To Our Stockholders:

You are cordially invited to attend the 2012 Annual Meeting of Stockholders of VeriSign, Inc. (Verisign) to be held at our corporate offices located at 12061 Bluemont Way, Reston, Virginia 20190 on Thursday, May 24, 2012, at 10:00 a.m., Eastern Time (the Meeting).

The matters expected to be acted upon at the Meeting are described in detail in the following *Notice of the 2012 Annual Meeting of Stockholders and Proxy Statement*.

We have implemented a U.S. Securities and Exchange Commission rule that requires companies to furnish their proxy materials over the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our annual report to security holders, which includes our Annual Report on Form 10-K for the year ended December 31, 2011 (collectively, the Annual Report), and this proxy statement. The Notice of Internet Availability of Proxy Materials contains instructions on how to access those documents over the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how each stockholder can receive a paper copy of our proxy soliciting materials, including this notice and proxy statement, our Annual Report and a form of proxy card or voting instruction card. We believe that this process will conserve natural resources and reduce the costs of printing and distributing our proxy materials.

It is important that you use this opportunity to take part in the affairs of Verisign by voting on the business to come before this meeting. WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE COMPLETE THE PROXY ELECTRONICALLY OR BY PHONE AS DESCRIBED ON THE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS AND UNDER INTERNET AND TELEPHONE VOTING IN THE PROXY STATEMENT, OR ALTERNATIVELY, IF RECEIVING PAPER COPIES OF PROXY MATERIALS, DATE, SIGN AND PROMPTLY RETURN THE ACCOMPANYING PROXY IN THE ENCLOSED POSTAGE-PAID ENVELOPE SO THAT YOUR SHARES MAY BE REPRESENTED AT THE MEETING. Returning or completing the proxy does not deprive you of your right to attend the Meeting and to vote your shares in person.

We look forward to seeing you at our 2012 Annual Meeting of Stockholders.

Sincerely,

/s/ D. James Bidzos

PROXY STATEMENT

FOR THE 2012 ANNUAL MEETING OF STOCKHOLDERS

April 10, 2012

The accompanying proxy is solicited on behalf of the Board of Directors (the **Board**) of VeriSign, Inc. (**Verisign** or the **Company**) for use at the 2012 Annual Meeting of Stockholders (the **Meeting**) to be held at our corporate offices located at 12061 Bluemont Way, Reston, Virginia 20190 on Thursday, May 24, 2012 at 10:00 a.m., Eastern Time. Only holders of record of our common stock at the close of business on March 30, 2012, which is the record date, will be entitled to vote at the Meeting. At the close of business on the record date, we had 158,352,243 shares of common stock outstanding and entitled to vote. This proxy statement and the accompanying form of proxy (collectively, the **Proxy Statement**) were first made available to stockholders on or about April 10, 2012. Our annual report to security holders, which includes our Annual Report on Form 10-K for the year ended December 31, 2011 (collectively, the **Annual Report**), is enclosed with this Proxy Statement for stockholders receiving a paper copy of proxy soliciting materials. The Annual Report and Proxy Statement can both be accessed on the Investor Relations section of our website at <http://investor.verisign.com>, or at <http://www.proxyvoting.com/vrsn>.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if the accompanying proxy is executed and returned (and not revoked) prior to the Meeting, the shares of Verisign common stock represented by the proxy will be voted: (1) **FOR** the election of each of the seven director candidates nominated by the Board; (2) **FOR** the non-binding, advisory resolution to approve Verisign's executive compensation; (3) **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012 (**fiscal 2012**); and (4) in accordance with the best judgment of the named proxies on any other matters properly brought before the Meeting.

Adoption of Majority Vote Standard in Uncontested Director Elections

Verisign's Fifth Amended and Restated Bylaws (the **Bylaws**) provide for a majority of votes cast standard in uncontested elections. A majority of the votes cast means that the number of shares voted **for** a director must exceed the number of votes cast **withheld** for that director. In contested elections where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast. In addition, if a nominee who already serves as a director is not re-elected, the director shall tender his or her resignation, subject to acceptance by the Board. The Corporate Governance and Nominating Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Corporate Governance and Nominating Committee's recommendation and publicly disclose its decision and the rationale behind it within ninety days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision. If the failure of a nominee to be elected at the annual meeting results in a vacancy on the Board, that vacancy can be filled by action of the Board.

Table of Contents

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the record date.

Quorum, Effect of Abstentions and Broker Non-Votes, Vote Required to Approve the Proposals

A majority of the outstanding shares of common stock must be present or represented by proxy at the Meeting in order to have a quorum. Abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the Meeting. A broker non-vote occurs when a bank, broker or other stockholder of record holding shares for a beneficial owner submits a proxy for the meeting, but does not vote on a particular proposal because that record holder does not have discretionary voting power with respect to that non-routine proposal and has not received voting instructions from the beneficial owner. Each of the election of directors and the non-binding, advisory vote to approve executive compensation is a non-routine proposal and so shares for which record holders do not receive voting instructions will not be voted on such matters.

If a quorum is present, a nominee for election to a position on the Board in an uncontested election will be elected as a director if the votes cast for the election of the nominee exceed the votes cast as withheld for that nominee. The following will not be votes cast and will have no effect on the election of any director nominee: (i) a share whose ballot is marked as abstain; (ii) a share otherwise present at the meeting but for which there is an abstention; (iii) a share otherwise present at the meeting as to which a stockholder gives no authority or direction; and (iv) a share subject to a broker non-vote. Stockholders may not cumulate votes in the election of directors.

If a quorum is present, approvals of the proposals for:

the non-binding, advisory resolution to approve Verisign's executive compensation;

the ratification of the selection of KPMG LLP as our independent registered public accounting firm for fiscal 2012; and

all other matters that properly come before the Meeting
require the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on the subject matter.

Under this voting standard, abstentions will have the effect of votes cast against the proposal, and broker non-votes will not affect the voting outcome.

The inspector of elections appointed for the Meeting will separately tabulate affirmative and withheld votes, abstentions and broker non-votes.

Adjournment of Meeting

In the event that a quorum shall fail to attend the Meeting, either in person or represented by proxy, the chairman may adjourn the Meeting, or alternatively, a stockholder or a person named as a proxy may propose the adjournment of the Meeting. Any such adjournment proposed by a stockholder or person named as a proxy would require the affirmative vote of the majority of the outstanding shares present in person or represented by proxy at the Meeting.

Expenses of Soliciting Proxies

Verisign will pay the expenses of soliciting proxies to be voted at the Meeting. Verisign intends to retain Alliance Advisors, L.L.C. for various services related to the solicitation of proxies, which we anticipate will cost between \$3,000 and \$6,500, plus reimbursement of expenses. Following the original mailing of the Notice of Internet Availability of Proxy Materials and paper copies of proxies and other proxy soliciting materials, we and/or our agents may also solicit proxies by mail, telephone, electronic transmission, including

Table of Contents

email, or in person. Following the original mailing of the Notice of Internet Availability of Proxy Materials and paper copies of the proxies and other proxy soliciting materials, we will request that brokers, custodians, nominees and other record holders of our shares forward copies of the proxy and other proxy soliciting materials to persons for whom they hold shares and request authority for the exercise of proxies. In such cases, we will reimburse the record holders for their reasonable expenses if they ask us to do so.

Revocability of Proxies

A stockholder may revoke any proxy that is not irrevocable by attending the Meeting and voting in person or by delivering a proxy in accordance with applicable law bearing a later date to the Secretary of the Company.

Internet and Telephone Voting

If you hold shares of record as a registered stockholder, you can simplify your voting process and save the Company expense by voting your shares by telephone at 1-866-540-5760 or on the Internet at <http://www.proxyvoting.com/vrsn> twenty-four hours a day, seven days a week. Telephone and Internet voting are available through 11:59 p.m. Eastern Time the day prior to the Meeting. More information regarding Internet voting is given on the Notice of Internet Availability of Proxy Materials. If you hold shares through a bank or brokerage firm, the bank or brokerage firm will provide you with separate instructions on a form you will receive from them. Many such firms make telephone or Internet voting available, but the specific processes available will depend on those firms' individual arrangements.

Householding

Verisign has adopted a procedure called "householding," which has been approved by the Securities and Exchange Commission (the "SEC"). Under this procedure, Verisign is delivering only one copy of the Notice of Internet Availability of Proxy Materials or paper copies of the Annual Report and Proxy Statement, as the case may be, to multiple stockholders who share the same address and have the same last name, unless Verisign has received contrary instructions from an affected stockholder. This procedure reduces Verisign's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to receive separate voter control numbers or proxy cards, in accordance with their preferred method of delivery.

Verisign will deliver promptly upon written or oral request a separate copy of the Notice of Internet Availability of Proxy Materials or Annual Report and the Proxy Statement to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of any of these documents, you may write or call Verisign's Investor Relations Department at VeriSign, Inc., 12061 Bluemont Way, Reston, Virginia 20190, Attention: Investor Relations, telephone 1-800-922-4917, or via email at ir@verisign.com. You may also access Verisign's Annual Report and Proxy Statement on the Investor Relations section of Verisign's website at <http://investor.verisign.com>.

