PROXY STATEMENT

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Sypris Solutions, Inc. of proxies to be voted at our 2009 Annual Meeting of Stockholders and at any postponement or adjournment thereof. In this Proxy Statement, we refer to Sypris Solutions, Inc. as Sypris, Sypris Solutions, we, our or the Company.

You are cordially invited to attend the Annual Meeting on May 12, 2009, beginning at 10:00 a.m. EDT. The Annual Meeting will be held at 101 Bullitt Lane, Lower Level Seminar Room, Louisville, Kentucky 40222.

We are first mailing this Proxy Statement and accompanying forms of proxy and voting instructions on or about April 7, 2009, to holders of our Common Stock at the close of business on March 16, 2009, the Record Date for the Annual Meeting.

Proxies and Voting Procedures

Your vote is important. Because many stockholders cannot attend the Annual Meeting in person, a large number of stockholders can be represented only by proxy. Most stockholders have a choice of voting over the Internet, using a toll-free telephone number or completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you. Please be aware that if you vote over the Internet, you might incur costs such as telephone and Internet access charges for which you will be responsible. The Internet and telephone voting facilities for eligible stockholders of record will close at 6:00 a.m. EDT on May 12, 2009.

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including an Internet or telephone vote) or by voting by ballot at the Annual Meeting.

In order to vote over the Internet or via telephone, stockholders must have their voting form in hand and call the number or go to the website identified on the enclosed form and follow the instructions to vote on the Internet or via telephone.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record, to be able to vote in person at the Annual Meeting.

All shares entitled to vote and represented by properly completed proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with your instructions. **If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed proxy will be voted as the Board of Directors recommends.**

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. At the date this Proxy Statement went to press, we did not anticipate that any other matters would be raised at the Annual Meeting.

Table of Contents

Stockholders Entitled to Vote

Stockholders of Sypris Common Stock at the close of business on the Record Date are entitled to receive notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter properly brought before the meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

On the Record Date, March 16, 2009, there were 19,613,907 shares of Sypris Common Stock outstanding. A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for 10 days prior to the Annual Meeting at the Company's offices at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222, between the hours of 8:30 a.m. and 5:30 p.m. local time.

Quorum

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary to constitute a quorum at the meeting for the election of directors. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining whether a quorum exists. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Gill Family

As of the Record Date, the Gill family beneficially owned an aggregate of 8,414,163 shares or 42.8% of the Company's outstanding Common Stock. For further information on ownership of Common Stock by the Gill family, see *Stock Ownership of Certain Beneficial Owners*.

Multiple Stockholders Sharing the Same Address

In accordance with a notice sent to eligible stockholders who share a single address by one or more banks, brokers or nominees with accountholders who are Sypris stockholders, those stockholders will receive only one Annual Report and Proxy Statement at that address. This practice, known as householding, is designed to reduce printing and postage costs. However, if a stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement in the future, he or she may contact the bank, broker or nominee directly or contact Sypris at 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222 or at 502-329-2000. If you own your shares through a bank, broker or other nominee, and you are receiving multiple copies of our Annual Report and Proxy Statement, you can request householding by contacting the bank, broker or nominee.

Cost of Proxy Solicitation

Sypris will pay the cost of soliciting proxies. Sypris may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies may be solicited on behalf of the Company by directors, officers or employees of the Company, without additional compensation, in person or by telephone, facsimile or other electronic means.

Notice Regarding Availability of Proxy Materials

In accordance with the rules of the Securities and Exchange Commission, we are advising our stockholders of the availability on the Internet of our proxy materials related to the Annual Meeting described above. These rules allow companies to provide access to proxy materials in one of two ways. Because we have elected to utilize the full set delivery option, we are delivering to all stockholders paper copies of all the proxy materials, as well as providing access to those proxy materials on a publicly accessible Web site. GOVERNANCE OF THE COMPANY

Board of Directors

Our Board of Directors has adopted the Sypris Solutions, Inc. Guidelines on Corporate Governance (the Guidelines) to address significant corporate governance issues. The Guidelines provide a framework for the Company's corporate governance initiatives and cover topics including, but not limited to, Board of Director and Committee composition and operation, director compensation and stock ownership requirements, and director tenure. The Nominating and Governance Committee is responsible for overseeing and reviewing the Guidelines on a regular basis, and reporting any recommended changes to the Board of Directors. A current copy of the Guidelines is available on the Company's website at www.sypris.com.

