Item 2.02. Results of Operations and Financial Condition.

On June 19, 2018, the San Juan Basin Royalty Trust (the Trust) issued a press release, a copy of which is attached hereto as Exhibit 99.1, announcing a monthly cash distribution to the holders of its units of beneficial interest of \$27,876.27 or \$0.000598 per unit, based principally upon production during the month of April 2018. The distribution is payable July 16, 2018, to unit holders of record as of June 29, 2018.

The sale of San Juan Basin assets, including the oil and gas interests from which the Trust s royalty interest was carved (Subject Interests), from Burlington Resources Oil & Gas Company LP (Burlington) to Hilcorp San Juan L.P. (Hilcorp) closed on July 31, 2017. Hilcorp informed the Trust that it needed to estimate the revenue for the April 2018 production month, similar to the previous month, because their accounting system is not allowing them to record revenue at the well level. The June 2018 distribution includes a revenue true-up for the September 2017 and March 2018 production months. The true-up resulted in an approximately \$1.5 million reduction in gross proceeds.

In accordance with general instruction B.2 to Form 8-K, the information in this Form 8-K shall be deemed furnished and not filed with the Securities and Exchange Commission for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise, subject to the liabilities of that section.
