This Proxy Statement and the accompanying Proxy Card are being distributed on or about March 28, 2014, to shareholders of record as of the close of business on March 14, 2014. Unless the context requires otherwise, references in this Proxy Statement to “Monmouth”, “we”, “our”, “us” and the “Company” refer to Monmouth Real Estate Investment Corporation and its consolidated subsidiaries.

A copy of the Company’s annual report, including financial statements, was mailed to all shareholders of record on or about February 4, 2014, and is available on the Company’s website at www.mreic.com.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON MAY 13, 2014

Under rules adopted by the U.S. Securities and Exchange Commission (SEC), you are able to obtain proxy materials via the Internet, instead of being mailed printed copies of those materials. This will expedite shareholders’ receipt of

proxy materials, lower the cost of the annual meeting, and help conserve natural resources. Please visit the website www.proxyvote.com to view electronic versions of proxy materials and the Company's 2013 Annual Report, and to request electronic delivery of future proxy materials. Have your Proxy Card or notice of Internet availability in hand when you access the website and follow the instructions. You will need your 12 digit Control Number which is located on your proxy card or notice of Internet availability. Shareholders also may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

FREQUENTLY ASKED QUESTIONS ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting of Shareholders? At the Annual Meeting, shareholders will vote upon matters described in the Notice, including the election of directors, the ratification of the selection of PKF O'Connor Davies as our independent registered public accounting firm and the advisory resolution to approve the compensation of our named executive officers. Once the business of the Annual Meeting is concluded, members of management will respond to questions raised by shareholders, as time permits.

Who can attend the Annual Meeting? All of our common shareholders as of the close of business on March 14, 2014, the record date for the Annual Meeting, or individuals holding their duly authorized proxies, may attend the Annual Meeting. You should be prepared to present photo identification for admittance. Appointing a proxy in response to this solicitation will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the close of business on March 14, 2014, the record date for the Annual Meeting, to gain admittance to the Annual Meeting.

What am I voting on? At the Annual Meeting, you may consider and vote on:

- the election of four directors;

the ratification of the appointment of PKF O'Connor Davies as our independent registered public accounting firm for the fiscal year ending September 30, 2014; and

the advisory resolution to approve the compensation of our named executive officers, as described in this Proxy Statement.

We are not aware of any other business, other than procedural matters relating to the Annual Meeting or the proposals listed above, that may properly be brought before the Annual Meeting.

What are the Board's recommendations? The Board recommends a vote:

- ***FOR*** the election of each nominee for election as a director named in this Proxy Statement (Proposal No. 1);

FOR the ratification of the appointment of PKF O'Connor Davies as our independent registered public accounting firm for the fiscal year ending September 30, 2014 (Proposal No. 2); and

FOR the approval of the advisory resolution to approve the compensation of our named executive officers, as described in this Proxy Statement (Proposal No. 3).

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board.

Who may vote? You may vote if you owned shares of our common stock at the close of business on March 14, 2014, which is the record date for the Annual Meeting. You are entitled to cast one vote for as many individuals as there are directors to be elected at the Annual Meeting and to cast one vote on each other matter presented at the Annual Meeting for each share of common stock you owned as of the record date. Cumulative voting is not permitted in the election of directors.

What is a quorum for the Annual Meeting? As of March 14, 2014, we had 46,868,838 shares of common stock outstanding. In order to conduct a meeting, shareholders entitled to cast a majority of the votes entitled to be cast at the Annual Meeting must be present in person or by proxy. No business may be conducted at the Annual Meeting if a quorum is not present. If you submit a properly executed proxy card or vote by telephone or on the Internet, you will be considered part of the quorum. Abstentions and broker "non-votes" will be counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" results when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules,

does not have discretionary authority to vote on a matter.

What vote is required to approve an item of business at the Annual Meeting? To be elected as a director (Proposal No. 1), a nominee must receive a plurality of the votes cast in the election of directors. To ratify the appointment of PKF O'Connor Davies as our independent registered public accounting firm (Proposal No. 2), the affirmative vote of a majority of the votes cast on the proposal is required. To approve the advisory resolution approving the compensation of our named executive officers described in this Proxy Statement (Proposal No. 3), the affirmative vote of the majority of the votes cast on the proposal is required.

If you are a shareholder of record as of the record date for the Annual Meeting and you authorize a proxy (whether by Internet, telephone or mail) without specifying voting instructions on any matter to be considered at this Annual Meeting, the proxy holders will vote your shares according to the Board's recommendation on that matter and in their discretion on any other matter that may properly come before the Annual Meeting.

If you are a shareholder of record as of the record date for the Annual Meeting and you fail to authorize a proxy or attend the meeting and vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange (NYSE), your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal. As noted above, this is referred to as a broker "non-vote." A broker non-vote is not considered a vote cast on a proposal and broker non-votes will have no effect on the vote on any of the matters to be considered at the Annual Meeting. If you hold your shares in a brokerage account, then, under NYSE rules and Maryland law, your broker is entitled to vote your shares on Proposal No. 2 (Ratification of Independent Registered Public Accounting Firm) if no instructions are received from you, but your broker is not entitled to vote on Proposal No. 1 (Election of Directors) and Proposal No. 3 (Advisory Approval of Executive Compensation) without specific instructions from you. If you instruct your proxy or broker to "abstain" on any matter, it will have no effect on the vote on any of the matters to be considered at the Annual Meeting.

