The reported transactions involve an amendment to two outstanding options resulting in the deemed cancellation of each of the "old" options and the grant of replacement options. On November 8, 2018, the Board of Directors amended each of the options to allow a (1) director that has served as a director for at least 12 years to remain able to exercise the option for the full term of the option even if the director retires, resigns, dies or becomes disabled. Each of the options were fully exercisable on the date of grant. The grant and exercise of these options are exempt from Section 16(b) pursuant to Rule 16b-3(d).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
