PROXY STATEMENT

Annual Meeting of Stockholders: May 9, 2007

Approximate Mailing Date: April 9, 2007

SOLICITATION OF PROXY

General

THE ENCLOSED PROXY IS SOLICITED BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF LAKELAND BANCORP, INC. (hereinafter called Lakeland or the Company) for use in connection with the Annual Meeting of Stockholders to be held at Perona Farms, 350 Andover Sparta Road, Andover, New Jersey 07821 on Wednesday, May 9, 2007 at 5:00 p.m., and at any adjournments thereof. The matters to be considered and acted upon at such meeting are referred to in the enclosed notice of such meeting and are more fully discussed below.

Only stockholders of record at the close of business on March 31, 2007, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. If the enclosed proxy is properly executed and returned to Lakeland and not revoked before its exercise, all shares represented thereby will be voted as specified in the form of proxy. If the proxy is signed but no specification is given, the shares will be voted in favor of the Board's nominees for election to the Board and in favor of Proposal 2. The proxy will enable you to assure that your shares are voted and to aid in securing a quorum at the meeting.

In order to reduce the number of annual reports being sent to one address, only one annual report is being delivered to multiple security holders sharing an address unless Lakeland has received contrary instructions from one or more of the security holders. This is called "householding". Lakeland will deliver a separate copy of the annual report to any security holder who requests a copy in writing or by telephone. If you wish to receive a separate copy of the 2006 annual report, or if you wish to receive a separate copy of future annual reports, please contact Mr. Harry Cooper at Lakeland Bancorp, Inc., 250 Oak Ridge Road, Oak Ridge, New Jersey 07438 (toll-free telephone 866-284-1291). If you are currently receiving multiple copies of the annual report at the same address, and wish to have one annual report sent to multiple security holders sharing that address in the future, please contact Mr. Harry Cooper at the above address and telephone number.

The entire cost of this solicitation will be borne by Lakeland. Officers and regular employees of Lakeland may also, but without additional compensation, solicit proxies by further mailings, personal conversations, telephone, facsimile or e-mail. Lakeland will make arrangements with brokerage houses, custodians, nominees and fiduciaries for the forwarding of proxy solicitation materials to beneficial owners of shares held of record by these brokerage houses, custodians, nominees and fiduciaries and Lakeland will reimburse these brokerage houses, custodians, nominees and fiduciaries for their reasonable expenses incurred in connection with the solicitation.

All share information, including stock option information, contained in this proxy statement has been adjusted to reflect Lakeland's previously effectuated 5% stock dividends.

Voting your Shares

Lakeland shareholders will have four alternative ways to vote:

by traditional paper proxy card;

by telephone;

via the Internet; or

in person at the Annual Meeting.

Please take a moment to read the instructions, choose the way to vote that you find most convenient and cast your vote as soon as possible.

Voting by Proxy Card. If proxy cards in the accompanying form are properly executed and returned, the shares represented thereby will be voted in the manner specified therein. If you vote by proxy card but make no specification on your proxy card that you have otherwise properly executed, your shares will be voted FOR the election of the Board's nominees for director and FOR Proposal 2.

Voting by Telephone. If you wish to vote by telephone and you are a shareholder of record of Lakeland, use a touch-tone telephone to call toll-free 1-800-PROXIES and follow the instructions. If you vote by telephone, you must have your control number and the proxy card available when you call.

Voting by the Internet. If you wish to vote through the Internet and you are a shareholder of record of Lakeland, you can access the web page at www.voteproxy.com and follow the on-screen instructions. If you vote through the Internet, you must have your control number and the proxy card available when you access the web page.

If your shares are registered in the name of a broker or other nominee, your nominee may be participating in a program provided through ADP Investor Communication Services that allows you to vote by telephone or the Internet. If so, the voting form your nominee sent you will provide telephone and Internet voting instructions.

The deadline for voting by telephone or through the Internet as a shareholder of record of Lakeland is 11:59 p.m., EDT, on May 8, 2007. For shareholders whose shares are registered in the name of a broker or other nominee, please consult the voting instructions provided by your broker for information about the deadline for voting by phone or through the Internet.

Voting in Person. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Changing your Vote

You will be able to change your vote as many times as you wish and the last vote received chronologically by any means will supersede your prior vote(s). Please note, however, that if you vote by the Internet, the maximum number of times that you can access the website using any one control number is limited to five times per day.

Any Lakeland shareholder may revoke a proxy at any time before or at the Annual Meeting in one or more of the following ways:

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

Delivering a written notice of revocation, bearing a later date than the proxy, at any time prior to the vote at the Annual Meeting to Arthur L. Zande, Corporate Secretary of Lakeland; or

Submitting a later-dated proxy card; or

Submitting a new proxy via telephone or the Internet.

A Lakeland shareholder should send any written notice of revocation or subsequent proxy card to Lakeland Bancorp, Inc., Attention: Arthur L. Zande, Corporate Secretary, 250 Oak Ridge Road, Oak Ridge, New Jersey 07438, or hand deliver the notice of revocation or subsequent proxy card to Mr. Zande before the taking of the vote at the Annual Meeting. Attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

CAPITAL STOCK OUTSTANDING

At the close of business on March 31, 2007, there were 22,108,599 shares of Lakeland's common stock, no par value (the "Common Stock"), outstanding and entitled to vote at the Annual Meeting. Each share will be entitled to one vote on all matters properly coming before the meeting. Provided that a quorum is present, directors will be elected by a plurality vote (there is no right to vote stock cumulatively) and approval of Proposal 2 will require the affirmative vote of a majority of the votes cast with respect to such proposal. A majority of the shares of Common Stock outstanding on the record date will constitute a quorum for purposes of the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast for or against are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting.

