Dear fellow shareholder:

Attached please find the materials related to the Power REIT 2019 Annual Meeting.

As described in our investor presentation, our shares trade at a significant discount to the underlying value of our assets which should represent an attractive risk adjusted opportunity for investment. Power REIT continues to explore opportunities to invest capital on a disciplined basis that is focused on our goal of creating long-term shareholder value. Currently the market for utility scale solar ground leases does not appear attractive for investment given the efficiency of capital in the solar sector. Accordingly, Power REIT is currently evaluating a new area of focus for investment. We hope to report more details in the near future. We believe that as we roll out our new focus and complete some acquisitions, that our share price should improve.

We appreciate your continued support for Power REIT and look forward to a productive future as we move forward with our business plan.

Very truly yours,

/s/ David H. Lesser

PROXY STATEMENT

2019 ANNUAL MEETING OF SHAREHOLDERS

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Trustees of Power REIT (the “Company”, the “Trust”, “we” or “us”) to be used at the 2019 annual meeting of holders (“shareholders”) of shares of beneficial interest, \$0.001 par value (“common shares” or “common stock”) of the Trust, to be held on Wednesday, May 15, 2019 at 9:00 A.M. local time at WeWork Bryant Park – 54 West 40th Street, New York, NY 10018, and at any adjournments thereof. The items of business for the annual meeting are:

- (1) to elect five trustees to the Trust’s Board of Trustees, to serve until the next annual meeting of shareholders and until the successors to such trustees have been duly elected and qualified;
- (2) to ratify the appointment of MaloneBailey, LLP as the Trust’s independent registered public accounting firm; and
- (3) to transact such other business as may properly come before the meeting.

This proxy statement and the accompanying notice of annual meeting and form of proxy card are first being mailed to shareholders on or about April 19, 2019. Our annual report on Form 10-K for the year ended December 31, 2019, which includes our consolidated financial statements as of and for the year ended December 31, 2018, is being mailed with these materials.

The cost of this solicitation of proxies will be borne by the Trust. Solicitations may be made by mail, telephone, facsimile or electronic mail, and by officers of the Trust without extra compensation. The Trust will reimburse brokerage firms and other third parties for their reasonable and customary expenses in forwarding our proxy materials to beneficial owners of our common shares.

The Board of Trustees has fixed the close of business on April 8, 2019 as the record date (the “record date”) for the determination of shareholders entitled to notice of and to vote at the 2019 annual meeting and any adjournments

thereof. At the close of business on the record date, there were outstanding and entitled to vote 1,870,139 of our common shares (including unvested, restricted common shares granted pursuant to the Trust's 2012 Equity Incentive Plan (the "Plan") and other stock grants, which pursuant to the terms of the grants carry voting privileges).

Quorum, Voting Power, Effect of Abstentions, Required Votes

At the annual meeting, the presence, in person or by proxy, of shareholders entitled to cast thirty three and one third percent (33 1/3%) of all the votes entitled to be cast at the meeting shall constitute a quorum. Each outstanding common share shall be entitled to one vote on each matter submitted to a vote. A vote by a majority of the common shares both present, in person or by proxy, and casting a vote shall decide a particular matter. For purposes of the foregoing, abstentions and non-votes shall not be deemed to be votes cast, although they shall be counted for purposes of determining the existence of a quorum.

The nominees for the Board of Trustees that receive the highest number of affirmative votes cast, up to the number of nominee slots to be filled, shall be elected as trustees. The ratification of the appointment of MaloneBailey, LLP requires the affirmative vote of the majority of votes cast.

Voting Procedures

If you hold our common shares in your own name, as a “holder of record” or “registered” holder, you may vote your shares by appointing proxies to vote on your behalf pursuant to your instructions, through any of the following methods:

using the Internet, log on to www.proxyvote.com and follow the instructions;

using any touch-tone telephone, dial 1-800-690-6903 and follow the instructions; or

marking, signing, dating, and returning the white proxy card in the postage-paid mailing envelope provided.

If you are a holder of record or registered shareholder and do not appoint and instruct proxies by voting over the Internet, by telephone or by marking, signing, dating and returning the white proxy card, then you must attend the meeting in person in order to vote.

If you do not hold our common shares in your own name, but instead hold your interest in our shares through one or more intermediaries, such as a bank or broker (in many cases referred to as owning shares “in street name”), then you are considered a holder of a beneficial interest in our common shares, or a “beneficial owner”, and you will be able to vote the shares in which you hold your interest through those intermediaries. An intermediary will forward our proxy materials to you and request your instructions as to how to vote the shares.

Broker Non-Votes, Routine and Non-Routine Matters

If you hold common shares through a bank or broker, the voting of the shares by the bank or broker when you do not provide voting instructions is governed by the rules of the NYSE American. These rules allow banks and brokers to vote such shares in their discretion on “routine” matters. On matters considered “non-routine,” banks and brokers may not vote without your instructions. Shares that banks and brokers are not authorized to vote are referred to as “broker non-votes.”

The ratification of MaloneBailey, LLP as the Trust’s independent registered public accounting firm is considered a routine matter, so banks and brokers may vote your shares in regard to this proposal without your instructions.

