PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

This Proxy Statement is first being sent to shareholders on or about March 15, 2004 in connection with the solicitation of proxies by the Board of Directors of Brown & Brown, Inc., to be voted at the Annual Meeting of Shareholders to be held in the Atlantic Room of the Hilton Daytona Beach Oceanfront Resort, 2637 S. Atlantic Avenue, Daytona Beach, Florida at 9:00 a.m. on Thursday, April 22, 2004, and at any adjournment thereof (the Meeting). The close of business on March 1, 2004 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, we had outstanding 68,729,525 shares of \$.10 par value common stock, entitled to one vote per share.

Shares represented by duly executed proxies in the accompanying form that we receive prior to the Meeting will be voted at the Meeting. If you specify in the proxy a choice with respect to any matter to be acted upon, the shares represented by such proxy will be voted as specified. If your proxy card is signed and returned without specifying a vote or an abstention on any proposal, the shares represented by such proxy will be voted according to the recommendation of the Board of Directors on that proposal. The Board of Directors recommends a vote FOR the election of the directors. The Board of Directors knows of no other matters that may be brought before the Meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

If you hold your shares in a stock brokerage account, or by a bank or other nominee, you have the right to provide instructions on voting as requested by your bank or broker. Under the rules of the New York Stock Exchange, your broker is permitted to vote your shares on the proposals concerning the election of directors even if your broker has not been given specific voting instructions as to these matters.

After you have returned a proxy, you may revoke it at any time before it is voted by taking one of the following actions: (i) giving written notice of the revocation to our Secretary; (ii) executing and delivering a proxy with a later date; or (iii) voting in person at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by our transfer agent, Wachovia Bank, N.A., and by one or more inspectors of election appointed at the Meeting, who will also determine whether a quorum is present for the transaction of business.

If you abstain from voting on any proposal, you will be included in the number of shareholders present at the Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees for director.

Proxies may be solicited by our officers, directors, and regular supervisory and executive employees, none of whom will receive any additional compensation for their services. Also, The Altman Group, Inc. may solicit proxies on our behalf at an approximate cost of \$4,000, plus reasonable expenses. Such solicitations may be made personally, or by mail, facsimile, telephone, messenger, or via the Internet. We will pay persons holding shares of common stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to their principals. We will pay all of the costs of solicitation of proxies.

Our executive offices are located at 220 South Ridgewood Avenue, Daytona Beach, Florida 32114 (telephone number (386) 252-9601) and 401 East Jackson Street, Suite 1700, Tampa, Florida 33602 (telephone number (813) 222-4100).

Board and Board Committee Matters

Edgar Filing: BROWN & BROWN INC - Form DEF 14A

During 2003, our Board of Directors held four regular meetings and one special telephonic meeting. Each incumbent director serving during 2003 attended at least 75% of the total number of Board meetings, and at least 75% of the total number of meetings of committees of which he is a member, held during the period that he was a member of the Board. The Board expects, but does not require, all directors and director nominees to attend the Annual Shareholders' Meeting. All members of the Board attended the 2003 Annual Shareholders' Meeting.

The New York Stock Exchange (NYSE) has adopted new listing standards relating to director independence. In addition to requiring that directors satisfy certain bright line standards in order to be deemed independent, as that term is defined in the listing standards for the NYSE, the NYSE listing standards permit the Board to adopt categorical standards to assist it in affirmatively determining that the Company's directors have no material relationship with the Company that would impair such directors' independence. To date, the Board has not adopted such categorical standards. Rather, the Board has considered and applied the following in reaching each of its independence determinations: (1) the NYSE bright line standards; (2) standards set forth in the Company's Corporate Governance Principles; and (3) the relationships of each of the directors, and such directors' immediate family members, as disclosed in this proxy statement, to us. The Board has applied the foregoing standards and considerations to each member of the Board and to such Board members' immediate family members, and has affirmatively determined that the following six of the nine directors have no material relationship with us other than service as a director, and are therefore independent: Samuel P. Bell, III, Hugh M. Brown, Bradley Currey, Jr., Theodore J. Hoepner, David H. Hughes and Jan E. Smith.

