What matters am I voting on?

You will be voting on:

the election of three Class III directors to serve until the 2021 Annual Meeting of Stockholders and until their respective successors are elected and qualified, subject to earlier resignation or removal;

How does the Board of Directors recommend I vote on these proposals?

The Board of Directors recommends a vote:

FOR the election of Aneel Bhusri, David A. Duffield, and Lee J. Styslinger III as Class III directors to serve until the 2021 Annual Meeting of Stockholders and until their respective successors are elected and qualified, subject to earlier resignation or removal;

Why are you holding a virtual meeting and how can stockholders attend?

We believe hosting our Annual Meeting virtually helps to reduce costs, expand access, and enable improved communication. Stockholders are able to attend our Annual Meeting, vote, and ask questions online from virtually any location

around the world. To participate in our virtual Annual Meeting, visit www.virtualshareholdermeeting.com/WDAY2018 with your 16-digit control number included in the Notice, on your proxy card, or in the instructions that accompanied your proxy materials.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 23, 2018, the record date, may vote at the Annual Meeting. As of the record date, we had 146,194,441 shares of Class A common stock outstanding and 68,930,380 shares of Class B common stock outstanding. In deciding all matters at the Annual Meeting, each holder of Class A common stock of Workday will be entitled to one (1) vote for each share of Class A common stock held as of the close of business on the record date, and each holder of Class B common stock of Workday will be entitled to ten (10) votes for each share of Class B common stock held as of the close of business on the record date. We do not have cumulative voting rights for the election of directors.

Registered Stockholders. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote at the Annual Meeting.

Street Name Stockholders. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares. Beneficial owners are also invited to participate in the Annual Meeting via the Internet. However, since beneficial owners are not stockholders of record, you may not vote your shares via the Internet at the virtual Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

Who is Workday's transfer agent, and how may I contact them?

Workday's transfer agent is American Stock Transfer & Trust Company (AST). You may e-mail AST at info@amstock.com or you can call AST at 888-432-7410 or 718-921-8124 Monday-Friday between 5:00am-5:00pm PDT. Materials may be mailed to AST at:

How do I vote?

There are four ways for stockholders of record to vote:

Edgar Filing: Workday, Inc. - Form DEF 14A

via the virtual Annual Meeting website by visiting www.virtualshareholdermeeting.com/WDAY2018. Please have your 16-digit control number to join the Annual Meeting.

Street name holders may submit their voting instructions by Internet or telephone using the information provided by their respective brokers or nominees and may complete and mail voting instruction forms to their respective brokers or nominees. However, street name holders may not vote via the Internet at the Annual Meeting unless they obtain a legal proxy from their respective brokers or nominees.

Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

entering a new vote by Internet or by telephone;

Table of Contents

returning a later-dated proxy card so that it is received prior to the Annual Meeting;

notifying the Secretary of Workday, in writing, at the address listed on the front page; or

voting via the Internet at the virtual Annual Meeting.

Street name holders may change their voting instructions by submitting new instructions by Internet, by telephone, or returning a later-dated voting instruction form to their respective brokers or nominees. In addition, street name holders who obtain a legal proxy from their respective brokers or nominees may change their votes by voting via the Internet at the virtual Annual Meeting.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board of Directors. The persons named in the proxy have been designated as proxies by our Board of Directors. When proxies are properly dated, executed, and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors as described above. If any matters not described in the Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares at the adjourned meeting date as well, unless you have properly revoked your proxy instructions, as described above.

What is a quorum?

The presence of a majority of the aggregate voting power of the issued and outstanding shares of stock entitled to vote at the meeting will constitute a quorum at the meeting. Your shares will be counted as present at the meeting if you attend and vote online during the virtual Annual Meeting or if you have properly submitted a proxy. Except as otherwise expressly provided by the Certificate of Incorporation or by law, the holders of shares of Class A common stock and Class B common stock will vote together as a single class on all matters submitted to a vote. Each holder of Class A common stock will have the right to one (1) vote per share of Class A common stock and each holder of Class B common stock will have the right to ten (10) votes per share of Class B common stock. A proxy submitted by a stockholder may indicate that the shares represented by the proxy are not being voted (stockholder withholding) with respect to a particular matter. In addition, a broker may not be permitted to vote stock (broker non-vote) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either stockholder withholding or broker non-votes will count for purposes of determining the presence of a quorum. Abstentions are voted neither for nor against a matter, but are also counted in the determination of a quorum.

How many votes are needed for approval of each matter?

Proposal No. 1: The election of directors requires a plurality of the votes cast by the holders of shares present or represented by proxy at the Annual Meeting and entitled to vote thereon. Plurality means that the individuals who receive the largest number of votes cast for are elected as directors. As a result, any shares not voted for a particular nominee (whether as a result of stockholder withholding or a broker non-vote) will not be counted in such nominee's favor.

Proposal No. 2: The ratification of the appointment of Ernst & Young LLP requires the approval of a majority of the votes cast by the holders of shares present or represented by proxy at the Annual Meeting and entitled to vote thereon. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Proposal No. 3: The advisory vote regarding named executive officer compensation requires the approval of a majority of the votes present or represented by proxy and entitled to vote thereon. For purposes of this proposal, abstentions are treated as shares present or represented by proxy and entitled to vote at the Annual Meeting and, therefore, will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote.

Edgar Filing: Workday, Inc. - Form DEF 14A

Proposal No. 4: The approval of an amendment to the 2012 Equity Incentive Plan to provide limits on the total value of shares granted to non-employee directors requires the approval of a majority of the votes present or represented by proxy and entitled to vote thereon. For purposes of this proposal, abstentions are treated as shares present or represented by proxy and entitled to vote at the Annual Meeting and, therefore, will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of the vote. Because Proposal No. 3 is an advisory vote, the results will not be binding on Workday's Board of Directors or Workday. The Compensation Committee and the Board of Directors will consider the outcome of the vote when establishing or modifying the compensation of our named executive officers.

Table of Contents

How are proxies solicited for the Annual Meeting?

The Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by Workday. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending these proxy materials to you if a broker or other nominee holds your shares.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter the proposal to ratify the appointment of Ernst & Young LLP. Your broker will not have discretion to vote on Proposal No. 1, Proposal No. 3, or Proposal No. 4 absent direction from you, as they are considered non-routine matters.

Why did I receive a notice regarding the availability of proxy materials on the Internet instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (SEC), we have elected to furnish our proxy materials, including this proxy statement and our fiscal 2018 Annual Report to Stockholders, primarily via the Internet. Beginning on or about April 27, 2018, a Notice of Internet Availability of Proxy Materials is being mailed to our stockholders that contains notice of the Annual Meeting and instructions on how to access our proxy materials on the Internet, how to vote online at the virtual meeting, and how to request printed copies of the proxy materials. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact and cost of our annual meetings.

What does it mean if multiple members of my household are stockholders but we only received one Notice or full set of proxy materials in the mail?

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for notices and proxy materials with respect to two or more stockholders sharing the same address by delivering a single notice or set of proxy materials addressed to those stockholders, unless an affected stockholder has provided contrary instructions. This practice, known as householding, helps to reduce our printing and postage costs, reduces the amount of mail you receive and helps to preserve the environment.

Once you have elected householding of your communications, householding will continue until you are notified otherwise or until you revoke your consent, which may be done at any time by contacting your bank or broker, or, if you are a registered holder, by contacting American Stock Transfer & Trust Company by calling 888-432-7410 or writing to Workday Shareholder Services, c/o American Stock Transfer, 6201 15th Avenue, Brooklyn, NY 11219. Additionally, upon request, we will promptly deliver a separate copy of the proxy materials to any stockholder at a shared address to which a single copy was delivered. To receive a separate copy of the proxy materials, you may reach our Investor Relations department by writing to Workday, Inc., 6230 Stoneridge Mall Road, Pleasanton, CA 94588, via email at IR@workday.com, or by calling 925-379-6000.

Any stockholders who share the same address and currently receive multiple copies of the Notice or proxy materials who wish to receive only one copy in the future can contact Workday's Investor Relations department, their bank, broker, or, if a registered holder, American Stock Transfer & Trust Company, to request information about householding.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Workday or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Table of Contents**PROPOSAL NO. 1:****ELECTION OF DIRECTORS**

Our Board of Directors may establish the authorized number of directors from time to time by resolution. Our Board of Directors currently consists of 10 members. Our Certificate of Incorporation and Bylaws provide for a classified Board of Directors consisting of three classes of directors, with directors serving staggered three-year terms.

Directors in a particular class will be elected for three-year terms at the Annual Meeting of Stockholders in the year in which their terms expire. As a result, only one class of directors will be elected at each Annual Meeting of our Stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation, or removal. The class of each director is set forth in the table below.

Our Certificate of Incorporation and Bylaws provide that our Board of Directors or our stockholders may fill vacant directorships. In the event that the outstanding shares of our Class B common stock represent less than a majority of the combined voting power of common stock, our Certificate of Incorporation and Bylaws authorize only our Board of Directors to fill vacancies on our Board of Directors. Any additional directorships resulting from an increase in the authorized number of directors would be distributed among the three classes as the Board of Directors determines in its discretion.

The Audit Committee of the Board of Directors has appointed the firm of Ernst & Young LLP, an independent registered public accounting firm, to audit our consolidated financial statements for the year ending January 31, 2019. During our fiscal year ended January 31, 2018, Ernst & Young LLP served as our independent registered public accounting firm, and has audited our consolidated financial statements since its appointment in 2008.

Notwithstanding its selection and even if our stockholders ratify the selection, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of Workday and its stockholders. At the Annual Meeting, the stockholders are being asked to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending January 31, 2019. Our Audit Committee is submitting the selection of Ernst & Young LLP to our stockholders because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate governance. Auditor Independence

Under its charter, the Audit Committee pre-approves audit and non-audit services rendered by our independent registered public accounting firm, Ernst & Young LLP. Pre-Approval Policies and Procedures

Consistent with requirements of the SEC and the Public Company Accounting Oversight Board (PCAOB) regarding auditor independence, our Audit Committee is responsible for the appointment, compensation, and oversight of the work of our independent registered public accounting

PROPOSAL NO. 3:

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are seeking an advisory, non-binding stockholder vote with respect to compensation awarded to our Named Executive Officers (NEOs) for the fiscal year ended January 31, 2018.

Our executive compensation program and compensation paid to our NEOs are described on pages 25-36 of this proxy statement. Our compensation programs are overseen by the Compensation Committee and reflect our philosophy to pay all of our employees, including our NEOs, in ways that support the following principles that we believe reflect our core values:

support, attract, and retain the best talent;

support a high-performance culture by rewarding excellence and achievement;

recognize and retain top-performing talent via differentiated rewards and opportunities;

reinforce alignment with Workday's values (in particular, a focus on excellence and an attitude of ownership);

create alignment with Workday's long-term performance; and

provide an opportunity for each employee to share in the success we create together.

To help achieve these objectives, we structure our NEOs' compensation to reward the achievement of short-term and long-term strategic and operational goals.

Based on the above, we request that stockholders approve on a non-binding, advisory basis, the compensation of Workday's NEOs as described in this proxy statement pursuant to the following resolution:

RESOLVED, that the compensation paid to Workday's NEOs, as disclosed in this proxy statement, including the Compensation Discussion and Analysis section, compensation tables and narrative discussion, is hereby APPROVED.

Vote Required

Approval of NEO compensation requires the approval of a majority of the votes present or represented by proxy and entitled to vote thereon.

As an advisory vote, this proposal is non-binding. Although the vote is non-binding, the Board of Directors and the Compensation Committee value the opinions of our stockholders, and will consider the outcome of the vote when making future compensation decisions for our NEOs.

PROPOSAL NO. 4:

**LIMITS ON AWARDS TO NON-EMPLOYEE DIRECTORS UNDER
THE 2012 EQUITY INCENTIVE PLAN**

General

Our 2012 Equity Incentive Plan (the *Plan*), was adopted by our Board of Directors in August 2012, approved by our stockholders in September 2012, and became effective in October 2012. The Plan was reapproved by our stockholders in May 2013, and amended in June 2016. The Plan provides for the grant of awards to eligible employees, directors, consultants, independent contractors, and advisors in the form of stock options, restricted stock awards (*RSAs*), stock appreciation rights (*SARs*), restricted stock units (*RSUs*), performance awards, and stock bonuses (each and together *Awards*). The Plan provides that no Participant will be eligible to receive more than 2,000,000 shares of Workday common stock in any calendar year pursuant to the grant of Awards under the Plan except that new employees of Workday or of a parent or subsidiary of Workday (including new employees who are also officers and directors of Workday or any parent or subsidiary of Workday) are eligible to receive up to a maximum of 4,000,000 shares in the calendar year in which they commence their employment. The Plan provides that non-employee directors may receive Awards representing no more than \$750,000 total value in any calendar year (not including any initial Award to a non-employee director in the calendar year in which the director first becomes a non-employee director). The material terms of the Plan are described below under *Summary of the Plan*.