To Lakeland's knowledge, no person beneficially owned more than 5% of the outstanding voting securities of Lakeland as of December 31, 2006.

PROPOSAL 1

ELECTION OF DIRECTORS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder require Lakeland's directors, executive officers and 10% shareholders to file with the SEC certain reports regarding such persons' ownership of Lakeland's securities. Lakeland is required to disclose any failures to file such reports on a timely basis. Based solely upon a review of the copies of the forms or information furnished to Lakeland, Lakeland believes that during 2006, all filing requirements applicable to its directors and officers were satisfied on a timely basis, except that Mr. Bohuny failed to file on a timely basis a report disclosing the sale of shares in August 2006. The failure to file on a timely basis was inadvertent, and the filing was made promptly after the failure was noted.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

General

During 2006, the SEC substantially revised the disclosures that we are required to make with respect to executive compensation. As part of the SEC's revised executive compensation discussion requirements, issuers must provide a Compensation Discussion and Analysis in which issuers explain the material elements of their compensation of executive officers by describing the following:

the objectives of the issuer's compensation programs;

the conduct that the compensation programs are designed to reward;

the elements of the compensation program;

the rationale for each of the elements of the compensation program;

how the issuer determines the amount (and, where applicable, the formula) for each element of the compensation program; and

how each element and the issuer's decisions regarding that element fit into the issuer's overall compensation objectives and affect decisions regarding other elements of the compensation program.

Our compensation philosophy is dictated by the Compensation Committee of our Board of Directors. The duties and responsibilities of the Compensation Committee, which consists entirely of independent directors of the Board, include the following:

Establish the compensation and benefits philosophy and strategy for the Company, in consultation with the chief executive officer;

In conjunction with the chief executive officer, determine performance measures and goals for measuring corporate performance as they relate to compensation;

Establish compensation awards for the chief executive officer, including salary, bonus, stock awards, and, if applicable, contracts and any supplemental compensation or benefit arrangements;

Review and approve compensation programs covering the other executive officers and, considering the recommendation of the chief executive officer, approve individual compensation awards for this group;

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

Evaluate competitive compensation levels for the Executive Team based on peer group companies;

Review overall compensation and benefits budget;

Review and recommend to the Board implementation or revision of any major compensation or benefit programs; and

Review and recommend to the Board all stock option, restricted stock and other equity alternative grants.

Roger Bosma, our President and Chief Executive Officer, participates in determinations regarding the compensation and design of our benefit programs for all employees, including our other executive officers. However, he does not participate in determining his own compensation.

Our Compensation Objectives and the Focus of Our Compensation Rewards

We believe that an appropriate compensation program should draw a balance between providing rewards to executive officers while at the same time effectively controlling compensation costs. We reward executive officers in order to attract highly qualified individuals, to retain those individuals in a highly competitive marketplace for executive talent and to motivate them to perform in a manner that maximizes our corporate performance.

We view executive compensation as having three key elements:

a current cash compensation program consisting of salary and cash bonus incentives;

long-term equity incentives reflected in grants of stock options and/or restricted stock awards; and

other executive retirement benefits and perquisites.

These programs aim to provide our executives with an overall compensation package that is competitive with peer group institutions, and seek to align individual performance with our long-term business objectives.

We annually review our mix of short term performance incentives versus longer term incentives. We do not have set percentages of short term versus long term incentives. Instead, we look to provide a reasonable balance of those incentives.

We also benchmark our compensation programs to a peer group. The Compensation Committee reviews the financial statements and other publicly available data of banking institutions in the tri-state area (New Jersey, New York and Connecticut) on an on-going basis. Asset size is the primary factor we consider in establishing our peer group.

Although we gain considerable knowledge about the competitiveness of our compensation programs through the benchmarking process and by conducting periodic studies, we recognize that each financial institution is unique and that significant differences between institutions in regard to executive compensation practices exist. We believe that the combination of executive compensation programs that we provide fulfills our objectives of providing a competitive level of compensation and benefits in order to attract and retain key executives. We also believe that our incentive programs appropriately reward performance to achieve profitability and growth while at the same time allowing us to maintain controls over our compensation costs.

Our policy for allocating between long-term and currently paid compensation is to ensure adequate base compensation to attract and retain personnel, while providing incentives to maximize long-term value for our Company and our shareholders. We provide cash compensation in the form of base salary to meet competitive salary norms and reward good performance on an annual basis in the form of bonus compensation to reward superior performance as measured against specific short-term goals. We provide non-cash compensation to reward superior performance as measured against specific objectives and long-term strategic goals.

Specific Elements of Our Compensation Program

We have described below the specific elements of our compensation program for executive officers.

Salary. As consolidation continues within the banking industry, we believe that it is important for us to retain a competitive salary structure in order to retain our existing qualified executive officers and maintain a base pay structure consistent with the structures utilized for the compensation of similarly situated executives at similarly sized banking institutions. We maintain salary guidelines for our executive officers as

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

part of a salary pay scale that is reviewed periodically, based upon industry standards. We believe that a key objective of our salary structure is to maintain reasonable fixed compensation costs by targeting base salaries at a competitive average, taking into account performance as well as seniority.

As described elsewhere in this proxy statement, Mr. Bosma has an employment agreement which provides that he will receive an annual base salary of at least \$250,000. Steven Schachtel, President of Lakeland's Equipment Leasing Division, has an agreement which provides for a base salary of \$200,000, plus a bonus based on the performance of the Division. Mr. Bosma, Mr. Schachtel and the other executive officers named in the summary compensation table have change in control provisions which are described elsewhere in this proxy statement.

