directors (the “Audit Committee”) to the extent required by the Exchange Act Rules. Except to the extent described in the Parent SEC Documents, Parent has not publicly disclosed or reported to the Audit Committee or to its board of directors any material weakness, change in internal control over financial reporting or fraud involving management or other employees who have a significant role in the internal control over financial reporting (each an “Internal Control Event”), any violation of, or failure to comply with, the U.S. Securities Laws.

(c) Parent maintains disclosure controls and procedures (as such is defined in Rule 13a-15 of the Exchange Act Rules) that are reasonably designed to ensure that information required to be disclosed by Parent with respect to itself and its Subsidiaries in the reports it files or submits under the Exchange Act is recorded, processed, summarized and

reported, within the time periods specified in the SEC's rules and forms. Parent has utilized such controls and procedures in preparing and evaluating the disclosures in the Parent SEC Documents. Parent presented in its most recently filed periodic report under the Exchange Act the

E-31

Since the Evaluation Date, there have been no changes in Parent's internal control over financial reporting (as such term is defined in the Exchange Act) that has materially affected, or is reasonably likely to materially affect, Parent's internal control over financial reporting.

(d) No relationship, direct or indirect, exists between or among Parent on the one hand, and the directors, officers, stockholders (or analogous interest holders), customers or suppliers of Parent or any of its affiliates on the other hand, which is required to be described in the Parent SEC Documents which is not so described.

(e) Other than pursuant to the Non-Dissenting Stockholder's rights pursuant to the Registration Rights Agreement or as set forth in the Parent SEC Documents, no Person has any right to cause Parent to effect the registration under the Securities Act of any securities of Parent.

(b) For all purposes (including purposes of eligibility, vesting and benefit accrual) under the employee benefit plans of the Parent, the Surviving Corporation and any of their respective affiliates providing benefits to any employee of the Company that becomes an employee of the Parent, the Surviving Corporation or any of their respective affiliates after the Closing (which, for clarity, shall exclude the Designated Employee) (any such employee, an "Employee" and such employee benefit plans, "Parent Plans"), each Employee shall be credited with his or her years of service with the Company before the Closing Date, to the same extent as such Employee was entitled before the Closing Date to credit for such service under any similar benefit plan of the Company in which such Employee participated or was eligible to participate immediately prior to the Closing Date and shall also be credited with and carry-over all vacation accrual earned while employed by the Company or its respective predecessors, as applicable; provided, that the foregoing shall not apply to the extent that its application would result in a duplication of benefits or the accrual of benefits under a defined benefit pension plan with respect to such Employee or such activities are not permitted under the applicable Parent Plan. In addition, and without limiting the generality of the foregoing, but subject to the

requirements of the applicable Parent Plan, (i) each Employee shall be immediately eligible to participate without any waiting time, in any and all Parent Plans to the extent coverage under such Parent Plans is comparable to any benefit plan of the Company in which the Employee participated immediately before the Closing Date and (ii) the Parent shall cause (A) to be waived all pre-existing condition exclusion and similar limitations, eligibility waiting periods and evidence of insurability requirements under any Parent Plans to the extent waived or satisfied by such Employee under any benefit plan of the Company as of the

E-48

Closing Date, and (B) any covered expenses incurred on or before the Closing Date by any such Employee (or covered dependent thereof) to be taken into account for purposes of satisfying applicable deductible, coinsurance and maximum out of pocket provisions after the Closing Date under any applicable Parent Plan.

(c) Nothing in this Section 5.19 shall be construed to confer on any Person (including current and former employees or and other service providers to the Company), other than the parties hereto, their successors and permitted assigns, any benefit under or right to enforce the provisions of this Section 5.19, including any right to employment or continued employment for any period of time or any right to a particular term or condition of employment, or be construed as an amendment, waiver or creation of any benefit plan. Nor does anything in this Section 5.19 limit the ability of the Parent, the Surviving Corporation or any affiliate of any of the foregoing to amend or terminate any benefit plan pursuant to its terms.

5.20 Principal Trading Market Listing. In the time and manner required by the Principal Trading Market, Parent shall prepare and file with such Principal Trading Market an additional shares listing application covering all of the Shares, Note Shares and Warrant Shares and shall use its commercially reasonable efforts to take all steps necessary to cause all of the Shares, Note Shares and Warrant Shares to be approved for listing on the Principal Trading Market as promptly as possible thereafter. Parent shall maintain the listing of the Shares, the Note Shares and the Warrant Shares on the Principal Trading Market.

5.21 Form D; Blue Sky. Parent agrees to timely file a Form D with respect to the Securities as required under Regulation D and to provide a copy thereof, promptly upon the written request of any Non-Dissenting Stockholder. Parent, on or before the Closing Date, shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Securities for sale to the Non-Dissenting Stockholders under applicable securities or "Blue Sky" laws of the states of the United States (or to obtain an exemption from such qualification) and shall provide evidence of such actions promptly upon the written request of any Non-Dissenting Stockholder.

5.22 Reservation of Parent Common Stock. Parent shall take all action necessary to at all times have authorized, and reserved for the purpose of issuance from and after the Closing Date, the number of shares of Parent Common Stock issuable upon exercise of the Notes, Warrants and Shares issuable hereunder (without taking into account any limitations on exercise of the Notes or Warrants set forth in the Notes and Warrants, respectively).

5.23 Stockholder Consent; Lock-Up. Parent shall use its best efforts to obtain the consent of its stockholders required by the Principal Trading Market to issue the Warrant Shares, the Note Shares and the Second Milestone Share Amount (the "Required Parent Stockholder Consent") as part of the next meeting of its stockholders (the "Stockholders Meeting"), which shall take place no later than May 17, 2018 (or no later than June 14, 2018 in the event the SEC reviews Parent's proxy statement for soliciting the Required Parent Stockholder Consent) after the Effective Time (such date, the "Parent Stockholder Approval Outside Date") hereof for the purpose of seeking approval of Parent's stockholders for the Proposal. Parent's board of directors shall recommend to the Parent stockholders that the Proposal be approved and Parent shall solicit proxies from its stockholders in connection with the Proposal in the same manner as all other management proposals in proxy statements sent to Parent's stockholders. Parent shall cause all management-appointed proxyholders to vote their proxies in favor of the Proposal. If Parent does not obtain the Required Parent Stockholder Consent at the stockholder first meeting held after the Effective Time, Parent shall call a stockholders meeting every four months thereafter to seek the Required Parent Stockholder Consent until the date the Required Parent Stockholder Consent is obtained. Until the Required Parent Stockholder Consent has been obtained, Parent will not, without the prior written consent of the Stockholder Representative, (a) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Parent Common Stock (whether newly issued shares or treasury shares) or any securities convertible into or exercisable or exchangeable for shares of

Parent Common Stock, other than (i) the Shares to be issued hereunder; (ii) any shares Parent Common Stock issued upon the exercise or conversion of any currently outstanding options, warrants, rights or convertible securities (but only to the extent exercisable or convertible at the time of such exercise or conversion); (iii) any options, restricted shares or restricted stock units of Parent Common Stock granted as equity compensation to employees, directors and consultants, consistent with the Parent's past practices, provided that such options, restricted shares or restricted stock units are either unvested or ineligible to vote at the Stockholders Meeting; or (iv) any warrants or shares of preferred stock of Parent (but excluding Parent

E-49

Common Stock issuable upon the exercise of such warrants or the conversion of such shares of preferred stock, as applicable) issued in connection with any warrant exercise or preferred financing of Parent contemplated as of the date hereof; (b) modify, amend or waive the terms of any outstanding securities convertible into or exercisable or exchangeable for shares of Parent Common Stock in a manner which would have the effect of accelerating the time such securities are convertible, exercisable or exchangeable or otherwise allowing such securities to be converted, exercised or exchanged prior to the receipt of the Required Parent Stockholder Consent even though the terms of such securities on the date hereof would not allow such conversion, exercise or exchange.

5.24 Cancellation of Excluded Warrants. By executing and delivering this Agreement, the Company and each Excluded Warrantholder (by virtue of executing and delivering this Agreement in such Excluded Warrantholder's capacity as a Key Stockholder), hereby agree that, effective as of immediately prior to the Effective Time (but subject to the occurrence of the Merger), each Excluded Warrant held by and between the Company and each Excluded Warrantholder, as applicable, are automatically cancelled, voided and shall be of no further force and effect without any further action on the part of the Company or such Excluded Warrantholder and without additional consideration of any kind.

E-53

uncured as of the expiration of the Company Cure Period, or (ii) the Company or any Key Stockholder shall have breached any of the Parent's or such Key Stockholder's covenants or agreements contained in this Agreement to be complied with or performed at or prior to the Closing, which breach would give rise to the failure of the Closing condition in Section 6.2, and such breach, if curable by the Company or such Key Stockholder through the use of commercially reasonable efforts during the Company Cure Period, remains uncured as of the expiration of the Company Cure Period;

Article 9

INDEMNIFICATION, ETC.

9.1 Survival of Representations, Sole Remedy.

(a) The representations and warranties of (i) the Company and the Key Stockholders set forth in this Agreement (including the representations and warranties set forth in Article 2 and Article 3, as certified in accordance with Article 6), and (ii) Parent and Merger Sub set forth in this Agreement (including the representations and warranties set forth in Article 4, as certified in accordance with Article 7) shall survive the Closing and expire on the Expiration Date. All covenants and agreements of the Company, the Key Stockholders, Parent, Merger Sub and the Surviving

Corporation shall survive and continue in accordance with their terms until performance (or until the applicable statute of limitations has expired, if no term for performance is satisfied) (each survival period set forth in this Section 9.1(a), a "Survival Period"). Notwithstanding anything to the contrary set forth in this Section 9.1(a), if, at any time on or prior to the expiration of the applicable Survival Period, any Indemnitee (acting in good faith) delivers to the applicable Indemnifying Party a Notice of Indemnification Claim alleging the existence of a possible inaccuracy in or a breach of any representation, warranty, covenant or agreement, and asserting a claim for recovery under this Article 9 based on such possible inaccuracy or breach, then the claim asserted in such Notice of Indemnification Claim shall survive until such time as such claim is fully and finally resolved.

E-54

(b) The remedies set forth in this Article 9 shall be the sole and exclusive remedies of any Indemnitee from and after the Effective Time with respect to any and all matters covered by this Agreement or any certificate delivered at Closing by or on behalf of any party hereto, or the negotiation, execution or performance of this Agreement or any certificate delivered at Closing by or on behalf of any party hereto, or the Contemplated Transactions, except, in each case, for (i) claims arising out of or resulting from Fraud and (ii) the remedies of injunctive relief or other equitable remedy. From and after the Effective Time, no Person will have any other entitlement, remedy or recourse, whether in contract, tort or otherwise, with respect to any and all matters covered by this Agreement or any certificate delivered at Closing by or on behalf of any party hereto, or the negotiation, execution or performance of this Agreement, any certificate delivered at Closing by or on behalf of any party hereto, or the Contemplated Transactions, it being irrevocably agreed that all of such other remedies, entitlements and recourse are expressly waived and released by the parties to the fullest extent permitted by applicable Legal Requirements. Except with respect to (i) claims arising out of or resulting from Fraud and (ii) the remedies of injunctive relief or other equitable remedy, from and after the Effective Time, each party hereto, on behalf of itself and its affiliates and their respective directors, managers, equity holders, officers, employees, successors, assigns, estates and heirs, covenants and agrees not to bring any legal, equitable, administrative, legislative or adversarial claim, cause of action, suit or proceeding of any kind or nature (whether at law or in equity, in contract, tort or otherwise) against any other party hereto (or affiliate thereof) that in any way allegedly or actually arises from, or relates to, directly or indirectly, this Agreement, any certificate delivered at Closing by or on behalf of any party hereto and/or the negotiation, execution or performance of this Agreement, any certificate delivered at Closing by or on behalf of any party hereto or the Contemplated Transactions, other than pursuant to and in accordance with the remedies provided for in this Article 9, and each such party, on behalf of itself, its affiliates and their respective directors, managers, equity holders, officers, employees, successors, assigns, estates and heirs, further covenants and agrees that this Section 9.1(b) is a bar to any such claim, cause of action, suit or proceeding. The provisions of this Article 9 (including this Section 9.1(b)) were specifically bargained for among the parties and were relied on and taken into account by the parties in arriving at the aggregate Merger Consideration and the terms and conditions of this Agreement and the Contemplated Transactions.

9.2 Indemnification of Parent Indemnitees.

(a) Without limiting the rights of any Parent Indemnitee under Section 9.2(b), but subject to the applicable limitations set forth in this Article 9, from and after the Effective Time, each Equityholder Indemnifying Party shall, severally in proportion to such Equityholder Indemnifying Party's Indemnity Pro Rata Percentage, and not jointly, hold harmless and indemnify each of the Parent Indemnitees from and against, any Damages that are suffered or incurred by any of the Parent Indemnitees (regardless of whether or not such Damages relate to any third-party claim) and which arise from or as a result of, or are connected with:

(i) any inaccuracy in or breach of any representation or warranty set forth in Article 2 (provided, however, that for purposes of determining the amount of Damages that are the subject matter of any claim for indemnification hereunder, each representation and warranty in Article 2 (other than (A) the first sentence of Section 2.8(b), (B) Section 2.9(a), (C) Section 2.14(a)(xviii), (D) the third sentence of Section 2.23, (E) applicability of the defined term "Material Contract(s)" and (F) "listing representations" calling or the disclosure of information in the Schedules) shall be read without giving effect to any materiality qualification contained in such representation or warranty);

(ii) any breach of any covenant or obligation of the Company under this Agreement;

(iii) any valid claim asserted by any Person who held or claims to have held, stock, options, warrants, convertible notes or other equity securities of the Company prior to Closing relating to or arising from events, facts or circumstances existing prior to Closing that is based upon such Person's ownership or rights of ownership in any stock, options, warrants, convertible notes or other equity securities of the Company;

(iv) any Transaction Expenses, if not otherwise taken into account in determining the Merger Consideration;

(v) any errors, omissions, misstatements, miscalculations or mistakes in, or claims by any Person to any portion of the Merger Consideration that is not reflected on, the Consideration Spreadsheet;

E-55

(vi) (A) all income Taxes (or the non-payment thereof) of the Company for all taxable periods ending on or before the Closing Date and the portion through the end of the Closing Date for any taxable period that includes (but does not end on) the Closing Date (“Pre-Closing Tax Period”), (B) any and all income Taxes of any member of an affiliated, consolidated, combined, or unitary group of which the Company is or was a member on or prior to the Closing Date, including pursuant to Treasury Regulation Section 1.1502-6 or any analogous or similar state, local, or non-U.S. law or regulation, and (C) any and all income Taxes of any person (other than the Company) imposed on the Company as a transferee or successor, by contract or pursuant to any law, rule or regulation, which Taxes (x) arise from an event or transaction occurring before the Closing and (y) are with respect to a Pre-Closing Tax Period; or

(vii) any Legal Proceeding initiated by a third party relating to any of the foregoing.