We believe that our future success and our ability to remain competitive are dependent on our continuing efforts to attract, retain, and motivate highly qualified personnel. Competition for these people in our industry is intense. Traditionally, a cornerstone of our method for attracting and retaining top caliber employees has been our equity-based compensation programs, including the grant of stock options and other equity awards under the Plan. Allowing employees to participate in owning shares of our common stock helps align the objectives of our stockholders and employees and is important in attracting, motivating, and retaining the highly skilled personnel that are essential to our success.

Proposal

We are asking our stockholders to approve an amendment to the Plan to provide that a newly appointed non-employee director may receive Awards representing up to \$1,750,000 total value in the calendar year in which the director first becomes a non-employee director; provided that any initial Award granted to a non-employee director in connection with the commencement of his or her initial services as a non-employee director shall not exceed \$1,000,000 in value. This limit would supplement the previously-approved limit of \$750,000 total value in any calendar year (not including any initial Award to a non-employee director in the calendar year in which the director first becomes a non-employee director).

If stockholder approval of this proposal is not obtained, the limit previously approved by our stockholders will remain unchanged.

The proposed amendment also includes certain non-material revisions to the Plan made in response to the 2017 Tax Cuts and Jobs Act.

Summary of the Plan

The principal terms of the Plan are summarized below. This summary is not a complete description of the Plan, and it is qualified in its entirety by reference to the complete text of the Plan document. The Plan, as proposed to be amended, is attached as [Annex A](#) to this proxy statement.

We adopted the Plan, which became effective in October 2012, as the successor to our 2005 Stock Plan. We reserved 25,000,000 shares of our common stock to be issued under our Plan. The number of shares reserved for issuance under our Plan increases automatically on the thirty-first day of March of each year by the number of shares equal to 5% of the total outstanding shares of our common stock as of the immediately preceding January 31. However, our Board of Directors or Compensation Committee may reduce the amount of the increase in any particular year. In addition, the following shares are available for grant and issuance under our Plan:

shares subject to options or SARs granted under our Plan that cease to be subject to the option or SAR for any reason other than exercise of the option or SAR;

Table of Contents

shares subject to Awards granted under our Plan that are subsequently forfeited or repurchased by us at the original issue price;

shares subject to Awards granted under our Plan that otherwise terminate without shares being issued;

shares surrendered, cancelled, or exchanged for cash or a different Award (or combination thereof);

shares reserved but not issued or subject to outstanding grants under our 2005 Stock Plan;

shares issuable upon the exercise of options or subject to other Awards under our 2005 Stock Plan that cease to be subject to such options or other Awards by forfeiture or otherwise;

shares issued under our 2005 Stock Plan that are forfeited or repurchased by us; and

shares subject to Awards under our 2005 Stock Plan that are used to pay the exercise price of an option or withheld to satisfy the tax withholding obligations related to any award.

Our Plan authorizes the Award of stock options, RSAs, SARs, RSUs, performance awards and stock bonuses. No person will be eligible to receive more than 2,000,000 shares in any calendar year under our Plan other than new employees, who will be eligible to receive no more than 4,000,000 shares under the Plan in the calendar year in which the employee commences employment.

Currently, a non-employee director may receive Awards representing no more than \$750,000 in total value in any calendar year, which limit does not apply to initial grants to a non-employee director in connection with their commencement of service as a director. If this proposal is approved, this limit will be changed to provide that a non-employee director may receive Awards representing no more than \$750,000 total value in any calendar year, with such limit increased to \$1,750,000 total value in the calendar year in which the director first becomes a non-employee director; provided that any initial Award granted to a non-employee director in connection with the commencement of his or her initial services as a non-employee director shall not exceed \$1,000,000 in value. Annual Awards granted to non-employee directors generally vest in a single annual installment, subject to continued service, and subject to a determination by our Board of Directors. Initial Awards granted to new non-employee directors generally vest over four years, with 25% vesting upon completion of the first year of service and in equal quarterly installments thereafter, subject to continued service, and subject to a determination by our Board of Directors.

Our Plan is administered by our Compensation Committee, all of the members of which are outside directors as defined under applicable federal tax laws, or by our Board of Directors acting in place of our Compensation Committee. The Compensation Committee has the authority to construe and interpret our Plan, grant Awards, and make all other determinations necessary or advisable for the administration of the Plan.

Our Plan provides for the grant of Awards to our employees, directors, consultants, independent contractors, and advisors, provided the consultants, independent contractors, directors, and advisors render services not in connection with the offer and sale of securities in a capital-raising transaction. The exercise price of stock options must be at least equal to the fair market value of our common stock on the date of grant.

In general, options granted under our Plan will vest over a four-year period. Options may vest based on time or achievement of performance conditions. Our Compensation Committee may provide for options to be exercised only as they vest or to be immediately exercisable with any shares issued on exercise being subject to our right of repurchase that lapses as the shares vest. The maximum term of options granted under our Plan is 10 years.

An RSA is an offer by us to sell shares of our common stock subject to restrictions, which may vest based on time or achievement of performance conditions. The price (if any) of an RSA will be determined by the Compensation Committee. Unless otherwise determined by the Compensation Committee at the time of award, vesting will cease on the date the participant no longer provides services to us and unvested shares will be forfeited to or repurchased by us.

Edgar Filing: Workday, Inc. - Form DEF 14A

SARs provide for a payment, or payments, in cash or shares of our common stock, to the holder based upon the difference between the fair market value of our common stock on the date of exercise and the stated exercise price up to a maximum amount of cash or number of shares. SARs may vest based on time or achievement of performance conditions.

RSUs represent the right to receive shares of our common stock at a specified date in the future, subject to forfeiture of that right because of termination of employment or failure to achieve certain performance conditions, if any. If an RSU has not been forfeited, then on the date specified in the RSU agreement, we will deliver to the holder of the RSU whole shares of our common stock (which may be subject to additional restrictions), cash or a combination of our common stock and cash, net of shares that are sold to cover the recipient's estimated tax liability for such RSUs.

Table of Contents

Performance shares are performance awards that cover a number of shares of our common stock that may be settled upon achievement of the pre-established performance conditions in cash or by issuance of the underlying shares. These Awards are subject to forfeiture prior to settlement because of termination of employment or failure to achieve the performance conditions.

Performance conditions which may be used under the Plan include:

Table of Contents

Stock bonuses may be granted as additional compensation for service or performance, and therefore, may not be issued in exchange for cash.

In the event there is a specified type of change in our capital structure without our receipt of consideration, such as a stock split, appropriate adjustments will be made to the number of shares reserved under our Plan, the maximum number of shares that can be granted in a calendar year, and the number of shares and exercise price, if applicable, of all outstanding Awards under our Plan.

Unvested Awards and unexercised stock options granted under our Plan may not be transferred in any manner other than by will or by the laws of descent and distribution or as determined by our Compensation Committee. Unless otherwise permitted by our Compensation Committee, stock options may be exercised during the lifetime of the optionee only by the optionee or the optionee's guardian or legal representative. Options granted under our Plan generally may be exercised for a period of six months after the termination of the optionee's service to us, for a period of 12 months in the case of death or for a period of six months in the case of disability, or such longer period as our Compensation Committee may provide. Options generally terminate immediately upon termination of employment for cause.

If we are party to a merger or consolidation, outstanding Awards, including any vesting provisions, may be assumed or substituted by the successor company. In the alternative, outstanding Awards may be cancelled in connection with a cash payment. Outstanding Awards that are not assumed, substituted or cashed out will accelerate in full and expire upon the merger or consolidation. In the event of specified change in control transactions, our Compensation Committee may accelerate the vesting of Awards (a) immediately upon the occurrence of the transaction, whether or not the Award is continued, assumed or substituted by a surviving corporation or its parent in the transaction, or (b) in connection with a termination of a participant's service following such a transaction.

Our Plan will terminate in August 2022, 10 years from the date our Board of Directors approved the Plan, unless it is terminated earlier by our Board of Directors. Our Board of Directors may amend or terminate our Plan at any time. If our Board of Directors amends our Plan, it does not need to ask for stockholder approval of the amendment unless required by applicable law.

As of March 31, 2018, options to purchase 430,550 shares had been granted under our Plan, of which 106,948 remained unexercised, 28,243,087 shares of RSUs were granted, of which 12,702,559 remained unvested, and 1,032,612 shares of PSUs were granted, of which 2,803 remained unvested. The options outstanding as of March 31, 2018 had a weighted-average exercise price of \$51.67 per share. As of March 31, 2018, there were approximately 8,430 employees and directors who were eligible to participate in the Plan.

DIRECTORS AND CORPORATE GOVERNANCE

Director Independence

Our Class A common stock is listed on the Nasdaq Global Select Market. The listing rules of this stock exchange generally require that a majority of the members of a listed company's board of directors be independent. Our Board of Directors, also referred to as the Board, has determined that none of our directors who are not current or former employees (Messrs. Battle, Eschenbach, McNamara, Still, Styslinger, and Yang and Ms. Davies) has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the rules of the Nasdaq Global Select Market.

Leadership Structure

Mr. Aneel Bhusri serves as our CEO and also as a member of our Board. Mr. David A. Duffield serves as our Chairman of the Board and Mr. Michael A. Stankey serves as a Vice-Chairman of the Board. Because our Chairman is a former executive officer of Workday, Mr. George J. Still, Jr. serves as Vice-Chairman and Lead Independent Director of the Board. Our Board of Directors believes that the current board leadership structure, coupled with a strong emphasis on board independence, provides effective independent oversight of management while allowing the Board and management to benefit from Mr. Duffield's extensive executive leadership and operational experience. Independent directors and management sometimes have different perspectives and roles in strategy development. Our independent directors bring experience, oversight, and expertise from outside of our company, while Mr. Bhusri, Mr. Duffield, and Mr. Stankey bring company-specific experience and expertise.

Lead Independent Director

Mr. Still serves as one of our Vice-Chairmen and as our Lead Independent Director. As Lead Independent Director, among other responsibilities, Mr. Still presides over regularly scheduled meetings at which only our independent directors are present, serves as a liaison between the CEO, Chairman, and the independent directors, and performs such additional duties as our Board of Directors may otherwise determine and delegate.

Executive Sessions of Independent Directors

In order to promote open discussion among independent directors, our Board of Directors has a policy of conducting executive sessions of independent directors during each regularly scheduled Board meeting and at such other times if requested by an independent director. These executive sessions are chaired by our Lead Independent Director. The Lead Independent Director provides feedback to Workday's CEO, as needed, promptly after the executive session. Neither Mr. Bhusri, Mr. Duffield, nor Mr. Stankey participates in such sessions.

Code of Conduct

We have adopted a Code of Conduct that applies to all of our directors, officers, and employees. The full text of our Code of Conduct is posted under the Investor Relations section on our website at: www.workday.com/codeofconduct.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines that apply to our Board of Directors. The full text of our Corporate Governance Guidelines is posted under the Investor Relations section on our website at: www.workday.com/governanceguidelines.

Meetings of the Board of Directors

The Board met four times during fiscal 2018 and took action by unanimous consent four times. No director attended fewer than 75% of the total number of meetings of the Board and of any Board committees of which he or she was a member during fiscal 2018.

It is our policy that directors are invited and encouraged to attend our Annual Meetings of Stockholders. During fiscal 2018, all members of the Board attended our 2017 Annual Meeting. We have scheduled our 2018 Annual Meeting on the same day as a regularly scheduled Board meeting in order to facilitate attendance by our Board members.

Considerations in Evaluating Director Nominees

The Nominating and Governance Committee is responsible for identifying, evaluating and recommending candidates to the Board for Board membership, or the Board may conduct the process of identifying and evaluating Board candidates directly. A variety of methods are used to identify and evaluate director nominees, with the goal of maintaining and further developing an experienced and highly qualified Board. Candidates may come to our attention through current members of our Board, professional search firms, stockholders, or other persons.

The Nominating and Governance Committee will recommend to the Board for selection all nominees to be proposed by the Board for election by the stockholders, including approval or recommendation of a slate of director nominees to be proposed by the Board for election at each Annual Meeting of Stockholders, and, if requested by the Board, will recommend all director nominees to be appointed by the Board to fill interim director vacancies.

The Board will be responsible for nominating members for election to the Board and for filling vacancies on the Board that may occur between annual meetings of stockholders. The Board may, either directly or upon the recommendation of the Nominating and Governance Committee, consider the minimum qualifications set forth below, any specific qualities or skills that it believes are necessary for one or more of the Board members to possess, and the desired qualifications, expertise, and characteristics of Board members.

Director Qualifications

The Nominating and Governance Committee and the Board believe that candidates for director should have certain minimum qualifications, including, without limitation:

demonstrated business acumen and leadership, and high levels of accomplishment;

experience with high-growth companies;

ability to exercise sound business judgment and to provide insight and practical wisdom based on experience;

commitment to understand Workday and its business, industry, and strategic objectives;

integrity and adherence to high personal ethics and values, consistent with our Code of Conduct;

ability to read and understand financial statements and other financial information pertaining to Workday;

commitment to enhancing stockholder value;

willingness to act in the interest of all stockholders; and

for directors who are not current or former employees, independence under Nasdaq Global Select Market listing standards and other applicable rules and regulations.