Our Board of Directors has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, and standing Nominating/Corporate Governance and Compensation Committees. The charters of each of these Board committees are available on our website, located at www.bbinsurance.com. The current members of the Audit Committee are Jan E. Smith (Chairman), Bradley Currey, Jr. and David H. Hughes, each of whom is independent, as independence for audit committee members is defined in the listing standards for the NYSE. The duties of the Audit Committee, which held four regular meetings during 2003, are to recommend to the Board of Directors the selection of independent certified public accountants, to meet with our independent certified public accountants to review the scope and results of the annual audit, and to consider various accounting and auditing matters related to the Company, including our system of internal controls and financial management practices. The Audit Committee has at least one audit committee financial expert, Bradley Currey, Jr., serving as a member of the Audit Committee, and Mr. Currey is independent, as that term is defined in Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended.

10

The Compensation Committee currently consists of Samuel P. Bell, III (Chairman), Bradley Currey, Jr., David H. Hughes and Jan E. Smith. The Compensation Committee recommends to the Board base salary levels and bonuses for the Chief Executive Officer and approves the guidelines used to determine salary levels and bonuses for our other executive officers. See Executive Compensation - Board Compensation Committee Report on Executive Compensation. The Compensation Committee also reviews and makes recommendations with respect to our existing and proposed compensation plans, and is responsible for administering our 1990 Employee Stock Purchase Plan, the Stock Performance Plan, and the 2000 Incentive Stock Option Plan for Employees. The Compensation Committee held four regular meetings in 2003.

The Nominating/Corporate Governance Committee currently consists of Bradley Currey, Jr. (Chairman), Samuel P. Bell, III and Jan E. Smith, each of whom is independent, as independence for nominating committee members is defined in the listing standards for the NYSE. This Committee's duties include duties associated with corporate governance, as well as the nomination of persons to stand for election to the Board at our Annual Shareholders' Meeting and recommendation of nominees to the Board of Directors to fill vacancies on, or as additions to, the Board. The Nominating/Corporate Governance Committee held four regular meetings in 2003.

The Nominating/Corporate Governance Committee will consider nominations of persons for election as directors that are submitted in writing by shareholders in accordance with our procedures for shareholder proposals. See Proposals of Shareholders. Such proposals must contain all information with respect to such proposed candidate as required by the federal proxy rules, should address the manner in which the proposed candidate meets the criteria described below, and must be accompanied by the consent of such proposed candidate to serve as a director, if elected. The Nominating/Corporate Governance Committee has not established minimum qualifications for director nominees, because it is the view of the Committee that the establishment of rigid minimum qualifications might preclude the consideration of otherwise desirable candidates for election to the Board. The Nominating/Corporate Governance Committee will consider proposed candidates identified by non-management directors, the Chief Executive Officer and other executive officers, and shareholders, and will evaluate such candidates based on a number of factors, including: (a) the need or desirability of maintaining or expanding the size of the Board; (b) independence; (c) credentials, including, without limitation, business experience, experience within the insurance industry, educational background, financial sophistication, professional training, designations and certifications; (d) interest in, and willingness to serve on the Board; (e) ability to contribute by way of participation as a member of Board committees; (f) financial expertise and sophistication; (g) basic understanding of the Company's principal operational and financial objectives, plans and strategies, results of operations and financial condition, and relative standing in relation to the Company's competitors; and (h) willingness to commit requisite time and attention to Board service, including preparation for and attendance at regular quarterly meetings, special meetings, Committee meetings and periodic Board retreats.

Edgar Filing: BROWN & BROWN INC - Form DEF 14A

The Nominating/Corporate Governance Committee and the Board consider a variety of sources when identifying individuals as potential Board members, including other enterprises with which Board members are or have previously been involved and through which they have become acquainted with qualified candidates. The Company does not pay any third party a fee

11

to assist in the identification or evaluation of candidates, and the Company has not rejected director candidates put forward by a shareholder or group of shareholders who beneficially owned more than five percent of the Company's stock for at least one year prior to the time of the recommendation.

The Nominating/Corporate Governance Committee has nominated those persons named in Proposal - Election of Directors below to stand for election to the Board of Directors at the 2004 Annual Shareholders' Meeting. One of these nominees, Hugh M. Brown, was appointed to the Board effective March 15, 2004. Mr. Hugh Brown was recommended for consideration for nomination by the Chief Executive Officer and two non-management Board members.