(b) Without limiting the rights of any Parent Indemnitee under Section 9.2(a), but subject to the applicable limitations set forth in this Article 9, from and after the Effective Time, each Key Stockholder shall, severally in proportion to such Key Stockholder’s Indemnity Pro Rata Percentage, and not jointly with any other Key Stockholder, hold harmless and indemnify each of the Parent Indemnitees from and against any Damages that are suffered or incurred by any of the Parent Indemnitees (regardless of whether or not such Damages relate to any third party claim) and that arise from or as a result of, or are connected with:

(i) any inaccuracy in or breach of any representation or warranty of such Key Stockholder set forth in Article 3 (provided, however, that for purposes of determining the amount of Damages that are the subject matter of any claim for indemnification hereunder, each representation and warranty in Article 3 shall be read without giving effect to any materiality qualification contained in such representation or warranty);

(ii) any breach of any covenant or obligation of such Key Stockholder under this Agreement; or

(iii) any Legal Proceeding initiated by a third party relating to any of the foregoing.

(c) The parties acknowledge and agree that, if the Surviving Corporation suffers, incurs or otherwise becomes subject to any Damages as a result of or in connection with any inaccuracy in or breach of any representation, warranty, covenant or obligation by the Company or any of the Key Stockholders, then (without limiting any of the rights of the Surviving Corporation as an Indemnitee) Parent shall also be deemed, by virtue of its ownership of the stock of the Surviving Corporation, to have incurred Damages as a result of and in connection with such inaccuracy or breach (it being understood that any Damages suffered or incurred by the Surviving Corporation shall be recoverable under this Article 9 by either Parent or the Surviving Corporation, but not both of them).

9.3 Indemnification of Equityholder Indemnitees.

(a) Subject to the applicable limitations set forth in this Article 9, from and after the Effective Time, the Parent and the Surviving Corporation (each, a “Parent Indemnifying Party”) shall, jointly and severally, hold harmless and indemnify each of the Equityholder Indemnitees from and against, any Damages that are suffered or incurred by any of the Equityholder Indemnitees (regardless of whether or not such Damages relate to any third-party claim) and which arise from or as a result of, or are connected with:

(i) any inaccuracy in or breach of any representation or warranty set forth in Article 4 (provided, however, that for purposes of determining the amount of Damages that are the subject matter of any claim for indemnification hereunder, each representation and warranty in Article 4 (other than (A) the last sentence of Section 4.6(b), (B) uses and applicability of the defined term “Parent Material Contract(s)” and (C) all “listing representations” calling for the disclosure of information in the Schedules) shall be read without giving effect to any materiality qualification contained in such representation or warranty);

- (ii) any breach of any covenant or obligation of the Parent or the Surviving Corporation under this Agreement; or
- (iii) any Legal Proceeding initiated by a third party relating to any of the foregoing.

E-56

9.4 Certain Limitations.

(a) Applicability of Basket.

(i) In addition to the other limitations set forth in this Article 9, no Parent Indemnitee shall be entitled to recover any Damages for which such Parent Indemnitees may be entitled pursuant to Section 9.2(a) and/or Section 9.2(b) until such time as and only to the extent that the total amount of all such indemnifiable Damages that have been suffered or incurred by any one or more of the Parent Indemnitees exceeds in the aggregate \$300,000 (the "Basket"), and thereafter, Parent Indemnitees shall be entitled to recover Damages from the first dollar, subject to the other limitations of this Article 9; provided, however, the Basket shall not apply to any claim for indemnification pursuant to Section 9.2(a)(ii).

(ii) In addition to the other limitations set forth in this Article 9, no Equityholder Indemnitee shall be entitled to recover any Damages for which such Equityholder Indemnitees may be entitled pursuant to Section 9.3(a) until such time as and only to the extent that the total amount of all such indemnifiable Damages that have been suffered or incurred by any one or more of the Parent Indemnitees exceeds the Basket, and thereafter, Equityholder Indemnitees shall be entitled to recover Damages from the first dollar, subject to the other limitations of this Article 9; provided, however, the Basket shall not apply to any claim for indemnification pursuant to Section 9.3(a)(ii).

(b) Applicability of Cap.

(i) In addition to the other limitations of this Article 9, Parent Indemnitees shall not be entitled to recover any Damages for which such Parent Indemnitees may be entitled pursuant to Section 9.2(a) and/or Section 9.2(b) in an amount exceeding the Cap, and, with respect to Parent Indemnitees' recovery rights against any particular Equityholder Indemnifying Party, recourse to such Equityholder Indemnifying Party's applicable Note pursuant to Section 9.7 shall be the Parent Indemnitees' sole and exclusive remedy for such Damages; provided, however, neither the Cap nor the Parent Indemnitees' exclusive remedy of offset to the applicable Note shall apply to any claim for indemnification pursuant to Section 9.2(a)(ii).

(ii) In addition to the other limitations of this Article 9, Equityholder Indemnitees shall not be entitled to recover any Damages for which such Equityholder Indemnitees may be entitled pursuant to Section 9.3(a) in an amount exceeding the Cap, and, with respect to Equityholder Indemnitees' recovery rights, addition to the principal amount of such Equityholder Indemnitee's applicable Note pursuant to Section 9.7 shall be the Equityholder Indemnitees' sole and exclusive remedy for such Damages; provided, however, neither the Cap nor the Equityholder Indemnitees' exclusive remedy of addition to the applicable Note shall apply to any claim for indemnification pursuant to Section 9.3(a)(ii).

(c) Notwithstanding anything else in this Agreement, Damages shall not include (i) any Tax of the Company or the Surviving Corporation with respect to taxable periods or portions thereof beginning after the Closing Date or (ii) any limitation or diminution of or on any Tax attribute of the Company or the Surviving Corporation.

(d) Notwithstanding any other provision herein to the contrary, the amount of Damages that any Indemnitee may recover for indemnification pursuant to this Agreement shall be offset, on a dollar for dollar basis, net of any Taxes thereon and any costs incurred by any Indemnitees in seeking collection thereof and premium increases resulting therefrom, against any amounts received by such Indemnitee (or its affiliates) in respect of the Damages forming the basis of such claim for recovery from a third party pursuant to any indemnification or other similar right or any applicable insurance policy. Each party hereby agrees to use all commercially reasonable efforts to claim for and obtain recovery of any such available insurance, indemnification, contribution or similar payment. If any Indemnitee receives such amount from such third party subsequent to a recovery for indemnification under this Agreement, the applicable Indemnitee will promptly remit such offset amount to the indemnifying parties hereunder.

(e) Notwithstanding any other provision herein to the contrary, Damages shall not include any matter that is taken into consideration and included in the determination of the Closing adjustments pursuant to Section 1.10(a) or the post-Closing adjustments pursuant to Section 1.10(b).

E-57

(f) Notwithstanding any other provision herein to the contrary, no Equityholder Indemnifying Party, on the one hand, or the Parent or the Surviving Corporation, on the other hand, shall be required to indemnify, defend or hold harmless any Parent Indemnitee or Equityholder Indemnitee, as applicable, against or reimburse any Parent Indemnitee or Equityholder Indemnitee, as applicable, for any Damages to the extent any Parent Indemnitee or Equityholder Indemnitee, as applicable, has been indemnified or reimbursed for such amount under any other provision of this Agreement or any other agreement with any Equityholder Indemnifying Party, on the one hand, or Parent or the Surviving Corporation, on the other hand, in respect of the same subject matter.

9.5 No Contribution.

(a) Subject to the rights of the Covered Persons pursuant to Section 5.17, each Equityholder Indemnifying Party waives, and acknowledges and agrees that such Equityholder Indemnifying Party shall not have and shall not exercise or assert (or attempt to exercise or assert), and shall cause their affiliates and their respective Representatives not to assert, any right of contribution, right of indemnity or other right or remedy against Parent or against the Surviving Corporation in connection with any indemnification obligation or any other liability to which such Equityholder Indemnifying Party may become subject under or in connection with this Agreement.

(b) Each of Parent and the Surviving Corporation waives, and acknowledges and agrees that each of them shall not have and shall not exercise or assert (or attempt to exercise or assert), and shall cause their affiliates and their respective Representatives not to assert, any right of contribution, right of indemnity or other right or remedy against any Equityholder Indemnitee in connection with any indemnification obligation or any other liability to which such Parent, the Surviving Corporation or any affiliate thereof may become subject under or in connection with this Agreement

9.6 Defense of Third Party Claims. In the event of the assertion or commencement by any Person of any claim or Legal Proceeding with respect to which any Indemnitee may be entitled to be indemnified pursuant to this Article 9 (each, a “Third Party Claim”), the following shall apply:

(a) The applicable Indemnitee shall promptly notify (such notice, the “Third Party Claim Notice”) the Stockholder Representative (in the case of indemnification sought by a Parent Indemnitee) or the Parent (in the case of indemnification sought by an Equityholder Indemnitee) after such Indemnitee receives written notice of such Third Party Claim (it being understood that any failure by any Indemnitee to so notify shall have no effect on such Indemnitee’s ability to recover Damages pursuant to this Article 9, except to the extent that the applicable Indemnifying Party is prejudiced thereby; provided that such Third Party Claim Notice has been delivered within the applicable Survival Period for such claim). Such Third Party Claim Notice shall describe in reasonable detail the facts giving rise or that could reasonably be expected to give rise to the claim for indemnification hereunder that is the subject of the Third Party Claim Notice, the amount and the method of computation of the amount of such claim, a reference to the provision of this Agreement upon which such claim is based and all material documentation relevant to the claim described in the Third Party Claim Notice. The Indemnifying Party, at its sole expense, shall have the right, at its election, to proceed with the defense of such Third Party Claim on its own with counsel reasonably acceptable to the applicable Indemnitee; provided, that the Indemnitee may participate in such defense through counsel chosen by such Indemnitee and paid at its own expense. If the Indemnifying Party so proceeds with the defense of any such Third Party Claim, then the applicable Indemnitee shall make available to the Indemnifying Party any documents and materials that the Indemnifying Party determines in good faith may be necessary to the defense of such Third Party Claim.

(b) The Indemnifying Party shall have the full right to settle, adjust or compromise such Third Party Claim; provided, however, that (i) except for the settlement of a Third Party Claim that involves (A) no obligation of any Indemnitee other than the payment of money to be paid by the Indemnifying Party pursuant to (and subject to the limitations of)

this Agreement and (B) a release from all liability in favor of the Indemnitee, the Indemnifying Party shall not settle or compromise any Third Party Claim without the prior written consent of the Indemnitee, which consent shall not be unreasonably withheld, conditioned or delayed; and (ii) the Indemnifying Party may not consent to entry of any judgment or enter into any settlement in respect of a Third Party Claim that does not include a release of the Indemnitee from all liability in respect of such Third Party Claim.

(c) If the Indemnifying Party does not elect to proceed with the defense of any such Third Party Claim or does not reasonably diligently prosecute such defense, the Indemnitee shall (at the sole expense of the Indemnifying Party) proceed with the defense of such Third Party Claim with counsel reasonably acceptable to the Indemnitee;

E-58

provided that (i) the Indemnifying Party shall be entitled to a right to participate in any such Third Party Claim at its own cost and expense; (ii) except for the settlement of a Third Party Claim that involves (A) no obligation of any Indemnifying Party other than the payment of money pursuant to (and subject to the limitations of this Article 9) and (B) a release from all liability in favor of the Indemnifying Party, the Indemnitee shall not settle or compromise any Third Party Claim without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed; and (iii) the Indemnitee may not consent to entry of any judgment or enter into any settlement in respect of a Third Party Claim that does not include a release of the Indemnifying Party from all liability in respect of such Third Party Claim.

(d) The party controlling the defense of any Third Party Claim (the “Controlling Party”) shall (i) permit the other applicable parties (collectively, the “Non-Controlling Party”) to participate, at their own expense, in the defense of such Third Party Claim, (ii) conduct the defense of such Third Party Claim with reasonable diligence and keep the Non-Controlling Party reasonably informed of material developments in such Third Party Claim at all stages thereof, (iii) promptly submit to the Non-Controlling Party copies of all pleadings, responsive pleadings, motions and other similar legal documents and papers received or filed in connection therewith, (iv) permit the Non-Controlling Party and its counsel to confer on the conduct of the defense thereof and (v) permit the Non-Controlling Party and its counsel an opportunity to review all legal papers to be submitted prior to their submission and consider in good faith any comments from the Non-Controlling Party and its counsel thereto.

9.7 Indemnification Claims.

(a) If any Indemnitee has incurred or suffered or claims to have incurred or suffered, or believes that it may incur or suffer, Damages for which it is or may be entitled to be indemnified under this Article 9, such Indemnitee may deliver a notice to the applicable Indemnifying Party (any such notice being referred to as a “Notice of Indemnification Claim,” and the claim for indemnification described in such Notice of Indemnification Claim being referred to as an “indemnification claim”), which shall (i) state that such Indemnitee believes that there is or has been a possible inaccuracy in or breach of a representation, warranty, covenant or obligation contained in this Agreement or that such Indemnitee is otherwise entitled to be indemnified under this Article 9, (ii) contain a brief description of the circumstances supporting such Indemnitee’s belief that there is or has been such a possible inaccuracy or breach or that such Indemnitee may otherwise be entitled to be indemnified, (iii) contain a good faith, non-binding, preliminary estimate of the aggregate dollar amount of actual and potential Damages that have arisen and may arise as a result of the inaccuracy, breach or other matter referred to in such notice (the aggregate amount of such estimate, as it may be modified by such Indemnitee in good faith from time to time, being referred to as the “Claimed Amount”), and (iv) specify the applicable provision of Section 9.2(a) (a “General Indemnity Claim”), Section 9.2(b) (a “Key Stockholder Claim”) or Section 9.3 (a “Parent Claim”), as applicable, for which the indemnification claim described in such notice is being made by such Indemnitee.

(b) During the 30-day period commencing upon the delivery by an Indemnitee to the applicable Indemnifying Party of a Notice of Indemnification Claim (the “Dispute Period”), the applicable Indemnifying Party shall deliver to the Indemnitee a written response (the “Response Notice”) in which the Indemnifying Party: (i) agrees that the full Claimed Amount is owed to the Indemnitee; (ii) agrees that part (but not all) of the Claimed Amount (the “Agreed Amount”) is owed to the Indemnitee; or (iii) asserts that no part of the Claimed Amount is owed to the Indemnitee. Any part of the Claimed Amount that is not agreed by the Indemnifying Party to be owed to the Indemnitee pursuant to the Response Notice (or the entire Claimed Amount, if the Indemnifying Party asserts in the Response Notice that no part of the Claimed Amount is owed to the Indemnitee) shall be referred to as the “Contested Amount” (it being understood that the Contested Amount shall be modified from time to time to reflect any good faith modifications by the Indemnitee to the Claimed Amount). If a Response Notice is not received by the Indemnitee prior to the expiration of the Dispute Period, then the entire Claimed Amount shall be deemed to be a Contested Amount.