In the context of the Board's existing composition, other requirements that are expected to contribute to the Board's overall effectiveness and meet the needs of the Board and its committees may be considered.

Edgar Filing: Workday, Inc. - Form DEF 14A

In addition, under Workday's Corporate Governance Guidelines, a director is expected to spend the time and effort necessary to properly discharge such director's responsibilities. Accordingly, a director is expected to regularly attend meetings of the Board and committees on which such director sits, and to review prior to meetings material distributed in advance for such meetings. Thus, the number of other public company boards and other boards (or comparable governing bodies) on which a prospective nominee is a member, as well as his or her other professional responsibilities, will be considered. Under the Corporate Governance Guidelines, there are no limits on the number of three-year terms that may be served by a director. However, in connection with evaluating recommendations for nomination for re-election, director tenure is considered. Workday values diversity on a company-wide basis, but has not adopted a specific policy regarding Board diversity.

Stockholder Recommendations for Nominations to the Board of Directors

The Nominating and Governance Committee will consider properly submitted stockholder recommendations for candidates for our Board who meet the minimum qualifications as described above. The Nominating and Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. A stockholder of record can nominate a candidate for election to the Board of Directors by complying with the procedures in Article I, Section 1.12 of our Bylaws. Any eligible stockholder who wishes to submit a nomination should review the requirements in the Bylaws on nominations by stockholders. Any nomination should be sent in writing to the Secretary, Workday, Inc., 6230 Stoneridge Mall Road, Pleasanton, California 94588.

Table of Contents

Submissions must include the full name of the proposed nominee, complete biographical information, a description of the proposed nominee's qualifications as a director, other information specified in our Bylaws, and a representation that the nominating stockholder is a beneficial or record holder of our stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. These candidates are evaluated at meetings of the Nominating and Governance Committee, and may be considered at any point during the year. If any materials are provided by a stockholder in connection with the recommendation of a director candidate, such materials are forwarded to the Nominating and Governance Committee.

All proposals of stockholders that are intended to be presented by such stockholder at an Annual Meeting of Stockholders must be in writing and notice must be delivered to the Secretary at the principal executive offices of Workday not later than the dates described below under *Additional Information - Stockholder Proposals for 2019 Annual Meeting*.

Non-Employee Director Compensation

Our non-employee directors are entitled to receive equity compensation for their service as directors. At our 2016 Annual Meeting of Stockholders, our stockholders approved a limit on annual awards to non-employee directors under our 2012 Equity Incentive Plan of no more than \$750,000 in total value. Consistent with this limit, in fiscal 2018, the Compensation Committee granted awards to the non-employee directors as set forth in the following table. Other than as set forth in the table below, in fiscal 2018 we did not pay any fees to, make any equity awards or non-equity awards to, or pay any other compensation to, the non-employee members of our Board of Directors in respect of their service as members of our Board. However, we reimburse directors for travel expenses incurred in connection with attendance at Board meetings and expenses incurred for continuing education related to their service as directors.

REPORT OF THE AUDIT COMMITTEE

With respect to Workday's financial reporting process, the management of Workday is responsible for (1) establishing and maintaining internal controls and (2) preparing Workday's consolidated financial statements. Workday's independent registered public accounting firm, Ernst & Young LLP (EY), is responsible for performing an independent audit of Workday's consolidated financial statements and issuing opinions on the conformity of those audited financial statements with United States generally accepted accounting principles and the effectiveness of Workday's internal control over financial reporting. It is the responsibility of the Audit Committee to oversee these activities. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of Workday's financial statements.

The Audit Committee has reviewed and discussed the audited financial statements for fiscal 2018 with Workday's management and EY, as well as management's assessment and EY's evaluation of the effectiveness of Workday's internal control over financial reporting as of January 31, 2018. The Audit Committee has also discussed with EY the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the PCAOB.

The Audit Committee also has received and reviewed the written disclosures and the letter from EY required by applicable requirements of the PCAOB regarding EY's communications with the Audit Committee concerning independence, and has discussed with EY its independence from Workday.

Based on our review and discussions with Workday's management and EY, we recommended to the Board of Directors that the audited consolidated financial statements be included in Workday's Annual Report on Form 10-K for fiscal 2018, for filing with the SEC.

Executive Compensation Philosophy, Objectives, and Design

Philosophy

We operate in a highly competitive and rapidly evolving market, and we expect competition among companies in our market to continue to increase. Our ability to compete and succeed in this environment is directly correlated to our ability to recruit, incentivize, and retain talented individuals in the areas of product development, sales, marketing, services, and general and administrative functions. The market for skilled personnel in the software industry is very competitive. Our compensation philosophy is designed to establish and maintain a compensation program that attracts and rewards talented individuals who possess the skills necessary to support our near-term objectives and create long-term value for our stockholders, expand our business, and assist in the achievement of our strategic goals.

Table of Contents

In fiscal 2018, our Compensation Committee reviewed and assessed our compensation philosophy, which is intended to promote Workday's core values. The Compensation Committee believes that a great work environment, substantial employee ownership, and meaningful pay and benefits support a winning team, company, and workplace. We believe that the compensation of our executive officers and employees should reflect our performance as an organization, and their performance as individuals. Further, our compensation is designed to be focused on ownership, innovation, and results, and to be fair and flexible. Accordingly, key elements of our total rewards philosophy include the following:

Focus on ownership: We believe that all of our employees should share in the ownership of Workday. Therefore, equity compensation is a larger part of total rewards than the market norm, which we believe best aligns the interests of our employees with our stockholders. Likewise, we place less focus on cash compensation relative to our peer groups in favor of equity-based incentive compensation.

Focus on innovation and performance: We reward performance, while recognizing market-based differences between functions. The development of great products is the life-blood of the company, and the compensation structure for product developers is weighted toward long-term compensation in support of longer-term objectives. In contrast, sales compensation is weighted toward variable short-term compensation in accordance with market practices and to promote revenue growth.

Fair and flexible: The Compensation Committee recognizes the importance of providing fair rewards for employee contributions. We seek to provide target total direct compensation (base salary, bonus, and equity) that is at or above market norms, and to provide parity and consistency within functions. We also believe in adhering to budgets, ensuring transparency, and promoting understanding of our compensation philosophy and practices by employees, while at the same time retaining the flexibility needed to promote employee acquisition and retention.

WHAT WE DO

Pay for Performance: We link pay to performance by heavily weighting total compensation to long-term equity awards that align executive interests with the interests of our stockholders.

Independent Compensation Advisor: The Compensation Committee selects and engages its own independent advisors.

Thoughtful Peer Group Analysis: The Compensation Committee reviews external market data when making compensation decisions and annually reviews our peer groups with its independent compensation consultant.

Thorough Compensation Risk Assessment: The Compensation Committee conducts an annual assessment of our executive and broad-based compensation programs to promote prudent risk management.

Compensation Committee Independence and Experience: The Compensation Committee is comprised solely of independent directors who have extensive relevant experience.

Stock Ownership Guidelines: Executives and directors are subject to stock ownership guidelines equal to a multiple of their respective annual base salaries (5x for CEO and 3x for other executive officers) or a set dollar amount for members of our Board of Directors (\$600,000).

Clawback Policy: Our clawback policy provides that our Board may require the forfeiture, recovery or reimbursement of incentive-based compensation from an executive officer in the event the officer's fraud results in a restatement of Workday's financial results.

WHAT WE DO NOT DO

No Single Trigger Acceleration: We do not provide for single trigger acceleration following a change of control.

No Special Perquisites: We do not provide special perquisites for executives.

No Hedging in Company Securities: Executives, directors and all employees are prohibited from engaging in any hedging transaction with respect to company equity securities.

No Guaranteed Bonuses: We do not provide guaranteed minimum bonuses.

No Discounted Options / SARs: We do not provide discounted stock options or SARs.

No Tax Gross-Ups: We do not provide tax gross-ups for excess parachute payments.

Table of Contents

Objectives

Consistent with our compensation philosophy, the primary goals of our executive compensation programs are to:

Provide competitive compensation to recruit, retain, and motivate top talent;

Align the interests of our executive officers and stockholders through the use of equity awards; and

Motivate and reward behavior consistent with our goals and performance objectives.

The Compensation Committee reviews our compensation structure at least annually, and more frequently as needed to focus on different business objectives.

Design

Our executive compensation program has been weighted more heavily towards equity. The Compensation Committee believes that compensation in the form of equity helps to align the interests of our executive officers with the long-term interests of our stockholders by driving achievement of our strategic and financial goals. We use RSUs as our primary equity vehicle for our executive officers, including our NEOs. We believe that RSU awards both align the interests of employees with stockholders and provide a longer-term focus through a multi-year vesting schedule, while managing dilution to existing investors and providing greater predictability to our executive officers in the value of their compensation. To maintain a competitive compensation program, we also offer cash compensation in the form of base salaries and, other than for our CEO, semi-annual cash bonuses, resulting in total cash compensation for our executive officers that historically has been low relative to companies in our peer groups. We do not benchmark to specific percentiles for any element of our compensation program, but instead use the peer group information for general guidance.

During fiscal 2018, our Compensation Committee, with the assistance of its compensation consultant, Semler Brossy, reviewed our executive compensation, including base salaries, bonuses, equity awards, and benefit programs, to continue to align our compensation program with stockholder interests and provide appropriate rewards and incentives for our executive officers.

Our Compensation-Setting Process

Pursuant to its charter and in accordance with Nasdaq rules, the Compensation Committee is responsible for reviewing, evaluating, and approving the compensation arrangements of our executive officers and for establishing and maintaining our executive compensation policies and practices. Our Compensation Committee seeks input and receives recommendations from members of our executive management team when discussing the performance and compensation of other executive officers, and in determining the financial and accounting implications of our compensation programs and hiring decisions. The Compensation Committee is authorized to engage its own independent advisors to provide advice on matters related to executive compensation and general compensation programs. For additional information on the Compensation Committee, see [Committees of the Board of Directors Compensation Committee](#) elsewhere in this proxy statement.

The initial compensation arrangements with our executive officers other than our CEO were the result of arm's-length negotiations between us and each individual executive officer at the time of his or her hire or appointment. In fiscal 2018, the Compensation Committee and our Board of Directors considered numerous factors in determining whether to make adjustments to the cash and equity compensation of our executive officers, including our NEOs. The Compensation Committee and our Board of Directors reviewed the performance of our executive officers, taking into consideration financial, operational, customer, strategic, product, and competitive factors, as well as the succession planning objectives for our various executive officer positions. The Compensation Committee and our Board of Directors also reviewed a study by Semler Brossy regarding the compensation of executives at the companies in our compensation peer groups. As noted above, we do not benchmark the compensation levels of our executive officers to our peer companies but we do review and consider the peer group information among various other factors in making compensation decisions. Except with respect to our CEO's compensation, our CEO made recommendations to the Compensation Committee regarding the compensation for our executive officers, which was also taken into account by the Compensation Committee in making its decisions regarding executive compensation. Our CEO was not present for the discussions of our Board of Directors regarding his performance and compensation. Following deliberation, the Compensation Committee approved the cash compensation to be paid to our NEOs and granted RSU awards to our NEOs, each as described below and in the Summary Compensation Table.

2017 Stockholder Advisory Vote on Executive Compensation

At our Annual Meeting of Stockholders in June 2017, we conducted a stockholder advisory vote on the compensation of our NEOs (commonly known as a Say-on-Pay vote). Our stockholders approved the fiscal 2017 compensation of our NEOs, with approximately 99.3% of the votes cast in favor of our Say-on-Pay proposal.

Table of Contents

The Compensation Committee considers the results of the Say-on-Pay vote on our executive compensation program as part of its annual executive compensation review, which generally takes place in the spring. Following our 2017 Annual Meeting of Stockholders, the Compensation Committee reviewed the results of the Say-on-Pay vote, and concluded that our executive compensation program was operating as anticipated. Consequently, the Compensation Committee did not make any significant changes to our executive compensation program based on its review of the voting results.

Following a stockholder vote, our Board of Directors adopted a policy providing for annual Say-on-Pay votes. Our Board of Directors values the opinions of our stockholders and the Compensation Committee will continue to consider the outcome of future Say-on-Pay votes, as well as feedback received throughout the year, when making compensation decisions for our NEOs.

Role of Management

The role of management is to design our executive compensation programs, policies, and governance and make recommendations to the Compensation Committee regarding these matters. In this respect, management reviews the effectiveness of our compensation programs, including competitiveness and alignment with Workday's objectives. Management also recommends changes to our compensation programs to best ensure achievement of program objectives, and reviews and makes recommendations with respect to the adoption and approval of, or amendments to, company-wide incentive compensation plans. Our CEO makes compensation recommendations to the Compensation Committee with respect to base salaries, bonuses, and other awards for our executive officers, including our NEOs other than the CEO.