Bonus. Bonuses are designed to motivate executives by rewarding performance. The Compensation Committee makes a recommendation to the Board of Directors with respect to Mr. Bosma's annual bonus. In determining its recommendation for 2006, the Compensation Committee considered the Company's financial performance, including return on assets, return on equity, the efficiency ratio and earnings per share. We also considered Mr. Bosma's leadership qualities in guiding the Company to achieve these results, and his efforts to control costs.

Mr. Bosma makes a recommendation to the Compensation Committee with respect to the annual bonus of the other executive officers, based on their respective contributions to the performance of the areas for which they are responsible. Mr. Schachtel is eligible to receive a bonus (also called a commission) in accordance with his written agreement with the Company. For a description of this bonus plan, see *Employment Agreements and Other Arrangements with Executive Officers*.

Long-Term Incentive Compensation. We provide long-term incentives to our executive officers through our 2000 Equity Compensation Program, as amended. We refer to this as our Stock Option Plan. Our Stock Option Plan permits the grant of stock options and restricted stock awards. Stock options previously have been granted to our executive officers at an exercise price equal to the then current market price of our Common Stock. Options and restricted stock awards under the Stock Option Plan are granted on a discretionary basis taking into account the Company's financial performance, including the financial measures described above under *Bonus*, and each executive's contribution to such performance. All of the executive officers in the summary compensation table received restricted stock awards in 2006, based on their contributions to the Company, except for Mr. Schachtel. The Compensation Committee thought this was appropriate based on the cash bonus Mr. Schachtel earned in 2006 pursuant to his agreement with the Company.

Other Elements of Compensation for Executive Officers. In order to attract and retain qualified executives, we provide executives with a variety of benefits and perquisites, consisting primarily of retirement benefits through our 401(k) and various retirement plans, executive life insurance, and the use of automobiles. Details of the values of these benefits and perquisites may be found in the footnotes and narratives to the summary compensation table. In 2003, the Company and Lakeland Bank entered into a Supplemental Executive Retirement Plan Agreement with Mr. Bosma, our Chief Executive Officer, which provides that he will receive an annual retirement benefit of \$150,000 a year for a 15 year period when he reaches the age of 65. The Company also makes contributions to the Lakeland Bank Profit Sharing Plan on behalf of executive officers, as well as all other employees. The Board of Directors authorized a total contribution to the Lakeland Bank Profit Sharing Plan of \$742,500 in 2006.

Employment Agreements.

In August 2006, we entered into an agreement with Steven Schachtel, the president of Lakeland's Equipment Leasing Division. The terms of this agreement and our agreements with the other executives named in the summary compensation table are described later in this proxy statement. See *Employment Agreements and Other Arrangements with Executive Officers*.

Compliance with Sections 162(m) and 409A of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code denies a deduction to any publicly held corporation for compensation paid to certain covered employees in a taxable year to the extent that compensation exceeds \$1,000,000 for a covered employee. Certain performance-based compensation that has been approved by our shareholders is not subject to this limitation. As a result, stock options granted under our Stock Option Plan are not subject to the limitations of Section 162(m). However, restricted stock awards under our Stock Option Plan generally will not be treated as performance-based compensation. Restricted stock award grants made to date under the Stock Option Plan have not been at levels that, together with other compensation, approached the \$1,000,000 limit. Also, since we retain discretion over cash bonuses, those bonuses also will not qualify for the exemption for performance-based compensation. Since none of the Company's executive officers had compensation in excess of \$1,000,000 for 2006, Section 162(m) was not applicable.

It is also our intention to maintain our executive compensation arrangements in conformity with the requirements of Section 409A of the Internal Revenue Code, which imposes certain restrictions on deferred compensation arrangements. We are in the process of reviewing and modifying, as necessary, our deferred compensation arrangements since the enactment of Section 409A in 2004 in order to remain compliant with provisional guidance issued by the Internal Revenue Service under Section 409A.

Summary of Cash and Certain Other Compensation

The following table sets forth, for the year ended December 31, 2006, a summary of the compensation earned by our Chief Executive Officer, our Chief Financial Officer and our four other most highly compensated executive officers. We refer to the executive officers named in this table as the Named Officers. We have included six executive officers as our Named Officers since the difference in total compensation for Mr. Luddecke and Mr. Buonforte was nominal. No stock options were granted to the Named Officers in 2006 and the Named Officers did not receive any compensation from non-equity incentive plans with respect to performance during 2006. The amounts in the bonus column represent bonuses earned in 2006 and paid in 2007. Bonuses that were paid in 2006 for 2005 performance, which were included in our compensation table in last year's proxy statement, are not included in the following table.

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

in columns (e) and (f), respectively, the exercise price and expiration date for each stock option that was outstanding as of December 31, 2006;

in column (g), the number of shares of our Common Stock covered by stock awards that were not vested as of December 31, 2006;
and

in column (h), the aggregate market value as of December 31, 2006 of the stock awards referenced in column (g).

In calculating the market values of restricted stock in the table above, we have multiplied the closing market price of our Common Stock on the last trading day in 2006, which was \$14.90, by the applicable number of shares of Common Stock underlying the Named Officers' stock awards. The stock awards included in the table above were granted on December 13, 2006, and vest in four equal annual installments beginning one year after the grant date. None of the restricted stock awards vested in 2006.

