**Rider 1 Information responding to Part III Narrative:**

The registrant's financial reporting department is currently working on preparing and filing financial statements in connection with the May 31, 2012 acquisition of Spitfire Controls, Inc. This undertaking has required extensive effort and expenses for the registrant's limited staff and outside consultants that were not reasonably foreseeable. As a result of this work, the compilation, dissemination and review of the information required to be presented in the Form 10-K for the relevant year has imposed time constraints that have rendered timely filing of the Form 10-K impracticable without unreasonable effort and expense to the registrant. The registrant anticipates filing the full Form 10-K within the 15 days contemplated by Rule 12b-25.