Role of the Compensation Consultant

The Compensation Committee retained Semler Brossy to advise on our fiscal 2018 executive compensation programs and practices and our executive compensation decisions given Semler Brossy's expertise in the technology industry and its knowledge of our peer companies. During fiscal 2018, Semler Brossy provided the following services as requested by the Compensation Committee:

Assisted in the development of the compensation peer groups we used to understand market competitive compensation practices;

Reviewed and assessed our compensation practices and the cash and equity compensation levels of our executive officers (including an equity retention analysis and change in control analysis), including our NEOs, and also for members of our Board of Directors;

Reviewed and assessed our current compensation programs to determine any changes that may need to be implemented in order to remain competitive with the market, as well as conducting an equity burn rate and overhang analysis;

Reviewed and assessed our current severance and change in control benefits against peer practices; and

Advised on regulatory developments relating to executive compensation, and collaborated on the risk assessment relating to employee compensation.

All other analyses related to executive compensation for fiscal 2018 were conducted internally. Internal analyses included gathering and analyzing data, and reviewing and advising on principal aspects of executive compensation. Base salaries, equity awards, and bonuses for our executive officers were among the items reviewed based on market data provided by Semler Brossy.

During fiscal 2018, the Compensation Committee reviewed the fees provided to Semler Brossy relative to Semler Brossy's revenues, the services provided by Semler Brossy to the Compensation Committee, any relationships between Semler Brossy and its consultants and our executive officers, any stock ownership of Workday by Semler Brossy, and other factors relating to Semler Brossy's independence, and concluded that Semler Brossy is independent within the meaning of the listing standards of the Nasdaq Stock Market and that its engagement did not present any conflict of interest. The Compensation Committee has retained Semler Brossy to advise on our executive compensation programs and practices for the fiscal year ending January 31, 2019.

Compensation Peer Group

In January 2017, with the assistance of Semler Brossy, our Compensation Committee reviewed our primary compensation peer group. The compensation peer group was generally developed from companies with a focus on applications software, systems software, or internet software, with revenues of 0.4 to 2.5 times our annual revenues, and at least a 3.5 ratio of market

Table of Contents

capitalization to revenues, and then further refined by targeting companies with similar business characteristics, such as those focused on cloud applications or enterprise software or those with a focus on innovation and research and development. We also generally sought to include companies with revenue growth of greater than 15% where possible.

Our primary compensation peer group for fiscal 2018 consisted of the following companies:

Akamai Technologies, Inc.	Palo Alto Networks, Inc.
Arista Networks, Inc.	Red Hat, Inc.
athenahealth, Inc.	ServiceNow, Inc.
Autodesk, Inc.	Splunk, Inc.
Cadence Design Systems, Inc.*	Synopsys, Inc.
Citrix Systems, Inc.	Symantec Corporation*
Fortinet, Inc.	Tableau Software
LinkedIn Corporation	The Ultimate Software Group, Inc.
NetSuite, Inc.	

* Added to the compensation peer group for fiscal 2018

The Compensation Committee eliminated Twitter and VeriSign from the fiscal 2018 peer group as they did not meet one or more of the criteria discussed above or were otherwise not considered to be meaningful comparison points based on geographic scope or business focus and strategy. However, Twitter was added to the supplemental list of reference companies described below.

While the Compensation Committee and our Board of Directors consider the compensation levels of the executives at the companies in our primary compensation peer group to provide a general understanding of market practices among similar companies, we do not benchmark or specifically set compensation levels based on the percentile levels reflected by the compensation peer group.

In addition, with the assistance of Semler Brossy, our Compensation Committee developed a supplemental set of reference companies. The reference companies are companies that we may compete with for executive talent, as well as companies we consider to be market leaders in developing competitive compensation practices within the technology industry. We did not limit ourselves to a specific set of criteria for their selection and instead the group was determined based on input from management and the Compensation Committee from companies they considered important for understanding practices, trends, and overall executive compensation levels at technology companies. Some companies are in both the primary peer group and this reference group because they were determined to be appropriate for the objectives of each group.

The reference companies for fiscal 2018 consisted of the following companies:

Akamai Technologies, Inc.	Palo Alto Networks, Inc.
Activision Blizzard, Inc.	PayPal Holdings Inc.
Adobe Systems Incorporated	Red Hat, Inc.
Autodesk, Inc.	Salesforce.com, Inc.
Cerner Corporation	ServiceNow, Inc.
Citrix Systems, Inc.	Symantec Corporation
Electronic Arts Inc.	Twitter, Inc.
Intuit, Inc.	VMware, Inc.
LinkedIn Corporation	

Elements of Our Executive Compensation Program

The key elements of our executive compensation program include base salary, semi-annual cash bonuses, equity-based awards, and health and welfare programs. Except with respect to target semi-annual cash bonuses, which typically are expressed as a pre-determined percentage of each executive officer's base salary, we do not use specific formulas or weightings in determining the allocation of the various pay elements. Rather, each executive officer's compensation has been designed to provide a combination of pay elements that are tied to achievement of our short-term and long-term financial and operational objectives. In particular, we believe our use of RSU awards, which generally vest over four years, promotes a culture of long-term value creation, while cash bonuses payable based upon semi-annual performance drive toward achievement of

near-term objectives.

Table of Contents

In fiscal 2018, the Compensation Committee conducted its regular annual review of our executive compensation program, including an evaluation of competitive market practices; conducted annual performance reviews for our executive officers; made adjustments to our executive officers' base salaries and target annual bonus opportunities; and made annual equity awards. Following deliberation and consideration of the factors discussed below, our Board of Directors and Compensation Committee determined that equity awards should continue to be a significant portion of executive compensation, and that cash compensation (including base salary and bonuses) should remain lower relative to market norms.

Base Salary

We offer base salaries that are intended to provide a stable level of fixed compensation to our executive officers, including our NEOs, for performance of their day-to-day responsibilities. Our CEO received a base salary of \$33,280 per year upon the commencement of his employment, which was increased to \$65,000 effective January 8, 2017. The increase was a result of Mr. Bhusri's salary being tied to regulatory minimums which began increasing in calendar year 2017. The base salary of each of the NEOs other than our CEO was established as the result of arm's-length negotiation with the individual at the time of his or her initial hiring or appointment. Base salaries for our executive officers are reviewed annually to determine whether an adjustment is warranted or required. For fiscal 2018, the Compensation Committee reviewed the base salaries of our NEOs, after considering a compensation analysis performed by Semler Brossy, and maintained their annual base salaries at current levels, with the exception of a \$50,000 increase in Mr. Bozzini's base salary and a \$50,000 increase in Ms. Sisco's base salary, both of which were made in recognition of increased responsibilities in their respective roles.

The base salaries paid to our NEOs during fiscal 2018 are set forth in the Summary Compensation Table below.

Annual Cash Bonuses

Historically, our CEO has not participated in a cash bonus plan. Our executive officers other than the CEO are eligible to participate in a semi-annual cash bonus plan available to key employees. The target annual bonus opportunity of each of the NEOs other than the CEO is equal to 50% of his or her base salary, other than Mr. Wilmington, whose target bonus is 100% of his base salary. Because of our emphasis on equity-based compensation, annual bonuses are not intended to constitute a material amount of the total compensation for our NEOs. The performance objectives for our executive officers do not have specific targets associated with them, and our Compensation Committee has complete discretion to determine the amount of bonus for each performance period.

The NEOs' discretionary performance objectives for payment under the semi-annual cash bonus plan for fiscal 2018 generally included: 1) performance relative to their individual and organizational goals; 2) contributions to achievement of corporate goals; 3) contributions to achievement of financial goals; and 4) evaluation of their leadership. The Compensation Committee reviewed the performance of the company and the individual NEOs, and determined that the performance objectives had been met or exceeded. Therefore, a total of \$425,000 in discretionary bonuses was paid to the NEOs (other than the CEO) for the first half of fiscal 2018, representing approximately 108% of their collective target bonus for the first half of fiscal 2018, and a total of \$527,000 in discretionary bonuses was paid to the NEOs (other than the CEO) for the second half of fiscal 2018, representing approximately 109% of their collective target bonus for the second half of fiscal 2018.

For Mr. Bozzini, factors considered by the Compensation Committee in determining his bonus amounts included his broad leadership as our Chief Operating Officer, as well as his role in our achievement of significant revenue growth and a 98% customer satisfaction rating. For Mr. Peek, factors considered by the Compensation Committee in determining his bonus amounts included his leadership of our finance, investor relations, information technology and real estate functions, as well as his sales support of large enterprise and education and government Workday financials customers and prospects. For Ms. Sisco, factors considered by the Compensation Committee in determining her bonus amounts included leadership of our global finance function, sales support of Workday financials customers and prospects, and successful adoption of ASC Topic 606. For Mr. Wilmington, factors considered by the Compensation Committee in determining his bonus amounts included his leadership of our global sales, services, and product marketing functions, as well as his support of numerous successful large enterprise transactions and significant revenue growth.

The discretionary bonuses paid to our NEOs for fiscal 2018 are set forth in the Summary Compensation Table below.

Equity-Based Awards

The majority of the target total direct compensation of our executive officers, including our NEOs, is provided through equity awards. By having a significant percentage of our executive officers' target total direct compensation payable in the form

Table of Contents

of equity that vests over a number of years and, thus, subject to higher risk and longer vesting than cash compensation, our executive officers are motivated to take actions that will benefit Workday and its stockholders over the long term.

We make annual equity grants to our executive officers in order to align their interests with those of our stockholders and ensure appropriate incentives are in place to promote a focus on our long-term strategic and financial objectives. The sizes of these awards are not determined based on a specific formula, but rather through the exercise of the Compensation Committee's judgment after considering the individual performance of each of the executive officers, including financial, operational, customer, strategic, product and competitive factors, the recommendations of our CEO (except with respect to his awards), the appropriate level of compensation for the position given the scope of responsibility, the need to hire or retain an individual in a particular position, the current unvested equity held by such individuals and related vesting schedules, the level of each executive officer's total target cash compensation (base salary plus target cash bonus opportunity), and the perceived retentive value of the proposed awards. For the CEO, executive leadership factors were also considered. In addition, the Compensation Committee reviews and considers the equity awards granted to the executives at the companies in the compensation peer groups, although it does not specifically benchmark to those companies.

As noted above, our equity awards generally take the form of time-based RSU awards with a four-year vesting schedule. The Compensation Committee believes that these RSU awards serve as an effective retention tool for our executive officers, because unvested awards are generally forfeited if an executive officer voluntarily leaves us before the awards have vested. Additionally, the Compensation Committee believes that time-based RSU awards encourage completion of our long-term objectives.

The RSU awards granted to our NEOs in fiscal 2018 were as follows:

Named Executive Officer	Number of Shares Subject to RSU Award ⁽¹⁾	Grant Date Fair Value of RSU Award ⁽²⁾
Aneel Bhusri	108,494	\$ 9,070,098
James J. Bozzini	66,302	5,542,847
Mark S. Peek	72,329	6,046,704
Robynne D. Sisco	54,247	4,535,049
W. Philip Wilmington	66,302	5,542,847

- (1) The RSU awards are subject to vesting based on continued service over four years, with one-fourth of such awards vesting one year from April 15, 2017, after which the awards vest in equal installments over the next 12 quarters.
- (2) The amounts reported are computed in accordance with ASC Topic 718 based on the closing price of our Class A common stock on the date of grant. These amounts do not reflect the actual economic value that may ultimately be realized by the NEOs.

In making these awards, the Compensation Committee reviewed the size and vesting schedule for the remaining unvested portion of all outstanding equity awards held by our executive officers, including our NEOs, and agreed that the existing equity awards, together with the fiscal 2018 equity grants, appropriately incentivized our executives and satisfied our retention goals for the near-term future for each individual.

Benefits Programs

Our employee benefit programs, including our 401(k) plan, employee stock purchase plan, and health and welfare programs, including health savings accounts and flexible spending arrangements, are designed to provide a competitive level of benefits to our employees generally, including our executive officers and their families, including spouses, qualifying domestic partners and children. We adjust our employee benefit programs as needed based upon regular monitoring of applicable laws and practices and the competitive market. Our executive officers are eligible to participate in the same employee benefit plans and programs, and on the same terms and conditions, as all other U.S. full-time employees.

Perquisites and Other Personal Benefits

Currently, we do not view perquisites or other personal benefits as a significant component of our executive compensation program. Accordingly, we do not generally provide perquisites to our executive team. In the future, we may provide perquisites or other personal benefits in limited circumstances, such as where we believe it is appropriate to assist an individual executive in the performance of his or her duties, to

Edgar Filing: Workday, Inc. - Form DEF 14A

make our executive team more efficient and effective and for recruitment, motivation or retention purposes. All future practices with respect to perquisites or other personal benefits for executives will be subject to review and approval by the Compensation Committee.

Table of Contents

Post-Employment Compensation

We have a change in control policy applicable to our executive officers and certain other employees which provides for severance payments and benefits in the event of a qualifying termination of employment following a change in control of Workday. In addition, certain of our executive officers have post-employment compensation arrangements. The Compensation Committee determined that these arrangements and policy were both competitively reasonable and necessary to recruit and retain key executives. The material terms of these post-employment payments to our NEOs are set forth in **Potential Payments upon Termination or Change in Control** below. We do not provide for single trigger acceleration following a Change of Control and do not provide tax gross-ups for excess parachute payments.