How do I vote? If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your broker, bank or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock.

If your common stock is held of record in your name, there are three ways for you to authorize a proxy:

By Telephone or on the Internet – You can authorize a proxy by calling the toll-free telephone number on your Proxy Card or Notice. Please have your Proxy Card or Notice in hand when you call. Easy-to-follow voice prompts allow

you to authorize a proxy to vote your shares and confirm that your instructions have been properly recorded. The website for Internet voting is *www.proxyvote.com*. Please have your Proxy Card or Notice handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m., Eastern Time, on May 12, 2014. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, the Company recommends that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your Proxy Card.

By Mail – If you received your Annual Meeting materials by mail, you may complete, sign and date the Proxy Card or voting instruction card and return it in the prepaid envelope. If you are a shareholder of record and you return your signed Proxy Card but do not indicate your voting preferences, the persons named in the Proxy Card will vote the shares represented by that proxy as recommended by the Board of Directors on each matter listed in this Proxy Statement and in their discretion on any other matter properly brought before the Annual Meeting.

In Person at the Annual Meeting – All shareholders of record may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. Even if you plan to attend the Annual Meeting, we request that you authorize a proxy in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you mail us your properly completed and signed proxy card, or authorize a proxy to vote your shares by telephone or Internet, your votes will be cast according to the choices that you specify. Unless you indicate otherwise on your proxy card, the persons named as your proxies will cast your votes: FOR all of the nominees for director named in this Proxy Statement; FOR the ratification of PKF O'Connor Davies, as our independent registered public accounting firm; FOR the advisory resolution to approve the compensation of our named executive officers; and in their discretion on such additional matters.

If your common stock is held in the name of your broker, bank or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions.

Can I revoke my proxy? Yes, if your common stock is held in your name, you can revoke your proxy by:

- Filing written notice of revocation before our Annual Meeting with our Secretary at the address shown on the front of this Proxy Statement;

- Signing a proxy bearing a later date; or

- Voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, by itself, revoke a properly-executed proxy. If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your instructions.

Who pays for this proxy solicitation? The cost of preparing, assembling and distributing this Proxy Statement and form of proxy, and the cost of soliciting the proxies related to the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, internet and telephone, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our stock as of the record date and will reimburse them for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and authorizing your proxy by the Internet or telephone, or by completing and returning the enclosed proxy card (if you received your proxy materials in the mail) will help to avoid additional expense.

CORPORATE GOVERNANCE AND BOARD MATTERS

We are committed to maintaining sound corporate governance principles. The Board of Directors has periodically updated and approved formal Corporate Governance Guidelines that address the qualifications and responsibilities of Directors, Director independence, committee structure and responsibilities, and interactions with management, among other matters. The Corporate Governance Guidelines are available on the Company's website at www.mreic.com. Together with the charter and bylaws of the Company and the Charters of the Board's committees, the Corporate Governance Guidelines provide the framework for the governance of the Company.

Board Leadership Structure and Role in Risk Oversight

Since the Company's inception in 1968, the positions of Chief Executive Officer and Chairman of the Board of Directors were combined. For more than forty years, both positions were held by Eugene W. Landy. Effective April 9, 2013, as part of the Board's succession planning strategy, Michael P. Landy was elected as the Company's President and Chief Executive Officer. Mr. Michael Landy, who served as the Company's Chief Operating Officer since 2011 and Chairman of the Company's Executive Committee since 2010, will continue to serve as Chairman of the

Company's Executive Committee and as a member of the Company's Board of Directors. Mr. Eugene W. Landy continues to serve as Chairman of the Board of Directors. The Board of Directors has selected a Lead Independent Director, Scott Robinson, to preside at executive sessions of the non-management directors. The Board reviews the structure of the Board and Company leadership as part of the succession planning process.

During 2010, the Board appointed an Executive Committee of the Company (the EC) to (1) manage the day to day activities of the Company, (2) assist the President and Chief Executive Officer in the overall management of the Company, and (3) provide for business continuity. The EC operates under a written charter and provides a mechanism for key officers and staff to engage in all facets of the Company. The EC is composed of Michael P. Landy - President and Chief Executive Officer and Chairman of the EC, Kevin S. Miller - Chief Financial Officer, Allison Nagelberg - General Counsel, and Richard Molke - Director of Property Management. The EC is subject to the provisions of the Company's bylaws. An EC member may be removed for any reason by the Board. Members of the Board of Directors may attend meetings of the EC by invitation.

The EC has the following duties and responsibilities:

- To manage the day-to-day business and affairs of the Company which do not require Board action;
- To confer with and assist the President and Chief Executive Officer;
- To implement corporate actions after approval by the full Board;

To review and recommend to the Board investment activities and funding;

To review strategic plans and the strategic focus of management;

To review and approve acquisitions, expansions, and leasing, and make recommendations in regard thereto for Board approval;

- To engage consultants and advisors at the expense of the Company to assist the EC as it deems necessary in the performance of its functions with the authority to retain and terminate any such professionals, consultants and advisors, and to approve all fees and other retention terms resulting therefrom;
- To make regular reports to the Board, as appropriate; and
- To review and reassess the adequacy of its charter regularly and recommend any proposed changes to the Board for approval.

