PROXY STATEMENT

FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON FRIDAY, JUNE 15, 2018

April 30, 2018

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board and each member thereof being a Director) of Vicor Corporation (the Corporation) from owners of the outstanding shares of capital stock of the Corporation (the Stockholders , or as an individual, a Stockholder) for use at the 2018 Annual Meeting of Stockholders (the Annual Meeting) of the Corporation to be held on Friday, June 15, 2018, at 9:00 a.m., local time, at the offices of Foley & Lardner LLP, 111 Huntington Avenue, Boston, Massachusetts 02199, and at any adjournments or postponements thereof. At the Annual Meeting, Stockholders will be asked to consider and vote on the election of the nine individuals named in the Proxy Statement as Directors and any other matters that may be properly brought before the Annual Meeting and at any adjournments or postponements thereof.

In this Proxy Statement, we refer to Vicor Corporation as Vicor, the Corporation, we, us, or our. In addition, the Proxy Solicitation Materials includes this Proxy Statement, the Notice of Annual Meeting, and the Proxy Cards.

The Proxy Solicitation Materials are first being mailed to Stockholders of record on or about May 8, 2018. The Board has fixed the close of business on April 30, 2018 as the record date for the determination of Stockholders entitled to receive notice of and to vote at the Annual Meeting (the Record Date). Only Stockholders of record at the close of business on the Record Date will be entitled to receive notice of and to vote at the Annual Meeting.

As of March 31, 2018, there were 27,756,285 shares of Common Stock and 11,758,218 shares of Class B Common Stock of the Corporation outstanding and entitled to vote. Each share of Common Stock entitles the holder thereof to one vote per share (for an aggregate of 27,756,285 votes or 19% of the total voting power), and each share of Class B Common Stock entitles the holder thereof to 10 votes per share (for an aggregate of 117,582,180 votes or 81% of the total voting power). **Shares of Common Stock and Class B Common Stock will vote together as a single class, reflecting their respective voting entitlement, on each proposal at the Annual Meeting.**

Stockholders are requested to complete, date, sign, and return the accompanying Proxy Card(s) in the enclosed postage-prepaid envelope. Shares represented by a properly executed Proxy Card received prior to the vote at the Annual Meeting and not revoked will be voted at the Annual Meeting as directed on the Proxy Card. If a properly executed Proxy Card is submitted and no instructions are given, the shares so represented will be voted FOR each of the Director nominees. We do not anticipate any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are properly presented, proxies will be voted in accordance with the discretion of the proxy holders.

A Stockholder of record may revoke a proxy at any time before it has been exercised by: (1) delivering a written revocation to our Corporate Secretary, James A. Simms, at the address of the Corporation set forth above;

(2) delivering a duly executed Proxy Card bearing a later date; or (3) appearing in person, notifying the Corporate Secretary of such revocation, and voting by ballot at the Annual Meeting. Any Stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously submitted, but the presence (without further action) of a Stockholder at the Annual Meeting will not constitute revocation of a previously submitted proxy.

The presence, in person or by proxy, of Stockholders representing a majority in interest of all capital stock issued, outstanding, and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Because of his ownership of shares of Class B Common Stock and shares of Common Stock, representing 82.4% of the total voting power at the Annual Meeting, a quorum is assured by the presence of Dr. Patrizio Vinciarelli, Chairman of the Board, President, and Chief Executive Officer, who will preside over the Annual Meeting. Shares that reflect abstentions or broker non-votes (i.e., shares held by investment brokerage firms or other nominees that are represented at the Annual Meeting but as to which such brokers or nominees have not received instructions from the beneficial owners or persons entitled to vote such shares and, with respect to one or more but not all matters, such brokers or nominees do not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Corporation. In addition to the solicitation of proxies by mail, Directors, officers, and employees of the Corporation also may solicit proxies personally or by telephone, e-mail, or other form of electronic communication without special compensation for such activities. The Corporation also will request those holding shares in their names or in the names of their nominees that are beneficially owned by others to forward proxy materials to and obtain proxies from such beneficial owners. The Corporation will reimburse such holders for their reasonable expenses in connection therewith.

The Corporation's 2017 Annual Report (the "Annual Report"), including financial statements for the fiscal year ended December 31, 2017, will be mailed to Stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the Proxy Solicitation Materials. The Corporation and certain intermediaries (e.g., banks, brokers, and nominees) may deliver only one copy of the Annual Report and Proxy Solicitation Materials to Stockholders sharing an address. The Corporation will deliver promptly, upon written or oral request, a separate copy of the Annual Report or Proxy Solicitation Materials, as applicable, to a Stockholder at a shared address. In order to receive such a separate document, please contact our Corporate Secretary, Mr. Simms, at the address of the Corporation set forth above. If Stockholders sharing an address (i) currently receive a single copy of the Annual Report and Proxy Solicitation Materials and wish to receive separate copies of such materials in the future or (ii) currently receive separate copies of the Annual Report and Proxy Solicitation Materials and wish to receive a single copy of such materials in the future, please contact Mr. Simms, our Corporate Secretary, or the applicable intermediary, as the case may be.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
ANNUAL MEETING TO BE HELD ON JUNE 15, 2018:**

The Proxy Solicitation Materials and Annual Report are available at www.vicorpower.com.

PROPOSAL ONE

ELECTION OF NINE DIRECTORS

In accordance with the requirements of the Corporation's By-Laws, the Board recommends the number of Directors be fixed at nine and has nominated all of the Nominees named below for election to the Board. Each of the nine Nominees presently serves as a Director.

If elected, each Nominee will serve until the 2019 Annual Meeting of Stockholders and until his respective successor is duly elected and qualified or until his death, resignation, or removal. Properly executed Proxy Cards will be voted

FOR the Nominees unless otherwise specified. Each Nominee has consented to stand for election and the Board anticipates each of the Nominees, if elected, will serve as a Director.

However, if any person nominated by the Board is unable to serve or, for good cause, will not serve, proxies solicited hereby will be voted for the election of another person designated by the Board, if one is nominated.