Accordingly, if you are a beneficial owner and wish to have your vote on this proposal counted in a particular way, either “for”, “against”, or as an abstention, then you must provide your voting instructions by Internet, telephone or white proxy card. If you do not, your bank or broker may vote your shares in their discretion.

The election of trustees is considered a non-routine matter, and therefore banks and brokers may not vote on your behalf in the election of trustees without your instructions. Please note that if you want your votes in the election of trustees to be counted, you must instruct your bank or broker how to vote your shares. If you do not provide voting instructions, no votes will be cast on your behalf in the election of trustees.

Note that, at the annual meeting, abstentions and non-votes shall not be deemed to be votes cast, although they shall be counted for purposes of determining the existence of a quorum.

Revocability of Proxies

A proxy may be revoked at any time prior to the voting thereof, by giving notice to the Secretary of the Trust in writing c/o Power REIT, 301 Winding Road, Old Bethpage, NY 11804, or in open meeting.

Cumulative Voting

Shareholders of the Trust are not entitled to exercise cumulative voting rights in the election of trustees.

Notice of Electronic Availability of Proxy Materials

As permitted by rules of the Securities and Exchange Commission (the “SEC”), these proxy materials and our annual report on Form 10-K for the year ended December 31, 2018 are being made available to our shareholders online, and are accessible through www.proxyvote.com.

Trustees’ Voting Recommendations

The Board of Trustees recommends that you vote your common shares FOR each of the Board’s five nominees that are standing for election to the Board of Trustees (Proposal No. 1) and FOR the ratification of MaloneBailey, LLP as our independent registered public accounting firm (Proposal No. 2).

Proposal 1: Election of Trustees

Our Board of Trustees is currently comprised of five trustees, four of whom are independent under the rules of the NYSE American and under applicable rules of the SEC: Virgil E. Wenger, William S. Susman and Patrick R. Haynes, III. Our fifth trustee, David H. Lesser, is a principal shareholder of the Company and serves as Chairman of the Board of Trustees.

Five of the nominees for election to the Board of Trustees currently serve as trustees of the Company. The Board recommends to shareholders that they vote for all five of the nominees. If elected, the nominees would serve as trustees for a one-year term until the 2020 annual meeting of shareholders and until their successors are duly elected and qualified.

The nominees are:

Name	Age	Trustee Since	Company Position
David H. Lesser	53	2009*	Chairman of Board of Trustees Chief Executive Officer, Secretary, Treasurer Trustee
Virgil E. Wenger	88	1991*	Chairman of Audit Committee Member of Nominating Committee Trustee
William S. Susman	55	2010*	Chairman of Compensation Committee Member of Nominating Committee Trustee
Patrick R. Haynes, III	35	2011*	Chairman of Nominating Committee Member of Audit Committee Trustee
Justinian R. Hobor	36	2017	

* The nominees have been trustees of Power REIT since December 2011 and are and have been trustees of Pittsburgh & West Virginia Railroad, a wholly owned subsidiary of Power REIT, since the dates listed in the table above.

The following are summaries of our nominees' biographies and experience:

David H. Lesser has over 30 years of experience in real estate, including substantial experience creating shareholder value in REITs. Mr. Lesser is currently, and has been for more than the past 15 years, President of Hudson Bay Partners, LP ("HBP"), an investment firm focused on real estate, real estate-related situations and alternative energy. Since October 2013, Mr. Lesser has served as Chairman and CEO of Millennium Investment and Acquisition Company (ticker: SMCG). Mr. Lesser is co-founder and CEO of IntelliStay Hospitality Management, LLC which is sponsoring investments in hotels. Mr. Lesser has previously held leadership roles with public REITs, having served as a Senior Vice President of Crescent Real Estate Equities and as a Director of Keystone Property Trust. Prior to his time at Crescent, Mr. Lesser was a Director of Investment Banking at Merrill Lynch & Co. within the real estate finance group.

Since 1995, Mr. Lesser has, through HBP, invested in numerous real estate and alternative energy transactions, including a reverse merger transaction in 1997 that led to the formation of Keystone Property Trust (NYSE: KTR) (“Keystone”). Mr. Lesser, as president of HBP, led an investor group and structured a reverse merger transaction with American Real Estate Investment Corporation (AMEX: REA) to ultimately form Keystone. The transaction involved an investment of \$30 million of cash, the merger of a property management company and the acquisition of a family-owned portfolio of industrial properties for ownership in the REIT. In addition to initial structuring and equity investment by HBP, Mr. Lesser served on Keystone’s board of trustees until June 2000. Keystone was acquired by Prologis (NYSE: PLD) in 2004 for a total enterprise value of \$1.4 billion, delivering a compound annual shareholder return of 16.5% from the initial transaction.