The Board of Directors oversees the Company's enterprise-wide approach to the major risks facing the Company and oversees the Company's policies for assessing and managing its exposure to risk. The Board periodically reviews these risks and the Company's risk management processes. The Board also considers risk in evaluating the Company's strategy. The Board's responsibilities include reviewing the Company's practices with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Company. The Audit Committee reviews the Company's financial and compliance risks and major legislative and regulatory developments which could materially impact the Company. The Compensation Committee oversees management's assessment of whether the Company's compensation structure, policies and programs create risks that are reasonably likely to have a material adverse effect on the Company.

Board Independence

The Company's Corporate Governance Guidelines include specific Director Independence Standards that comply with applicable rules of the SEC and the listing standards of the NYSE. The Board requires that at least a majority of its Directors satisfy this definition of independence. The Board of Directors has considered business and other relationships between the Company and each of its Directors, including information provided to the Company by the Directors. Based upon its review, the Board of Directors has determined that all of its Directors, other than Ms. Anna Chew and Messrs. Daniel D. Cronheim, Eugene W. Landy, Michael P. Landy, and Samuel A. Landy, are independent, consistent with the Corporate Governance Guidelines. The Corporate Governance Guidelines, which incorporate the NYSE Director Independence Standards, are available at the Company's website located at www.mreic.com and are available in print upon request.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No Director attended fewer than 75% of the meetings of the Board of Directors and of meetings of the Committees on which he or she served. The Company does not have a policy concerning Directors' attendance at the Annual Meeting of Shareholders. Four Directors attended the Company's 2013 Annual Meeting of Shareholders.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors. Each of these committees is composed exclusively of independent directors.

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent registered public accounting firm, approving the audit fees, and monitoring the qualifications, independence and performance of the Company's independent registered public accounting firm. It also oversees the internal audit function, legal and regulatory compliance, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report which is included in the Company's annual proxy statements. The Audit Committee had four meetings during the fiscal year, including an executive session with the independent auditors, in which management did not attend. The Audit Committee operates under the Audit Committee Charter which is available on the Company's website at www.mreic.com.

The current members of the Company's Audit Committee are Catherine B. Elflein, Brian H. Haimm, Matthew I. Hirsch, Scott Robinson, and Stephen B. Wolgin (who serves as Chairman of the Audit Committee). The Board has determined that the members of the Audit Committee are "independent" as defined by the rules of the SEC and the listing standards of the NYSE, and that each of them is able to read and understand fundamental financial statements. The Board has also determined that Stephen B. Wolgin, Catherine B. Elflein, and Brian H. Haimm are "audit committee financial experts" within the meaning of the rules of the SEC and are "financially literate" within the meaning of the rules of the NYSE.

Compensation Committee

The Compensation Committee's responsibilities include (1) evaluating the Chief Executive Officer's and other executive officers' performance in light of the Company's goals and objectives and determining the Chief Executive Officer's and other executive officers' compensation, which includes base salary and bonus; and (2) administering the Company's 2007 Stock Option and Stock Award Plan, as Amended and Restated (2007 Plan). The Compensation Committee had at least one meeting during the last fiscal year. The current members of the Compensation Committee are Matthew I. Hirsch and Stephen B. Wolgin (who serves as the Chairman of the Compensation Committee). The Board has determined that the members of the Compensation Committee are independent as defined by the rules of the SEC and the listing standards of the NYSE. The Compensation Committee operates under the Compensation Committee Charter which can be found at the Company's website at www.mreic.com.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had at least one meeting during the last fiscal year. The current members of the Nominating Committee are Neal Herstik, Matthew I. Hirsch (who serves as the Chairman of the Nominating Committee), and Stephen B. Wolgin. The Board of Directors has determined that each member of the Nominating Committee is "independent" as defined by the rules of the SEC and the listing standards of the NYSE. The Nominating Committee operates under the Nominating Committee Charter which can be found at the Company's website at www.mreic.com.

The principal function of the Nominating Committee is to review and select candidates for nomination to the Board of Directors. The Nominating Committee will consider appropriate nominees for directors whose names are submitted in writing by a shareholder and evaluates them using the same criteria as for other candidates. See "Shareholder Communications" on page 17 for more information.

The Nominating Committee has established a process for identifying and evaluating nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chair of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by shareholders, and, if the Nominating Committee deems necessary or appropriate, hiring a search firm. The Nominating Committee considers diversity of background and personal experience in identifying director candidates. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying

for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contact with the candidate. To the extent feasible, all of the members of the Nominating Committee and the President will interview the prospective candidate(s). Evaluations and recommendations of the interviewers are submitted to the Nominating Committee for final evaluation. The Nominating Committee will then meet to consider such recommendations and to select the final candidate(s). The Nominating Committee will evaluate all nominees for director, including nominees recommended by a shareholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

Independent Director Meetings

The Company's independent directors, as defined under the listing standards of the NYSE, have established a policy to meet separately from the other directors in a regularly scheduled executive session at least annually, and at such additional times as may be deemed appropriate by the Company's independent directors. Any independent director may call an executive session of independent directors at any time. The independent directors had at least one meeting during the last fiscal year. The Board of Directors has selected a Lead Independent Director, Scott Robinson, to preside at executive sessions of the non-management directors.

Shareholders and other interested parties also may direct communications solely to the Independent Directors of the Company by addressing such communications to the Independent Directors, c/o Secretary, at the address set forth above. In addition, the Board of Directors maintains special procedures for the receipt, retention and treatment of complaints that may be received by the Company regarding accounting, internal accounting controls or auditing matters and for the submission by employees of the Company, on a confidential and anonymous basis, of concerns regarding questionable accounting or auditing matters. Such communications may be made by writing to the Audit Committee of the Board of Directors, c/o Secretary, at the address set forth above. Any such communication marked "Confidential" will be forwarded by the Secretary, unopened, to the Chairman of the Audit Committee.

