Item 1.01. Entry into a Material Definitive Agreement

On May 18, 2011, Enterprise Financial Services Corp (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Keefe, Bruyette & Woods, Inc. (the “Underwriter”). Pursuant to the Underwriting Agreement, the Company will issue and sell to the Underwriter 2,386,000 shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”) (the “Offering”). The public offering price of the Common Stock is \$12.75 per share. The Company has also granted the Underwriters a 30-day option to purchase up to 357,900 additional shares to cover over-allotments, if any. The Company expects to close the sale of Common Stock on May 24, 2011, subject to customary closing conditions.

The Underwriting Agreement contains representations and warranties concerning the Company and the Registration Statement related to the Offering that the parties made to, and solely for the benefit of, the other parties in the context of all of the terms and conditions thereof and in the context of the specific relationship between the parties. The Company also agreed to indemnify the Underwriter against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”). The provisions of the Underwriting Agreement, including the representations and warranties contained therein, are not for the benefit of any party other than the parties thereto and are not intended to be relied upon by investors and the public. Investors and the public should review the Company’s filings with the Securities and Exchange Commission for information regarding the Company.

The shares of Common Stock were registered under the Securities Act pursuant to a shelf registration statement filed with the Securities and Exchange Commission on Form S-3 (File No. 333-160032) (collectively, the “Registration Statement”). The offer and sale of the Common Stock is being made under the Company’s prospectus, dated July 1, 2009, constituting a part of the Registration Statement, as supplemented by a preliminary prospectus supplement dated May 18, 2011.

Pursuant to the Underwriting Agreement, the directors and executive officers of the Company entered into agreements substantially in the form included in the Underwriting Agreement providing for a 90-day “lockup” period pursuant to which they agreed, subject to certain exceptions, not to, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of any share of common stock or any securities convertible into or exercisable or exchangeable for common stock or file any registration statement under the Securities Act with respect to any of the foregoing or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of shares of our common stock, whether any such swap or transaction described in clause (i) or (ii) above is to be settled by delivery of common stock or such other securities, in cash or otherwise. These restrictions will be in effect for a period of 90 days after the date of the Underwriting Agreement. At any time and without public notice, the Underwriter may, in its sole discretion, release all or some of the securities from these lock-up agreements.

The 90-day restricted period described above is subject to extension under limited circumstances. In the event that either (1) during the period that begins on the date that is 15 calendar days plus 3 business days before the last day of the 90-day restricted period and ends on the last day of the 90-day restricted period, we issue an earnings release or material news or a material event relating to us occurs; or (2) prior to the expiration of the 90-day restricted period, we announce that we will release earnings results during the 16-day period beginning on the last day of the 90-day restricted period, then the restricted period will continue to apply until the expiration of the date that is 15 calendar days plus 3 business days after the date on which the earnings release is issued or the material news or material event relating to us occurs.
