**Explanatory Note:**

This Amendment No. 1 to Schedule 13D (this First Amendment ) is filed to amend the initial Statement on Schedule 13D relating to the common stock, par value \$0.001 per share (the Common Stock ), of Athersys, Inc., a Delaware Corporation (Athersys or the Issuer ), as filed with the U.S. Securities and Exchange Commission (the SEC ) on March 23, 2018 (the Statement ). Unless set forth below, all previous Items are unchanged, and the Statement remains in full force and effect, except as expressly amended below. Capitalized terms used herein which are not defined herein have the meanings given to them in the Statement.

**Item 2. Identity and Background.**

Schedule A to the Statement is hereby deleted and replaced in its entirety with Schedule A hereto.

**Item 4. Purpose of Transaction.**

The first three paragraphs of Item 4 of the Statement are hereby deleted and replaced in their entirety with the following:

On March 13, 2018, Healios and Athersys entered into a securities purchase agreement (the Purchase Agreement ), pursuant to which Athersys agreed to issue and sell to Healios 12,000,000 shares of Common Stock (the Shares ) and a warrant (the Warrant ) to purchase up to an additional 20,000,000 shares of Common Stock on certain terms and conditions, as described below. The Purchase Agreement was entered into concurrently with a binding letter of intent (the LOI ) to expand Healios' s license to develop MultiStem Products, which expansion could involve the entry by Healios and Athersys into a collaboration expansion agreement, as further described in Athersys' s Current Report on Form 8-K filed on March 16, 2018 (which is incorporated herein by reference).

The issuance of the Shares and the Warrant (the Issuance ) was completed on March 14, 2018, and was subject only to Healios' s payment to Athersys of the aggregate purchase price for the Shares and the Warrant, which was \$21,100,000.00, or approximately \$1.76 per share. In connection with the Issuance, Athersys and Healios entered into an Investor Rights Agreement (the Investor Rights Agreement ), further described below, governing certain rights of Healios and Athersys with respect to Healios' s ownership of Common Stock, including the Shares and any shares of Common Stock issuable upon exercise of the Warrant.

Following the Issuance, Healios and Athersys continued to negotiate the terms of the planned expansion, and on June 6, 2018, Healios and ABT Holding Company (ATHX ), a wholly-owned subsidiary of Athersys, entered into a Collaboration Expansion Agreement (the Collaboration Agreement ). Concurrently with the Collaboration Agreement, Healios and Athersys entered into an amendment to the Warrant (the First Warrant Amendment ), which among other things changed the times at which portions of the Warrant would become exercisable.

The summaries of certain provisions of the Purchase Agreement, Warrant, First Warrant Amendment, Investor Rights Agreement and Collaboration Agreement contained herein are not intended to be complete and are qualified in their entirety by reference, in the case of the Purchase Agreement, Warrant and Investor Rights Agreement, to Athersys' s Current Report on Form 8-K, filed on March 16, 2018, and, in the case of the First Warrant Amendment and Collaboration Agreement to, Athersys' s Current Report on Form 8-K, filed on June 8, 2018, and by reference to the full text of such agreements, filed in the case of the Purchase Agreement, Warrant and Investor Rights Agreement with Athersys' s Quarterly Report on Form 10-Q, filed on May 10, 2018, and to be filed in the case of the First Warrant Amendment and the Collaboration Agreement with Athersys' s next 10-Q, each of which are incorporated herein by reference.

The section Warrant under Item 4 of the Statement is hereby amended and restated in its entirety to read as follows:

The Warrant is comprised of three separate tranches, one of which may be deemed exercisable and the other two of which may become exercisable at certain points in the future, as follows:

For up to 4,000,000 shares of Common Stock, initially exercisable during the period starting on the later of (i) the date on which the Collaboration Agreement was entered into and (ii) the date on which a \$10,000,000 payment from Healios to Athersys, previously held in escrow as contemplated by the LOI and by a separately executed escrow agreement, was released to Athersys, through September 1, 2020. Under the First Warrant Amendment, Healios's satisfaction of its first payment obligation under the Collaboration Agreement also became a condition to the exercisability of this tranche. The exercise price for such shares is the greater of \$1.76 and 110% of the average closing price per share of Common Stock for the 10 trading days immediately preceding (but not including) the date the Warrant is exercised (the Reference Price).