During 2008, the Board of Directors held five regular meetings and six special meetings, and the Committees held fourteen meetings. All directors attended at least 75% of the Board meetings and meetings of Committees of which they are members. Although the Company does not have a formal policy regarding attendance by members of the Board of Directors at the Company's Annual Meeting of Stockholders, more than a majority of the directors have attended all Annual Meetings. Seven of eight directors attended the 2008 Annual Meeting.

Independence

The Board of Directors has determined that John F. Brinkley, William G. Ferko, William L. Healey, Sidney R. Petersen and Robert Sroka are independent directors, as such term is defined in NASD Rule 4200(a)(15).

In December 2008, the Board of Directors appointed William G. Ferko to serve a one-year term as Lead Independent Director. In this capacity, Mr. Ferko has frequent contact with our management, consulting with our executive officers and others on a broad range of matters. Mr. Ferko, as Lead Independent Director, presides over periodic independent sessions of the Board of Directors in which only independent directors participate. Stockholders and other parties interested in communicating directly with the Lead Independent Director or with the independent directors as a group may do so by writing Lead Independent Director, Sypris Solutions, Inc., 101 Bullitt Lane, Suite 450, Louisville, Kentucky 40222.

Table of Contents

The current members of the Nominating and Governance Committee are William G. Ferko (Chairman), John F. Brinkley and William L. Healey. During 2008, the Nominating and Governance Committee met two times.

Audit and Finance Committee

The Audit and Finance Committee currently consists of three directors, each of whom satisfies the independence requirements set forth in NASD Rule 4200(a)(15) and Rule 10A-3(b)(1) promulgated under the Securities Exchange Act of 1934, as amended. In addition, the Audit and Finance Committee, composed of the directors named in the preceding section, satisfies the requirements of NASD Rule 4350(d)(2). The Board of Directors has also determined that Sidney R. Petersen and William G. Ferko qualify as financial experts for purposes of Item 407(d) of Regulation S-K. The functions of the Audit and Finance Committee are described below under the heading *Audit and Finance Committee Report*. The Audit and Finance Committee operates pursuant to a formal written charter that sets out the functions that this Committee is to perform. The Audit and Finance Committee reviews and reassesses the adequacy of the Audit and Finance Committee Charter on an annual basis. The Audit and Finance Committee Charter is attached as Exhibit A and is also available on the Company's website at www.sypris.com.

Compensation Committee

The Compensation Committee currently consists of three directors, each of whom meets the NASD standard for independence set forth in NASD Rule 4200(a)(15). The functions of the Compensation Committee include administering management incentive compensation plans, establishing the compensation of officers and reviewing the compensation of directors. The Committee generally approves equity awards for the Company's other employees and non-equity compensation for the Company's other officers. However, the Committee has delegated to the Company's Chief Executive Officer the discretion to award to non-executive employees in any one calendar year up to 100,000 stock options in the aggregate, with a maximum award of 10,000 options to any individual, and in addition, beginning in 2008 and until further amended by the Compensation Committee, up to 35,000 shares of restricted stock in the aggregate, with a maximum award of 3,500 shares to any individual. The Company's Chief Executive Officer, with assistance from the Director of Human Resources and their support staff, provides recommendations to the Compensation Committee regarding compensation for those employees reporting directly to the Chief Executive Officer. However, the Committee retains full discretion to modify any compensation recommendations by management or any third parties.

In 2008, the Company engaged Mercer Human Resource Consulting, Inc., a leading, global human resources consulting firm, to assist the Committee in reviewing total compensation for the Company's named executive officers and other key employees. Mercer provided the Committee with relevant market data and alternatives to consider when making compensation decisions regarding the Chief Executive Officer and the Company's other executives. In 2008, the Compensation Committee has had direct access to Mercer and the opportunity to review various issues relating to executive compensation in executive session with Mercer, without management in attendance, on an as needed basis. For compensation decisions affecting 2009, the Company has also engaged the assistance of Pearl Meyer & Partners.

The Compensation Committee operates pursuant to a formal written charter that sets out the functions that this Committee is to perform. The Compensation Committee reviews and reassesses the adequacy of the Compensation Committee Charter on an annual basis. A current copy of the Compensation Committee Charter is available on the Company's website at www.sypris.com.