Shareholder Communication with Directors

Shareholders may communicate with our Board of Directors, or with specified members or committees of our Board, by sending correspondence to our Corporate Secretary at 401 E. Jackson Street, Ste. 1700, Tampa, Florida 33602, and specifying in such correspondence that the message is for our Board or for one or more of its members or committees. Communications will be relayed to directors no later than the next regularly scheduled quarterly meeting of the Board and Board committees.

Compensation of Directors

During 2003, Directors who are not employees of ours were paid \$6,000 for each Board meeting attended in person, \$2,000 for attendance at the annual Board retreat, \$1,500 for each Board meeting attended by telephone, and \$1,500 for each committee meeting attended if such meeting occurs other than in conjunction with regularly scheduled quarterly Board meetings. In addition, each of these Directors receives 500 shares of our common stock each year as additional compensation for such Director's services.

All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board of Directors. No director who is an employee of ours receives separate compensation for services rendered as a director.

Certain Relationships and Related Transactions

Effective as of January 1, 2001, we acquired all of the insurance agency business-related assets of Riedman Corporation (Riedman), based in Rochester, New York. Since January 2001, John R. Riedman, Chairman of Riedman Corporation, has served as one of our directors.

We received a credit toward the asset purchase price for amounts payable by us for covenants not to compete with terms of five years entered into with Mr. John Riedman and each of his four children. Mr. John Riedman and his son, Mr. James Riedman, were each paid a fourth and final payment of \$250,000 plus accrued interest of \$5,638.70 in 2003 for their respective covenants not to compete.

Pursuant to the acquisition agreement with Riedman, we notified Riedman in January 2002 of certain claims we believe we have for indemnification under the acquisition agreement, and of our intent to partially offset those claims against the last payment due by us to Riedman in February 2002. As of the date of this proxy statement, Riedman has declined to consent to the

12

release of approximately \$1 million of escrowed funds to which we believe we are entitled pending resolution of these issues. We currently believe our indemnification claims exceed the sum of (a) the amount of the last payment otherwise due to Riedman and (b) the escrowed funds by approximately \$600,000. We continue to exchange information with Riedman in an effort to reach agreement concerning the scope and payment of our asserted claims.

Riedman is the landlord under a lease agreement with us, as tenant, with respect to office space in Rochester, New York that was entered into in connection with the transactions referenced in the preceding paragraphs. The lease provides for our payment of annual rent of \$300,000 for a term of five years from January 2001. Additionally, at the time of the acquisition, we assumed and took assignment of a covenant not to compete owed to Riedman from John R. Riedman's brother, Frank Riedman. We received a discounted credit toward the asset purchase price for

Edgar Filing: BROWN & BROWN INC - Form DEF 14A

amounts payable to Frank Riedman pursuant to this assumed obligation. Payments to Frank Riedman were made by us in ten equal quarterly installments of \$82,500, commencing January 2001 and ending March 2003.

J. Powell Brown, who is the son of J. Hyatt Brown, is employed by us as a Regional Executive Vice President and received compensation of \$616,656 for services rendered to us in 2003. P. Barrett Brown, who is also the son of J. Hyatt Brown, is employed by Brown & Brown of California, Inc., one of our subsidiaries, as the profit center manager for the Orange, California retail office and received compensation of \$189,203 for services rendered to that subsidiary in 2003.

Brian Henderson, who is the son of Jim Henderson, is employed by Peachtree Special Risk Brokers, Limited Company, one of our subsidiaries, as Property Broker in Atlanta, Georgia and received compensation of \$81,827 for services rendered to that subsidiary in 2003.

Joanne B. Penny, who is the mother of J. Scott Penny, is employed by us as a producer in our Daytona Beach, Florida retail office and received compensation of \$189,804 for services rendered in 2003.

For other transactions involving management and us, see Executive Compensation - Compensation Committee Interlocks and Insider Participation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors, and persons who own more than 10% of our outstanding shares of common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

To our knowledge, based solely on our review of the copies of such reports furnished to us and written representations from certain reporting persons that no other reports were required to be filed by those persons, we believe that during 2003, our officers, directors and 10% beneficial owners timely complied with all applicable filing requirements.