(c) If the Indemnifying Party delivers a Response Notice to the Indemnitee agreeing that the full Claimed Amount is owed to the Indemnitee, then, within three days following the delivery of such Response Notice to the Indemnitee:

(i) if the indemnification claim is a General Indemnity Claim, then the Note Amount shall be reduced by the full Claimed Amount and the principal amount owing under each Note shall be reduced accordingly on a pro

E-59

rata basis based on the original principal amount of all Notes, provided, however, that if the General Indemnity Claim is brought pursuant to Section 9.2(a)(ii) and the Claimed Amount exceeds the Cap, then, (x) first, the Note Amount shall be reduced by the portion of the Claimed Amount equal to the Note Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes and (y) second, the Equityholder Indemnifying Parties shall pay, on a several basis in accordance with their respective Indemnity Pro Rata Percentages, and not jointly, to the Parent Indemnitees, the remaining amount of the Claimed Amount;

(ii) if the indemnification claim is a Key Stockholder Claim, then the principal amount of the Note held by the particular Key Stockholder that is responsible for satisfying such indemnification claim shall be reduced by the full Claimed Amount; provided, however, that if the Key Stockholder Claim is brought pursuant to Section 9.2(b)(ii) and the Claimed Amount exceeds the principal amount of the applicable Note held by such Key Stockholder, then, (x) first, the principal amount of such Note shall be reduced by the portion of the Claimed Amount to the full extent of such principal amount and (y) second, the applicable Key Stockholder shall pay to the Parent Indemnitees, the remaining amount of the Claimed Amount; or

(iii) if the indemnification claim is a Parent Claim, then the principal amount of the Note held by each Equityholder Indemnitee shall be increased by such Equityholder Indemnitee's Pro Rata Percentage of the full Claimed Amount; provided, however, that if the Parent Claim is brought pursuant to Section 9.3(a)(ii) and any of the Notes have been converted to equity or redeemed for cash as of such time, then the Parent shall pay to the Stockholder Representative (for distribution to the Equityholder Indemnitees in accordance with their respective Pro Rata Percentages), the full Claimed Amount.

(d) If the Indemnifying Party delivers a Response Notice during the Dispute Period to the Indemnitee agreeing that less than the full Claimed Amount is owed to the Indemnitee, then, within three days following the delivery of such Response Notice to the Indemnitee:

(i) if the indemnification claim is a General Indemnity Claim, then the Note Amount shall be reduced by the amount of such Agreed Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes; provided, however, that if the General Indemnity Claim is brought pursuant to Section 9.2(a)(ii) and the Agreed Amount exceeds the Cap, then, (x) first, the Note Amount shall be reduced by the portion of the Agreed Amount equal to the Note Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes and (y) second, the Equityholder Indemnifying Parties shall pay, on a several basis in accordance with their respective Indemnity Pro Rata Percentages, and not jointly, to the Parent Indemnitees, the remaining amount of the Agreed Amount;

(ii) if the indemnification claim is a Key Stockholder Claim, then the principal amount of the Note held by the particular Key Stockholder that is responsible for satisfying such indemnification claim shall be reduced by such Agreed Amount; ; provided, however, that if the Key Stockholder Claim is brought pursuant to Section 9.2(b)(ii) and the Agreed Amount exceeds the principal amount of the applicable Note held by such Key Stockholder, then, (x) first, the principal amount of such Note shall be reduced by the portion of the Agreed Amount to the full extent of such principal amount and (y) second, the applicable Key Stockholder shall pay to the Parent Indemnitees, the remaining amount of the Agreed Amount; or

(iii) if the indemnification claim is a Parent Claim, then the principal amount of the Note held by each Equityholder Indemnitee shall be increased by such Equityholder Indemnitee's Pro Rata Percentage of the full Agreed Amount; provided, however, that if the Parent Claim is brought pursuant to Section 9.3(a)(ii) and any of the Notes have been converted to equity or redeemed for cash as of such time, then the Parent shall pay to the Stockholder Representative

(for distribution to the Equityholder Indemnitees in accordance with their respective Pro Rata Percentages), the full Agreed Amount.

(e) If the Indemnifying Party delivers a Response Notice to the Indemnitee during the Dispute Period indicating that there is a Contested Amount, the Indemnifying Party and the Indemnitee shall attempt in good faith to resolve the dispute related to the Contested Amount. If the Indemnitee and the Indemnifying Party resolve such dispute in writing, then their resolution of such dispute shall be binding on the Stockholder Representative, the Key

E-60

Stockholders, the other Equityholder Indemnifying Parties, Parent, the Surviving Corporation and the applicable Indemnitee and a settlement agreement stipulating the amount owed to the Indemnitee (the “Stipulated Amount”) shall be signed by the Indemnitee and the Indemnifying Party. Within three days after the execution of such settlement agreement:

(i) if the indemnification claim is a General Indemnity Claim, then the Note Amount shall be reduced by the amount of such Stipulated Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes; provided, however, that if the General Indemnity Claim is brought pursuant to Section 9.2(a)(ii) and the Stipulated Amount exceeds the Cap, then, (x) first, the Note Amount shall be reduced by the portion of the Stipulated Amount equal to the Note Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes and (y) second, the Equityholder Indemnifying Parties shall pay, on a several basis in accordance with their respective Indemnity Pro Rata Percentages, and not jointly, to the Parent Indemnitees, the remaining amount of the Stipulated Amount;

(ii) if the indemnification claim is a Key Stockholder Claim, then the principal amount of the Note held by the particular Key Stockholder that is responsible for satisfying such indemnification claim shall be reduced by such Stipulated Amount; provided, however, that if the Key Stockholder Claim is brought pursuant to Section 9.2(b)(ii) and the Stipulated Amount exceeds the principal amount of the applicable Note held by such Key Stockholder, then, (x) first, the principal amount of such Note shall be reduced by the portion of the Stipulated Amount to the full extent of such principal amount and (y) second, the applicable Key Stockholder shall pay to the Parent Indemnitees, the remaining amount of the Stipulated Amount; or

(iii) if the indemnification claim is a Parent Claim, then the principal amount of the Note held by each Equityholder Indemnitee shall be increased by such Equityholder Indemnitee’s Pro Rata Percentage of the full Stipulated Amount; provided, however, that if the Parent Claim is brought pursuant to Section 9.3(a)(ii) and any of the Notes have been converted to equity or redeemed for cash as of such time, then the Parent shall pay to the Stockholder Representative (for distribution to the Equityholder Indemnitees in accordance with their respective Pro Rata Percentages), the full Agreed Amount.

(f) If the Indemnifying Party and the Indemnitee are unable to resolve the dispute relating to any Contested Amount during the 30-day period commencing upon the delivery of the Response Notice (the “Initial Resolution Period”), or if the Indemnifying Party does not deliver a Response Notice to the Indemnitee during the Dispute Period, then, in either case, either the Indemnitee or the Indemnifying Party may submit such dispute to binding arbitration in San Diego County, California in accordance with the JAMS Comprehensive Arbitration Rules and Procedures then in effect. Arbitration will be conducted by one arbitrator, mutually selected by Indemnitee and the Indemnifying Party; provided, however, that if Indemnitee and the Indemnifying Party fail to mutually select an arbitrator within 15 business days after such dispute is submitted to arbitration, then the arbitrator shall be selected by JAMS in accordance with its Comprehensive Arbitration Rules and Procedures then in effect. The parties agree to use commercially reasonable efforts to cause the arbitration hearing to be conducted within 75 days after the appointment of the arbitrator, and to use commercially reasonable efforts to cause the decision of the arbitrator to be furnished within 15 days after the conclusion of the arbitration hearing. The parties shall be entitled to only limited discovery at the discretion of the arbitrator, and agree that any discovery shall be completed at least 10 days prior to the commencement of the arbitration hearing. The decision of the arbitrator shall relate solely: (i) to whether the Indemnitee is entitled to recover the Contested Amount (or a portion thereof), and the portion of such Contested Amount the Indemnitee is entitled to recover; and (ii) to the determination of whether the Indemnitee is the prevailing party as provided below. The final decision of the arbitrator shall be furnished to the Indemnifying Party and the Indemnitee in writing, shall constitute a conclusive determination of the issues in question, binding upon the Stockholder Representative, the Key Stockholders, the other Equityholder Indemnifying Parties, Parent, the Surviving

Corporation and the applicable Indemnitee and shall not be contested by any of them. If the Indemnitee is determined by the arbitrator to be the prevailing party, then the aggregate dollar amount of the arbitrator's award to the Indemnitee shall be increased by the amount of the reasonable expenses (including attorneys' fees) of the Indemnitee, and the fees and expenses associated with the arbitration (including the arbitrator's fees and expenses). If the Indemnitee is determined by the arbitrator not to be the prevailing party and the arbitrator determines that the Indemnifying Party is the prevailing party, then any amount awarded by the arbitrator to the Indemnitee shall be reduced by the amount of the reasonable expenses (including attorneys' fees) of the Indemnifying Party, and the fees

E-61

and expenses associated with the arbitration (including the arbitrator's fees and expenses), and if no amount is awarded to the Indemnitee, the Indemnitee shall reimburse the Indemnifying Party for its reasonable expenses (including attorneys' fees) and pay the fees and expenses associated with the arbitration (including the arbitrator's fees and expenses). Within three days following the receipt of the final award of the arbitrator setting forth the aggregate amount owed to the Indemnitee (the "Award Amount"):

(i) if the indemnification claim is a General Indemnity Claim, then the Note Amount shall be reduced by the amount of such Award Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes; provided, however, that if the General Indemnity Claim is brought pursuant to Section 9.2(a)(ii) and the Award Amount exceeds the Cap, then, (x) first, the Note Amount shall be reduced by the portion of the Award Amount equal to the Note Amount and the principal amount owing under each Note shall be reduced accordingly on a pro rata basis based on the original principal amount of all Notes and (y) second, the Equityholder Indemnifying Parties shall pay, on a several basis in accordance with their respective Indemnity Pro Rata Percentages, and not jointly, to the Parent Indemnitees, the remaining amount of the Award Amount;

(ii) if the indemnification claim is a Key Stockholder Claim, then the principal amount of the Note held by the particular Key Stockholder that is responsible for satisfying such indemnification claim shall be reduced by such Award Amount; provided, however, that if the Key Stockholder Claim is brought pursuant to Section 9.2(b)(ii) and the Award Amount exceeds the principal amount of the applicable Note held by such Key Stockholder, then, (x) first, the principal amount of such Note shall be reduced by the portion of the Award Amount to the full extent of such principal amount and (y) second, the applicable Key Stockholder shall pay to the Parent Indemnitees, the remaining amount of the Award Amount; and

(iii) if the indemnification claim is a Parent Claim, then the principal amount of the Note held by each Equityholder Indemnitee shall be increased by such Equityholder Indemnitee's Pro Rata Percentage of the full Award Amount; provided, however, that if the Parent Claim is brought pursuant to Section 9.3(a)(ii) and any of the Notes have been converted to equity or redeemed for cash as of such time, then the Parent shall pay to the Stockholder Representative (for distribution to the Equityholder Indemnitees in accordance with their respective Pro Rata Percentages), the full Award Amount.

Article 10

for any action taken on his, her or its behalf in the Stockholder Representative's capacity as attorney-in-fact in accordance with the terms of this Section 10.1; (iii) agrees to indemnify and hold harmless the Stockholder Representative, its affiliates, their respective successors and assigns and the respective officers, directors, managers, employees, direct and indirect equity holders, Representatives and agents of any of the foregoing, from any Damages that any of them may suffer or incur in connection with the performance of the Stockholder Representative's duties and obligations in connection with this

E-62

Agreement, the Transaction Documents and the Contemplated Transactions, except to the extent such actions are finally determined by a court of competent jurisdiction to constitute fraud.

(b) The Stockholder Representative may from time to time submit invoices to the Equityholder Indemnifying Parties covering the fees, costs, expenses (including the cost of D&O insurance), losses or liabilities incurred by the Stockholder Representative in connection with its formation, organization, responsibilities, rights or obligations hereunder (collectively, "Out-of-Pocket Expenses") and, to the extent the Stockholder Representative does not elect to deduct any Out-of-Pocket Expenses from the Stockholder Representative Escrow Account (which each Equityholder Indemnifying Party hereby authorizes the Stockholder Representative to so deduct), each Equityholder Indemnifying Party shall fully and promptly reimburse the Stockholder Representative for such Out-of-Pocket Expenses according to the Indemnity Pro Rata Percentage of such Equityholder Indemnifying Party.

(c) As of the Effective Time, the Stockholder Representative is authorized to act on behalf of each Equityholder Indemnifying Party with respect to any and all matters, claims, controversies, or disputes arising out of the terms of this Agreement and each applicable Transaction Document, and shall have the power to take any and all actions that the Stockholder Representative believes are necessary or appropriate or in the best interests of any Equityholder Indemnifying Party, as fully as if such Equityholder Indemnifying Party was acting on its, his or her own behalf with respect to all matters concerning this Agreement, the Transaction Documents, the Contemplated Transactions or the Parent or any Parent Indemnitee following the Effective Time, including with respect to: (i) the pursuing, continuing, settlement or resolution of all claims for indemnification following the Closing under Article 9; (ii) the resolution of all matters related to the determination of the post-Closing adjustments described in Section 1.10(b), including the calculation, any dispute or finalization of any of the foregoing; (iii) the unilateral right to offset any Out-of-Pocket Expenses from the Stockholder Representative Escrow Account; (iv) the authorization of any disbursement of amounts from the Stockholder Representative Escrow Account; (v) the preparation, review, comment and filing of any Tax Returns of the Company or the Surviving Corporation or in accordance with, as well as the Tax matters set forth in, Section 5.18; or (vi) the authorization of any increase or set-aside of the Stockholder Representative Escrow Fund, whether by directing that any portion of the Merger Consideration payable or issuable at Closing or to be paid or issued following Closing shall be directed to the Stockholder Representative Escrow Fund or otherwise.

(d) The Stockholder Representative may take any action or no action in connection with any of the foregoing as the Stockholder Representative may deem appropriate as effectively as any Equityholder Indemnifying Party could act, including the settlement or compromise of any dispute or controversy. Each Equityholder Indemnifying Party shall be bound by any and all actions taken by the Stockholder Representative on such Equityholder Indemnifying Party's behalf, as applicable.

(e) Notwithstanding anything to the contrary contained in this Agreement, each Parent Indemnitee shall be entitled to deal exclusively with the Stockholder Representative on all matters relating to Article 9, and shall be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document executed or purported to be executed on behalf of any Equityholder Indemnifying Party by the Stockholder Representative, and on any other action taken or purported to be taken on behalf of any Equityholder Indemnifying Party by the Stockholder Representative, as fully binding upon such Equityholder Indemnifying Party.

(f) The power of attorney granted in Section 10.1(a): (i) is coupled with an interest and is irrevocable; (ii) may be delegated by the Stockholder Representative; and (iii) shall survive the dissolution, death or incapacity of each of the Equityholder Indemnifying Parties.

(g) If the Stockholder Representative elects to resign as such, then the Key Stockholders shall, within ten days after the effective date of such resignation, appoint a successor agent for the Equityholder Indemnifying Parties and, promptly thereafter, shall notify Parent of the identity of such successor. Any such successor shall become the

Stockholder Representative for purposes of this Agreement.

The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable and, if the Conversion Shares Registration Statement is then effective under the Securities Act, shall be registered for public resale in accordance with such Conversion Shares Registration Statement (subject to such Holder's compliance with its obligations under the Registration Rights Agreement).

(f) **Fractional Shares.** No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Series B Preferred Stock. As to any fraction of a share which the Holder would otherwise be entitled upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.