If you are a holder of record and would like to revoke your householding consent and receive a separate copy of the Notice of Internet Availability of Proxy Materials, Annual Report or Proxy Statement in the future, please contact Computershare Shareowner Services, either by calling toll free at 1-877-255-1918 or by writing to Computershare Shareowner Services, Householding Department, P.O. Box 358015, Pittsburgh, PA 15252-8015. You will be removed from the householding program within thirty days of receipt of the revocation of your consent.

Any stockholders of record who share the same address and currently receive multiple copies of Verisign's Notice of Internet Availability of Proxy Materials, Annual Report or Proxy Statement who wish to receive only one copy of these materials per household in the future, please contact Verisign's Investor Relations Department at the email address, physical address or telephone number listed above to participate in the householding program.

A number of brokerage firms have instituted householding. If your shares are held in "street name," please contact your bank, broker or other holder of record to request information about householding.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

If, at the time of the Meeting, any of the nominees is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy will be exercised to vote for a substitute candidate designated by the Board, unless the Board chooses to reduce its own size. Compensation of Directors

This section provides information regarding the compensation policies for non-employee directors and amounts earned and securities awarded to these directors in fiscal 2011. Employee directors are not compensated for their services as a director. D. James Bidzos, a director, is the Company's Executive Chairman, President and Chief Executive Officer. As an employee of the Company, Mr. Bidzos does not participate in the compensation program for non-employee directors, and he is compensated as an executive officer of the Company. Mark McLaughlin, the Company's former President and Chief Executive Officer, also served as a director until his resignation from the Board effective July 27, 2011. Mr. McLaughlin did not participate in the compensation program for non-employee directors and was compensated as an executive officer of the Company. Messrs. Bidzos and McLaughlin's compensation are described in Executive Compensation elsewhere in this Proxy Statement.

Non-Employee Director Retainer Fees and Equity Compensation Information

On July 26, 2011, the Compensation Committee met to consider the cash and equity-based compensation to be paid to non-employee directors. The Compensation Committee reviewed competitive market data prepared by Frederic W. Cook & Co. (FW Cook), its independent compensation consultant, for the same comparator group used to benchmark executive compensation and certain available information for other boards and reviewed the

board compensation practices of these companies. For information about the comparator group, see Executive Compensation Compensation Discussion and Analysis. Following this review and consideration of the recommendations made by FW Cook, the Compensation Committee determined that it was in the best interests of Verisign and its stockholders that the annual \$200,000 equity award grant to each director be made solely in the form of restricted stock units (RSUs). New directors are granted an equity award equal to the pro rata amount of such annual equity award, the amount of which is determined based on the date of such new director s appointment or election to the Board.

During fiscal 2011, annual cash retainer fees were as follows:

Annual retainer for non-employee directors	\$ 40,000
Additional annual retainer for Non-Executive Chairman of the Board(1)	\$ 100,000
Additional annual retainer for Lead Independent Director	\$ 25,000
Additional annual retainer for Audit Committee members	\$ 25,000
Additional annual retainer for Compensation Committee members	\$ 20,000

Additional annual retainer for Audit Committee Chairperson	\$ 15,000
Additional annual retainer for Compensation Committee Chairperson	\$ 10,000
Additional annual retainer for Corporate Governance and Nominating Committee Chairperson	\$ 5,000

(1) The position of Non-Executive Chairman of the Board was not held during 2011, and as such no annual retainer fees were paid during this period. Non-employee directors are reimbursed for their expenses in attending meetings.

The Board Recommends a Vote FOR the Election of Each of the Nominated Directors.

CORPORATE GOVERNANCE

Independence of Directors

As required under The NASDAQ Stock Market's listing standards, a majority of the members of our Board must qualify as independent, as determined by the Board. The Board consults with our legal counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of The NASDAQ Stock Market.

Consistent with these considerations, after review of all relevant transactions and relationships between each director, or any of his or her family members, and Verisign, our executive officers or our independent registered public accounting firm, the Board affirmatively determined on February 22, 2012 that the majority of our Board is comprised of independent directors. Our independent directors are: Mr. Chenevich, Ms. Cote, Mr. Roach, Mr. Simpson, and Mr. Tomlinson. Each director who serves on the Audit Committee, the Compensation Committee or the Corporate Governance and Nominating Committee is an independent director. Mr. Bidzos serves as Executive Chairman, President and Chief Executive Officer. During 2009, Mr. Moore served as a consultant assisting Verisign in the divestiture of its Communications Services business.

Board Leadership Structure

The Board regularly considers the appropriate leadership structure for the Company and has concluded that the Company and its shareholders are best served by not having a formal policy on whether the same individual should serve as both Chief Executive Officer and Chairman of the Board. This flexibility allows the Board to utilize its considerable experience and knowledge to elect the most appropriate director as Chairman, while maintaining the ability to separate the Chairman of the Board and Chief Executive Officer roles when necessary. This determination is made according to what the Board believes is best to provide appropriate leadership for the Company at such time. Currently, the Company's seven-member Board is led by Chairman D. James Bidzos. Mr. Bidzos is also an officer of the Company, serving as its Executive Chairman, President and Chief Executive Officer. The Board has appointed a Lead Independent Director, who is currently William L. Chenevich. The Lead Independent Director presides at all meetings of the Board at which the Chairman of the Board is not present. Five of the seven directors are independent.

The Board has determined that its current leadership represents an appropriate structure for the Company. In particular, this structure capitalizes on the expertise and experience of Messrs. Bidzos and Chenevich due to their long-tenured service to the Board. The structure permits Mr. Bidzos to engage in the operations of the Company in a more in-depth way as Executive Chairman, President and Chief Executive Officer. Lastly, the structure ensures Board independence from management by permitting the Lead Independent Director to call and chair meetings of the independent directors separate and apart from the Chairman of the Board.

Mr. Bidzos was a founder of the Company and its initial Chief Executive Officer, and he has been either Chairman or Vice Chairman of the Company's Board of Directors since the Company's founding in 1995. Mr. Bidzos's current tenure as Chairman of the Board dates to August 2007. Mr. Bidzos was appointed Executive Chairman, President and Chief Executive Officer on an interim basis of Verisign on June 30, 2008. On January 14, 2009, Mr. Bidzos resigned as President on an interim basis, and on August 17, 2009, Mr. Bidzos resigned as Executive Chairman and Chief Executive Officer on an interim basis and was appointed Executive Chairman of Verisign. On August 1, 2011, Mr. Bidzos was appointed President and Chief Executive Officer, following the resignation of Mark McLaughlin. Mr. Chenevich has also been a member of the Board since the Company's founding in 1995 and has been the Lead Independent Director since February 2009.

Board Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and

Table of Contents

regulatory, and strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives these reports from the appropriate member of senior management responsible for mitigating these risks within the organization to enable it to understand our risk identification, risk management and risk mitigation strategies. When a committee receives a report on risks under its purview, the Chairperson of the relevant committee reports on the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Board and Committee Meetings

The Board met five times and its committees collectively met fifteen times during 2011. During his or her tenure on the Board, in fiscal 2011, no director attended fewer than 75% of the aggregate of (i) the total number of meetings held by the Board and (ii) the total number of meetings held by all committees on which he or she served. As the Lead Independent Director, Mr. Chenevich may schedule and conduct separate meetings of the independent directors and perform other similar duties.

Board Members Attendance at the Annual Meeting

Although we do not have a formal policy regarding attendance by members of the Board at our annual meeting of stockholders, we encourage directors to attend. Two members of the Board attended our 2011 Annual Meeting of Stockholders.

Corporate Governance and Nominating Committee

The Board has established a Corporate Governance and Nominating Committee to recruit, evaluate, and nominate candidates for appointment or election to serve as members of the Board, recommend nominees for committees of the Board, recommend corporate governance principles and periodically review and assess the adequacy of these principles, and review annually the performance of the Board. The Corporate Governance and Nominating Committee is currently composed of Ms. Cote (Chairperson) and Messrs. Chenevich, Simpson and Tomlinson, each of whom has been determined by the Board to be an independent director under the rules of The NASDAQ Stock Market. The Corporate Governance and Nominating Committee operates pursuant to a written charter. The Corporate Governance and Nominating Committee's charter is located on our website at <https://investor.verisign.com/documents.cfm>. The Corporate Governance and Nominating Committee met four times during fiscal 2011.

In nominating candidates for election to the Board, the Corporate Governance and Nominating Committee considers the performance and qualifications of each potential nominee or candidate, not only for his or her individual strengths but also for his or her potential contribution to the Board as a group. While it has no express policy, in carrying out this responsibility the Corporate Governance and Nominating Committee also considers additional factors, such as diversity of business administration specialty, expertise within industries and markets tangential or complementary to the Company's industry, and business contacts among the various market segments relevant to the Company's sales, human resource and development strategies. Additionally, pursuant to its charter, the Corporate Governance and Nominating Committee evaluates and reviews with the Board the criteria for selecting new directors, including skills and characteristics, in the context of the current composition of the Board and its committees.