Options Exercised and Stock Awards Vested

The following table sets forth, for each of the Named Officers, information regarding stock options exercised during 2006 and stock awards vested during 2006. The phrase "value realized on exercise" represents the number of shares of Common Stock set forth in column (b) multiplied by the difference between the market price of our Common Stock on the date of exercise and the Named Officer's exercise price. Similarly, the phrase "value realized on vesting" represents the number of shares of Common Stock set forth in column (d) multiplied by the market price of our Common Stock on the date on which the Named Officer's stock award vested. As noted in the table, none of the restricted stock awards vested during 2006.

The following table sets forth, for each of the Named Officers, information regarding the benefits payable under each of our plans that provides for payments or other benefits at, following, or in connection with such Named Officer's retirement. In accordance with the SEC's rules, the following table does not provide information regarding tax-qualified defined contribution plans or nonqualified defined contribution plans.

In the table above:

when we use the phrase "present value of accumulated benefit", we are referring to the actuarial present value of the Named Officer's accumulated benefits under the Supplemental Executive Retirement Plan and the Directors' Deferred Compensation Plan, calculated as of December 31, 2006; and

column (e) refers to the dollar amount of payments and benefits actually paid or otherwise provided to the Named Officer during 2006 under our pension plans. As noted in the above table, no amounts were paid to the Named Officers during 2006.

In 2003, the Company and Lakeland Bank entered into a Supplemental Executive Retirement Plan Agreement with Mr. Bosma, our Chief Executive Officer, which provides that he will receive an annual retirement benefit of \$150,000 a year, payable in monthly installments of \$12,500 each for a 15-year period, when he reaches the age of 65. Mr. Bosma is entitled to these payments if (a) he terminates employment after reaching age 65, (b) prior to a change in control (as defined in the agreement), he resigns for good reason (as defined in the agreement), his employment is terminated due to disability or his employment is terminated by the Company without cause, or (c) he is employed at the time of a change in control. In addition, if Mr. Bosma's employment with Lakeland terminates due to death, the agreement obligates the Company to pay his beneficiary the same sum of \$150,000, in monthly installments of \$12,500 each for a 15-year period, commencing after his death. The Company intends to fund its obligations under this agreement with the cash surrender value of life insurance policies purchased by the Company in 2003 covering certain executive officers, including Mr. Bosma. The agreement was amended in December 2006 to comply with Section 409A of the Internal Revenue Code. For a description of the Directors' Deferred Compensation Plan, see Directors Compensation.

In the table above:

when we refer to the term "earnings", we are referring to the aggregate interest or other earnings accrued to the Named Officer's account during 2006;

the amounts included in columns (d) and (e) of this table are also included in full under the column "All Other Compensation" in the Summary Compensation Table set forth above; and

the amount included in column (f) of this table was not included in our Summary Compensation Table in any prior year's proxy statement.

The National Bank of Sussex County (NBSC) entered into a salary continuation agreement during 1996 with Mr. Vandenberg, its president, which entitled him to certain payments upon his retirement. As part of the merger of the Company and NBSC's parent (High Point Financial Corp.) in July 1999, the Company placed in trust amounts equal to the present value of the amounts that would be owed to Mr. Vandenberg in his retirement. This amount was \$381,000. The earnings for 2006 were \$16,002 and the aggregate balance of the trust at December 31, 2006 was

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

\$280,971. We have no further obligation to pay additional amounts pursuant to this agreement. The \$7,146 withdrawn in 2006 was used to pay the premium for additional life insurance for Mr. Vandenberg.

NBSC also provided Mr. Vandenberg with a split dollar life insurance death benefit, pursuant to which his beneficiary will receive an amount equal to three times his last salary. The one time premium for such insurance was paid prior to 2006.

Employment Agreements and Other Arrangements with Executive Officers

Lakeland and Lakeland Bank entered into an employment agreement (the "Employment Agreement") with Mr. Bosma as of January 1, 2000 whereby he serves as the President and Chief Executive Officer of Lakeland. The initial term of the Employment Agreement was three years, and is automatically renewable for one year on each anniversary date unless a majority of the directors of Lakeland vote not to extend the term. The Board determined in December 2004 that the term of Mr. Bosma's employment agreement would not be extended past December 31, 2007. The Employment Agreement provides that Mr. Bosma will receive an annual base salary of at least \$250,000. Mr. Bosma is also entitled to use of a Lakeland Bank-supplied automobile, Lakeland Bank paid membership in a country club approved by the Board and supplemental life insurance equal to two times base salary. If Mr. Bosma's employment is terminated by Lakeland other than for cause (as defined in the Employment Agreement), and a change in control (as defined in the Employment Agreement) has not occurred, he will receive his then current base salary, an annual bonus equal to the average annual bonus paid to him during the three most recent fiscal years preceding his termination, and applicable perquisites and benefits for the balance of the term. The Employment Agreement contains confidentiality and non-compete covenants from Mr. Bosma in favor of Lakeland.

In the event of a change in control, the term of the Employment Agreement becomes fixed for a period of three years from the date of such event. During such period, Mr. Bosma is to be employed as President and Chief Executive Officer of Lakeland and is entitled to a base salary that is no less than the salary in effect as of the change in control, an annual bonus equal to the average annual bonus paid to him during the three most recent fiscal years prior to the change in control, and continuation of other benefits and perquisites in effect as of the change in control. If following a change in control, Mr. Bosma's employment is terminated without cause, or he resigns within 90 days for good reason (as defined in the Employment Agreement) or after such 90 day period for any reason, he will be entitled to continued life and health insurance benefits for three years and a lump sum cash payment equal to three times the sum of his pre-change in control salary and the average annual bonus paid him during the three most recent fiscal years prior to the change in control. To the extent that the amount payable to Mr. Bosma on account of a change in control is subject to an excise tax under Section 4999 of the Code, Mr. Bosma will also receive an additional payment equal to 10% of such amount; provided, however, that if the net amount retained by Mr. Bosma after payment of such excise tax is less than the maximum amount which could be paid to him without triggering the excise tax, then the amount and benefits otherwise payable or to be provided to Mr. Bosma will be reduced to such maximum amount. For purposes of the Employment Agreement, the term "change in control" has the same meaning as under Lakeland's Stock Option Plan.

