INDEPENDENT AUDITORS' REPORT

The Plan Administrators  
Waddell & Reed Financial, Inc.  
401(k) and Thrift Plan:

We have audited the accompanying statements of net assets available for benefits of Waddell & Reed Financial, Inc. 401(k) and Thrift Plan as of December 31, 2001

Edgar Filing: WADDELL & REED FINANCIAL INC - Form 11-K

and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Waddell & Reed Financial, Inc. 401(k) and Thrift Plan as of December 31, 2001 and 2000, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedule 1 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplementary schedule is the responsibility of the Plan's management. The supplementary schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

for benefits and changes in those net assets of the Waddell & Reed Financial, Inc. 401(k) and Thrift Plan (the "Plan").

The Plan allows contributions to be invested in mutual fund shares and Waddell & Reed Financial, Inc. common stock. The Waddell & Reed Advisors Group of Mutual Funds and the W&R Funds are managed by Waddell & Reed Investment Management Company, which is a participating employer in the Plan. Fiduciary Trust Company of New Hampshire serves as Trustee for the Plan.

The Plan had 1,292 and 1,168 participants at December 31, 2001 and 2000, respectively. At December 31, 2001, 187 of the 1,292 participants in the Plan are former employees who have elected not to withdraw from the Plan.

(b) VALUATION OF SECURITIES

Investments in mutual fund shares are stated at net asset value based upon market quotations as of December 31, 2001 and 2000. Torchmark Corporation common stock and Waddell & Reed Financial, Inc. common stock are stated at market value based upon market quotations as of December 31, 2001 and 2000. Securities transactions are recorded on the trade date (the date the order to buy or sell is executed).

(c) DIVIDEND INCOME

Dividend income is recorded on the ex-dividend date.

(d) ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the participating employers, which are listed in note 4.

(e) FORFEITURES

Forfeitures are held by the Plan and are then used to reduce the employer's current year expense. Forfeitures used to reduce employer expenses were \$5,837 and \$5,596 for 2001 and 2000, respectively.

(f) FEDERAL INCOME TAXES

The Plan received a favorable determination letter from the Internal Revenue Service, dated April 24, 2001, indicating that it is qualified under Section 401(a) of the Internal Revenue Code and, therefore, the related trust is exempt from tax under Section 501(a) of the Internal Revenue Code.

The Plan Administrator is not aware of any activity or transactions that may adversely affect the qualified status of the Plan.

## Edgar Filing: WADDELL & REED FINANCIAL INC - Form 11-K

(g) USE OF ESTIMATES

The Plan Administrator has made a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

(2) DESCRIPTION OF PLAN

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

The Plan is a defined contribution plan covering substantially all employees of Waddell & Reed Financial, Inc. and subsidiaries. The Plan complies with the provisions of the Employee Retirement Income Security Act of 1974, as amended. Plan administration is accomplished through a committee of three persons who have authority to arbitrate disputes and settle claims arising under the Plan.

(a) CONTRIBUTIONS

Employees are allowed to make pre-tax and after-tax contributions to the Plan. Employees may contribute a maximum of 21% of eligible earnings to the Plan. Each eligible employee may make "Matched Contributions" ranging from 1% to 5% of eligible earnings to the 401(k) component of the Plan. The Plan provides for a matching employer contribution of 100% of the first 3% of the employee's contribution and a 50% match of the next 2% of the employee's contribution. Employees may make "Unmatched Contributions" to the Plan not to exceed 10% of eligible earnings. Each eligible employee is also allowed to make "Unmatched Contributions" ranging from 1% to 6% of eligible earnings to the thrift component (after-tax) of the Plan.

(b) BENEFITS

Employees are fully vested as to their own contributions. Prior to January 1, 1999, vesting in employer contributions was graduated to 100% after six years of employment. Effective January 1, 1999, all future employer matching contributions are fully vested at the time of the contribution. The vested portion of a participant's account balance is paid in a Joint and 50% Survivor Annuity upon retirement, death, or other termination of employment, unless a participant chooses a lump-sum distribution. The nonvested portion of employer contributions made prior to January 1, 1999 is retained by the Plan until the separated participant incurs a "break in service," at which time the remaining account balance is forfeited and applied to reduce the employer's expense.

In accordance with regulations of the Internal Revenue Service, in the event the Plan is terminated, all participants would immediately become fully vested in their employer contribution accounts and Plan assets would be distributed. Waddell & Reed Financial, Inc. does not intend to terminate the Plan.

The Plan Administrator was not notified of any participants electing to withdraw from the Plan as of December 31, 2001.
