Re: Offer to Buy-Back small shares

Dear Shareholder:

Pioneer Oil and Gas ("Company") is offering to purchase the shares you own in the Company at the closing ask price of \$.45 per share quoted on <http://finance.yahoo.com> on February 12, 2004. This offer is being made to all shareholders of record of Pioneer Oil and Gas as of June 11, 2003, that own 1,000 shares in the Company or less. The reason Pioneer Oil and Gas is making this offer is to reduce its administrative costs of having to mail annual reports and proxies to shareholders with minimum amount of stock in the Company. Presently, the Company has about 1,123 shareholders of record with approximately 900 of the shareholders holding 1,000 shares or less in the Company. The 900 shareholders account for little more than about 4.0% of the total outstanding and issued shares of the Company, however, they account for more than 75% of the cost of all stockholder mailings.

You have the right to reject or accept the offer made to you by Pioneer Oil and Gas. However, there are advantages in accepting the offer because you will not be charged a broker's fee or any other transaction costs in accepting the offer. Many shareholders that we are making the offer to own less than 100 shares and if they attempted to sell the shares through a broker the fee would wipe out most if not all of the funds they would receive in selling their stock. Further, we are making the offer based on the ask price which is a premium over a typical sale of stock wherein a seller usually gets a price somewhere between the bid and the ask.

If you are willing to accept the offer made herein, please return your stock certificate in the enclosed stamped envelope by March 1, 2004. Before sending make sure you have signed the back of the stock certificate exactly as shown on the stock certificate and have a bank guarantee your signature when signed. Usually a bank will not charge you for a bank guarantee if you have an account

at their bank. Upon our receipt of your stock certificate we will retire your stock and send you a check that will be computed by taking the number of shares you have and multiplying it by \$.45, the ask price as of February 12, 2004.

We appreciate your consideration of this offer and if you should have any questions regarding the offer, please call us at 1-800-723-8202.

Thank you for your consideration,