Lakeland and Lakeland Bank also entered into agreements, dated March, 2001 and as amended by agreements dated March 10, 2003, with each of Messrs. Hurley, Vandenberg, Luddecke and Buonforte (each, an "Executive") providing for certain terms and conditions of their employment in the event of a change in control (each a "Change in Control Agreement"). Under such Change in Control Agreements, the term of each Executive's employment becomes fixed for a period (the "contract period") ending on the earlier of the Executive's death, attainment of age 65, or the second anniversary of the date of such change in control. During the contract period, each Executive is to be employed in the same position as held by him immediately prior to such event, and is entitled to base salary equal to the annual salary in effect immediately prior to the change in control and bonus equal to the highest annual bonus paid during the three most recent fiscal years prior to the change in control. In addition, during the contract period, each Executive is entitled to certain other benefits and perquisites as in effect as of the change in control. If during the contract period, an Executive's employment is terminated without cause, or he resigns for good reason (each as defined in the Change in Control Agreement), he will be entitled to continued life and health insurance benefits for the balance of the contract period and a lump sum cash payment equal to two times the sum of his highest salary and bonus paid to him

during any of the three most recent calendar years prior to the change in control. For purposes of each Change in Control Agreement, the term change in control has the same meaning as under the Stock Option Plan. Each Change in Control Agreement contains confidentiality and non-compete covenants in favor of Lakeland.

On August 2, 2006, Lakeland and Lakeland Bank entered into an agreement with Steven Schachtel, the President of Lakeland Bank's Equipment Leasing Division (the Division). The agreement provides for the continued employment of Mr. Schachtel as President of the Division at an initial base salary of \$200,000. Mr. Schachtel is also entitled to earn an annual bonus (also referred to as a commission) based on the Net Income After Taxes of the Division for the most recently completed fiscal year. The Net Income After Taxes of the Division is defined as net income of the entire Division, after taxes, and after deducting salary, commissions and the federal and state taxes on such salary and commissions, for the entire Division. No commission is payable to Mr. Schachtel on the first \$1,000,000 of Net Income After Taxes of the Division. With respect to the amount, if any, of Net Income After Taxes of the Division in excess of \$1,000,000 (the amount of the excess over \$1,000,000 is referred to as the Excess), Lakeland will retain 70% of such Excess and an amount equal to 30% of such Excess will be paid to Mr. Schachtel as a commission. There is a cap of \$1,000,000 on the amount of the commission that Mr. Schachtel can earn for any one fiscal year. Any commission amounts that Mr. Schachtel would have been entitled to receive but for the preceding sentence will not be carried over into the next year and Mr. Schachtel will have no rights to any amounts in excess of the \$1,000,000 annual cap. Mr. Schachtel is not guaranteed any commission.

After a change in control, Mr. Schachtel's employment becomes fixed for a period (the contract period) ending on the earlier of his death, attainment of age 65, or the third anniversary of the date of such event. During the contract period, he is to be employed in the same position as held by him immediately prior to such event, and is entitled to base salary equal to the annual salary in effect immediately prior to the change in control. During the contract period, he will continue to participate in any commission/bonus plan in which he participated immediately prior to the change in control, and will be entitled to certain other benefits and perquisites as in effect as of the change in control.

If Mr. Schachtel's employment is terminated without cause or he resigns with good reason (each as defined in his agreement), in either case after a change in control has occurred, he will be entitled to receive a lump sum payment equal to two times the highest annual salary paid to him during any of the three years prior to the change in control and to continued life and health insurance benefits for the balance of the contract period.

Had each of the Named Officers terminated employment as of December 31, 2006 in connection with a change in control, either through a termination by the Company (or a successor entity) without cause or by the executive for good reason (as defined in the agreements described above), the estimated amounts that each Named Officer would have been entitled to receive under their respective agreements are as follows: for Mr. Bosma: \$1,975,000; for Mr. Hurley: \$553,000; for Mr. Vandenberg: \$546,000; for Mr. Schachtel: \$440,000; for Mr. Luddecke: \$462,000; and for Mr. Buonforte: \$477,000.

As described above under Deferred Compensation, during 1996, High Point Financial Corp.'s subsidiary bank entered into a salary continuation agreement with Mr. Vandenberg, which entitles him to certain payments upon his retirement. As part of the Lakeland/High Point merger, Lakeland placed in trust an amount equal to the present value of the amount that would be owed to Mr. Vandenberg upon his retirement. This amount was \$381,000. At December 31, 2006, the aggregate amount in the trust was \$280,971. Lakeland has no further obligation to pay additional amounts pursuant to this agreement.

As described above under Pension Plans, in 2003, the Company and Lakeland Bank entered into a Supplemental Executive Retirement Plan Agreement with Mr. Bosma, our Chief Executive Officer, which provides that he will receive an annual retirement benefit of \$150,000 a year for a 15-year period when he reaches the age of 65. Lakeland intends to fund its obligations under this arrangement with the increase in cash

surrender value of bank owned life insurance policies purchased in 2003. The agreement was amended in December 2006 to comply with Section 409A of the Internal Revenue Code. In 2006, Lakeland contributed \$355,000 to this plan.

