PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Information Holdings Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held on Monday, April 29, 2002, at 2:00 p.m., Eastern Standard Time, at the offices of Warburg, Pincus & Co., 466 Lexington Avenue, New York, New York, 10017, or at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. It is expected that the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card, together with the Company's Annual Report to stockholders for the fiscal year ended December 31, 2001, will be mailed to stockholders entitled to vote at the Annual Meeting commencing on or about April 1, 2002.

Any stockholder or stockholder's representative who, because of a disability, may need special assistance or accommodation to allow him or her to participate at the Annual Meeting may request reasonable assistance or accommodation from the Company by contacting Information Holdings Inc., 2777 Summer Street, Suite 209, Stamford, Connecticut 06905. To provide the Company sufficient time to arrange for reasonable assistance, please submit all requests by April 15, 2002.

RECORD DATE AND VOTING SECURITIES

Stockholders can ensure that their shares are voted at the Annual Meeting by attending the Annual Meeting or signing and returning the enclosed proxy card in the envelope provided. The submission of a signed proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person. Stockholders who execute proxies retain the right to revoke them at any time before they are voted by filing with the Company's Secretary a written revocation or a proxy bearing a later date. The presence at the Annual Meeting of a stockholder who has signed a proxy does not itself revoke that proxy unless the stockholder attending the Annual Meeting files written notice of revocation of the proxy with the Company's Secretary at any time prior to the voting of the proxy.

Proxies will be voted as specified by the stockholders. Where specific choices are not indicated, proxies will be voted FOR the proposals submitted for approval, and in accordance with the proxyholder's best judgment as to any other business as may properly come before the Annual Meeting. The proxy card provides space for a stockholder to withhold voting for any or all nominees to the Board or to abstain from voting for any proposal if the stockholder chooses to do so.

Under Delaware law and the Company's Bylaws, the presence of a quorum is required to transact business at the Annual Meeting. A quorum is defined as the

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

presence, either in person or by proxy, of a majority of the outstanding shares entitled to vote. Proxies marked "abstain" will be included in determining a quorum. On routine matters, brokers who hold customer shares in "street name" but have not timely received voting instructions from such customers have discretion to vote such shares. Since all of the matters to be voted upon at the Annual Meeting are routine, the presence of such shares will be included in determining a quorum.

Under Delaware law and the Company's Bylaws, proposals must be approved by the affirmative vote of a majority, or, in the case of the election of directors, a plurality, of the shares present, either in person or by proxy, at the Annual Meeting and entitled to vote. Accordingly, abstentions have the

same effect as votes "against" a proposal, whereas instructions to withhold voting on the election of any nominee for director have no effect on the outcome of the vote.

The Board has fixed the close of business on March 15, 2002 as the record date (the "Record Date") for the determination of the Company's stockholders who are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on the Record Date, the Company had outstanding 21,760,174 shares of common stock, par value \$0.01 per share (the "Common Stock"), excluding treasury shares. The holders of Common Stock are entitled to one vote for each share held on the Record Date.

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD. Such persons designated as proxies are the Company's officers. Any stockholder desiring to appoint another person to represent him or her at the Annual Meeting may do so either by inserting such person's name in the blank space provided on the accompanying form of proxy, or by completing another form of proxy and, in either case, delivering an executed proxy to the Company's Secretary at the address indicated above, before the time of the Annual Meeting. It is the responsibility of the stockholder appointing such other person to represent him or her to inform such person of this appointment.

The Company will bear the cost of solicitation of proxies. Further solicitation may be made by the Company's directors, officers and employees personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. The Company also intends to make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Stock. Upon request, the Company will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of Common Stock which such persons hold of record.

The Company may send only one annual report and proxy statement to multiple stockholders that share the same address. Upon written or oral request, the Company will promptly supply such stockholders additional copies of the annual report and proxy statement. Such requests should be made by contacting the Company either by mail at the Company's offices at 2777 Summer Street, Suite 209, Stamford, Connecticut 06905 or by telephone at (203) 961-9106. If stockholders sharing the same address are receiving multiple copies of the annual report and proxy statement, such stockholders can request delivery of a single copy of the annual report and proxy statement by contacting the Company at the above address.

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

All of the Company's directors serve annual terms which expire on the date of the Annual Meeting. At the Annual Meeting, the stockholders will elect six directors to hold office, subject to the provisions of the Company's Certificate of Incorporation and Bylaws, until the Annual Meeting of Stockholders in 2003 and until their respective successors shall have been duly elected and qualified.

The Company has agreed to nominate and use its best efforts to elect and cause to remain as directors (i) Mason P. Slaine, for so long as he beneficially owns, within the meaning of Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), at least 5% of the outstanding shares of Common Stock, unless the Company terminates his employment for "Just Cause" (as defined in his employment agreement) and (ii) at least one or two nominees of Warburg Pincus Ventures, L.P. ("Warburg Pincus"), for so long as Warburg Pincus owns at least 10% or 20%, respectively, of the outstanding shares of Common Stock.

