SELLING STOCKHOLDERS

We are registering for resale an aggregate of 4,906,087 shares of our common stock covered by this prospectus on behalf of the selling stockholders named in the table below that acquired such shares directly from us upon the closing of the Transaction (as defined below) as stock consideration.

The following table sets forth certain information as of September 25, 2018 with respect to the beneficial ownership of our common stock by the selling stockholders. The table also provides information regarding the beneficial ownership of our common stock by each of the selling stockholders as adjusted to reflect the assumed sale of all of the shares of common stock under this prospectus.

Beneficial ownership is determined in accordance with the rules of the SEC and includes the power to vote or direct the voting of securities, or to dispose or direct the disposition thereof or the right to acquire such powers within 60 days. Subject to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them. Our calculation of the percentage of beneficial ownership is based on 30,837,746 shares of common stock outstanding as of August 1, 2018. Because the selling stockholders may resell all or part of their shares, no estimates can be given as to the number of shares of common stock that will be held by the selling stockholders upon termination of any offering made hereby. For purposes of the table below, however, we have assumed that after termination of this offering none of the shares covered by this prospectus will be held by the selling stockholders.

We prepared the table based on information provided to us by the selling stockholders. We have not sought to verify such information. Additionally, the selling stockholders may have sold or transferred some or all of their shares of our common stock in transactions exempt from the registration requirements of the Securities Act since the date on which the information in the table was provided to us. No offer or sale under this prospectus may be made by a stockholder unless that stockholder is listed in the table below, in a supplement to this prospectus or in an amendment to the related registration statement that has become effective. We may supplement or amend this prospectus to include additional selling stockholders upon provision of all required information to us and subject to the terms of the Purchase Agreements (as defined below).

Except as otherwise indicated, we believe that each of the stockholders named in this table has sole voting and investment power with respect to the shares indicated as beneficially owned.

The 4,906,087 shares of our common stock offered by the selling stockholders are being registered in accordance with registration rights granted by us to the selling stockholders under the Purchase Agreements (as defined below) entered into in connection with the Transaction. On July 24, 2018, we completed our acquisition of all of the outstanding equity interests of Janus Holdings Luxembourg S.à r.l. (“JHL”) not currently held by us, through our wholly owned subsidiary Encore Capital Group UK Limited (“Encore UK”), and, immediately thereafter, JHL, with proceeds from Encore UK, acquired all of the outstanding equity interests of Cabot Holdings S.à r.l. (“Cabot Holdings”), the holding company of Cabot, not currently held by it (collectively, the “Transaction”).

In connection with the Transaction, we entered into (i) a securities purchase agreement dated May 7, 2018 (the “JCF SPA”), with JCF III Europe Holdings LP, JCF III Europe S.à r.l. (JCF III Europe Holdings LP and JCF III Europe S.à r.l. collectively referred to as the “JCF Sellers”), JHL and the other parties named therein, pursuant to which Encore indirectly acquired from the JCF Sellers all of the equity interests owned by the JCF Sellers in JHL and Cabot Holdings, resulting in JHL becoming a wholly owned subsidiary of Encore, and (ii) a securities purchase agreement dated May 7, 2018 (the “Management SPA” and, together with the JCF SPA, the “Purchase Agreements”), with certain management shareholders of Cabot Holdings (together with all other management holders that signed a joinder to the Management SPA, the “Management Sellers”), pursuant to which Encore indirectly acquired from the Management Sellers all of the equity interests in Cabot Holdings owned by the Management Sellers, resulting in Cabot Holdings becoming a wholly owned subsidiary of Encore.

