Item 1.03 Bankruptcy or Receivership.

On September 2, 2010, the United States Bankruptcy Court for the District of Nevada (“Bankruptcy Court”) entered an order confirming the First Amended Plan of Reorganization (the “Plan”) of Skye International, Inc. (“Skye”). The Plan provides for Skye to remain as a debtor-in-possession operating its business in the normal course with its current management in place. Secured creditors are to continue to be paid pursuant to their loan documents and general unsecured creditors are to each notify Skye in writing by September 22, 2010 as to which of the designated five alternatives they have elected for payment of their individual claims. Depending upon which alternative is selected, Skye has either 30, 60 or 90 days to make a payment on each allowed unsecured claim or to convert the claim to stock (30 days for conversion to either common or preferred stock, 60 days for the lump sum payment of 25% of the claim, or 90 days for each quarterly payment of 50% of the total claim).

As of September 2, 2010, 16,277,323 shares of common stock were outstanding and 9,137,900 shares are reserved for future issuance in respect of claims and interests filed and allowed under the Plan. If all of these reserved shares are issued, there will be 25,415,223 shares of common stock issued and outstanding.

As of August 31, 2010, Skye had approximately \$908,405 in total assets and \$4,051,803 in total liabilities.
