Item 2.05

Costs Associated with Exit or Disclosure Activities.

On October 22, 2009, Modine Manufacturing Company (the “Company”) announced its plans to close its Harrodsburg, Kentucky manufacturing plant. The decision to close the Harrodsburg plant was communicated to affected employees on October 22, 2009. The Company expects the closure of the Harrodsburg facility to be completed in six to nine months. This action is part of the Company’s previously announced ongoing initiatives of its strategic Four-Point Plan.

The Company expects to incur approximately \$3.1 million in charges over the closure period, consisting of \$1.8 million of employee-related costs and \$1.3 of other related costs. In addition, the Company anticipates some production inefficiencies related to the transfer of existing programs to other facilities. The Company expects cash-related expenditures for this closure action to be approximately \$3.8 million, which includes approximately \$0.7 million of capital expenditures related to these transfers.

This Form 8-K contains forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995 as indicated by the use of the word “expects.” The Company’s actual results, performance or achievements may differ materially from those expressed or implied in these statements, because of certain risks and uncertainties, including, but not limited to, those described under “Risk Factors” in Item 1A. in Part I. of the Company’s Annual Report on Form 10-K for the year ended March 31, 2009 as revised by Exhibit 99.1 to the Company’s Current Report on Form 8-K dated September 15, 2009.