Under the Purchase Agreements, the holders party thereto have certain demand, piggyback and shelf registration rights relating to the registration of the resale of shares of our common stock in the future. Holders or a group of holders party to the Purchase Agreements may demand no more than three underwritten resales of shares of our common stock. However, such holders are not entitled to effect an underwritten resale offering unless the aggregate gross proceeds expected to be received from the sale of the holder’s or holders’ securities in such underwritten resale offering are at least \$50,000,000. In addition, in the case of an underwritten resale of the shares of our common stock, each holder party thereto has agreed, if requested by the underwriters in such offering and if the directors and officers of the Company are also subject to a lock-up, not to effect any public sale of their shares of common stock for up to 90 days (or such shorter period as the underwriters may request); provided that in no circumstance will the holders be subject to a longer lock-up than the Company’s directors or officers.

DESCRIPTION OF COMMON STOCK

This section describes the general terms and provisions of the shares of our common stock, par value \$0.01 per share. This description is only a summary. Our restated certificate of incorporation, as amended, and our bylaws have been filed as exhibits to our periodic reports filed with the SEC, which are incorporated by reference in this prospectus supplement. You should read our restated certificate of incorporation and our bylaws for additional information before you buy any of our common stock. See “Where You Can Find Additional Information” and “Incorporation of Certain Information by Reference.”

General. Our restated certificate of incorporation provides that we may issue up to 50,000,000 shares of common stock. As of August 1, 2018, there were 30,837,746 shares of common stock issued and outstanding.

Voting Rights. The holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders, including the election of directors, and do not have cumulative voting rights. Accordingly, the holders of a majority of the shares of common stock entitled to vote in the election of directors can elect all of the directors standing for election, if they so choose.

Dividends. Subject to preferences that may apply to any shares of preferred stock outstanding at the time, holders of common stock are entitled to receive ratably dividends, if any, as may be declared by our board of directors out of funds legally available therefor.

Other Rights. Upon our liquidation, dissolution or winding-up, the holders of common stock are entitled to share ratably in all assets remaining after payment of all liabilities and the liquidation preferences of any outstanding preferred stock. Holders of common stock have no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to our common stock. All outstanding shares of common stock are fully paid and nonassessable, and the shares of common stock offered, when issued, will be fully paid and nonassessable.

Certain Provisions of Delaware Law and Our Charter and Bylaws

The provisions of our restated certificate of incorporation and our bylaws described below may have the effect of delaying, deferring or discouraging another party from acquiring control of us.

Delaware Law. While we are not subject to the provisions of Section 203 of the Delaware General Corporation Law regulating corporate takeovers because we opted out of those provisions with an express statement in our restated certificate of incorporation, which was filed in 1999 at the time of our initial public offering. We do have a provision in our restated certificate of incorporation that operates similar to Section 203, as described below.

Charter. Our restated certificate of incorporation precludes an “interested stockholder” (generally a holder of 15% or more of our common stock), from engaging in a merger, asset sale or other business combination with us for a period of three years after the date of the transaction in which the person became an interested stockholder, unless one of the following occurs:

- prior to the time the stockholder became an interested stockholder, the board of directors approved either the business combination or the transaction which resulted in the person becoming an interested stockholder;
- the stockholder owned at least 85% of our outstanding voting stock, excluding shares held by directors who were also officers and shares held in certain employee stock plans, upon consummation of the transaction which resulted in a stockholder becoming an interested stockholder; or
- the business combination was approved by the board of directors and by two-thirds of our outstanding voting stock, excluding shares held by the interested stockholder.

Table of Contents

Our charter defines “business combination” to include the following:

- any merger or consolidation of the corporation with or caused by the interested stockholder;
- any sale, transfer, pledge or other disposition of 10% or more of the assets of the corporation or of assets worth 10% or more of the corporation’s outstanding stock to the interested stockholder involving the interested stockholder;
- subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder;
- any transaction involving the corporation that has the effect of increasing the proportionate share of the stock of any class or series of the corporation beneficially owned by the interested stockholder; or
- the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation.

In general, our charter defines an interested stockholder as any entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation and any entity or person affiliated with or controlling or controlled by any of these entities or persons, and certain permitted transferees.