Executive Committee

The Executive Committee currently consists of four directors. The functions of the Executive Committee include exercising the duties of the full Board of Directors when and if necessary between regular meetings of the Board of Directors. The Executive Committee possesses all of the power of the full Board of Directors,

Table of Contents

except for certain powers under Delaware law which can only be exercised by the full Board. The Executive Committee operates pursuant to a formal written charter setting out the functions that this Committee is to perform. A current copy of the Executive Committee Charter is available on the Company's website at www.sypris.com.

Nominating and Governance Committee

The Nominating and Governance Committee currently consists of three directors, each of whom satisfies the independence requirements set forth in NASD Rule 4200(a)(15). The functions of the Nominating and Governance Committee include recommending nominees to the Board of Directors for election as directors of the Company, and evaluating the performance and effectiveness of the Board of Directors, including a periodic assessment of the effectiveness of each of the directors. The Nominating and Governance Committee also makes recommendations to the Board of Directors from time to time as to matters of corporate governance.

The Nominating and Governance Committee employs an independent director profile to assess candidates for inclusion in the Company's recommended slate of independent director nominees. The Nominating and Governance Committee takes a number of attributes into account during the nomination process, including an individual's demonstrated leadership, maturity and public company experience. The Nominating and Governance Committee also places a value on building a diversity of viewpoints on the Board. In addition, the Nominating and Governance Committee will consider an individual's integrity and commitment, as well as the candidate's experience in our core market industries, certain targeted knowledge areas, complex multi-industry and/or technological areas and manufacturing or service operations.

All nominees for election at this Annual Meeting of Stockholders were previously elected by stockholders. To date, the Nominating and Governance Committee has not engaged third parties to identify or evaluate potential director candidates. Currently, the Company's policy is not to seek or accept director nominations recommended by security holders (other than those directors who are also security holders, acting in their capacity as directors), and has not received any such nominations by any non-director security holders to date. In light of the Company's current size, market position and historically low rates of director turnover, the policy of the Committee has been to develop and maintain contacts with potential candidates for future membership on the Board, primarily through the business relationships of the Company's current and former officers and directors.

The Nominating and Governance Committee operates pursuant to a formal written charter that sets out the functions that this Committee is to perform. The Nominating and Governance Committee reviews and reassesses the adequacy of the Nominating and Governance Committee Charter on an annual basis. A current copy of the Nominating and Governance Committee Charter is available on the Company's website at www.sypris.com.

The code of business conduct requires each of our employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest, fair and ethical manner and otherwise act with integrity. Our employees are required to certify that they have received a copy of the code of business conduct and have been provided with training on the code of business conduct and their related legal obligations. or other Company policies and procedures. The code of business conduct details the procedures for confidential and anonymous reporting by employees and emphasizes our policy of non-retaliation. Our code of business conduct can be found on our corporate website at www.sypris.com. The information on our website is not part of this Proxy Statement and is not soliciting material.

Transactions with Related Persons

The Company's code of business conduct requires all directors, executive officers and other employees of the Company to disclose and seek prior approval of any related party transaction. The Company's directors, including the Chief Executive Officer and President, must report any potential conflict of interest to the Audit and Finance Committee, in accordance with the Audit and Finance Committee Charter. The other executive officers must report any potential conflict of interest to the Chief Executive Officer and President. In addition, the Company requires each director and executive officer to disclose any transactions involving related parties, or other potential conflicts of interest, in an annual written questionnaire. For 2008, no related party transactions (as defined in Item 404(a) of Regulation S-K) were reported or otherwise discovered by the Company.

Table of Contents**RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS**

Ernst & Young LLP has served as the Company's independent public accountants and auditors since and including the fiscal year ended December 31, 1989. The Audit and Finance Committee's selection process includes consideration of the following factors: continuity of experience with the Company's business, internal controls and technical accounting experience; independence; history of and reputation for thoroughness, accuracy, excellence and integrity; and reasonableness of fees. The Audit and Finance Committee believes that the fees paid for non-audit services are compatible with the independence of Ernst & Young LLP.

Policy on Audit and Finance Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

Table of Contents

its next meeting. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year, is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent public accountants and auditors and management are required to periodically report to the full Audit and Finance Committee regarding the extent of services provided by the independent public accountants and auditors in accordance with this pre-approval, and the fees for the services performed to date. None of the services provided by the independent public accountants and auditors under the categories Audit-Related and Tax described above were approved by the Audit and Finance Committee pursuant to the waiver of pre-approval provisions set forth in Rule 2-01(c) of Regulation S-X.

