Checkers(R)/Rally's(R) Recognized for  
Extraordinary Employee Incentive  
Programs - Double drive-thru chain  
awarded NRN's People and Performance  
Award for excellence in employee  
Recognition.

TAMPA, FL - October 14, 2003 -  
Checkers Drive-In Restaurants, Inc.,  
(NASDAQ: CHKR), the nation's largest  
double drive-thru chain, prides itself  
on its superior employee incentive  
programs. Now, Nation's Restaurant  
News, the newsweekly of the food  
service industry and producer of the  
Multi-Unit Food Operators (MUF50)  
Conference, has officially recognized  
Checkers(R)/Rally's(R) human resource efforts  
with the People and Performance Award,  
sponsored by Coca-Cola North America.

Checkers/Rally's national incentive  
programs support both Company and  
Franchise growth by motivating its  
employees to succeed. The programs  
offer out-of-this-world rewards for  
outstanding performance, including  
cars, cruises and consumer electronics.

"We are naturally very pleased with  
this recognition of our employee incentive  
programs" said Keith Sirois, President  
and CEO of Checkers Drive-In Restaurants,  
Inc. "We are even more pleased though  
with the help these programs have lent  
in achieving continuing improvement within  
our system."

"Our success as a Company can be largely  
attributed to our investment in people,"  
said Steven M. Cohen, Senior Vice President  
of Human Resources, Checkers Drive-In  
Restaurants, Inc. "Turnover in our organization  
has dropped tremendously over the past few  
years and one of the major reasons for this  
is our extraordinary recognition programs."

An example of Checkers/Rally's motivating incentive programs include its Annual Incentive Trip, where the top General Managers, Area Managers, top-performing corporate employees, and their spouses travel to an exotic locale. In 2002, 220 top-employees went on a five-day cruise to the Grand Cayman Islands and Cozumel.

"Over the course of a year, we measure many criteria, sharing the rankings with our employees to motivate and direct our management team," said Adam Noyes, Vice President of Company Operations and Purchasing of Checkers Drive-In Restaurants, Inc. "Success is a direct result of great teamwork, so rewards are shared amongst staff and personnel who play an integral role."

Recently, as part of the Checkers/Rally's "Speed to Succeed" Incentive Program, this year's version of Checkers/Rally's tradition of employee car giveaways, a Checkers franchisee manager in Long Island, New York, received an official Brickyard 400(R) Monte Carlo(R) SS Pace Car for increasing his store sales 75 percent versus the previous year. As part of the "Speed to Succeed" program, a top-performing general manager is presented with an official Pace Car or a 2003 Ford(R) Mustang(R) each month. Additionally, managers throughout the system can win consumer electronic prizes from Circuit City(R), and Assistant Managers, shift supervisors and crewmembers have the opportunity to win great prizes, including Circuit City Gift Cards.

"Checkers/Rally's Marketing, Operations and HR departments have worked together to develop and deliver so many of these programs to enhance both Company and Franchise performance," said Ron Levondosky, Vice President of Franchise, Checkers Drive-In Restaurants, Inc. "And we've found that recognition amongst peers goes a long way, so we communicate our employees' successes through monthly newsletters."

Checkers/Rally's was presented with the People and Performance Award in the category of employee recognition at NRN's 44th annual MUFSSO Conference on Tuesday, September 23, 2003 in Atlanta, Georgia.

The People and Performance Awards (PAPAs) honor multi-unit restaurant chains in employee recruitment, retention and recognition. Selected by the editorial staff of Nation's Restaurant News along with the PAPA Advisory Board, winners excel in their human resource efforts in various areas including innovation, diversity plans, recruitment strategy, and service benchmarks.