Other Compensation Policies

Executive Officer Recoupment Policy

The Compensation Committee has adopted a policy that provides for the recovery of all or any portion of an executive officer's incentive-based compensation in the event that we restate our financial results as a result of fraud by such executive officer, and the compensation earned by the executive officer was based on achieving financial results in excess of what could have been earned by the executive officer based on the restated financial results, in all cases as determined by the Board of Directors. The recovery period extends up to three years prior to the date of the restatement, for periods after the effective date of the policy.

Equity Awards Grant Policy

The Compensation Committee has adopted a policy governing equity awards that are granted to our executive officers and employees and members of our Board of Directors. This policy provides that equity awards will be granted either by our Board of Directors or the Compensation Committee at a meeting or by unanimous written consent, subject to equity award guidelines adopted by our Board of Directors, and provides that the CEO, Chairman of the Board, either Co-President or CFO may make awards to non-executive employees within prescribed limits. Generally, new hire awards will be effective on the 15th day of the month following commencement of employment, promotion and discretionary awards will be effective on the 15th day of March, April, June, September, or December, and refresh awards will be effective on the 15th day of April in connection with our annual review cycle, in each case unless otherwise approved by our Board of Directors or the Compensation Committee. The exercise price of all stock options and SARs must be equal to or greater than the fair market value of our common stock, as defined in the 2012 Equity Incentive Plan, on the date of grant.

Derivatives Trading and Hedging Policy

Our Policy on Trading in Securities prohibits the trading of derivatives or the hedging of our equity securities by our employees, including our executive officers and members of our Board of Directors.

Policy regarding 10b5-1 Plans for Directors and Executive Officers

Generally, our Policy on Trading in Securities requires our executive officers and members of our Board of Directors to adopt plans in accordance with Exchange Act Rule 10b5-1 for sales of securities which they beneficially own, and provides that such individuals may not trade in our equity securities during blackout periods.

Stock Ownership Guidelines

We maintain Stock Ownership Guidelines that require our CEO to own and hold shares of our stock with a value that is at least equal to the greater of five times his annual base salary or \$600,000, our other executive officers to own and hold shares of our stock with a value equal to or greater than three times their annual base salaries, and members of our Board of Directors to own and hold shares of our stock with a value equal to or greater than \$600,000. This ownership requirement may be satisfied by ownership of shares of either our Class A or Class B common stock, vested RSUs, and any other shares of our equity securities held by affiliates or family members in which the individual holds a beneficial interest.

Compensation Policies and Practices as they Relate to Risk Management

The Compensation Committee has reviewed our executive and employee compensation programs, and does not believe that our compensation policies and practices encourage undue or inappropriate risk taking or create risks that are reasonably likely to have a material adverse effect on us. The reasons for the Compensation Committee's determination include the following:

We structure our compensation program to consist of both fixed and variable components. The fixed (or base salary) component of our compensation programs is designed to provide income independent of our stock price performance so that employees will not focus exclusively on stock price performance to the detriment of other important business metrics. The variable (cash bonus and equity) components of our compensation programs are designed to reward both short-term and long-term company performance, which we believe discourages employees from taking actions that focus only on our short-term success and helps align our employees with our stockholders and on our longer-term success. Our RSUs have time-based vesting, generally over a period of four years.

We maintain internal controls over the measurement and calculation of financial information, which are designed to prevent this information from being manipulated by any employee, including our executive officers.

While we do not cap the cash incentive award for our sales incentive plan to provide maximum incentive for our sales force to meet and exceed their revenue objectives, we do maintain internal controls over the determination of sales incentive awards which we believe help prevent problematic behaviors.

Our employees of Workday are required to comply with our Code of Conduct, which covers, among other things, accuracy in keeping financial and business records.

The Compensation Committee approves the employee annual and new hire equity award guidelines as well as the overall annual equity pool. Any recommended equity awards outside these guidelines require approval by the Compensation Committee. We believe that this helps ensure we grant equity compensation appropriately and in a sustainable manner.

A significant portion of the compensation paid to our executive officers and the members of our Board of Directors is in the form of RSUs, to align their interests with the interests of stockholders.

We maintain Stock Ownership Guidelines for our executive officers and the members of the Board of Directors to ensure that they retain specified levels of equity in Workday.

As part of our Policy on Trading in Securities, we prohibit hedging transactions involving our securities so that our executive officers and other employees cannot insulate themselves from the effects of poor stock price performance.

Our Board of Directors has adopted an Executive Officer Recoupment Policy providing that it may require reimbursement or forfeiture of all or a portion of any cash compensation that was paid to an executive officer based on financial results if a restatement of those results is required and it determines that fraud on the part of the executive officer contributed to the need for the restatement.

Tax and Accounting Considerations

Limitation on Deductibility of Executive Compensation

Edgar Filing: Workday, Inc. - Form DEF 14A

We do not require executive compensation to be tax deductible to Workday, but instead balance the cost and benefits of tax deductibility to correspond with our executive compensation goals. Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to a publicly held corporation for compensation in excess of \$1,000,000 paid in any taxable year to certain of its executive officers.

Recent tax reform changes have limited or eliminated certain exemptions to the Section 162(m) deductibility limit which were previously available for qualified performance-based compensation, including stock option grants and performance-based RSUs. As a result, any compensation paid to certain of our executive officers in excess of \$1,000,000 will be non-deductible unless such compensation was previously exempt and is payable pursuant to a binding arrangement in effect on November 2, 2017. We believe it is likely that compensation expense incurred from the majority of our cash compensation and upon the exercise of stock options granted prior to November 2, 2017, as well as time-based RSUs granted prior to April 1, 2015 pursuant to applicable transition rules, will continue to be deductible in future years. However, because the tax reform changes are complex and in part, unsettled, deductibility is not certain. All other compensation paid to such executive officers in excess of \$1,000,000, including cash compensation and both time and performance-based equity awards will likely be non-deductible in future years.

We expect that the Compensation Committee will continue to seek to balance the cost and benefit of tax deductibility with our executive compensation goals designed to promote stockholder interests, retaining discretion to approve compensation that

Table of Contents

is non-deductible when it believes that such payments are appropriate to attract and retain executive talent. As a result, we expect that a significant portion of future cash and equity payments to our executive officers may not be tax deductible under Section 162(m).

No Tax Reimbursement of Parachute Payments and Deferred Compensation

We did not provide any executive officer, including any NEO, with a gross-up or other reimbursement payment for any tax liability that he or she might owe as a result of the application of Sections 280G, 4999, or 409A of the Code during fiscal 2018 and we have not agreed and are not otherwise obligated to provide any NEO with such a gross-up or other reimbursement.

Accounting Treatment

We account for stock compensation in accordance with the authoritative guidance set forth in ASC Topic 718, which requires companies to measure and recognize the compensation expense for all share-based awards made to employees and directors, including stock options, RSU awards and shares acquired through our Employee Stock Purchase Plan (ESPP), over the period during which the award recipient is required to perform services in exchange for the award (for executive officers, generally the four-year or five-year vesting period of the award). We estimate the fair value of stock options and shares acquired through our ESPP using the Black-Scholes option pricing model. This calculation is performed for accounting purposes and reported in the compensation tables below.

- (1) For all NEOs, reported amounts reflect payment of bonuses pursuant to the executive bonus program.
- (2) The amounts reported for fiscal 2018 and fiscal 2016 are computed in accordance with ASC Topic 718 based on the closing price of our Class A common stock on the date of grant. These amounts do not reflect the actual economic value that may ultimately be realized by the NEOs.
- (3) The amounts reported for fiscal 2017 consist of RSU awards and performance awards, computed in accordance with the aggregate grant date fair value of the awards assuming they were earned in full and without regards to forfeitures as computed in accordance with ASC Topic 718, which in the case of performance awards, is the same as the maximum potential value of these awards. Based on failure to meet one of the fiscal 2017 performance goals, the performance awards were cancelled effective March 28, 2017 and therefore no economic value was ultimately realized by the NEOs from these awards.

401(k) Plan

We maintain a tax-qualified 401(k) retirement plan for all employees who satisfy certain eligibility requirements, including requirements relating to age and length of service. Under our 401(k) plan, employees may elect to defer up to 75% of their eligible compensation subject to applicable annual limits set pursuant to the Code. We intend for the 401(k) plan to qualify, depending on the employee's election, under Code Section 401 so that contributions by employees to the 401(k) plan, and income earned on those contributions, are not taxable to employees until withdrawn from the 401(k) plan, or under Code Section 402A so that contributions by employees to the 401(k) plan are taxable as income, but qualifying withdrawals and income earned on those contributions are not taxable to employees. Beginning in the third quarter of fiscal 2017, we initiated a company match for all eligible employees. We currently match 50% of the first 6% of eligible compensation contributed by the employee.

Pension Benefits

We do not offer any defined benefit pension plans.

Nonqualified Deferred Compensation

We do not offer any nonqualified deferred compensation plans.

CEO Pay Ratio Disclosure

As disclosed in the Summary Compensation Table above, the total annual compensation of our CEO for fiscal 2018 was \$9,145,119. The total annual compensation of our median employee for fiscal 2018 was \$178,903. Therefore, our CEO to median employee pay ratio for fiscal 2018 is approximately 51:1.

We believe this ratio is a reasonable estimate, calculated in a manner consistent with SEC rules, based on our payroll and employment records and the methodology described below. Our median employee is a senior engineer who works in our Pleasanton, California offices.

Calculation Methodology

Our compensation philosophy for our general employee population mirrors that of our executive officers, with stock being a large component of compensation for most employees. Our determination of which employee was the median employee, therefore, was based on compensation data for all employees other than the CEO as of November 1, 2017 (the determination date) that included the following elements for the 12-month period preceding the determination date:

base pay, which included all regular wages, overtime, paid time off, pay related to leaves of absences and leave payout, on call premiums, and allowances;

actual cash bonus compensation paid;

Table of Contents

actual commissions paid; and

the grant date fair value of equity awards granted.

Our employee population consisted of 8,327 individuals in the United States and internationally (including our consolidated subsidiaries) who were employed by us on a full-time, part-time, or seasonal basis, including employees on a leave of absence, with the exception of 387 employees from the following jurisdictions, which were excluded under the *de minimus* exception. Contractors and other non-employees were not included in our employee population.

Excluded Jurisdiction	Approximate Number of Employees
Australia	51-75
Austria	<10
Belgium	<10
Czech Republic	<10
Denmark	<10
Finland	<10
Greece	<10

We annualized the base pay for any non-seasonal employees who were hired or terminated during the 12-month period preceding the determination date. For employees paid other than in U.S. dollars, we converted their compensation to U.S. dollars using foreign exchange rates in effect as of October 31, 2017. We did not make any cost-of-living adjustments for employees outside of the United States. We calculated the total compensation of our median employee for purposes of computing the ratio using the same criteria that were used for determining the total annual compensation of our CEO.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN****BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth, as of March 31, 2018, certain information regarding beneficial ownership of our common stock (a) by each person known by us to be the beneficial owner of more than five percent of the outstanding shares of Class A common stock or Class B common stock, (b) by each director and nominee for director, (c) by the NEOs (as defined in Executive Compensation above) and (d) by all of our current executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of Class A common stock or Class B common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 143,851,610 shares of Class A common stock and 69,330,455 shares of Class B common stock outstanding at March 31, 2018. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options held by that person or entity that are currently exercisable or that will become exercisable, and RSUs that will become vested and settleable, within 60 days of March 31, 2018. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Workday, Inc., 6230 Stoneridge Mall Road, Pleasanton, California 94588.

Potential Payments upon Termination or Change in Control

In May 2012, we adopted a change in control policy applicable to our executive officers and certain other employees. Under the policy, if any executive officer is terminated for any reason other than cause, death or disability within 12 months after a change in control or the officer voluntarily resigns for good reason within 12 months following a change in control, such officer would be entitled to receive severance benefits. Upon the occurrence of such an event, we have agreed to pay to such officer an amount equal to (i) his or her then-current annual base salary, and (ii) an estimate of the aggregate monthly benefits premium under COBRA for 12 months. In addition, 50% of the shares underlying all unvested equity awards held by such officer immediately prior to such termination will become vested and exercisable in full.

The following table sets forth quantitative estimates of the benefits that would have accrued to our NEOs pursuant to our change in control policy if their employment had been terminated by us without cause or if they experienced a constructive termination, each within 12 months following a change in control as of January 31, 2018.

Name	Cash Severance	Benefit Continuation	Intrinsic Value of Accelerated Equity Awards		Total
			RSU Awards ⁽¹⁾	Option Awards	
Aneel Bhusri	\$ 65,000	\$	\$ 10,006,979	\$	\$ 10,071,979
James J. Bozzini	250,000	23,411	6,761,496		7,034,907
Mark S. Peek	275,000	13,449	9,338,892		9,627,341
Robynne D. Sisco	300,000	25,741	5,162,284		5,488,025
W. Philip Wilmington	400,000	16,273	12,882,300		13,298,573

- (1) The estimated benefit amount of unvested RSUs were calculated by multiplying 50% of the number of unvested RSUs held by the applicable NEO by the closing price of our Class A common stock on January 31, 2018, the last trading day of our fiscal year, which was \$119.89.