The Corporate Governance and Nominating Committee considers candidates for director nominees proposed by directors and stockholders. The Corporate Governance and Nominating Committee may also from time to time retain one or more third-party search firms to identify suitable candidates. The Corporate Governance and Nominating Committee has an agreement in place with an executive search firm to conduct searches for new independent directors for the Board from time to time, at the Corporate Governance and Nominating Committee's request.

Table of Contents

The Corporate Governance and Nominating Committee will consider all candidates identified by the directors, chief executive officer, stockholders, or third-party search firms through the processes described above, and will evaluate each of them, including incumbents and candidates nominated by stockholders, based on the same criteria.

If you would like the Corporate Governance and Nominating Committee to consider a prospective candidate, in accordance with our Bylaws, please submit the candidate's name and qualifications to: Richard H. Goshorn, Secretary, VeriSign, Inc., 12061 Bluemont Way, Reston, Virginia 20190.

Audit Committee

The Board has established an Audit Committee that oversees the accounting and financial reporting processes at the Company, internal control over financial reporting, audits of the Company's financial statements, the qualifications of the Company's independent auditor, and the performance of the Company's internal audit department and the independent auditor. The independent auditor reports directly to the Audit Committee, and the Audit Committee is responsible for the appointment (subject to stockholder ratification), compensation and retention of the independent auditor. The Audit Committee also oversees the Company's processes to manage business and financial risk, and compliance with significant applicable legal and regulatory requirements, and oversees the Company's ethics and compliance programs. The Audit Committee is currently composed of Messrs. Chenevich (Chairperson) and Roach and Ms. Cote. Each member of the Audit Committee meets the independence criteria of The NASDAQ Stock Market and the SEC. Each Audit Committee member meets The NASDAQ Stock Market's financial knowledge requirements, and the Board has determined that the Audit Committee has at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities as required by Rule 5605(c)(2) of The NASDAQ Stock Market. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and The NASDAQ Stock Market. The Audit Committee's charter is located on our website at <https://investor.verisign.com/documents.cfm>. The Audit Committee met five times during fiscal 2011.

Audit Committee Financial Expert

Our Board has determined that William L. Chenevich, Kathleen A. Cote and John D. Roach are audit committee financial experts as such term is defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the Exchange Act). Messrs. Chenevich and Roach and Ms. Cote meet the independence requirements for audit committee members as defined in the applicable listing standards of The NASDAQ Stock Market.

Report of the Audit Committee

The information contained in this report shall not be deemed to be soliciting material or filed with the Securities and Exchange Commission (SEC) or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act) except to the extent that Verisign specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the Securities Act) or the Exchange Act.

The Audit Committee is composed of three directors who meet the independence and experience requirements of The NASDAQ Stock Market Rules. The Audit Committee operates under a written charter adopted by the board of directors (the Board) of VeriSign, Inc. (Verisign). The members of the Audit Committee are Messrs. Chenevich (Chairperson) and Roach, and Ms. Cote. The Audit Committee met five times during fiscal 2011.

Management is responsible for the preparation, presentation and integrity of Verisign's financial statements, accounting and financial reporting principles and internal controls and processes designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accounting standards and applicable laws and regulations (the Internal Controls). The independent registered public accounting firm, KPMG LLP (KPMG), is responsible for performing an independent audit of Verisign's consolidated financial statements and the effectiveness of the Company's internal control over financial reporting in accordance with standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon.

The Audit Committee is responsible for oversight of Verisign's financial, accounting and reporting processes and its compliance with legal and regulatory requirements. The Audit Committee is also responsible for the appointment, compensation and oversight of Verisign's independent registered public accounting firm, including (i) evaluating the independent registered public accounting firm's qualifications and performance, (ii) reviewing and confirming the independent registered public accounting firm's independence, (iii) reviewing and approving the planned scope of the annual audit, (iv) overseeing the audit work of the independent registered public accounting firm, (v) reviewing and pre-approving any non-audit services that may be performed by the independent registered public accounting firm, (vi) reviewing with management and the independent registered public accounting firm the adequacy of Verisign's Internal Controls, and (vii) reviewing Verisign's critical accounting policies, the application of accounting principles and conduct of the audit, including the oversight of the resolution of any issues identified by the independent registered public accounting firm.

We have adopted a policy regarding rotation of the audit partners (as defined under SEC rules) responsible for the audit of Verisign's financial statements. The registered public accounting firm shall not provide audit services to Verisign if the lead or coordinating audit partner (having primary responsibility for the audit) or the audit partner responsible for reviewing the audit has performed audit services for Verisign in each of the five previous fiscal years.

During fiscal 2011, the Audit Committee met privately with KPMG to discuss the results of the audit, evaluations by the independent registered public accounting firm of Verisign's Internal Controls and quality of Verisign's financial reporting.

The Audit Committee has reviewed and discussed the audited consolidated financial statements contained in Verisign's Annual Report on Form 10-K for the year ended December 31, 2011 with management. This review included a discussion of the accounting principles, reasonableness of significant judgments, and clarity of disclosures in the consolidated financial statements. Management represented to the Audit Committee that Verisign's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and the Audit Committee has reviewed and discussed the consolidated financial statements with management and KPMG.

The Audit Committee has discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received from KPMG the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the firm's independence with the firm.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in Verisign's Annual Report on Form 10-K for the year ended December 31, 2011, for filing with the SEC.

Legal Proceedings

On March 5, 2012, a complaint entitled *Warhanek v. Bidzos, et al.* was filed in the United States District Court for the District of Delaware. The complaint asserts derivative claims on behalf of Verisign against current directors D. James Bidzos, William L. Chenevich, Roger H. Moore, Kathleen A. Cote, John D. Roach, Louis A. Simpson, Timothy Tomlinson and a former director, President and Chief Executive Officer Mark D. McLaughlin (the Director Defendants). The complaint also asserts one derivative claim against officers and certain former officers Richard H. Goshorn, Christine C. Brennan, and Kevin A. Werner (the Executive Defendants, and together with the Director Defendants and nominal defendant Verisign, the Defendants).

The complaint alleges that the Director Defendants fraudulently obtained shareholder approval of certain incentive-based compensation plans by misrepresenting the tax deductibility of certain compensation paid to Verisign's executive officers, including the Executive Defendants. Verisign adopted and obtained shareholder approval of several incentive-based compensation plans, including a 2010 Annual Incentive Compensation Plan (AICP), and an Amended and Restated VeriSign, Inc. 2006 Equity Incentive Plan (2006 Plan) and these plans were submitted to shareholders for approval in the 2010 and 2011 Proxy Statements (the Proxy Statements), respectively. The complaint alleges that the Proxy Statements falsely disclosed, or failed to adequately disclose, the material terms under which performance-based compensation would be paid under the AICP and the 2006 Plan. The complaint further alleges that the Proxy Statements falsely represented that certain compensation paid to certain employees in excess of \$1 million would be tax deductible.

The complaint asserts derivative claims against the Director Defendants for (1) violations of Section 14(a) of the Exchange Act for making false statements in and omitting material facts from the Proxy Statements; (2) breach of fiduciary duty; and (3) waste of corporate assets. The complaint asserts an additional derivative claim against the Director Defendants and Executive Defendants for unjust enrichment based on compensation payments they received under the AICP or the 2006 Plan, as disclosed in the Proxy Statements. No demand was made on the Board to institute this action, and the complaint alleges that any such demand would be futile because each director is either interested or lacks independence with respect to the challenges to the AICP and

Table of Contents

2006 Plan. The relief sought by the complaint includes, among other things, an order nullifying the shareholder approval of the AICP and the 2006 Plan, an injunction requiring correction of the alleged misrepresentations in the Company's Proxy Statements, and an order requiring equitable accounting, with disgorgement, in favor of the Company for the purported losses it has and will sustain.

The Defendants intend to defend this action vigorously.

Code of Ethics

We have adopted a code of ethics that applies to our principal executive officer, principal financial officer and other senior accounting officers. This code of ethics, titled "Code of Ethics for the Chief Executive Officer and Senior Financial Officers," is posted on our website along with the Verisign Code of Conduct that applies to all officers and employees, including the aforementioned officers. The Verisign Code of Conduct applicable to all officers and employees can similarly be found on the Web page for "Ethics and Business Conduct" under the link entitled "Verisign Code of Conduct 2012."

We intend to satisfy any disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of the "Code of Ethics for the Chief Executive Officer and Senior Financial Officers" or, to the extent also applicable to the principal executive officer, principal financial officer, or other senior accounting officers, the Verisign Code of Conduct by posting such information on our website, on the Web page found by clicking through to "Ethics and Business Conduct" as specified above.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who own more than 10% of Verisign's common stock to file initial reports of ownership and reports of changes in ownership with the SEC and The NASDAQ Stock Market. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms that they file. We file Section 16(a) reports on behalf of our directors and executive officers to report their initial and subsequent changes in beneficial ownership of our common stock.