(b) Subsequent Equity Sales. From the Closing Date until the date that is the earlier of (i) the one-year anniversary of the Effective Date or (ii) the date on which there are no shares of this Series B Preferred Stock outstanding, if the Corporation or any Subsidiary, as applicable sells or grants any option to purchase or sells or grants any right to reprice, or otherwise disposes of or issues (or announces any sale, grant or any option to purchase or other disposition), any Common Stock or Common Stock Equivalents entitling any Person to acquire shares of Common Stock at an effective price per share that is lower than the then Conversion Price (such lower price, the “Base Conversion Price” and such issuances, collectively, a “Dilutive Issuance”) (if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price on such date of the Dilutive Issuance), then the Conversion Price shall be reduced to equal the Base Conversion Price, provided that the Base Conversion Price shall not be less than \$0.40. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued. Notwithstanding the foregoing, no adjustment will be made under this Section 7(b) in respect of an Exempt Issuance. The Corporation shall notify the Holders in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalents subject to this Section 7(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the “Dilutive Issuance Notice”). For purposes of clarification, whether or not the Corporation provides a Dilutive Issuance Notice pursuant to this Section 7(b), upon the occurrence of any Dilutive Issuance, the Holders are entitled to receive a number of Conversion Shares based upon the Base Conversion Price on or after the date of such Dilutive Issuance.

(c) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 7(a) above, if at any time the Corporation grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the “Purchase Rights”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder’s Series B Preferred Stock (without regard to any limitations on conversions, including without limitation, the limitations prior to Stockholder Approval) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

(d) Pro Rata Distributions. During such time as this Series B Preferred Stock is outstanding, if the Corporation declares or makes any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “Distribution”), at any time after the issuance of this Series B Preferred Stock, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock

acquirable upon complete conversion of this Series B Preferred Stock immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution.

(e) Fundamental Transaction.

(i) If, at any time while this Series B Preferred Stock is outstanding,

(A) the Corporation, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Corporation with or into another Person,

(B) the Corporation, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions,

(C) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Corporation or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock,

(D) the Corporation, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or

(E) the Corporation, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination)

(each a “Fundamental Transaction”), then,

(ii) upon any subsequent conversion of this Series B Preferred Stock, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 6(a) or Section 6(d) on the conversion of this Series B Preferred Stock), the number of shares of Common Stock of the successor or acquiring corporation or of the Corporation, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Series B Preferred Stock is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 6(a) or Section 6(d) on the conversion of this Series B Preferred Stock).

(iii) For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration.

(iv) If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Series B Preferred Stock following such Fundamental Transaction.

(v) To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file a new Certificate of Designation with the same terms and conditions and

issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders' right to convert such preferred stock into Alternate Consideration.

F-10

(vi) The Corporation shall cause any successor entity in a Fundamental Transaction in which the Corporation is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Corporation under this Certificate of Designation and the other Transaction Documents (as defined in the Purchase Agreement) in accordance with the provisions of this Section 7(e) pursuant to written agreements in form and substance reasonably satisfactory to Holders and approved by Holders (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of each Holder deliver to such Holder in exchange for this Series B Preferred Stock a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Series B Preferred Stock which is convertible for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Series B Preferred Stock (without regard to any limitations on the conversion of this Series B Preferred Stock) prior to such Fundamental Transaction, and with a conversion price which applies the conversion price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion price being for the purpose of protecting the economic value of this Series B Preferred Stock immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder.

(vii) Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Certificate of Designation and the other Transaction Documents referring to the "Corporation" shall refer instead to the Successor Entity), and may exercise every right and power of the Corporation and shall assume all of the obligations of the Corporation under this Certificate of Designation and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Corporation herein.

(f) Calculations. All calculations under this Section 7 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 7, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

(g) Notice to the Holders.

(i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 7, the Corporation shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

(ii) Notice to Allow Conversion by Holder. If

(A) the Corporation shall declare a dividend (or any other distribution in whatever form) on the Common Stock,

(B) the Corporation shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock,

(C) the Corporation shall authorize the granting to all holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights,

(D) the approval of any stockholders of the Corporation shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Corporation is a party, any sale or transfer of all or substantially all of the assets of the Corporation, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or

(E) the Corporation shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Corporation,

F-11

(iii) To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Corporation or any of the Subsidiaries, the Corporation shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert the Conversion Amount of this Series B Preferred Stock (or any part hereof) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 8. Miscellaneous.

Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number or e-mail attachment at the e-mail address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number or e-mail attachment at the e-mail address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

(b) Absolute Obligation. Except as expressly provided herein, no provision of this Certificate of Designation shall alter or impair the obligation of the Corporation, which is absolute and unconditional, to pay liquidated damages and accrued dividends, as applicable, on the shares of Series B Preferred Stock at the time, place, and rate, and in the coin or currency, herein prescribed.

(c) Lost or Mutilated Series B Preferred Stock Certificate. If a Holder's Series B Preferred Stock certificate shall be mutilated, lost, stolen or destroyed, the Corporation shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated certificate, or in lieu of or in substitution for a lost, stolen or destroyed certificate, a

proceedings concerning the interpretation, enforcement and defense of the transactions contemplated by any of the Transaction Documents (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in the state of Delaware (the "Delaware Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the Delaware Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such Delaware Courts, or such Delaware Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Certificate of Designation and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by applicable law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Certificate of Designation or the transactions contemplated hereby. If any party shall commence an action or proceeding to enforce any provisions of this Certificate of Designation, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

(e) Waiver. Any waiver by the Corporation or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation on any other occasion. Any waiver by the Corporation or a Holder must be in writing. Notwithstanding any provision in this Certificate of Designation to the contrary, any provision contained herein and any right of the Holders of the Series B Preferred Stock granted hereunder may be waived as to all shares of the Series B Preferred Stock (and the Holders thereof) upon the written consent of the Holders of 75% of the shares of the Series B Preferred Stock then outstanding, unless a higher percentage is required by applicable law, in which case the written consent of the Holders of not less than such higher percentage shall be required.

(f) Severability. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law.

(g) Next Business Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

If any shares of Series B Preferred Stock shall be converted, redeemed or reacquired by the Corporation, such shares shall resume the status of authorized but unissued shares of preferred stock

and shall no longer be designated as Series B Convertible Preferred Stock.

(o) Title to Assets. The Company and the Subsidiaries have good and marketable title in fee simple to all real property owned by them and good and marketable title in all personal property owned by them that is material to the business of the Company and the Subsidiaries, in each case free and clear of all Liens, except for (i) Liens as do not materially affect the value of such property and do not materially interfere with the use made and proposed to

G-12

be made of such property by the Company and the Subsidiaries and (ii) Liens for the payment of federal, state or other taxes, for which appropriate reserves have been made therefor in accordance with GAAP and the payment of which is neither delinquent nor subject to penalties. Any real property and facilities held under lease by the Company and the Subsidiaries are held by them under valid, subsisting and enforceable leases with which the Company and the Subsidiaries are in compliance.

(p) Intellectual Property. The Company and the Subsidiaries have, or have rights to use, all material patents, patent applications, trademarks, trademark applications, service marks, trade names, trade secrets, inventions, copyrights, licenses and other intellectual property rights and similar rights as described in the SEC Reports as necessary or required for use in connection with their respective businesses (collectively, the “Intellectual Property Rights”). None of, and neither the Company nor any Subsidiary has received a notice (written or otherwise) that any of, the Intellectual Property Rights has expired, terminated or been abandoned, or is expected to expire or terminate or be abandoned, within two (2) years from the date of this Agreement. Neither the Company nor any Subsidiary has received, since the date of the latest audited financial statements included within the SEC Reports, a notice (written or otherwise) of a material claim or otherwise has any knowledge that the Intellectual Property Rights violate or infringe upon the rights of any Person in a manner that, or the effect of which, is material to the Company. To the knowledge of the Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights. The Company and its Subsidiaries have taken reasonable security measures to protect the secrecy, confidentiality and value of all of their intellectual properties, except where failure to do so would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(q) Insurance. The Company and the Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which the Company and the Subsidiaries are engaged, including, but not limited to, directors and officers insurance coverage. Neither the Company nor any Subsidiary has been notified in writing that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without a significant increase in cost.

(r) Transactions With Affiliates and Employees. Except as set forth in the SEC Reports, none of the officers or directors of the Company or any Subsidiary and, to the knowledge of the Company, none of the employees of the Company or any Subsidiary is presently a party to any transaction with the Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, providing for the borrowing of money from or lending of money to or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee, stockholder, member or partner, in each case in excess of \$120,000, individually or in the aggregate, other than for: (i) payment of salary for services rendered, (ii) reimbursement for expenses incurred on behalf of the Company and (iii) other employee benefits, including stock option agreements under any stock option plan of the Company.

(s) Sarbanes-Oxley; Internal Accounting Controls. The Company and the Subsidiaries are in material compliance with any and all applicable requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof, and any and all applicable rules and regulations promulgated by the Commission thereunder that are effective as of the date hereof and as of the Closing Date. The Company and the Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that: (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management’s general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any

The Company and the Subsidiaries have established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and the Subsidiaries and designed such disclosure controls and procedures to ensure that information required to be disclosed by the Company in the reports it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. G-13

The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no changes in the internal control over financial reporting (as such term is defined in the Exchange Act) of the Company and its Subsidiaries that have materially affected, or is reasonably likely to materially affect, the internal control over financial reporting of the Company or its Subsidiaries.

The Purchasers shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section that may be due in connection with the transactions contemplated by the Transaction Documents.

(u) **Private Placement.** Assuming the accuracy of the Purchasers’ representations and warranties set forth in Section 3.2, no registration under the Securities Act is required for the offer and sale of the Securities by the Company to the Purchasers as contemplated hereby. Except as set forth on Schedule 3.1(x), the Company has not, in the 12 months preceding the date hereof, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that the Company is not in compliance with the listing or maintenance requirements of such Trading Market. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements. The Common Stock is currently eligible for electronic transfer through the Depository Trust Company or another established clearing corporation and the Company is current in payment of the fees to the Depository Trust Company (or such other established clearing corporation) in connection with such electronic transfer.

(y) **Application of Takeover Protections.** The Company and the Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti takeover provision under the Company’s certificate of incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to the Purchasers as a result of the Purchasers and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation as a result of the Company’s issuance of the Securities and the Purchasers’ ownership of the Securities, in each case, without regard to any conversion or exercise limits in respect thereof.

(z) Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, and the Supplemental Disclosure, the Company confirms that neither it nor any other Person acting on its behalf has provided any of the Purchasers or their agents or counsel with any information that it believes constitutes or might constitute material, non-public information. The Company understands and confirms

G-14

that the Purchasers will rely on the foregoing representation in effecting transactions in securities of the Company. All of the disclosure furnished by or on behalf of the Company to the Purchasers regarding the Company and its Subsidiaries, their respective businesses and the transactions contemplated hereby, when taken together with the SEC Reports and the Disclosure Schedules and Supplemental Disclosure to this Agreement, is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The press releases disseminated by the Company during the twelve months preceding the date of this Agreement taken as a whole do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made and when made, not misleading. The Company acknowledges and agrees that no Purchaser makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3.2 hereof.

(aa) No Integrated Offering. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 3.2, neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Securities to be integrated with prior offerings by the Company for purposes of (i) the Securities Act which would require the registration of any such securities under the Securities Act, or (ii) any applicable stockholder approval provisions of any Trading Market on which any of the securities of the Company are listed or designated.

(bb) Solvency. Based on the consolidated financial condition of the Company as of the Closing Date, after giving effect to the receipt by the Company of the proceeds from the sale of the Securities hereunder: (i) the fair saleable value of the Company's assets exceeds the amount that will be required to be paid on or in respect of the Company's existing debts and other liabilities (including known contingent liabilities) as they mature, (ii) the Company's assets do not constitute unreasonably small capital to carry on its business as now conducted and as proposed to be conducted including its capital needs taking into account the particular capital requirements of the business conducted by the Company, consolidated and projected capital requirements and capital availability thereof, and (iii) the current cash flow of the Company, together with the proceeds the Company would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its liabilities when such amounts are required to be paid. The Company does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt). The Company has no knowledge of any facts or circumstances which lead it to believe that it will file for reorganization or liquidation under the bankruptcy or reorganization laws of any jurisdiction within one year from the Closing Date. Schedule 3.1(bb) sets forth as of the date hereof all outstanding secured and unsecured Indebtedness of the Company or any Subsidiary, or for which the Company or any Subsidiary has commitments. material in amount, shown or determined to be due on such returns, reports and declarations and (iii) has set aside on its books provision reasonably adequate for the payment of all material taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company or of any Subsidiary know of no basis for any such claim.

The Company further acknowledges that no Purchaser is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated thereby and any advice given by any Purchaser or any of their respective representatives or agents in connection with the Transaction Documents and the transactions contemplated thereby is merely incidental to the Purchasers’ purchase of the Securities. The Company further represents to each Purchaser that the Company’s decision to enter into this Agreement and the other Transaction Documents has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

The Company further understands and acknowledges that (y) one or more Purchasers may engage in hedging activities at various times during the period that the Securities are outstanding, including, without limitation, during the periods that the value of the Underlying Shares deliverable with respect to Securities are being determined, and (z) such hedging activities (if any) could reduce the value of the existing stockholders’ equity interests in the Company at and after the time that the hedging activities are being conducted. The Company acknowledges that

such aforementioned hedging activities do not constitute a breach of any of the Transaction Documents.

(jj) Regulation M Compliance. The Company has not, and to its knowledge no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Securities, (ii) sold, bid for,

Each Purchaser, for itself and for no other Purchaser, hereby represents and warrants as of the date hereof and as of the Closing Date to the Company and, in the case of each Purchaser other than the Lead Investor, to the Placement Agent as follows (unless as of a specific date therein, in which case they shall be accurate as of such date):

(a) Organization; Authority. Such Purchaser is either an individual or an entity duly incorporated or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation with full right, corporate, partnership, limited liability company or similar power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of the Transaction Documents and performance by such Purchaser of the transactions contemplated by the Transaction Documents have been duly authorized by all necessary corporate,

partnership, limited liability company or similar action, as applicable, on the part of such Purchaser. Each Transaction Document to which it is a party has been duly executed by such Purchaser, and when delivered by such Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of such Purchaser, enforceable against it in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of

G-18

specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(b) Own Account. Such Purchaser understands that the Securities are “restricted securities” and have not been registered under the Securities Act or any applicable state securities law and is acquiring the Securities as principal for its own account and not with a view to or for distributing or reselling such Securities or any part thereof in violation of the Securities Act or any applicable state securities law, has no present intention of distributing any of such Securities in violation of the Securities Act or any applicable state securities law and has no direct or indirect arrangement or understandings with any other persons to distribute or regarding the distribution of such Securities in violation of the Securities Act or any applicable state securities law (this representation and warranty not limiting such Purchaser’s right to sell the Securities pursuant to the Registration Statement or otherwise in compliance with applicable federal and state securities laws). Such Purchaser is acquiring the Securities hereunder in the ordinary course of its business.