- (1) These dollar amounts reflect cash dividends paid to officer-grantees on granted performance stock shares that have met the first condition for vesting pursuant to our stock performance plan and, in the case of Messrs. Riley and Bridges, also include the exercise of non-qualified incentive stock options in 2003 vested pursuant to our incentive stock option plan. For a description of the terms of performance stock grants, the number of shares granted and the value of such shares, see Executive Compensation - Long-Term Incentive Plans - Awards in Last Fiscal Year, below. For a description of the number of options granted, the number of options exercised, and the value of such options, see Executive Compensation - Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values, below.
- (2) Amounts shown represent our 401(k) plan profit sharing and matching contributions.
- (3) Amounts shown represent the number of shares underlying options granted in 2003. For a description of these grants, see Executive Compensation - Option Grants in 2003, below.

Option Grants in 2003

Grants of stock options under our 2000 Incentive Stock Option Plan for Employees are intended to provide an incentive for key employees to achieve our short- to medium-range performance goals. This is done generally by tying the vesting of granted options to the grantee's region or profit center achieving compound annual growth in pre-tax earnings in excess of 15% over the three-year period following the end of a specified base year. The granted options will

14

vest as these performance standards are achieved or on the day prior to the ten-year anniversary date of the grant, whichever is earlier. Vested stock options may be exercised only pursuant to a schedule set forth in each grantee's agreement with us. The grantee may not sell or transfer any granted stock options. The table below sets forth the number of options granted to the Named Executive Officers in 2003:

Option Grants in Last Fiscal Year(1)

Name	Individual Grants			Potential realizable value at assumed annual rates of stock price appreciation for option term		
	Number of Securities Underlying Options Granted (#)	Percent of Total Options Granted to Employees in Fiscal Year	Exercise Or Base Price (\$/Sh) (1)	Expiration Date (2)	5%(\$)	10%(\$)

C. Roy Bridges	63,008	11.67%	\$ 31.56	3/24/2013	1,250,577	3,169,209

- (1) Exercise price represents the closing market price of the Company's common stock on January 22, 2003.

- (2) No options granted under the Plan are exercisable upon the expiration of ten (10) years after the effective date of grant of such option. The effective date of each of these option grants was March 24, 2003.

15

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The closing market price of our stock underlying the stock options granted under our 2000 Incentive Stock Option Plan for Employees was \$32.61 per share as of December 31, 2003. The resulting difference between the year-end market price and the adjusted exercise price per share of \$9.67 for options granted in 2000 is \$22.94 per share, and the adjusted exercise price per share of \$31.56 for options granted in 2003 is \$1.05. Therefore, the values at fiscal year-end of unexercised in-the-money options granted to the Named Executed Officers are as set forth in the table below:

Long-Term Incentive Plans - Awards in Last Fiscal Year

Grants of stock under our Stock Performance Plan are intended to provide an incentive for key employees to achieve our long-range performance goals, generally by providing incentives to remain with us for a long period after the grant date and by tying the vesting of the grant to appreciation of our stock price.

No exercise of outstanding options, warrants or rights occurs at the time that granted shares ultimately vest. As of December 31, 2003, a total of 3,141,083 shares had been granted under this plan.
- (2) The Company's Employee Stock Purchase Plan enables full-time employees to purchase shares of the Company's stock during the twelve calendar months of each plan year at a price that is 85% of the lesser of the fair market value of the shares as of specified dates on or near (a) the beginning and (b) the end of the plan year.

Employment and Deferred Compensation Agreements

Effective July 29, 1999, J. Hyatt Brown entered into an Employment Agreement that superseded Mr. Brown's prior agreement with us. The agreement provides that Mr. Brown will serve as Chairman of the Board and Chief Executive Officer. The agreement also provides that upon termination of employment, Mr. Brown will not directly or indirectly solicit any of our clients or employees for a period of three years.

The agreement requires us to make a payment to an escrow account upon a Change of Control (as defined in the agreement). If, within three years after the date of such Change of Control, Mr. Brown is terminated or he resigns as a result of certain Adverse Consequences (as

defined in the agreement). If, within three years after the date of such Change of Control, Mr. Brown is terminated or he resigns as a result of certain Adverse Consequences (as defined in the agreement), the amount in the escrow account will be released to Mr. Brown. The amount of the payment will be equal to two times the following amount: three times the sum of Mr. Brown's annual base salary and most recent annual bonus, multiplied by a factor of one plus the percentage representing the percentage increase, if any, in the price of our common stock between the date of the agreement and the close of business on the first business day following the date the public announcement of the Change of Control is made. Mr. Brown will also be entitled to receive all benefits he enjoyed prior to the Change of Control for a period of three years after the date of termination of his employment.

