ITEM 5. OTHER EVENTS

On July 10, 2001, USDATA Corporation's (the "Company") board of directors by written consent recommended that the stockholders approve an amendment to the Company's Certificate of Incorporation to effect a one-for-five reverse stock split (the "Reverse Split") of the Company's issued and outstanding Common Stock (the "Existing Common"). On July 10, 2001, the holders of a majority of the outstanding shares of Common Stock approved the amendment by written consent. Approval by the board of directors and by the holders of a majority of the outstanding shares of Common Stock is adequate under Delaware law to effect the amendment. The amendment will become effective upon the filing of the amendment to the Company's Certificate of Incorporation with the Delaware Secretary of State on or about August 17, 2001 (the "Effective Date").

Pursuant to the Reverse Split, each five shares of Existing Common outstanding immediately prior to the Effective Date will be reclassified as, and exchanged for, one share of newly issued Common Stock, par value \$0.01 per share ("New Common").

Edgar Filing: USDATA CORP - Form 8-K

The closing bid price for the Existing Common has been less than \$1.00 for more than 30 consecutive trading days, and the Company is thus not in compliance with the requirements for continued listing on The Nasdaq National Market. The Company has been in communication with the staff of The Nasdaq Stock Market, Inc. ("Nasdaq") regarding this matter and has been granted an extension of further delisting action by Nasdaq pending the completion of the Reverse Split on or about August 17, 2001. The Company has determined that a Reverse Split is necessary to meet and maintain the minimum bid price of \$1.00.
