Item 2.01. Completion of Acquisition or Disposition of Assets.

On March 8, 2019, Tivity Health, Inc., a Delaware corporation (Tivity Health), completed its acquisition of Nutrisystem, Inc., a Delaware corporation (Nutrisystem). Pursuant to the terms of the previously announced Agreement and Plan of Merger (the Merger Agreement), dated as of December 9, 2018, among Tivity Health, Sweet Acquisition, Inc., a Delaware corporation and a wholly owned subsidiary of Tivity Health (Merger Sub), and Nutrisystem, Merger Sub merged with and into Nutrisystem, with Nutrisystem continuing as the surviving corporation (the Merger). As a result of the Merger, Nutrisystem became a wholly owned subsidiary of Tivity Health.

At the effective time of the Merger (the Effective Time), each share of common stock, par value \$0.001 per share, of Nutrisystem (Nutrisystem Shares) issued and outstanding immediately prior to the Effective Time (other than shares as to which dissenter s rights have been properly exercised and certain other excluded shares) was converted into the right to receive (i) \$38.75 in cash, without interest, and (ii) 0.2141 shares of common stock, par value \$0.001 per share, of Tivity Health (Tivity Health Shares), with cash payable in lieu of fractional Tivity Health Shares (collectively, the Merger Consideration).

In connection with the Merger, Tivity Health issued approximately 6.3 million Tivity Health Shares and paid an aggregate of approximately (a) \$1.1 billion in cash to former Nutrisystem stockholders in exchange for Nutrisystem Shares and (b) \$5.8 million in connection with the cash settlement of options to purchase Nutrisystem Shares. Additionally, in connection with Tivity Health s assumption of equity awards of Nutrisystem, Tivity Health issued approximately 260,000 time-vesting restricted Tivity Health Shares to former holders of awards of restricted Nutrisystem Shares and approximately 920,000 time-vesting restricted stock units to former holders of awards of Nutrisystem performance-based restricted stock units.

The issuance of Tivity Health Shares pursuant to the Merger Agreement was registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to Tivity Health s registration statement on Form S-4 (Registration No. 333- 229156), which became effective on February 3, 2019 (the Registration Statement). The proxy statement/prospectus included in the Registration Statement contains additional information about the Merger and incorporates by reference additional information about the Merger from Current Reports on Form 8-K filed by Tivity Health and Nutrisystem.

The foregoing summary of the transactions contemplated by the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which was attached as Exhibit 2.1 to the Current Report on Form 8-K, filed by Tivity Health with the Securities and Exchange Commission (the SEC) on December 10, 2018, and is incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In connection with the consummation of the Merger, on March 8, 2019, Tivity Health entered into a new Credit and Guaranty Agreement (the *Credit Agreement*) with a group of lenders, Credit Suisse AG, Cayman Islands Branch, as general administrative agent, term facility agent and collateral agent (*Credit Suisse*), and SunTrust Bank, as revolving facility agent and swing line lender (*SunTrust*). The Credit Agreement replaced Tivity Health's prior Revolving Credit and Term Loan Agreement, dated April 21, 2017 (the *Prior Credit Agreement*), with a group of lenders and SunTrust, as administrative agent. The Credit Agreement provides Tivity Health with (i) a \$350.0 million term loan A facility (*Term Loan A*), (ii) an \$830.0 million term loan B facility (*Term Loan B*) and, together with Term Loan A, the *Term Loans*, (iii) a \$125.0 million revolving credit facility that includes a \$35.0 million sublimit for swingline loans and a \$50.0 million sublimit for letters of credit (the *Revolving Credit Facility*; Term Loan A, Term Loan B and the Revolving Credit Facility are sometimes herein referred to collectively as the *Credit Facilities*), and (iv) uncommitted incremental accordion facilities in an aggregate amount at any date equal to the greater of \$125.0 million or 50% of Tivity Health's consolidated EBITDA for the then-preceding four fiscal quarters, plus additional amounts based on, among other things, satisfaction of certain financial ratio requirements.