As defined in the agreement, a Change of Control includes the acquisition by certain parties of 30% or more of our outstanding voting securities, certain changes in the composition of the Board of Directors that are not approved by the incumbent Board, and the approval by our shareholders of a plan of liquidation, certain mergers or reorganizations, or the sale of substantially all of our assets. The Adverse Consequences described above generally involve our breach of the agreement, a change in the terms of Mr. Brown's employment, a reduction in our dividend

policy, or a diminution in Mr. Brown's role or responsibilities.

We entered into the agreement with Mr. Brown after determining that it was in our best interests and our shareholders' best interests to retain his services in the event of a threat or occurrence of a Change of Control and thereafter, without alteration or diminution of his continuing leadership role in determining and implementing our strategic objectives. We also recognized that, unlike our other key personnel who participate in our stock performance plan, Mr. Brown does not participate in that plan and would not enjoy the benefit of the immediate vesting of stock interests granted pursuant to that plan in the event of a Change of Control. Brown & Brown or Mr. Brown may terminate his employment at any time with 30 days' notice.

Jim W. Henderson, C. Roy Bridges, J. Powell Brown, Linda S. Downs, Kenneth D. Kirk, Charles H. Lydecker, J. Scott Penny, Thomas E. Riley, Cory T. Walker, Richard A. Freebourn, Laurel L. Grammig and Thomas M. Donegan, Jr. have each entered into standard employment agreements with us. These agreements may be terminated by either party (in the case of Ms. Downs and Messrs. Henderson and Kirk, upon 30 days' advance written notice). Compensation under these agreements is at amounts agreed upon between us and the employee from time to time. Additionally, for a period of two years following the termination of employment (three years in the case of Ms. Downs and Messrs. Henderson, Powell Brown, Kirk, and Riley), these agreements prohibit the employee from directly or indirectly soliciting or servicing our clients, or soliciting our employees to leave employment with us.

Compensation Committee Interlocks and Insider Participation

The members of our Compensation Committee during 2003 were Samuel P. Bell, III (Chairman), Bradley Currey, Jr., David H. Hughes and Jan E. Smith. Theodore J. Hoepner resigned from the Committee in October of 2003.

Samuel P. Bell, III is a partner in the law firm of Pennington, Moore, Wilkinson, Bell & Dunbar, P.A. and served as Of Counsel to the law firm of Cobb, Cole & Bell (now Cobb & Cole) until August 2002. Cobb & Cole performed services for us in 2003 and is expected to continue to perform legal services for us during 2004.

18

Theodore J. Hoepner is the Vice Chairman of SunTrust Banks, Inc. We have a \$75 million revolving credit facility and a \$51.4 million outstanding term loan balance at December 31, 2003 with SunTrust Banks, Inc. We expect to continue to use SunTrust Banks, Inc. during 2004 for some of our cash management requirements. Additionally, SunTrust Robinson Humphrey Capital Markets, a division of SunTrust Capital Markets, Inc., the investment banking subsidiary of SunTrust Banks, Inc., may provide investment banking services to us from time to time. Mr. Hyatt Brown and Mr. Hughes are both directors of SunTrust Banks, Inc. Mr. Smith is a director of SunTrust Bank/Gulf Coast and Mr. Hugh Brown is a director of SunTrust Bank of Orlando. Mr. Powell Brown is a member of the Administrative Board of the SunTrust Center of SunTrust Bank/Central Florida. For other transactions involving management and us, see Management - Certain Relationships and Related Transactions.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Board Compensation Committee Report on Executive Compensation and the Performance Graph shall not be incorporated by reference into any such filings.

Board Compensation Committee Report on Executive Compensation

The Company's overall compensation philosophy is as follows:

Attract and retain high-quality people, which is crucial to both the short-term and long-term success of the Company;

Reinforce strategic performance objectives through the use of incentive compensation programs; and

Create a mutuality of interest between the executive officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making.

