Item 8.01. Other Events.

Arconic Inc. (the Company) maintains a grantor trust relating to certain of the Company's nonqualified deferred compensation and retirement benefit plans. The trust was established pursuant to a trust agreement entered into by the Company in 1993, which was amended and restated in 2007 (the Trust Agreement).

The terms of the Trust Agreement, which is filed herewith as Exhibit 99.1, provide for funding of the trust by the Company in connection with a change in control (as defined in the Trust Agreement) under certain circumstances. The estimated aggregate amount of the required funding based upon the liabilities of the related plans is approximately \$500 million. While the assets of the trust would remain Company assets, following a change in control they would be available solely for purposes of paying benefits under the plans, other than in the case of the Company's insolvency.

On April 12, 2017, the Company delivered notice to the trustee that a potential change in control (as defined in the Trust Agreement) has occurred. As previously disclosed, Elliott Management Corporation is conducting a proxy solicitation to elect four new directors to replace four of the present directors of the Company. No determination has been made at this time as to whether there will be a change of control.