Indemnification Arrangements

Our Certificate of Incorporation contains provisions that limit the liability of our directors for monetary damages to the fullest extent permitted by the Delaware General Corporation Law. Consequently, our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duties as directors, except liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or

any transaction from which the director derived an improper personal benefit.

Our Certificate of Incorporation and our Bylaws require us to indemnify our directors and officers to the maximum extent not prohibited by the Delaware General Corporation Law and allow us to indemnify other employees and agents as set forth in the Delaware General Corporation

Edgar Filing: Workday, Inc. - Form DEF 14A

Law. Subject to certain limitations, our Bylaws also require us to advance expenses incurred by our directors and officers for the defense of any action for which indemnification is required or permitted.

We have entered, and intend to continue to enter, into separate indemnification agreements with our directors, officers and certain of our key employees, in addition to the indemnification provided for in our Bylaws. These agreements, among other things, require us to indemnify our directors, officers and key employees for certain expenses, including attorneys' fees, judgments, penalties, fines and settlement amounts actually and reasonably incurred by such director, officer or key employee in any action or proceeding arising out of their service to us or any of our subsidiaries or any other company or enterprise to which the person provides services at our request. Subject to certain limitations, our indemnification agreements also require us to advance expenses incurred by our directors, officers and key employees for the defense of any action for which indemnification is required or permitted.

Table of Contents

We believe that these charter provisions and indemnification agreements are necessary to attract and retain qualified persons such as directors, officers and key employees. We also maintain directors and officers liability insurance.

The limitation of liability and indemnification provisions in our Certificate of Incorporation and Bylaws may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions.

At present, there is no pending litigation or proceeding involving any of our directors or executive officers as to which indemnification is required or permitted, and we are not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, executive officers or persons controlling us, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Annex A

WORKDAY, INC.

2012 EQUITY INCENTIVE PLAN, AS AMENDED

1. **PURPOSE.** The purpose of this Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of Workday, and any Parents and Subsidiaries that exist now or in the future, by offering them an opportunity to participate in Workday's future performance through the grant of Awards. Capitalized terms not defined elsewhere in the text are defined in Section 27.
2. **SHARES SUBJECT TO THE PLAN.**
 - 2.1 **Number of Shares Available.** Subject to Sections 2.5 and 21 and any other applicable provisions hereof, the total number of Shares reserved and available for grant and issuance pursuant to this Plan as of the date of adoption of the Plan by the Board, is 25,000,000 Shares plus (i) any reserved shares not issued or subject to outstanding grants under Workday's 2005 Stock Plan (the *Prior Plan*) on the Effective Date (as defined below), (ii) shares that are subject to stock options or other awards granted under the Prior Plan that cease to be subject to such stock options or other awards by forfeiture or otherwise after the Effective Date, (iii) shares issued under the Prior Plan before or after the Effective Date pursuant to the exercise of stock options that are, after the Effective Date, forfeited, (iv) shares issued under the Prior Plan that are repurchased by Workday at the original issue price, and (v) shares that are subject to stock options or other awards under the Prior Plan that are used to pay the exercise price of an option or withheld to satisfy the tax withholding obligations related to any award.
 - 2.2 **Lapsed, Returned Awards.** Shares subject to Awards, and Shares issued under the Plan under any Award, will again be available for grant and issuance in connection with subsequent Awards under this Plan to the extent such Shares: (a) are subject to issuance upon exercise of an Option or SAR granted under this Plan but which cease to be subject to the Option or SAR for any reason other than exercise of the Option or SAR; (b) are subject to Awards granted under this Plan that are forfeited or are repurchased by Workday at the original issue price; (c) are subject to Awards granted under this Plan that otherwise terminate without such Shares being issued; or (d) are surrendered pursuant to an Exchange Program. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not result in reducing the number of Shares available for issuance under the Plan. Shares used to pay the exercise price of an Award or withheld to satisfy the tax withholding obligations related to an Award will become available for future grant or sale under the Plan. For the avoidance of doubt, Shares that otherwise become available for grant and issuance because of the provisions of this Section 2.2 will not include Shares subject to Awards that initially became available because of the substitution clause in Section 21.2 hereof.
 - 2.3 **Minimum Share Reserve.** At all times Workday will reserve and keep available a sufficient number of Shares as will be required to satisfy the requirements of all outstanding Awards granted under this Plan.
 - 2.4 **Automatic Share Reserve Increase.** The number of Shares available for grant and issuance under the Plan will be increased on March 31 of each of the ten (10) calendar years during the term of the Plan, by the lesser of (i) five percent (5%) of the number of shares of common stock issued and outstanding on each January 31 immediately prior to the date of increase, or (ii) such number of shares of common stock determined by the Board.
 - 2.5 **Adjustment of Shares.** If the number of outstanding Shares is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification or similar change in the capital structure of Workday, without consideration, then (a) the number of Shares reserved for issuance and future grant under the Plan set forth in Section 2.1, (b) the Exercise Prices of and number of Shares subject to outstanding Options and SARs, (c) the number of Shares subject to other outstanding Awards, (d) the maximum number of shares that may be issued as ISOs set forth in Section 5.8, and (e) the maximum number of Shares that may be issued to an individual or to a new Employee in any one calendar year set forth in Section 3, will be proportionately adjusted, provided that fractions of a Share will not be issued.
3. **ELIGIBILITY.** ISOs may be granted only to U.S. Employees. All other Awards may be granted to Employees, Consultants, Directors and Non-Employee Directors of Workday or any Parent or Subsidiary of Workday; provided that such Consultants, Directors and Non-Employee Directors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. No Participant will be eligible to receive more than two million (2,000,000) Shares in any calendar year under this Plan pursuant to the grant of Awards except that new Employees of Workday or of a Parent or Subsidiary of Workday (including new Employees who are also officers and directors of Workday or any Parent or Subsidiary of Workday) are eligible to receive up to a maximum of four million (4,000,000) Shares in the calendar year in which they commence their employment.

4.3 Section 162(m) of the Code and Section 16 of the Exchange Act. Awards granted to Insiders must be approved by two or more non-employee directors (as defined in the regulations promulgated under Section 16 of the Exchange Act). With respect to Awards granted prior to November 2, 2017, the Committee will include at least two persons who are outside directors (as defined under Section 162(m) of the Code) and at least two (or a majority if more than two then serve on the Committee) such outside directors will timely determine and certify in writing the extent to which any applicable Performance Factors have been timely achieved and the extent to which the Shares subject to such Award have thereby been earned. With respect to Participants whose compensation is subject to Section 162(m) of the Code, and provided that such adjustments are consistent with the regulations promulgated under Section 162(m) of the Code, the Committee may adjust the performance goals to account for changes in law and accounting and to make such adjustments as the Committee deems necessary or appropriate to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships, including without limitation (i) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (ii) an event either not directly related to the operations of Workday or not within the reasonable control of Workday's management, or (iii) a change in accounting standards required by generally accepted accounting principles.

4.4 Documentation. The Award Agreement for a given Award, the Plan and any other documents may be delivered to, and accepted by, a Participant or any other person in any manner (including electronic distribution or posting) that meets applicable legal requirements.

5. OPTIONS. The Committee may grant Options to Participants and will determine whether such Options will be Incentive Stock Options within the meaning of the Code (*ISOs*) or Nonqualified Stock Options (*NQSOs*), the number of Shares subject to the Option, the Exercise Price of the Option, the period during which the Option may vest and be exercised, and all other terms and conditions of the Option, subject to the following:

5.1 Option Grant. Each Option granted under this Plan will identify the Option as an ISO or an NQSO. An Option may be, but need not be, awarded upon satisfaction of such Performance Factors during any Performance Period as are set out in advance in the Participant's individual Award Agreement. If the Option is being earned upon the satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for each Option; and (y) select from among the Performance Factors to be used to measure the performance, if any. Performance Periods may overlap and Participants may participate simultaneously with respect to Options that are subject to different performance goals and other criteria.

5.2 Date of Grant. The date of grant of an Option will be the date on which the Committee makes the determination to grant such Option, or a specified future date. The Award Agreement and a copy of this Plan will be delivered to the Participant within a reasonable time after the granting of the Option.

5.3 Exercise Period. Options may be vested and exercisable within the times or upon the conditions as set forth in the Award Agreement governing such Option; provided, however, that no Option will be exercisable after the expiration of ten (10) years from the date the Option is granted; and provided further that no ISO granted to a person who, at the time the ISO is granted, directly or by attribution owns more than ten percent (10%) of the total combined voting power of all classes of stock of Workday or of any Parent or Subsidiary of Workday (*Ten Percent Stockholder*) will be exercisable after the expiration of five (5) years from the date the ISO is granted. The Committee also may provide for Options to become exercisable at one time or from time to time, periodically or otherwise, in such number of Shares or percentage of Shares as the Committee determines.

5.4 Exercise Price. The Exercise Price of an Option will be determined by the Committee when the Option is granted; provided that: (i) the Exercise Price of an Option will be not less than one hundred percent (100%) of the Fair Market Value of the Shares on the date of grant and (ii) the Exercise Price of any ISO granted to a Ten Percent Stockholder will not be less than one hundred ten percent (110%) of the Fair Market Value of the Shares on the date of grant. Payment for the Shares purchased may be made in accordance with Section 11 and the Award Agreement and in accordance with any procedures established by Workday.

Table of Contents

5.5 **Method of Exercise.** Any Option granted hereunder will be vested and exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Committee and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be deemed exercised when Workday receives: (i) notice of exercise (in such form as the Committee or Workday may specify from time to time) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised (together with applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Committee or Workday and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the appropriate entry on the books of Workday or of a duly authorized transfer agent of Workday), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares, notwithstanding the exercise of the Option. Workday will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 2.5 of the Plan. Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

5.6 **Termination of Participation.** The exercise of an Option will be subject to the following (except as may be otherwise provided in an Award Agreement):

(a) If the Participant is Terminated for any reason except for Cause or the Participant's death or Disability, then the Participant may exercise such Participant's Options only to the extent that such Options would have been exercisable by the Participant on the Termination Date no later than one hundred eighty (180) days after the Termination Date (or such shorter time period or longer time period not exceeding five (5) years as may be determined by the Committee, with any exercise beyond three (3) months after the Termination Date deemed to be the exercise of an NQSO), but in any event no later than the expiration date of the Options.

(b) If the Participant is Terminated because of the Participant's death (or the Participant dies within ninety (90) days after a Termination other than for Cause or because of the Participant's Disability), then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the Termination Date and must be exercised by the Participant's legal representative, or authorized assignee, no later than twelve (12) months after the Termination Date (or such shorter time period not less than six (6) months or longer time period not exceeding five (5) years as may be determined by the Committee), but in any event no later than the expiration date of the Options; provided that the Committee will have the authority, in its sole discretion, to accelerate the vesting of any such Options.

(c) If the Participant is Terminated because of the Participant's Disability, then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the Termination Date and must be exercised by the Participant (or the Participant's legal representative or authorized assignee) no later than six (6) months after the Termination Date (with any exercise beyond (a) three (3) months after the Termination Date when the Termination is for a Disability that is not a permanent and total disability as defined in Section 22(e)(3) of the Code, or (b) twelve (12) months after the Termination Date when the Termination is for a Disability that is a permanent and total disability as defined in Section 22(e)(3) of the Code, deemed to be exercise of an NQSO), but in any event no later than the expiration date of the Options; provided that the Committee will have the authority, in its sole discretion, to accelerate the vesting of any such Options.

(d) If the Participant is terminated for Cause, then Participant's Options will expire on such Participant's Termination Date, or at such later time and on such conditions as are determined by the Committee, but in any no event later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, Cause will have the meaning set forth in the Plan.

5.7 **Limitations on Exercise.** The Committee may specify a minimum number of Shares that may be purchased on any exercise of an Option, provided that such minimum number will not prevent any Participant from exercising the Option for the full number of Shares for which it is then exercisable.

5.8 **Limitations on ISOs.** With respect to Awards granted as ISOs, to the extent that the aggregate Fair Market Value of the Shares with respect to which such ISOs are exercisable for the first time by the Participant during any calendar year (under all plans of Workday and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), such Options will be treated as NQSOs. For purposes of this Section 5.8, ISOs will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted. In the event that the Code or the regulations promulgated thereunder are amended after the Effective Date to provide for a different

Table of Contents

limit on the Fair Market Value of Shares permitted to be subject to ISOs, such different limit will be automatically incorporated herein and will apply to any Options granted after the effective date of such amendment. No more than twenty-five million (25,000,000) Shares will be issued pursuant to the exercise of ISOs.

5.9 **Modification, Extension or Renewal.** The Committee may modify, extend or renew outstanding Options and authorize the grant of new Options in substitution therefor, provided that any such action may not, without the written consent of a Participant, impair any of such Participant's rights under any Option previously granted. Any outstanding ISO that is modified, extended, renewed or otherwise altered will be treated in accordance with Section 424(h) of the Code. Subject to Section 18 of this Plan, by written notice to affected Participants, the Committee may reduce the Exercise Price of outstanding Options without the consent of such Participants; provided, however, that the Exercise Price may not be reduced below the Fair Market Value on the date the action is taken to reduce the Exercise Price.

