**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Under Section 145 of the Delaware General Corporation Law, as amended (the “DGCL”), the Registrant has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities. Our Amended and Restated Certificate of Incorporation, as amended (the “Certificate of Incorporation”), provides to the fullest extent permitted under the DGCL that our directors shall not be personally liable to us or our shareholders for damages for breach of such director's fiduciary duty. The effect of this provision of our Certificate of Incorporation is to eliminate our right and our shareholders’ (through shareholders’ derivative suits on behalf of our company) right to recover damages against a director for breach of the fiduciary duty of care as a director or (including breaches resulting from negligent or grossly negligent behavior), except under certain situations defined by statute. Our Certificate of Incorporation and Amended and Restated By-Laws (the “By-Laws”) also provide that the Registrant shall indemnify each director and officer to the fullest extent permitted by applicable law. Under applicable law and our By-Laws, we may only indemnify a director or officer upon a finding that he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Registrant, and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. We believe that the indemnification provisions in our Certificate of Incorporation and By-Laws are necessary to attract and retain qualified persons as directors and officers.

Our By-Laws also provide that the Board of Directors may also authorize the Registrant to indemnify its employees or agents, and to advance the reasonable expenses of such persons, to the same extent, following the same determinations and upon the same conditions as are required for the indemnification of and advancement of expenses to our directors and officers. Our By-Laws also provide that, to the extent that a person who is or was a director, officer, employee or agent of the Registrant has been successful on the merits or otherwise in an action such person was party to by reason of the fact that he or she was or is a director, officer, employee or agent of the Registrant, we shall indemnify such person against expenses actually and reasonably incurred in connection therewith. As of the date of this Registration Statement, the Board of Directors has not extended indemnification rights to persons other than directors and officers, except with respect to indemnification of employees and agents under our By-Laws for expenses actually and reasonably incurred upon a final judicial determination that such person has been successful on the merits or otherwise.

The Registrant has obtained a liability insurance policy for the officers and directors that, subject to certain limitations, terms and conditions, will insure them against losses arising from claims of wrongful acts (as defined by the policy) in their capacity as directors or officers.

**Item 7. Exemption from Registration Claimed.**

Not applicable.

**Item 8. Exhibits.**

See the Exhibit Index on the page immediately preceding the exhibits for a list of exhibits filed as part of this registration statement, which Exhibit Index is incorporated herein by reference.

**Item 9. Undertakings.**

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) herein do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