HBP currently owns Intelligen Power Systems, LLC (“IPS”) which is an alternative energy business focused on the manufacturing of cogeneration equipment and the development of distributed energy related to cogeneration, wind, solar and biofuel. HBP acquired IPS through the bankruptcy reorganization of California-based Coast Intelligen (“Coast”), which was acquired as a portfolio company by an affiliate of Mr. Lesser’s in 2001. As a consequence of misdeeds by Coast’s former owners and management team, which did not involve Mr. Lesser, Coast was reorganized through a Chapter 11 bankruptcy filing, the ultimate result of which was (i) Coast winding down its operations; and (ii) IPS, which was a subsidiary of Coast, successfully emerging from the reorganization. IPS continues to operate today with a refocused business plan providing cogeneration and other energy solutions to owners of real estate properties.

Mr. Lesser holds an M.B.A. from Cornell University and a B.S. in Applied Management and Economics from Cornell University.

Mr. Lesser has been Chairman of Power REIT’s Board of Trustees, our Chief Executive Officer since December 2011 and our Secretary and Treasurer since February 2014. Mr. Lesser has been a trustee of Pittsburgh & West Virginia Railroad, a wholly owned subsidiary of Power REIT (“P&WV”), from 2009 to the present, Chairman of P&WV’s Board of Trustees from December 2010 to the present and CEO of P&WV from February 2011 to the present.

We believe that Mr. Lesser’s years of experience as a real estate investor, as a board director and in creating shareholder value for other REITs provide significant benefits to the Company.

He also serves as chief financial officer for two private companies: Shareholder Intelligence Services, a provider of information to publicly traded client companies concerning shareholder ownership, broker activity and related analytics; and Econergy Corporation, a manufacturer and marketer of proprietary air conditioning systems. We believe that Mr. Wenger's many years of experience at Ernst & Young LLP, significant financial expertise and leadership as Chairman of the Audit Committee provide significant benefits to the Company.

As the former head of Merrill Lynch's Transportation and Consumer Group, Mr. Susman advised numerous railroad clients, including Burlington Northern, CSX, Kansas City Southern, Norfolk Southern Railways, TMM and Union Pacific. Mr. Susman is currently founder and CEO of a boutique investment advisory firm, Threadstone Advisors. Prior to founding Threadstone Advisors, he was President of Financo, an investment bank focused on retail and consumer goods, where he worked from 2004-2011. Mr. Susman began his investment banking career at Salomon Brothers, in their transportation group. Mr. Susman sits on the boards of two private companies: Preferred Fragrances and Jonathan Adler Enterprises. Mr. Susman is a graduate of the University of Michigan, with a B.S. in Business Administration and a Masters from the Kellogg Graduate School of Management at Northwestern University.

Mr. Susman has been a trustee and Power REIT's Compensation Committee Chairman since December 2011 and has been a member of the Nominating Committee since August 2012. Mr. Susman has been a trustee of P&WV from May 2011 to the present and was P&WV's Compensation Committee Chairperson from August 2011 to December 2011.

We believe that Mr. Susman's understanding of business, finance and the railroad industry, acquired through over 20 years of investment banking experience, and his leadership as Chairman of the Compensation Committee and in regard to governance matters, provide significant benefits to the Company.

Patrick R. Haynes, III is co-founder and President of IntelliStay Hospitality Management, LLC which is sponsoring investments in hotels. Mr. Haynes was previously employed by Alliance Partners HSP ("Alliance"), an opportunistic real estate investment venture backed by the family offices of Jay Shidler and Clay Hamlin and based in Philadelphia, PA. Mr. Haynes also worked on the successful management buyout of Lehman's equity funds' advisory business, responsible for the management of approximately \$18 billion in real estate assets globally. Mr. Haynes remained with the go forward venture created by the fund's management, Silverpeak Real Estate Partners, until joining RGIM. Mr. Haynes received a BA in U.S. History from Brown University

Mr. Haynes has been a trustee and a member of Power REIT's Audit and Compensation Committees since December 2011 and Chairman of the Power REIT's Nominating Committee since August 2012. Mr. Haynes has been a trustee of P&WV from May 2011 to the present and was a member of P&WV's Compensation Committee from August 2011 to December 2011 and a member of P&WV's Audit Committee from 2010 to December 2011.

We believe that Mr. Haynes' experience and contacts in real estate and his experience in transaction structuring and private equity provide significant benefits to the Company.

Justinian R. Hobor has served as a portfolio manager for Elk Lake, LLC since July 2017. Prior to his current position, Mr. Hobor was an investment advisor with Caldwell Securities, Inc. In addition, he co-founded in 2008 and serves as a managing member of Roundwood Capital, LLC, an investment partnership. Mr. Hobor's focus is on small, illiquid companies going through atypical situations such as litigation, going-private transitions, and liquidations. Previously he worked at Capital Counsel, LLC, and at Northern Trust. Mr. Hobor is a graduate from Chicago-Kent where he received a Juris Doctor degree and from Shimer College where he received a B.A. in Social Sciences.

We believe that Mr. Hobor's experience as an investor, his legal education as well as his ownership of stock in the Company provide significant benefits to the Company.

In summary, the nominees have experience and skills in, and industry contacts relevant to, providing leadership to REITs, sourcing and structuring investments and raising and investing capital. The Trust believes these skills, relevant work experiences and contacts will significantly benefit shareholders as the Trust implements its business plan.