(c) Purchaser Status. At the time such Purchaser was offered the Securities, it was, and as of the date hereof it is, and on each date on which it exercises any Warrants or converts any Preferred Stock, it will be either: (i) an “accredited investor” as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Securities Act or (ii) a “qualified institutional buyer” as defined in Rule 144A(a) under the Securities Act.

(d) Experience of Such Purchaser. Such Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Securities, and has so evaluated the merits and risks of such investment. Such Purchaser is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment. Such Purchaser and its advisors, if any, have been furnished with all materials relating to the business, financial condition and results of operations of the Company, and materials relating to the offer and sale of the Securities, that have been requested by such Purchaser or its advisors, if any. Such Purchaser acknowledges and understands that its investment in the Securities involves a significant degree of risk.

(e) General Solicitation. Such Purchaser is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(f) Access to Information. Such Purchaser acknowledges that it has had the opportunity to review the Transaction Documents (including all exhibits and schedules thereto), the Supplemental Disclosure, and the SEC Reports and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Securities and the merits and risks of investing in the Securities; (ii) access to information about the Company and its financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment. Each Purchaser other than the Lead Investor acknowledges and agrees that neither the Placement Agent nor any Affiliate of the Placement Agent has provided such Purchaser with any information or advice with respect to the Securities nor is such information or advice necessary or desired. Neither the Placement Agent nor any Affiliate has made or makes any representation as to the Company or the quality of the Securities and the Placement Agent and any Affiliate may have acquired non-public information with respect to the Company which each Purchaser other than the Lead Investor agrees need not be provided to it. In connection with the issuance of the Securities to each Purchaser other than the Lead Investor, neither the Placement Agent nor any of its Affiliates has acted as a financial advisor or fiduciary to such Purchaser.

(g) Certain Transactions and Confidentiality. Other than consummating the transactions contemplated hereunder, such Purchaser has not directly or indirectly, nor has any Person acting on behalf of or pursuant to any understanding with such Purchaser, executed any purchases or sales, including Short Sales, of the securities of the Company during the period commencing as of the time that such Purchaser first received a term sheet (written or oral) from the Company or any other Person representing the Company setting forth the material terms of the

G-19

transactions contemplated hereunder and ending immediately prior to the execution hereof. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement. Other than to other Persons party to this Agreement or to such Purchaser's representatives, including, without limitation, its officers, directors, partners, legal and other advisors, agents and Affiliates bound by a duty of confidentiality to such Purchaser, such Purchaser has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Notwithstanding the foregoing, for the avoidance of doubt, nothing contained herein shall constitute a representation or warranty against, or a prohibition of, any actions with respect to the borrowing of, arrangement to borrow, identification of the availability of, and/or securing of, securities of the Company in order for such Purchaser (or its broker or other financial representative) to effect Short Sales or similar transactions in the future.

The Company acknowledges and agrees that the representations contained in this Section 3.2 shall not modify, amend or affect such Purchaser's right to rely on the Company's representations and warranties contained in this Agreement or any representations and warranties contained in any other Transaction Document or any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transactions contemplated hereby.

(a) The Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or Rule 144, to the Company or to an Affiliate of a Purchaser or in connection with a pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act.

(b) The Purchasers agree to the imprinting, so long as is required by this Section 4.1, of a legend on any of the Securities in the following form:

NEITHER THIS SECURITY NOR THE SECURITIES INTO WHICH THIS SECURITY IS EXERCISABLE HAVE BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

The Company acknowledges and agrees that a Purchaser may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Securities to a financial institution that is an “accredited investor” as defined in Rule 501(a) under the Securities Act and who agrees to be bound by the provisions of this Agreement and the Registration Rights Agreement and, if required

G-20

under the terms of such arrangement, such Purchaser may transfer pledged or secured Securities to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval of the Company and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At the appropriate Purchaser's expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities, including, if the Securities are subject to registration pursuant to the Registration Rights Agreement, the preparation and filing of any required prospectus supplement under Rule 424(b)(3) under the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of Selling Stockholders (as defined in the Registration Rights Agreement) thereunder.

(c) Certificates evidencing the Underlying Shares shall not contain any legend (including the legend set forth in Section 4.1(b) hereof), (i) while a registration statement (including the Registration Statement) covering the resale of such security is effective under the Securities Act, (ii) following any sale of such Underlying Shares pursuant to Rule 144, (iii) if such Underlying Shares are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such Underlying Shares and without volume or manner-of-sale restrictions, or (iv) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission). The Company shall cause its counsel to issue a legal opinion to the Transfer Agent promptly after the Effective Date if required by the Transfer Agent to effect the removal of the legend hereunder. If all or any portion of a Warrant is exercised or Preferred Stock is converted at a time when there is an effective registration statement to cover the resale of the Underlying Shares, or if such Underlying Shares may be sold under Rule 144 and the Company is then in compliance with the current public information required under Rule 144, or if the Underlying Shares may be sold under Rule 144 without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such Underlying Shares or if such legend is not otherwise required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission) then such Underlying Shares shall be issued free of all legends. The Company agrees that following the Effective Date or at such time as such legend is no longer required under this Section 4.1(c), it will, no later than the earlier of (i) three (3) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined below) following the delivery by a Purchaser to the Company or the Transfer Agent of a certificate representing Underlying Shares, issued with a restrictive legend (such third Trading Day, the "Legend Removal Date"), deliver or cause to be delivered to such Purchaser a certificate representing such shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section 4. Certificates for Securities subject to legend removal hereunder shall be transmitted by the Transfer Agent to the Purchaser by crediting the account of the Purchaser's prime broker with the Depository Trust Company System as directed by such Purchaser. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the Common Stock as in effect on the date of delivery of a certificate representing Warrants Shares issued with a restrictive legend.

(d) In addition to such Purchaser's other available remedies, the Company shall pay to a Purchaser, in cash, (i) as partial liquidated damages and not as a penalty, for each \$1,000 of Underlying Shares (based on the VWAP of the Common Stock on the date such Securities are submitted to the Transfer Agent) delivered for removal of the restrictive legend and subject to Section 4.1(c), \$5 per Trading Day (increasing to \$10 per Trading Day five (5) Trading Days after such damages have begun to accrue) for each Trading Day after the Legend Removal Date until such certificate is delivered without a legend and (ii) if the Company fails to (A) issue and deliver (or cause to be delivered) to a Purchaser by the Legend Removal Date a certificate representing the Securities so delivered to the Company by such Purchaser that is free from all restrictive and other legends and (B) if after the Legend Removal Date such Purchaser purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Purchaser of all or any portion of the number of shares of Common Stock, or a sale of a

number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock that such Purchaser anticipated receiving from the Company without any restrictive legend, then, an amount equal to the excess of such Purchaser's total purchase price (including brokerage commissions and other reasonable, out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including brokerage commissions and other reasonable, out-of-pocket expenses, if any) (the "Buy-In Price") over the product of (1) such number of Underlying Shares that the Company was required to deliver to such Purchaser by the Legend Removal Date multiplied by (2)

G-21

the lowest closing sale price of the Common Stock on any Trading Day during the period commencing on the date of the delivery by such Purchaser to the Company of the applicable Underlying Shares (as the case may be) and ending on the date of such delivery and payment under this clause (ii), at which point the Company's obligation to deliver such certificate shall terminate and such Securities shall be cancelled.

(e) Each Purchaser, severally and not jointly with the other Purchasers, agrees with the Company that such Purchaser will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Securities are sold pursuant to a Registration Statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates representing Securities as set forth in this Section 4.1 is predicated upon the Company's reliance upon this understanding.

4.2 Furnishing of Information; Public Information.

(a) Until the earliest of the time that (i) no Purchaser owns Securities or (ii) the Warrants have expired, the Company covenants to maintain the registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act and to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act even if the Company is not then subject to the reporting requirements of the Exchange Act.

(b) At any time during the period commencing on the six (6) month anniversary of the date hereof and ending at such time that all of the Securities may be sold without the requirement for the Company to be in compliance with Rule 144(c)(1) and otherwise without restriction or limitation pursuant to Rule 144, if the Company (i) shall fail for any reason to satisfy the current public information requirement under Rule 144(c) or (ii) has ever been an issuer described in Rule 144(i)(1)(i) or becomes an issuer in the future, and the Company shall fail to satisfy any condition set forth in Rule 144(i)(2) (a "Public Information Failure") then, in addition to such Purchaser's other available remedies, the Company shall pay to a Purchaser, in cash, as partial liquidated damages and not as a penalty, by reason of any such delay in or reduction of its ability to sell the Securities, an amount in cash equal to 1.5% of the aggregate Subscription Amount of such Purchaser's Securities on the day of a Public Information Failure and on every thirtieth (30th) day (prorated for periods totaling less than thirty days) thereafter until the earlier of (a) the date such Public Information Failure is cured and (b) such time that such public information is no longer required for the Purchasers to transfer the Underlying Shares pursuant to Rule 144. The payments to which a Purchaser shall be entitled pursuant to this Section 4.2(b) are referred to herein as "Public Information Failure Payments." Public Information Failure Payments shall be paid on the earlier of (i) the last day of the calendar month during which such Public Information Failure Payments are incurred and (ii) the third (3rd) Business Day after the event or failure giving rise to the Public Information Failure Payments is cured. In the event the Company fails to make Public Information Failure Payments in a timely manner, such Public Information Failure Payments shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. Nothing herein shall limit such Purchaser's right to pursue actual damages for the Public Information Failure, and such Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

4.3 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities or that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

4.4 Securities Laws Disclosure; Publicity. The Company shall (a) by 9:30 a.m. (New York City time) on the Trading Day immediately following the date hereof, issue a press release disclosing the material terms of the transactions contemplated hereby in form and substance reasonably satisfactory to the Lead Investor and the Placement Agent, and (b) file a Current Report on Form 8-K, including the Transaction Documents and Supplemental Disclosure as exhibits thereto, with the Commission within the time required by the Exchange Act in form and substance reasonably satisfactory to the Lead Investor. From and after the issuance of such press release, the Company represents to the Purchasers that it shall have publicly disclosed all material, non-public information

G-22

delivered to any of the Purchasers by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents in connection with the transactions contemplated by the Transaction Documents. In addition, effective upon the issuance of such press release, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates on the one hand, and any of the Purchasers or any of their Affiliates on the other hand, shall terminate. The Company shall consult with the Lead Investor in issuing any other press releases with respect to the transactions contemplated hereby, and the Company shall not issue any such press release or otherwise make any such public statement without the prior consent of the Lead Investor, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law, in which case the Company shall promptly provide the Lead Investor with prior notice of such public statement or communication. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Purchaser, or include the name of any Purchaser in any filing with the Commission or any regulatory agency or Trading Market, without the prior written consent of such Purchaser, except: (a) as required by federal securities law in connection with (i) any registration statement contemplated by the Registration Rights Agreement and (ii) the filing of final Transaction Documents with the Commission and (b) to the extent such disclosure is required by law or Trading Market regulations, in which case the Company shall provide the Purchasers with prior notice of such disclosure permitted under this clause (b).

4.5 Stockholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that any Purchaser is an “Acquiring Person” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Company and the Purchasers.

4.6 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents and the Supplemental Disclosure, which shall be disclosed pursuant to Section 4.4, the Company covenants and agrees that neither it, nor any other Person acting on its behalf will provide any Purchaser or its agents or counsel with any information that constitutes, or the Company reasonably believes constitutes, material non-public information, unless prior thereto such Purchaser shall have consented to the receipt of such information and agreed with the Company to keep such information confidential. The Company understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company. To the extent that the Company delivers any material, non-public information to a Purchaser without such Purchaser’s consent, the Company hereby covenants and agrees that such Purchaser shall not have any duty of confidentiality to Company, any of its Subsidiaries, or any of their respective officers, directors, agents, employees or Affiliates, or a duty to the Company, and of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates not to trade on the basis of, such material, non-public information, provided that the Purchaser shall remain subject to applicable law. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material, non-public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Company understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

4.7 Use of Proceeds. The Company shall use the net proceeds from the sale of the Securities hereunder solely for the transactions contemplated by the Merger Agreement, working capital purposes, or strategic transactions approved by a majority of disinterested directors of the Company, and shall not use such proceeds: (a) for the redemption of any Common Stock or Common Stock Equivalents, (b) for the settlement of any outstanding litigation or (c) in violation of FCPA or OFAC regulations.

4.8 Indemnification of Purchasers. Subject to the provisions of this Section 4.8, the Company will indemnify and hold each Purchaser and its directors, officers, stockholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls such Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, stockholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a "Purchaser Party") harmless from any and

G-23

all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any such Purchaser Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (b) any action instituted against the Purchaser Parties in any capacity, or any of them or their respective Affiliates, by any stockholder of the Company who is not an Affiliate of such Purchaser Parties, with respect to any of the transactions contemplated by the Transaction Documents (unless and to the extent such action is based upon a breach of such Purchaser Party's representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Purchaser Party may have with any such stockholder or any violations by such Purchaser Party of state or federal securities laws or any conduct by such Purchaser Party which constitutes fraud, gross negligence, willful misconduct or malfeasance). If any action shall be brought against any Purchaser Party in respect of which indemnity may be sought pursuant to this Agreement, such Purchaser Party shall promptly notify the Company in writing (but the failure to provide such notice shall not affect the rights of such Purchaser Party to indemnification pursuant to this Section 4.8 except to the extent that the Company is materially prejudiced thereby), and the Company shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Purchaser Party. Any Purchaser Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Purchaser Party except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of counsel, a material conflict on any material issue between the position of the Company and the position of such Purchaser Party, in which case the Company shall be responsible for the reasonable fees and expenses of no more than one such separate counsel. The Company will not be liable to any Purchaser Party under this Agreement (y) for any settlement by a Purchaser Party effected without the Company's prior written consent, which shall not be unreasonably withheld or delayed; or (z) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to (A) any Purchaser Party's breach of any of the representations, warranties, covenants or agreements made by such Purchaser Party in this Agreement or in the other Transaction Documents or (B) any conduct by such Purchaser Party which constitutes gross negligence or willful misconduct. The indemnification required by this Section 4.8 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or are incurred. The indemnity agreements contained herein shall be in addition to any cause of action or similar right of any Purchaser Party against the Company or others and any liabilities the Company may be subject to pursuant to law.

4.9 Reservation of Securities; Stockholder Approval.

(a) The Company shall maintain a reserve of the Required Minimum from its duly authorized shares of Common Stock for issuance pursuant to the Transaction Documents in such amount as may then be required to fulfill its obligations in full under the Transaction Documents, without regard to any conversion or exercise limits therein.

(b) If, on any date, the number of authorized but unissued (and otherwise unreserved) shares of Common Stock is less than 130% of (i) the Required Minimum on such date, minus (ii) the number of shares of Common Stock previously issued pursuant to the Transaction Documents, then the Board of Directors shall use reasonable best efforts to amend the Company's certificate of incorporation to increase the number of authorized but unissued shares of Common Stock to at least the Required Minimum at such time (minus the number of shares of Common Stock previously issued pursuant to the Transaction Documents), as soon as reasonably practicable and in any event not later than the 60th day after such date, provided that the Company will not be required at any time to authorize a number of shares of Common Stock greater than the maximum remaining number of shares of Common Stock that could possibly be issued after such time pursuant to the Transaction Documents.