A plurality of the votes cast for a Nominee by the Stockholders of Common Stock and Class B Common Stock, voting together as a single class, shall elect such Nominee. Accordingly, abstentions, broker non-votes, and votes withheld from any Nominee will have no effect on this proposal. There is no cumulative voting.

Because the number of incumbent Directors standing for reelection (i.e., nine) is equal to the number of Nominees, and the Corporation's By-Laws provide for election by plurality, any number of votes cast for a Nominee assures that Nominee of election as a Director. Dr. Vinciarelli beneficially owned, as of March 31, 2018, 9,861,605 shares of Common Stock and 11,023,648 shares of Class B Common Stock, together representing 82.4% of the voting power of the outstanding stock of the Corporation, sufficient to elect each of the Nominees named below. He has stated an intention to vote in favor of fixing the number of Directors at nine and in favor of the election of all Nominees.

Information Regarding Nominees and Qualifications

The following sets forth certain information as of March 31, 2018, with respect to the nine Nominees for election to the Board. The information presented includes information each Director has provided us about age, all positions held, principal occupation and business experience for the past five years, and the names of other publicly-held companies for which the Director currently serves as a director or has served as a director during the past five years. In addition to the information presented below regarding each Nominee's specific experience, qualifications, and skills that led the Board as a whole to conclude the Nominee possessed the necessary attributes to serve as a Director. In addition to the experience, qualifications, and skills of each Director, the Board as a whole also considers each Nominee's reputation for integrity, honesty, and adherence to high ethical standards.

Information regarding the beneficial ownership of shares of the capital stock of the Corporation by such persons is set forth in the section of this Proxy Statement entitled "Principal and Management Stockholders." CORPORATE GOVERNANCE

Status as a Controlled Company

As of March 31, 2018, there were 27,756,285 shares of Common Stock and 11,758,218 shares of Class B Common Stock of the Corporation outstanding and entitled to vote. Our Common Stock is listed for trading on the NASDAQ Global Select Market (NASDAQ-GS) and, as such, we are subject to the listing requirements set forth in the Marketplace Rules of the NASDAQ Stock Market LLC (the Nasdaq Rules). The Corporation is a controlled company in accordance with the governance provisions of the Nasdaq Rules, because Dr. Vinciarelli, Chairman of the Board, President, and Chief Executive Officer, holds more than 50% of the voting power of our outstanding capital stock. Accordingly, the Corporation relies on certain exemptions from corporate governance requirements available to us under the Nasdaq Rules for a controlled company.

Dr. Vinciarelli owned, as of March 31, 2018, 9,861,605 shares of our Common Stock and 11,023,648 shares of our Class B Common Stock. Each share of Class B Common Stock entitles the holder thereof to 10 votes per share and is exchangeable on a one for one basis into a share of Common Stock, which entitles the holder thereof to one vote per share. As of March 31, 2018, Dr. Vinciarelli owned 35.0% of our Common Stock and 93.8% of our Class B Common Stock, which together represent 82.4% of total voting power, giving him effective control of our governance.

Because of the Corporation's status as a controlled company, we are not required to comply with Nasdaq Rules requiring a majority of independent Directors on our Board, the determination of the compensation of our executive officers solely by independent Directors, and the recommendation of nominees for Director solely by independent Directors. Upon consideration of the independence criteria under the Nasdaq Rules, the Board has determined that three of our current nine Directors (Messrs. Carlson, Eichten, and Griffin) qualify as independent directors pursuant to the Nasdaq Rules.

At each meeting of the Board, the independent Directors conduct such executive sessions, frequently with our outside counsel as an invited guest. In addition, at each meeting of the Audit Committee, which is comprised solely of the current three independent Directors, as described below, the independent Directors conduct private meetings with representatives of our independent registered public accounting firm, KPMG LLP (KPMG).

The Board and Its Committees

Our Board has two standing committees: the Audit Committee and the Compensation Committee. As a controlled company, we rely on an exemption from the Nasdaq Rules requirement that the Board have a standing committee responsible for Director nominations and other governance matters. The Board believes it, as a whole, is in the best position to evaluate potential candidates for nomination as Director and, therefore, the full Board performs the function of such a committee.

The Board held three in-person meetings and acted by written consent in lieu of meetings on five other occasions during 2017. Each of the Directors attended 75% or more of the total number of meetings of the Board and meetings of the committees thereof on which each such Director serves. Directors are expected to attend each year's Annual Meeting in person unless doing so is impracticable due to unavoidable conflicts. All of the Directors, except Mr. Carlson, attended the 2017 Annual Meeting of Stockholders.

Information regarding the functions performed by the Audit Committee is set forth in the section of this Proxy Statement entitled Report of the Audit Committee. The Audit Committee is governed by a written charter, approved by the Board on February 3, 2007, and reviewed each year. The Board has determined all three members of the current Audit Committee are independent under the applicable Nasdaq Rules and Securities and Exchange Commission (SEC) regulations applicable to Audit Committee members. Messrs. Carlson, Eichten, and Griffin are

standing for reelection to the Board and, if reelected, intend to serve as members of the Audit

Committee for the coming one-year term. The Board also has determined Mr. Carlson meets the definition of Audit Committee Financial Expert as defined by Item 407(d) of Regulation S-K. The Audit Committee charter is posted on the Corporation's website, www.vicorpower.com, under the heading "About Vicor" and the subheading "Corporate Governance." The Audit Committee held five meetings during 2017.

The Compensation Committee is responsible for approving, based on the recommendation of Dr. Vinciarelli, the compensation for the executive officers of the Corporation, approving all grants of stock options by the Corporation and its subsidiaries, and administering the Corporation's stock option plans pursuant to authority delegated to it by the Board. The Compensation Committee is governed by a written charter, approved by the Board on October 18, 2013, and subject to review each year. The Compensation Committee held five meetings during 2017 and acted by written consent in lieu of meeting on 17 other occasions to approve stock option awards granted during 2017. The Compensation Committee charter is posted on the Corporation's website, www.vicorpower.com, under the heading "About Vicor" and the subheading "Corporate Governance."