Board Independence; Committees

Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. NASDAQ adopted amendments to its definition of independence. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. As noted below, the Board has determined that the members of the Audit Committee satisfy all such definitions of independence. The Board has also determined that the following members of the Board satisfy the NASDAQ definition of independence: Mary Ann Deacon, George H. Guptill, Jr., Janeth C. Hendershot, Robert E. McCracken, Robert B. Nicholson, III, Joseph P. O Dowd, Stephen R. Tilton, Sr., Paul G. Viall, Jr. and Arthur L. Zande. In March 2007, the Board of Directors created a new position of presiding director, whose primary responsibility is to preside over periodic sessions of the Board of Directors in which management directors do not participate. Mary Ann Deacon was appointed as the first presiding director.

During 2006, Lakeland's Board of Directors held 14 meetings. Lakeland's Board of Directors also maintains several Board committees.

The Audit Committee, consisting of George H. Guptill, Jr. (Chairperson), Joseph P. O Dowd and Stephen R. Tilton, Sr., is responsible for reviewing the reports submitted by Lakeland's independent registered public accounting firm and internal auditor and for reporting to the Board on significant audit and accounting principles, policies, and practices related to Lakeland. The Audit Committee met four times in 2006.

Lakeland is required to disclose whether the Board of Directors has determined that a member of the Audit Committee is an audit committee financial expert, as that term is defined in rules adopted by the SEC, and, if not, why not. Lakeland's Board has not determined that any of the members of the audit committee is an audit committee financial expert. The Board has determined, however, that each member of the audit committee has sufficient knowledge in financial and auditing matters to serve on the audit committee. The Board does not believe that it is necessary to search for any outside person who meets the definition of audit committee financial expert to serve on the Board and the audit committee. The audit committee has the authority to hire outside experts and consultants as it deems appropriate in carrying out its responsibilities.

The Nominating (or Governance) Committee consists of Robert McCracken (Chairperson), George Guptill, Jr. and Joseph P. O Dowd. This committee is responsible for interviewing potential candidates for election to the Board and for nominating individuals each year for election to the Board. This committee met once in 2006.

The Compensation Committee, consisting of Paul G. Viall, Jr. (Chairperson), Mary Ann Deacon, Robert McCracken and Janeth Hendershot, makes compensation decisions for Lakeland's staff and Board of Directors. The Compensation Committee met nine times in 2006. While the Compensation Committee may make recommendations to the full Board concerning the grant of stock options and restricted stock awards under the Stock Option Plan, the Compensation Committee does not administer the Stock Option Plan, which is administered by the full Board.

Directors Compensation

The following table sets forth certain information regarding the compensation we paid to our directors, other than Roger Bosma, during 2006. None of our directors received option awards or stock awards during 2006 or any compensation under any non-equity incentive plan. In accordance with our policies concerning the retirement of directors, Mr. Lubertazzi retired as a director of Lakeland Bank effective January 31, 2007.

During 2006, Mr. Lubertazzi received a total of \$70,000 pursuant to these arrangements. Mr. Lubertazzi retired as a

director of the Company effective January 31, 2007, at which time he received an additional \$5,000 pursuant to the Directors' Deferred Compensation Plan. None of these amounts is included in the table above.

Charles Tice retired as a director of the Company effective January 31, 2006. In 2006, he received a total of \$3,000 in Board fees. In January 2007, Mr. Tice received his first payment of \$5,000 under the Directors' Deferred Compensation Plan.

During 2006, each director received a fee of \$1,750 for each meeting of Lakeland's Board that he or she attended from January through June, and \$1,850 for each meeting attended from July through the remainder of the year. In addition, each director, other than Roger Bosma, received a \$15,000 retainer, and payment for committee meetings attended, except that Chairman John Fredericks and Vice Chairman Bruce Bohuny received no payment for committee meetings. Members of Board committees (Compensation, Profit Sharing, ALCO, Nominating/Governance, and Loan Review) received \$650 for each meeting attended from January through June 2006, with the exception of the Audit Committee, which received \$1,250 per meeting. George Guptill, Jr. received \$2,000 per meeting as Chairman of the Audit Committee. From July through December 2006, the fees for the Compensation, Profit Sharing, ALCO, Nominating/Governance, and Loan Review committees increased to \$750 per meeting attended, and the Audit Committee increased to \$1,350 per meeting attended. Each member of Lakeland's Board was present for 75% or more of the aggregate of the total meetings of the Board and committees on which he or she served. Paul G. Viall, Jr. was appointed Chairperson of the Compensation Committee in March 2007, and will receive a 10 month pro-rated fee of \$2,083 (based on an annual fee of \$2,500) for serving as Chairperson of such Committee.

During 2006, the Board of Directors of Lakeland Bank met twice a month. Each director received \$1,150 for each meeting attended from January through June and \$1,250 for each meeting attended from July through December. Each director of Lakeland Investment Corp., a subsidiary of Lakeland Bank, received \$575 as an annual fee.

The Board of Directors maintains the Directors' Deferred Compensation Plan, which provides that any director having completed five years of service on Lakeland's Board of Directors may retire and continue to be paid for a period of ten years at a rate ranging from \$5,000 to \$17,500 per annum, depending upon years of credited service. This plan is unfunded.

