Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

PROXY STATEMENT For Annual Meeting of Stockholders To be Held on June 20, 2006

Proxies in the form enclosed with this statement are solicited by the Board of Milestone to be used at the Annual Meeting of Stockholders and any adjournments thereof, to be held at The American Stock Exchange, 86 Trinity Place, New York, NY, on June 20, 2006 at 10:00 a.m., local time, for the purposes set forth in the Notice of Meeting and this Proxy Statement. The Board knows of no other business which will come before the meeting. This Proxy Statement and the accompanying proxy will be mailed to stockholders on May 19, 2006.

THE VOTING AND VOTE REQUIRED

RECORD DATE AND QUORUM

Only stockholders of record at the close of business on the Record Date, are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 11,561,214 outstanding shares of common stock, par value \$.001 per share. At the Annual Meeting, each share of common stock is entitled to one vote. In the aggregate, 11,561,214 votes may be cast at the Annual Meeting. Shares represented by each properly executed, unrevoked proxy received in time for the meeting will be voted as specified.

VOTING OF PROXIES

The persons acting as proxies pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the proxyholders will vote the shares represented by the proxy: (i) for election of the director nominees named in this Proxy Statement; (ii) for approval of the Plan; (iii) for ratification of the appointment of Eisner LLP as independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2006; and (iv) in the proxyholders' discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the Company's bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions or non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

3

VOTING REQUIREMENTS

Directors are elected by a plurality of the votes cast at the meeting. The affirmative vote of a majority of votes cast for or against the matter by stockholders entitled to vote is required to approve the Plan and to ratify the

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

appointment of independent auditors.

REVOCABILITY OF PROXY

A proxy may be revoked by the stockholder giving the proxy at any time before it is voted by delivering oral or written notice to the Corporate Secretary of Milestone at or prior to the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the meeting. Attendance at the meeting in and of itself does not revoke a prior proxy.

EXPENSES OF SOLICITATION

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers or employees of Milestone telephonically, electronically or by other means of communication. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

4

NOMINATING COMMITTEE

The Company formed a Nominating Committee in May 2004. The members of the Nominating Committee are Leonard M. Schiller and Jeffrey Fuller, each of whom is qualified as "independent" under the applicable listing standards.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information: the name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company; and, the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Company's Chief Financial Officer at 220 South Orange Avenue,

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

Livingston Corporate Park, Livingston, NJ 07039 and must be received not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating Committee believes that the minimum qualifications for service as a director of the Company are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating Committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of the Company's business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and direct the affairs and business of the Company, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements.

The Nominating Committee may also receive suggestions from current Board members, company executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating Committee for such candidates. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates.

7

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that the Nominating Committee might be evaluating for membership on the Board. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Nominating Committee adopted a revised written charter in July 2005, which is available to security holders on Milestone's website at www.milestonescientific.com.

STOCKHOLDER COMMUNICATION WITH THE BOARD OF DIRECTORS

EMPLOYMENT CONTRACTS

In December 2003, Milestone entered into a new employment agreement with Mr. Osser for a five-year term commencing January 1, 2004. Under the new agreement Mr. Osser receives base compensation of \$300,000 per year, payable one half in cash and one half in common stock valued at the average closing price of the common stock during the first 15 trading days in the month of December during each year of the term. While the number of shares to be issued will be determined each year, the stock will not be issuable until the end of the term of the agreement. In addition, Mr. Osser may earn annual bonuses up to an aggregate of \$300,000, payable one half in cash and one half in common stock, contingent upon Milestone achieving predetermined annual operating cash flow, revenue and earnings targets. For 2005 he could have earned a \$100,000 bonus based upon Milestone achieving break-even cash flow from operations, a \$100,000 bonus based upon Milestone achieving net revenues of \$7,000,000 and a \$100,000 bonus based upon Milestone achieving break-even earnings determined in accordance with generally accepted accounting principles. The cash flow bonus and the earnings bonus will not be payable to the extent that the payment thereof will reduce operating cash flow or earnings below break-even, respectively. For purposes of the agreement operating cash flow shall mean cash flow from operations plus accounts receivable increases and less accounts payable increases. Shares of common stock issued in partial payment of bonuses will be valued at the average closing price of the common stock during the first 15 trading days in the month of December during each year of the term. The stock portion of the bonus awards, if any, will be paid at the end of the term of the agreement.