Board Leadership and Role in Risk Management

Given the Corporation's status as a controlled company and Dr. Vinciarelli's leadership of the Corporation since its founding, he fulfills both the roles of Chairman of the Board and Chief Executive Officer. As Chairman of the Board, Dr. Vinciarelli presides over meetings of the Board and, in collaboration with Mr. Simms, in his capacity as Corporate Secretary, establishes an agenda for each meeting. The Board does not have a lead independent Director. As Chief Executive Officer, Dr. Vinciarelli is responsible for setting the strategic direction of the Corporation, the leadership of the organization, and the operational and financial performance of the Corporation.

The Board advises and oversees executive management, which, under Dr. Vinciarelli's leadership, is responsible for the day-to-day operations of the Corporation's affairs. The Board reviews, assesses, and directs our long-term strategic plans and provides oversight and guidance on all matters influencing the Corporation's well-being.

The Board has an active role, as a whole and also at the committee level, in overseeing identification, analysis, and management of the Corporation's risks. The Board regularly reviews information regarding the Corporation's strategy, operations, financial performance and position, and legal and regulatory affairs, addressing the risks associated with each. Messrs. Kelleher, Simms, and Tuozzolo, in their capacities as former President of the Brick Business Unit, Chief Financial Officer, and President of Picor Corporation, respectively, provide first-hand information and insight to the Board regarding all enterprise risks. Mr. Anderson, as the former Chief Executive Officer of an important supplier to the Corporation, provides valuable external perspectives on a range of challenges facing the Corporation, including evolving technology and intensifying competition. The independent Directors, given their breadth of experience and expertise, as well as their governance responsibilities as the sole members of the Audit Committee and the Compensation Committee, contribute to an ongoing assessment of the integrity of our financial reporting processes and systems and the appropriateness and effectiveness of our compensation programs.

While the Board is ultimately responsible for the Corporation's risk management, the Audit Committee, comprised of independent Directors, plays a primary and important role in assisting the Board in overseeing such responsibilities, with particular focus, as mandated by the Sarbanes-Oxley Act of 2002, on the integrity and effectiveness of the Corporation's financial reporting processes. The Audit Committee reviews our guidelines and policies on management of enterprise risks, including assessment and management of the Corporation's major financial exposures and management's monitoring and control of such exposures. At each meeting of the Audit Committee, members of management, led by Mr. Simms, in his capacity as Chief Financial Officer, present information addressing issues related to risk identification, analysis, and mitigation. Also at each meeting of the Audit Committee, the committee members meet privately with representatives of our independent auditors, KPMG.

In addition to the risk oversight role undertaken by the Audit Committee, the Compensation Committee assists the Board in overseeing the Corporation's compensation policies and practices as they relate to the Corporation's risk management and risk-taking incentives. The Compensation Committee has determined the compensation policies and practices for the Corporation's employees are not reasonably likely to have a material adverse effect on the Corporation, as the incentives of the Corporation's compensation programs are believed to be aligned with our strategic, operational, and financial goals and the interest of our Stockholders.

Director Nomination Process

As indicated above, the full Board performs the Director nomination function for the Corporation. The Board does not have a charter governing the Director nomination process, although it has established Director nomination procedures setting forth the process for identifying and evaluating Director nominees. The Corporation's By-Laws require that our Stockholders approve the number of Directors for the coming year at each Annual Meeting of Stockholders, although the By-Laws also allow the Board to reduce the number of Directors in the event of a vacancy on the Board and to increase the number of Directors at any time by majority vote of the Directors then serving.

Board Membership Criteria At a minimum, the Board must be satisfied each candidate for nomination has high personal and professional integrity, has demonstrated exceptional ability and judgment, and is expected, in the judgment of the Board, to be highly effective, in collaboration with the other nominees to the Board, in collectively serving the interests of the Corporation and our Stockholders. In addition to the minimum qualifications set forth above, the Board seeks to select for nomination persons possessing relevant industry or technical experience and, in order to comply with the Nasdaq Rules regarding independence of Audit Committee members is maintained, persons meeting the independence requirements of the Nasdaq Rules and SEC regulations.

Identifying and Evaluating Nominees The Board may solicit recommendations from any sources it deems appropriate. The Board will evaluate all candidates for nomination in the same manner, evaluating the qualifications of any recommended candidate and conducting inquiries it deems appropriate, without discrimination on the basis of race, religion, national origin, sexual orientation, disability, or any other basis. In identifying and evaluating candidates for nomination, the Board may consider, in addition to the minimum professional qualifications discussed above and other criteria for Board membership approved by the Board from time to time, all facts and circumstances it deems appropriate or advisable, including, among other things, the breadth of experience, geographic representation, and backgrounds of other nominees. Based on these considerations, the Board may nominate a candidate it believes will, together with the other nominees, best serve the interests of the Corporation and our Stockholders.

Stockholder Recommendations The Board's policy is to review and consider, in accordance with the procedures described above, any candidates for nomination recommended by Stockholders entitled to vote for the election of Directors. All Stockholder recommendations of candidates for nomination must be submitted to our Corporate Secretary, Mr. Simms, at the address of the Corporation set forth above.

All Stockholder recommendations for Director candidates must include the following information:

the name and address of record of the Stockholder;

a representation that the Stockholder is a record holder of shares of capital stock of the Corporation entitled to vote in the election of Directors, or if the Stockholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) promulgated under the Securities Exchange Act of 1934, as amended, (the Exchange Act);

the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full years of the candidate for nomination;

a description of the qualifications and background of the candidate for nomination that addresses the minimum qualifications and other criteria for Board membership approved by the Board from time to time;

a description of all arrangements or understandings between the Stockholder and the candidate for nomination;

the written consent of the candidate for nomination (a) to be named in the proxy statement relating to the Corporation's next annual meeting and (b) to serve as a Director if elected at such annual meeting; and

any other information regarding the candidate for nomination required to be included in a proxy statement filed pursuant to the rules of the SEC.

