PROXY STATEMENT
FOR
2018 ANNUAL MEETING OF STOCKHOLDERS

The Board of Directors (the “Board”) of IZEA Worldwide, Inc. (“the Company,” “IZEA,” “we,” “us,” or “our”), having its principal executive offices at 480 N. Orlando Avenue, Suite 200, Winter Park, Florida 32789, is providing these proxy materials to you in connection with IZEA’s 2018 annual meeting of stockholders (the “Annual Meeting”). The Annual Meeting will be held on Tuesday, December 18, 2018 at 4:30 p.m., local time, at our offices located at 480 N. Orlando Avenue, Suite 200, Winter Park, Florida 32789. This proxy statement and the accompanying notice and form of proxy are being made available to stockholders on or about November 1, 2018. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Q: Why did I receive a notice as to the Internet availability of proxy materials instead of a full set of materials?

Pursuant to rules adopted by the SEC, we have elected to provide access to our proxy materials over the Internet.

A: We have sent a Notice of Internet Availability of Proxy Materials, together with a proxy card, to our stockholders of record as of October 23, 2018. Instructions on how to access proxy materials over the Internet or to request a printed copy may be found in the Notice of Internet Availability. In addition, you may request to receive future proxy materials in printed form by mail or electronically. Your election to receive future proxy materials by mail or electronically will remain in effect until you terminate such election.

Q: How can I access the proxy materials over the Internet?

A: You may view and also download our proxy materials for the annual meeting, including the Notice of Internet Availability, the Proxy Statement, the form of proxy card and our 2017 Annual Report to Stockholders, on our website at www.izea.com as well as at www.proxyvote.com.

Q: How do I attend the Annual Meeting?

The meeting will be held on Tuesday, December 18, 2018 at 4:30 p.m., local time, at our offices located at 480 N.

A: Orlando Avenue, Suite 200, Winter Park, Florida 32789. Directions to the meeting location may be obtained by contacting our Corporate Secretary at 407-985-2935.

Q: Who can vote at the Annual Meeting?

A: All stockholders of record as of the close of business on October 23, 2018 (the “Record Date”) are entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote. As of the Record Date, there were 12,073,031 shares of common stock outstanding and entitled to vote at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name

If on the Record Date your shares were registered directly in your name on the books and records of our transfer agent, Island Stock Transfer, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card, or vote by proxy over the telephone or on the Internet as instructed below, to ensure your vote is counted. Each stockholder may be asked to present valid picture identification such as a driver’s license or passport and proof of stock ownership as of the Record Date.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on the Record Date your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or similar organization, then you are considered the beneficial owner of shares held in “street name” and are not a

Table of Contents

stockholder of record. For shares held in street name, the bank, broker or similar organization is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you will not be able to vote your shares in person at the meeting unless you request and obtain a valid proxy from the stockholder of record authorizing you to vote your shares.

Q: What items will be voted on at the Annual Meeting?

A: There are five proposals scheduled to be voted on at the Annual Meeting:

Proposal 1. Election of Directors. The election of the nominees to the Board nominated by our Board of Directors.

• Proposal 2: Approval of the Amended and Restated 2014 Employee Stock Purchase Plan. The approval of an amendment and restatement of IZEA's 2014 Employee Stock Purchase Plan.

• Proposal 3: Approval of the Amended and Restated 2011 Equity Incentive Plan. The approval of an amendment and restatement of IZEA's 2011 Equity Incentive Plan.

• Proposal 4: Non-Binding, Advisory Approval of Executive Compensation ("Say-On-Pay"). The approval, on a non-binding advisory basis, of a proposal regarding the compensation paid to IZEA's named executive officers.

• Proposal 5: Approval of the Issuance of Common Stock in Connection with the TapInfluence Acquisition. The approval of the issuance of our common stock in connection with our acquisition of TapInfluence, Inc. ("TapInfluence") pursuant to that certain Agreement and Plan of Merger, dated as of July 11, 2018, by and among IZEA, IZEA Merger Sub, Inc., TapInfluence, certain stockholders of TapInfluence and the stockholders' representative, as amended July 20, 2018 (the "TapInfluence Acquisition"), in accordance with the Marketplace Rules of the NASDAQ Stock Market, LLC ("NASDAQ").

• Proposal 6: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of the Audit Committee's appointment of BDO USA, LLP as IZEA's independent registered public accounting firm for the fiscal year ending December 31, 2018.

Q: What are the Board's voting recommendations?

A: The Board recommends that you vote your shares:

FOR the nominees to the Board;

FOR the approval of the Amended and Restated 2014 Employee Stock Purchase Plan;

FOR the approval of the Amended and Restated 2011 Equity Incentive Plan;

FOR the approval, on a non-binding advisory basis, of the compensation paid to our named executive officers;

FOR the approval of the issuance of common stock in connection with the TapInfluence Acquisition;

FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm.

Q: What if another matter is properly brought before the meeting?

The Board does not anticipate that any other matters will be presented for consideration at the Annual Meeting. If A: any other matters are properly raised at the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

Q: How do I vote?

A: With respect to the election of directors, you may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. With respect to the approval of the amendment and restatement of IZEA's 2014 Employee Stock Purchase Plan, the approval, on a non-binding advisory basis, of the compensation

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from the stockholder of record authorizing you to vote your shares. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank, to request a proxy form. We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. Please be aware, however, that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Q: How many votes do I have?

A: On each matter, you have one vote for each share of common stock you own as of the Record Date; however, we will disregard any votes cast “for” Proposal 5 in respect to shares of common stock issued at the closing of the TapInfluence Acquisition (see Proposal 5).

Q: Who is soliciting proxies and who is paying for this proxy solicitation?

A: We are making, and will bear all expenses incurred in connection with, the solicitation of proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. Although we do not currently contemplate doing so, we may engage a proxy solicitation firm to assist us in soliciting proxies, and if we do so we will pay the fees of any such firm.

We request persons such as brokers, nominees and fiduciaries holding stock in their names for others, or holding stock for others who have the right to give voting instructions, to forward proxy materials to their principals and to request authority for the execution of the proxy. We will reimburse such persons for their reasonable expenses.

Q: What does it mean if I receive more than one Notice of Internet Availability?

A: If you receive more than one Notice of Internet Availability, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each of the proxy cards in the proxy materials to ensure that all of your shares are voted.

Q: Can I change or revoke my vote after submitting my proxy?

A: Yes. You can change or revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may change or revoke your proxy in any one of the following ways:

• You may submit another properly completed proxy card with a later date.

• You may grant a subsequent proxy by telephone or through the Internet.

• You may send a timely written revocation of your proxy to our Corporate Secretary at IZEA Worldwide, Inc. at our principal executive offices at 480 N. Orlando Avenue, Suite 200, Winter Park, Florida 32789.

• You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or Internet proxy is the one that is counted. If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

Q: What if I do not specify a choice for a matter when returning a proxy?

A: Your proxy will be treated as follows:

Stockholders of record. If you are a stockholder of record and you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board on all matters presented in this proxy statement and as the proxy holders may determine in their discretion for any other matters properly presented for a vote at the meeting.

Beneficial owners of shares held in “street name.” If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is referred to as a “broker non-vote.”

Q: Which ballot measures are considered “routine” or “non-routine”?

The election of directors (Proposal 1), the approval of the amendment and restatement of IZEA's 2014 Employee Stock Purchase Plan (Proposal 2), the approval of the amendment and restatement of IZEA's 2011 Equity Incentive Plan (Proposal 3), the approval, on an advisory basis, of the compensation of our named executive officers (Proposal 4) and the approval of the issuance of common stock in connection with the TapInfluence Acquisition in accordance with the Marketplace Rules of NASDAQ (Proposal 5), are considered to be non-routine matters under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, so unless the beneficial owner gives the broker or nominee specific instructions regarding the owner's vote on each proposal, there may be broker non-votes on Proposals 1, 2, 3, 4 and 5.

The ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 6) is considered to be a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and we do not expect there to be any broker non-votes with respect to Proposal 6.

Q: How many votes are needed to approve the proposals?

A: The following votes are needed to approve each proposal:

For Proposal 1, which relates to the election of directors, the seven nominees receiving a plurality of the affirmative (“FOR”) votes cast will be elected (meaning that the seven director nominees who receive the highest number of shares voted “for” their election are elected).

Table of Contents

Proposal 2, which relates to the approval of the amendment and restatement of IZEA's 2014 Employee Stock Purchase Plan, requires the affirmative ("FOR") vote of a majority of the votes cast on the matter (meaning the number of shares voted "for" this proposal must exceed the number of shares voted "against" this proposal).

Proposal 3, which relates to the approval of the amendment and restatement of IZEA's 2011 Equity Incentive Plan, requires the affirmative ("FOR") vote of a majority of the votes cast on the matter (meaning the number of shares voted "for" this proposal must exceed the number of shares voted "against" this proposal).