Based solely on a review of the reports we filed on behalf of our directors and executive officers, or written representations from reporting persons that all reportable transactions were reported, the Company believes that all Section 16(a) filing requirements applicable to our directors and executive officers were complied with for fiscal 2011.

PROPOSAL NO. 2

TO APPROVE, ON AN ADVISORY BASIS, VERISIGN'S EXECUTIVE COMPENSATION

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") as codified under Schedule 14A of the Exchange Act and the corresponding SEC rules, Verisign is seeking an advisory stockholder vote with respect to compensation awarded to our Named Executive Officers for 2011 as disclosed in the Compensation Discussion and Analysis section and accompanying compensation tables contained in this Proxy Statement. Pursuant to the Dodd-Frank Act, the stockholder vote on executive compensation is advisory only, and the result of the vote is not binding upon the Company or its Board. Although the resolution is non-binding, the Board and the Compensation Committee will consider the outcome of the advisory vote on executive compensation when making future compensation decisions. On May 26, 2011, the majority of the Company's stockholders voted in favor of an annual non-binding stockholder advisory vote on executive compensation and, in consideration of the outcome of the frequency vote, the Board determined to hold such advisory vote each year. Following the Meeting, the next such non-binding advisory vote to approve Verisign's executive compensation is scheduled to occur at the 2013 Annual Meeting of Stockholders.

Verisign's executive compensation program and compensation paid to the Named Executive Officers are described elsewhere in this Proxy Statement. The Compensation Committee oversees the program and compensation awarded, adopting changes to the program and awarding compensation as appropriate to reflect the Company's circumstances and to promote the main objectives of the program: to provide competitive overall pay relative to peers, taking into account company and individual performance, to effectively tie pay to performance, and to align the Named Executive Officers' interests with stockholders.

This proposal allows our stockholders to express their opinions regarding the decisions of the Compensation Committee on the prior fiscal year's annual compensation to the Named Executive Officers. You may vote *for* or *against* the following resolution, or you may abstain. This vote is advisory and non-binding.

Resolved, that the stockholders approve the compensation of VeriSign, Inc.'s Named Executive Officers, as disclosed under Securities and Exchange Commission rules, including the Compensation Discussion and Analysis section, the compensation tables and related material included in this Proxy Statement.

The Board Recommends a Vote FOR the foregoing resolution.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Discussion and Analysis**

This Compensation Discussion and Analysis (CD&A) provides comprehensive information about our executive compensation program for our fiscal 2011 Named Executive Officers (NEOs), who are listed below, and provides context for the decisions underlying the compensation reported in the executive compensation tables in the Proxy Statement. Our NEOs are:

D. James Bidzos, Executive Chairman, President and Chief Executive Officer (throughout the CD&A the person occupying the position of President and Chief Executive Officer will be referred to from time to time as the CEO);

John D. Calys, Vice President, Interim Chief Financial Officer and Controller;

Richard H. Goshorn, Senior Vice President, General Counsel and Secretary; and

Patrick S. Kane, Senior Vice President and General Manager, Naming Services.
Pursuant to SEC Rules, four executive officers who departed during 2011 are also included as NEOs:

Mark D. McLaughlin, former President and Chief Executive Officer;

Brian G. Robins, former Executive Vice President and Chief Financial Officer;

Christine C. Brennan, former Senior Vice President, Human Resources; and

Kevin A. Werner, former Senior Vice President, Corporate Development and Strategy.
In the sections below, we will describe the material elements of our executive compensation program for 2011, including how we set compensation, how we tie pay to performance and our executive compensation governance practices.

Executive Summary

Verisign's 2011 fiscal year was a year of transition. During the year, we completed the divestiture and winding-down of our non-core businesses and finalized activities related to the 2010 move of our headquarters from California to Virginia. It was also a year of continued focus on our core operations, strong financial results, and continued returns of capital to our stockholders.

2011 Company Performance Highlights: The table below illustrates the results of our strategy to focus our attention and efforts on our core operations in 2011:

Key Financial Measure	Result	2011 vs. 2010 Performance
Revenues	\$ 772.0 million	13% increase
Operating Income	\$ 329.4 million	42% increase

Edgar Filing: VERISIGN INC/CA - Form DEF 14A

Cash Flows from Operating Activities	\$ 335.9 million	56% increase
--------------------------------------	------------------	--------------

In addition to achieving an 18% Total Shareholder Return in 2011 which was comprised of share price appreciation and a special dividend described below, we also took the following actions that returned cash to our stockholders and had significant strategic impact:

Action	Result
Paid a special dividend of \$2.75 per share of our common stock	Total returned to stockholders: \$463.5 million
Repurchased 16.3 million shares of our common stock	Total cost: \$534.6 million
Renewed agreement to serve as authoritative registry operator for .net registry	Renewal preserved material terms of existing agreement including a term of 6 years

2011 Executive Compensation Program Highlights: In 2011, we continued to add performance features to our program and enhance our executive compensation governance practices. The following table provides highlights of our 2011 program and changes made in 2011:

Item	Action or Change	Rationale
Annual base salary increases	No annual base salary increases except the following NEOs received an increase when promoted to a new position: 1) our Executive Chairman from \$40,000 to \$750,000 when he assumed the role of President and Chief Executive Officer, and 2) our Senior Vice President and General Manager, Naming Services from \$248,500 to \$310,000 when he was promoted to Senior Vice President.	Base salaries were already at the median of our peer group (described below).
Annual incentive bonus	Bonus pool was funded at 109.0% of target.	Financial results were above target and the Company met all of its strategic goals.
Long-term incentive compensation	Equity awards to be comprised solely of 50% time-vesting Restricted Stock Units (RSUs) and 50% performance-based RSUs. Performance-based RSUs were new for 2011.	To provide immediate retentive value, link increases in value to increases in stockholder value, and tie long-term incentive compensation to Company performance.
Stock retention policy	Amended definition of Officer to include all Senior Vice Presidents and above, not just Section 16 Officers.	To ensure alignment of all senior-level executives with interests of stockholders.
Peer group	Included companies in our Global Industry Classification (GIC) Industry Group Software & Services that are within 1/3 to 3x our annual revenue and market capitalization with very limited exceptions. (Two companies were included that are in the GIC Industry Group IT Services and one company had a slightly higher market capitalization.)	To ensure our peer group reflects competitive market for talent and companies similar to us in industry, size and complexity.

Compensation Philosophy and Objectives

Verisign's reputation as an industry leader in the secure and reliable operation of the Internet is built on the executive talent we are able to attract and retain. Our executive compensation program is designed to ensure we have the talent we need to maintain our current high performance standards and grow our business for the future. Our philosophy is to provide a mix of compensation that motivates our executives to achieve our short and long-term performance goals and ultimately creates value for our stockholders.

Table of Contents

Our executive compensation program is designed with the following objectives in mind:

Objective	Program Design Element
Attract and retain talented executives	Provide a competitive level of total direct compensation (base salary, bonus and long-term incentive) by benchmarking against our competitors in our peer group.
Tie a significant portion of executives' compensation to achievement of the Company's performance objectives	<p>Provide a significant amount of executive compensation in the form of RSUs that have retentive value as they vest over a four-year period.</p> <p>Program is weighted in favor of annual and long-term incentives. Performance objectives are tied to stockholder value creation in the form of stock price appreciation and other financial and strategic goals.</p>
Align the interests of our executives with our stockholders	<p>Under the annual incentive program, awards based on Company performance are further modified up or down based on individual performance to closely align executives' actions with their compensation.</p> <p>Provide annual equity grants that vest over a four-year period and are comprised of 50% time-vesting RSUs and 50% performance-based RSUs.</p>
<i>Pay and Performance Relationship:</i> Attracting and retaining the level of executive talent we need to be successful is a key objective of our executive compensation program. However, it is equally important that our executives are motivated and rewarded to achieve objectives that provide long-term benefits to our stockholders. We have designed our executive compensation program so that a significant amount of our NEOs' compensation is performance-based to ensure the actual compensation paid to our executives is appropriately aligned with our Company's performance and stockholders' long-term interests. The charts below illustrate our emphasis on performance-based compensation elements: annual incentive bonus and long-term incentive compensation.	<p>Require executives to retain 50% of net shares acquired under equity awards until six months after termination of employment.</p>

Note that the President and CEO Pay Mix at Target chart represents the fiscal 2011 target total direct compensation of our former CEO, Mark McLaughlin, and does not reflect fiscal 2011 compensation for D. James Bidzos, our current President and CEO. Mr. Bidzos was primarily compensated based on a role other than that of permanent CEO so it is not representative of our ongoing compensation philosophy for the CEO position. The NEOs Excluding CEO Pay Mix at Target chart does not reflect fiscal 2011 compensation for Messrs. Calys and Werner. Mr. Calys 2011 compensation was primarily based on his role as Controller and not representative of our executive compensation program. Mr. Werner did not receive an annual bonus or equity grant in 2011 because of his anticipated departure.

