**Item 1.01 Entry into a Material Definitive Agreement.**

On August 30, 2006, Katy Industries, Inc. (Katy or the Company) approved certain changes to compensation for directors who are not employed by Katy or its subsidiaries or serve as Class II directors. The Company had previously disclosed its plans to issue these directors stock appreciation rights under the 2002 Stock Appreciation Rights Plan; however, such stock appreciation rights will be issued under separate stand-alone agreements. The grant of stock appreciation rights was authorized on August 30, 2006 in lieu of stock options that the directors would otherwise have been granted, but that were not available due to the expiration of the directors then existing option plan. Additionally, the Company will issue additional cash compensation in the equivalent of 2,000 shares of the Company's common stock at the closing price of the Company's common stock on the day prior to the Company's annual meeting.

Below is a description of the updated compensation arrangements for members of its board of directors who are not employed by Katy or its subsidiaries or serve as Class II directors:

1. Retainer

- a. Each director receives a \$10,000 annual retainer, paid annually in advance.
- b. Each director receives the cash equivalent of 2,000 shares of the Company's common stock at the closing stock price the day prior to the annual meeting.
- c. The chair of the Compensation Committee and the chair of the Audit Committee each receive an additional \$6,000 annual retainer, paid annually in advance.

2. Meeting Fees

- a. Each director is paid \$2,500 for each full meeting of the board of directors he or she attends in person and \$1,000 for each full meeting of the board of directors he or she attends telephonically.
- b. Each director is paid \$1,000 for each full committee meeting of the board of directors he or she attends in person and \$500 for each full committee meeting of the board of directors he or she attends telephonically.

3. Stock Appreciation Rights

- a. Each director receives an annual stock appreciation right (SAR) grant of 2,000 stock appreciation rights at the May meeting of the board of directors each year. The exercise price is the fair market value on the date of grant. The director may exercise these stock appreciation rights at any time during the ten years from the date of grant.

4. Meeting Expenses

- a. Katy reimburses directors for their expenses incurred in attending meetings of the board of director and committee meetings of the board of directors.

5. Deferred Compensation Plan

- a. Each director may defer directors' fees, retainers and other compensation paid for services as a director until the later of the director's attainment of age 62 or ceasing to be a director. Each director has 30 days before the beginning of a Plan Year (as defined in the Directors' Deferred Compensation Plan) in which to elect to participate in the Directors' Deferred Compensation Plan. Directors may invest these amounts in one or more investment alternatives offered by Katy. Directors may elect to receive distributions of deferred amounts in a lump sum or five annual installments.

The Company has included the form of stand-alone agreement for the grant of stock appreciation rights.
