### **Item 1.01 Entry into a Material Definitive Agreement**

On September 24, 2015, Goodrich Petroleum Corporation (the Company) entered into an exchange agreement (the Exchange Agreement) with Franklin Advisers, Inc., as investment manager on behalf of certain funds and accounts (Franklin), under which it will retire, effective October 1, 2015, \$76.5 million in aggregate original principal amount of its outstanding 8.875% Senior Notes due 2019 (the Existing Notes) in exchange for 38,250 units (the Units), each consisting of \$1,000 aggregate principal amount of the Company's 8.875% Second Lien Senior Secured Notes due 2018 (the New Notes) and one warrant (the Warrants) to purchase approximately 156.9 shares of the Company's common stock, par value \$0.20 per share (the Unit Exchange).

Under the terms of the Exchange Agreement, within 90 days of a written request by Franklin, the Company will file a registration statement with the Securities and Exchange Commission (SEC) relating to the registration of the New Notes, Warrants and/or the shares of the Company's common stock underlying the Warrants under the Securities Act of 1933, as amended (the Securities Act). The Company will use its commercially reasonable efforts to cause such registration statement to be declared effective by the SEC as soon as practicable, and in any case within one year of the date of Franklin's written request.

Further, on September 24, 2015, the Company entered into separate, privately negotiated exchange agreements with certain note holders under which it will retire, effective October 1, 2015, approximately \$81.7 million in aggregate original principal amount of the Existing Notes in exchange for its issuance of New Notes in an aggregate original principal amount of approximately \$36.8 million (the Note Exchange and, together with the Unit Exchange, the Exchange Transactions).

The New Notes are the Company's senior secured obligations and rank equally in right of payment with all of the Company's other existing and future senior indebtedness. The New Notes are effectively subordinated to all of the Company's first lien secured indebtedness to the extent of the value of the assets collateralizing such indebtedness. The New Notes are guaranteed by the Company's subsidiary, Goodrich Petroleum Company, L.L.C.

Following the Exchange Transactions, there will be a total of approximately \$116.8 million aggregate original principal amount of Existing Notes remaining outstanding and approximately \$75.0 million in aggregate original principal amount of New Notes outstanding. The Exchange Transactions are expected to close on October 1, 2015, subject to customary closing conditions.

### **Item 3.02 Unregistered Sales of Equity Securities**

The information set forth above under Item 1.01 in this Current Report is hereby incorporated by reference into this Item 3.02. The Warrants and the shares of common stock issuable upon exercise of the Warrants were issued in reliance on an exemption from registration under Section 4(a)(2) of the Securities Act.

On September 25, 2015, the Company issued a press release announcing the Exchange Transactions. A copy of this press release is furnished herewith as Exhibit 99.1 and incorporated herein by reference.