Any stockholder seeking to present a Director nomination at an annual meeting must comply with the notice procedures in our By-Laws as described herein under "Stockholder Proposals."

PRINCIPAL AND MANAGEMENT STOCKHOLDERS

The following table sets forth the beneficial ownership of the Corporation's Common Stock and Class B Common Stock held by (1) each person or entity known to the Corporation to be the beneficial owner of more than five percent of the outstanding shares of either class of the Corporation's common stock, (2) each Director and Nominee, (3) each executive officer of the Corporation, and (4) all Directors and executive officers as a group, in each case based on representations of the Directors and executive officers as of March 31, 2018, and a review of filings on Schedules 13D and 13G under the Exchange Act. Except as otherwise specified, the named beneficial owner has sole voting and investment power over the shares set forth opposite such beneficial owner's name. The information in the table reflects shares outstanding of each of the two classes of common stock on March 31, 2018, and does not, except as otherwise indicated below, take into account conversions after such date, if any, of shares of Class B Common Stock into Common Stock, which, if they were to occur, would increase the voting control of persons who retain shares of Class B Common Stock.

The percentages shown have been determined as of March 31, 2018, in accordance with Rule 13d-3 under the Exchange Act, and are based on a total of 39,514,503 shares of common stock that were outstanding on such date, of which 27,756,285 were shares of Common Stock and 11,758,218 were shares of Class B Common Stock. Each share of Common Stock entitles the holder thereof to one vote per share, and each share of Class B Common Stock entitles the holder thereof to 10 votes per share. Each share of Class B Common Stock is convertible into one share of Common Stock at any time upon the election of the holder thereof.

Pursuant to the provisions of our certificate of incorporation, shares of Class B Common Stock are transferrable only under the limited circumstances set forth therein and must be converted into shares of Common Stock in order to be sold. Such conversion may be effected by the delivery of the certificate(s) representing shares of Class B Common Stock, accompanied by a written notice of the election by the record holder thereof to convert, to either Mr. Simms, in his capacity as Corporate Secretary, c/o Vicor Corporation, 25 Frontage Road, Andover, MA 01810, or to the then-current transfer agent for our Common Stock. Any transfer of shares of Class B Common Stock not permitted under the provisions of our certificate of incorporation will result in the automatic conversion of those shares of Class B Common Stock into an equal number of shares of Common Stock.

COMPENSATION DISCUSSION AND ANALYSIS

Philosophy

The primary objective of the Corporation's compensation programs is to attract, motivate, and retain highly qualified and productive employees using a combination of cash and equity based rewards intended to motivate and reward superior performance. Salaries and, in appropriate circumstances, cash bonuses encourage effective performance relative to current plans and objectives, while stock options may be utilized to attract new employees, reward outstanding performers, promote longer-term focus, and more closely align the interests of employees with those of Stockholders.

Stockholder Advisory Vote on Executive Compensation

At the Corporation's annual meeting of Stockholders held in 2017, Stockholders approved, on an advisory basis, the compensation of our Named Executive Officers as disclosed in our proxy statement for that annual meeting (a "Say on Pay" vote). The Compensation Committee believes this affirmed our Stockholders' support of the Corporation's approach to executive compensation and, therefore, did not change its approach during 2018.

At the 2017 annual meeting of Stockholders, Stockholders cast an advisory vote on the frequency of future Say on Pay votes. The option receiving the highest number of votes was a frequency of every three years, and, in accordance with the outcome of that advisory vote, our Board determined to hold a Say on Pay advisory vote every three years. Accordingly, our Board will hold its next Say on Pay advisory vote at the 2020 Annual Meeting.

Overview of Executive Compensation

Dr. Vinciarelli, with input from Ms. Grava, our Corporate Vice President, Human Resources, makes periodic recommendations to the Compensation Committee with respect to the compensation of executives and other employees in leadership positions. The Compensation Committee approves the annual salary of Dr. Vinciarelli and other Named Executive Officers.

Potential elements of compensation for our executive officers include: a base salary, cash bonuses, stock option awards through the Corporation's stock option plans or through the Employee Stock Purchase Plan ("ESPP"), subsidized participation in group health, disability, and life insurance, cash contributions to a 401(k) tax-qualified retirement saving plan sponsored by the Corporation and certain perquisites. All employees, including our Named Executive Officers, are employees-at-will and, as such, do not have employment contracts with the Corporation.

Each component of compensation is described in the following table:

Component	Characteristics/Frequency	Objective
Base Salary	Salaries are established for a new hire based on the qualifications of the individual, the talents and skills sought for the position, and the comparable market level of salaries paid by position and/or geography. Salaries are reviewed and revised annually, based on the performance of the individual. Each year a target percentage for an organization-wide merit increase in salaries, based on the Corporation's performance and an assessment of increases in the cost of living, is presented to Dr. Vinciarelli for approval.	We seek to attract and retain the best available individual talent. We structure salaries to provide a fixed amount of annual compensation reflecting (a) the individual's performance, and (b) the performance of the Corporation and the business unit within which the individual is employed.
Cash Bonus <i>(Contingent)</i>	Certain senior sales and marketing personnel are eligible to participate in sales incentive programs, with cash bonuses paid based on achievement of various objectives. These programs generally are structured annually, with payments made quarterly. The Corporation does not have a policy regarding or a program	We seek to provide short-term, tangible motivation for certain senior sales and marketing personnel to meet objectives, whether these objectives involve dollar volumes, market penetration, or other defined quantitative objectives.

involving discretionary cash bonuses for personnel outside of the sales or marketing functions.