13

In addition, if during any year of the term of the agreement Mr. Osser earns a bonus under the above formula, he shall also be granted 5-year stock options to purchase twice the number of shares earned under the above formula, each such option to be exercisable at a price per share equal to the fair market value of a share on the date of grant (110% of fair market value if Mr. Osser is a 10% or greater stockholder on the date of grant). The options shall vest and become exercisable to the extent of one-third of the shares covered at the end of each of the first three years following the date of grant, but shall only be exercisable while Mr. Osser is employed by Milestone or within 30 days after the termination of his employment.

COMPENSATION OF DIRECTORS

Milestone paid no cash or stock based compensation to the directors in 2005. On March 19, 2005, Milestone awarded, to each of its outside directors, options expiring March 19, 2010 for the purchase of 20,000 shares of its common stock, exercisable immediately at \$3.27 per share, with respect to the year beginning with Milestone's 2004 annual meeting and ending with Milestone's 2005 annual meeting. On November 17, 2005, Milestone granted 20,000 options, exercisable immediately at \$1.40 per share, expiring November 17, 2010, to each of its outside directors with respect to the year beginning with Milestone's 2005 annual meeting and ending with Milestone's 2006 annual meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Milestone's officers and directors, and persons who own more than ten percent (10%) of a registered class

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

of Milestone's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulations to furnish Milestone with copies of all Section 16(a) forms they file.

To the best of Milestone's knowledge, based solely on review of the copies of such forms furnished to Milestone, or written representations that no other forms were required, Milestone believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent (10%) shareholders were complied with during 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On October 9, 2003, we reached an agreement to satisfy \$1,265,545 of debt and accrued interest due to a major investor, K. Tucker Andersen, and \$435,985 of debt and accrued interest and \$640,000 of deferred compensation due to our Chief Executive Officer and Chairman, Leonard Osser. Of the total debt and accrued interest due to Messrs. Andersen and Osser, and the deferred compensation owed to Mr. Osser, \$1,604,204 and \$384,000 respectively were paid February 24, 2004 through the issuance of 241,988 and 61,350 units valued at the initial offering price. The remaining \$97,326 of indebtedness to Messrs. Andersen and Osser and \$256,000 of deferred compensation to Mr. Osser was paid in cash on February 23, 2004. The cash portion of the total payment represents the estimated tax on the interest and compensation.

The technology underlying our SafetyWand, the CompuFlo and an improvement to the controls for the CompuDent were developed by our Director of Clinical Affairs and assigned to us. We purchased this technology pursuant to an agreement dated January 1, 2005, for 43,424 shares of restricted common stock and \$145,000 in cash, payable on April 1, 2005. In addition, he will receive additional deferred contingent payments of 2.5% of our total sales of products using certain of these technologies, and 5% of our total sales of products using certain other of these technologies. If products produced by third parties use any of these technologies (under license from us) then he will receive the corresponding percentage of the consideration received by us for such sale or license.

14

On April 20, 2005, we issued 7,408 shares of common stock to Pablo F. Serna C. in payment of services in the value of \$20,000. Additionally, pursuant to an agreement, dated June 21, 2005, we issued a cash placement fee of \$50,877.60 to Dynamic Decisions plus 600 units, each consisting of ten shares of common stock and two warrants to purchase one share of common stock for \$4.89, expiring February 16, 2009. The shares of common stock and the warrants comprising those units were then transferred to Nohora Patricia Londono Gonzales, Mr. Serna C.'s wife.

We have adopted a policy that, in the future, the audit committee must review all transactions with any officer, director or 5% shareholder.