(c) The Company shall hold a special meeting of stockholders (which may also be at the annual meeting of stockholders) (the “Special Meeting”) no later than May 17, 2018, or, in the case of a review by the Commission, no later than June 14, 2018, for the purpose of obtaining Stockholder Approval, with the recommendation of the Board of Directors that such proposal be approved, and the Company shall, as promptly as practicable after the Closing Date (but in no event more than 20 Business Days thereafter), file a proxy statement (the “Proxy Statement”) with the Commission to solicit proxies from its stockholders in connection therewith in the same manner as all other

G-24

management proposals in the Proxy Statement and all management-appointed proxyholders shall vote their proxies in favor of such proposal. The Company shall use its reasonable best efforts to obtain such Stockholder Approval on or before the 75th calendar day following the Closing Date. If the Company does not obtain Stockholder Approval at the first meeting, the Company shall take all actions necessary in order to call a meeting every four months thereafter to seek Stockholder Approval until the earlier of the date Stockholder Approval is obtained or the Preferred Stock is no longer outstanding.

(d) The Company shall promptly notify the Lead Investor upon the receipt of any comments from the Commission or its staff or any written request from the Commission or its staff for amendments or supplements to the Proxy Statement, and the Company shall provide the Lead Investor with copies of all correspondence between it and its representatives, on the one hand, and the Commission and its staff, on the other hand, relating to the Proxy Statement or the transactions contemplated hereby. The Company shall (i) cause the Proxy Statement to comply as to form with the requirements of the Exchange Act applicable thereto and (ii) use reasonable best efforts to respond, with the assistance of, and after consultation with, the Lead Investor, as provided by this Section 4.9(d) as promptly as practicable to any comments of the Commission with respect to the Proxy Statement. If, at any time prior to the Special Meeting, any information relating to the Company or any of its Affiliates, officers or directors is discovered by the Company that should be set forth in an amendment or supplement to the Proxy Statement so that the Proxy Statement or the other filings shall not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading, the Company shall promptly notify the Lead Investor thereof, and an appropriate amendment or supplement describing such information shall be filed with the Commission and, to the extent required by applicable law, disseminated to the stockholders of the Company. Prior to the filing or distribution of the Proxy Statement (or any amendment or supplement thereto) or responding to any Commission comments on the Proxy Statement, the Company shall (A) provide the Lead Investor with a reasonable opportunity to review and comment on the Proxy Statement and all amendments or supplements to the foregoing documents and (B) consider in good faith such comments reasonably proposed by the Lead Investor. The Company shall, as soon as reasonably practicable following the date the Commission confirms that it has no further comments on the Proxy Statement, take all action necessary to establish a record date for, call, give notice of, and hold, the Special Meeting for the purpose of obtaining the Stockholder Approval.

4.10 Listing of Common Stock. The Company shall, if applicable: (i) in the time and manner required by the principal Trading Market, prepare and file with such Trading Market an additional shares listing application covering a number of shares of Common Stock at least equal to the Required Minimum on the date of such application, (ii) take all steps necessary to cause such shares of Common Stock to be approved for listing or quotation on such Trading Market as soon as possible thereafter, (iii) provide to the Purchasers evidence of such listing or quotation and (iv) maintain the listing or quotation of such Common Stock on any date at least equal to the Required Minimum on such date on such Trading Market or another Trading Market. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.11 Director Rights. During the Director Rights Period (as defined below), at the initial Closing and at any meeting of the stockholders of the Company at which members of the Board of Directors of the Company are to be elected, or whenever members of the Board of Directors of the Company are to be elected by written consent:

(a) Immediately following the Closing, and for so long thereafter as the Lead Investor, together with its Affiliates and its and its Affiliates' respective members, stockholders, owners, equity holders and family members (collectively, the "LI Group"), beneficially own at least 12.5% of the Common Stock of the Company on a fully diluted basis, calculated as provided below (the "Threshold Ownership Percentage"), the Board of Directors of the Company shall consist of a

maximum of thirteen (13) directors, and the Lead Investor shall have the exclusive right to nominate, and to directly elect, up to two (2) members of the Board of Directors (each, an “Investor Director”), each of whom shall be appointed to the Board of Directors of the Company immediately following the Closing; provided, however, that in compliance with Nasdaq Listing Rule 5640, the number of Investor Directors shall be reduced to one, if the LI Group’s beneficial ownership as defined above is reduced to less than 12.5% but is at least 7.5% of the issued and outstanding Common Stock of the Company on a fully diluted basis (calculated as provided in clause (h) below).

G-25

(b) Notwithstanding paragraph (a) above, the Lead Investor shall not have any right to nominate and directly elect any Investor Directors if the LI Group's beneficial ownership of Common Stock is reduced below 7.5% (the "Directors Rights Period").

(c) Any decrease in the number of Investor Directors pursuant to paragraph (a) above shall not require any Investor Directors to resign intra term.

(d) The Lead Investor may remove any Investor Director, which removal may be at any time and from time to time, with or without cause.

(e) If any Investor Director ceases to serve in such capacity prior to the end of his or her term for any reason, the resulting vacancy on the Board of Directors shall be filled with a director by the Lead Investor.

(f) If the LI Group is the beneficial owner of at least 12.5% of the issued and outstanding Common Stock of the Company on a fully diluted basis, calculated as provided below, each non-traditional or special committee of the Board of Directors shall include, as of immediately following the Closing, at least one Investor Director as a member. In addition, as determined by the full Board of Directors, and provided that such Investor Directors are "independent" if required pursuant to Nasdaq Listing Rule 5605, and considering the Investor Directors' credentials, contributions, experience and expertise, the composition of the committee at the time and other relevant circumstances, the Investor Directors will be considered (unless they decline to serve in writing) as part of the normal nominating and appointment processes for committee composition for the traditional Board of Directors committees (compensation, audit, nominating and governance).

(g) In addition to its other rights hereunder, during the Director Rights Period, one of the Investor Directors shall be permitted to attend as an observer any meetings of traditional Board of Director committees.

(h) For purposes of this Section 4.11 and determining the beneficial ownership of the LI Group, the issued and outstanding shares of Common Stock of the Company to be included in respect of the calculation of "fully diluted basis" shall be limited to the following: (i) all shares of Common Stock issued and outstanding; (ii) all Preferred Stock issued under this Agreement on an as-converted basis; (iii) all Series A Preferred Stock of the Company issued and outstanding on an as-converted basis; (iv) the Warrants on an as-exercised basis; and (v) the warrants issued by the Company in its private placement in March 2017, on an as-exercised basis.

4.12 Subsequent Equity Sales.

(a) From the date hereof until ninety (90) days after the Effective Date, other than with respect to the transactions contemplated by this Agreement, neither the Company nor any Subsidiary shall issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or Common Stock Equivalents.

(b) From the date hereof until the earliest of the time that no Purchaser owns any of the Warrants or two years following the Effective Date, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents (or a combination of units thereof) involving a Variable Rate Transaction. "Variable Rate Transaction" means a transaction in which the Company (i) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive, additional shares of Common Stock either (A) at a conversion price, exercise price or exchange rate or other price that is based upon, and/or varies with, the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of such debt or equity securities or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to

the business of the Company or the market for the Common Stock or (ii) enters into, or effects a transaction under, any agreement, including, but not limited to, an equity line of credit, whereby the Company may issue securities at a future determined price; provided, however, the Company may, commencing 90 days after the Effective Date, enter into a sales or similar agreement for an “at the market offering” (as defined in Rule 415 under the Securities Act) and make sales thereunder. Any Purchaser shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages.

G-26

(c) Unless and until the Stockholder Approval has been obtained and deemed effective, neither the Company nor any Subsidiary shall make any issuance whatsoever of Common Stock or Common Stock Equivalents other than Exempt Issuances. Any Purchaser shall be entitled to injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages.

(d) Notwithstanding the foregoing, this Section 4.12 shall not apply in respect of an Exempt Issuance, except that no Variable Rate Transaction shall be an Exempt Issuance.

4.13 Equal Treatment of Purchasers. No consideration (including any modification of any Transaction Document) shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of the Transaction Documents unless the same consideration is also offered to all of the parties to the Transaction Documents. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and negotiated separately by each Purchaser, and is intended for the Company to treat the Purchasers as a class and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of Securities or otherwise.

4.14 Certain Transactions and Confidentiality. Each Purchaser, severally and not jointly with the other Purchasers, covenants that neither it, nor any Affiliate acting on its behalf or pursuant to any understanding with it will execute any purchases or sales, including Short Sales, of any of the Company's securities during the period commencing with the execution of this Agreement and ending at such time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4. Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company pursuant to the initial press release as described in Section 4.4, such Purchaser will maintain the confidentiality of the existence and terms of this transaction and the information included in the Transaction Documents and the Disclosure Schedules. Notwithstanding the foregoing, and notwithstanding anything contained in this Agreement to the contrary, the Company expressly acknowledges and agrees that (i) no Purchaser makes any representation, warranty or covenant hereby that it will not engage in effecting transactions in any securities of the Company after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4, (ii) no Purchaser shall be restricted or prohibited from effecting any transactions in any securities of the Company in accordance with applicable securities laws from and after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4 and (iii) no Purchaser shall have any duty of confidentiality or duty not to trade in the securities of the Company to the Company or its Subsidiaries after the issuance of the initial press release as described in Section 4.4. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement.

4.15 Form D; Blue Sky Filings. The Company agrees to timely file a Form D with respect to the Securities as required under Regulation D and to provide a copy thereof, promptly upon request of any Purchaser. The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchasers at the Closing under applicable securities or "Blue Sky" laws of the states of the United States, and shall provide evidence of such actions promptly upon request of any Purchaser.

4.16 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Securities may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligations under the Transaction Documents, including,

without limitation, its obligation to issue the Securities pursuant to the Transaction Documents, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against any Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Company.

4.17 Amendment, Modification or Waiver of Lock-Up and Support Agreements. The Company shall not agree to any amendments, modifications or waivers of the Lock-Up Agreements and Support Agreements without the prior written consent of at least 75% in interest of the Purchasers.

4.18 Preemptive Rights.

(a) Immediately following the Closing, and for so long as the LI Group beneficially owns such number of shares of Common Stock on a fully diluted basis (calculated in accordance with Section 4.11(h)) equal to or greater than the Threshold Ownership Percentage, if the Company authorizes the issuance and sale of any Common Stock or Common Stock Equivalents (other than any Exempt Issuance), the Company will first offer to sell to the Lead Investor, a pro rata portion of such securities equal to the percentage determined by dividing (i) the number of shares of Common Stock held by the LI Group (determined on a fully-diluted basis (calculated in accordance with Section 4.11(h)), by (ii) the total number of shares of Common Stock then outstanding (determined on a fully-diluted basis (calculated in accordance with Section 4.11(h))). The members of the LI Group (as determined by the Lead Investor) will be entitled to purchase all or part of such stock or securities at the same price and on the same terms as such stock or securities are to be offered to any other Person.

(b) The Lead Investor must exercise the rights set forth in Section 4.18 within thirty (30) days after receipt of written notice from the Company describing in reasonable detail the stock or securities being offered, the purchase price thereof, the payment terms and the Lead Investor's percentage allotment; provided, however, that in the case of a registered public offering, the Lead Investor must exercise such rights within three (3) Trading Days instead.

(c) Upon the expiration of the offering period described above, the Company will be free to sell, during the following sixty (60) day period, the Common Stock and/or Common Stock Equivalents, as applicable, that the Lead Investor has not elected to purchase following such expiration on terms and conditions no more favorable to the purchasers thereof than those offered to the LI Group. Any Common Stock or Common Stock Equivalents offered or sold by the Company after such sixty (60) day period must be re-offered to the LI Group pursuant to the terms of this Section 4.18.

4.19 Dilutive Issuance. From the date the Stockholder Approval is obtained and deemed effective until the date of the one-year anniversary of the Effective Date, if the Company or any Subsidiary, as applicable, sells or grants any option to purchase or sells or grants any right to reprice, or otherwise disposes of or issues (or announces any sale, grant or any option to purchase or other disposition), any Common Stock or Common Stock Equivalents entitling any Person to acquire shares of Common Stock at an effective price per share that is lower than the then Conversion Price on the date the Stockholder Approval is obtained and deemed effective (the "Effective Conversion Price" and such lower price, the "Base Conversion Price" and such issuances, collectively, a "Dilutive Issuance") (provided, that if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Effective Conversion Price, such issuance shall be deemed to have occurred for less than the Effective Conversion Price on such date of the Dilutive Issuance), then the Company shall promptly (but in any event within three (3) Trading Days following the closing of a Dilutive Issuance) issue an additional number of shares of Common Stock ("Additional Shares") to each Purchaser (including the Lead Investor or any member of the LI Group designated in writing by the Lead Investor) equal to the difference of: (i) the number of Conversion Shares that would have been issued if the Conversion Price was equal to the Base Conversion Price on the date the Stockholder Approval was obtained and deemed effective minus (ii) the sum of (a) the number of Conversion Shares actually issued in respect of the shares of Preferred Stock purchased by such Purchaser pursuant to this Agreement plus (b) the number of Additional Shares issued to such Purchaser (including the Lead Investor or Lead Investor's designee) in connection with a prior Dilutive Issuance, if any. Such adjustment shall be made

whenever such Common Stock or Common Stock Equivalents are issued. Notwithstanding the foregoing, no Exempt Issuance shall be deemed to be a Dilutive Issuance and the Base Conversion shall not be less than \$0.40. The Company shall notify each Purchaser in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalents subject to this Section 4.19, indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the "Dilutive Issuance Notice"). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 4.19, upon the occurrence of any Dilutive Issuance, each Purchaser is entitled to receive Additional Shares pursuant to this Section 4.19.

ARTICLE 5
MISCELLANEOUS

5.1 Termination. This Agreement may be terminated by any Purchaser, as to such Purchaser's obligations hereunder only and without any effect whatsoever on the obligations between the Company and the other Purchasers, by written notice to the other parties, if the Closing has not been consummated on or before the End Date (as defined in the Merger Agreement) (the "Termination Date"); provided, however, that the right to terminate this Agreement under this Section 5.1 shall not be available to a Purchaser whose failure to comply with its obligations under this Agreement has been the cause of or resulted in the failure of the Closing to occur on or before such time; provided, further, that such termination will not affect the right of any party to sue for any breach by any other party (or parties).

5.2 Fees and Expenses. The Company shall reimburse the Lead Investor for the legal fees and other expenses incurred in connection with (a) the negotiation and consummation of the transactions contemplated hereunder and (b) the review of the Company's Proxy Statement prepared pursuant to Section 4.9 and any other filings to be made in connection with the transactions contemplated by the Agreement, in an aggregate amount for both (a) and (b) not to exceed \$250,000 (the "Expense Cap"). Payment with respect to (a) above in this Section 5.2 shall be made on the earlier of five (5) days of demand therefor and the Closing, and payment with respect to (b) above in this Section 5.2 shall be made within five (5) days of the mailing of the Company's definitive Proxy Statement in connection with its obligations under Section 4.9. Except as expressly set forth in the Transaction Documents to the contrary, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all Transfer Agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company and any exercise notice delivered by a Purchaser), stamp taxes and other taxes and duties levied in connection with the delivery of any Securities to the Purchasers. Any expenses incurred in excess of the Expense Cap must be approved in writing by the Company, such approval not to be unreasonably withheld, conditioned or delayed.