Proposal 4, which relates to the approval, on a non-binding, advisory basis, of the compensation paid to our named executive officers, requires the affirmative ("FOR") vote of a majority of the votes cast on the matter (meaning the number of shares voted "for" this proposal must exceed the number of shares voted "against" this proposal).

Proposal 5, which relates to the approval of the issuance of our common stock in connection with the TapInfluence Acquisition in accordance with the Marketplace Rules of NASDAQ, requires the affirmative ("FOR") vote of a majority of the votes cast on the matter (meaning the number of shares voted "for" this proposal must exceed the number of shares voted "against" this proposal), excluding any votes cast "for" Proposal 5 in respect to common stock issued at the closing of the TapInfluence Acquisition.

Proposal 6, which relates to the ratification of our Audit Committee's appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018, requires the affirmative ("FOR") vote of a majority of the votes cast on the matter (meaning the number of shares voted "for" this proposal must exceed the number of shares voted "against" this proposal).

Abstentions and broker non-votes, if any, will not be counted in determining the number of votes cast in connection with any matter presented at the Annual Meeting and will have no impact on any proposal.

Q: What is the quorum requirement for the Annual Meeting?

A: A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares of common stock as of the Record Date are present at the Annual Meeting in person or represented by proxy. On the Record Date, there were 12,073,031 shares outstanding and entitled to vote. Thus, the holders of 6,036,516 shares must be present in person or represented by proxy at the annual meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

Q: How can I find out the results of the voting at the Annual Meeting?

A: Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Form 8-K within four business days following the Annual Meeting.

PROPOSALS TO BE SUBMITTED FOR VOTING

Proposal 1: Election of Directors

Upon the recommendation of the Nominations and Corporate Governance Committee of our Board, on October 9, 2018, the Board expanded the Board from seven to eight positions and nominated eight directors, including the current seven members, for election at the 2018 Annual Meeting to hold office until the next annual meeting of stockholders or until his or her successor is duly elected and qualified. Except where authority to vote for directors has been withheld, it is intended that the proxies received pursuant to this solicitation will be voted “FOR” the nominees named below. Our Board of Directors knows of no reason why any nominee would be unable or unwilling to serve, but if such should be the case, proxies will be voted in favor of the remainder of those named and may be voted for substitute nominees in place of those who do not stand. The election of directors will be determined by a plurality of the affirmative (“FOR”) votes cast.

The following table sets forth the nominees to be elected at the 2018 Annual Meeting, the year such director was first elected as a director, and the positions currently held by each director with the Company:

Proposal 2: Approval of the Amended and Restated 2014 Employee Stock Purchase Plan.

We ask our shareholders to approve the amendment and restatement of the IZEA Worldwide, Inc. 2014 Employee Stock Purchase Plan (the “Plan”). On October 5, 2018, on the recommendation of the Compensation Committee, the Board unanimously approved the amendment and restatement of the Plan, subject to approval of the shareholders of the Company. The Plan is a broad-based plan that provides an opportunity for eligible employees of the Company and its designated subsidiaries and affiliates to purchase shares of the Company’s common stock (referred to herein as “shares”) through periodic payroll deductions at a discount from the then-current market price. The Plan does not provide for discretionary grants.

Under the Plan as currently in effect, up to 75,000 shares have been available for purchase since the Plan’s original adoption in 2014 (after giving effect to the 1-for-20 reverse stock split that was effective in January 2016), but that pool of shares is nearly exhausted. If approved by shareholders, an additional 425,000 shares will be made available for purchase under the Plan. The amendment and restatement of the Plan does not otherwise materially change the terms of the Plan, although certain provisions have been revised for clarity and consistency with current law and to reflect current Plan administrative practices.

Vote Required

Approval of the Plan by the shareholders will enable the Company to offer an updated and current market-competitive broad-based stock purchase plan to employees. The Board believes that the Plan is in the best interest of the Company and its shareholders because it will provide an important tool to attract, retain and reward the talented employees and officers needed for our success both within and outside the United States. In addition, in encouraging share ownership by employees, the Plan will align the interests of employees and shareholders.

The approval of the amended and restated Plan requires the affirmative (“FOR”) vote of a majority of the total votes cast on the proposal at the Annual Meeting, either in person or by proxy. Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the outcome of the proposal. Shareholders are requested in this Proposal 2 to approve the amended and restated Plan in substantially the form attached hereto as Appendix A. If shareholders do not approve this Proposal 2, then the amendment and restatement of the Plan will not become effective and the current Plan will continue in effect but will likely not have a sufficient number of shares to continue offering purchase rights to eligible employees after June 2019.

Recommendation of the Board

THE BOARD OF DIRECTORS OF THE COMPANY UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDED AND RESTATED 2014 EMPLOYEE STOCK PURCHASE PLAN.

Summary of Material Provisions of the Plan

The principal features of the amended and restated Plan are summarized below, but the summary is qualified in its entirety by reference to the full text of the Plan. A copy of the amended and restated Plan is attached to this Proxy Statement as Appendix A, and is incorporated herein by reference. For purposes of this Proposal 2, “Committee” means the Compensation Committee of our Board or such other committee appointed by the Board or Committee to administer the Plan, and “Administrator” means the Committee or, subject to applicable law, one or more of the Company’s officers or management team appointed by the Board or Committee to administer the day-to-day operations of the Plan.

Purpose of the Plan

The purpose of the Plan is to provide an opportunity for eligible employees of the Company and any parent, subsidiary or affiliate of the Company that has been designated by the Committee (each, a “Designated Company”) to

purchase shares of the Company at a discount through voluntary contributions from such employees' eligible pay, thereby attracting, retaining and rewarding such persons and strengthening the mutuality of interest between such employees and the Company's shareholders.

The rights granted under the Plan are intended to be treated as either (i) purchase rights granted under an "employee stock purchase plan," as that term is defined in Section 423 of the Internal Revenue Code (the "Code") (i.e., rights granted under a "423 Offering"), or (ii) purchase rights granted under an employee stock purchase plan that is not subject to the

Table of Contents

requirements of Section 423 of the Code (i.e., rights granted under a “Non-423 Offering”). The Committee has discretion to grant purchase rights under either a 423 Offering or a Non-423 Offering.

Shares Subject to Plan and Adjustments upon Changes in Capitalization

A total of 75,000 of the Company’s shares were initially authorized and reserved for issuance under the Plan (after giving effect to the 1-for-20 reverse stock split that was effective in January 2016). The Board has authorized and reserved for issuance an additional 425,000 shares for issuance under the amended and restated Plan, if approved by the shareholders.

In the event of any dividend or other distribution (whether in the form of cash, shares of common stock, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of common stock or other securities of the Company, or other change in the Company’s structure affecting the common stock occurs, then the Committee, in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, will, in such manner as it may deem equitable, adjust the number and class of shares of common stock of the Company that may be delivered under the Plan (including the numerical limits), the purchase price per share and the number of shares of common stock of the Company covered by each purchase right under the Plan that has not yet been exercised. The amended and restated Plan also addresses the treatment of offering periods and purchase rights in the event the Company is dissolved and liquidated or in case of certain “Corporate Transactions” (as defined in the Plan).

Administration

The Plan will be administered by the Committee. The Committee will have, among other authority, the authority to interpret, reconcile any inconsistency in, correct any default in and apply the terms of the Plan, to determine eligibility and adjudicate disputed claims under the Plan, to determine the terms and conditions of purchase rights under the Plan, and to make any other determination and take any other action desirable for the administration of the Plan. For purchase rights granted under a 423 Offering, the Committee is authorized to adopt such rules and regulations for administering the Plan as it may deem necessary to comply with the requirements of Section 423 of the Code. To the extent not prohibited by applicable laws, the Committee may delegate its authority to a subcommittee, the Administrator or other persons or groups of persons, including assisting with the day-to-day administration of the Plan.

Non-U.S. Sub-Plans

The Committee will also have the authority to adopt such sub-plans as are necessary or appropriate to permit the participation in the Plan by employees who are foreign nationals or employed outside the United States. Such sub-plans may vary the terms of the Plan, other than with respect to the number of shares reserved for issuance under the Plan, to accommodate the requirements of local laws, customs and procedures for non-U.S. jurisdictions.

Eligibility

Generally, any individual in an employee-employer relationship with the Company or a Designated Company for income tax and employment tax withholding and reporting purposes is eligible to participate in the Plan and may participate by submitting an enrollment form or appropriate online form to the Company under procedures specified by the Administrator. As of July 1, 2018 (the start of the most recent offering period), approximately 103 employees, including 2 executive officers, were eligible to participate in the Plan.