This provision in our charter could prohibit or delay mergers or other takeover or change in control attempts and, accordingly, may discourage attempts to acquire us.

In addition, our charter provides that the vote of the holders of at least two-thirds of the shares entitled to vote in the election of directors is required to remove a director, with or without cause. Additionally, our charter provides that our board of directors is authorized to issue preferred stock without stockholder approval, and that we will indemnify officers and directors against losses that they may incur in investigations and legal proceedings resulting from their services to us, which may include services in connection with takeover defense measures.

Bylaws. Our bylaws provide that, subject to certain exceptions, any stockholder desiring to propose business or nominate a person to the board of directors at a stockholders meeting must give notice of any proposals or nominations within a specified time frame. In addition, our bylaws provide that we will hold a special meeting of stockholders only if three of our directors or the Chief Executive Officer or the Chairman of the board of directors calls the meeting or if the holders of a majority of the issued and outstanding shares of capital stock entitled to vote at a meeting make a written demand for the meeting.

These provisions may have the effect of precluding a nomination for the election of directors or the conduct of business at a particular annual meeting if the proper procedures are not followed or may discourage or deter a third party from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of Encore, even if the conduct of such solicitation or such attempt might be beneficial to us and our stockholders. In order to have us include a proposal in our annual proxy statement, the proponent and the proposal must also comply with the proxy proposal submission rules of the SEC.

In addition, stockholders can amend or repeal our bylaws only with the vote of the holders of at least two-thirds of our outstanding common stock.

Transfer Agent

The transfer agent and registrar for our common stock is American Stock Transfer & Trust Company, LLC.

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which a broker-dealer may attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer, as principal, and a subsequent resale by the broker-dealer for its account;
- through the writing of options, which may be listed on an options exchange or otherwise, or the issuance of other derivatives;
- an exchange distribution in accordance with the rules of the applicable exchange;
- public or privately negotiated transactions;
- in transactions otherwise than on such exchanges or in the over-the-counter market;
- through a combination of any such methods; or
- through any other method permitted under applicable law.

In effecting sales, brokers-dealers engaged by the selling stockholders may arrange for other broker-dealers to participate. If the selling stockholders effect such transactions by selling the shares of common stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling stockholders or commissions from purchasers of the shares of common stock for whom they may act as agent or to whom they may sell as principal. Underwriters may sell securities to or through dealers, and dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agent. Such commissions will be in amounts to be negotiated, subject to Financial Industry Regulatory Authority, Inc. ("FINRA") Rule 2121.

If underwriters are used in a sale, the sole or lead underwriter for an underwritten resale may require Encore to enter an underwriting agreement with the underwriter or underwriters and the selling stockholders at the time an agreement for the sale is reached. The applicable prospectus supplement will set forth the managing underwriter or underwriters, as well as any other underwriter or underwriters, with respect to a particular underwritten offering of securities, and will set forth the terms of the transactions, including compensation of the underwriters and dealers and the public offering price, if applicable. The prospectus and the applicable prospectus supplement will be used by the underwriters to resell the securities.

Table of Contents

If a dealer is used in the sale of the securities, a selling stockholder or an underwriter may sell the securities to the dealer, as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale. To the extent required, we will set forth in the prospectus supplement the name of the dealer and the terms of the transactions.

The selling stockholders and any underwriters, brokers, dealers or agents that participate in such distribution may be deemed to be “underwriters” within the meaning of the Securities Act, and any discounts, commissions or concessions received by any underwriters, brokers, dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act. Any selling stockholder who is an “underwriter” within the meaning of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and the provisions of the Exchange Act and the rules thereunder relating to stock manipulation.