Our Process for Setting Compensation

Role of the Compensation Committee: The Compensation Committee of our Board of Directors oversees our compensation and benefit programs and sets the policies that govern compensation of our executive officers, including NEOs, and other employees. As part of its role in determining executive compensation, the Compensation Committee annually:

Reviews and makes changes as appropriate to the peer group used to benchmark competitive compensation levels for our executive officers;

Reviews and approves design elements of executive officer compensation for market competitiveness, and alignment with Company performance;

Sets performance goals for our annual and long-term incentive compensation programs;

Reviews the Board's assessment of the individual performance of the CEO achieved during the fiscal year and approves any adjustments to base salary, and annual incentive and equity awards based on this assessment; and

Reviews the CEO's assessment of individual performance of each executive officer in conjunction with performance achieved during the fiscal year and approves any adjustments to base salary, and annual incentive and equity awards based on this assessment.

Role of Management: The CEO annually reviews the performance of each executive officer, other than the CEO (whose performance is reviewed by the Board), and makes recommendations for base salary adjustments, incentive bonus payouts and equity awards based on this assessment. The CEO also reviews each Senior Vice President level employee's performance and compensation recommendations with the Compensation Committee.

Role of External Compensation Consultant: The Compensation Committee has engaged Frederic W. Cook & Co. (FW Cook) as its external consultant to assist it in evaluating and analyzing the Company’s executive compensation program, principles and objectives, specific compensation design recommendations by the Company’s management, and provide recommendations to the Compensation Committee for any changes to the CEO’s compensation. The external consultant provides the following services to the Compensation Committee:

Analyzes the NEOs’ annual compensation based on comparisons to the Company’s peer group, including comparisons against target and actual total compensation and advises the Compensation Committee on the appropriateness of management’s recommendations for any changes to the NEOs’ compensation;

Reviews the Company’s peer group annually and provides recommendations for changes as appropriate;

Advises the Compensation Committee on best practices related to governance and design of executive compensation programs; and

Reviews the draft CD&A.

FW Cook performs no other services for the Company.

Competitive Market Assessment: Each year, we assess the competitiveness of our NEOs’ base salary, annual incentive bonus targets and long-term incentive compensation targets (element by element and in the aggregate) by comparing our program to certain publicly-traded high technology companies that we view as our competitors for executive talent. We examine the compensation data of our peer group and also reference broader publicly-available survey data for high technology companies that are comparable to us in revenue scope.

Although the Compensation Committee carefully considers market data of our peer group and survey data for our industry and size, the Compensation Committee does not target a specific percentile when determining total compensation for its NEOs. The Compensation Committee also considers an executive’s individual performance, future potential, and scope of responsibilities and experience. Generally, the Compensation Committee targets median of the peer group, and actual total direct compensation may be above or below median depending on the described considerations.

Each year, the Compensation Committee reviews the peer group with the assistance of its external consultant and makes changes as appropriate in order to ensure it continues to appropriately reflect the competitive market for executive talent.

For 2011, our peer group was made up of the following 18 companies:

Akamai Technologies	FactSet Research Systems	Rackspace Hosting
ANSYS	Informatica	Red Hat
Autodesk	Jack Henry and Associates	Rovi
BMC Software	MICROS Systems	Salesforce.com
Citrix Systems	Neustar	Solera Holdings
Equinix	Nuance Communications	TIBCO Software

For 2012, the Compensation Committee modified our peer group to include companies in our Global Industry Classification (GICS) Industry Group Software & Services only and those with revenue and market cap 1/3x to 3x that of Verisign, in order to ensure the peer group was even more closely aligned to the Company’s industry and size. This resulted in the elimination of three companies Jack Henry and Associates and Neustar (which are both in the GICS Industry Group IT Services) and Salesforce.com (which has a market cap that is 3.3x that of Verisign).

Table of Contents

The chart below illustrates that Verisign's revenue is below median and just above the 25th percentile as compared to its 2011 peer group, but its market cap is above median (as of 8/31/2011).

Elements of Our Executive Compensation Program

Our executive compensation program is made up of three main elements: base salary, annual incentive bonus and long-term incentive compensation. The chart below shows what we are trying to achieve with each element of compensation, what factors we use to determine actual awards, and how awards are positioned compared to relevant market data.

Base Salary: For 2011, the Compensation Committee reviewed competitive benchmark data provided by FW Cook and recommendations from our Executive Chairman and former CEO regarding each executive's individual performance. Based on that review, the Compensation Committee adjusted NEOs' salaries only if they were promoted to a new position in 2011. The chart below includes detailed information about each NEO's 2010 and 2011 base salary and the rationale for any adjustments.

Name	Position	2010 Base Salary	2011 Base Salary	Rationale for Adjustment
D. James Bidzos	Executive Chairman, President and CEO	\$ 40,000	\$ 750,000	Mr. Bidzos' 2010 base salary was appropriate for his role as Executive Chairman. When he assumed the CEO role, his salary was increased to \$750,000.
John D. Calys	Vice President, Interim CFO and Controller	\$ 250,000	\$ 250,000	Mr. Calys was hired in December 2010 so he was not eligible for an increase for 2011.
Richard H. Goshorn	Senior Vice President, General Counsel and Secretary	\$ 400,000	\$ 400,000	Mr. Goshorn's base salary was between median and 75th percentile of the peer group, so no adjustment was made for 2011.
Patrick S. Kane	Senior Vice President and General Manager, Naming Services	\$ 248,500	\$ 310,000	Mr. Kane received an increase in January 2011 when he was promoted to Senior Vice President.
Mark D. McLaughlin	Former President and Chief Executive Officer	\$ 750,000	\$ 750,000	Mr. McLaughlin's base salary was between median and 75th percentile of the peer group so no adjustment was made for 2011.
Christine C. Brennan	Former Senior Vice President, Human Resources	\$ 375,000	\$ 375,000	Ms. Brennan's base salary was between median and 75th percentile of the peer group so no adjustment was made for 2011.
Brian G. Robins	Former Executive Vice President and CFO	\$ 400,000	\$ 400,000	Mr. Robins' base salary was between median and 75th percentile of the peer group so no adjustment was made for 2011.
Kevin A. Werner	Former Senior Vice President, Corporate Development and Strategy	\$ 375,000	\$ 375,000	Mr. Werner's position was eliminated in April 2011 due to the Company's reorganization so no increase was made for 2011.

Annual Incentive Bonus: We provide annual cash bonuses to our employees, including our executive officers, under the Verisign Performance Plan (VPP) based on the Company's achievement of pre-established financial and strategic operational goals, as well as, individual performance.

The target annual incentive opportunity for each of our executive officers is determined based on comparison to our peer group and information obtained from relevant survey data. Each of the target percentages for our NEOs was at median or slightly below as compared to our peer group. For 2011, the Compensation Committee approved the following bonus targets as a percent of base salary for our NEOs:

NEOs	2011 Bonus Target as a % of Base Salary
CEO	100%
Executive Vice President and CFO	75%
Senior Vice President	60%

The Compensation Committee determines actual annual incentive award payments for our executives, including NEOs, taking into account the Company's performance and individual performance. The Company's performance determines the level of funding for the annual incentive bonus. The Compensation Committee then considers, and approves as appropriate, management's recommendation for modifying any individual awards above or below the level of funding based on an assessment of individual performance, subject to the overall limit on individual bonus payments described below for NEOs under *Tax Treatment of Executive Compensation*.

Table of Contents

The Company performance goals for fiscal 2011 were approved by the Compensation Committee in January 2011 and were based on four measures: two financial measures Revenue and Non-GAAP Operating Income, both weighted equally at 25% and two strategic operational measures .Net Contract Renewal weighted 40% and Network Intelligence & Availability (NIA) Bookings weighted 10%. The financial measures were the same as 2010 but the two strategic measures were introduced for the first time in 2011 based on their importance to the Company's continued success.

Consolidated Non-GAAP Operating Income is determined by excluding from the Company's consolidated operating income the following items that are included under GAAP: discontinued operations, non-core businesses in continuing operations, stock-based compensation, amortization of other intangible assets, impairments of goodwill and other intangible assets and restructuring costs. We use this non-GAAP performance measure because we believe it presents a clearer picture of the performance of the Company's core operations.

Our .net Registry Agreement with the Internet Corporation for Assigned Names and Numbers (ICANN) was up for renewal in 2011. This agreement designates Verisign as the sole registry operator for domain names in the .net top-level domain. Because this designation is a key strategic role for Verisign, the successful renewal of this Agreement was selected as a strategic operational goal and weighted at 40%. Successful completion of this goal was defined as maintaining or improving all material terms under the expiring Agreement. This goal would either be achieved (100% performance) or not achieved (0% performance).