Lakeland's Stock Option Plan provides for automatic option grants to directors who are not otherwise employed by Lakeland or its subsidiaries. Upon commencement of service, a non-employee director will receive a stock option to purchase 25,000 shares of Common Stock at an exercise price equal to the fair market value of the underlying Common Stock on the grant date. Options granted to non-employee directors are exercisable in 20% annual installments beginning on the date of grant.

As described in the table above, John W. Fredericks and Bruce G. Bohuny received \$80,000 and \$70,000, respectively, in 2006 as additional director's compensation for their positions as Chairman and Vice Chairman, respectively. In 2007, Mr. Fredericks' compensation was increased to \$90,000, while the additional compensation for Mr. Bohuny in 2007 will be \$35,000.

Compensation Committee Interlocks and Insider Participation

Lakeland's Compensation Committee, which is currently comprised of Paul G. Viall, Jr. (Chairperson), Mary Ann Deacon, Janeth Hendershot and Robert McCracken, makes compensation decisions for executives. Paul Lubertazzi also served as a member of the Compensation Committee during 2006. Mr. Lubertazzi retired as a director in January 2007.

Stephen R. Tilton, Sr., a director of Lakeland, is the Chairman and Chief Executive Officer of Fletcher Holdings, LLC, which owns a building in Little Falls, New Jersey in which Lakeland rents a branch office. During 2006, the Company paid \$127,000 to Fletcher Holdings, LLC as rent and related expenses.

Lakeland Bank has had, and expects to have in the future, transactions in the ordinary course of business with directors, officers, principal stockholders, and their associates, on the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with others, and that do not involve more than the normal risk of collectability or other unfavorable features.

Policies and Procedures Concerning Related Party Transactions

The Audit Committee of the Board of Directors has adopted written procedures governing related party transactions. The procedures provide that:

related party transactions that have been previously approved by the full Board of Directors will not be included in the transactions that are approved by the Audit Committee;

any single related party transaction up to \$5,000 is automatically deemed to be pre-approved by the Audit Committee;

either the Chairman or Vice Chairman of the Audit Committee is authorized to approve, prior to payment, related party transactions over \$5,000 but not exceeding \$10,000, and may override any previously approved transaction; and

related party transactions over \$10,000 must be approved, prior to payment, by a majority of the members of the Audit Committee.

In general, the Audit Committee reviews related party transactions on a quarterly basis. By related party transaction, we mean a transaction between the Company or any of its subsidiaries, on the one hand, and an executive officer, director or immediate family member of an executive officer or a director, on the other hand.

Nominating Committee Matters

Nominating Committee Charter. The Board has adopted a Nominating Committee charter to govern its Nominating Committee. A copy of the Nominating Committee's charter is attached as Annex A to this proxy statement.

Independence of Nominating Committee Members. All members of the Nominating Committee of the Board of Directors have been determined to be independent directors pursuant to the definition contained in Rule 4200(a)(15) of the National Association of Securities Dealers Marketplace rules.

Procedures for Considering Nominations Made by Shareholders. The Nominating Committee's charter describes procedures for nominations to be submitted by shareholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the

10th day following the day on which public announcement of the date of such meeting is first made by the Company. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter for director candidates.

Qualifications. The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

must satisfy any legal requirements applicable to members of the Board;

must not serve as attorneys for any other financial institution or bank or savings and loan holding company and must not be on the board of any other financial institution or bank or savings and loan holding company;

must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;

must have a working knowledge of the types of responsibilities expected of members of the board of directors of a bank holding company; and

must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board will be identified from all available sources, including recommendations made by shareholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by shareholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

a review of the information provided to the Nominating Committee by the proponent;

a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and

a personal interview of the candidate,

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations. In connection with the 2007 Annual Meeting, the Nominating Committee did not receive any nominations from any shareholder or group of shareholders which owned more than 5% of the Company's Common Stock for at least one year.

Audit Fees and Related Matters

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by the Company's independent registered public accounting firm, Grant Thornton LLP (Grant Thornton), is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered.

Audit Fees. Audit fees billed or expected to be billed to Lakeland by Grant Thornton for the audit of the financial statements included in Lakeland's Annual Reports on Form 10-K, reviews of the financial statements included in Lakeland's Quarterly Reports on Form 10-Q, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings, for the years ended December 31, 2005 and 2006 totaled approximately \$283,507 and \$363,066, respectively.

Audit-Related Fees. Lakeland was billed \$7,876 and \$0 by Grant Thornton for the years ended December 31, 2005 and 2006, respectively, for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the caption *Audit Fees* above, such as the audit of employee benefit plans.

Tax Fees. Lakeland was billed an aggregate of \$82,450 and \$62,035 by Grant Thornton for the fiscal years ended December 31, 2005 and 2006, respectively, for tax services, principally advice regarding the preparation of income tax returns.

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

All Other Fees. Lakeland was billed an aggregate of \$0 and \$0 by Grant Thornton for the fiscal years ended December 31, 2005 and 2006, respectively.

Other Matters. The Audit Committee of the Board of Directors has considered whether the provision of the Audit-Related Fees, Tax Fees and All Other Fees are compatible with maintaining the independence of Lakeland's principal accountant.

Applicable law and regulations provide an exemption that permits certain services to be provided by Lakeland's outside auditors even if they are not pre-approved. Lakeland has not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

Code of Ethics

Lakeland is required to disclose whether it has adopted a code of ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. Lakeland has adopted such a code of ethics and has posted a copy of the code on its internet website at the internet address: <http://www.lakelandbank.com>. Copies of the code may be obtained free of charge from the Company's website at the above internet address.

