**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 14, 2018, Dr. Michael Goldberg resigned as the Chief Executive Officer and President, and from the board of directors, of Navidea Biopharmaceuticals, Inc. (“*Navidea*”) effective immediately. Dr. Goldberg will, however, remain engaged in Navidea’s subsidiary, Macrophage Therapeutics, Inc. (“*MT*”). As previously disclosed, Dr. Goldberg ultimately desires to focus all his energy full time on creating value at MT.

In connection with Dr. Goldberg’s resignation, Navidea and Dr. Goldberg entered into a binding agreement (the “*Agreement*”), with the intent of entering into one or more additional definitive agreements (the “*Definitive Agreements*”), that set forth the terms of the separation from service. The Agreement provides that Dr. Goldberg will be entitled to receive 23.5 million shares of common stock of Navidea. A portion of the shares of common stock to be issued to Dr. Goldberg will be held in escrow to settle any disputes that may arise between Navidea and Dr. Goldberg. Dr. Goldberg will also be entitled to an aggregate of \$978,000 as severance, payable in equal installments over the next 24 months beginning on August 31, 2018. Navidea will also pay the costs to continue Dr. Goldberg’s existing health coverage for a period of 16 months, by paying the amounts required under COBRA to maintain such coverage. Dr. Goldberg will also agree to waive all rights to collect any debt (including, without limitation, interest) owed by Navidea, and release each of Navidea and MT from any and all claims that currently exist or arise, including but not limited to claims for any compensation, vacation pay, severance, bonus, options, warrants or any debt obligations.

Pursuant to the Agreement, Dr. Goldberg will also be entitled to receive shares of a newly authorized class of common stock of MT (“*MT Super Voting Common Stock*”) equal to 5.0% of the outstanding shares of MT. Except as otherwise required by law, the holders of MT Super Voting Common Stock shall be entitled to notice of any stockholders’ meeting and to vote as a single class with holders of the Common Stock upon any matter submitted to the stockholders for a vote. In that regard, each holder of MT Super Voting Common Stock shall have 20 votes for each full share of MT Common Stock into which the shares of MT Super Voting Common Stock would be convertible on the record date for the matter to be voted on. Notwithstanding the foregoing, until such time as MT obtains aggregate gross proceeds of at least \$10 million in one or more financings, the vote or written consent of Navidea will be required before MT can issue Dr. Goldberg, or any of his affiliates, any equity or rights to purchase equity, which vote or consent will not be unreasonably withheld. Navidea will be entitled to appoint one observer to MT’s board of directors. Any shares of preferred stock, or any warrants or other equity rights held by Dr. Goldberg will be redeemed by MT for no additional consideration.

Dr. Goldberg’s resignation was not due to a disagreement with Navidea on any matter relating to Navidea’s operations, policies or practices.

Navidea expects to include the Agreement and any Definitive Agreements as exhibits to a future periodic report, to be filed with the U.S. Securities and Exchange Commission (the “*Commission*”). The foregoing description does not

constitute a complete summary of the terms of the Agreement or any Definitive Agreement and is qualified in its entirety by reference to the full text of the Agreement or the applicable Definitive Agreement, as the case may be.

Upon the resignation of Dr. Goldberg, Jed A. Latkin, currently Navidea's Chief Operating Officer, Chief Financial Officer, Treasurer and Secretary, serves as interim Chief Executive Officer, and as Navidea's principal executive officer. In connection with each such appointment and the vacancy created by Dr. Goldberg's resignation, the Board appointed Mr. Latkin as a director of Navidea, to serve until his successor is duly elected and qualified, or until the earlier of his death, resignation, retirement, or removal from such position. Mr. Latkin's biographical and other information required to be disclosed hereunder is included in the Company's Proxy Statement, dated July 9, 2018, filed with the Commission and incorporated herein by reference.

Also on August 14, 2018, Dr. Mark Greene resigned from the board of directors of Navidea, effective immediately. Dr. Greene will, however, continue to serve as a director of MT. Dr. Greene's resignation was not due to a disagreement with Navidea on any matter relating to Navidea's operations, policies or practices.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On August 14, 2018, Navidea Biopharmaceuticals, Inc. (“*Navidea*” or the “*Company*”) received a notification (the “*Deficiency Letter*”) from the NYSE American LLC (the “*NYSE American*”) stating that Navidea was not in compliance with certain NYSE American continued listing standards relating to stockholders’ equity. Specifically, the Deficiency Letter stated that Navidea is not in compliance with Section 1003(a)(ii) of the NYSE American Company Guide, which requires an issuer to have stockholders’ equity of \$4.0 million or more if it has reported losses from continuing operations and/or net losses in three of its four most recent fiscal years. The Deficiency Letter noted that Navidea had stockholders’ equity of \$2.1 million as of June 30, 2018, and has reported net losses in four of its five most recent fiscal years ended December 31, 2017.

Navidea is required to submit a plan to the NYSE American by September 14, 2018 advising of actions it has taken or will take to regain compliance with the continued listing standards by February 14, 2020. Navidea intends to submit a plan by the deadline. If Navidea fails to submit a plan, or if Navidea’s plan is not accepted or if Navidea fails to regain compliance by the deadline, the NYSE American may commence delisting procedures.

In addition, the Deficiency Letter stated that the staff of the NYSE American (the “*Staff*”) determined that the Company’s securities have been selling for a low price per share for a substantial period of time and, pursuant to Section 1003(f)(v) of the NYSE American Company Guide, Navidea’s continued listing is predicated on it effecting a reverse stock split of its common stock, par value \$0.001 per share (“*Common Stock*”) or otherwise demonstrating sustained price improvement within a reasonable period of time, which the Staff has determined to be no later than February 14, 2019. Navidea must regain compliance with the price standard by that date in order to be considered for continued trading through the end of February 14, 2020.

As disclosed in Navidea’s Proxy Statement, dated July 9, 2018, filed with the U.S. Securities and Exchange Commission (as amended and supplemented, the “*Proxy Statement*”), Navidea’s Board of Directors has adopted, and is recommending that Navidea’s stockholders approve, an amendment (the “*Amendment*”) to the Company’s amended and restated certificate of incorporation, which would effect a reverse stock split of its issued and outstanding Common Stock at a ratio of not less than one-for-five and not more than one-for-twenty, with the Board having the discretion and authority to determine at which ratio to effect, if at all, prior to twelve months after the approval at the Annual Meeting, as determined by the Board of Directors in its sole discretion. The Proxy Statement provides that the Board’s primary objective in proposing the reverse stock split is to raise the per share trading price of the Common Stock. The Board believes that the reverse stock split will result in a higher per share trading price, which is intended to enable the Company to maintain the listing of its Common Stock on the NYSE American and generate greater investor interest in the Company. For additional information, please refer to the Proxy Statement.

Navidea’s Common Stock will continue to be listed on the NYSE American while it attempts to regain compliance with the listing standards noted, subject to Navidea’s compliance with other continued listing requirements. The

Common Stock will continue to trade under the symbol “NAVVB,” but will have an added designation of “.BC” to indicate that Navidea is not in compliance with the NYSE American’s listing standards. The NYSE American notification does not affect Navidea’s business operations or its SEC reporting requirements and does not conflict with or cause an event of default under any of Navidea’s material agreements.

On August 15, 2018, Navidea issued a press release announcing that it had received the notice of noncompliance. A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated by reference herein.