We believe it is important to grow our business organically and have made significant investments in our Network Intelligence and Availability Services (NIA) business. To emphasize the importance of the growth of this business, we added a strategic goal, NIA Bookings (contracts for NIA services), and weighted it at 10%. Performance levels were defined from threshold to target with no additional amounts earned above target.

For 2011, the Compensation Committee established threshold, target and maximum levels of performance for Revenue of \$715.3M, \$761.0M and \$837.1M, respectively, and Non-GAAP Operating Income of \$320.5M, \$341.0M and \$511.5M, respectively. The Compensation Committee determined that we achieved Revenue of \$772.0M and Non-GAAP Operating Income of \$377.9M (114.4% and 121.6% of target, respectively). (Non-GAAP Operating Income was actually achieved at \$383.8M. The \$5.9M difference was related to reversal of a penalty from 2008 and the Committee determined that it should not be used in determining 2011 performance.) The .net Agreement was successfully renewed for a 100% of target performance level. Threshold and target levels of performance for NIA Bookings were set at \$23.9M and \$25.4M, respectively with no additional payout for above target performance. The Compensation Committee determined that we achieved the NIA Bookings target of \$25.4M. The chart below illustrates how this performance affected the funding level resulting in a funding multiplier of 109.0% (the Funding Multiplier) for the VPP bonus plan.

Table of Contents

In order to establish actual award amounts under the VPP bonus plan, the Compensation Committee also made a determination as to individual performance.

The chart below indicates the Compensation Committee's determination of actual annual incentive bonus award for each 2011 NEO under the 2011 VPP bonus plan, including its consideration of the CEO's assessment of individual performance.

Name	Position	2011 Base Salary	Bonus		2011 Actual Bonus Payment			Payout Amount	Notes
			Target as a % of Base Salary	Payout as a % of Base Salary	Funding Multiplier as a % of Target	Payout as a % of Target	Payout Amount		
John D. Calys	Vice President, Interim CFO and Controller	\$250,000	35%	46%	109%	130%	\$113,750	Mr. Calys' performance was rated above target due to his successfully serving in the Interim CFO role and so his actual payout was adjusted above the funding multiplier to 130%.	
Richard H. Goshorn	Senior Vice President, General Counsel and Secretary	\$400,000	60%	72%	109%	120%	\$288,000	Mr. Goshorn's performance was rated above target due to his role in resolving significant litigation during 2011, and so his actual payout was adjusted above the funding multiplier to 120%.	
Patrick S. Kane	Senior Vice President and General Manager, Naming	\$310,000	60%	67%	109%	112%	\$208,320 pro-rated for date of promotion so that actual award was \$206,102	Mr. Kane's performance was rated above target due to the successful renewal of the .net Agreement and other leadership goals he accomplished during 2011, and so his actual payout was adjusted above the funding multiplier to 112%. Mr. Kane's actual payout amount was pro-rated from the date of his promotion to Senior Vice President in January 2011.	

Mr. McLaughlin, Mr. Robins, Ms. Brennan and Mr. Werner did not participate in the VPP bonus plan due to their departure during 2011. Mr. Bidzos, our Executive Chairman, President and CEO, did not participate in the 2011 VPP bonus plan, but he did receive a discretionary bonus of \$340,625 for his service in 2011. The bonus was determined by using a 100% of base salary target (median for our peer group) times the Funding Multiplier (109.0%) modified for the length of time he served in the role of CEO in 2011 (5 months). Mr. McLaughlin also

Table of Contents

received a discretionary bonus of \$200,000 for his service during 2011, and Mr. Werner received a discretionary bonus of \$400,000 that was paid in 2011 for his performance in 2010 managing the divestiture process and his contributions in the sale of the Authentication Services business of Symantec.

Long-Term Incentive Compensation: Equity-based grants are an important element of our total compensation program. Consistent with our compensation philosophy, we believe it is important that these awards have a performance component and are aligned with the performance of our stock price and total shareholder return. The actual award amounts are based on several factors including competitiveness as determined by our peer group and relevant survey data provided by FW Cook, job responsibilities and experience, individual contributions, and future potential.

In 2011, the Compensation Committee decided to grant long-term equity compensation to our executive officers only in the form of performance-based RSUs and time-vesting RSUs and eliminated stock option grants. The time-vesting RSUs provide strong retentive value for our executive talent as they vest over four years and are also linked to increases in stockholder value creation as their value goes up or down with the Company's stock price. The performance-based RSUs provide a performance element that is linked to Company financial and operational performance as well as increases in stockholder value and also provide a retention incentive as they vest over the same time period as the time-vesting RSUs.

The performance measures used for 2011 for the performance-based RSUs included four measures: two financial measures Revenue and Non-GAAP Operating Income, both weighted equally at 25%, .Net Contract Renewal, weighted 40% and NIA Bookings, weighted 10%. For 2011, the Compensation Committee determined that the performance achieved was 109.0% of target. (The measures as well as the 2011 performance achieved are described more specifically above.) The number of RSUs was adjusted by the performance achieved, so the actual grant of RSUs was higher than the initial grant and could potentially have been lower and even as low as 0 if the performance measures had not been achieved. The Compensation Committee used these performance measures due to their positive alignment with stockholder value creation and to reinforce the importance of the .Net Contract Renewal to the Company's long-term business success.

The chart below illustrates the vesting schedule and performance metrics for the 2011 equity grants.

Other than with respect to Mr. Bidzos, the RSUs were granted on February 22, 2011 at the regularly scheduled Compensation Committee meeting. The number of RSUs to be granted to individual executives (time-vesting and performance-based) was based on the grant date fair value of the RSUs and the total amount determined by the Compensation Committee to be appropriate based on the factors discussed above. The chart below shows the number of RSUs granted to each NEO in 2011 and the number of performance-based RSUs that were earned in 2012 based on 2011 performance at 109.0% of target.

CEO Compensation: Mark McLaughlin resigned as our President and CEO on July 27, 2011, effective August 1, 2011. At that time, Jim Bidzos, our Executive Chairman, was appointed President and CEO, effective August 1, 2011, until a replacement could be hired.

Our philosophy is that our CEO should be primarily compensated in the form of performance-based compensation. We place the greatest emphasis on the annual and long-term incentive compensation elements when determining appropriate compensation levels, and especially emphasize equity compensation. We believe that it is important that our CEO make decisions that are in the best interests of our stockholders and we reinforce that philosophy through our executive compensation program.

Mr. McLaughlin's 2011 compensation was determined by the Compensation Committee as part of its annual review of executive compensation in February 2011. Based on data provided by FW Cook for CEOs in our peer group, the Compensation Committee did not make any adjustments to Mr. McLaughlin's base salary or target bonus opportunity as both were either above or at median of the peer group. The same data was also reviewed for determining his annual equity grant, and he was awarded 42,700 time-vesting RSUs and 42,700 performance based RSUs with a total grant date fair value of \$2,997,540. This amount was slightly below median of the peer group. When Mr. McLaughlin resigned his employment in 2011, none of the 2011 equity award had vested and the RSUs were forfeited.

When Mr. Bidzos accepted the role of President and CEO in addition to his role as Executive Chairman in August 2011, it was anticipated that he would serve in a temporary capacity until a permanent CEO could be found. Therefore, the only adjustments made to his compensation were an increase in base salary from \$40,000 to \$750,000 due to his significantly increased job responsibilities and an equity grant of 130,505 RSUs with a grant date fair market value of \$3,997,998 that would vest over one year—the anticipated length of his assignment. The value of the equity grant was above median and below the 75th percentile for CEOs in our peer group. Mr. Bidzos did not participate in the annual incentive bonus program as it was not anticipated he would stay in the role permanently. As Mr. Bidzos has served the Company in the CEO role in the past, his compensation was determined based on a fully experienced CEO. The Compensation Committee and FW Cook felt Mr. Bidzos' compensation was appropriate given the level and value of his experience. Additionally, because Mr. Bidzos was located in California and the Company's headquarters are in Virginia, the Company also provided Mr. Bidzos with a corporate-leased apartment and automobile while he was in Virginia. The Compensation Committee approved a value not to exceed \$10,000 per month for the apartment, costs associated with the apartment such as cleaning services and utilities, and the automobile. Mr. Bidzos' expenses for the apartment and automobile in 2011 were less than \$20,000 in total.

Mr. Bidzos did not participate in the 2011 VPP Bonus Plan, because he originally accepted the role in a temporary capacity until a permanent CEO could be hired. When Mr. Bidzos later agreed to fill the CEO role on

Table of Contents

a permanent basis, no change was made to his compensation. Therefore, in February 2012, the Compensation Committee awarded Mr. Bidzos a special discretionary bonus for his service during 2011. The amount of this bonus was determined by applying the 2011 VPP Funding Multiplier under the annual incentive plan and using a 100% of base salary target bonus amount pro-rated for the length of time Mr. Bidzos served in the CEO role in 2011. The target bonus amount of 100% of base salary was at median for CEOs in our peer group. The result of this calculation was a bonus in the amount of \$340,625.