However, the Committee, in its discretion may determine on a uniform basis for an offering that employees will not be eligible to participate if they: (i) have not completed at least two years of service since their last hire date (or such lesser period determined by the Committee), (ii) customarily work not more than 20 hours per week (or such lesser number of hours determined by the Committee), (iii) customarily work not more than five months per calendar year (or such lesser number of months determined by the Committee), (iv) are highly compensated employees within the meaning of Section 414(q) of the Code, or (v) are highly compensated employees within the meaning of Section 414(q) of the Code with compensation above a certain level or who are officers subject to the disclosure requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended. As of the effective date of the amended and restated Plan and unless and until the Committee determines otherwise, each employee who has been employed for 90 or more days before the start of an offering period and not otherwise excluded under clauses (ii) and (iii) above will be an eligible employee for the offering period.

No employee is eligible for the grant of any purchase rights under the Plan if, immediately after such grant, the employee would own shares possessing 5% or more of the total combined voting power or value of all classes of shares of the

Table of Contents

Company or of any subsidiary or parent of the Company (including any shares which such employee may purchase under all outstanding purchase rights), nor will any employee be granted purchase rights to buy more than \$25,000 worth of shares (determined based on the fair market value of the shares on the date the purchase rights are granted) under the Plan in any calendar year such purchase rights are outstanding.

Eligible employees who are citizens or resident of a jurisdiction outside the United States may be excluded from participation in the Plan if their participation is prohibited under local laws or if complying with local laws would cause a 423 Offering to fail to qualify under Section 423 of the Code. In the case of a Non-423 Offering, eligible employees may be excluded from participation in the Plan or an offering if the Administrator has determined that participation of such eligible employees is not advisable or practicable for any reason.

Offering Periods

The Plan will be implemented by consecutive offering periods with a new offering period commencing on the first day of the relevant offering period and terminating on the last day of the relevant offering period. Unless otherwise determined by the Committee, offering periods will run from January 1st through June 30th and from July 1st through December 31st. The Committee may change the duration of offering periods (including the commencement dates) if the change is announced at least five days before the scheduled beginning of the first offering period to be affected, provided that for a 423 Offering, the offering period will not exceed twenty-seven months.

Payroll Deductions

Except as otherwise provided by the Committee, up to a maximum of 10% of a participant's eligible "compensation" (as defined in the Plan) may be contributed by payroll deductions or other payments that the Committee may permit a participant to make toward the purchase of shares during each offering period. A participant may elect to increase or decrease the rate of such contributions during any subsequent enrollment period by following electronic or other procedures prescribed by the Administrator. Any such new rate of contribution will become effective on the first day of the first offering period following the completion such form. A participant may change his or her rate of contributions at any time during an offering period by filing a new payroll deduction authorization in accordance with electronic or other procedures prescribed by the Committee.

Purchase Price

Unless otherwise determined by the Committee prior to the commencement of an offering period and subject to adjustment in the event of certain changes in our capitalization, the purchase price per share at which shares are sold in an offering period under the Plan will be equal to the lesser of 85% of the fair market value of the shares (i) on the first day of the offering period, or (ii) on the purchase date (i.e., the last day of the offering period). For this purpose, "fair market value" generally means the closing price of the shares of the Company's common stock on the applicable date (or the most recently preceding trading day if the applicable date is not a trading day). The Committee has authority to establish a different purchase price for any 423 Offering or Non-423 Offering, including a percentage of fair market value determined only as of the purchase date. In no event, though, will the percentage of fair market value be less than 85%. As of October 30, 2018, the closing price of a share of the Company's common stock on the Nasdaq Capital Market was \$1.60.

Purchase of Shares

Each purchase right will be automatically exercised on the applicable purchase date, and shares will be purchased on behalf of each participant by applying the participant's contributions for the applicable offering period to the purchase of whole shares at the purchase price in effect for that purchase date.

The maximum number of shares purchasable per participant during any single offering period may not exceed 2,000 shares (or such other limit as may be imposed by the Committee), subject to adjustment in the event of certain changes in our capitalization.

Any participant contributions not applied to the purchase of shares on any purchase date because they were insufficient to purchase a whole share will be distributed to the participant or carried over to the next offering period, based on the participant's election. However, any amounts not applied to the purchase of shares during an offering period for any other reason will be refunded following the purchase date and will not be carried forward to any subsequent offering period.

Table of Contents

Transferability

Purchase rights granted under the Plan are not transferable by a participant other than by will or by the laws of descent and distribution, and are exercisable during the participant's lifetime only by the participant.

Withdrawals

Under procedures established by the Committee, a participant may withdraw from the Plan during an offering period no more than 31 days after the entry date. If a Participant withdraws from the Plan during an offering period, his or her accumulated contributions will be refunded without interest (unless required by local law). The Committee may establish rules limiting the frequency with which participants may withdraw and re-enroll in the Plan and may impose a waiting period on participants wishing to re-enroll following withdrawal.

Termination of Employment

If a participant ceases to be an eligible employee prior to a purchase date, contributions for the participant will be discontinued and any amounts credited to the participant's account will be refunded, without interest, as soon as practicable, except as otherwise provided by the Administrator. The Committee may also establish rules regarding when leaves of absence or changes of employment status will be considered to be a termination of employment, including rules regarding transfer of employment among the Company and its affiliates.

Amendment and Termination of Plan

The amended and restated Plan becomes effective upon approval by the shareholders of the Company.

The Board or the Committee may amend the Plan at any time, provided that if shareholder approval is required pursuant to the Code, securities laws or regulations, or the rules or regulations of the securities exchange on which the Company's shares are listed or traded, then no such amendment will be effective unless approved by the Company's shareholders within such time period as may be required. The Board may suspend the Plan or discontinue the Plan at any time, including shortening an offering period in connection with a spin-off or similar corporate event. Upon termination of the Plan, all contributions will cease, all amounts credited to a participant's account will be equitably applied to the purchase of whole shares then available for sale, and any remaining amounts will be promptly refunded, without interest, to the participants.

U.S. Federal Income Tax Information

The following summary briefly describes the general U.S. federal income tax consequences of purchase rights under the Plan for participants who are tax resident in the United States, current as of October 8, 2018, but is not a detailed or complete description of all U.S. federal tax laws or regulations that may apply, and does not address any local, state or other country laws. Therefore, no one should rely on this summary for individual tax compliance, planning or decisions. Participants in the Plan should consult their own professional tax advisors regarding the taxation of purchase rights under the Plan. The discussion below concerning tax deductions that may become available to us under U.S. federal tax law is not intended to imply that we will necessarily obtain a tax benefit or asset from those deductions. Taxation of equity-based payments in countries other than the United States does not generally correspond to U.S. federal tax laws, and is not covered by the summary below.

423 Offerings

Rights to purchase shares granted under a 423 Offering are intended to qualify for favorable federal income tax treatment available to purchase rights granted under an employee stock purchase plan which qualifies under the provisions of Section 423(b) of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the Plan are sold or otherwise disposed of. If the shares are disposed of within two years from the purchase right grant date (i.e., the beginning of the offering period) or within one year from the purchase date of the shares, a transaction referred to as a “disqualifying disposition,” the participant will realize ordinary income in the year of such disposition equal to the difference between the fair market value of the shares on the purchase date and the purchase price. The amount of such ordinary income will be added to the participant’s basis in the shares, and any additional gain or resulting loss recognized on the disposition of the shares after such basis adjustment will be a capital gain or loss. A capital gain or loss will be long-term if the participant holds the shares for more than one year after the purchase date.

Table of Contents

If the shares purchased under the Plan are sold (or otherwise disposed of) more than two years after the purchase right grant date and more than one year after the shares are transferred to the participant, then the lesser of (i) the excess of the sale price of the shares at the time of disposition over the purchase price, and (ii) the excess of the fair market value of the shares as of the purchase right grant date over the purchase price (determined as of the first day of the offering period) will be treated as ordinary income. If the sale price is less than the purchase price, no ordinary income will be reported. The amount of any such ordinary income will be added to the participant's basis in the shares, and any additional gain or resulting loss recognized on the disposition of the shares after such basis adjustment will be long-term capital gain or loss.

The Company (or applicable Designated Company) generally will be entitled to a deduction in the year of a disqualifying disposition equal to the amount of ordinary income realized by the participant as a result of such disposition, subject to the satisfaction of any tax reporting obligations and applicable limitations under the Code. In other cases, no deduction is allowed.

Non-423 Offerings

If the purchase right is granted under a Non-423 Offering, then the amount equal to the difference between the fair market value of the shares on the purchase date and the purchase price will be treated as ordinary income at the time of such purchase. In such instances, the amount of such ordinary income will be added to the participant's basis in the shares, and any additional gain or resulting loss recognized on the disposition of the shares after such basis adjustment will be a capital gain or loss. A capital gain or loss will be long-term if the participant holds the shares for more than one year after the purchase date.

The Company (or applicable Designated Company) generally will be entitled to a deduction in the year of purchase equal to the amount of ordinary income realized by the participant as a result of such disposition, subject to the satisfaction of any tax-reporting obligations and applicable limitations under the Code. For U.S. participants, FICA/FUTA taxes will generally be due in relation to ordinary income earned as a result of participation in a Non-423 Offering.