Shareholder Communication with the Board

The Board of Directors has established a procedure that enables shareholders to communicate in writing with members of the Board. Any such communication should be addressed to Lakeland's Chairman of the Board and should be sent to such individual c/o Lakeland Bank, 250 Oak Ridge Road, Oak Ridge, New Jersey 07438. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board of Directors. Under the procedures established by the Board, upon the Chairman's receipt of such a communication, Lakeland's Secretary will send a copy of such communication to each member of the Board, identifying it as a communication received from a shareholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board held more than two days after such communication has been distributed, the Board will consider the substance of any such communication.

Board members are encouraged, but not required by any specific Board policy, to attend Lakeland's annual meeting of shareholders. Each of the members of the Board attended the Company's 2006 annual meeting of shareholders.

Other Compensation Committee Matters

Charter. Our Board of Directors has defined the duties of its Compensation Committee in a charter. A copy of the Compensation Committee's charter is attached to this proxy statement as *Annex C*.

Authority, Processes and Procedures. Our Compensation Committee is responsible for administering our employee benefit plans, for establishing the compensation of our President and Chief Executive Officer and for reviewing and approving compensation programs covering our other executive officers. Our Compensation Committee also establishes policies and monitors compensation for our employees in general. While the Compensation Committee may, and does in fact, delegate authority with respect to the compensation of employees in general, the Compensation Committee retains overall supervisory responsibility for employee compensation. With respect to executive compensation, the Compensation Committee receives recommendations and information from senior staff member. Mr. Bosma participates in Committee deliberations regarding the compensation of other executive officers, but does not participate in deliberations regarding his own compensation. The Compensation Committee also has the authority to hire compensation consultants to assist it in carrying out its duties.

Consultants. During our fiscal year ended December 31, 2006, the Compensation Committee engaged the compensation consulting firm of Innovative Compensation and Benefits Concepts. The Compensation Committee discussed with representatives of the consulting firm the forms and amounts of compensation of our President and Chief Executive Officer as well as our other executive officers, including salary levels, bonus amounts and restricted stock awards.

PROPOSAL 2

PROPOSAL TO PERMIT THE COMPANY'S OFFICERS, DIRECTORS, EMPLOYEES AND CONSULTANTS TO PURCHASE THE COMPANY'S SECURITIES IN ANY FUTURE PUBLIC OFFERING AT THE SAME PRICE AS MEMBERS OF THE PUBLIC PURCHASE SUCH SECURITIES IN SUCH PUBLIC OFFERING.

From time to time, the Company may wish to raise funds through a public offering of its Common Stock or other securities. Any such offering typically involves filing a registration statement with the Securities and Exchange Commission covering the securities to be sold.

The Company's Common Stock is listed on the NASDAQ Global Select Market. Accordingly, the Company is subject to NASDAQ's rules and regulations. NASDAQ Rule 4350(i)(1) may be interpreted to prohibit officers, directors, employees and consultants of the Company from purchasing securities of the Company in a public offering at the price offered to the public, unless the Company's shareholders approve the purchase by such officers, directors, employees and consultants at that price. This is because the price to the public in a public offering of securities of a company whose stock is publicly traded, such as Lakeland Bancorp, is often set at a discount to the then market price of the company's stock, and the NASDAQ Rule may be interpreted to prevent officers, directors, employees and consultants from purchasing securities in a public offering at a discount.

Management and the Board of Directors of the Company believe that if the Company were to commence a public offering of the Company's securities in the future, it would be in the Company's best interests to permit the Company's officers, directors, employees and consultants to purchase securities in such offering at the same price as all other purchasers. Accordingly, by voting **FOR** Proposal 2, you will be enabling the Company to sell securities to such persons in any public offering the Company may commence in the future on the same terms as are offered to members of the public.

The Company has no immediate plans to commence a public offering of its securities. This proxy statement does not constitute an offer to sell or the solicitation of an offer to buy any securities. If the Company commences a public offering in the future, the specific terms of any such offering, such as the type of security to be sold and the sale price, will be determined at such time.

The Board of Directors recommends a vote **FOR** Proposal 2.

INDEPENDENT ACCOUNTANTS

Relationship with Independent Accountants. Grant Thornton LLP, which became the independent accountants of Lakeland beginning with the financial statements for the quarter ended March 31, 1999, were the Company's independent accountants in 2006, and have been engaged as the Company's independent accountants for 2007. It is anticipated that a representative of Grant Thornton will be present at the Annual Meeting and will be available to answer questions.

OTHER MATTERS

Management is not aware of any other business to be brought up at the meeting for action by stockholders at such meeting other than the matters described in the notice. However, the enclosed Proxy will confer discretionary authority with respect to matters which are not known to management at the time of printing hereof and which may come properly before the meeting.

SHAREHOLDER PROPOSALS

If a Lakeland stockholder intends to present a proposal at Lakeland's 2008 Annual Meeting of stockholders, the proposal must be received by Lakeland at its principal executive offices not later than December 11, 2007 in order for that proposal to be included in the proxy statement and form of proxy relating to that meeting, and by February 24, 2008 in order for the proposal to be considered at Lakeland's 2008 annual meeting of stockholders (but not included in the proxy statement or form of proxy for such meeting). Any stockholder proposal which is received after those dates or which otherwise fails to meet the requirements for stockholder proposals established by regulations of the SEC will neither be included in the proxy statement or form of proxy, nor be considered at the meeting. For a description of procedures for nominations to be submitted by shareholders, see Nominating Committee Matters.

Secretary

A copy of Lakeland Bancorp, Inc.'s annual report for the year ended December 31, 2006, including financial statements, accompanies this Proxy Statement. The annual report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation is to be made.