5.10 **Delegation.** The Committee may, to the extent permitted by applicable law, delegate to one or more executive officers pursuant to a specific delegation the authority to grant Options to Participants other than Insiders, subject to the foregoing provisions of this Section 5 (substituting references to the Committee by the Committee's delegate(s) as the context requires).

5.11 **No Disqualification.** Notwithstanding any other provision in this Plan, no term of this Plan relating to ISOs will be interpreted, amended or altered, nor will any discretion or authority granted under this Plan be exercised, so as to disqualify this Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any ISO under Section 422 of the Code.

6. **RESTRICTED STOCK AWARDS.**

6.1 **Awards of Restricted Stock.** A Restricted Stock Award is an offer by Workday to sell to a Participant Shares that are subject to restrictions (*Restricted Stock*). The Committee will determine to whom an offer will be made, the number of Shares the Participant may purchase, the Purchase Price, the restrictions under which the Shares will be subject and all other terms and conditions of the Restricted Stock Award, subject to the Plan.

6.2 **Restricted Stock Purchase Agreement.** All purchases under a Restricted Stock Award will be evidenced by an Award Agreement. Except as may otherwise be provided in an Award Agreement, a Participant accepts a Restricted Stock Award by signing and delivering to Workday an Award Agreement with full payment of the Purchase Price, within thirty (30) days from the date the Award Agreement was delivered to the Participant. If the Participant does not accept such Award within thirty (30) days, then the offer of such Restricted Stock Award will terminate, unless the Committee determines otherwise.

6.3 **Purchase Price.** The Purchase Price for a Restricted Stock Award will be determined by the Committee and may be less than Fair Market Value on the date the Restricted Stock Award is granted. Payment of the Purchase Price must be made in accordance with Section 11 of the Plan, and the Award Agreement and in accordance with any procedures established by Workday.

6.4 **Terms of Restricted Stock Awards.** Restricted Stock Awards will be subject to such restrictions as the Committee may impose or are required by law. These restrictions may be based on completion of a specified number of years of service with Workday or upon completion of Performance Factors, if any, during any Performance Period as set out in advance in the Participant's Award Agreement. Prior to the grant of a Restricted Stock Award, the Committee will: (a) determine the nature, length and starting date of any Performance Period for the Restricted Stock Award; (b) select from among the Performance Factors to be used to measure performance goals, if any; and (c) determine the number of Shares that may be awarded to the Participant. Performance Periods may overlap and a Participant may participate simultaneously with respect to Restricted Stock Awards that are subject to different Performance Periods and having different performance goals and other criteria.

6.5 **Termination of Participation.** Except as may be set forth in the Participant's Award Agreement, vesting ceases on such Participant's Termination Date (unless determined otherwise by the Committee).

6.6 **Delegation.** The Committee may, to the extent permitted by applicable law, delegate to one or more executive officers pursuant to a specific delegation the authority to grant Restricted Stock Awards to Participants other than Insiders, subject to the foregoing provisions of this Section 6 (substituting references to the Committee by the Committee's delegate(s) as the context requires).

7. STOCK BONUS AWARDS.

7.1 **Awards of Stock Bonuses.** A Stock Bonus Award is an award to an eligible person of Shares for services to be rendered or for past services already rendered to Workday or any Subsidiary. All Stock Bonus Awards will be made pursuant to an Award Agreement. No payment from the Participant will be required for Shares awarded pursuant to a Stock Bonus Award.

7.2 **Terms of Stock Bonus Awards.** The Committee will determine the number of Shares to be awarded to the Participant under a Stock Bonus Award and any restrictions thereon. These restrictions may be based upon completion of a specified number of years of service with Workday or upon satisfaction of performance goals based on Performance Factors during any Performance Period as set out in advance in the Participant's Stock Bonus Agreement. Prior to the grant of any Stock Bonus Award, the Committee will: (a) determine the nature, length and starting date of any Performance Period for the Stock Bonus Award; (b) select from among the Performance Factors to be used to measure performance goals; and (c) determine the number of Shares that may be awarded to the Participant. Performance Periods may overlap and a Participant may participate simultaneously with respect to Stock Bonus Awards that are subject to different Performance Periods and different performance goals and other criteria.

7.3 **Form of Payment to Participant.** Payment may be made in the form of cash, whole Shares, or a combination thereof, based on the Fair Market Value of the Shares earned under a Stock Bonus Award on the date of payment, as determined in the sole discretion of the Committee.

7.4 **Termination of Participation.** Except as may be set forth in the Participant's Award Agreement, vesting ceases on such Participant's Termination Date (unless determined otherwise by the Committee).

7.5 **Delegation.** The Committee may, to the extent permitted by applicable law, delegate to one or more executive officers pursuant to a specific delegation the authority to grant Stock Bonus Awards to Participants other than Insiders, subject to the foregoing provisions of this Section 7 (substituting references to the Committee by the Committee's delegate(s) as the context requires).

8. STOCK APPRECIATION RIGHTS.

8.1 **Awards of SARs.** A Stock Appreciation Right (SAR) is an award to a Participant that may be settled in cash or Shares, having a value equal to (a) the difference between the Fair Market Value on the date of exercise over the Exercise Price multiplied by (b) the number of Shares with respect to which the SAR is being settled (subject to any maximum number of Shares that may be issuable as specified in an Award Agreement). All SARs will be made pursuant to an Award Agreement.

8.2 **Terms of SARs.** The Committee will determine the terms of each SAR including, without limitation: (a) the number of Shares subject to the SAR; (b) the Exercise Price and the time or times during which the SAR may be settled; (c) the consideration to be distributed on settlement of the SAR; and (d) the effect of the Participant's Termination on each SAR. The Exercise Price of the SAR will be determined by the Committee when the SAR is granted, and may not be less than Fair Market Value. A SAR may be awarded upon satisfaction of Performance Factors, if any, during any Performance Period as are set out in advance in the Participant's individual Award Agreement. If the SAR is being earned upon the satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for each SAR; and (y) select from among the Performance Factors to be used to measure the performance, if any. Performance Periods may overlap and Participants may participate simultaneously with respect to SARs that are subject to different Performance Factors and other criteria.

8.3 **Exercise Period and Expiration Date.** A SAR will be exercisable within the times or upon the occurrence of events determined by the Committee and set forth in the Award Agreement governing such SAR. The SAR Agreement will set forth the expiration date; provided that no SAR will be exercisable after the expiration of ten (10) years from the date the SAR is granted. The Committee may also provide for SARs to become exercisable at one time or from time to time, periodically or otherwise (including, without limitation, upon the attainment during a Performance Period of performance goals based on Performance Factors), in such number of Shares or percentage of the Shares subject to the SAR as the Committee determines. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such Participant's Termination Date (unless determined otherwise by the Committee). Notwithstanding the foregoing, the rules of Section 5.6 will apply to SARs.

8.4 **Form of Settlement.** Upon exercise of a SAR, a Participant will be entitled to receive payment from Workday in an amount determined by multiplying (i) the difference between the Fair Market Value of a Share on the date of exercise over the Exercise Price; times (ii) the number of Shares with respect to which the SAR is exercised. At the discretion of the

Table of Contents

Committee, the payment from Workday for the SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof. The portion of a SAR being settled may be paid currently or on a deferred basis with such interest or dividend equivalent, if any, as the Committee determines, provided that the terms of the SAR and any deferral satisfy the requirements of Section 409A of the Code.

8.5 Termination of Participation. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such Participant's Termination Date (unless determined otherwise by the Committee).

8.6 Delegation. The Committee may, to the extent permitted by applicable law, delegate to one or more executive officers pursuant to a specific delegation the authority to grant SARs to Participants other than Insiders, subject to the foregoing provisions of this Section 8 (substituting references to the Committee by the Committee's delegate(s) as the context requires).

9. RESTRICTED STOCK UNITS.

9.1 Awards of Restricted Stock Units. A Restricted Stock Unit (RSU) is an award to a Participant covering a number of Shares that may be settled in cash, or by issuance of those Shares. All RSUs will be made pursuant to an Award Agreement.

9.2 Terms of RSUs. The Committee will determine the terms of an RSU including, without limitation: (a) the number of Shares subject to the RSU; (b) the time or times during which the RSU may be settled; (c) the consideration to be distributed on settlement; and (d) the effect of the Participant's Termination on each RSU. An RSU may be awarded upon satisfaction of such performance goals based on Performance Factors during any Performance Period as are set out in advance in the Participant's Award Agreement. If the RSU is being earned upon satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for the RSU; (y) select from among the Performance Factors to be used to measure the performance, if any; and (z) determine the number of Shares deemed subject to the RSU. Performance Periods may overlap and participants may participate simultaneously with respect to RSUs that are subject to different Performance Periods and different performance goals and other criteria.

9.3 Form and Timing of Settlement. Payment of earned RSUs will be made as soon as practicable after the date(s) determined by the Committee and set forth in the Award Agreement. The Committee, in its sole discretion, may settle earned RSUs in cash, Shares, or a combination of both. The Committee may also permit a Participant to defer payment under a RSU to a date or dates after the RSU is earned provided that the terms of the RSU and any deferral satisfy the requirements of Section 409A of the Code.

9.4 Termination of Participation. Except as may be set forth in the Participant's Award Agreement, vesting ceases on such Participant's Termination Date (unless determined otherwise by the Committee).

9.5 Delegation. The Committee may, to the extent permitted by applicable law, delegate to one or more executive officers pursuant to a specific delegation the authority to grant RSUs to Participants other than Insiders, subject to the foregoing provisions of this Section 9 (substituting references to the Committee by the Committee's delegate(s) as the context requires).

10. PERFORMANCE AWARDS.

10.1 Performance Awards. A Performance Award is an award to a Participant of a cash bonus or a Performance Share bonus. Grants of Performance Awards will be made pursuant to an Award Agreement.

10.2 Terms of Performance Awards. The Committee will determine, and each Award Agreement will set forth, the terms of each award of Performance Award including, without limitation: (a) the amount of any cash bonus; (b) the number of Shares deemed subject to a Performance Share bonus; (c) the Performance Factors and Performance Period that will determine the time and extent to which each Performance Award will be settled; (d) the consideration to be distributed on settlement; and (e) the effect of the Participant's Termination on each Performance Award. In establishing Performance Factors and the Performance Period the Committee will: (x) determine the nature, length and starting date of any Performance Period; and (y) select from among the Performance Factors to be used. Prior to settlement the Committee will determine the extent to which Performance Awards have been earned. Performance Periods may overlap and Participants may participate simultaneously with respect to Performance Awards that are subject to different Performance Periods and different performance goals and other criteria. No Participant will be eligible to receive more than ten million dollars (\$10,000,000) in Performance Awards in any calendar year under this Plan.

Table of Contents

10.3 **Value, Earning and Timing of Performance Shares.** Any Performance Share bonus will have an initial value equal to the Fair Market Value of a Share on the date of grant. After the applicable Performance Period has ended, the holder of a Performance Share bonus will be entitled to receive a payout of the number of Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding Performance Factors or other vesting provisions have been achieved. The Committee, in its sole discretion, may pay an earned Performance Share bonus in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Shares at the close of the applicable Performance Period) or in a combination thereof.

10.4 **Termination of Participation.** Except as may be set forth in the Participant's Award Agreement, vesting ceases on such Participant's Termination Date (unless determined otherwise by the Committee).

10.5 **Delegation.** The Committee may, to the extent permitted by applicable law, delegate to one or more executive officers pursuant to a specific delegation the authority to grant Performance Awards to Participants other than Insiders, subject to the foregoing provisions of this Section 10 (substituting references to the Committee by the Committee's delegate(s) as the context requires).

11. **PAYMENT FOR SHARE PURCHASES.**

Payment from a Participant for Shares purchased pursuant to this Plan may be made in cash or by check or, where expressly approved for the Participant by Workday and where permitted by law (and to the extent not otherwise set forth in the applicable Award Agreement):

- (a) by surrender of shares of Workday held by the Participant that have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Award will be exercised or settled;
- (b) by waiver of compensation due or accrued to the Participant for services rendered or to be rendered to Workday or a Subsidiary of Workday;
- (c) by consideration received by Workday pursuant to a broker-assisted or other form of cashless exercise program implemented by Workday in connection with the Plan;
- (d) by cancellation of indebtedness of Workday to the Participant;
- (e) by any combination of the foregoing; or
- (f) by any other method of payment as is permitted by applicable law.