New Plan Benefits

The benefits to be received pursuant to the amended and restated Plan by the Company's officers and employees are not currently determinable as they will depend on the purchase price of our shares in offering periods after the implementation of the Plan, the market value of our common stock on various future dates, the amount of contributions that eligible officers and employees elect to make under the amended and restated Plan and similar factors. The following table sets forth (1) the number of shares of the Company's common stock that were purchased under the Plan during 2017, and (2) the aggregate purchase price paid, for the individuals and groups identified below.

Proposal 3: Approval of the Amendment and Restatement of IZEA's 2011 Equity Incentive Plan.

On October 9, 2018, upon the recommendation of the Compensation Committee, the Board unanimously approved the amendment and restatement of IZEA's 2011 Equity Incentive Plan (the "2011 Plan"), subject to approval of the shareholders of the Company. The Board is seeking stockholder approval of the amendment and restatement of the 2011 Plan to:

- increase the number of shares of common stock that are authorized and reserved for issuance under the 2011 Plan by 1,000,000 shares, from 1,500,000 to 2,500,000 shares (subject to adjustment for stock splits, stock dividends and similar events);
- add restricted stock units ("RSUs") as a permitted type of award;
- eliminate certain individual award limits on stock options for future awards, as a result of changes to Internal Revenue Code Section 162(m) made by the Tax Cuts and Jobs Act;
- extend the term of the plan to ten years after the date of stockholder approval (i.e., to December 18, 2028, if the amendment and restatement of the plan is approved; and
- make certain additional changes to meet current needs.

We refer to the amended and restated 2011 Plan in this proposal as the "Amended Plan."

As of October 30, 2018, we had 255,886 shares of common stock available for future grants under the 2011 Plan. The Board believes that an adequate reserve of shares available for issuance under the 2011 Plan is necessary to enable IZEA to attract, motivate, and retain key employees and consultants through the use of competitive incentives that are tied to stockholder value as it implement its future growth plans. The Board believes the additional shares requested as part of the Amended Plan, based on historic and expected future grant practices, can be expected to last approximately three to five years.

Summary of the Amended Plan

The principal features of the Amended Plan are summarized below. The following summary of the Amended Plan does not purport to be a complete description of all of the provisions of the Amended Plan. It is qualified in its entirety by reference to the complete text of the Amended Plan, which is attached to this proxy statement as Annex B. Except as noted below, the terms of the Amended Plan are substantially similar to the terms of the 2011 Plan as amended and restated in 2017 approved by our stockholders at the 2017 annual meeting of stockholders.

Number of Authorized Shares and Share Counting. Under the 2011 Plan as originally adopted and amended and restated in 2017, stockholders authorized awards on up to 1,500,000 shares of our common stock. If the Amended Plan is approved by our stockholders, an additional 1,000,000 shares will be added to this share pool. Shares issues under the Amended Plan may consist of unissued shares, treasury shares or other shares reacquired by us.

Should an award expire or be canceled prior to its exercise or vesting in full or should the number of shares of stock to be delivered upon the exercise or vesting of an award be reduced for any reason (including in case of shares of stock withheld from an award to cover the purchase price of an option or any required tax withholding obligation), the shares of stock under the award that expire, are canceled or otherwise not delivered may be subject to future awards under the Amended Plan. Also, RSUs that are settled in cash will not count against this share pool.

Administration. The Amended Plan will be administered by the Compensation Committee of the Board (the "Committee"). Subject to the provisions of the Amended Plan, the Committee has full and final authority, in its discretion, to make awards under the Amended Plan, and to determine the individuals to whom each award is made and the number of shares covered thereby. The Committee also has the power to interpret the Amended Plan and to prescribe such rules, regulations and procedures in connection with the operations of the Amended Plan as it deems necessary and advisable in its administration of the Amended Plan.

Eligibility. Awards may be granted under the Amended Plan to officers, employees, consultants and advisors of IZEA and its affiliates and to non-employee directors of IZEA. Incentive stock options may be granted only to employees of IZEA or its subsidiaries. As of October 30, 2018, approximately 130 individuals were eligible to receive awards under the Amended Plan, including three executive officers and five non-employee directors.

Types of Awards. The Amended Plan permits the granting of any or all of the following types of awards:

Table of Contents

Stock Options. Stock options entitle the holder to purchase a specified number of shares of common stock at a specified price (the exercise price), subject to the terms and conditions of the stock option grant. The Committee may grant either incentive stock options, which must comply with Section 422 of the Internal Revenue Code, or nonqualified stock options. The Committee sets exercise prices and terms, except that stock options must be granted with an exercise price not less than 100% of the fair market value of the common stock on the date of grant. Unless the Committee determines otherwise, fair market value means, as of a given date, the closing price of the common stock. At the time of grant, the Committee determines the terms and conditions of stock options, including the quantity, exercise price, vesting periods, term (which cannot exceed ten years) and other conditions on exercise. The Amended Plan specifies certain default vesting provisions that will apply in the absence of a different determination by the Committee.

Restricted Stock. The Committee may grant awards of restricted stock, which are shares of common stock subject to specified restrictions. These awards may be made subject to repurchase, forfeiture or vesting restrictions at the Committee's discretion. The restrictions may be based on continuous service with IZEA or the attainment of specified performance goals, as determined by the Committee.

RSUs. The Committee may grant awards of RSUs, which are bookkeeping entries representing the equivalent number of shares of stock, and are settled either (i) by the delivery of one share of stock for each vested and payable RSU or (ii) in cash in an amount equal to the fair market value of one share of stock for each vested and payable RSU, all as specified in the applicable award agreement. These awards may be made subject to forfeiture or vesting restrictions at the Committee's discretion. The restrictions may be based on continuous service with IZEA or the attainment of specified performance goals, as determined by the Committee. Grantees do not have voting or dividend rights under RSUs, unless and until shares of stock are delivered in settlement of the award. RSUs may include, however, dividend equivalent rights.

Unless the Committee, in its discretion, otherwise determines, no award granted under the Amended Plan is transferable other than by will or by the laws of descent and distribution, and a stock option may be exercised during a participant's lifetime only by the participant.

Individual Award Limit for Options. The 2011 Plan as amended and restated in 2017 included an individual award limit on options. Under the 2011 Plan as amended and restated in 2017, no participant may be granted an option or options in any calendar year with respect to more than an aggregate of 375,000 shares of stock. This limit was added in order to permit stock options to qualify as "performance-based compensation" under Internal Revenue Code Section 162(m) as then in effect. The Tax Cuts and Jobs Act, however, amended Section 162(m) to eliminate the "performance-based compensation" exception effective January 1, 2018, and as a result, individual award limits are no longer required for grants. The Amended Plan therefore eliminates this award limit for any options granted after the Amended Plan becomes effective.

Repricing Prohibited. The Amended Plan continues to prohibit repricing of options without further shareholder approval. For purposes of the Amended Plan, repricing means an amendment to reduce the exercise price of outstanding options or a cancellation of an out-of-the-money option in exchange for the grant of new options, or for an award of restricted stock, RSUs or cash.

Adjustments. If certain changes in the common stock occur by reason of any merger, reorganization, consolidation, recapitalization, stock dividend, or other change in corporate structure affecting the Stock, (i) the number and kind of securities for which options and restricted stock awards may be made under the Amended Plan, (ii) the number and kind of securities subject to any outstanding awards, (iii) the exercise price for outstanding options, and (iv) the individual award limit for options, shall be equitably adjusted by the Committee.

Change in Control. Upon the occurrence of a "change in control" (as defined in the Amended Plan), the Committee may in its discretion determine to accelerate the vesting of any outstanding awards, and with respect to outstanding options, may determine to cancel such options in exchange for a payment equal to the excess (if any) of the fair market value of the stock immediately before the change in control over the exercise price.

Term, Termination and Amendment of the 2011 Plan. Unless earlier terminated by the Board, the Amended Plan will terminate, and no further awards may be granted, ten years after the date on which this proposal is approved by stockholders. The Board may amend, suspend or terminate the Amended Plan at any time, except that, in certain cases, stockholder approval will be required for the amendment. The amendment, suspension or termination of the Amended Plan or the amendment of an outstanding award generally may not, without a participant's consent, materially impair the participant's rights under an outstanding award.

Table of Contents

Federal Income Tax Consequences

The following is a brief summary of the U.S. federal income tax consequences of the Amended Plan generally applicable to IZEA and to participants in the Amended Plan who are subject to U.S. federal taxes. The summary is based on the Internal Revenue Code, applicable Treasury Regulations and administrative and judicial interpretations thereof, each as in effect on the date of this proxy statement, and is, therefore, subject to future changes in the law, possibly with retroactive effect. The summary is general in nature and does not purport to be legal or tax advice.

Furthermore, the summary does not address issues relating to any U.S. gift or estate tax consequences or the consequences of any state, local or foreign tax laws.

