**Item 1.01 Entry into a Material Definitive Agreement.**

On September 28, 2017, Art's-Way Manufacturing Co., Inc. (the "Company") entered into credit facility (the "Credit Facility") with Bank Midwest, consisting of a \$5,000,000 revolving line of credit (the "Line of Credit"), a \$2,600,000 term loan due October 1, 2037 ("Term Loan A") and a \$600,000 term loan due October 1, 2019 ("Term Loan B").

The maturity date of the Line of Credit is March 1, 2018. Any unpaid principal amount borrowed on the Line of Credit accrues interest at a floating rate per annum equal to 1.000% above the Wall Street Journal rate published from time to time in the money rates section of the Wall Street Journal. The interest rate floor is set at 4.250% per annum and the current interest rate is 5.250% per annum. The Line of Credit is payable upon demand by Bank Midwest, and monthly interest-only payments are required. If no earlier demand is made, the unpaid principal and accrued interest is due on the maturity date. The Line of Credit is governed by the terms of a Promissory Note, dated September 28, 2017, entered into between the Company and Bank Midwest (the "LOC Note").

Term Loan A accrues interest at a rate of 5.000% for the first sixty months. Thereafter, Term Loan A will accrue interest at a floating rate per annum equal to 0.750% above the Wall Street Journal rate published from time to time in the money rates section of the Wall Street Journal. The interest rate floor is set at 4.150% per annum and the interest rate may only be adjusted by Bank Midwest once every five years. Term Loan A is payable upon demand by Bank Midwest, and monthly payments of principal and interest are required. Term Loan A is governed by the terms of a Promissory Note, dated September 28, 2017, entered into between the Company and Bank Midwest ("Note A").

Term Loan B accrues interest at a rate of 5.000%. Term Loan B is payable upon demand by Bank Midwest and monthly payments of principal and interest are required. Term Loan B is governed by the terms of a Promissory Note, dated September 28, 2017, entered into between the Company and Bank Midwest ("Note B").

In connection with the Line of Credit, the Company, Art's-Way Scientific Inc. and Ohio Metal Working Products/Art's-Way Inc. each entered into a Commercial Security Agreement with Bank Midwest, dated September 28, 2017 (the "Security Agreements"), pursuant to which each granted to Bank Midwest a first priority security interest in certain inventory, equipment, accounts, chattel paper, instruments, letters of credit and other assets to secure the obligations of the Company under the Line of Credit. Each of Art's-Way Scientific Inc. and Ohio Metal Working Products/Art's-Way Inc. also agreed to guarantee the obligations of the Company pursuant to the Line of Credit, as set forth in Commercial Guaranties, each dated September 28, 2017 (the "Commercial Guaranties").

To further secure the Line of Credit, the Company has granted Bank Midwest a mortgage on its West Union, Iowa property, pursuant to a Mortgage, dated September 28, 2017 (the "West Union Mortgage") and has entered into an Assignment of Rents for the same, pursuant to an Assignment of Rents, dated September 28, 2017 (the "West Union Assignment of Rents"), and Ohio Metal Working Products/Art's-Way Inc. has granted Bank Midwest a mortgage on its

property located in Canton, Ohio, pursuant to an Open-End Mortgage, dated September 28, 2017 (the "Ohio Mortgage") and has entered into an Assignment of Rents for the same property, pursuant to an Assignment of Rents, dated September 28, 2017 (the "Ohio Assignment of Rents").

---

To secure Term Loan A, the Company has granted Bank Midwest a mortgage on its Armstrong, Iowa and Monona, Iowa properties, pursuant to a Mortgage, dated September 28, 2017 (the "Iowa Mortgage") and has entered into an Assignment of Rents for the same, pursuant to an Assignment of Rents, dated September 28, 2017 (the "Iowa Assignment of Rents"). To secure Term Loan B, the Company has granted Bank Midwest a mortgage on its Dubuque, Iowa property, pursuant to a Mortgage, dated September 28, 2017 (the "Dubuque Mortgage") and has entered into an Assignment of Rents for the same, pursuant to an Assignment of Rents, dated September 28, 2017 (the "Dubuque Assignment of Rents").

If the Company or its subsidiaries (as guarantors pursuant to the Commercial Guaranties) commits an event of default with respect to the LOC Note, Note A or Note B (collectively, the "Notes") and fails or is unable to cure that default, Bank Midwest may immediately terminate its obligation, if any, to make additional loans to the Company and may accelerate the Company's obligations under the Notes. Bank Midwest shall also have all other rights and remedies for default provided by the Uniform Commercial Code, as well as any other applicable law and the various loan agreements. In addition, in an event of default, Bank Midwest may foreclose on the mortgaged property pursuant to the West Union Mortgage, the Ohio Mortgage, the Iowa Mortgage and the Dubuque Mortgage (collectively, the "Mortgages").

The Credit Facility supersedes and replaces in its entirety the Company's current credit facility with U.S. Bank National Association (collectively, the "U.S. Bank Credit Facility"). The material terms of the current credit facility were most recently disclosed in the Company's Form 10-Q for the quarter ended May 31, 2017, in Note 8 to the Condensed Consolidated Financial Statements and in the Company's Form 8-K filed August 16, 2017. The Company intends to use Term Loan A and Term Loan B to refinance all of the existing indebtedness outstanding under the U.S. Bank Credit Facility, in the amount of approximately \$6,562,030.37, which consists of \$6,528,223.08 in unpaid principal and approximately \$33,807.29 in accrued and unpaid interest and fees. Borrowings pursuant to the Line of Credit may be used for working capital purposes.

The foregoing description of the material terms of the Credit Facility, including the Notes, the Commercial Guaranties, the Security Agreements, the Mortgages, the West Union Assignment of Rents, the Ohio Assignment of Rents, the Iowa Assignment of Rents and the Dubuque Assignment of Rents does not purport to be a complete description of the rights and obligations of the parties thereunder and is qualified in its entirety by reference to the full text of each of the preceding documents, filed herewith and incorporated by reference herein.

#### **Item 1.02 Termination of a Material Definitive Agreement.**

The disclosures set forth under Item 1.01 of this Form 8-K are incorporated by reference in this Item 1.02.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The disclosures set forth under Item 1.01 of this Form 8-K are incorporated by reference in this Item 2.03.