PROPOSAL 2

APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting the Company's common shareholders will be asked to consider and vote on a proposal to ratify the appointment of PKF O'Connor Davies (PKF) as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2014. The Company's charter and bylaws do not require that its shareholders ratify the appointment of PKF as the Company's independent registered public accounting firm. The Company is asking its common shareholders to ratify this appointment as a matter of good corporate practice. If the Company's common shareholders do not ratify the appointment of PKF, the Company's Audit Committee will reconsider whether to retain PKF as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of PKF is ratified by the Company's common shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company. The Company expects a representative of PKF to be present at the Annual Meeting, to make a statement if he or she

desires to do so and to respond to appropriate questions.

A majority of the votes cast in person or by proxy at the Annual Meeting, assuming a quorum is present, is required to ratify the selection of PKF O'Connor Davies as our independent registered public accounting firm for the fiscal year ending September 30, 2014.

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS YOU VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF PKF O'CONNOR DAVIES AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2014

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, our shareholders are entitled to cast an advisory vote at the Annual Meeting to approve the compensation of our named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules, including the "Compensation Discussion and Analysis" section of this Proxy Statement, the compensation tables and narrative disclosures. At the annual meeting of shareholders held on May 5, 2011, the Company's shareholders approved by their advisory vote the compensation of the named executive officers. The shareholders also expressed a preference that advisory votes on executive compensation occur every three years. Accordingly, a shareholder advisory vote on executive compensation will be held at the Annual Meeting. We expect that the next advisory vote on executive compensation will occur at the 2017 annual meeting of shareholders. The results of this advisory vote are not binding on the Compensation Committee, the Company or our Board of Directors. Nevertheless, the Board of Directors values input from our shareholders and will consider carefully the results of this vote when making future decisions concerning executive compensation. The affirmative vote of a majority of the votes cast at the Annual Meeting, in person or by proxy, assuming a quorum is present, is required to approve the advisory resolution approving the compensation of our named executive officers.

Our executive compensation programs are described in detail in this proxy statement in the section titled "Compensation Discussion and Analysis", the compensation tables and narrative discussion beginning on page 24. These programs are designed to attract and retain talented individuals who possess the skills and expertise necessary to lead the Company. The 2007 Plan, which is the primary vehicle for providing long-term incentive compensation to our named executive officers, has been previously voted upon and approved by our shareholders.

The Compensation Committee regularly reviews all elements of the compensation paid to our named executive officers. The Committee believes that the Company's present compensation programs, as presented in the Compensation Discussion and Analysis section and the accompanying tables and related narrative disclosure in this proxy statement, promote in the best manner possible our business objectives while aligning the interests of the named executive officers with our shareholders to ensure continued positive financial results. Our results support this conclusion. By adhering to a business plan that has emphasized single tenant industrial properties, secured by long-term net leases, primarily to investment grade tenants, coupled with a strong balance sheet, the Company has continued to grow and deliver positive results to our shareholders. The Company remains among the leaders in the REIT sector in generating long-term total returns for our shareholders. The Company is proud of its long-term record of dividends and profitability. The compensation programs for our named executives are a key ingredient in motivating these executives to continue to deliver such results. Accordingly, we ask our shareholders to vote "FOR" the following resolution at the Annual Meeting:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation of our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion in the Proxy Statement.”

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR
THE ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE
OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT**

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee of the Board has been appointed to discharge the Board's responsibilities relating to the compensation of the Company's executive officers. The Compensation Committee has the overall responsibility for approving and evaluating the executive officer compensation plan, policies and programs of the Company. The Compensation Committee's primary objectives include serving as an independent and objective party to review such compensation plan, policies and programs. The Compensation Committee may delegate its responsibilities to a subcommittee of the Compensation Committee when appropriate, as permitted by applicable rules and regulations. The Compensation Committee has not retained or obtained the advice of a compensation committee consultant for determining or recommending the amount of executive or director compensation.

Throughout this proxy statement, the individuals who served as the Company's Chairman of the Board and the President and Chief Executive Officer and other members of the Executive Committee during fiscal 2013 included in the Summary Compensation Table presented below in this proxy statement, are sometimes referred to in this proxy statement as the named executive officers.

Compensation Philosophy and Objectives

The Compensation Committee believes that a well-designed compensation program should align the goals of the shareholders with the goals of the President and Chief Executive Officer, and that a significant part of the executives' compensation, over the long term, should be dependent upon the value created for shareholders. In addition, all executives should be held accountable through their compensation for the performance of the Company, and compensation levels should also reflect the executives' individual performance in an effort to encourage increased individual contributions to the Company's performance. The compensation philosophy, as reflected in the Company's employment agreements with its executives, is designed to motivate executives to focus on operating results and create long-term shareholder value by:

- establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other publicly-traded real estate investment trusts, or REITs;
- linking a portion of executives' compensation to the achievement of the Company's business plan by using measurements of the Company's operating results and shareholder return; and