Tivity Health used the proceeds of the Term Loans, borrowings under the Revolving Credit Facility and cash on hand to pay the Merger Consideration, to repay all of the outstanding indebtedness under the Prior Credit Agreement and all outstanding indebtedness of Nutrisystem under its credit agreement, and to pay transaction costs and expenses. Proceeds of the Revolving Credit Facility also may be used for general corporate purposes of Tivity Health and its subsidiaries.

Tivity Health is required to repay Term Loan A loans in consecutive quarterly installments, each in the amount of 2.50% of the aggregate initial amount of such loans, payable on June 30, 2019 and on the last day of each succeeding quarter thereafter until maturity on March 8, 2024, at which time the entire outstanding principal balance of such loans is due and payable in full. Tivity Health is required to repay Term Loan B loans in consecutive quarterly installments, each in the amount of 0.75% of the aggregate initial amount of such loans, payable on June 30, 2019 and on the last day of each succeeding quarter thereafter until maturity on March 8, 2026, at which time the entire outstanding principal balance of such loans is due and payable in full. Tivity Health is required to repay in full any outstanding swingline loans and revolving loans under the Revolving Credit Facility on March 8, 2024.

Borrowings under the Credit Agreement bear interest at variable rates based on a margin or spread in excess of either (1) one-month, two-month, three-month or six-month LIBOR (or with the approval of all lenders holding the particular class of loans), 12-month LIBOR), which may not be less than zero, or (2) the greatest of (a) the prime lending rate of the agent bank for the particular facility, (b) the federal funds rate plus 0.50%, and (c) one-month LIBOR plus 1.00% (the *Base Rate*), as selected by Tivity Health. The LIBOR margin for Term Loan A loans is 4.25%, the LIBOR margin for Term Loan B loans is 5.25% and the LIBOR margin for revolving loans varies between 3.75% and 4.25%, depending on Tivity Health's total net leverage ratio. The Base Rate margin for Term Loan A loans is 3.25%, the Base Rate margin for Term Loan B loans is 4.25% and the Base Rate margin for revolving loans varies between 2.75% and 3.25%, depending on Tivity Health's total net leverage ratio.

The Credit Agreement also provides for annual commitment fees ranging between 0.250% and 0.500% of the unused commitments under the Revolving Credit Facility, depending on Tivity Health's total net leverage ratio, and annual letter of credit fees on the daily outstanding availability under outstanding letters of credit at the applicable LIBOR margin for the Revolving Credit Facility, depending on Tivity Health's total net leverage ratio.

Extensions of credit under the Credit Agreement are secured by guarantees from substantially all of Tivity Health's active material domestic subsidiaries and by security interests in substantially all of Tivity Health's and such subsidiaries' assets.

The Credit Agreement contains a financial covenant that requires Tivity Health to maintain specified maximum ratios or levels of consolidated total net debt to EBITDA, calculated as provided in the Credit Agreement. The Credit Agreement also contains various other affirmative and negative covenants customary for financings of this type that, subject to certain exceptions, impose restrictions and limitations on Tivity Health and certain of Tivity Health's subsidiaries with respect to, among other things, indebtedness; liens; negative pledges; restricted payments (including dividends, distributions, buybacks, redemptions, repurchases with respect to equity interests, and payments, redemptions, retirements, purchases, acquisitions, defeasance, exchange, conversion, cancellation or termination with respect to junior lien, subordinated or unsecured debt); restrictions on subsidiary distributions; loans, advances, guarantees, acquisitions and other investments; mergers and other fundamental changes; sales and other dispositions of assets (including equity interests in subsidiaries); sale/leaseback transactions; transactions with affiliates; conduct of business; amendments and waivers of organizational documents and material junior debt agreements; and changes to fiscal year.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which is attached hereto as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