Nonqualified Stock Options. A participant generally will not recognize taxable income upon the grant or vesting of a nonqualified stock option with an exercise price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a nonqualified stock option, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the stock option on the date of exercise and the exercise price of the stock option. When a participant sells the shares, the participant will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the participant received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the exercise price of the stock option.

Incentive Stock Options. A participant generally will not recognize taxable income upon the grant of an incentive stock option. If a participant exercises an incentive stock option during employment or within three months after employment ends (12 months in the case of permanent and total disability), the participant will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes (although the participant generally will have taxable income for alternative minimum tax purposes at that time as if the stock option were a nonqualified stock option). If a participant sells or otherwise disposes of the shares acquired upon exercise of an incentive stock option after the later of (a) one year from the date the participant exercised the option and (b) two years from the grant date of the stock option, the participant generally will recognize long-term capital gain or loss equal to the difference between the amount the participant received in the disposition and the exercise price of the stock option. If a participant sells or otherwise disposes of shares acquired upon exercise of an incentive stock option before these holding period requirements are satisfied, the disposition will constitute a “disqualifying disposition,” and the participant generally will recognize taxable ordinary income in the year of disposition equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of the stock option (or, if less, the excess of the amount realized on the disposition of the shares over the exercise price of the stock option). The balance of the participant’s gain on a disqualifying disposition, if any, will be taxed as short-term or long-term capital gain, as the case may be.

With respect to both nonqualified stock options and incentive stock options, special rules apply if a participant uses shares of common stock already held by the participant to pay the exercise price or if the shares received upon exercise of the stock option are subject to a substantial risk of forfeiture by the participant.

Restricted Stock and RSU Awards. A participant generally will not have taxable income upon the grant of restricted stock or RSUs. Instead, the participant will recognize ordinary income at the time of vesting or payout equal to the fair market value (on the vesting or payout date) of the shares or cash received minus any amount paid. For restricted stock only, a participant may instead elect to be taxed at the time of grant in accordance with Section 83(b) of the Internal Revenue Code.

Tax Consequences to IZEA. In the foregoing cases, we generally will be entitled to a deduction at the same time, and in the same amount, as a participant recognizes ordinary income, subject to certain limitations imposed under the Internal Revenue Code such as Section 162(m).

Tax Withholding. We are authorized to deduct or withhold from any award granted or payment due under the Amended Plan, or require a participant to remit to us, the amount of any withholding taxes due in respect of the award or payment and to take such other action as may be necessary to satisfy all obligations for the payment of applicable withholding taxes. We are not required to issue any shares of common stock or otherwise settle an award under the Amended Plan until all tax withholding obligations are satisfied.

New Plan Benefits

The exact types and amounts of any future awards to be made to any eligible participants pursuant to the Amended Plan are not presently determinable. As a result of the discretionary nature of the Amended Plan, it is not possible to state who the participants in the Amended Plan will be in the future or the number of options or other awards to be received by a person or group.

Proposal 4: Non-binding Advisory Approval of Executive Compensation

This Proposal 4 enables our stockholders to cast a non-binding, advisory vote to approve the compensation of our named executive officers as disclosed in this proxy statement.

The Board is committed to excellence in governance and is aware of the significant interest in executive compensation matters by investors and the general public.

Our executive compensation program is designed to attract, motivate, reward and retain the senior management talent required to achieve our corporate objectives and increase stockholder value. We believe that our compensation programs are centered on pay-for-performance principles and are strongly aligned with the long-term interests of our stockholders. Please read the "Executive Compensation" section beginning on page 30 for additional details about our executive compensation programs, including information about the compensation of our named executive officers. We are providing our stockholders with the opportunity to express their views on our named executive officers' compensation by casting their vote on this Proposal 4. This non-binding, advisory vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

Accordingly, we are asking stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the stockholders approve the compensation paid to IZEA's named executive officers, as described in the executive compensation tables and accompanying narrative discussion in the Proxy Statement."

Although the vote on this Proposal 4 regarding the compensation of our named executive officers is not binding on our Board, we value the opinions of our stockholders and will consider the result of the vote when determining future executive compensation arrangements.

Vote Required

The approval, on an advisory basis, of the foregoing resolution regarding the compensation of our named executive officers requires the affirmative ("FOR") vote of a majority of the total votes cast on the proposal at the Annual Meeting, either in person or by proxy. Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the outcome of this proposal.

Recommendation of the Board

Proposal 5: Approval of the Issuance of Common Stock in connection with the TapInfluence Acquisition in accordance with the Marketplace Rules of NASDAQ

Summary

The purpose of this Proposal 5 is to obtain the stockholder approval to the extent it is required under NASDAQ Marketplace Rule 5635(a)(1) (“NASDAQ Rule 5635(a)(1)”) to permit the Company to issue common stock in connection with its acquisition of TapInfluence in an amount equal to 20% or more of the Company’s common stock outstanding before the issuance of common stock in connection with the TapInfluence Acquisition. Under Delaware law, our stockholders do not have any “dissenters’ rights” or rights to an appraisal of the value of their shares in connection with the TapInfluence Acquisition or this Proposal.

Background

TapInfluence Acquisition

On July 26, 2018, the Company completed its merger with TapInfluence, Inc. (“TapInfluence”) pursuant to the terms of the Agreement and Plan of Merger, dated as of July 11, 2018, by and among IZEA, IZEA Merger Sub, Inc., TapInfluence, certain stockholders of TapInfluence and the stockholders’ representative, as amended by Amendment No. 1 thereto, dated as of July 20, 2018 (the “TapInfluence Merger Agreement”). At closing, the Company paid to TapInfluence stockholders the sum of \$1,500,000 (less a working capital adjustment of approximately \$180,000) in cash, and issued 1,150,000 shares of the Company's common stock valued at \$1,759,500 based on the closing market price of the Company's common stock on the closing date. The Company has agreed to pay former TapInfluence stockholders and certain advisors on the transaction an additional \$4,500,000 in the form of cash, common stock or a combination thereof, at IZEA’s option, in two installments -- \$1,000,000 six months after the closing date of the merger (the “Six-Month Post-Closing Payment”) and \$3,500,000 twelve months after the closing date of the merger (the “Twelve-Month Post-Closing Payment”). Stock issuances, if any, will be determined based on the 30 trading day volume-weighted average price per share of the Company's common stock as reported by NASDAQ (the “30-day VWAP”) prior to the payment date. Future cash payments and stock issuances may be withheld from the Six-Month Post-Closing Payment or Twelve-Month Post-Closing Payment for post-closing working capital adjustments and to satisfy indemnifiable claims made by the Company with respect to any misrepresentations or breaches of warranty under the TapInfluence Merger Agreement by TapInfluence or the former stockholders of TapInfluence within twelve months after the closing date of the merger.

Pursuant to the TapInfluence Merger Agreement, on January 26, 2019, the Company must pay the Six-Month Post-Closing Payment of \$1,000,000 and, on July 26, 2019, the Company must pay the Twelve-Month Post-Closing Payment of \$3,500,000. Assuming a price per share of \$1.53, such price being the price per share issued at the closing of the TapInfluence Acquisition, and that payments are made entirely in common stock, the Company would issue 653,595 shares in respect of the Six-Month Post-Closing Payment and 2,287,582 shares in respect of the Twelve-Month Post-Closing Payment. The actual amounts of shares to be issued in respect of these payments are uncertain, however, as they are dependent on the 30-day VWAP prior to the payment date and the Company’s decision what portion of such payments to make in common stock as opposed to cash.

Reasons for Stockholder Approval

Our common stock is listed on the NASDAQ, and as such, we are subject to the Marketplace Rules of NASDAQ. NASDAQ Rule 5635(a)(1) requires stockholder approval prior to the issuance of securities not involving a public offering for cash, in connection with an acquisition of the stock or assets of another company, including the issuance of securities convertible into or exercisable for common stock, where (a) the common stock has or will have upon

issuance voting power equal to or in excess of 20% of the voting power outstanding before the issuance of the stock or securities convertible or exercisable for common stock or (b) the number of shares of common stock to be issued is or will be equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the stock or securities.

Immediately prior to entering into the TapInfluence Influence Merger Agreement, 9,416,933 shares of our common stock were outstanding, constituting 100% of the Company's equity voting power at such time. Therefore, pursuant to NASDAQ Rule 5635(a)(1), we must obtain stockholder approval before issuing 1,883,386 or more shares in connection with the TapInfluence Acquisition. Since we issued 1,150,000 shares of common stock at the closing of the TapInfluence Acquisition in July 2018, we must obtain stockholder approval in order to pay any amount of the Six-Month Post-Closing Payment and/or the Twelve-Month Post-Closing Payment with more than an aggregate 733,386 shares of common stock. Otherwise, we will be required to make the balance of such payments in cash. We do not currently have sufficient cash to make the Six-Month Post-

Table of Contents

Closing Payment or the Twelve-Month Post-Closing and may need to seek alternative sources of financing in the event we must make either such payment in cash.

