Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On January 25, 2007, the Executive Compensation Committee of the Board of Directors of the Company awarded performance-based restricted stock units covering 7,000 shares of the Company's Common Stock to W. Richard Roth, the Company's President and Chief Executive Officer, under the Company's Long-Term Incentive Plan. Each unit will entitle Mr. Roth to receive one share of the Company's Common Stock when that unit vests. The vesting schedule is tied to the Company's attainment of a pre-defined level of total shareholder return measured over a three-year performance period commencing January 1, 2007. If such performance objective is attained, the 7,000 underlying shares of Common Stock will be issued to Mr. Roth in January 2010. However, such units will be automatically converted into straight service-vesting units upon certain changes in control prior to the completion of the performance period. In addition, the units will vest in full on an accelerated basis upon Mr. Roth's termination of employment with the Company under certain prescribed circumstances. The award does not include dividend equivalent rights. The Executive Compensation Committee of the Board of Directors of the Company also awarded Mr. Roth Restricted Stock Units covering an aggregate of 14,000 shares of the Company's Common Stock, which vest in three successive equal annual installments upon his completion of each year of service with the Company over the three-year period measured from the January 25, 2007 award date.