Component	Characteristics/Frequency	Objective
Stock Option Awards / ESPP <i>(Contingent)</i>	We generally award non-qualified stock options to a new employee upon hiring. Depending upon the business unit into which the individual is hired, we award stock options for the purchase of shares of Vicor Corporation, VI Chip Corporation, or Picor Corporation. Certain new hires have been awarded stock options granted by all three entities. From time to time, existing employees will be rewarded for superior performance through the award of stock options. The Corporation does not have a policy regarding or a program involving discretionary awards of stock options. Under the ESPP, established in 2017, eligible employees who elect to participate on the first day of an offering period of approximately six months are able to purchase shares of the Corporation's Common Stock at the end of that offering period at a purchase price equal to 85% of the lesser of the fair market value of a share of Common Stock either on the first day or last day of that offering period. The purchase of shares is funded by means of periodic payroll deductions.	We seek to motivate recipients to contribute to achieving longer-term performance goals, potentially contributing to an increase in the value of the shares underlying the stock option awards, thereby aligning economic interests of recipients with Stockholders.
Fringe Benefits	We offer a package of fringe benefits to all employees, including all Named Executive Officers, and their dependents, portions of which are paid for, in whole or in part, by the employee. The benefits we offer include: life, health, dental, vision, and long-term care insurance; disability and workers' compensation insurance; healthcare reimbursement accounts; tuition reimbursement; employee stock purchase plan; and paid time off.	We seek to provide a competitive package of benefits addressing the health and welfare needs of employees, reflecting our overall compensation philosophy of attracting and retaining talented individuals.
Retirement Benefits	The Corporation sponsors a 401(k) tax-qualified retirement saving plan open to all employees. In any plan year, the Corporation will make a matching contribution equal to 50% of the first 3% of the participant's compensation that has been contributed to the plan, up to a maximum matching contribution of \$4,050. Participants received up to \$3,975 in matching funds in 2017 from the Corporation. All Named Executive Officers, with the exception of Dr. Vinciarelli, participated in the 401(k) plan and received matching funds. The	We seek to provide retirement benefits that are competitive with other companies of our size and industry focus, reflecting our overall compensation philosophy of attracting and retaining talented individuals.

Component	Characteristics/Frequency	Objective
	Corporation does not provide any nonqualified defined contribution plans, deferred compensation plans, retirement health insurance, or other post-employment benefits.	
Perquisites	Executive officers, including all Named Executive Officers, are eligible to participate in supplemental health, dental, and vision insurance, and receive a fixed cash automobile allowance, as well as reimbursement for fuel expenses. Amounts associated with automobile allowances and fuel expense reimbursements are considered taxable current income by the recipient.	The limited perquisites we currently offer are intended to provide benefits to our executives comparable to those received by executives of other companies of our size and industry focus, or, as is the case with automobile allowances and fuel reimbursement, to support business purposes.

Stock Option Programs

As described above, discretionary awards of stock options for the purchase of shares of Vicor Corporation, VI Chip Corporation, and Picor Corporation are a component of our compensation for executives and employees considered by Dr. Vinciarelli to be important contributors to the Corporation's success. The Compensation Committee approves all stock option grants. We generally award a limited number of non-qualified stock options to a new employee upon hiring. Depending upon the business unit into which the individual is hired, we award stock options for the purchase of shares of Vicor Corporation, VI Chip Corporation, or Picor Corporation. Certain new hires have been awarded stock options granted by all three entities. From time to time, existing employees will be rewarded for superior performance through the award of additional stock options. The Corporation does not have a policy regarding the composition or frequency of discretionary awards of stock options or other forms of equity-based compensation.

During 2017, 2016, and 2015, options for the purchase of the Corporation's Common Stock were awarded under the Vicor Corporation Amended and Restated 2000 Stock Option and Incentive Plan, as amended and restated (the "Vicor 2000 Plan"). The exercise price of stock options for the purchase of the Corporation's Common Stock is set at the closing price of a share of the Corporation's Common Stock on NASDAQ-GS on the effective date of the grant. Generally, these option grants vest evenly each quarter over five years and have a 10-year term.

During 2017, 2016, and 2015, options for the purchase of VI Chip Corporation ("VI Chip") common stock were awarded under the VI Chip Corporation Amended and Restated 2007 Stock Option and Incentive Plan (the "2007 VI Chip Plan"). Generally, these option grants vest pro rata over five years and have a seven or 10-year term. All awards were reviewed and approved by the VI Chip Board of Directors, comprised of Dr. Vinciarelli and Mr. Simms, and the Corporation's Compensation Committee. VI Chip stock options are granted at a price not less than the fair value of a share of VI Chip common stock on the date of grant, with such fair value determined by the VI Chip Board of Directors and the Corporation's Compensation Committee, consistent with the valuation procedural requirements of Section 409A of the Internal Revenue Code.

During 2017, 2016, and 2015, options for the purchase of Picor Corporation ("Picor") common stock were awarded under the Amended and Restated Picor Corporation 2001 Stock Option and Incentive Plan (the "2001 Picor Plan"). Generally, these option grants vest pro rata over five years and have a seven or 10-year term. All option grants were reviewed and approved by the Picor Board of Directors, comprised of Dr. Vinciarelli, Mr. Tuozzolo, Mr. Simms, and Mr. Andrew Durette, and the Corporation's Compensation Committee. Picor stock options are granted at a price not less than the fair value of a share of Picor common stock on the date of grant, with such fair value determined by the Picor Board of Directors and the Corporation's Compensation Committee, consistent with the valuation procedural requirements of Section 409A of the Internal Revenue Code.

- (3) The amounts shown reflect the aggregate grant date fair value of stock option awards in each year presented. These values have been determined under the principles used to calculate the grant date fair value of equity awards for purposes of the Corporation's financial statements. These amounts do not correspond to the actual value that may be recognized by each Named Executive Officer. Refer to Note 3, Stock-Based Compensation and Employee Benefit Plans, in the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2017, filed on March 9, 2018, for the relevant assumptions used to determine the valuation of the Corporation's option awards.
- (4) The option awards for Mr. Simms and Mr. Tuozzolo were associated with the annual award to Directors of non-qualified stock options as compensation for service on the Corporation's Board of Directors.