Voting Exclusion Statement

Pursuant to Nasdaq Listing Rule 5635 and IM-5635-2, “Interpretative Material Regarding the Use of Shares Caps to Comply with Rule 5635,” we will disregard any votes cast “for” Proposal 5 in respect to shares of common stock issued at the closing of the TapInfluence Acquisition, given such stockholders’ interest in the Six Month Post-Closing Payment and the Twelve-Month Post-Closing Payment.

Vote Required

The approval to issue shares of common stock in connection with the TapInfluence Acquisition requires the affirmative (“FOR”) vote of a majority of the total votes cast on the proposal at the Annual Meeting, either in person or by proxy, excluding any votes cast “for” Proposal 5 in respect to common stock issued at the closing of the TapInfluence Acquisition. Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the outcome of the proposal.

Recommendation of the Board

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE ISSUANCE OF COMMON STOCK IN CONNECTION WITH THE TAPINFLUENCE ACQUISITION.

Table of Contents**Proposal 6: Ratification of Appointment of Independent Registered Public Accounting Firm**

The Audit Committee of the Board has appointed BDO USA, LLP ("BDO") as our independent registered public accounting firm for the fiscal year ending December 31, 2018. We are presenting this selection to our stockholders for ratification at the annual meeting.

BDO served as our independent registered public accounting firm for the fiscal years ended December 31, 2016 and 2017. A representative of BDO is expected to be present at the Annual Meeting. In addition to having an opportunity to make a statement, the BDO representative will be available to respond to any appropriate questions.

In the event that stockholders fail to ratify the appointment of BDO, the Audit Committee will take such action into account in reconsidering the appointment of BDO for 2018. Even if the appointment is ratified, the ratification is not binding and the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires that all services to be provided by the Company's independent public accounting firm, including auditing services and permitted non-audit services, be pre-approved by the Audit Committee, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which nonetheless the Board endeavors to approve prior to the completion of the audit. The Audit Committee approved all audit and permitted non-audit services provided by BDO during 2016 and 2017.

The following table presents the aggregate fees billed by BDO for audit and non-audit services in 2017 and 2016, including "out-of-pocket" expenses incurred in rendering these services. The nature of the services provided for each category is described following the table:

Fee Category	Twelve Months Ended December 31,

Tax Fees ⁽³⁾	25,623	13,217
All Other Fees ⁽⁴⁾	—	—

CORPORATE GOVERNANCE

Director Independence

The Board has determined that Brian W. Brady, John H. Caron, Lindsay A. Gardner, Jill M. Golder, Daniel R. Rua and Patrick Venetucci are “independent directors” as defined in Nasdaq Listing Rule 5605(a)(2). As provided by the Nasdaq rules, the Board has made a subjective determination as to each independent director that no relationships exists which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors with regard to each director’s business and personal activities as they may relate to us and our management.

Board and Committee Meetings

During the fiscal year ended December 31, 2017:

- the Board held 21 meetings;
- the Audit Committee held four meetings;
- the Compensation Committee held 12 meetings; and
- the Nominations and Corporate Governance Committee did not hold a meeting.

Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board (held during the period for which he or she served as a director), and (ii) the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served on such committees). We have no written policy regarding director attendance at annual meetings of stockholders.

Board Committees

Our Board has three active standing committees to assist it with its responsibilities. Below, we describe the three committees, the charters of which are available on our website at <https://izea.com>. Neither our website nor its contents are incorporated into this Proxy Statement.

Audit Committee. The Audit Committee's duties are to recommend to the Board of Directors the engagement of independent auditors to audit our financial statements and to review our accounting policies and financial statements. The Audit Committee is responsible for reviewing the scope and fees for the annual audit and the results of audit examinations performed by our independent public accountants, including their recommendations to improve the system of accounting and internal controls. The Audit Committee will at all times be composed exclusively of directors who are, in the opinion of the Board, free from any relationship which would interfere with the exercise of independent judgment as a committee member and who possess an understanding of financial statements and generally accepted accounting principles.

The Audit Committee is comprised of three non-employee directors: Jill M. Golder, John H. Caron and Daniel R. Rua. The Board has determined that all members of the Audit Committee are “independent” as that term is currently defined in Rule 5605 of the listing standards of the Nasdaq Stock Market and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. Ms. Golder serves as the audit committee chairman and is designated as the “audit committee financial expert” based on her nearly 30 years of finance, accounting and corporate governance experience. The Audit Committee met telephonically four times at regularly scheduled meetings during the year ended December 31, 2017.

Compensation Committee. The Compensation Committee is tasked with reviewing and approving our compensation policies, including compensation of executive officers. The Compensation Committee is also charged with reviewing and administering our equity incentive compensation plans, and recommending and approving grants of stock options or other awards under that plan.

The Compensation Committee is comprised of three non-employee directors: Lindsay A. Gardner, John H. Caron and Daniel R. Rua. The Board has determined that all members of the Compensation Committee are “independent” as that term is currently defined in Nasdaq Marketplace Rule 4200(a)(15) and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. Mr. Gardner serves as the chairman of the Compensation Committee. The Compensation Committee met as needed as part of the 12 regularly scheduled Board meetings during the year ended December 31, 2017.

Table of Contents

Nominations and Corporate Governance Committee. The purpose of the Nominations and Corporate Governance Committee is to select, or recommend for our entire Board's selection, the individuals to stand for election as directors at the annual meeting of stockholders and to oversee the selection and composition of committees of our Board. The Nominations and Corporate Governance Committee's duties also include considering the adequacy of our corporate governance and overseeing and approving management continuity planning processes. The Nominations and Corporate Governance Committee is comprised of all of our non-employee directors: Brian W. Brady, John H. Caron, Lindsay A. Gardner, Jill M. Golder and Daniel R. Rua. The Nominations and Corporate Governance Committee did not meet independently during the year ended December 31, 2017.

While we do not have a formal diversity policy for Board membership, the Board does seek to ensure that its membership consists of sufficiently diverse backgrounds, meaning a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In considering candidates for the Board, the independent directors consider, among other factors, diversity with respect to viewpoints, skills, experience and other demographics.

Board Leadership Structure

Edward H. (Ted) Murphy has been our Chairman of the Board, President and Chief Executive Officer since 2006 when he founded IZEA. We believe that having one person, particularly Mr. Murphy with his deep industry and executive management experience, his extensive knowledge of the operations of IZEA and his own history of innovation and strategic thinking, serve as both Chairman and Chief Executive Officer is the best leadership structure for IZEA because it demonstrates to employees, customers and stockholders that we are under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations. This unity of leadership promotes strategy development and execution, timely decision-making and effective management of company resources. We believe that we have been well served by this structure.

Five of our seven directors are independent within the meaning of SEC and Nasdaq rules. In addition, all of the directors on each of the Audit Committee, Compensation Committee, and Nominations and Corporate Governance Committee are independent and each of these committees is led by an independent committee chair. The committee chairs set the agendas for their committees and report to the full Board on their work. We do not have a lead independent director, but, as required by Nasdaq, our independent directors meet in executive session without management present as frequently as they deem appropriate, typically at the time of each regular in-person Board meeting. All of the independent directors are highly accomplished and experienced business people in their respective fields, who have demonstrated leadership in significant enterprises and are familiar with board processes. Our independent directors bring experience, oversight and expertise from outside the company and industry, while Messrs. Murphy and Schram bring company-specific experience and expertise.

Board Role in Risk Oversight

While the Board is responsible for overseeing our risk management, the Board has delegated many of these functions to the Audit Committee. Under its charter, the Audit Committee is responsible for discussing with management and the independent auditors our major financial risk exposures, the guidelines and policies by which risk assessment and management is undertaken, and the steps management has taken to monitor and control risk exposure. In addition to the Audit Committee's work in overseeing risk management, the full Board regularly engages in discussions of the most significant risks that we are facing and how those risks are being managed, and the Board receives reports on risk management from our senior officers and from the chair of the Audit Committee. In addition, Mr. Murphy's extensive knowledge of IZEA uniquely qualifies him to lead the Board in assessing risks. The Board believes that the work undertaken by the Audit Committee, the full Board and the Chairman and Chief Executive Officer, enables the Board to effectively oversee our risk management function.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all our directors, officers (including our chief executive officer, chief financial officer and any person performing similar functions) and employees. We have made our Code of Business Conduct and Ethics available on our website at <https://izea.com>. Amendments to the Code of Business Conduct and Ethics or any grant of a waiver from a provision of the Code of Business Conduct and Ethics requiring disclosure under applicable SEC rules will also be disclosed on our website.