- building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

The Compensation Committee believes that each of the above factors is important when determining compensation levels for named executive officers. The Compensation Committee reviews and approves the employment contracts for the Chairman of the Board and the President and Chief Executive Officer, and other named executive officers, including performance goals and objectives. The Compensation Committee annually evaluates performance of the executive officers in light of those goals and objectives. The Compensation Committee considers the Company's performance, relative shareholder return, the total compensation provided to comparable officers at similarly-situated companies, and compensation given to the named executive officers in prior years. The Company uses the annual Compensation Survey published by NAREIT as a guide to setting compensation levels. Participant company data is not presented in a manner that specifically identifies any named individual or company. This survey details compensation by position type with statistical salary and bonus information for each position. The Compensation Committee compares the Company's salary and bonus amounts to the ranges presented for reasonableness. To that end, the Compensation Committee believes executive compensation packages provided by the Company to its executive officers should include both base salaries and annual bonus awards that reward corporate and individual performance, as well as give incentives to those executives who meet or exceed established goals.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all final compensation decisions for the Company's named executive officers. The Chairman of the Board and the President and Chief Executive Officer review the performance of the other named executive officers and then present their conclusions and recommendations to the Compensation Committee with respect to base salary adjustments and annual cash bonus and stock option awards. The Compensation Committee exercises its own discretion in modifying any recommended adjustments or awards, but does consider the recommendations from management who work closely with the other named executive officers.

Role of Grants of Stock Options and Restricted Stock in Compensation Analysis

The Compensation Committee views the grant of stock options and restricted stock awards as a form of long-term compensation. The Compensation Committee believes that such grants promote the Company's goal of retaining key employees, and align the key employee's interests with those of the Company's shareholders from a long-term perspective. The number of options or shares of restricted stock granted to each employee is determined by consideration of various factors including but not limited to the employees' title, responsibilities, and years of service.

Role of Employment Agreements in Determining Executive Compensation

Each of the Company's currently employed named executive officers is a party to an employment agreement. These agreements provide for base salaries, bonuses and customary fringe benefits. The key elements of our compensation program for the named officers are base salary, bonuses, stock options and perquisites and other benefits. Each of these is addressed separately below. In determining initial compensation, the Compensation Committee considers all elements of a named executive officer's total compensation package in comparison to current market practices and other benefits.

Base Salaries

Base salaries are paid for ongoing performance throughout the year. In order to compete for and retain talented executives who are critical to the Company's long-term success, the Compensation Committee has determined that the base salaries of named executive officers should approximate those of executives of other equity REITs that compete with the Company for employees, investors and business, while also taking into account the named executive officers' performance and tenure, and the Company's performance relative to its peer companies within the REIT industry using the NAREIT Compensation Survey described above.

Bonuses

In addition to the provisions for base salaries under the terms of our employment agreements, the Chairman of the Board, and effective October 1, 2013, the President and Chief Executive Officer, are entitled to receive annual cash bonuses for each year during the terms of each respective agreement. These bonuses are based on the achievement of certain performance goals set by the Compensation Committee as described below.

For the Chairman of the Board:

Growth in market cap	7.5%	12.5%	20%
Bonus	\$20,000	\$45,000	\$90,000
Growth in FFO/share	7.5%	12.5%	20%
Bonus	\$20,000	\$45,000	\$90,000
Growth in dividend/share	5%	10%	15%
Bonus	\$30,000	\$60,000	\$120,000
Total Bonus Potential	\$70,000	\$150,000	\$300,000

Effective October 1, 2013, for the President and Chief Executive Officer:

Growth in market cap	10%	15%	20%
Bonus	\$20,000	\$40,000	\$60,000
Growth in AFFO/share	15%	20%	25%
Bonus (1)	\$20,000	\$45,000	\$90,000
Growth in dividend/share	5%	10%	15%
Bonus	\$30,000	\$60,000	\$120,000
Total Bonus Potential	\$70,000	\$145,000	\$270,000

Provided that FFO is in excess of the dividend

In addition to its determination of the executives' individual performance levels for 2013, the Compensation Committee also compared the executives' total compensation for 2013 to that of similarly-situated personnel in the REIT industry using the NAREIT Compensation Survey described above.

Bonuses awarded to the other named executive officers are recommended by the Chairman of the Board and the President and Chief Executive Officer and are approved by the Compensation Committee. The Chairman of the Board, the President and Chief Executive Officer and the Compensation Committee believe that short-term rewards in the form of cash bonuses to senior executives generally should reflect short-term results and should take into consideration both the profitability and performance of the Company and the performance of the individual, which may include comparing such individual's performance to the preceding year, reviewing the breadth and nature of the

senior executives' responsibilities and valuing special contributions by each such individual. In evaluating performance of the Company annually, the Compensation Committee considers a variety of factors, including, among others, Funds From Operations (FFO), Adjusted Funds From Operations (AFFO), net income, growth in asset size, amount of space under lease and total return to shareholders. The Company considers FFO to be an important measure of an equity REIT's operating performance and has adopted the definition suggested by the National Association of Real Estate Investment Trusts (NAREIT), which defines FFO to mean net income computed in accordance with U.S. GAAP, excluding gains or losses from sales of property, plus real estate related depreciation and amortization. The Company defines AFFO as FFO plus acquisition costs less recurring capital expenditures and excluding the following: gains or losses on securities transactions, stock compensation expense, amortization of financing and leasing costs, and straight line rent adjustments. The Company considers FFO and AFFO to be meaningful additional measures of operating performance, primarily because they exclude the assumption that the value of its real estate assets diminishes predictably over time and because industry analysts have accepted these as performance measures.