5.3 Entire Agreement. The Transaction Documents, together with the exhibits and schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

5.4 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile or email attachment at the facsimile number or email address as set forth on the signature pages attached hereto at or prior to 5:30 p.m. (New York City time) on a Trading Day, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile or email address at the facsimile number or email address as set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (c) the second (2nd) Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (d) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be as set forth on the signature pages attached hereto. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

5.5 Amendments; Waivers. No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed, in the case of an amendment, by the Company and Purchasers holding at least 75% in interest of the Preferred Stock then outstanding or, in the case of a waiver, by the party against whom enforcement of any such waived provision is sought, provided that if any amendment, modification or waiver

disproportionately and adversely impacts a Purchaser (or group of Purchasers), the consent of such disproportionately impacted Purchaser (or group of Purchasers) shall also be required. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of

G-29

any such right. Any proposed amendment or waiver that disproportionately, materially and adversely affects the rights and obligations of any Purchaser relative to the comparable rights and obligations of the other Purchasers shall require the prior written consent of such adversely affected Purchaser. Any amendment effected in accordance with accordance with this Section 5.5 shall be binding upon each Purchaser and holder of Securities and the Company.

5.6 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.7 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of each Purchaser (other than by merger). Any Purchaser may assign any or all of its rights under this Agreement to any Person to whom such Purchaser assigns or transfers any Securities, provided that such transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions of the Transaction Documents that apply to the "Purchasers." In addition, the Lead Investor may assign any or all of its rights under this Agreement to any of its Affiliates and its and its Affiliates' respective members, stockholders, owners, equity holders and family members.

5.8 No Third-Party Beneficiaries. The Placement Agent shall be the third party beneficiary of the representations and warranties of the Company in Section 3.1 and the representations and warranties of each Purchaser other than the Lead Investor in Section 3.2. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth in Section 4.8 and this Section 5.8.

5.9 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of Delaware, without regard to the principles of conflicts of law thereof. Each party agrees that all legal Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, stockholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the State of Delaware. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the State of Delaware for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action or Proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such Action or Proceeding is improper or is an inconvenient venue for such Proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such Action or Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party hereto shall commence an Action or Proceeding to enforce any provisions of the Transaction Documents, then, in addition to the obligations of the Company under Section 4.8, the prevailing party in such Action or Proceeding shall be reimbursed by the non-prevailing party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such Action or Proceeding.

5.10 Survival. The representations and warranties contained herein shall survive the Closing and the delivery of the Securities.

5.11 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof. Each party agrees that this Agreement and the transactions contemplated hereby may be entered into electronically and that any electronic signature, whether digital or encrypted, used by any party is intended to

G-30

authenticate this Agreement and to have the same force and effect as a manual signature. For purposes of this Agreement, an electronic signature means any electronic symbol, designation or process attached to or logically associated with a record, contract, document or instrument and adopted by a party with the intent to sign such record, contract, document or instrument.

5.12 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.13 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights; provided, however, that in the case of a rescission of an exercise of a Warrant or a conversion of the Preferred Stock, the applicable Purchaser shall be required to return any shares of Common Stock subject to any such rescinded conversion or exercise notice concurrently with the return to such Purchaser of the aggregate exercise price paid to the Company for such shares and the restoration of such Purchaser's right to acquire such shares pursuant to such Purchaser's Warrant (including, issuance of a replacement warrant certificate evidencing such restored right).

5.14 Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement Securities.

5.15 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any Action for specific performance of any such obligation the defense that a remedy at law would be adequate.

5.16 Payment Set Aside. To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

5.17 Independent Nature of Purchasers' Obligations and Rights. The obligations of each Purchaser under any Transaction Document are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance or non-performance of the obligations of any other Purchaser under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way

G-31

acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any Proceeding for such purpose. Each Purchaser has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. The Company has elected to provide all Purchasers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Purchasers. It is expressly understood and agreed that each provision contained in this Agreement and in each other Transaction Document is between the Company and a Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among the Purchasers.

5.18 Liquidated Damages. The Company's obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated damages or other amounts are due and payable shall have been canceled.

5.19 Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.20 Construction. The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement.

5.21 WAIVER OF JURY TRIAL. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.

COMMON STOCK PURCHASE WARRANT

ALPHATEC HOLDINGS, inc.

Warrant Shares: Issue Date: March __, 2018

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, [NAME] or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date the Stockholder Approval is received and effective (the "Initial Exercise Date") and on or prior to the close of business on the five-year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Alphatec Holdings, Inc., a Delaware corporation (the "Company"), up to [NUMBER] shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b).

Section 1. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Securities Purchase Agreement (the "Purchase Agreement"), dated March __, 2018, among the Company and the purchasers signatory thereto.

Section 2. Exercise.

(a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency that the Company may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company), as applicable, of a duly executed facsimile copy or PDF copy submitted by electronic (or e-mail attachment) of the Notice of Exercise in the form annexed hereto as Exhibit A. Within the earlier of (i) three (3) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined in Section 2(d)(i) herein) following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the shares specified in the applicable Notice of Exercise by wire transfer or cashier's check drawn on a United States bank unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to

physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason

of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.

(b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be \$3.50, subject to adjustment hereunder (the "Exercise Price").

(c) Cashless Exercise. This Warrant may also be exercised, in whole or in part, by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing $[(A-B) (X)]$ by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in Rule 600(b)(64) of Regulation NMS promulgated under the federal securities laws) on such Trading Day, (ii) at the option of the Holder, (y) the VWAP on the Trading Day immediately preceding the date the applicable Notice of Exercise is delivered or (z) the Bid Price of the Common Stock on the principal Trading Market as reported by Bloomberg L.P. as of the time of the Holder's execution of the applicable Notice of Exercise if such Notice of Exercise is executed during "regular trading hours" on a Trading Day and is delivered within two (2) hours thereafter pursuant to Section 2(a) hereof or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of "regular trading hours" on such Trading Day;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the characteristics of the Warrants being exercised, and the holding period of the Warrant Shares being issued may be tacked on to the holding period of this Warrant. The Company agrees not to take any position contrary to this Section 2(c).

"Bid Price" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the bid price of the Common Stock for the time in question (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if OTCQB or OTCQX is not a Trading Market, the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the "Pink Sheets" published by OTC Markets Group, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

"VWAP" means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for

such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from

H-2

9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if OTCQB or OTCQX is not a Trading Market, the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets Group, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

Notwithstanding anything herein to the contrary, on the Termination Date, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

(d) Mechanics of Exercise.

(i) Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is the earlier of (i) three (3) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). Upon delivery of the Notice of Exercise, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares, provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within the earlier of (i) three (3) Trading Days and (ii) the number of Trading Days comprising the Standard Settlement Period following delivery of the Notice of Exercise. If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$5 per Trading Day (increasing to \$10 per Trading Day on the fifth (5th) Trading Day after such liquidated damages begin to accrue) for each Trading Day after such Warrant Share Delivery Date (subject to receipt of the aggregate Exercise Price for the applicable exercise (other than in the case of a cashless exercise)) until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Company’s primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Exercise.

(ii) Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

(iii) Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date (subject to receipt of the aggregate Exercise Price for

the applicable exercise (other than in the case of a cashless exercise)), then the Holder will have the right to rescind such exercise.

(iv) Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before

H-3

the Warrant Share Delivery Date (subject to receipt of the aggregate Exercise Price for the applicable exercise (other than in the case of a cashless exercise)), and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

(v) No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

(vi) Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form, in the form attached hereto as Exhibit B, duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

(vii) Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

(e) Holder's Exercise Limitations. Unless a Holder has made an election on its signature page to the Purchase Agreement, to have this Section 2(e) not apply to him/her/it, the Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being

made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in

H-4

accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.]

Section 3. Certain Adjustments.

(a) **Stock Dividends and Splits.** If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately

after the effective date in the case of a subdivision, combination or re-classification.

(b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation,

H-5

the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

(c) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution (other than cash dividends) of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) other than a dividend or other distribution described in Section 3(a) above (a "Distribution"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation). To the extent that this Warrant has not been partially or completely exercised at the time of such Distribution, such portion of the Distribution shall be held in abeyance for the benefit of the Holder until the Holder has exercised this Warrant.

(d) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (other than as a result of a stock split, combination or reclassification of shares of Common Stock covered by Section 3(a) above), or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares

of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate

H-6

Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

(e) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

(f) Notice to Holder.

(i) Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by facsimile or email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

(ii) Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by facsimile or email to the Holder at its last facsimile number or email address as it shall appear upon the Warrant Register of the Company, at least 10 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be

entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided in this Warrant

H-7

constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

(a) **Transferability.** Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof and to the provisions of Section 4.1 of the Purchase Agreement, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

(b) **New Warrants.** This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Issue Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

(c) **Warrant Register.** The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

(d) **Transfer Restrictions.** If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Warrant, as the case may be, comply with the provisions of Section 5.7 of the Purchase Agreement.

(e) **Representation by the Holder.** The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

(a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3.

H-8

(b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

(c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

(d) Authorized Shares.

(i) The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

(ii) Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

(iii) Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

(e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be determined in accordance with the provisions of the Purchase Agreement.

(f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and

federal securities laws.

(g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant or the Purchase Agreement, if the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but

H-9

not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

(h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Purchase Agreement.

(i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

(j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

(k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

(l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder. This Warrant also may be modified or amended or the provisions hereof waived with the written consent of the Company and the holders of Warrants purchased under the Purchase Agreement representing 75% of the Warrant Shares issuable under such Warrants then outstanding as of the date such consent is sought; provided, however, that (i) no such amendment shall adversely affect any Holder differently than it affects all other Holders, unless such Holder consents thereto and (ii) no amendment may increase the Exercise Price, decrease the number of shares or class of shares obtainable upon exercise of this Warrant or decrease the time period in which this Warrant can be exercised without the written consent of the Holder.

(m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

(n) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

CONVERTIBLE PROMISSORY NOTE

No. CN-[NUMBER] Date of Issuance
\$[_____] [Date], 2018

FOR VALUE RECEIVED, Alphatec Holdings, Inc., a Delaware corporation (the "Company"), hereby promises to pay to the order of [HOLDER NAME] ("Holder"), the principal sum of \$[_____] (the "Principal Amount"), together with interest thereon from the date of issuance of this convertible promissory note (this "Note"). Subject to Section 3.2, interest will accrue at a simple rate of six percent (6%) per annum, computed on the basis of the actual number of days elapsed. Unless converted into Conversion Shares (as defined below), the principal and accrued interest of this Note will be due and payable by the Company on the earlier of (i) the date that is three hundred sixty-six (366) days from the date of this Note or (ii) the date immediately preceding the consummation of a Fundamental Transaction (the "Maturity Date").

This Note is one of a series of convertible promissory notes issued by the Company to investors with identical terms and on the same form as set forth herein (except that the holder, principal amount and date of issuance may differ in each Note) pursuant to the terms of an Agreement and Plan of Merger, dated March 6, 2018, by and among the Company, Safari Merger Sub, Inc., a Delaware corporation, SafeOp Surgical, Inc., a Delaware corporation ("SafeOp"), and the other parties identified therein (as amended, the "Merger Agreement"). Capitalized terms not otherwise defined in this Note will have the meanings set forth in the Merger Agreement or in Section 4.1.

1. Payment. All payments will be made in lawful money of the United States of America at the principal office of the Company, or at such other place as the Holder may from time to time designate in writing to the Company. Payment will be credited first to cost of collection (if any), then to accrued interest due and payable, with any remainder applied to principal. This Note may not be prepaid in whole or in part at any time prior to the Maturity Date without the prior written consent of the Holder.

2. Security; Adjustment; Stockholder Representative. This Note is a general unsecured obligation of the Company. Each of the Company and the Holder hereby agree and acknowledge that the Principal Amount is subject to adjustment pursuant to Section 1.10(b)(iv) and Sections 9.7(c) through (f) of the Merger Agreement. The Holder hereby acknowledges and agrees that such Holder's rights under this Note are subject to the rights, power and authority granted by such Holder to the Stockholder Representative under Section 10.1 of the Merger Agreement. This Note and the rights and obligations evidenced hereby are subordinate in the manner and to the extent set forth in (a) that certain Subordination Agreement, dated as of March __, 2018 by and among the Holder, each other person listed on the signature pages thereto as a "Subordinated Lender", the Company, Alphatec Spine, Inc., a California corporation

(“Spine”), SafeOp, and Midcap Funding IV Trust, as Agent for the financial institutions or other entities from time to time parties to the Senior Loan Agreement (as defined therein), and as a Lender, or such then present holder or holders of the Senior Loan (as defined therein) as may from time to time exist (as amended from time to time, the “MidCap Subordination Agreement”) and (b) that certain Subordination Agreement, dated as of March __, 2018, by and among the Holder, the Company, Spine, SafeOp and Globus Medical, Inc. (as amended from time to time, the “Globus Subordination Agreement”) and, together with the MidCap Subordination Agreement, the “Subordination Agreement”), and by its acceptance of this Note, the Holder of this Note, whether upon original issuance, or upon transfer or assignment, agrees to the terms of the Subordination Agreement.

3. Events of Default; Remedies.

3.1 Events of Default. The occurrence of any one or more of the following shall constitute an “Event of Default” under this Note:

(a) Any misrepresentation or breach of any warranty of the Company set forth herein;

(b) failure to pay any amounts owed or issue any Conversion Shares hereunder on the date on which such amounts are due or on which such Conversion Shares are required to be issued hereunder, as applicable;

(c) Any breach of any covenant of the Company set forth in the Merger Agreement, which breach (if able to be cured), is not cured within five (5) business days after receipt by the Company of written notice from the Stockholder Representative notifying the Company of such breach;

(d) the Company defaults in the payment of any other obligation for borrowed money having a principal amount in excess of \$500,000, which default is not cured within any grace or cure period applicable thereto;

(e) if the Company shall (i) file an application, petition or order in bankruptcy, liquidation, dissolution, winding-up or similar proceeding, (ii) seek the appointment of a receiver, administrator or trustee with respect to any of the Company’s properties, or (iii) otherwise seek or submit to any other debtor’s relief law or procedure; or

(f) if the Company shall (i) be the subject of any involuntary application, petition or order in bankruptcy, liquidation, dissolution, winding-up or similar proceeding, (ii) suffer the involuntary appointment of a receiver, administrator or trustee with respect to any of the Company’s properties, or (iii) involuntarily be made subject to any other debtor’s relief law or procedure and any such application, petition, order or appointment shall not be dismissed within 45 days after the commencement date thereof.