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of three non-management directors, Leonard M. Schiller, Leslie Bernhard and Jeffrey Fuller, and operates pursuant to its Charter. During the 2005 fiscal year, the Audit Committee held 4 meetings with the independent auditors. The Audit Committee's purpose is to assist the Board in its oversight of (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent auditors' qualifications and independence, and (iv) the performance of our internal audit function and independent auditors to decide whether to appoint, retain or terminate our independent auditors, and to pre-approve all audit, audit-related and other services, if any, to be provided by the independent auditors; and to prepare this Report. The Board has determined that each member of the Audit Committee is "independent" within the meaning of the rules of both the AMEX and the Securities and Exchange Commission ("SEC"). The Board has also determined that each member is financially literate and at least one member of the Audit Committee has accounting or related financial management expertise, as such qualifications are defined under the rules of the AMEX, and that Mr. Jeffrey Fuller is an "audit committee financial expert" within the meaning of the rules of the SEC.

Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and the establishment and effectiveness of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards. The independent auditors have free access to the Audit Committee to discuss any matters they deem appropriate.

In performing its oversight role, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors the auditors' independence. All non-audit services performed by the independent auditors must be specifically pre-approved by the Audit Committee or a member thereof.

During 2005 fiscal year, the Audit Committee performed all of its duties and responsibilities under the Charter. In addition, based on the reports and discussions described in this Report, the Audit Committee recommended to the Board that the audited financial statements of Milestone for the 2005 fiscal year be included in its Annual Report on Form 10-KSB for such fiscal year.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF DIRECTORS.

APPROVAL OF A PLAN TO ISSUE UP TO 300,000 SHARES OF MILESTONE
COMMON STOCK (ITEM 2 ON THE PROXY CARD)

Milestone is seeking stockholder approval of a Plan to issue up to 300,000 shares of Common Stock in lieu of cash compensation for services performed by employees, officers, directors and consultants. The purpose of the Plan is to offset equivalent reductions in cash compensation including bonuses.

The purpose of the Plan is to conserve cash while allowing Milestone to adequately compensate existing employees, officers, directors and consultants, or new employees, officers directors and consultants, whose performance will contribute to our long-term success and growth. The availability of these shares will also strengthen our ability to attract and retain employees, officers directors and consultants of high competence, increase the identity of interests of such people with those of our stockholders and help maintain loyalty to Milestone through recognition and the opportunity for stock ownership.

All shares have been or will be issued at fair market value, or at a premium to that value, at the time of Board approval. All the issuances do or will bear a restrictive legend, were or will be acquired for investment by Milestone's employees, officers and directors or by consultants who are accredited investors, and were or will be issued without registration under the Securities Act of 1933, as amended (the "Act"), pursuant to the exemptions provided under sections 4(2) and 4(6) or Regulation D or will be registered under the Act. Issuance of these shares will have a minimal dilutive effect.

The following table sets forth the dollar value of shares which we propose to issue to existing officers and key employees in lieu of cash compensation otherwise payable to them. The number of shares will be determined by the market price of the shares at the time of issuance.

Name and Position	NEW PLAN BENEFITS
	Plan Name

	Dollar Value (\$)
Stuart J. Wildhorn, President	30,000
Rosaline Shau, Chief Financial Officer	30,000
Eugene Casagrande, Director of Professional Relations	30,000
Thomas Ronca, Chief Operating Officer	10,000

Though stockholder approval of the Plan is not required under Delaware corporate law, the affirmative vote of a majority of shares of common stock present or represented and entitled to vote at the 2006 Annual Meeting is required as a condition for listing these shares on the AMEX. The Plan was approved in March 2006 by our Board, subject to stockholder approval. The Plan is set forth at Appendix A. If approved by our stockholders, the Plan will become effective immediately.

The plan has a term of 10 years and is administered by a committee appointed by the board of directors. The committee, in its sole discretion, determines who is eligible to receive these incentive stock options, how many options they will receive, the term of the options, the exercise price and other conditions relating to the exercise of the options. Stock options granted under the plan must be exercised within a maximum of 10 years from the date of grant at an exercise price that is not less than the fair market value of the common shares on the date of the grant. Options granted to shareholders owning more than 10% of our outstanding common shares must be exercised within five years from the date of grant and the exercise price must be at least 110% of the fair market value of the common shares on the date of the grant.