Mr. Bidzos is eligible for certain payments and benefits in the event of a change-in-control but is not otherwise eligible for any severance payments. His change-in-control agreement provides for two times his base salary and bonus and a payment equivalent to two years of continuation of health benefits if he participates in the Company's health plans (currently he does not). The other terms of his change-in-control agreement are the same as other executive officers as described below.

Governance Features of our Executive Compensation Program

Stock Retention Policy: Our stock retention policy applies to all of our executive officers and board members. In 2011, we also amended the policy so that all employees at Senior Vice President level and above are now subject to the policy. Under the policy, participants are required to retain, until six months after the participant ceases employment or board service with the Company, 50% of net shares (which is the number of issued shares of Company common stock after taxes and/or payment of exercise price) of Company common stock that are issued under equity awards received by the employee or board member on or after the date the policy becomes applicable to the participant. We believe requiring senior employees and board members to continue to retain stock after their service with the Company ceases is important to ensure that the value they receive for their equity awards is the same value our stockholders receive and to discourage focus on short-term Company performance that is not sustained. We also believe a stock retention policy has certain advantages over stock ownership requirements (which we had previously) in that a portion of any equity award received must be retained. We have no cap on the number of shares that must be retained. Stock ownership requirements have a cap and once that cap is reached, additional shares do not need to be retained. Our Stock Retention Policy can be found on our website at <https://investor.verisign.com/policies.cfm>.

Securities Trading Policy: Our Securities Trading Policy prohibits executive officers from buying or selling derivative securities related to our common stock, such as puts or calls on our common stock. We believe derivative securities diminish the alignment of incentives between our executives and stockholders. The Policy also prohibits executive officers from entering into agreements or purchasing instruments designed to hedge or offset decreases in the market value of the Company's securities. Additionally, under this Policy, our executive offices can only purchase and sell our common stock during approved trading windows. These windows are timed based on our earnings releases.

Recoupment of Incentive Compensation: The Compensation Committee adopted an executive compensation recoupment policy in March 2010 that applies to the annual and long-term incentive awards. If there is an inaccurate financial statement, and, as a result, an executive officer received materially more incentive compensation than he or she would have, the Compensation Committee has the discretion to seek recovery of this overpayment either by limiting future awards or directly seeking repayment. In the case of fraudulent, intentional, willful or grossly negligent misconduct by the recipient of an award, the Compensation Committee can recoup previous incentive awards paid regardless of when the awards were paid to the executive. If the inaccuracy is not the result of these circumstances, the Compensation Committee can only recover incentive awards paid based on the inaccuracy if they were paid in the three years prior to the determination that the financial statement was inaccurate.

Equity Award Practices: The Compensation Committee approves all equity awards to NEOs and Senior Vice President level employees, the aggregate annual equity pool and employee grant guidelines and all equity awards to all employees during the annual grant process, which generally takes place in February. For employees

Table of Contents

hired during the year that are below the Senior Vice President level, the Compensation Committee has delegated actual award determination to the Grant Committee which currently has one member, D. James Bidzos. Grant Committee awards are granted on the 15th of the month (or next scheduled trading day if the 15th is not a trading day) following approval by the Grant Committee.

Benefits: We do not provide our executive officers with any benefits in addition to those provided to all of our other U.S.-based employees. All of our U.S.-based employees are eligible for medical, dental and vision insurance, life insurance, short and long-term disability, paid time off, an employee stock purchase plan and a qualified 401(k) salary deferral plan.

Severance Agreements: We generally do not enter into severance or employment agreements with our executive officers, including NEOs, nor do we provide severance or other benefits following termination. However, the Compensation Committee may determine in special circumstances that providing such severance payments and benefits is warranted in order to attract a potential executive officer or for other business considerations. The Compensation Committee determined that severance payments should be approved in connection with the departure from the Company of Ms. Brennan and Mr. Werner. The severance payments were generally based on the severance program provided to employees during the Company's most recent reorganization and were in the amounts of \$485,523 for Ms. Brennan and \$470,406 for Mr. Werner. More detailed information about these severance payments can be found in the footnotes to the Summary Compensation Table.

Risk Assessment: In 2011, we performed a comprehensive assessment of our compensation policies and program design to determine whether risks arising under them would be likely to have a material adverse effect on the Company. We considered each element of all of our compensation programs and policies and our enterprise-wide risk assessment and determined that none of our compensation policies and programs create a risk that is reasonably likely to have a material adverse effect on the Company.

Change-In-Control and Retention Agreements: We have entered into change-in-control and retention agreements with our NEOs and Senior Vice President level executives. These agreements provide for change-in-control severance benefits and payments in the event an executive's employment is terminated in connection with a change in control of the Company. They are double trigger agreements which means the executives will only be eligible for payments under the agreements if both a change-in-control of the Company occurs and the executive's employment is terminated without cause (or by executive for good reason) within 24 months of the change-in-control.

The Compensation Committee believes these agreements are necessary to attract and retain executive talent and to neutralize the personal interests of our executives when making decisions related to beneficial corporate transactions. Each year, the Compensation Committee reviews the provisions of the change-in-control agreements with FW Cook and makes adjustments to ensure they are in line with best corporate governance practices. In 2011, the Compensation Committee approved an amended form of change-in-control agreement that included changes described in more detail under Potential Payments Upon Termination or Change-in-Control elsewhere in this Proxy Statement, and references to the Company's headquarters location which changed during 2010. No other material changes were made to the existing agreements as FW Cook advised the Compensation Committee that they were in line with best practices which include double trigger benefits, severance multiples less than or equal to 2x and the lack of a tax-gross up provision. Additional details about these agreements, including potential payments, may be found in the Potential Payments Upon Termination or Change-in-Control and Change-in-Control Benefit Estimates as of December 31, 2011 table.

Tax Treatment of Executive Compensation: Section 162(m) of the Internal Revenue Code of 1986 limits the amount of compensation in excess of \$1,000,000 that the Company may deduct in any one year with respect to its CEO and three other most highly compensated officers (excluding the CFO) serving at the end of the fiscal year as disclosed in the annual proxy statement. There are exceptions to this deduction limit if the compensation

Table of Contents

is performance-based under Section 162(m). The Company does not limit compensation as a result of Section 162(m) but does try to structure its executive compensation program to maximize the amount of compensation that may be deducted. While base salaries and time-vesting RSUs are subject to the deduction limitation, our performance-based awards, including annual incentive bonus and performance-based RSUs, are generally exempt from the limitation.

In order to ensure that annual incentive bonuses paid to executive officers are fully deductible for tax purposes under Section 162(m), the Company adopted the Annual Incentive Compensation Plan (the "AICP"). The AICP was approved by stockholders at the 2010 Annual Meeting of Stockholders of VeriSign, Inc. held on May 27, 2010 and is the vehicle under which our executive officers' bonuses, determined as described above, are paid.

For 2011, assuming the performance goal was met, each executive officer could be awarded a maximum bonus of 300% of his or her target bonus (but no more than \$5 million), subject to the Compensation Committee's discretion to award bonuses in lesser amounts. The Compensation Committee exercised its discretion to award bonuses in lesser amounts and primarily based the AICP payments on the funding results of the VPP annual bonus program (109.0%).

The performance goal for the AICP was approved by the Compensation Committee at its February 22, 2011 meeting and provided that the Company must achieve Non-GAAP Operating Income in excess of \$50 million. For 2011, Non-GAAP Operating Income was achieved at \$377.9 million.

Results of Shareholder Advisory Votes on Executive Compensation

When the Compensation Committee set compensation amounts for 2012, it took into account the results of the stockholder advisory vote on executive compensation that took place in April 2011. Although the vote was advisory and not binding, our stockholders indicated strong approval and support of our executive compensation program for our NEOs as disclosed in the 2011 Proxy Statement (approximately 98% of the votes were in favor). We believe this strong support indicates that the pay-for-performance emphasis in our executive compensation program is appropriately aligned with the interests of our stockholders. Our stockholders also approved our Board's recommendation to hold advisory votes on an annual basis and so after this meeting, the next say on pay vote will be held at the 2013 Annual Meeting of Stockholders.

Potential Payments Upon Termination or Change-in-Control

Except as described below, the Company has no formal severance program for its Named Executive Officers, each of whom may be terminated at any time at the discretion of the Board. On August 24, 2007, the Compensation Committee adopted and approved forms of change-in-control and retention agreements to be entered into with Verisign's chief executive officer and our other executive officers, and on April 26, 2011 the Compensation Committee approved amendments to those form agreements (such agreements, as amended, the "CIC Agreements"). Such amendments included the following changes, among other revisions: (1) the equity acceleration provision was modified to clarify that if performance shares are accelerated, and the performance period has not been completed, the amount payable is computed as if the performance has been satisfied at the target level; (2) the excise tax provision was amended to provide for an automatic cutback (versus elective) of change-in-control benefits to an amount that avoids the excise tax if such cutback leads to a better after-tax result for the executive; and (3) the COBRA provision was modified to provide that if the executive elects to continue medical coverage under COBRA, Verisign will reimburse the executive's premium, for 24 months for the Chief Executive Officer and for 12 months for all other executives eligible for the CIC Agreement.