12. **GRANTS TO NON-EMPLOYEE DIRECTORS.**

12.1 **Types of Awards.** Non-Employee Directors are eligible to receive any type of Award offered under this Plan except ISOs. Awards pursuant to this Section 12 may be automatically made pursuant to policy adopted by the Board, or made from time to time as determined in the discretion of the Board. No Non-Employee Director may receive Awards under the Plan that exceed \$750,000 in value (as described below) in any calendar year, increased to \$1,750,000 in value (as described below) in the calendar year of his or her initial service as a Non-Employee Director; provided that any initial Award granted to a Non-Employee Director in connection with the commencement of his or her services as a Non-Employee Director shall not exceed \$1,000,000 in value (as described below). The value of Awards for purposes of complying with this maximum shall be determined as follows: (a) for Options and SARs, grant date fair value will be calculated using the Black-Scholes valuation methodology on the date of grant of such Option or SAR and (b) for all other Awards other than Options and SARs, grant date fair value will be determined by either (i) calculating the product of the Fair Market Value per Share on the date of grant and the aggregate number of Shares subject to the Award or (ii) calculating the product using an average of the Fair Market Value over a number of trading days and the aggregate number of Shares subject to the Award as determined by the Committee. Awards granted to an individual while he or she was serving in the capacity as an Employee or while he or she was a Consultant but not a Non-Employee Director will not count for purposes of the limitations set forth in this Section 12.1.

12.2 **Eligibility.** Awards pursuant to this Section 12 will be granted only to Non-Employee Directors. A Non-Employee Director who is elected or re-elected as a member of the Board will be eligible to receive an Award under this Section 12.

Table of Contents

12.3 Vesting, Exercisability and Settlement. Except as set forth in Section 21, Awards will vest, become exercisable and be settled as determined by the Board. With respect to Options and SARs, the exercise price granted to Non-Employee Directors will not be less than the Fair Market Value of the Shares at the time that such Option or SAR is granted.

12.4 Election to receive Awards in Lieu of Cash. A Non-Employee Director may elect to receive his or her annual retainer payments and/or meeting fees from Workday in the form of cash or Awards or a combination thereof, as determined by the Board. Such Awards will be issued under the Plan.

13. WITHHOLDING TAXES.

13.1 Withholding Generally. Whenever Shares are to be issued in satisfaction of Awards granted under this Plan, Workday may require the Participant to remit to Workday, or to the Subsidiary employing the Participant, an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax liability legally due from the Participant prior to the delivery of Shares pursuant to exercise or settlement of any Award. Whenever payments in satisfaction of Awards granted under this Plan are to be made in cash, such payment will be net of an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax liability legally due from the Participant.

13.2 Stock Withholding. The Committee or its delegate(s), as permitted by applicable law, in its sole discretion and pursuant to such procedures as it may specify from time to time and to limitations of local law, may require or permit a Participant to satisfy such tax withholding obligation or any other tax liability legally due from the Participant, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have Workday withhold otherwise deliverable cash or Shares having a Fair Market Value sufficient to satisfy the amount required to be withheld, or (iii) delivering to Workday already-owned Shares having a Fair Market Value sufficient to satisfy the amount required to be withheld. The Fair Market Value of the Shares to be withheld or delivered will be determined using rates of up to, but not exceeding, the maximum federal, state, local and/or foreign jurisdiction statutory tax rates in the Participant's jurisdiction(s) on the date that the amount of taxes to be withheld is determined.

14. TRANSFERABILITY.

14.1 Transfer Generally. Unless determined otherwise by the Committee or its delegate(s) or pursuant to this Section 14, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by (i) a will or (ii) by the laws of descent or distribution. If the Committee makes an Award transferable, including, without limitation, by instrument to an inter vivos or testamentary trust in which the Awards are to be passed to beneficiaries upon the death of the trustor (settlor) or by gift or domestic relations order to a Permitted Transferee, such award may contain such additional terms and conditions as the Committee or its delegate(s) deems appropriate. All Awards will be exercisable: (i) during the Participant's lifetime only by (A) the Participant, or (B) the Participant's guardian or legal representative; (ii) after the Participant's death, by the legal representative of the Participant's heirs or legatees; and (iii) in the case of all awards except ISOs, by a Permitted Transferee (for awards made transferable by the Committee) or such person's guardian or legal representative.

14.2 Award Transfer Program. Notwithstanding any contrary provision of the Plan, the Committee will have all discretion and authority to determine and implement the terms and conditions of any Award Transfer Program instituted pursuant to this Section 14.2 and will have the authority to amend the terms of any Award participating, or otherwise eligible to participate in, the Award Transfer Program, including (but not limited to) the authority to (i) amend (including to extend) the expiration date, post-termination exercise period and/or forfeiture conditions of any such Award, (ii) amend or remove any provisions of the Award relating to the Award holder's continued service to Workday or one of its Subsidiaries, (iii) amend the permissible payment methods with respect to the exercise or purchase of any such Award, (iv) amend the adjustments to be implemented in the event of changes in the capitalization and other similar events with respect to such Award, and (v) make such other changes to the terms of such Award as the Committee deems necessary or appropriate in its sole discretion.

15. PRIVILEGES OF STOCK OWNERSHIP; RESTRICTIONS ON SHARES.

15.1 Voting and Dividends. No Participant will have any of the rights of a stockholder with respect to any Awards until the Shares subject to the Award are issued to the Participant, except for any dividend equivalent rights permitted by an applicable Award Agreement. After Shares are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are Restricted Stock, then any new, additional or

Table of Contents

different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of Workday will be subject to the same restrictions as the Restricted Stock; provided, further, that the Participant will have no right to retain such stock dividends or stock distributions with respect to Shares that are repurchased by Workday.

16. **CERTIFICATES.** All Shares or other securities whether or not certificated, delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as Workday may deem necessary or advisable, including restrictions under any applicable U.S. federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted and any non-U.S. exchange controls or securities law restrictions to which the Shares are subject.

17. **ESCROW; PLEDGE OF SHARES.** To enforce any restrictions on a Participant's Shares, Workday may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by Workday, appropriately endorsed in blank, with Workday or an agent designated by Workday to hold in escrow until such restrictions have lapsed or terminated, and Workday may cause a legend or legends referencing such restrictions to be placed on the certificates. Any Participant who is permitted to execute a promissory note as partial or full consideration for the purchase of Shares under this Plan will be required to pledge and deposit with Workday all or part of the Shares so purchased as collateral to secure the payment of the Participant's obligation to Workday under the promissory note; provided, however, that Workday may require or accept other or additional forms of collateral to secure the payment of such obligation and, in any event, Workday will have full recourse against the Participant under the promissory note notwithstanding any pledge of the Participant's Shares or other collateral. In connection with any pledge of the Shares, the Participant will be required to execute and deliver a written pledge agreement in such form as Workday will from time to time approve. The Shares purchased with the promissory note may be released from the pledge on a pro rata basis as the promissory note is paid.

18. **REPRICING; EXCHANGE AND BUYOUT OF AWARDS.** Without prior stockholder approval the Committee may (i) reprice Options or SARs (and where such repricing is a reduction in the Exercise Price of outstanding Options or SARs, the consent of the affected Participants is not required provided written notice is provided to them, notwithstanding any adverse tax consequences to them arising from the repricing), and (ii) with the consent of the respective Participants (unless not required pursuant to Section 5.9 of the Plan), pay cash or issue new Awards in exchange for the surrender and cancellation of any, or all, outstanding Awards.

19. **SECURITIES LAW AND OTHER REGULATORY COMPLIANCE.** An Award will not be effective unless such Award is in compliance with all applicable U.S. and foreign federal and state securities and exchange control laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the date of grant of the Award and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, Workday will have no obligation to issue or deliver certificates for Shares under this Plan prior to: (a) obtaining any approvals from governmental agencies that Workday determines are necessary or advisable; and/or (b) completion of any registration or other qualification of such Shares under any state or federal or foreign law or ruling of any governmental body that Workday determines to be necessary or advisable. Workday will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any foreign or state securities laws, exchange controls, stock exchange or automated quotation system, and Workday will have no liability for any inability or failure to do so.

20. **NO OBLIGATION TO EMPLOY.** Nothing in this Plan or any Award granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, Workday or any Subsidiary of Workday or limit in any way the right of Workday or any Subsidiary of Workday to terminate Participant's employment or other relationship at any time.

21. **CORPORATE TRANSACTIONS.**

21.1 In the event that Workday is a party to a merger or consolidation, all Shares acquired under the Plan and all Awards will be subject to the agreement of merger or consolidation. Such agreement need not treat all Awards in an identical manner, and it will provide for one or more of the following with respect to each Award:

- (a) The continuation of the Award by Workday (if Workday is the surviving corporation).
- (b) The assumption of the Award by the surviving corporation or its parent and, with respect to an Award that is subject to Section 409A of the Code, in a manner that complies with Section 424(a) of the Code (whether or not the Award is an ISO).

Table of Contents

(c) The substitution by the surviving corporation or its parent of a new Award, and with respect an Award that is subject to Section 409A of the Code, in a manner that complies with Section 424(a) of the Code (whether or not the Award is an ISO).

(d) Full exercisability of an Option, full vesting of the Shares subject to an Option and/or full vesting of all other Awards, followed by the cancellation of the Option or Award. The full exercisability of an Option, full vesting of the Shares subject to the Option and/or full vesting of all other Awards may be contingent on the closing of such merger or consolidation. The Participant will be able to exercise an Option during a period of not less than five full business days preceding the effective date of such merger or consolidation, unless (A) a shorter period is required to permit a timely closing of such merger or consolidation and (B) such shorter period still offers the Participant a reasonable opportunity to exercise an Option. Any exercise of an Option during such period may be contingent on the closing of such merger or consolidation.

(e) A payment to the Participant equal to the excess of (A) the Fair Market Value of the Shares subject to the Award as of the effective date of such merger or consolidation over (B) the Exercise Price or Purchase Price of Shares, as the case may be, subject to the Award in connection with the cancellation of the Award. Such payment will be made in the form of cash, cash equivalents, or securities of the surviving corporation or its parent with a Fair Market Value equal to the required amount. The successor corporation may provide substantially similar consideration to Participants as was provided to stockholders (after taking into account the existing provisions of the Awards). Subject to Section 409A of the Code, such payment may be made in installments and may be deferred until the date or dates when the Award would have become exercisable or such Shares would have vested. The amount of such payment initially will be calculated without regard to whether or not the Award is then exercisable or such Shares are then vested. However, such payment may be subject to vesting based on the Participant's continuing service as an Employee, Consultant or Director. In addition, any escrow, holdback, earnout or similar provisions in the agreement of merger or consolidation may apply to such payment to the same extent and in the same manner as such provisions apply to the holders of Shares. If the Exercise Price of the Shares subject to an Option exceeds the Fair Market Value of such Shares, then the Option may be cancelled without making a payment to the Participant. For purposes of this subsection, the Fair Market Value of any security will be determined without regard to any vesting conditions that may apply to such security.

21.2 Assumption of Awards by Workday. Workday, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either: (a) granting an Award under this Plan in substitution of such other company's award; or (b) assuming such award as if it had been granted under this Plan if the terms of such assumed award could be applied to an Award granted under this Plan. Such substitution or assumption will be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under this Plan if the other company had applied the rules of this Plan to such grant. In the event Workday assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the Purchase Price or the Exercise Price, as the case may be, and the number and nature of Shares issuable upon exercise or settlement of any such Award will be adjusted appropriately pursuant to Section 424(a) of the Code). In the event Workday elects to grant a new Option in substitution rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price. Substitute Awards will not reduce the number of Shares authorized for grant under the Plan or authorized for grant to a Participant in any calendar year.

21.3 Non-Employee Directors Awards. Notwithstanding any provision to the contrary herein, in the event of a Corporate Transaction, the vesting of all Awards granted to Non-Employee Directors will accelerate and such Awards will become exercisable (as applicable) in full prior to the consummation of such event at such times and on such conditions as the Committee determines.

22. ADOPTION AND STOCKHOLDER APPROVAL. This Plan was approved by Workday's stockholders on September 17, 2012 which, consistent with applicable laws, was within twelve (12) months before or after the date this Plan was adopted by the Board.

23. TERM OF PLAN/GOVERNING LAW. Unless earlier terminated as provided herein, this Plan will become effective on the Effective Date and will terminate ten (10) years from the date this Plan is adopted by the Board. This Plan and all Awards granted hereunder will be governed by and construed in accordance with the laws of the State of Delaware without regard to its conflict of laws rules.

24. AMENDMENT OR TERMINATION OF PLAN. The Board may at any time terminate or amend this Plan in any respect, including, without limitation, amendment of any form of Award Agreement or instrument to be executed pursuant to this Plan; provided, however, that the Board will not, without the approval of the stockholders of Workday, amend this Plan in any manner that requires such stockholder approval; provided further, that a Participant's Award will be governed by the version of this Plan then in effect at the time such Award was granted.

25. **NONEXCLUSIVITY OF THE PLAN.** Neither the adoption of this Plan by the Board, the submission of this Plan to the stockholders of Workday for approval, nor any provision of this Plan will be construed as creating any limitations on the power of the Board to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of stock awards and bonuses otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

26. **INSIDER TRADING POLICY.** Each Participant who receives an Award will comply with any policy adopted by Workday from time to time covering transactions in Workday's securities by Employees, officers and/or directors of Workday and its Subsidiaries or Parent.