Various other factors considered include the employee's title and years of service. The employee's title generally reflects the employee's responsibilities and the employee's years of service may be considered in determining the level of bonus in comparison to base salary. The President and the Compensation Committee have declined to use specific performance formulas with respect to the other named executive officers, believing that with respect to Company performance, such formulas do not adequately account for many factors, including, among others, the relative performance of the Company compared to its competitors during variations in the economic cycle, and that with respect to individual performance, such formulas are not a substitute for the subjective evaluation by the President and Compensation Committee of a wide range of management and leadership skills of each of the senior executives.

Stock Options and Restricted Stock

The employment agreement for the Chairman of the Board states that he will receive stock options to purchase 65,000 shares annually. For the other senior executives, the Chairman of the Board and the President and Chief Executive Officer make a recommendation to the Compensation Committee of specific stock option or restricted stock grants. In making its decisions, the Compensation Committee does not use an established formula or focus on a specific performance target. The Compensation Committee recognizes that often outside forces beyond the control of management, such as economic conditions, changing leasing and real estate markets and other factors, may contribute to less favorable near term results even when sound strategic decisions have been made by the senior executives to position the Company for longer term profitability. Thus, the Compensation Committee also attempts to identify whether the senior executives are exercising the kind of judgment and making the types of decisions that will lead to future growth and enhanced asset value, even if the same are difficult to measure on a current basis. For example, in determining appropriate stock option and restricted stock awards, the Compensation Committee considers, among other matters, whether the senior executives have executed strategies that will provide adequate funding or appropriate borrowing capacity for future growth, whether acquisition and leasing strategies have been developed to ensure a future stream of reliable and increasing revenues for the Company, whether the selection of properties, tenants and tenant mix evidence appropriate risk management, including risks associated with real estate markets and tenant credit, and whether the administration of staff size and compensation appropriately balances the current and projected operating requirements of the Company with the need to effectively control overhead costs.

In fiscal 2013, the Compensation Committee received the recommendations from the Chairman of the Board and the President and Chief Executive Officer for the amount of restricted stock and cash bonuses to be awarded. The factors that were considered in awarding the restricted stock and cash bonuses included the following progress that was made by the Company due to the efforts of management:

- Located and acquired 1.1 million square feet of industrial properties as per its investment strategy without placing undue burden on liquidity

- Entered into commitments to acquire 2.0 million square feet of industrial properties
 - Raised approximately \$31.1 million through the DRIP
- Renewed and expanded the unsecured line of credit on favorable terms
- Renewed 93% of expiring leases expiring in fiscal 2013 on favorable terms

- Continued its conservative approach to management of the properties and maintained its cash distributions to shareholders

- Managed general and administrative costs to an appropriate level
 - Refinanced debt at lower interest rates

The individual awards were allocated based on the named executive officers' individual contributions to these accomplishments. Other factors included the named executive officers' responsibilities and years of service. In addition, the awards were compared to each named executive officers' total compensation and compared with comparable Real Estate Investment Trusts (REITS) using the annual Compensation Survey published by NAREIT as a guide for setting total compensation.

Perquisites and Other Personal Benefits

The Company's employment agreements provide the named executive officers with perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the executive officers.

The named executive officers are provided the following benefits under the terms of their employment agreements: an allotted number of paid vacation weeks; eligibility for the executive, spouse and dependents in all Company sponsored employee benefits plans, including 401(k) plan, group health, accident, and life insurance, on terms no less favorable than applicable to any other executive; use of an automobile; and, supplemental disability insurance, at the Company's cost, as agreed to by the Company and the named executive officer. Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended September 30, 2013, are included in "All Other Compensation" of the Summary Compensation Table provided below in this Proxy Statement.

Payments upon Termination or Change in Control

In addition, the named executive officers' employment agreements each contain provisions relating to change in control events and severance upon termination for events other than for cause or good reason (as defined under the terms of the employment agreements). These change in control and severance terms are designed to promote stability and continuity of senior management. Information regarding these provisions is included in "Employment Agreements" provided below in this Proxy Statement. There are no other agreements or arrangements governing change in control payments.

Evaluation

Mr. Eugene Landy is employed under an Amended Employment Agreement with the Company. In July 2010, based on the Compensation Committees' evaluation of his performance, his base compensation under his amended contract was increased from \$225,000 to \$275,000 per year.

In evaluating Mr. Eugene Landy's leadership performance, during 2010, the Compensation Committee awarded Mr. Eugene Landy an Outstanding Leadership Achievement Award (the Award) in the amount of \$300,000 per year for the three fiscal years ended September 30, 2010, 2011 and 2012. This Award was to recognize Mr. Eugene Landy's exceptional leadership as President and Chief Executive Officer for over 40 years.

In evaluating Mr. Eugene Landy's eligibility for an annual bonus, the Compensation Committee used the bonus schedule included in Mr. Eugene Landy's amended contract as a guide.

Mr. Michael Landy was appointed the Company's President and Chief Executive Officer on April 9, 2013. In September 2013, based on his recent promotion, as well as the compensation committees' evaluation of his performance, his base compensation under his new employment agreement (dated September 23, 2013) was increased from \$330,750 to \$500,000 per year, effective October 1, 2013.

The Compensation Committee has also approved the recommendations of the Chairman of the Board and the President and Chief Executive Officer concerning the other named executive officers' annual salaries, bonuses, restricted stock grants and fringe benefits.