As noted above, Healios and ATHX entered into the Collaboration Agreement on June 6, 2018, and the \$10,000,000 payment that had been previously escrowed was released to Athersys on June 1, 2018. Healios's first payment obligation under the Collaboration Agreement, while not immediately due upon execution of the Collaboration Agreement, could have been satisfied at such time, at Healios's discretion. Accordingly, this first tranche of the warrant may be deemed exercisable as of June 6, 2018.

For up to 6,000,000 shares of Common Stock, initially from and following the date on which Healios makes its initial payment under the Collaboration Agreement, and pursuant to the First Warrant Amendment additionally conditioned on Healios and Athersys entering into either (i) a license for Healios to use Athersys's or its affiliates' intellectual property rights relating to MultiStem products in China or (ii) an option agreement for such license, in either case by September 1, 2018 (the China License Condition). Upon vesting, this tranche of the warrant may be exercised as follows:

<b>Term</b>		<b>Acquirable Shares</b>	<b>Exercise Price</b>
Jun. 1, 2018	Dec. 31, 2018	Up to 1,500,00 shares of Common Stock	\$2.50 per share
Sept. 1, 2018	Mar. 31, 2019	Up to 1,500,00 shares of Common Stock	\$2.75 per share
Jan. 1, 2019	Jun. 30, 2019	Up to 1,500,00 shares of Common Stock	\$3.00 per share
Apr. 1, 2019	Sept. 30, 2019	Up to 1,500,00 shares of Common Stock	\$3.25 per share

As noted above, Healios and Athersys have now entered into the Collaboration Agreement and Healios has made its initial payment thereunder. However, the China License Condition has yet to be satisfied, and requires the mutual agreement of both Healios and Athersys on license or option terms, as applicable, for satisfaction. Accordingly, no part of this tranche is currently exercisable, nor may any part become exercisable at Healios's sole discretion within 60 days following the date hereof.

For up to 10,000,000 shares of Common Stock, initially from and following the date on which Healios makes its initial payment under the Collaboration Agreement, and pursuant to the First Warrant Amendment additionally conditioned on the China License Condition. Upon vesting, this tranche of the warrant may be exercised as follows:

<b>Term</b>	<b>Exercise Price</b>
Jun. 1, 2018	Aug. 31, 2018

Edgar Filing: ATHERSYS, INC / NEW - Form SC 13D/A

		Greater of \$2.50 per share and the Reference Price
Sept. 1, 2018	Nov. 30, 2018	Greater of \$2.75 per share and the Reference Price
Dec. 1, 2018	Feb. 28, 2019	Greater of \$3.00 per share and the Reference Price
Mar. 1, 2019	May 31, 2019	Greater of \$3.25 per share and the Reference Price
Jun. 1, 2019	Aug. 31, 2019	Greater of \$3.50 per share and the Reference Price
Sept. 1, 2019	Nov. 30, 2019	Greater of \$3.75 per share and the Reference Price
Dec. 1, 2019	Feb. 29, 2020	Greater of \$4.00 per share and the Reference Price
Mar. 1, 2020	Sept. 1, 2020	Greater of \$4.25 per share and the Reference Price

As noted above, although Healios has made its initial payment under the Collaboration Agreement, the China License Condition has yet to be satisfied, and remains subject to agreement by Healios and Athersys on the license or option terms, as applicable. Accordingly, no part of this tranche is currently exercisable, nor may any part become exercisable at Healios's sole discretion within 60 days following the date hereof.

Additionally, Healios may not conduct any Warrant exercises that would cause Healios and its affiliates to beneficially own over 19.9% of the Common Stock. The Warrant itself will expire on September 1, 2020, but may be extended under limited circumstances.
