Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 8.01. Other Events

On October 1, 2018, Hologic, Inc. (the “Company”) completed the previously announced acquisition of Focal Therapeutics, Inc., a privately-held medical device company, for \$125 million in cash. The transaction adds Focal’s innovative BioZorb marker to the Company’s Breast Health product portfolio. BioZorb is an implantable three-dimensional marker that helps clinicians overcome challenges in breast conserving surgery, or lumpectomy. The marker, placed by the surgeon, is used to mark the tumor excision site for monitoring and future treatments, and its unique open design allows for tissue in-growth during the healing process.