AUDIT AND FINANCE COMMITTEE REPORT

The Audit and Finance Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit and Finance Committee discussed these matters with the Company's independent public accountants and auditors and with appropriate Company financial personnel. The Audit and Finance Committee also discussed with the Company's senior management and independent public accountants and auditors the processes used to support the certifications by the Company's chief executive officer and chief financial officer, which are required by the Securities and Exchange Commission and the Sarbanes-Oxley Act of 2002 for certain of the Company's filings with the Securities and Exchange Commission.

The Audit and Finance Committee met privately with both the independent public accountants and auditors and Company financial personnel, each of whom has unrestricted access to the Audit and Finance Committee. The Audit and Finance Committee appointed Ernst & Young LLP as the independent public accountants and auditors for the Company in 2008 after reviewing the firm's performance and independence from management, among other factors.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. Ernst & Young LLP, the Company's independent public accountants and auditors, is responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements in accordance with U.S. generally accepted accounting principles. Ernst & Young LLP is also responsible for performing an audit of the Company's internal controls over financial reporting in accordance with the standards of the United States Public Company Accounting Oversight Board and expressing an opinion that the Company maintained effective internal control over financial reporting based on criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (the COSO criteria). The Audit and Finance Committee is responsible for monitoring and overseeing these processes.

The Audit and Finance Committee reviewed with management and Ernst & Young LLP the Company's draft of Form 10-K for 2008, including the Company's audited financial statements and met separately with both management and Ernst & Young LLP to discuss and review those materials prior to issuance and filing with the Securities and Exchange Commission. Management has represented, and Ernst & Young LLP has confirmed, to the Audit and Finance Committee that the financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit and Finance Committee also discussed with Ernst & Young LLP matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. A U Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, relating to communications with auditors.

In addition, the Audit and Finance Committee has received from the independent auditors the written disclosures and letters required by applicable requirements of the Public Company Accounting Oversight Board

Table of Contents

regarding the independent accountant's communications with the Audit and Finance Committee concerning independence, has discussed with the independent auditors their independence from the Company and its management, and has considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence. Ernst & Young LLP has confirmed by letter that, in its professional judgment, it is independent of the Company. The Audit and Finance Committee is not aware of any issues which could impair the independence of Ernst & Young LLP.

The Audit and Finance Committee discussed with management and Ernst & Young LLP the quality and adequacy of the Company's internal controls and the overall quality of the Company's financial reporting. The Audit and Finance Committee specifically addressed with management and Ernst & Young LLP, management's annual report regarding the effectiveness of the Company's system of internal controls over financial reporting, management's ongoing responsibilities for establishing and maintaining an adequate system, management's evaluation of any significant deficiencies or material weaknesses in that system, management's process for evaluating the effectiveness of such internal controls and the framework that was used to evaluate the effectiveness of the system. Management has represented, and Ernst & Young LLP has confirmed, to the Audit and Finance Committee that based on the COSO criteria, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2008.

The Audit and Finance Committee reviewed with Ernst & Young LLP and pre-approved their proposed audit plans, audit scope, identification of audit risks and fees, either by vote of the Committee or by approval of the Committee's authorized delegate acting between meetings. The Audit and Finance Committee also reviewed and pre-approved all non-audit services performed by Ernst & Young LLP and discussed with the independent public accountants and auditors their independence.

In reliance on the reviews and discussions referred to above, the Audit and Finance Committee recommended to the Board of Directors (and the Board of Directors has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008.

PROPOSAL ONE

ELECTION OF DIRECTORS

The Board of Directors is divided into three classes with terms that expire at successive annual meetings. Three Class I directors will be elected at the Annual Meeting to serve for a three-year term expiring at our annual meeting in 2012 or until their successors have been elected and qualified, or until the earliest of their death, resignation or retirement. We expect each nominee for election as a director at the Annual Meeting to be able to serve if elected. If any nominee is unable to serve, proxies will be voted in favor of the remainder of those nominees and for such substitute nominee as may be selected by the Board of Directors. The persons named as proxies in the accompanying form of proxy have advised us that at the Annual Meeting, unless otherwise directed, they intend to vote the shares covered by the proxies for the election of the nominees named below. The persons named as proxies may not vote for a greater number of persons than the number of nominees named below.

The Board of Directors has nominated John F. Brinkley, Robert E. Gill and William L. Healey to be elected at the Annual Meeting as Class I directors whose terms will expire in 2012.

Set forth below are the principal occupation and certain other information regarding the nominees and the other directors whose terms of office will continue after the Annual Meeting.