3.2 Remedies. Upon the occurrence of an Event of Default, the entire Principal Amount of this Note, together with all accrued interest payable thereon, shall, at the option of the Holder (or the Stockholder Representative pursuant to the authority granted to the Stockholder Representative in the Merger Agreement), become immediately due and payable in cash, through the issuance of Conversion Shares pursuant to the mechanics set forth in Section 4, or both (in each instance, at the sole option of the Holder or the Stockholder Representative, as applicable), and the Holder, without presentment, demand, protest or further notice of any kind shall be entitled to exercise any or all of the rights and remedies as may be available under this Note or the Merger Agreement, at law or in equity, all of which shall be cumulative. Any payment not paid when due shall bear interest from the due date at an annual rate equal to fifteen percent (15%); provided, however, if such amount exceeds the maximum amount allowable under applicable law, the interest shall be reduced to such maximum amount. If an Event of Default occurs and the Holder or Stockholder Representative, as applicable, so elect, the Company will pay to the Holder such amounts as shall be sufficient to cover the costs and expenses of collection, including reasonable attorney’s fees, expenses and disbursements. The Company hereby expressly waives presentment demand, notice of nonpayment, protest, notice of protest, and notice of dishonor and any other notices in connection with any default of or in the enforcement of payment of all amounts due under this Note.

4. Conversion; Covenants; Failure to Obtain Required Parent Stockholder Consent. This Note will be convertible, in whole or in part, into Parent Common Stock pursuant to the following terms.

4.1 Definitions.

(a) “Applicable Price” means the VWAP on the Trading Day immediately preceding the Maturity Date.

(b) "Business Day" means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of New York are authorized or required by law or other governmental action to close.

I-2

(c) “Conversion Shares” means shares the Company’s common stock, par value \$0.0001, as subject to adjustment under this Note.

(d) “Conversion Price” means \$3.22 per share, as subject to adjustment under this Note.

(e) “VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Parent Common Stock is then listed or quoted on the Principal Trading Market, the daily volume weighted average price of the Parent Common Stock for such date (or the nearest preceding date) on the Principal Trading Market on which the Parent Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if OTCQB or OTCQX is not a Principal Trading Market, the volume weighted average price of the Parent Common Stock for such date (or the nearest preceding date) on OTCQB or OTCQX as applicable, (c) if the Parent Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Parent Common Stock are then reported in the “Pink Sheets” published by OTC Markets Group, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Parent Common Stock so reported, or (d) in all other cases, the fair market value of a share of Parent Common Stock as determined by the Stockholder Representative.

(f) “Trading Day” means a day on which the Principal Trading Market is open for trading.

4.2 Maturity Conversion. On the Maturity Date and provided that the Required Parent Stockholder Consent has been obtained before the Maturity Date, at the election of the Holder, this Note will convert into that number of Conversion Shares equal to the quotient (rounded down to the nearest whole share) obtained by dividing (a) the applicable portion of the outstanding principal balance and unpaid accrued interest, plus the cost of collection (if any) of this Note on the Maturity Date by (b) the Conversion Price (the “Conversion Ratio”). Notwithstanding anything in this Note to the contrary, if (i) the Required Parent Stockholder Consent has been obtained before the Maturity Date and (ii) the Applicable Price is greater than the Conversion Price, then this note shall be automatically converted in accordance with the Conversion Ratio.

4.3 Mechanics of Conversion.

(a) The Holder may exercise its conversion rights under Section 4.2, by delivering to the Company (or such other office or agency that the Company may designate by notice in writing to the registered the Holder at the address of the Holder appearing on the books of the Company), as applicable, of a duly executed facsimile copy or PDF copy submitted by electronic (or e-mail attachment) of the Notice of Conversion in substantially the form attached hereto as Appendix 1 on or before the Maturity Date, and the Conversion Shares issuable upon any such conversion shall be deemed to be issued on the Maturity Date. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. Partial conversion of this Note resulting in the conversion of a portion of the total number of Conversion Shares available hereunder shall have the effect of lowering the outstanding number of Conversion Shares convertible hereunder in an amount equal to the applicable number of Conversion Shares converting. The Company shall deliver any objection to any Notice of Conversion within one (1) Business Day of receipt of such notice.

(b) Conversion Shares issued hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (i) there is an effective registration statement permitting the issuance of the Conversion Shares to or resale of the Conversion Shares by the Holder or (ii) the Conversion Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Conversion Shares to which the Holder is entitled

pursuant to such conversion to the address specified by the Holder in the Notice of Conversion by the date that is the earlier of (x) two (2) Trading Days and (y) the number of Trading Days comprising the Standard Settlement Period after the delivery to the Company of the Notice of Conversion (such date, the "Conversion Share Delivery Date"). On the effective date of the conversion, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Conversion Shares with respect to which this

I-3

Note has been converted, irrespective of the date of delivery of the Conversion Shares. If the Company fails for any reason to deliver to the Holder the Conversion Shares subject to a Notice of Conversion by the Conversion Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Conversion Shares subject to such conversion (based on the VWAP of the Parent Common Stock on the date of the applicable Notice of Conversion), \$5 per Trading Day (increasing to \$10 per Trading Day on the fifth (5th) Trading Day after such liquidated damages begin to accrue) for each Trading Day after such Conversion Share Delivery Date until such Conversion Shares are delivered or Holder rescinds such conversion. The Company agrees to maintain a Transfer Agent that is a participant in the FAST program so long as this Note remains outstanding and convertible. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Primary Trading Market with respect to the Parent Common Stock as in effect on the date of delivery of the Notice of Conversion.

(c) If this Note shall have been converted in part, the Company shall pay to the Holder on the Maturity Date in cash by wire transfer of immediately available funds the applicable portion of principal, interest and collection costs that is otherwise payable under this Note.

(d) If the Company fails to cause the Transfer Agent to transmit to the Holder the Conversion Shares pursuant to Section 4.3(b) by the Conversion Share Delivery Date, then the Holder will have the right to rescind such conversion.

(e) In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Conversion Shares in accordance with the provisions of Section 4.3(b) above pursuant to a conversion on or before the Conversion Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Parent Common Stock to deliver in satisfaction of a sale by the Holder of the Conversion Shares which the Holder anticipated receiving upon such conversion (a "Buy-In"), then the Company shall (i) pay in cash to the Holder the amount, if any, by which (A) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Parent Common Stock so purchased exceeds (B) the amount obtained by multiplying (1) the number of Conversion Shares that the Company was required to deliver to the Holder in connection with the conversion at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (ii) deliver to the Holder the number of shares of Parent Common Stock that would have been issued had the Company timely complied with its conversion and delivery obligations hereunder. For example, if the Holder purchases Parent Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Parent Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (i) of the immediately preceding sentence, then the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Parent Common Stock upon conversion of the Note as required pursuant to the terms hereof.

(f) No fractional shares or scrip representing fractional shares shall be issued upon the conversion of this Note. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction or round up to the next whole share.

(g) Issuance of Conversion Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Conversion Shares, all of which taxes and expenses shall be paid by the Company, and such Conversion Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder. The Company shall pay any Transfer Agent fees required for same-day processing of any Notice of Conversion and all fees to the Depository Trust Company (or another established clearing corporation

performing similar functions) required for same-day electronic delivery of the Conversion Shares.

I-4

(h) The Company will not close its stockholder books or records in any manner which prevents the timely conversion of this Note, pursuant to the terms hereof.

4.4 Covenants as to Conversion Shares. The Company covenants and agrees that all Conversion Shares that may be issued upon the exercise of the rights represented by this Note will, upon issuance, be validly issued and outstanding, fully paid and nonassessable, and free from all taxes, liens and charges with respect to the issuance thereof. The Company further covenants and agrees that the Company will at all times prior to the conversion of this Note, have authorized and reserved, free from preemptive rights, a sufficient number of Conversion Shares to provide for the exercise of the rights represented by this Note. If at any time prior to the conversion of this Note, the number of authorized but unissued Conversion Shares shall not be sufficient to permit conversion of this Note, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued Conversion Shares to such number of Conversion Shares as shall be sufficient for such purposes. The Company further covenants that its issuance of this Note shall constitute full authority to its officers who are charged with the duty of issuing the necessary Conversion Shares upon the exercise of the conversion rights under this Note. The Company will take all such action as may be necessary to assure that such Conversion Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Principal Trading Market upon which the Parent Common Stock may be listed. In the time and manner required by the Principal Trading Market, the Company shall prepare and file with such Principal Trading Market an additional shares listing application covering all of the Conversion Shares, and shall use its commercially reasonable efforts to take all steps necessary to cause all of the Conversion Shares, to be approved for listing on the Principal Trading Market as promptly as possible thereafter.

The Holder acknowledges that the Company has not given any assurances with respect to the tax consequences of the acquisition, ownership and disposition of the Securities.

(e) The Holder acknowledges that it has had the opportunity to seek legal advice from, and has received legal advice from, legal counsel on this Note, the transactions contemplated hereby and all documents, materials and information that the Holder has requested or read relating to an investment in the Securities and confirms that the Holder is satisfied with respect to any of the foregoing matters.

(f) The Holder understands that no federal, state or foreign agency has passed upon this investment or upon the Company, or upon the accuracy, validity or completeness of any documentation provided to the Holder in connection with the transactions contemplated by this Note, nor has any such agency made any finding or determination as to this investment.

5.2 In connection with the transactions contemplated by this Note, the Company hereby represents and warrants to the Holder as follows:

This Note has been duly executed and delivered by the Company and constitutes the legal, valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, subject to the Bankruptcy and Equity Exceptions.

(c) Issuance of Shares. The Conversion Shares, if and when issued by the Company pursuant to the terms hereof, assuming the accuracy of the representations and warranties made by the Holder herein, will be duly issued, fully paid and non-assessable.

6.11 Certain Adjustments; No Impairment.

(a) If the Company, at any time while this Note is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of Parent Common Stock or any other equity or equity equivalent securities payable in shares of Parent Common Stock (which, for avoidance of doubt, shall not include any Conversion Shares issuable by the Company upon conversion of this Note), (ii) subdivides outstanding shares of Parent Common stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Parent Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of the Parent Common Stock any shares of capital stock of the Company, then in each case the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Parent Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Parent Common Stock outstanding immediately after such event, and the number of shares issuable upon conversion of this Note shall be proportionately adjusted such that the aggregate Conversion Price of this Note shall remain unchanged. Any adjustment made pursuant to this Section 6.11(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

(b) In addition to any adjustments pursuant to Section 6.11(a) above, if at any time while this Note is outstanding the Company grants, issues or sells any Parent Common Stock equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Parent Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Parent Common Stock acquirable upon complete conversion of this Note (without regard to any limitations on conversion hereof, including the failure to obtain the Required Parent Stockholder Consent) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Parent Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

(c) During such time as this Note is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Parent Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) other than a dividend or other distribution described in to Section 6.11(a) above (a "Distribution"), at any time after the issuance of this Note, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Parent Common Stock acquirable upon complete conversion of this Note (without regard to any limitations on conversion hereof, including the failure to obtain the Required Parent Stockholder Consent) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Parent Common Stock are to be determined for the participation in such Distribution. To the extent that this Note has not been partially or completely converted at the time of such Distribution, such portion of the Distribution shall be held in abeyance for the benefit of the Holder until this Note is converted.

(d) If, at any time while this Note is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another person or entity, (ii) the Company, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another person or entity) is completed pursuant to which holders of Parent Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the Parent Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or

recapitalization of the Parent Common Stock or any compulsory share exchange pursuant to which the Parent Common Stock is effectively converted into or exchanged for other securities, cash or property (other than as a result of a stock split, combination or reclassification of shares of common stock covered by subsection (a) above), or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share

purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with any persons or entities whereby such other persons or entities acquire more than 50% of the outstanding shares of the Parent Common Stock (not including any Conversion Shares held by the other persons or entities making or party to, or associated or affiliated with the other persons or entities making or party to, such stock or share purchase agreement or other business combination) (each a “Fundamental Transaction”), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon complete conversion of this Note (without regard to any limitations on conversion hereof, including failure to obtain the Required Parent Stockholder Consent) immediately prior to the occurrence of such Fundamental Transaction, the amount, number and kind of securities, cash, property and consideration receivable as a result of such Fundamental Transaction by a holder of the number of Conversion Shares for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation on the conversion of this Note, including the failure to obtain the Required Parent Stockholder Consent). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such securities, cash, property and consideration in respect of one Conversion Share in such Fundamental Transaction, and the Company shall apportion the Conversion Price among the securities, cash, property and consideration in a reasonable manner reflecting the relative value of any different components of the foregoing. If holders of the Parent Common Stock are given any choice as to the securities, cash, property or consideration to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the securities, cash, property or consideration it receives.

(e) Whenever the Conversion Price is adjusted pursuant to any provision of this Note, the Company shall promptly deliver to the Holder by facsimile or email a notice setting forth the Conversion Price after such adjustment and any resulting adjustment to the number of Conversion Shares and setting forth a brief statement of the facts requiring such adjustment.

(f) Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any otherwise, avoid or seek to avoid the observance or performance of any of the terms of this Note, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Note against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Conversion Shares above the amount issuable in respect of the applicable Conversion Price therefor upon such conversion immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Conversion Shares upon the conversion of this Note and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Note.

(g) Notice to Allow Exercise by the Holder. If (i) the Company shall declare a dividend (or any other distribution in whatever form) on the Parent Common Stock, (ii) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Parent Common Stock, (iii) the Company shall authorize the granting to all holders of the Parent Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (iv) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Parent Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, (v) the Company shall enter into any agreement contemplating a Fundamental Transaction, or (vi) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by facsimile or email to the Holder at its last facsimile number or email address as it shall appear upon the books and records of the

Company, at least ten (10) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Parent Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer, share exchange or Fundamental Transaction is expected to become effective or close, the date as of which it is expected that holders of the Parent Common Stock of record shall be entitled to exchange their shares of the Parent

Common Stock for securities, cash, property or other consideration deliverable upon such reclassification, consolidation, merger, sale, transfer, share exchange or Fundamental Transaction and the amounts of such securities, cash, property or other consideration receivable on a per-Conversion Share basis. To the extent that any notice provided in this Note constitutes, or contains, material, non-public information regarding the Company or any of its Subsidiaries, the Company shall simultaneously file such notice with the SEC pursuant to a current report on Form 8-K. The Holder shall remain entitled to convert this Note during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

6.12 Further Assurances. From time to time, the parties will execute and deliver such additional documents and will provide such additional information as may reasonably be required to carry out the terms of this Note and any agreements executed in connection herewith.

6.13 Limitation on Interest. In no event will any interest charged, collected or reserved under this Note exceed the maximum rate then permitted by applicable law.

6.14 Officers and Directors not Liable. In no event will any officer or director of the Company be liable for any amounts due and payable pursuant to this Note.

6.15 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS NOTE, THE SECURITIES OR THE SUBJECT MATTER HEREOF OR THEREOF. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THIS SECTION HAS BEEN FULLY DISCUSSED BY EACH OF THE PARTIES HERETO AND THESE PROVISIONS WILL NOT BE SUBJECT TO ANY EXCEPTIONS. EACH PARTY HERETO HEREBY FURTHER REPRESENTS AND WARRANTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

6.16 Replacement. If this Note becomes mutilated or defaced, or is destroyed, lost, or stolen, the Company shall execute and deliver a new note of like principal amount in exchange and substitution for the mutilated or defaced note, or in lieu of and in substitution for the destroyed, lost, or stolen note. If this Note is mutilated or defaced, the Holder shall surrender such note to the Company. If any note becomes destroyed, lost, or stolen, the Holder shall furnish satisfactory evidence of the destruction, loss, or theft of such note to the Company.