Risk Management

The Board of Directors does not believe that the Executive Compensation Program raises any risks that are reasonably likely to have a material adverse effect on the Company. Executive Officers are compensated on a fixed salary basis and have not been awarded any bonuses or other compensation that might encourage the taking of unnecessary or

excessive risks that threaten long-term value of the Company. The Board has attempted to align the interests of the Board of Directors and the Executive Officers with the long-term interests of the company and the shareholders through grants of stock options and restricted stock awards, thereby giving the Board and Executive Officers additional incentives to protect the long-term value of the Company.

Compensation Committee Report

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the board that the Compensation Discussion and Analysis be included in this report.

Stock Compensation Plan

On July 26, 2007, the 2007 Plan was approved by the shareholders authorizing the grant to officers, directors and key employees, of options to purchase up to 1,500,000 shares of common stock. On May 6, 2010, the shareholders approved and ratified an amendment and restatement of the 2007 Plan. The amendment and restatement made two significant changes: (1) the inclusion of Directors as participants in the 2007 Plan, and (2) the ability to grant restricted stock to Directors, officers and key employees. The amendment and restatement also made other conforming, technical and other minor changes. The amendment also makes certain modifications and clarifications, including concerning administration and compliance with applicable tax rules, such as Section 162(m) of the Internal Revenue Code.

Grants of Plan-Based Awards

Options to purchase 65,000 shares were granted in 2013 and options to purchase 156,375 shares were exercised during 2013. During fiscal 2013, 10,000 shares of restricted common stock were granted at a grant date fair value of \$9.87 per share. As of September 30, 2013, the number of shares remaining for future grant of stock options or restricted stock is 744,646.

Options may be granted any time up through March 26, 2017. No option shall be available for exercise beyond ten years. All options are exercisable after one year from the date of grant. The option price shall not be below the fair market value at date of grant. Canceled or expired options are added back to the "pool" of shares available under the Plan.

Under the 2007 Plan, the Compensation Committee determines the recipients of restricted stock awards; the number of restricted shares to be awarded; the length of the restricted period of the award; the restrictions applicable to the award including, without limitation, the employment or retirement status of the participant; rules governing forfeiture and restrictions applicable to any sale, assignment, transfer, pledge or other encumbrance of the restricted stock during the restricted period; and the eligibility to share in dividends and other distributions paid to the Company's stockholders during the restricted period. The maximum number of shares underlying restricted stock awards that may be granted in any one fiscal year to a participant shall be 100,000.

All restricted stock awards granted during fiscal year 2013 vest over five years. The following table sets forth, for the executive officers named in the Summary Compensation Table, information regarding individual grants of restricted stock and individual grants of stock options made during the year ended September 30, 2013:

Compensation Committee Interlocks and Insider Participation

During fiscal 2013, the Compensation Committee consisted of Messrs. Hirsch and Wolgin. No member of the Compensation Committee is a current or former officer or employee of the Company. In fiscal 2013, none of our executive officers served on the compensation committee of any entity, or board of directors of any entity that did not have a compensation committee, that had one or more of its executive officers serving on our Compensation Committee. The members of the Compensation Committee did not otherwise have any relationships requiring related-party disclosure in the Company's Proxy Statement.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee (the Audit Committee) of the Board of Directors (the Board of Directors) of Monmouth Real Estate Investment Corporation (the Company) operates under a written charter which has been amended in January 2013. The amended charter is available on the Company's website at www.mreic.com.

The Company has an Audit Committee consisting of five “independent” Directors, as defined by the listing standards of the New York Stock Exchange. The Audit Committee’s role is to act on behalf of the Board of Directors in the oversight of all material aspects of the Company’s reporting, internal control and audit functions.

We have reviewed and discussed with management the Company’s audited financial statements as of and for the year ended September 30, 2013.

We have discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, “Communications with Audit Committees”, as amended, as adopted by the Public Accounting Oversight Board in Rule 3200T.

We have received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by Independence Standard No. 61, “Independence Discussions with Audit Committees”, and have discussed with the registered public accounting firm its independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company’s Annual Report on Form 10-K for the year ended September 30, 2013.

Fees Billed by Independent Registered Public Accounting Firm

PKF O’Connor Davies served as the Company’s independent registered public accountants for the years ended September 30, 2013 and 2012. A representative from PKF O’Connor Davies is expected to be present at the annual

stockholders' meeting in order to be available to respond to possible inquiries from stockholders.

The following are fees billed by and accrued to PKF O'Connor Davies in connection with services rendered:

	<u>2013</u>	<u>2012</u>
Audit Fees	\$199,000	\$180,500
Audit Related Fees	2,000	45,650
Tax Fees	45,000	49,503
All Other Fees	-	-
Total Fees	\$246,000	\$275,653

Audit fees include professional services rendered for the audit of the Company's annual financial statements, management's assessment of internal controls, and reviews of financial statements included in the Company's quarterly reports on Form 10-Q.

Audit related fees include services that are normally provided by the Company's independent auditors in connection with statutory and regulatory filings, such as consents and assistance with and review of documents filed with the Securities and Exchange Commission.

Tax fees include professional services rendered for the preparation of the Company's federal and state corporate tax returns and supporting schedules as may be required by the Internal Revenue Service and applicable state taxing authorities. Tax fees also include other work directly affecting or supporting the payment of taxes, including planning and research of various tax issues.

