**Item 1.01 Entry into a Material Definitive Agreement**

On February 28, 2006, the Board of Directors of American National Bank and Trust Company (the "Bank"), a wholly-owned subsidiary of American National Bankshares Inc. (the "Corporation"), upon recommendation from the Corporation's Human Resources and Compensation Committee, approved the 2006 Incentive Compensation Program. Substantially all officers, including all executive officers, of the Bank are eligible to participate in the Program.

Under the Program, each participating employee will be eligible for an incentive payment equal to 2% of his or her 2006 base compensation if the Corporation achieves a defined amount of basic earnings per share in 2006, as adjusted for certain income statement items arising from the pending acquisition of Community First Financial Corporation (“Adjusted Basic Earnings Per Share”). With each increase of \$.01 in Adjusted Basic Earnings Per Share (or portion thereof) above the minimum threshold, each participating employee will be eligible for an additional incentive payment of 1% (or pro rata portion thereof) of his or her 2006 base compensation. The calculated incentive amount must then be earned as a percentage of the performance goals met by the employee in 2006. If the employee exceeds the performance goals, an additional incentive payment may be made, not to exceed 25% of the calculated incentive amount.