- (5) All Other Compensation amounts include car allowance, fuel allowance, supplemental health, dental and vision insurance, the taxable portion of life insurance benefits, and the Corporation's matching 401(k) plan contribution for each Named Executive Officer shown. Dr. Vinciarelli's car allowance is \$10,800.

Stock Option Plan Information

The following table sets forth certain aggregated information for the Corporation as of December 31, 2017 regarding equity securities underlying stock option awards made under the Vicor 2000 Plan, the 2007 VI Chip Plan, and the 2001 Picor Plan. All equity compensation plans of the Corporation have been approved by Stockholders. The first column sets forth the total number of shares of stock to be issued upon exercise of outstanding stock options awarded under each plan, which, as the sum of all vested and unvested stock option awards, represents the maximum number of shares potentially issued, pursuant to each plan, if all such awards are exercised. The second column sets forth the weighted average exercise price of outstanding stock options awarded under each plan. Each of the three figures represents the weighted average price at which all outstanding stock option awards under the indicated plan (calculated as the quotient of (A) divided by (B), with (A) representing the cumulative sum of (C) the product of (D) each outstanding award's number of underlying shares (reflecting the one-to-one relationship in each plan between a stock option and an underlying share of stock) and (E) the exercise price at which that individual option may be exercised to purchase a share of stock pursuant to the individual plan, with (B) representing the total number of shares to be issued upon exercise of outstanding stock options shown in the first column for each plan. Such exercise prices were established at the time of each stock option award and, accordingly, do not represent the value, as of December 31, 2017, or as of any time subsequent to the time of each stock option award. The third column sets forth the number of shares remaining available for issuance under each of the three plans shown. Each of the three figures represents (X) the difference between (Y) the total number of shares authorized for issuance under each of the three plans shown and the respective number of shares to be issued upon exercise of outstanding stock options shown in the first column. Stock options issued under the Vicor 2000 Plan, the 2007 VI Chip Plan, and the 2001 Picor Plan carry a change in control provision that automatically accelerates vesting and makes unvested options fully exercisable upon a change of control, as defined in the applicable plan.

	Number of Shares to be Issued Upon Exercise of Outstanding Stock Options	Weighted-Average Exercise Price of Outstanding Stock Options	Number of Shares Remaining Available for Issuance under Stock Option Plans
Vicor 2000 Plan	1,365,917	\$ 9.63	6,852,205
2007 VI Chip Plan(1)	13,092,250	0.97	901,150
2001 Picor Plan	10,065,987	0.62	7,107,533

- (1) Included in the total number of shares to be issued upon exercise of outstanding stock options awarded under the 2007 VI Chip Plan are VI Chip shares associated with 2,358,000 outstanding non-qualified options, awarded on December 31, 2010, which vest upon the satisfaction of certain performance objectives. Since September 7, 2016, the Corporation has not recognized equity-based compensation expense for these options, having concluded the likelihood of satisfying the performance objectives for the options to vest was remote. On April 30, 2018, all such options were cancelled.

GRANTS OF PLAN-BASED AWARDS FOR FISCAL 2017

The following table presents the Corporation's grants of plan-based awards to Named Executive Officers during 2017.

Named Executive Officer	Grant Date	Number of Shares Underlying Option Award	Exercise Price per Share of Option Award	Grant Date Fair Value of Option Award(3)
<u>Vicor 2000 Plan(1)</u>				
James A. Simms	6/16/2017	2,584	\$ 19.35	\$ 23,404
Claudio Tuozzolo	6/16/2017	2,584	\$ 19.35	\$ 23,404
<u>2007 VI Chip Plan(2)</u>				
Michael McNamara	7/21/2017	125,000	\$ 0.96	\$ 36,813
Patrizio Vinciarelli	7/21/2017	5,500,000	\$ 0.96	\$ 1,619,750
<u>2001 Picor Plan(2)</u>				
Claudio Tuozzolo	7/21/2017	125,000	\$ 0.62	\$ 33,488

- (1) The two awards shown were associated with the annual award to Directors, excluding Dr. Vinciarelli, of non-qualified stock options as compensation for service on the Corporation's Board of Directors.
- (2) The awards shown for Dr. Vinciarelli and Mr. McNamara under the 2007 VI Chip Plan and to Mr. Tuozzolo under the 2001 Picor Plan were for non-qualified stock options to replace previously expired options.
- (3) Refer to Note 3, "Stock-Based Compensation and Employee Benefit Plans," in the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2017, filed on March 9, 2018, for the relevant assumptions used to determine the valuation of option awards. For the options granted on June 16, 2017, the formula used to calculate the number of stock options annually awarded to Directors, excluding Dr. Vinciarelli, is \$50,000 divided by the closing price of a share of Common Stock as reported on the NASDAQ-GS on the day of the Annual Meeting of Stockholders. Accordingly, on June 16, 2017, the two Named Executive Officers who also serve as Directors were awarded non-qualified stock options to purchase up to 2,584 shares of Common Stock at an exercise price of \$19.35 per share.

OPTIONS EXERCISES AND STOCK VESTED FOR FISCAL 2017

The following table presents option exercises by our Named Executive Officers during 2017. All options exercised by Named Executive Officers during 2017 were under the Vicor 2000 Plan as follows:

Vicor 2000 Plan

Named Executive Officer	Number of Shares Acquired upon Exercise	Value Realized upon Exercise(1)
James A. Simms	32,541	\$ 318,665
Claudio Tuozzolo	5,000	\$ 65,286

(1) Represents the difference between the exercise price and the fair market value of the underlying Common Stock on the date of exercise.