Stockholder Recommendations for Board Candidates

The Board will consider qualified candidates for director that are recommended and submitted by stockholders. Submissions that meet the current criteria for board membership are forwarded to the Nominations and Corporate Governance

AUDIT COMMITTEE REPORT

The Audit Committee is comprised of Jill M. Golder, John H. Caron and Daniel R. Rua. None of the members of the Audit Committee is an officer or employee of the Company, and the Board has determined that each member of the Audit Committee meets the independence requirements promulgated by NASDAQ and the SEC, including Rule 10A-3(b)(1) under the Exchange Act.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls and the certification of the integrity and reliability of the Company's internal controls procedures. The Audit Committee meets with IZEA's independent registered public accounting firm, with and without management present, to discuss the results of their audits and reviews, their evaluations of IZEA's internal controls and the overall quality of IZEA's financial reporting. In fulfilling its oversight responsibilities, the Audit Committee has reviewed the Company's audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and has discussed them with both management and BDO, IZEA's independent registered public accounting firm. The Audit Committee has also discussed with BDO the matters required to be discussed by Auditing Standard No. 1301, "Communications with Audit Committees," as adopted by the Public Company Accounting Oversight Board.

The Audit Committee has reviewed permitted services under rules of the SEC as currently in effect and discussed with BDO its independence from management and the Company, including the matters in the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding BDO's communications with the Audit Committee concerning independence. When considering BDO's independence, the Audit Committee considered and discussed, among other matters, whether BDO's provision of non-audit services to IZEA is compatible with maintaining the independence of BDO. All audit and permissible non-audit services in 2017 and 2016 were pre-approved pursuant to these procedures. Based on the Audit Committee's review of the financial statements and the various discussions noted above, the Audit Committee concluded that it would be reasonable to recommend, and on that basis did recommend, to the Board that the audited consolidated financial statements be included in IZEA's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Respectfully submitted by the Audit Committee.

The Audit Committee:

Employment Agreements

The following is a summary of the employment arrangements with our Named Executive Officers.

Edward H. (Ted) Murphy. On December 26, 2014, the Board signed an employment agreement with Edward H. (Ted) Murphy with an initial term commencing on December 1, 2014 and ending on November 30, 2017. However, the number of underlying shares of common stock shall not exceed 40,000 shares. In the event the fair market value of the stock option grant is less than \$150,000 as limited by the 40,000 share cap, Mr. Murphy will be entitled to receive either 50% of the difference in fair market value in cash or 100% of the value in Restricted Stock with the same vesting schedule as the stock options, at the sole discretion of the Board. Additionally, he is eligible for annual bonus distributions up to \$85,000 in cash and \$150,000 in stock options as determined by the Board, based on meeting and exceeding mutually agreed upon annual performance goals. For the year ended December 31, 2016, Mr. Murphy was awarded cash bonuses totaling \$79,842 of which \$15,078 was paid in 2017. For the year ended December 31, 2017, Mr. Murphy was awarded cash bonuses totaling \$71,101 of which \$28,387 was paid in 2018. Additionally, Mr. Murphy's annual stock option award on November 30, 2017 was capped at 40,000 shares with a fair value of \$110,198. Therefore, the Board elected to pay the \$39,802 difference in fair value with a 50% cash bonus of \$19,901.

Table of Contents

In connection with the agreement, Mr. Murphy received an option to purchase 40,000 shares of common stock at an exercise price of \$5.20 per share, expiring on December 26, 2024. The option vested as to 6,000 shares immediately and the remainder vests in equal monthly installments over 41 months commencing December 31, 2014.

Mr. Murphy's employment agreement is subject to early termination for any reason upon written notice to him and in the case of death, disability and cause. If terminated, for any reason other than death, disability or cause, Mr. Murphy will be entitled to a severance of six months of his current salary and twelve months of COBRA payments. In the case of termination due to disability, Mr. Murphy will be entitled to a severance of his current salary until such time (but no more than 120 days after such disability) that disability insurance plan payments commence. If there is a change of control (as defined in the employment agreement) and Mr. Murphy's employment terminates within six months following the change of control for reasons other than for cause, then Mr. Murphy will be entitled to such amount equal to six months of his then current base salary.

LeAnn C. Hitchcock. LeAnn C. Hitchcock resigned as CFO on August 15, 2018. Prior to that time, and pursuant to an employment agreement dated August 25, 2014, Ms. Hitchcock received an annual base salary of \$185,000 and was eligible for bonus distributions as determined by the Board, based on meeting and exceeding mutually agreed upon annual performance goals. Effective December 1, 2015, the Board increased Ms. Hitchcock's salary to an annual base salary of \$200,000 and granted her a stock option to purchase 10,000 shares of common stock at an exercise price of \$8.00 per share, expiring on December 1, 2025. The option vests in equal monthly installments over 48 months commencing December 1, 2015.

Ryan S. Schram. On January 25, 2015, we entered into an amended and restated executive employment agreement, effective January 1, 2015, with Ryan S. Schram to serve as our Chief Operating Officer through December 31, 2017. The agreement auto-renews for successive one-year periods if no termination notice is provided. Per the agreement, Mr. Schram receives an annual base salary of \$240,000 with an annual increase of no less than 2% on April 1st of each year beginning on April 1, 2015. Additionally, on January 1st each year, Mr. Schram receives annual stock options with a fair value of \$25,000 vesting over four years in equal monthly installments. However, the number of underlying shares of common stock shall not exceed 6,667 shares. In the event the fair market value of the stock option grant is less than \$25,000 as limited by the 6,667 share cap, Mr. Schram will be entitled to receive either 50% of the difference in fair market value in cash or 100% of the difference in fair market value in Restricted Stock with the same vesting schedule as the stock options, at the sole discretion of the Board. Mr. Schram will also be eligible for annual bonus distributions up to \$100,000 in cash and \$25,000 in stock options based on meeting certain key performance indicators set forth in his employment agreement, as well as an annual override cash bonus of 0.4% or 0.65% based on our gross revenue. If Mr. Schram is terminated for any reason other than death, disability or cause, or if he resigns for good reason (as those terms are defined in the Amended and Restated Executive Employment Agreement), Mr. Schram will be entitled to severance of six months' current salary and bonus and override bonus as in effect on the date of termination. A change of control, under which Mr. Schram fails to retain his responsibilities, will be deemed to constitute good reason under the Amended and Restated Executive Employment Agreement. For the year ended December 31, 2016, Mr. Schram was awarded cash bonuses totaling \$164,908 of which \$47,475 was paid in 2017. For the year ended December 31, 2017, Mr. Schram was awarded cash bonuses totaling \$223,757 of which \$64,815 was paid in 2018. Additionally, Mr. Schram's annual stock option award on January 1, 2017 was capped at 6,667 shares with a fair value of \$13,490. Therefore, the Board elected to pay the \$11,510 difference in fair value with a 50% cash bonus of \$5,755.

the May 2011 Plan which increased the number of shares of common stock available for issuance under the May 2011 Plan by 500,000 shares. The ESPP will operate in successive six month offering periods commencing at the beginning of each fiscal year half. Each eligible employee who has elected to participate may purchase up to 10% of their annual compensation in common stock not to exceed \$21,250 annually or 1,000 shares per offering period. announced at least five (5) days prior to the scheduled beginning of the first Offering Period to be affected thereafter; provided, however, that for the Code Section 423 Plan, the Offering Period shall not exceed twenty-seven (27) months.

5 PARTICIPATION.

An Eligible Employee who is eligible to participate in the Plan in accordance with Section 3 may become a Participant by completing and submitting, on a date prescribed by the Committee prior to an applicable Entry Date, (i) a completed payroll deduction authorization or, if applicable local law prohibits payroll deductions for the purpose of the Plan, other authorization stating the amount of Contributions to the Plan expressed as an amount or percentage, in either case not to exceed ten percent (10%) of the Eligible Employee's Compensation, and (ii) Plan enrollment form provided by the Corporation, or by following an electronic or other enrollment process as prescribed by the Committee. Where applicable local law prohibits payroll deductions for the purpose of the Plan, the Corporation may permit a Participant to contribute amounts to the Plan through payment by cash, check or other means set forth in the Plan enrollment form prior to each Purchase Date of each Offering Period. All payroll deductions may be held by the Corporation and commingled with its other corporate funds where administratively appropriate, except where applicable local law requires that Contributions to the Plan from Participants be segregated from the general corporate funds and/or deposited with an independent third party. No interest shall be paid or credited to the Participant with respect to such Contributions, unless required by local law. The Corporation shall maintain a separate bookkeeping account for each Participant under the Plan and the amount of each Participant's Contributions shall be credited to such account. A Participant may not make any additional payments into such account.

Under procedures established by the Committee, a Participant may withdraw from the Plan during an Offering Period no more than 31 days after the Entry Date, by completing and filing a new payroll deduction authorization or, if applicable local law prohibits payroll deductions for the purpose of the Plan, other Contribution authorization and Plan enrollment form with the Corporation or by following electronic or other procedures prescribed by the Committee. If a Participant withdraws from the Plan during an Offering Period, his or her accumulated Contributions will be refunded to the Participant without interest (unless required by local law). The Committee may, subject to the requirements applicable to qualified cash or deferred arrangements set forth in the last paragraph of Section 3 hereof, establish rules limiting the frequency with which Participants may withdraw and re-enroll in the Plan and may impose a waiting period on Participants wishing to re-enroll following withdrawal.

