Item 7.01. Regulation FD Disclosure.

Please see penultimate paragraph under Item 8.01.

Item 8.01. Other Events.

On June 17, 2007, CyberSource Corporation, a Delaware corporation (**CyberSource**), entered into an Agreement and Plan of Reorganization (the **Merger Agreement**) by and among CyberSource, Congress Acquisition-Sub, Inc., a Delaware corporation and wholly owned subsidiary of CyberSource (**Merger Sub Corp.**), Congress Acquisition Sub 1, LLC, a Delaware limited liability company and wholly owned subsidiary of CyberSource (**Merger Sub LLC**), and Authorize.Net Holdings, Inc., a Delaware corporation (**Authorize.Net**). Pursuant to the Merger Agreement, Merger Sub Corp. shall be merged with and into Authorize.Net (the **Company Merger**), which shall be the surviving corporation (the **Company Surviving Corporation**) in the Company Merger, and the separate existence of Merger Sub Corp. shall thereupon cease. Next, the Company Surviving Corporation shall be merged with and into Merger Sub LLC (the **LLC Merger**, together with the Company Merger, the **Mergers**), which shall be the surviving limited liability company in the LLC Merger (the **Surviving LLC**) and the separate existence of Company Surviving Corporation shall thereupon cease.

As a condition to the consummation of the Mergers, CyberSource and Roy Banks entered into an Executive Employment Agreement, dated June 17, 2007 (the **Employment Agreement**), pursuant to which Mr. Banks would serve as the President of Surviving LLC conditioned upon and effective upon the close of the Mergers. Under the terms of the Employment Agreement, Mr. Banks will receive a yearly salary of \$275,000 and will be provided with an option to purchase 395,000 shares of the common stock of CyberSource, which shall vest over a four-year period. Mr. Banks will not be eligible for consideration of additional stock option grants until January 2010. Mr. Banks shall also be eligible for variable compensation in the amount of \$100,000 payable based on the achievement of targets established by CyberSource's Board of Directors. Mr. Banks shall further be eligible for a bonus of \$25,000 payable based on CyberSource's overachievement of overall operating income plan targets as established by CyberSource's Board of Directors.

In addition to the Employment Agreement, and conditioned upon and effective upon the close of the Mergers, CyberSource and Mr. Banks also entered into a Non-Competition and Non-Solicitation Agreement, dated June 17, 2007 (the **Non-Competition Agreement**). The Non-Competition Agreement extends for the term of Mr. Bank's employment with CyberSource and for a period of one (1) year thereafter.

Mr. Banks has served as the President of the Payment Processing Services business unit of Authorize.Net, Authorize.Net Corp., since October 2004. From March 2004 until October 2004, he served as General Manager of Authorize.Net Corp. From June 2000 until March 2004, he served as General Manager of Authorize.Net, then a business unit of InfoSpace, Inc., a provider of online search and directory services. From August 1999 until June 2000, Mr. Banks served as the Vice President of Business Development at Authorize.Net, then a business unit of Go2Net, Inc., an internet infrastructure provider. Mr. Banks is 40 years old.

As an additional condition to the consummation of the Mergers, directors and certain officers of Authorize.Net shall enter into a form of Stock and Option Restriction Agreement (the **Restriction Agreement**) with CyberSource. Under its terms, the directors and officers of Authorize.Net who are a party to the Restriction Agreement may not sell, transfer (whether by gift, operation of law or otherwise), assign, pledge, hypothecate, encumber or otherwise transfer any restricted shares of Authorize.Net common stock or options to purchase common stock of Authorize.Net, or exercise any options to purchase common stock of Authorize.Net, until the earlier of the termination of the Merger Agreement or the effective date of the Mergers. Pursuant to the terms of the Merger Agreement and upon the consummation of the Mergers, such directors and officers shall have their options and restricted shares cancelled in exchange for the right to receive a cash payment. Robert Donahue, Eugene DiDonato, Roy Banks, Timothy O'Brien, Kathleen Harris, John Granara, Rachelle B. Chong, Kevin C. Melia, Gary E. Haroian and Andrew G. Mills are required to execute the Restriction Agreement as a condition to the consummation of the Mergers.

The foregoing description of the Employment Agreement, the Non-Competition Agreement and the Restriction Agreement does not purport to be complete and is qualified in its entirety by reference to the Employment Agreement, the Non-Competition Agreement and the Restriction Agreement, attached as Exhibit 99.1, 99.2 and 99.3 respectively and incorporated herein by reference.

Under the terms of the Merger Agreement, each issued and outstanding share of common stock (excluding the shares of common stock subject to the Restriction Agreements discussed above) of Authorize.Net immediately prior to the effective time of the Mergers shall be converted into the right to receive (i) 1.1611 shares of CyberSource common stock; (ii) a pro rata share of approximately \$125 million in the form of a cash payment (the **Cash Consideration**); and (iii) cash in lieu of fractional shares. Based on the number of shares of Authorize.Net common stock outstanding as of June 15, 2007, each issued and outstanding share of common stock (excluding the shares of restricted common stock) of Authorize.Net would receive approximately \$4.45 per share in Cash Consideration.

The preceding paragraph is the sole paragraph regarding communications related to the Mergers contained in this Form 8-K.