Table of Contents

Under the CIC Agreements, an executive officer of the Company is entitled to receive severance benefits if, within the twenty-four months following a change-in-control (or under certain circumstances, during the six-month period preceding a change-in-control), the executive officer's employment is terminated by Verisign without cause or by the executive officer for good reason. The terms and conditions of the CIC Agreements are described below.

Under the CIC Agreements, *change-in-control* means:

(a) any person (as such term is used in Sections 13(d) and 14(d) of the Exchange Act), other than a trustee or other fiduciary holding securities of the Company under an employee benefit plan of the Company or its subsidiaries, becomes the beneficial owner (as defined in Rule 13d-3 promulgated under the Exchange Act), directly or indirectly (excluding, for purposes of this Section, securities acquired directly from the Company), of securities of the Company representing at least thirty-five percent (35%) of (A) the then-outstanding shares of common stock of the Company or (B) the combined voting power of the Company's then-outstanding securities;

(b) the consummation of a merger or consolidation, or series of related transactions, which results in the voting securities of the Company outstanding immediately prior thereto failing to continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity), directly or indirectly, at least fifty (50%) percent of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation;

(c) a change in the composition of the Board occurring within a 24-month period, as a result of which fewer than a majority of the directors are incumbent directors;

(d) the sale or disposition of all or substantially all of the Company's assets (or consummation of any transaction, or series of related transactions, having similar effect); or

(e) stockholder approval of the dissolution or liquidation of the Company.

Under the CIC Agreements, *cause* means:

(a) an executive's willful and continued failure to substantially perform the executive's duties after written notice providing the executive with ninety (90) days from the date of the executive's receipt of such notice in which to cure;

(b) conviction of (or plea of guilty or no contest to) the executive for a felony involving moral turpitude;

(c) an executive's willful misconduct or gross negligence resulting in material harm to the Company; or

(d) an executive's willful violation of the Company's policies resulting in material harm to the Company.

Under the CIC Agreements, *good reason* means:

(a) a change in the executive's authority, duties or responsibilities that is inconsistent in any material and adverse respect from the executive's authority, duties and responsibilities immediately preceding the change-in-control;

(b) a reduction in the executive's base salary compared to the executive's base salary immediately preceding the change-in-control, except for an across-the-board reduction of not more than ten percent (10%) of base salary applicable to all senior executives of the Company;

(c) a reduction in the executive's bonus opportunity of five percent (5%) or more from the executive's bonus opportunity immediately preceding the change-in-control, except for an across-the-board reduction applicable to all senior executives of the Company;

Table of Contents

- (d) a failure to provide the executive with long-term incentive opportunities that in the aggregate are at least comparable to the long-term incentives provided to other senior executives at the Company;
- (e) a reduction of at least 5% in aggregate benefits that the executive is entitled to receive under all employee benefit plans of the Company following a change-in-control compared to the aggregate benefits the executive was eligible to receive under all employee benefit plans maintained by the Company immediately preceding the change-in-control;
- (f) a requirement that the executive be based at any office location more than 40 miles from the executive's primary office location immediately preceding the change-in-control, if such relocation increases the executive's commute by more than ten (10) miles from the executive's principal residence immediately preceding the change-in-control; or
- (g) the failure of the Company to obtain the assumption of the agreement from any successor as provided in the agreement.

If a change-in-control occurs and the executive officer experiences a qualifying termination and timely delivers a general release agreement, the CIC Agreements provide that Verisign will make the following payments and provide the following benefits to the executive officer (subject to a six month delay if and to the extent required by the deferred compensation rules set forth in and promulgated under Section 409A of the Code):

a lump sum equal to the pro rata target bonus for the year in which the executive officer was terminated;

a lump sum equal to a specified multiple of the sum of (i) the executive officer's annual base salary plus (ii) the average of the executive officer's annual bonus amount for the last three full fiscal years prior to a change-in-control, or, if the executive officer was employed by the Company for fewer than three full fiscal years preceding the fiscal year in which the change-in-control occurs, the average target bonus for the number of full fiscal years the executive officer was employed by the Company before the change-in-control or the target bonus for the fiscal year in which the change-in-control occurs if the executive officer was not eligible to receive a bonus from the Company during any of the prior three fiscal years; the applicable multiples are 200% of the annual base salary and bonus for the chief executive officer and 100% of the annual base salary and bonus for other executive officer participants;

if the executive elects to continue medical coverage under COBRA, reimbursement of the executive's premium, for 24 months for the Chief Executive Officer and for 12 months for all other executives;

immediate acceleration of vesting of all of the executive officer's unvested stock options and RSUs; however, if the consideration to be received by stockholders of the Company in connection with the change-in-control consists of substantially all cash or if the stock options and RSUs held by the executive officer are not assumed in the change-in-control, then all of the executive officer's then-unvested and outstanding stock options and RSUs shall vest immediately prior to the change-in-control regardless of whether or not there is a termination of employment in connection therewith; and

if performance shares are accelerated, and the performance period has not been completed, the amount payable is computed as if the performance has been satisfied at the target level.

In addition, the CIC Agreements include the following terms and conditions:

to the extent any change-in-control payments or benefits are characterized as a parachute payment within the meaning of Section 4999 of the Code, and such characterization would subject the executive officer to a federal excise tax due to that characterization, the executive officer's termination benefits will be reduced to an amount so that none of the amounts payable constitute excess parachute payments if this would result in the executive officer's receipt, on an after-tax basis, of the greatest amount of termination and other benefits, after taking into account applicable federal, state and local taxes, including the excise tax under Section 4999 of the Code;

an initial term ending on August 24, 2012 and automatic renewal for one-year periods thereafter unless the Board terminates the CIC Agreement at least 90 days before the end of the then-current term, provided that such termination shall not be effective until the last day of the then-current term; and

the executive officer is prohibited from soliciting employees of Verisign or competing against Verisign for a period of twelve months. The following table shows the value of stock options and RSUs that would have vested for our Named Executive Officers as of December 31, 2011, as well as the additional cash compensation payable, if any, under the change-in-control and termination scenarios described above. The value of stock options is based on the difference between the exercise price of all accelerated options and the market value of our common stock as of December 30, 2011, which was \$35.72.

POLICIES AND PROCEDURES WITH RESPECT TO TRANSACTIONS WITH RELATED PERSONS

Verisign's Audit Committee approved a written *Policy for Entering into Transactions with Related Persons* (the Related Person Transaction Policy) which sets forth the requirements for review, approval or ratification of transactions between Verisign and related persons, as such term is defined under Item 404 of Regulation S-K.

Pursuant to the terms of the Related Person Transaction Policy, the Audit Committee shall review, approve or ratify the terms of any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which (i) Verisign was or is to be a participant and (ii) a related person has or will have a direct or indirect material interest (Related Person Transaction), *except* for those transactions, arrangements or relationships specifically listed in the Related Person Transaction Policy that do not require approval or ratification. In determining whether to approve or ratify a Related Person Transaction, the Audit Committee will take into account, among factors it deems appropriate, whether the Related Person Transaction terms are no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the materiality of the related person's direct or indirect interest in the transaction.

Prior approval of the Audit Committee shall be required for the following Related Person Transactions:

Any Related Person Transaction to which a related person is a named party to the underlying agreement or arrangement; *provided, however,* certain agreements or arrangements between Verisign and a related person concerning employment and any compensation solely resulting from employment or concerning compensation as a member of the Board that have, in each case, been entered into or approved in accordance with policies of Verisign shall not be subject to prior approval of the Audit Committee;

Any Related Person Transaction involving an indirect material interest of a related person where the terms of the agreement or arrangement are not negotiated on an arm's length basis or where the Related Person Transaction is not a transaction in the ordinary course of business; and

Any Related Person Transaction where the total transaction value exceeds \$1,000,000.

On a quarterly basis, the Audit Committee shall review and, if determined by the Audit Committee to be appropriate, ratify any Related Person Transactions not requiring prior approval of the Audit Committee pursuant to the Related Person Transaction Policy.

In the event Verisign proposes to enter into a transaction with a related person who is a member of the Audit Committee or an immediate family member of a member of the Audit Committee, prior approval by a majority of the disinterested members of the Board shall be required and no such member of the Audit Committee for which he or she or an immediate family member is a related person shall participate in any discussion or approval of such transaction, except to provide all material information concerning the Related Person Transaction.

The following Related Person Transactions shall not require approval or ratification by the Audit Committee:

Payment of compensation to executive officers in connection with their employment with Verisign; *provided* that such compensation has been approved in accordance with policies of Verisign.

Remuneration to directors in connection with their service as a member of the Board; *provided* that such remuneration has been approved in accordance with policies of Verisign.

Reimbursement of expenses incurred in exercising duties as an officer or director of Verisign; *provided* that such reimbursement has been approved in accordance with policies of Verisign.