In July 2004 the Board of Directors approved the adoption of the 2004 Stock Option Plan. The 2004 Stock Option Plan provides for the grant of options to purchase up to 500,000 shares of Milestone's common stock. Options may be granted to employees, officers, directors and consultants of Milestone for the purchase of common stock of Milestone at a price not less than the fair market value of the common stock on the date of the grant. In general, options become exercisable over a three-year period from the grant date and expire five years after the date of grant. However, options issued in 2005 under the 2004 Stock Option Plan are vested immediately.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR (ITEM 3 ON THE PROXY CARD)

Milestone is seeking stockholder ratification of the appointment of Eisner LLP as its independent public accountants for 2006. Milestone engaged Eisner LLP as its Independent Registered Public Accounting Firm on June 10, 2004, and Eisner LLP audited Milestone's financial statements for the fiscal years ended December 31, 2004 and 2005. The reports of Eisner LLP with respect to Milestone's financial statements appear in Milestone's Annual Reports for the fiscal years ended December 31, 2004 and 2005.

In the event the stockholders fail to ratify the appointment of Eisner LLP, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee believes that such a change would be in our best interests and in the best interests of our stockholders. A representative of Eisner LLP will attend the 2006 Annual Meeting and will have an opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions from stockholders.

J.H. Cohn LLP audited Milestone's financial statements for the years ended December 31, 2003 and 2002. J.H. Cohn also reviewed Milestone's financial statements for the first fiscal quarter of 2004. The reports of J.H. Cohn with respect to Milestone's financial statements did not contain an adverse opinion or disclaimer of opinion and were not modified as to uncertainty, audit scope or accounting principles.

The decision to change accountants was approved by the Registrant's Audit Committee and its Board as a whole. During 2003 and 2002, and during the period from January 1, 2004 to June 10, 2004, when Milestone engaged Eisner LLP as its Independent Registered Public Accounting Firm and dismissed J.H. Cohn LLP, there were no disagreements with J.H. Cohn LLP on accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of J.H. Cohn LLP, would have caused J.H. Cohn LLP to make reference to the subject matter of the disagreement in connection with their report.

During the two most recent fiscal years and the subsequent interim period preceding the engagement of Eisner LLP, neither the Registrant, nor anyone on its behalf, has consulted Eisner LLP regarding: (i) the application of accounting principles to a specific completed or proposed transaction, or the type of audit opinion that might be rendered on the Registrant's financial statements, which consultation resulted in the providing of a written report or oral advice concerning the same to the Registrant that was an important factor considered by the Registrant in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Rule 304(a)(1)(iv) of Regulation S-B

Edgar Filing: MILESTONE SCIENTIFIC INC/NJ - Form DEF 14A

promulgated under the Securities Act of 1933, as amended) or a reportable event (as defined in Rule 304(a)(1)(v) of Regulation S-B).

19

All Other Fees

The percentage of hours expended on audit by persons other than the Milestone's principal accountant's full time, permanent employees, did not exceed 50%.

AUDIT COMMITTEE PRE-APPROVED POLICIES AND PROCEDURES

The Audit Committee will pre-approve audit services and non-audit services to be provided by the Company's independent auditors before the accountant is engaged to render these services. The Audit Committee may consult with management in the decision-making process, but may not delegate this authority to management. The Audit Committee may delegate its authority to pre-approve services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting.

HOUSEHOLDING

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report, please address your request for delivery of the Proxy Statement and/or Annual Report to Rosaline Shau, Chief Financial Officer, Milestone Scientific Inc., 220 South Orange Avenue, Livingston Corporate Park, Livingston, New Jersey 07039.

A stockholder who wishes to make a proposal at the next Annual Meeting without including the proposal in our proxy statement must notify us by March 1, 2007. If a stockholder fails to give notice by this date, then the persons named as proxies in the proxies solicited by us for the next Annual Meeting will have discretionary authority to vote on the proposal.