A Participant may change his or her rate of Contributions at any time by filing (i) a new payroll deduction authorization or, if applicable local law prohibits payroll deductions for the purpose of the Plan, other authorization stating the amount of Contributions to the Plan expressed as an amount or percentage, in either case not to exceed ten percent (10%) of the Participant's Compensation, and (ii) Plan enrollment form, or by following electronic or other procedures prescribed by the Committee. If a Participant has not followed such procedures to change the rate of Contributions, the rate of Contributions shall continue at the originally elected rate throughout the Offering Period and future Offering Periods. In accordance with Section 423(b)(8) of the Code, the Committee may reduce a Participant's Contributions to zero percent (0%) at any time during an Offering Period.

6 TERMINATION OF EMPLOYMENT.

In the event any Participant terminates employment with the Corporation or any of its Designated Affiliates for any reason (including death) prior to the expiration of an Offering Period, the Participant's participation in the Plan shall terminate and all amounts credited to the Participant's account shall be paid back to the Participant or, in the case of death, to the Participant's heirs or estate, without interest. Whether a termination of employment has occurred shall be determined by the Committee (subject to any post-employment participation period required by law). The Committee may also establish rules regarding when leaves of absence or changes of employment status will be considered to be a termination of employment, including rules regarding transfer of employment among Designated Affiliates, Affiliates and the Corporation, and the Committee may establish termination-of-employment procedures for this Plan that are independent of similar rules established under other benefit plans of the Corporation and its Affiliates.

7 OFFERING.

- Subject to adjustment as set forth in Section 10, the maximum number of shares of Common Stock that may be issued pursuant to the Plan shall be the sum of (A) seventy-five thousand (75,000) shares plus (B) effective as of the Restatement Effective Date, four hundred twenty-five thousand (425,000) shares. If, on a given Purchase Date, the
1. number of shares with respect to which options are to be exercised exceeds the number of shares then available under the Plan, the Corporation shall make a pro rata allocation of the shares remaining available for purchase in as uniform a manner as shall be practicable and as it shall determine to be equitable.
 2. Each Participant who has elected to participate as provided in Section 5.1 shall be granted an option to purchase that number of shares of Common Stock (not to exceed 2,000 shares, subject to adjustment under Section 10 of

A - 3

Table of Contents

the Plan) which may be purchased with the Contributions accumulated on behalf of such Participant during each Offering Period at the Purchase Price specified in Section 7.3 below, subject to the additional limitation that no Participant shall be granted an option to purchase Common Stock under the Plan and all employee stock purchase plans of the Corporation and its Subsidiaries intended to be Code Section 423 plans, at a rate which exceeds U.S. twenty-five thousand dollars (U.S. \$25,000) of the Fair Market Value of such Common Stock (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time. Notwithstanding the foregoing, stock purchased under a Non-423 Plan shall not limit the amount that a Participant may purchase under this Section 7.2. For purposes of the Plan, an option is “granted” on a Participant’s Entry Date. An option will expire upon the earlier to occur of (i) the termination of a Participant’s participation in the Plan; or (ii) the termination of an Offering Period. This Section shall be interpreted so as to comply with Code Section 423(b)(8). To the extent permissible under Code Section 423 and the regulations thereunder, any amounts that remain in the Participant’s Account because of a share limitation shall be carried over to the next Offering Period.

The Purchase Price under each option shall be the lower of (i) 85% (“Designated Percentage”) of the Fair Market Value of a share of Common Stock on the first day of the Offering Period or (ii) the Designated Percentage of the Fair Market Value of a share of Common Stock on the last day of the Offering Period. The Committee may change the Designated Percentage with respect to any future Offering Period, but not below eighty-five percent (85%), and the Committee may determine with respect to any prospective Offering Period that the option price shall be the Designated Percentage of the Fair Market Value of the Common Stock on the Purchase Date.

For purposes of the Code Section 423 Plan only, and unless the Committee otherwise determines, each Designated Affiliate shall be deemed to participate in a separate offering from the Corporation or any other Designated Affiliate, provided that the terms of participation within any such offering are the same for all Participants in such offering, as determined under Code Section 423.

8PURCHASE OF STOCK.

Upon the expiration of each Offering Period, a Participant’s option shall be exercised automatically for the purchase of that number of whole shares of Common Stock which the accumulated Contributions credited to the Participant’s account at that time shall purchase at the applicable Purchase Price. Any amounts that remain in the Participant’s Account shall be refunded to the Participant or carried over to the next Offering Period, at the Participant’s election. Notwithstanding the foregoing, the Corporation or its designee may make such provisions and take such action as it deems necessary or appropriate for the withholding of taxes and/or social insurance contributions which the Corporation or its Designated Affiliate is required or permitted by applicable law or regulation of any governmental authority to withhold. Each Participant, however, shall be responsible for payment of all individual tax and social insurance contribution liabilities arising under the Plan.

9PAYMENT AND DELIVERY.

As soon as practicable after the exercise of an option, the Corporation shall deliver to the Participant a record of the Common Stock purchased and the balance of any amount of Contributions credited to the Participant’s account not used for the purchase, except as specified below. The Committee may permit or require that shares be deposited directly with a broker designated by the Committee or to a designated agent of the Corporation, and the Committee may utilize electronic or automated methods of share transfer. The shares shall be retained with such broker or agent for a thirty (30) day period of time or such longer period of time as may be required by the Committee. The Committee may establish other procedures to permit tracking of disqualifying dispositions of such shares. The Corporation shall retain the amount of payroll deductions used to purchase Common Stock as full payment for the Common Stock and the Common Stock shall then be fully paid and non-assessable. Except as otherwise provided herein, no Participant shall have any voting, dividend, or other Shareholder rights with respect to shares subject to any option granted under the Plan until the shares subject to the option have been purchased and delivered to the Participant as provided in this Section 9.

10ADJUSTMENTS FOR CHANGES IN CAPITALIZATION; DISSOLUTION OR LIQUIDATION; CORPORATE TRANSACTIONS.

1.

In the event that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Corporation, or other change in the Corporation structure affecting the Common Stock occurs, then in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, the Committee shall, in such manner as it deems equitable, adjust the number of shares and class of Common Stock that may be delivered under this Plan, the Purchase Price per share, and the number of shares of Common Stock covered by each outstanding option under this Plan, and the numerical limits of Section 7.

2. Unless otherwise determined by the Committee, in the event of a proposed dissolution or liquidation of the Corporation, any Offering Period then in progress shall be shortened by setting a new Purchase Date and the

A - 4

Offering Period shall end immediately before the proposed dissolution or liquidation. The new Purchase Date shall be before the date of the Corporation's proposed dissolution or liquidation. Before the new Purchase Date, the Committee shall provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option shall be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with Section 5.2.

In the event of a Corporate Transaction, in the sole discretion of the Board, (1) each option shall be assumed or an equivalent option shall be substituted by the successor corporation or parent or subsidiary of such successor corporation, (2) a date established by the Board on or before the date of consummation of such Corporate Transaction shall be treated as a Purchase Date, and all outstanding options shall be exercised on such date, or (3) all outstanding options shall terminate and the accumulated Contributions will be refunded without interest to the Participants.

11 TRANSFERABILITY.

Options granted to Participants may not be voluntarily or involuntarily assigned, transferred, pledged, or otherwise disposed of in any way, and any attempted assignment, transfer, pledge, or other disposition shall be null and void and without effect. If a Participant in any manner attempts to transfer, assign or otherwise encumber his or her rights or interests under the Plan, other than as set forth in Section 22 and as permitted by the Code, such act shall be treated as an election by the Participant to discontinue participation in the Plan pursuant to Section 5.2.

12 AMENDMENT OR TERMINATION OF THE PLAN.

1. The Plan shall continue until the tenth anniversary of the Restatement Effective Date unless otherwise terminated in accordance with Section 12.2.

2. The Board may, in its sole discretion, insofar as permitted by law, terminate or suspend the Plan, or revise or amend it in any respect whatsoever; provided that the Plan may not be amended in any way that would cause the Plan, if such amendment were not approved by the Corporation's shareholders, to fail to comply with (i) the requirements for employee stock purchase plans under Section 423 of the Code (except as may relate to a Non-423 Plan) or (ii) any other requirement of applicable law or regulation, unless and until shareholder approval is obtained.

13 ADMINISTRATION.

The Board shall appoint a Committee consisting of at least two members who will serve for such period of time as the Board may specify and whom the Board may remove at any time. The Committee will have the authority and responsibility for the day-to-day administration of the Plan, the authority and responsibility specifically provided in this Plan and any additional duty, responsibility and authority delegated to the Committee by the Board, which may include any of the functions assigned to the Board in this Plan. The Committee may delegate to one or more individuals the day-to-day administration of the Plan.