There can be no assurance that the selling stockholders will sell any or all of the common stock registered pursuant to the registration statement, of which this prospectus forms a part. Further, we cannot assure you that any selling stockholder will not transfer, devise or gift the common stock by other means not described in this prospectus. In addition, any common stock covered by this prospectus that qualifies for sale under Rule 144 or Rule 144A of the Securities Act may be sold under Rule 144 or Rule 144A rather than under this prospectus. The common stock covered by this prospectus may also be sold to non-U.S. persons outside the U.S. in accordance with Regulation S under the Securities Act rather than under this prospectus. In order to comply with the securities laws of some states, the shares sold in those jurisdictions may only be sold through registered or licensed brokers or dealers. In addition, in some states, the shares may not be sold unless the shares have been registered or qualified for sale in that state or an exemption from registration or qualification is available and is complied with.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the common stock owned by them and, if the selling stockholders default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the common stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) under the Securities Act or other applicable provision of the Securities Act amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer and donate the common stock in other circumstances, in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

Underwriters, dealers and agents who participate in the distribution of securities and their controlling persons may be entitled, under agreements that may be entered into with us, to indemnification by us and the selling stockholders against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments that the underwriters, dealers or agents and their controlling persons may be required to make in respect of those liabilities. Any underwriter may engage in stabilizing and syndicate covering transactions in accordance with Rule 104 under the Exchange Act. Rule 104 permits stabilizing bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. The underwriters may over-allot offered securities, thereby creating a short position in the underwriters’ account. Syndicate covering transactions involve purchases of offered securities in the open market after the distribution has been completed to cover syndicate short positions. Stabilizing and syndicate covering transactions may cause the price of the offered securities to be higher than it would otherwise be in the absence of such transactions. These transactions, if commenced, may be discontinued at any time.

Each selling stockholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, to the extent applicable, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the common stock by the selling stockholders and any other participating person. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the common stock to engage in market-making activities with respect to the common stock. All of the foregoing may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to the common stock.

Item 15. Indemnification of Directors and Officers

Encore Capital Group, Inc., is a corporation organized under the laws of the state of Delaware.

Delaware General Corporation Law. Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") enables a corporation incorporated in the State of Delaware to eliminate or limit, through provisions in its original or amended certificate of incorporation, the personal liability of a director for violations of the director's fiduciary duties, except (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) any liability imposed pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Section 145 of the DGCL provides that a corporation incorporated in the State of Delaware may indemnify any person or persons, including officers and directors, who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee, or agent of such corporation, or is or was serving at the request of such corporation as an officer, director, employee, or agent of another corporation or enterprise. The indemnity may include expenses (including attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding, provided such officer, director, employee, or agent acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, for criminal proceedings, had no reasonable cause to believe that the challenged conduct was unlawful. A corporation incorporated in the State of Delaware may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must provide indemnification against the expenses that such officer or director actually and reasonably incurred.

Certificate of Incorporation. Article Nine of Encore Capital Group, Inc.'s Restated Certificate of Incorporation, as amended, filed as (a) Exhibit 3.1 to the Registrant's Registration Statement on Form S-1/A filed on June 14, 1999 (File No. 333-77483) and (b) Exhibit 3.1 to Encore Capital Group, Inc.'s Current Report on Form 8-K filed on April 4, 2002 (File No. 26489), provides for indemnification of Encore Capital Group, Inc.'s officers, directors, employees, and other agents to the extent and under the circumstances permitted by the DGCL.

Indemnification Agreements. Encore Capital Group, Inc. has also entered into agreements with certain of its officers and directors that will require Encore Capital Group, Inc., among other things, to indemnify them against certain liabilities that may arise by reason of their status or service as directors or officers to the fullest extent not prohibited by law.

Item 17. Undertakings

(A) Each undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(ii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrants pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(2) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(3) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract or sale of securities in the offering described in the prospectus. As

(ii) provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as

to a purchaser with a time of contract or sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(B) Each undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of a registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(C) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of any registrant pursuant to the foregoing provisions, or otherwise, each registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by any registrant of expenses incurred or paid by a director, officer or controlling person of any registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