Base Compensation. Salary levels for officers other than the Chief Executive Officer are determined or approved by the Chief Executive Officer each year during the first quarter based upon the qualitative performance of each officer during the previous year and guidelines approved by the Compensation Committee. If an officer has had no change in duties, the percentage of annual salary increases for such officer generally is expected to be approximately 3-5% of the officer's base salary. Exceptional performance or a change in the officer's responsibilities may merit a larger increase.

Edgar Filing: BROWN & BROWN INC - Form DEF 14A

Annual Bonuses. Bonuses for managers of the Company's Retail Division profit centers are established by the profit center manager from a bonus pool allocated to that manager's profit center through a pre-determined formula. For 2003, in each Retail Division profit center, the aggregate annual bonuses to be allocated among the employees of that profit center ranged from 0% to 10% of that profit center's operating profit before interest, amortization and profit center bonus. The highest bonus percentage level is not met until the profit center's operating profit percentage is equal to or greater than 28%. Other divisions of the Company have similar objective measures of bonus potential based on achievement of targeted operating or pre-tax goals.

19

The bonuses for the executive officers who are not profit center managers are determined by the Chief Executive Officer based primarily on objective criteria, such as a percentage of the officer's salary, the earnings growth of the Company as a whole, as well as a subjective analysis of the officer's duties and performance.

Long-Term Compensation. The Committee may also grant shares of performance stock to officers and other key employees based upon salary levels, sales production levels and performance evaluations. Grants of performance stock were made in 2003 to certain of the Named Executive Officers, as well as to other non-executive employees of the Company. See Executive Compensation - Long-Term Incentive Plans - Awards in Last Fiscal Year.

CEO Compensation. With respect to the salary and bonus of J. Hyatt Brown, the Chairman and Chief Executive Officer of the Company, the Compensation Committee annually sets these amounts by reference to the general operating performance of the Company. The performance criteria most closely examined by the Committee are improvements in the Company's earnings per share and net income, as well as the continuing growth of the Company's business. The Committee also considers salary levels of chief executive officers in companies similar to the Company and makes adjustments believed appropriate based upon the differences in size of the peer companies as compared with the Company. The Committee reports the salary and bonus amounts recommended for the Chief Executive Officer to the full Board of Directors and responds to questions, if any. At that time, the Board may change salary levels or bonus amounts.

The \$1,003,279 bonus recommended by the Committee and approved by the Board (excluding Mr. Brown) reflects the increase of more than 30% in the Company's earnings per share over 2002, as originally reported.

The financial performance of the Company during 2003 exceeded the expected budgeted levels, and the Committee took this into consideration in establishing compensation levels.

Report of the Audit Committee

The Audit Committee of the Board of Directors operates pursuant to an Audit Committee Charter adopted by the Company's Board of Directors on June 14, 2000, as amended effective January 21, 2004. A copy of the Audit Committee Charter is attached as an appendix to this Proxy Statement.

Each member of the Audit Committee qualifies as independent (as that term is defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the NYSE, and as may be modified or supplemented).

With respect to the fiscal year ended December 31, 2003, the Audit Committee:

- (1) has reviewed and discussed the Company's audited financial statements with management;
- (2) has discussed with the independent auditors of the Company the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU Section 380), as may be modified or supplemented;

**INFORMATION CONCERNING INDEPENDENT CERTIFIED PUBLIC
ACCOUNTANTS**

The Audit Committee has selected Deloitte & Touche LLP to audit the Company's consolidated financial statements for the fiscal year ending December 31, 2004. Representatives of Deloitte & Touche LLP, our independent public auditors, are expected to be present at the Meeting with the opportunity to make a statement if they desire to do so and to respond to appropriate questions posed by shareholders.

On April 1, 2002, the Audit Committee authorized us to solicit proposals for selection as our independent public auditor from various public accounting firms, including our incumbent auditor, Arthur Andersen LLP. Arthur Andersen LLP declined to seek re-selection as our independent public auditor. On June 14, 2002, our Board of Directors, upon the recommendation of our Audit Committee, selected Deloitte & Touche LLP to replace Arthur Andersen LLP as our independent public auditor.

Arthur Andersen LLP's reports on our financial statements as and for the fiscal years ended December 31, 2001 and 2000, did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the two fiscal years ended December 31, 2001 and the subsequent interim period preceding Arthur Andersen LLP's declination to seek re-selection, (1) there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Arthur Andersen LLP, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report, and (2) Arthur Andersen LLP has not advised us of any reportable events as defined in paragraphs (A) through (D) of Regulation S-K Item 304(a)(1)(v).

