Item 1.01. Entry into a Material Definitive Agreement.

1. Letter Agreement: Equity and Incentive Grants.

On February 13, 2006, PolyOne Corporation (PolyOne) entered into a letter agreement (the Letter Agreement) with Stephen D. Newlin, pursuant to which Mr. Newlin agreed to serve as PolyOne s Chairman, President and Chief Executive Officer, with a start date on or before February 21, 2006 (the Effective Date). The Letter Agreement (attached as Exhibit 10.1 of this Current Report and incorporated herein by reference) provides for the following:

An initial base salary of \$700,000 per year and a \$600,000 signing bonus payable within 30 calendar days of the Effective Date;

Participation in the 2006 Senior Executive Annual Incentive Plan based on the achievement of performance goals established by the Compensation and Governance Committee of the Board of Directors of PolyOne (the Board);

Reimbursement of relocation expenses;

Participation in PolyOne s other standard benefit programs;

Reimbursement for reasonable expenses relating to lodging, meals and travel between Mr. Newlin s residence and work locations during the 90-day period following the Effective Date; and

A grant, upon the Effective Date, of 200,000 shares of restricted stock, which will fully vest on the third anniversary of the date of grant.

Mr. Newlin is also entitled to participate in PolyOne s 2006-2008 Long-Term Incentive Plan, which consists of awards, under PolyOne s 2005 Equity and Performance Incentive Plan, of Stock Appreciation Rights (SARs) and Performance Units. Upon the Effective Date, Mr. Newlin will receive a grant of 174,900 SARs and 1,030,500 target cash-settled Performance Units. The SARs have a term of seven years and a base price equal to the fair market value of PolyOne s Common Shares on the date of the award. The SARs vest in 1/3 increments when the market price per share of PolyOne s Common Shares for three consecutive days following the date of grant reaches \$7.50, \$8.50 and \$10.00, respectively, provided that they will not vest earlier than one year after the date of grant. Upon exercise, the SARs will be settled in PolyOne Common Shares. The Performance Units are earned based upon the achievement, over a three-year period, of equally-weighted performance goals relating to cash flow, return on invested capital and debt/EBITDA ratio. The Performance Units are denominated, and pay out, solely in cash. PolyOne will enter into its standard award agreements with Mr. Newlin with respect to the SARs and Performance Units.

Mr. Newlin is also entitled to participate in a two-year cash incentive program for the period of January 1, 2006 through December 31, 2007 (the Performance Period). The incentive plan provides for a grant to Mr. Newlin on the Effective Date of 87,000 phantom units, with each unit being equal in value to one share of PolyOne s common stock. Any earned units entitle Mr. Newlin to a cash payment at the end of the Performance Period equal to the number

of earned units multiplied by the high-low average of PolyOne's common stock on the day immediately preceding approval of payment. Payment is contingent on the attainment of equally-weighted performance goals relating to PolyOne's cash flow, return on invested capital and debt/EBITDA ratio and Mr. Newlin remaining in the continuous employ of PolyOne or a subsidiary through the end of the Performance Period. Upon a change in control, Mr. Newlin will be entitled to payment of 100% of the units awarded.

Further, if (i) Mr. Newlin's employment is terminated by PolyOne without Serious Cause, (ii) such termination is not following a change in control of PolyOne entitling Mr. Newlin to benefits under the Continuity Agreement (as defined below) and (iii) Mr. Newlin agrees to standard non-compete and non-solicitation covenants for a period of 36 months following the date of termination, Mr. Newlin will be entitled to:

36 months of salary continuation, car allowance and financial planning/tax preparation allowance;

A pro-rated annual incentive amount as earned for the year in which the termination of employment occurs; and

18 months of continuation in PolyOne's medical and dental plans (but not life insurance, short-term disability or long-term disability) and an amount equal to the financial equivalent of six additional months of continuation in such medical and dental plans.

If Mr. Newlin's employment is involuntarily terminated without Serious Cause prior to the three year anniversary of the Effective Date, Mr. Newlin is entitled to an additional cash payment as set forth in the Letter Agreement, which payment increases each year during the three-year period. If Mr. Newlin is terminated on or following the three year anniversary of the Effective Date, there is no additional cash payment.

Further, in connection with his entry into the Letter Agreement, Mr. Newlin will enter into PolyOne's standard Management Continuity Agreement (as described below) (the "Continuity Agreement"). Mr. Newlin will also execute and be bound by the terms of PolyOne's standard Confidential Information, Invention and Non-Solicitation Agreement, the PolyOne Code of Conduct and the PolyOne Code of Ethics for Senior Officers.

2. Management Continuity Agreement.

Upon the Effective Date, PolyOne will enter into the Continuity Agreement with Mr. Newlin. The Continuity Agreement provides for a severance payment and other benefits if Mr. Newlin's employment is terminated by PolyOne for any reason other than for cause or by Mr. Newlin with good reason within 36 months after a change in control of PolyOne, as set forth in more detail in the Continuity Agreement, the form of which was filed as Exhibit 10.11 to PolyOne's Annual Report on Form 10-K for the fiscal year ended December 31, 2000 and incorporated herein by reference.