THE BOARD OF TRUSTEES RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE FOUR NOMINEES AS TRUSTEES OF THE TRUST

ADDITIONAL DISCLOSURE RELATING TO OUR TRUSTEES, EXECUTIVE OFFICER AND CORPORATE GOVERNANCE

Corporate Governance

Overview

In accordance with our Declaration of Trust and Bylaws, our Board of Trustees elects the Chairman of the Board and our executive officers, and each of these positions may be held by the same or separate persons. Our corporate governance guidelines do not include a policy on whether the role of the Chairman and Chief Executive Officer should be separate or, if not, whether a lead independent trustee is to be elected. From February 2011, Mr. Lesser, the Chairman of our Board of Trustees, has also served as our Chief Executive Officer. We believe that this arrangement is suitable for a company of our size. The Board of Trustees shall review the need for any changes to these arrangements from time to time in light of the Trust's changing business needs.

Board of Trustees

Our Board of Trustees takes an active role in overseeing the management of our risks. The Board regularly reviews information regarding our liquidity, operations and investment activities, as well as the risks associated with each. The Board is responsible for overseeing the implementation of our investment strategy, the principal goal of which is to enhance long-term shareholder value through increases in earnings, cash flow and net asset value. Currently, each investment transaction is approved by the Board. In the future, the Board may establish an investment committee consisting of trustees to oversee our investment activities, including the review and approval of specific transactions.

The Board held two scheduled meetings during 2018. On five other occasions during the year, the trustees, after conferring individually or via writing, adopted Board resolutions by a majority of votes via written consent. The independent trustees met in executive session during 2018; all of the independent trustees were in attendance during this session. Four of our five trustees attended the 2018 annual meeting of shareholders.

Board Committees

Our Board of Trustees has three committees: an Audit Committee, a Compensation Committee and a Nominating Committee. Each of the three committees consists solely of independent trustees in accordance with the NYSE American Company Guide.

Audit Committee

Our Audit Committee has been established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the “Exchange Act”) and consists of two independent trustees, each of whom the Board of Trustees has determined is “financially literate” and “independent” under the rules of the NYSE American Company Guide: Virgil E. Wenger and Patrick R. Haynes, III. Mr. Wenger serves as chairman of the Audit Committee and the Board of Trustees has determined that Mr. Wenger meets the definition of “audit committee financial expert,” as defined in applicable SEC rules. Pursuant to its charter, the Audit Committee, among other purposes, serves to assist the Board of Trustees in overseeing:

the integrity of our financial statements;
our compliance with legal and regulatory requirements and ethical behavior;
the retention of independent public auditors, including oversight of their performance, qualifications and independence, as well as the terms of their engagement;
our accounting and financial reporting processes, internal control systems and internal audit function, as applicable;
our monitoring of compliance with laws and regulations and our code of business conduct and ethics; and
our investigation of any employee misconduct or fraud.

During 2018, the Audit Committee on four occasions, after conferring individually or via writing, took action by written consent. The Audit Committee’s charter is available on the Trust’s website at: www.pwreit.com.

Report of the Audit Committee

The Audit Committee hereby reports as follows:

Management has the primary responsibility for the Trust’s financial statements and reporting process, including its

1. system of internal accounting controls. The Audit Committee, in its oversight role, has reviewed and discussed the audited financial statements with the Trust’s management.

The Audit Committee has discussed with the Trust’s independent audit firm the overall scope of, and plans for, its audits. The Audit Committee discussed with the independent audit firm the Trust’s financial reporting process in

2. addition to other matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T, as may be modified or supplemented.

The Audit Committee has received the written disclosures and the letter from MaloneBailey, LLP required by applicable requirements of the PCAOB concerning independence, and has discussed with MaloneBailey, LLP, its independence.

Based on the matters and discussions referred to in paragraphs (1) through (3) above, the Audit Committee has recommended to the Board of Trustees, and the Board has approved, that the audited financial statements be included in the Trust's annual report on Form 10-K for the year ended December 31, 2018, for filing with the Securities and Exchange Commission.

After considering MaloneBailey LLP's experience and independence, the Audit Committee recommends that the Trust (a) retain MaloneBailey LLP as the Trust's independent audit firm to perform the audit of the financial statements as of and for the year ending December 31, 2019 and (b) submit to shareholders the ratification of MaloneBailey LLP, as the Trust's independent audit firm at the 2019 annual meeting.

Virgil E. Wenger (chair)

Patrick R. Haynes, III

Compensation Committee

During 2018, our Compensation Committee consisted of two independent trustees: William S. Susman and Patrick R. Haynes, III. Mr. Susman serves as chairman of the Compensation Committee. The Compensation Committee, among other purposes, serves to:

- establish and periodically review the adequacy of the compensation plans for our executive officers and other employees;
- review the performance of executive officers and adjust compensation arrangements as appropriate;
- establish compensation arrangements for our non-executive trustees; and
- evaluate and make grants under the Trust's 2012 Equity Incentive Plan and other stock grants pursuant to authority delegated to it by the Board of Trustees;
- review and monitor management developments and succession plans and activities.