During the two fiscal years ended December 31, 2001, and the subsequent interim period preceding Arthur Andersen LLP's declination to seek re-selection, Deloitte & Touche LLP was not consulted by us, or by anyone on our behalf, regarding either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements.

We incurred the following fees for services performed by Arthur Andersen LLP for fiscal year 2002 and by Deloitte & Touche LLP for fiscal years 2002 and 2003:

AUDIT AND NON-AUDIT FEES

Audit Fees

The aggregate fees billed to us by Deloitte & Touche LLP for professional audit services rendered for the audit of our annual financial statements for the fiscal years ended December 31, 2003 and 2002, and the review of financial statements included in our Form 10-Qs for these fiscal years, were \$213,409 and \$224,940, respectively. Fees for Arthur Andersen LLP's reviews of the financial statements included in our quarterly report on Form 10-Q for the first quarter of 2002 totaled \$17,700, all of which had been billed and paid as of March 5, 2003.

Audit-Related Fees

The aggregate fees billed to us by Arthur Andersen LLP in the fiscal year ended December 31, 2002, for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements and are not reported above under the caption Audit Fees totaled \$146,500, which consisted of audit-related fees for assistance in connection with registration statement filings, benefit plan audits, and our public offering of 5,000,000 shares of our common stock in March 2002.

The aggregate fees billed to us by Deloitte & Touche LLP for the fiscal years ended December 31, 2003 and 2002 for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements and are not reported above under the caption Audit Fees, totaled \$11,862 and \$9,500, respectively. For 2003, the fees in this category consisted of audit-related fees for the performance of audits and attestation services not required by statute or regulations, audits of our benefit plans, registration statement filings related to our benefit plans, due diligence related to mergers and acquisitions, and accounting consultations regarding the application of accounting principles generally accepted in the United States of America (GAAP) to proposed transactions; for 2002, the fees in this category consisted of audit-related fees for audits of our benefit plans.

Tax Fees

No fees in this category were billed to us by Deloitte & Touche LLP for the fiscal year ended December 31, 2003. For the fiscal year ended December 31, 2002, the aggregate fees billed to us by Deloitte & Touche LLP for federal tax compliance and review of federal tax returns was \$19,390.

All Other Fees

No fees in this category were billed to us by Arthur Andersen LLP for the fiscal year ended December 31, 2002, or by Deloitte & Touche LLP for the fiscal years ended December 31, 2003 and 2002.

Our Audit Committee has concluded the provision of the non-audit services listed above is compatible with maintaining the independence of Deloitte & Touche LLP.

Audit Committee Policy for Pre-Approval of Independent Auditor Services

Our Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor pursuant to the Audit Committee's pre-approval policies and procedures in order to assure that the provision of such services does not impair the auditor's independence. The Audit Committee requires that any proposed engagement of the independent auditor to perform services in addition to those approved in connection with the annual engagement letter entered into with the independent auditor must be considered and approved in advance by the Audit Committee, except that the Audit Committee has authorized management to engage the independent auditor to perform services which, in management's judgment, the independent auditor is best qualified to perform, so long as any such engagements (a) do not involve services identified by the SEC as prohibited non-audit services; (b) involve no more than \$50,000 in the aggregate on an annual basis; and (c) are subject to ratification by the Audit Committee following full disclosure of the nature and extent of the engagement at its next regularly scheduled quarterly meeting. Any proposed services exceeding the referenced pre-approved cost level require specific pre-approval by the Audit Committee.

PERFORMANCE GRAPH

The following graph is a comparison of five-year cumulative total stockholder returns for our common stock as compared with the cumulative total stockholder return for the Standard & Poor's 500 Index, and a group of peer insurance broker and agency companies (Aon Corporation, Arthur J. Gallagher & Co., Hilb, Rogal and Hamilton Company, and Marsh & McLennan Companies, Inc.) The returns of each company have been weighted according to their respective stock market capitalizations as of December 31, 1998 for the purposes of arriving at a peer group average. The total return calculations are based upon an assumed \$100 investment on December 31, 1998, with all dividends reinvested.

We caution that the stock price performance shown in the graph should not be considered indicative of potential future stock price performance.
