Section 5 - Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As described in Item 5.07 below, Chesapeake Energy Corporation (the "Company") held its 2014 Annual Meeting of Shareholders (the "Annual Meeting") on June 13, 2014. At the Annual Meeting, the Company's shareholders approved the Company's 2014 Long Term Incentive Plan (the "LTIP"), which was unanimously adopted by the Company's Board of Directors on April 14, 2014 subject to stockholder approval at the Annual Meeting. The effective date of the LTIP is June 13, 2014.

The LTIP will replace the Company's Amended and Restated Long Term Incentive Plan (the "Prior Plan") and provides for the issuance of up to 36.6 million shares of common stock to the Company's employees and non-employee directors. Equity-based awards previously granted under the Prior Plan will remain outstanding in accordance with their terms. The LTIP provides for the issuance of stock options, stock appreciation rights (SARs), restricted stock and restricted stock units, performance awards, and other stock awards. The LTIP uses a fungible share pool from which each share issued pursuant to a stock option or SAR will reduce the number of shares available under the LTIP by 1.0 share, and each share issued pursuant to awards other than options and SARs will reduce the number of shares available by 2.12 shares.

The LTIP defines a change of control in a manner such that a change of control would not be deemed to occur until the actual consummation of the event that results in the change of control. In addition, if awards granted under the LTIP are assumed by a successor in connection with a change of control of the Company, such awards will not automatically vest and pay out solely as a result of the change of control but will vest upon a subsequent termination without cause or for good reason, each as defined in the LTIP.

A description of the material terms and conditions of the LTIP is provided under the heading "Summary of the 2014 Long Term Incentive Plan" on pages 56-61 of the Company's proxy statement filed with the Securities and Exchange Commission on April 30, 2014 (the "Proxy Statement"), which description is incorporated herein by reference, and the full text of the LTIP is provided in the Proxy Statement as Exhibit F.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On June 13, 2014, at the Annual Meeting, the following amendments to the Company's Restated Certificate of Incorporation (the "Certificate") were approved by the shareholders:

- (1) Revisions to remove references to the classified board structure, and to provide that all directors will be elected annually;
- (2) Revisions to provide that directors chosen to fill vacancies will hold office until the next annual meeting of shareholders;
- (3) Revisions to increase the maximum number of directors that may constitute the Board from nine to ten;

Revisions to change the supermajority vote requirement from 66 2/3% of the outstanding shares entitled to vote to at least a majority of outstanding shares entitled to vote for the following:

- (4) (a) shareholder determination of the number of directors constituting the whole Board;
- (b) shareholder amendment of the certificate of incorporation; and
- (c) shareholder amendment of the bylaws.

The foregoing description of the amendments to the Certificate does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendments to the Certificate filed as Exhibit 3.1 to this Current Report on Form 8-K.

Following shareholder approval of proposals to declassify the Company's Board of Directors, to increase the maximum number of directors constituting the Board, to implement proxy access and to eliminate supermajority voting requirements as set forth in Item 5.07 below, the following amendments to Company's Amended and Restated Bylaws (the "Bylaws") were approved by the Company's Board of Directors and became effective on June 13, 2014:

- (1) Revisions to remove references to the classified board structure, and to provide that all directors will be elected annually;
- (2) Revisions to provide that directors chosen to fill vacancies will hold office until the next annual meeting of shareholders;
- (3) Revisions to provide that any director, or the entire board of directors, may be removed, with or without cause, by a majority of shares entitled to vote;
- (4) Revisions to increase the maximum number of directors that may constitute the Board from nine to ten;
- (5) Revisions to implement proxy access; and
- (6) Revisions to change the requirement for shareholders to be able to determine the number of directors constituting the whole Board from 66 2/3% of the outstanding shares entitled to vote to at least a majority of the outstanding shares entitled to vote.

The foregoing description of the amendments to the Bylaws does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended and Restated Bylaws filed as Exhibit 3.2 to this Current Report on Form 8-K.