During 2018, the Compensation Committee met once and on one other occasion during the year, after conferring individually or via writing, took one additional action by written consent. All of the Compensation Committee members were in attendance at the meeting. The Compensation Committee does not have a formal charter.

Nominating Committee

The Nominating Committee is chaired by Patrick R. Haynes, III with Virgil E. Wenger and William S. Susman serving as members. The Nominating Committee evaluates potential nominees to serve as trustees and makes recommendations to the Board of Trustees for inclusion in the Trust's annual proxy statement.

Trustee Nomination Process

The Nominating Committee is responsible for developing and evaluating potential trustee candidates for consideration in the event of a vacancy on the Board of Trustees, and making nominee recommendations to the Board of Trustees. The Nominating Committee seeks candidates for election and appointment that possess the integrity, leadership skills and competency required to direct and oversee the Trust's management in the best interests of its shareholders, customers and employees, as well as the communities it serves and other affected parties. Nominee candidates must be willing to regularly attend committee and Board of Trustees meetings, to develop a strong understanding of the Trust, its businesses and its requirements, to contribute his or her time and knowledge to the Trust and to be prepared to exercise his or her duties with skill and care. In addition, each candidate should have an understanding of relevant governance concepts and the legal duties of a trustee of a public company.

To propose a nominee, shareholders may contact the Nominating Committee Chairman, the Chairman of the Board or the Company's Secretary by writing to them care of the Trust at its principal executive offices. Such correspondence should include a detailed description of the proposed nominee's qualifications and a method to contact the nominee if the Nominating Committee so chooses. Candidates viewed by the Nominating Committee as qualified and suitable for service as a trustee will be contacted to determine interest in being considered to serve on the Board of Trustees and, if interested, will be interviewed and have their qualifications established and considered.

The Nominating Committee recommended nominees to the Board for inclusion within Proposal 1 of the proxy statement for the 2019 Annual Meeting of Shareholders. The Nominating Committee has established a charter outlining its purpose and the practices it follows. The charter is available on the Trust's website at www.pwreit.com.

Code of Business Conduct and Ethics

The Trust has a Code of Business Conduct and Ethics, with which all officers and trustees must comply. A copy is appended at the end of this proxy statement. In addition, the code may be viewed on our website at www.pwreit.com, and printed copies may be requested by writing to us at 301 Winding Road, Old Bethpage, NY 11804, Attention: Investor Relations.

Executive Officer

The Trust is managed by David H. Lesser, the Trust's Chief Executive Officer, with oversight from its Board of Trustees.

the restricted stock grant and the option grant vested annually in equal installments over three years commencing on the first anniversary of the grant. In 2014, pursuant to the Plan, Mr. Lesser was awarded 40,000 shares of restricted stock which vests monthly over a three year period commencing with the second quarter of 2014. In 2015, pursuant to the Plan, Mr. Lesser was awarded 9,400 shares of restricted stock which vests monthly over a three year period commencing with the third quarter of 2015. In 2016, Mr. Lesser was awarded 40,000 shares of restricted stock which vests monthly over a three year period commencing with the second quarter of 2016. In 2017, Mr. Lesser was awarded 40,000 shares of restricted stock which vests monthly over a three year period commencing with the second quarter of 2017. In 2018, Mr. Lesser was awarded 40,000 shares of restricted stock which vests monthly over a three year period commencing with the third quarter of 2018. The restricted stock grants provide for voting rights and dividends during the vesting period. The assumptions used to value the grants are described in footnote 9 to the Trust's audited financial statements included in the Trust's annual report on Form 10-K for the year ended December 31, 2017, distributed along with this proxy statement.

Compensation for our principal executive officers for the two fiscal years ending December 31, 2018 is set forth in the table below.

The following table sets forth outstanding option equity awards granted to the Trust's principal executive officer as of December 31, 2018:

Securities Authorized for Issuance Under Equity Compensation Plans

The following table sets forth the securities authorized for issuance under the Plan, as of December 31, 2018:

	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under Plan (excluding securities in first column)

Equity compensation plans not approved by security holders	<u>n/a</u>	<u>n/a</u>	<u>n/a</u>
Total	100,000	7.96	0

The Plan contains an “evergreen” provision that automatically adjusts the number of shares available for future issuance, as provided in Section 4 of the Plan (subject to certain adjustments) as follows: the number of shares of Stock which shall be made available for issuance under the Plan shall be increased by the positive number of shares equal to the lesser of: (i) (A) 10% of the Company’s outstanding shares of Stock, calculated on a fully diluted and consolidated basis, less (B) the sum of (1) the aggregate number of shares remaining available for issuance under the Plan as of such date, plus (2) the aggregate number of shares subject to outstanding Awards and unvested shares of Restricted Stock or other unvested equity compensation granted under the Plan as of such date, or (ii) a lesser amount determined by the Compensation Committee. For clarity, if the amount determined in the formula in the preceding sentence is negative, the number of shares available for issuance shall neither be increased nor decreased.

For more information concerning the Plan and other stock based compensation, see the Trust’s audited financial statements included in the Trust’s annual report on Form 10-K for the year ended December 31, 2018, distributed along with this proxy statement.