POTENTIAL PAYMENTS UPON TERMINATION, UPON A CHANGE OF CONTROL, AND

UPON TERMINATION FOLLOWING A CHANGE OF CONTROL

As all of our employees are employees-at-will, no amounts become due or payable to any of our executives upon termination of employment, regardless of whether a change of control has occurred. However, each of the Vicor 2000 Plan, the 2007 VI Chip Plan, and the 2001 Picor Plan provides that all unvested options thereunder will become vested and exercisable as of a change of control, as defined in each of the plans. Accordingly, our Named Executive Officers would have received the amounts set forth below based on the vesting of their unvested options had a change of control of the Corporation occurred on December 31, 2017. All amounts below relate to unvested stock options under the Vicor 2000 Plan and the 2001 Picor Plan because, on December 31, 2017, all stock options outstanding under the 2007 VI Chip Plan had an exercise price greater than the fair value of the shares.

Vicor 2000 Plan

Named Executive Officer	Number of Unvested Options as of December 31, 2017(1)	Intrinsic Value of Unvested Options as of December 31, 2017(2)
Philip D. Davies	21,702	\$ 242,155
Michael S. McNamara	29,000	289,940
James A. Simms	38,714	430,695
Claudio Tuozzolo	20,973	241,868

- (1) Excludes unvested options with exercise prices exceeding the market value of the Corporation's stock as of December 31, 2017.

- (2) Calculated as the aggregate amount by which the fair market value as of December 29, 2017 (the last business day of 2017) of the shares underlying the unvested options (i.e., the product of the closing price of a share of Common Stock as reported on the NASDAQ-GS on that date, \$20.90, and the number of unvested options) exceeded the aggregate exercise price of the unvested options as of that date.

2001 Picor Plan

Named Executive Officer	Number of Unvested Options as of December 31, 2017(1)(2)	Intrinsic Value of Unvested Options as of December 31, 2017(3)
Claudio Tuozzolo	381,000	\$ 53,760

- (1) The value of a share of stock of Picor is estimated periodically by management, with the support of an independent third-party expert, and approved by the Compensation Committee of the Corporation's Board of Directors. The most recent such estimate, \$0.62 per share, was approved by the Compensation Committee on April 26, 2017.
- (2) The number of unvested options as of December 31, 2017, 381,000, excludes unvested options with exercise prices exceeding the estimated value of \$0.62 per share (such share value approved by the Compensation Committee on April 26, 2017).
- (3) The intrinsic value of unvested options as of December 31, 2017, shown is the aggregate value calculated as the product of 381,000, the number of unvested options as of that date, multiplied by the aggregate difference between the estimated value of \$0.62 per share (such share value approved by the Compensation Committee on April 26, 2017) and the exercise price of each such unvested option.

CHIEF EXECUTIVE OFFICER PAY RATIO

As required by Item 402(u) of Regulation S-K, we are providing the following information about the ratio of the median annual total compensation of our employees and the annual total compensation of Patrizio Vinciarelli, our Chief Executive Officer. For the year ended December 31, 2017:

the annual total compensation of our median employee was reasonably estimated to be \$61,764; and

the annual total compensation of Dr. Vinciarelli was \$2,063,264.

Based on this information, the ratio of the annual total compensation of our Chief Executive Officer to the annual total compensation of our median employee is estimated to be 33 to 1.

We identified our median employee using a multi-step process. First, we examined the base salaries and wages of all individuals employed by us on December 31, 2017 (other than Dr. Vinciarelli), whether full-time, part-time, or on a seasonal basis to identify the median base salary of all our employees. We annualized wages and salaries for all permanent employees who were hired after January 1, 2017, as permitted by SEC rules, and converted all employees salaries or wages into U.S. dollars based on the applicable foreign exchange rate on December 31, 2017. We selected the individual within such group whose total compensation was at the median to serve as our median employee whose

compensation is disclosed above. After we identified our median employee, we calculated such employee's total annual compensation in the same way that we calculate the annual total compensation of our named executive officers in the Summary Compensation Table.

DIRECTORS' COMPENSATION FOR FISCAL 2017

Overview of Director Compensation

The level of compensation of non-employee Directors is reviewed on an annual basis by the Board as a whole. To determine the appropriateness of the current level of compensation for non-employee Directors, the Board reviews data from a number of different sources including publicly available data describing director compensation in peer companies.

Non-employee Directors are compensated through a combination of cash payments and awards of options for the purchase of our Common Stock. Each non-employee Director receives a quarterly retainer of \$7,500 for his or her services. Expenses incurred by non-employee Directors in attending Board and committee meetings are reimbursed by the Corporation.

Directors who are employees do not receive cash compensation for service on the Board.

Each Director (including Directors that are employees), other than any Director holding in excess of 10% of the total number of shares of the capital stock of the Corporation (i.e., Dr. Vinciarelli), receives an annual grant of non-qualified stock options following the Annual Meeting of Stockholders under the Vicor 2000 Plan. Currently, the formula to calculate the stock option award is \$50,000 divided by the closing price of a share of Common Stock as reported on the NASDAQ-GS on the day of the Annual Meeting of Stockholders. Accordingly, on June 16, 2017, each Director, other than Dr. Vinciarelli, was awarded non-qualified stock options to purchase up to 2,584 shares of Common Stock at an exercise price of \$19.35 per share. Stock options granted to Directors as compensation for their service on the Board vest at a rate of 20% per year on each of five successive anniversaries of the date of award.

The table below reflects Director compensation for fiscal 2017:

Director	Fees Earned or Paid in Cash	Option Awards(1)(2)	Total Compensation
Samuel J. Anderson	\$ 30,000	\$ 23,404	\$ 53,404

H. Allen Henderson	30,000	23,404	53,404
Barry Kelleher	30,000	23,404	53,404

- (1) These amounts reflect the aggregate grant date fair value of stock option awards granted during 2017. Refer to Note 3, Stock-Based Compensation and Employee Benefit Plans, in the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended December 31, 2017, filed on March 9, 2018, for the relevant assumptions used to determine the valuation of option awards.
- (2) Option awards granted to James A. Simms and Claudio Tuozzolo, who are both employees and Directors, are described in the Grants of Plan-Based Awards for Fiscal 2017 table.
- (3) The aggregate grant date fair value and aggregate number of stock options awarded and outstanding as of December 31, 2017 was as follows:

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed and discussed with our independent registered public accounting firm, KPMG, which is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Audit Committee in accordance with standards established by the Public Company Accounting Oversight Board (PCAOB). In addition, the Audit Committee has discussed with KPMG the auditors' independence from management and the Corporation, including the matters in the written disclosures from the independent auditors required by applicable requirements of the PCAOB regarding independent accountant's communications with the audit committee concerning independence. The Audit Committee discussed with KPMG the overall scope and plans for its audit. The Audit Committee periodically meets with KPMG, with and without management present, to discuss the results of its audit, its evaluation of the Corporation's internal controls and the overall quality of the Corporation's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board approved) that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the SEC, which occurred on March 9, 2018.

