ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On September 24, 2004, the Board of Directors of Boston Scientific Corporation (the "Company") approved an amendment to the Company's 401(k) Retirement Savings Plan (the "Plan") that provides for, among other things, a one-time special contribution by the Company to the Plan. This special retirement supplement will be apportioned to eligible employees based on pay and years of service. The Company anticipates that this retirement supplement will result in a charge to earnings for the third quarter of approximately \$110 million. The amendment also provides for an increase from four percent to six percent of eligible pay in the amount the Company matches employee pre-tax contributions. A copy of the form of amendment is furnished with this report as Exhibit 10.1.

The Company issued a press release announcing the enhancements to its 401(k) Retirement Savings Plan on September 28, 2004. A copy of the release is furnished with this report as Exhibit 99.1.