COMPENSATION DISCUSSION AND ANALYSIS

The Trust’s compensation program is designed to incentivize key individuals to provide services of value to the Trust, including services in the long-term interest of the Trust. Over the last few years, the Trust has focused on minimizing cash compensation and providing incentive compensation in the form of option and restricted stock grants. The compensation program has consisted primarily of occasional option grants and restricted stock grants to our

Independent trustees and occasional option grants and restricted stock grants to our CEO. The Trust believes this approach provides the Trust with increased flexibility to vary the amounts and types of compensation paid to the Trust's executive officer, to serve the goals of:

more strongly aligning the interests of the Trust and the interests of its executive officers and trustees, among others, in support of our business expansion and improvement plans;

rewarding our executive officers in proportion to the increased duties we are imposing on them and the increased levels of performance we are requiring of them; and

rewarding our executive officers and trustees, among others, if and when they achieve substantial successes in expanding and improving our business and prospects, including, without limitation, by creating long-term shareholder value by increasing funds from operations ("FFO") and dividends per share through accretive acquisitions of energy and transportation infrastructure.

In furtherance of these compensation goals, the Compensation Committee approved certain stock grants during 2018. See the "Trustee Compensation" table and the "Executive Officer Compensation" table, above, for further information as to these grants and our compensation amounts generally.

Unless otherwise indicated, the business address of each person listed is c/o Power REIT, 301 Winding Road, Old Bethpage, NY 11804. Unless otherwise indicated, all shares are owned directly, and the indicated person has sole voting and investment power.

A non qualified stock option to acquire 100,000 common shares ("Option") was awarded on August 13, 2012, pursuant to the Trust's 2012 Equity Incentive Plan. The Option vested in three equal annual installments beginning with the first anniversary of the respective grants. The Options have a 10-year term and a strike price equal to the closing price of the stock on August 13, 2012.

(2) In addition to the shareholdings disclosed above, the MEL Generation Skipping Trust, a trust set up for the children of David H. Lesser, (the "MEL Trust") owns 33,875 common shares of the Trust. (4) The number of shares reported and the denominator used to calculate the "% of Outstanding Shares" includes restricted stock grants. Each restricted stock grant confers voting and dividend privileges during its vesting period.

COMPLIANCE WITH Section 16(a) Beneficial Ownership Reporting

Section 16(a) of the Exchange Act requires that our executive officers and trustees, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership on Forms 3, 4

and 5 with the SEC and, in our case, the NYSE American. Executive officers, trustees and greater than 10% shareholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 that they file. Based on our review of such copies, we believe that our current executive officers, trustees and greater than 10% shareholders complied with all Section 16(a) filing requirements applicable to them with respect to transactions during 2017.

Related Party Transactions

The Trust and its subsidiaries have hired Morrison Cohen, LLP (“Morrison Cohen”) as their legal counsel with respect to general corporate matters and the litigation with NSC. The spouse of the Trust’s Chairman, CEO, Secretary and Treasurer is a partner at Morrison Cohen. During 2018 and 2017, Power REIT (on a consolidated basis) paid \$0 and 6,700 in legal fees and costs to Morrison Cohen in connection with various legal matters, including the litigation with NSC.

A wholly-owned subsidiary of HBP provides the Trust and its subsidiaries with office space at no cost. Effective September 2016, the Board of Directors approved reimbursing an affiliate of HBP \$1,000 per month for administrative and accounting support based on a conclusion that it would pay more for such support from a third party. A total of \$12,000 was paid pursuant to this arrangement during 2018.

Under the Trust’s Declaration of Trust, the Trust may enter into transactions in which trustees, officers or employees have a financial interest; provided however, that in the case of a material financial interest, the transaction shall be disclosed to the Board of Trustees or the transaction shall be fair and reasonable. After consideration of the conditions and terms of the retention of Morrison Cohen and the payment to an affiliate of HBP for accounting and administrative support, the independent trustees approved the hiring of Morrison Cohen as legal counsel and approved the agreement with the affiliate of HBP described above, finding the aforementioned arrangements to be fair and reasonable and in the interest of the Trust.

Audit Committee Pre-Approval of Services to be Provided by Independent Auditor

Our policies and procedures require our Audit Committee to review and approve in advance all engagements for services to be rendered by the Trust's independent auditors. In the case of any non-audit services proposed to be rendered by the Trust's independent auditors, that review includes consideration by the Audit Committee as to whether the provision of such services would be compatible with maintaining the auditors' independence.

APPENDIX

CODE OF BUSINESS CONDUCT AND ETHICS

INTRODUCTION

This Code of Business Conduct and Ethics covers a wide range of business practices and procedures. It does not cover every issue that may arise, but it sets out basic principles to guide officers and trustees of the Trust. All of our officers and trustees must conduct themselves accordingly and seek to avoid even the appearance of improper behavior. The Trust currently has no employees. However, should the Trust's operations require employees in the future, this Code of Conduct and Ethics will apply to any and all employees.

If a law conflicts with a policy in this Code, you must comply with the law; however, if a local custom or policy conflicts with this Code, you must comply with the Code. If you have any questions about these conflicts, you should ask the chief executive officer how to handle the situation.