Audit Committee Pre-Approval Policy

The Audit Committee has adopted a policy for the pre-approval of audit and permitted non-audit services provided by the Company's principal independent accountants. The policy requires that all services provided by our independent registered public accountants to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee, and all have been so approved. The pre-approval requirements do not prohibit day-to-day normal tax consulting services, which matters will not exceed \$10,000 in the aggregate.

The Audit Committee has determined that the provision of the non-audit services described above is compatible with maintaining PKF O'Connor Davies' independence.

COMPARATIVE STOCK PERFORMANCE

Comparative Stock Performance

The following line graph compares the total return of the Company's common stock for the last five fiscal years to the FTSE NAREIT Composite Index (US), published by the National Association of Real Estate Investment Trusts (NAREIT), and the S&P 500 Index for the same period. The total return reflects stock price appreciation and dividend reinvestment for all three comparative indices. The information has been obtained from sources believed to be reliable, but neither its accuracy nor its completeness is guaranteed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no family relationships between any of the Directors or executive officers of the Company, except that Samuel A. Landy, a Director of the Company, and Michael P. Landy, President, Chief Executive Officer, Chairman of the Executive Committee and a Director of the Company, are the sons of Eugene W. Landy, the Chairman of the Board and a Director of the Company.

Eugene W. Landy and Samuel A. Landy are partners in the law firm of Landy & Landy, which firm, or its predecessor firms, have been retained by the Company as legal counsel since the formation of the Company, and which firm the Company proposes to retain as legal counsel for the current fiscal year. The Company now uses outside counsel for most of the legal services required. The New Jersey Supreme Court has ruled that the relationship of directors also serving as outside counsel is not per se improper, but the attorney should fully discuss the issue of conflict with the other directors and disclose it as part of the proxy statement so that shareholders can consider the conflict issue when voting for or against the attorney/director nominee.

No director, executive officer, or any immediate family member of such director or executive officer may enter into any transaction or arrangement with the Company without the prior approval of the Board of Directors. The Board of Directors will appoint a Business Judgment Committee consisting of independent directors who are also independent of the transaction or arrangement. This Committee will recommend to the Board of Directors approval or disapproval of the transaction or arrangement. In determining whether to approve such a transaction or arrangement, the Business

Judgment Committee will take into account, among other factors, whether the transaction was on terms no less favorable to the Company than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement. The policy is evidenced by the legal standards under Maryland law. Additionally, the Company's Code of Business Conduct and Ethics, which is found at the Company's website at www.mreic.com, provides a method of notifying and reporting in the event of a potential or apparent conflict of interest. Further, to identify related party transactions, the Company submits and requires our directors and executive officers to complete director and officer questionnaires identifying any transactions with the Company in which the director, executive officer or their immediate family members have an interest.

Daniel D. Cronheim is an inside Director of the Company and Executive Vice President of David Cronheim Company (Cronheim) and Cronheim Management Services (CMS). Daniel Cronheim received \$36,750, \$27,250 and \$25,000 for Director's fees in 2013, 2012 and 2011, respectively. Cronheim received \$-0-, \$15,950 and \$15,400 in lease commissions in 2013, 2012 and 2011, respectively. The David Cronheim Mortgage Corporation, an affiliated company of CMS, received \$241,500, \$161,000 and \$-0- in mortgage brokerage commissions in 2013, 2012 and 2011, respectively.

During fiscal 2011 and through January 31, 2012, the Company was subject to a management contract with CMS for a fixed annual fee of \$380,000. On February 1, 2012, the management fee was increased to \$410,000 per annum. During 2012 and 2011, the Company also agreed to reimburse CMS for fees paid to subagents. CMS provided sub-agents as regional managers for the Company's properties. The Company paid CMS management fees (net of allocation to the minority owner of the Somerset, New Jersey shopping center) of \$562,452 and \$547,751 for fiscal 2012 and 2011, respectively, for the management of the properties subject to the management contract. Effective August 1, 2012, the Company's management contract with CMS terminated and the Company became a fully integrated and self-managed real estate company.

Since August 1, 2012, the Company compensates Robert Cronheim, (a Real Estate Advisor and the father of Daniel D. Cronheim), \$8,333 per month in recognition of his services for past years and continued advice and insight. The Company intends to continue these monthly payments through September 2014.

The Company's industrial property in Carlstadt, New Jersey is owned by Palmer Terrace Realty Associates, LLC. The Company owns 51% of Palmer Terrace Realty Associates, LLC. This property is managed by Marcus Associates, an entity affiliated with the 49% noncontrolling interest. Management fees paid to Marcus Associates for each of the fiscal years ended 2013, 2012 and 2011 totaled \$15,804.

There are six Directors of the Company who are also Directors and shareholders of UMH. Through December 31, 2013, the Company shared 2 officers and 2 additional employees with UMH. Effective January 31, 2014, the Company shares 1 officer and 2 additional employees with UMH. Some general and administrative expenses were allocated between the Company and UMH based on use or services provided. Allocations of shared employees' salaries and benefits are made based on the amount of the employees' time dedicated to each affiliated company. Shared expenses are allocated between the Company and UMH based on usage by each company. These allocations are reviewed and approved by our Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (Exchange Act) requires the Company's officers and Directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, Directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on review of the copies of such forms furnished to the Company, the Company believes that, during the fiscal year, all Section 16(a) filing requirements applicable to its officers, Directors and greater than 10% beneficial owners were met.