Vote Required and Recommendation of the Board of Directors

Nominees receiving the greatest number of votes duly cast for the election of directors will be elected. Abstentions and broker non-votes are not counted as votes cast for purposes of, and therefore will have no impact as to, the election of directors. **The Board of Directors recommends a vote FOR the election of the above-named nominees as Class I directors.**

Total compensation, as reported in column (j) of the Summary Compensation Table, reflects the dollar amount of equity awards granted to named executive officers in 2008 as recognized for financial statement reporting purposes. This includes annual amortizations in 2008 of various equity grants made in 2008 as well as in prior years. Total compensation does not include amortizations for certain awards of performance based restricted stock which are not yet reportable under Statement of Financial Accounting Standards (SFAS) No. 123(R), including 100% of the restricted stock awards to Mr. Gill.

- (1) The amounts in column (d) reflect Mr. Gill's bonus payment of \$75,000, in 2007, in connection with his effort through the bankruptcy proceedings of Dana Corporation, the Company's largest customer.
- (2) The amounts in column (e) reflect the dollar amounts recognized for financial statement reporting purposes for the 2007 and 2008 fiscal years, in accordance with SFAS No. 123(R), of restricted stock awards pursuant to the 2004 Sypris Equity Plan and therefore may include amounts from awards granted in prior periods. With respect to Mr. Gill, the Company has determined that the performance target goals in his performance-based restricted stock awards are not sufficiently probable to result in the recognition of compensation expense pursuant to the SFAS No. 123(R). In August of 2008 Mr. Gill forfeited 6,600 shares of restricted stock which did not vest due to the Company's failure to meet performance criteria. Assumptions used in the calculation of these amounts in 2008 are included in footnote 16 to the Company's audited financial statements for the fiscal year ended December 31, 2008 included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission (SEC) on or about March 31, 2009 and in footnote 14 for the year ended December 31, 2007 included in the Company's Annual Report on Form 10-K filed with the SEC on March 10, 2008.
- (3) The amounts in column (f) reflect the dollar amounts recognized for financial statement reporting purposes for the 2007 and 2008 fiscal years, in accordance with SFAS No. 123(R), of stock option awards pursuant to the 2004 Sypris Equity Plan and the 1994 Stock Option Plan for Key Employees and thus include amounts from awards granted in prior periods. Assumptions used in the calculation of these amounts for 2008 are included in footnote 16 to the Company's audited financial statements for the fiscal year ended December 31, 2008 included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on or about March 31, 2009 and in footnote 14 for the year ended December 31, 2007 included in the Company's Annual Report on Form 10-K filed with the SEC on March 10, 2008. Mr. Gill and Mr. Davis participated in the Company's 2008 Stock Option Exchange Program (Program). In each case, they exchanged vested unexercised options for new vested options with an incremental fair value of zero dollars, pursuant to SFAS No. 123(R). The new options have an exercise price of \$4.31 and expire on March 30, 2012. The chart below shows the number of vested underwater stock options surrendered in exchange for the new grants of stock options under the Program.

Table of Contents

Participant	New 4 Year Option Awards	Vested Stock Options Surrendered	Grant Date Fair Value of Stock Awards and Option Awards
J. T. Gill	18,828	41,685	\$ 22,997
R. L. Davis	12,304	27,240	\$ 15,028

(4) The amounts in column (g) reflect the dollar amounts of certain retention-based incentive cash awards granted to employees in January of 2007, subject to their continued services or retirement through the end of 2007 as well as performance-based cash compensation granted in April 2008 related to the Company's prior achievement of certain profit before tax and free cash flow targets.

(5) The amounts in column (i) include the aggregate dollar amounts of all perquisites and other compensation offered by the Company which included auto leases for personal and business use, Company 401(k) matching contributions (for each named executive officer), premiums on executive life insurance (for each named executive officer), premiums on long-term disability coverage (for Mr. Gill,) long-term care insurance (for Mr. Gill and his spouse), and a variety of smaller, routine perquisites, including complimentary or discounted food, drink, entertainment, clothing, gifts or similar benefits which in the aggregate do not exceed \$1,500 in value per year.

(6) Mr. Carvalho was not a named executive officer in 2007, and therefore only 2008 compensation is reported.