Those who violate the standards in this Code will be subject to disciplinary action which may include immediate termination. If you are in a situation which you believe may violate or lead to a violation of this Code, follow the procedures described in Sections 11 and 12 of this Code.

1. ETHICAL CONDUCT AND LEGAL COMPLIANCE

Obedying the law, both in letter and in spirit, is the foundation on which the Trust's ethical standards are built. All officers and trustees must obey the laws of the United States and the cities and states in which we operate. Although not all officers and trustees are expected to know the details of these laws, it is important to know enough to determine when to seek advice from counsel or others.

Beyond compliance with laws, the Trust requires that all its officers and trustees act in a manner which meets the highest standards of ethical behavior. The honesty and integrity of our business conduct must not be compromised. The Trust will not condone ethical violations for the sake of personal gain, personal advantage, expediency, or perceived business advantage.

2. ACCOUNTING AND AUDITING MATTERS

The Trust's requirement that officers and trustees follow the highest ethical standards applies directly to all actions which involve business accounting, financial reporting, internal accounting controls, auditing matters, and public disclosure obligations in filings with the Securities and Exchange Commission and all public communications by the Trust.

The Trust requires honest and accurate recording and reporting of information in order to make responsible business decisions.

All of the Trust's books, records, accounts and financial statements must be maintained in reasonable detail, must appropriately reflect the Trust's transactions and must conform both to applicable legal requirements and to the Trust's system of internal controls.

Business records and communications often become public, and we should avoid exaggeration, derogatory remarks, guesswork, or inappropriate characterizations of people and companies that can be misunderstood. This applies equally to e-mail, internal memos, and formal reports. Records should always be retained or destroyed according to the Trust's record retention policies. In accordance with those policies, in the event of litigation or governmental investigation please consult the chief executive officer or counsel.

The Audit Committee of the Trust has adopted special procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters. These procedures are set out in Sections 11 and 12 of this Code.

3. CONFLICTS OF INTEREST

Conflicts of interest are prohibited as a matter of Trust policy, except as (i) waived by the Board pursuant to Section 10 below; or (ii) in the case of transactions involving the Trust and its directors, officers, employees or agents, those transactions that are approved pursuant to the procedures contained in the Trust's Amended and Restated Articles, including any subsequent amendments thereto.

A conflict of interest exists when a person's private interest may or does interfere with the interests of the Trust. A conflict can arise when an officer or trustee takes actions or has interests that may make it difficult to perform his or

her Trust work objectively and effectively. Conflicts of interest may also arise when an officer or trustee, or member of his or her family, receives improper personal benefits as a result of his or her position with the Trust.

It is almost always a conflict of interest for an officer or director of the Trust to work simultaneously for a competitor, customer or supplier as an employee, consultant, or board member. The best policy is to avoid any direct or indirect business connection with our competitors, customers or suppliers, except on our behalf.

Conflicts of interest may not always be clear-cut, so if you have a question, you should consult with the chief executive officer, the Trust's counsel or the chairman of the Audit Committee. Any officer or trustee who becomes aware of a conflict or potential conflict should bring it to the attention of the chief executive officer or chairman of the Audit Committee or follow the procedures described in Section 11 of this Code.

Officers and trustees owe a duty to the Trust to advance its legitimate interests when the opportunity to do so arises. In particular:

(i) No payments, loans, employment or promises of employment, investment opportunities, vacation trips, gifts or entertainment (other than entertainment conforming to generally accepted business practices or gifts of nominal value not reasonable calculated to influence a decision) may be offered to or accepted by any officer or trustee or a relative of such a person as a condition of the initial or continued engagement of a consultant, broker, vendor or third party working for the Trust.

(ii) No payments (other than fees for services), loans, employment or promises of employment, investment opportunities, vacation trips, gifts or entertainment (other than entertainment conforming to generally accepted business practices or gifts of nominal value not reasonably calculated to influence a decision) may be offered to or accepted by any consultant, broker, vendor, government official or a relative of such third party in connection with any services being performed for the Trust.

(iii) No officer or trustee may recommend any third party for work for the Trust where the third party's compensation is paid on the basis of any kickback or fee sharing arrangement with the officer or trustee, nor may an officer or trustee recommend any third party without full disclosure and written approval by the chief executive officer, if such third party has any familial or pre-existing monetary relationship with the officer or trustee or if such officer or trustee has an equity or stock ownership position in such third party.

(iv) No employee shall, in his capacity as an employee, make any loan, donation, contributions or payment to a political party, candidate, or political action committee, for or on behalf of the Trust, nor shall an employee of the Trust reimburse any individual who does. (Nothing contained in this tenet shall prohibit an employee from taking any of the above actions in his or her name, provided that the action is exclusively on the employee's own accord and is not an indirect means of accomplishing one of the prohibited actions)

(v) No employee shall use or appropriate materials, property, equipment, systems and procedures (if proprietary in nature) owned by the Trust for his or her own personal financial gain except to the extent necessary for the performance of his or her duties for the Trust.