Certain Relationships and Related Transactions

The Corporation's policy and procedures with respect to the review, approval, and/or ratification of related party transactions are set forth in the Charter of the Audit Committee and, in summary, require the Audit Committee to review and approve all related party transactions required to be disclosed pursuant to SEC Regulation S-K, Item 404, and to discuss with management the business rationale for the transactions, whether the transactions are on terms that are fair to the Corporation, and whether appropriate disclosures have been made.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Corporation's executive officers and Directors, and persons who own more than 10% of a registered class of the Corporation's equity securities (collectively, "Insiders"), to file reports of ownership and changes in ownership with the SEC. Insiders are required by SEC regulations to furnish the Corporation with copies of all Section 16(a) forms they file. To the Corporation's knowledge, based solely on a review of copies of such reports and written representations that no other reports were required during the fiscal year ended December 31, 2017, all transactions in the Corporation's securities that were engaged in by Insiders, and therefore required to be disclosed pursuant to Section 16(a) of the Exchange Act, were timely reported.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee, acting under authorization of the Board of Directors, pursuant to the Audit Committee Charter, and following the Corporation's By-Laws, selected KPMG as the independent registered public accounting firm for the Corporation for the fiscal year ending December 31, 2017. A representative of KPMG is expected to be present at the Annual Meeting and will be given the opportunity to make a statement. The representative is expected to be available to respond to appropriate questions from Stockholders.

The following table summarizes the fees for services rendered by KPMG for the fiscal years ended December 31, 2017 and 2016 in each of the following categories:

Name	2017	2016
Audit Fees	\$ 1,283,000	\$ 1,053,000
Audit Related Fees	30,000	28,000
Tax Fees	138,000	141,000
Total Fees	\$ 1,451,000	\$ 1,222,000

Audit Fees include services provided in connection with the audit of the Corporation's consolidated financial statements (including internal control reporting under Section 404 of the Sarbanes-Oxley Act of 2002), the reviews of the Corporation's quarterly reports on Form 10-Q, assistance with and review of documents filed with the SEC, statutory audits required internationally and accounting consultations that relate to the audited financial statements.

Audit-Related Fees include services provided in connection with audits of the 401(k) tax-qualified retirement saving plan sponsored by the Corporation.

Tax Fees include services provided in connection with tax compliance, tax advice, tax planning, and assistance with tax audits.

Pursuant to the provisions of the Charter of the Audit Committee, the Audit Committee must pre-approve all auditing services and the terms thereof and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the PCAOB) to be provided to the Corporation by our independent registered public accounting firm; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Corporation if the *de minimus* provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. Under the Charter, the authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who are required to present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision. The Audit Committee approved all audit and non-audit services provided to the Corporation by KPMG for fiscal years 2017 and 2016.

The Audit Committee has selected KPMG as the Corporation's independent registered public accounting firm for the fiscal year ending December 31, 2018.

STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at the 2019 Annual Meeting of Stockholders must be received by the Corporation on or before January 1, 2019, in order to be considered for inclusion in the Corporation's proxy statement and form of proxy. These proposals must also comply with the rules of the SEC governing the form and content of proposals in order to be included in the Corporation's proxy statement and form of proxy and should be directed to: James A. Simms, Corporate Secretary, Vicor Corporation, 25 Frontage Road, Andover, Massachusetts 01810. It is suggested that any Stockholder proposal be transmitted by certified mail, return receipt requested.

In addition, our By-Laws provide that, for any Stockholder proposal or Director nomination to be properly presented at the 2019 Annual Meeting of Stockholders, but not for inclusion in our proxy statement and form of proxy, the Stockholder proposal or Director nomination must comply with the requirements set forth in our By-Laws and we must receive notice of the matter not less than 90 nor more than 120 days prior to June 14, 2019. However, in the event that the date of the 2019 Annual Meeting is advanced by more than 30 days before or delayed by more than sixty days after the anniversary of the 2018 Annual Meeting, and instead, such meeting is scheduled to be held on a date outside that period, notice of a Stockholder proposal or Director nomination, to be timely, must be received by our Corporate Secretary by the later of 90 days prior to such other meeting date or 10 days following the date such other meeting date is first publicly announced or disclosed.

Notwithstanding the foregoing notice deadlines under our By-Laws, in the event that the number of Directors to be elected to our Board at the 2019 Annual Meeting of Stockholders is increased and either all of the nominees for Director at the 2019 Annual Meeting of Stockholders or the size of the increased Board is not publicly announced or disclosed by us by March 22, 2019, notice will be considered timely, but only with respect to nominees for any new positions created by such increase, if the notice is delivered to our Corporate Secretary no later than 10 days following the first date all such nominees or the size of the increased Board is publicly announced or disclosed.

Proxies solicited by the Board will confer discretionary voting authority with respect to Stockholder proposals, other than proposals to be considered for inclusion in the Corporation's proxy statement described above, that the Corporation receives at the above address after March 25, 2019. These proxies will also confer discretionary voting authority with respect to Stockholder proposals, other than proposals to be considered for inclusion in the Corporation's proxy statement described above, that the Corporation receives on or before March 25, 2019, subject to SEC rules governing the exercise of this authority.
