Item 1. Description of Securities to be Registered.

On August 22, 2014, the Board of Directors of Life Time Fitness, Inc. (the Company) declared a dividend of one preferred share purchase right (a Right) for each outstanding Common Share, par value \$.02 per share (the Common Shares), of the Company. The dividend is payable on September 4, 2014 (the Record Date) to shareholders of record on that date.

Each Right entitles the registered holder to purchase from the Company one one-thousandth of a Series A Junior Participating Preferred Share, par value \$.02 per share (the Preferred Shares), of the Company at a price of \$160 per one one-thousandth of a Preferred Share (the Purchase Price), subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement (the Rights Agreement), dated as of August 22, 2014, between the Company and Wells Fargo Bank, N.A., as Rights Agent.

The Board of Directors authorized the adoption of the Rights Agreement in connection with its exploration of a plan to separate the Company's business into two separate, publicly traded companies:

An entity that would continue to operate the Company's fitness centers and related services and activities; and

A real estate investment trust (REIT), which would own, acquire and lease real estate.

The Company is exploring a plan to effect the separation by distributing all of the outstanding shares of common stock of one of the above entities to the Company's shareholders on a *pro rata* basis (the Spin-Off). At the time of the Spin-Off, the REIT would hold substantially all of the real property owned by the Company. We anticipate that the REIT would elect to be taxed and would intend to qualify as a REIT for U.S. federal income tax purposes.

The REIT would have to satisfy certain requirements relating to diversity of ownership, including a requirement that not more than 50% of its stock may be owned by five or fewer persons. In order to help the REIT satisfy the tax requirements, its charter would include excess share provisions typical for REITs that will prohibit ownership of more than 9.8% of its outstanding shares. The Rights Agreement has been adopted to discourage anyone from exceeding this ownership level at the Company prior to the Spin-Off, and thereby facilitate the REIT's qualification after the Spin-Off. The Rights Agreement also will protect against any coercive or abusive takeover tactics, and help ensure that the Company's shareholders are not deprived of the opportunity to realize the full and fair value of their investment.

In general terms, and subject to certain exceptions, the Rights Agreement restricts any person or group from acquiring beneficial ownership of 9.8% or more of the outstanding Common Shares, or, in the case of any person or group that owns 9.8% or more of the outstanding Common Shares on August 25, 2014 (the date of announcement of the Rights Agreement), any additional shares of Common Stock.

The following is a summary of the material terms of the Rights Agreement. The full text of the Rights Agreement is filed as Exhibit 4.1 hereto and is incorporated herein by reference.

Initially, the Rights will attach to all certificates representing Common Shares then outstanding and no separate Right Certificates will be distributed. The Rights will separate from the Common Shares and a Distribution Date for the Rights will occur upon the close of business on the fifteenth day following a public announcement that a person or group of affiliated or associated persons has become an Acquiring Person (i.e., has become, subject to certain exceptions, the beneficial owner of 9.8% or more of the outstanding Common Shares).

Until the Distribution Date,

(i) the Rights will be evidenced by the Common Share certificates and will be transferred with and only with the Common Shares,

(ii) new Common Share certificates issued after the Record Date upon transfer or new issuance of the Common Shares will contain a notation incorporating the Rights Agreement by reference, and

(iii) the surrender for transfer of any Common Share certificate, even without such notation or a copy of the Summary of Rights attached thereto, will also constitute the transfer of the Rights associated with the Common Shares represented by such certificate.

As promptly as practicable following the Distribution Date, separate certificates evidencing the Rights (Right Certificates) will be mailed to holders of record of the Common Shares as of the close of business on the Distribution Date and such separate Right Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on the earlier of (i) August 21, 2015 or (ii) the first business day following the completion of the Spin-Off, unless extended or earlier redeemed or exchanged by the Company as described below.

The Purchase Price payable, and the number of Preferred Shares or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution:

(i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Shares,

(ii) upon the grant to holders of the Preferred Shares of certain rights, options or warrants to subscribe for or purchase Preferred Shares or securities convertible into Preferred Shares at less than the then current market price of the Preferred Shares, or

(iii) upon the distribution to holders of the Preferred Shares of evidences of indebtedness or assets (excluding regular periodic cash dividends or dividends payable in Preferred Shares) or of subscription rights or warrants (other than those described in clause (ii) hereof).

The number of Preferred Shares issuable upon the exercise of a Right is also subject to adjustment in the event of a dividend on Common Shares payable in Common Shares, or a subdivision, combination or consolidation of the Common Shares.

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in the Purchase Price. No fractional Preferred Shares will be issued (other than fractional shares which are integral multiples of one one-thousandth (subject to adjustment) of a Preferred Share, which may, at the election of the Company, be evidenced by depositary receipts) if in lieu thereof a payment in cash is made based on the closing price (pro-rated for the fraction) of the Preferred Shares on the last trading date prior to the date of exercise.

In the event that any person or group of affiliated or associated persons becomes an Acquiring Person, proper provision shall be made so that each holder of a Right, other than Rights that are or were beneficially owned by the Acquiring Person (which will thereafter be void), will thereafter have the right to receive upon exercise thereof at the then current exercise price of the Right that number of Common Shares having a market value of two times the exercise price of the Right, subject to certain possible adjustments.

In the event that, after the Distribution Date or within 15 days prior thereto, the Company is acquired in certain mergers or other business combination transactions or 50% or more of the assets or earning power of the Company and its subsidiaries (taken as a whole), each holder of a Right (other than Rights which have become void under the terms of the Rights Agreement) will thereafter have the right to receive, upon exercise thereof at the then current exercise price of the Right, that number of common shares of the acquiring company (or, in certain cases, one of its affiliates) having a market value of two times the exercise price of the Right.

In certain events specified in the Rights Agreement, the Company is permitted to temporarily suspend the exercisability of the Rights.

At any time after a person or group of affiliated or associated persons becomes an Acquiring Person (subject to certain exceptions) and prior to the acquisition by a person or group of affiliated or associated persons of 50% or more of the outstanding Common Shares, the Board of Directors of the Company may exchange all or part of the Rights (other than Rights which have become void under the terms of the Rights Agreement) for Common Shares or equivalent securities at an exchange ratio per Right equal to the result obtained by dividing the exercise price of a Right by the current per share market price of the Common Shares, subject to adjustment.

At any time prior to such time as a person or group of affiliated or associated persons becomes an Acquiring Person, the Board of Directors of the Company may redeem the Rights in whole, but not in part, at a price of \$.0001 per Right, subject to adjustment, payable in cash. The period of time during which the Rights may be redeemed may be extended by the Board of Directors of the Company if no person has become an Acquiring Person. The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. The Board of Directors and the Company shall not have any liability to any person as a result of the redemption or exchange of the Rights pursuant to the provisions of the Rights Agreement.

The terms of the Rights may be amended by the Board of Directors of the Company, subject to certain limitations after such time as a person or group of affiliated or associated persons becomes an Acquiring Person, without the consent of the holders of the Rights.

Until a Right is exercised, the holder thereof, as such, will have no rights as a shareholder of the Company, including, without limitation, the right to vote or to receive dividends.

This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement.