(vi) In short, the purpose of business entertainment and gifts in a commercial setting is to create goodwill and sound working relationships, not to gain unfair advantage with customers. No gift or entertainment should be offered, given, provided or accepted by any Trust employee, family member of an employee unless it: (1) is not a cash gift, (2) is consistent with customary business practices, (3) is not excessive in value, (4) cannot be construed as a bribe and is not reasonably calculated to influence a decision and (5) does not violate any laws or regulations. Please discuss with the chief executive officer any gifts or proposed gifts which you are not certain are appropriate.

(vii) No officer or trustee shall purchase or obtain any goods or services from any of the Trust's vendors or suppliers without the prior written approval of the chief executive officer or chairman committee.

4. INSIDER TRADING

Officers, trustees and employees who have access to confidential information are not permitted to use or share that information for stock trading purposes or for any other purpose except the conduct of our business and in strict conformance with all applicable laws and SEC regulations. All non-public information for personal financial benefit or to tip others who might make an investment decision on the basis of this information is not only unethical but also illegal. If you have any questions or concerns, please consult the Company's Audit Committee or the Trust's corporate counsel.

5. COMPETITION AND FAIR DEALING

We seek to outperform our competition fairly and honestly. We seek competitive advantages through superior performance, never through unethical or illegal business practices. Stealing proprietary information, possessing trade secret information that was obtained without the owner's consent, or inducing such disclosures by past or present employees of other companies is prohibited. Each officer and trustee should endeavor to respect the rights of and deal fairly with the Trust's customers, suppliers, competitors and employees. No unfair advantage should be taken of anyone through manipulations, concealment, abuse of privileged information, misrepresentation of material facts, or any other intentional unfair-dealing practice.

6. DISCRIMINATION, HARASSMENT AND RETALIATION

This policy prohibits discrimination against any person who provides information to a federal regulatory or law enforcement agency, a member of Congress or any committee of Congress, or to the chief executive officer concerning conduct which the employee reasonably believes constitutes a violation of securities laws or any provision of federal law relating to fraud against shareholders.

No officer or trustee may retaliate against an individual for bringing a complaint of discrimination or for participating in an investigation or proceeding involving a complaint of discrimination.

No one may take any action harmful to any person for providing to a law enforcement officer any truthful information relating to the commission or possible commission of any federal offense.

7. CONFIDENTIALITY

Officers and trustees must maintain the confidentiality of the information entrusted to them or its customers, except when disclosure is authorized by the chief executive officer or required by law. Confidential information includes all non-public information that might be of use to competitors, or harmful to the Trust or its customers, if disclosed. It also includes information that suppliers and customers have entrusted to us. The obligation to preserve confidential information continues even after employment or trustee service ends.

8. PROTECTION AND PROPER USE OF TRUST ASSETS

Officers and trustees should endeavor to protect the Trust's assets and ensure their efficient use. Theft, carelessness and waste have a direct impact on the Trust's profitability. Any suspected incident of fraud or theft should be immediately reported for investigation.

The obligation of officers and trustees to protect the Trust's assets includes the Trust's proprietary information. Proprietary information includes business, marketing and service plans, records, salary information and any unpublished financial data and reports. Unauthorized use or distribution of this information would violate Trust policy. It could also be illegal and result in civil or even criminal penalties.

9. PAYMENTS TO GOVERNMENT PERSONNEL

It is strictly prohibited to make illegal payments to government officials of any country. In addition, the U.S. Government has a number of laws and regulations regarding business gratuities which may be accepted by U.S. Government personnel. The promise, offer or delivery to an official or employee of the U.S. government of a gift, favor or other gratuity in violation of these rules would not only violate Trust policy but could also be a criminal offense. State and local governments, as well as foreign governments, may have similar rules.

10. WAIVERS OF THE CODE OF BUSINESS CONDUCT

Any waiver of this Code for executive officers or trustees may be made only by the Board and will be promptly disclosed as required by law or stock exchange regulation.

11. REPORTING/INVESTIGATION PROCEDURES

Any officer or trustee who reasonably believes that there has been a material violation of this Code of Conduct should report it immediately to the chief executive officer and Audit Committee. The investigation will be handled discreetly and appropriately, and the information will be disclosed to others only on a need to know basis and as required by law. There will be no adverse action taken against anyone who reports violations of the Code of Conduct or who participate in the investigation. If the investigation leads to a conclusion that a material violation of the Code of Conduct has occurred, the Trust will take appropriate corrective action which may include removal from a position as trustee or officer.

The Trust recognizes the potentially serious impact of a false accusation. This Code of Conduct requires officers and trustees to act responsibly in making complaints. Making a complaint without a good faith basis is itself an ethical violation.

12. SPECIAL PROCEDURES FOR REPORTING/INVESTIGATING COMPLAINTS REGARDING ACCOUNTING, INTERNAL ACCOUNTING CONTROLS, AND AUDIT MATTERS

Any officer or trustee who reasonably believes that there has been a material violation of the Code caused by questionable accounting or auditing matters has the right to submit a confidential, anonymous complaint to the Audit Committee. The complaint should be made in written form and provide sufficient information so that a reasonable

investigation can be conducted.