All employees in the United States not covered by a collective bargaining agreement, are automatically enrolled in the Company's 401(k) retirement savings plan, a tax-qualified plan, at a pre-tax contribution rate of 3%. Employees may opt out of the plan or may elect to change their contribution in increments of 1% of pre-tax salary. Historically, the Company has contributed a matching amount of 100% of the participating employees first 3% of eligible salary. Beginning in April of 2009, the Company intends to suspend the matching contribution pending further review by the Compensation Committee and the Board. Company contributions vest at the rate of 20% per year with 100% vesting attained at 5 years of service.

Stock options and restricted stock awards under the 2004 Sypris Equity Plan, are subject to accelerated vesting upon any change of control of the Company, pursuant to the terms of the Plan. The respective values of the unvested stock options and the unvested shares of restricted stock which would have become vested for the named executive officers in the event of a change in control, calculated as of December 31, 2008, would have been as follows: \$54,722 for Mr. Gill, \$45,368 for Mr. Carvalho and \$47,652 for Mr. Davis. For restricted stock, these valuations reflect (i) the number of each such individual's unvested shares of restricted stock on December 31, 2008, multiplied by (ii) the Company's stock price on December 31, 2008. None of the named executive officers above had stock options with a strike price which exceeded the Company's stock price on the last trading day of 2008.

Effective as of March 9, 2009 for the pay period ending March 20, 2009, the Company has reduced Mr. Gill's salary by 20%, and the salaries of the other executive officers, including Mr. Davis and Mr. de Carvalho, by 15%. Effective as of March 9, 2009, the Company's executive officers and certain other key employees, including Mr. Davis and Mr. Carvalho, have entered into employment agreements with the Company. If terminated without Cause then (i) these employees would continue to receive their current salary for a period of 12 months following the date of termination, provided that if they become employed by another entity during such time, these employees would only receive 30% of such salary, and (ii) all of the employee's outstanding restricted stock and stock options would become 100% vested and remain exercisable until the expiration date then in effect for any such stock options. Gill as an executive officer of the Company, which included auto lease for personal and business use, a term life policy and a variety of smaller, routine perquisites, including complimentary or discounted food, drink, entertainment, clothing, gifts or similar benefits which in the aggregate are estimated not to exceed \$1,500 in value per year. Mr. R. E. Gill does not receive compensation for his services as a director. Mr. R.E. Gill is the father of the Company's president and chief executive officer Jeffery T. Gill.

Edgar Filing: SYPRIS SOLUTIONS INC - Form DEF 14A

Scott Gill 27,724, Mr. Healey 19,434, Mr. Petersen 19,896 and Mr. Sroka 133,485). Messrs. Brinkley, Ferko, R.S. Gill, Healey, Petersen, Sroka also participated in the Company's 2008 Stock Option Exchange Program. In each case, the participating director exchanged vested unexercised options for either new vested options or shares of stock with an incremental fair value of zero dollars, pursuant to SFAS No. 123(R). The Chart below shows the number of underwater stock options surrendered in exchange for the new grants of stock options under the Program.

R. Sroka	6,387	10,493	\$ 7,801

(3) The amounts in column (d) reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2008, in accordance with SFAS No. 123(R) of common stock awards pursuant to the 2004 Sypris Equity Plan and the Directors Compensation Program. Because these awards consisted of fully vested shares, the amounts in column (d) are equal to the fair value of all shares awarded in 2008, valued at the closing price of the Company's common stock as of the time of the award.

In 2008, non-employee directors (John F. Brinkley, William G. Ferko, R. Scott Gill, William L. Healey, Sidney R. Petersen and Robert Sroka) received an annual retainer. Beginning in April 2008, the average annual retainer for each non-employee director was adjusted to account for additional time requirements for members of the Compensation Committee and ranged from approximately \$70,000 to \$86,000, payable after each quarter, in equal installments in cash, or a combination of 40% cash and 60% stock, at each director's election. In 2008, Messrs. Brinkley, R.S. Gill and Sroka elected to receive 100% of their compensation in the form of cash, while Messrs. Ferko, Healey and Petersen elected to receive 40% in cash and 60% in common stock (valued at the latest closing price available at the time of the award.) For the fourth quarter of 2008, the Directors Compensation Program was amended to discontinue the equity election. In 2009, the non-employee directors will receive a base amount of 5,200 shares of common stock in lieu of a portion of their overall cash compensation, with the remaining portion to be paid in cash.

All directors are reimbursed for travel and related expenses for attending Board and Committee meetings. In 2008, the Company held 4 meetings which required board members to travel. We also provide non-employee directors with travel accident insurance when on Company business. Directors who are employees of Sypris or its affiliates are not eligible to receive compensation for services as a director.