Unless contrary instructions are given, the persons named in the enclosed proxy or their substitutes will vote FOR the election of the six director nominees named below. The Board believes that all of the nominees are willing to serve as directors. However, if any nominee at the time of election is unable to serve or is otherwise unavailable for election, and as a result other nominees are designated by the Board, the persons named in the enclosed proxy or their substitutes intend to vote for the election of such designated nominees.

The nominees for election as directors to serve until the Annual Meeting of Stockholders in 2003, together with certain information about them, are set forth below:

PROPOSAL NUMBER TWO THE STOCK OPTION PLAN PROPOSAL

On July 15, 1998, the Board adopted the Company's 1998 Stock Option Plan (the "Option Plan"), and reserved 866,886 shares of Common Stock for issuance under the Option Plan. In the past two years, the stockholders authorized an increase in the number of shares of Common Stock reserved for issuance by 1,100,000 to a total of 1,966,886. The Board has amended and restated the Option Plan, subject to stockholder approval, to increase the number of shares of Common Stock reserved for issuance thereunder by an additional 500,000 to a total of 2,466,886 shares.

The Company is seeking stockholder approval of the Option Plan in order to comply with the requirements of Sections 162(m) and 422 of the Internal Revenue Code of 1986 (the "Code") and the requirements of the New York Stock Exchange ("NYSE"). The following summary of the Option Plan is qualified in its entirety

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

by express reference to the text of the Option Plan, a copy of which was filed with the Commission as an appendix to this Proxy Statement. Under the Option Plan, options to purchase shares of Common Stock may be granted which are qualified as "incentive stock options" within the meaning of Section 422 of the Code ("ISOs") and which are not so qualified ("NQSOs") (collectively or individually, ISOs and NQSOs may be referred to as "Options").

PURPOSE AND ELIGIBILITY

The purpose of the Option Plan is to promote the Company's long-term financial success by enhancing the Company's ability to attract, retain and reward individuals who can and do contribute to such success and to further align the interests of the Company's key personnel with its stockholders. The full-time employees of the Company and its subsidiaries, and its directors, are eligible to receive Options under, and participate in, the Option Plan. The approximate number of individuals eligible to participate in the Option Plan is 470.

ADMINISTRATION

The Option Plan is generally administered by the full Board of Directors, except that the Compensation Committee makes all determinations relating to the Company's executive officers (for purposes of this Proposal, the entity administering the Option Plan is hereafter referred to as the "Committee"). The Committee, in its sole discretion, determines which individuals may participate in the Option Plan and the type, extent and terms of the Option awards to be granted. In addition, the Committee interprets the Option Plan and makes all other determinations with respect to the administration of the Option Plan.

OPTIONS

The Option Plan allows for the discretionary grant of Options by the Committee to eligible individuals. The terms and conditions of Options granted under the Option Plan are set out from time to time in agreements between the Company and the individuals receiving such Options.

The Committee may grant Options to any eligible person; provided, however, that only employees of the Company and its subsidiaries may receive ISOs. The exercise price of the Options will be determined by the Committee at the time of grant and will be set forth in a Stock Option Agreement between the Company and the participant ("Stock Option Agreement"); provided, however, that the exercise price of an ISO will not be less than the fair market value of the Common Stock on the date of grant. Options will vest and become exercisable within such period or periods (not to exceed 10 years) as determined by the Committee and set forth in the Stock Option Agreement. Options will have a 10-year term from the date of grant, subject to earlier termination upon termination of a participant's employment or service as a director, as applicable, as determined by the Committee and

5

as set forth in the Stock Option Agreement. Options that have become exercisable may be exercised by delivery of written notice of exercise to the Committee accompanied by full payment of the Option exercise price and any applicable withholding. The Option exercise price may be paid in cash, by certified check, bank draft or money order payable to the order of the Company or in accordance with any cashless exercise procedures adopted by the Committee.

ADJUSTMENTS FOR RECAPITALIZATION, MERGER, ETC. OF THE COMPANY

The Option Plan and any outstanding Options shall be subject to adjustment, as determined by the Committee, as to the maximum number of shares that may be

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

granted under the Option Plan, the maximum number of shares with respect to which options may be granted to any single individual during any calendar year under the Option Plan, the number of shares covered by each outstanding Option, and/or the exercise price thereof in the event of certain changes in the outstanding Common Stock by reason of stock splits or other subdivision or consolidation of shares of Common Stock, or by reason of other capital adjustments occurring after the date of grant of any such Option. In the event of a sale, reorganization, consolidation or merger of the Company (a "Corporate Event"), (i) an individual holding outstanding Options shall be entitled to receive upon the exercise of an Option, the same number and kind of shares of Common Stock or the same amount of property, cash or other securities as he or she would have been entitled to receive upon the occurrence of such Corporate Event as if he or she had been, immediately prior to such event or on the record date relating to such event, the holder of the number of shares of Common Stock covered by his or her Options, and (ii) if the Company is not the surviving corporation as a result of such Corporate Event, the Company shall require the successor corporation or its parent to assume such outstanding Options; provided, however, that the Committee may, in its discretion and in lieu of requiring such assumption, provide that all outstanding Options shall terminate as of the consummation of such Corporate Event and accelerate the exercisability of all outstanding Options to any date prior to the date of such Corporate Event.

EFFECT OF CHANGE IN CONTROL

In the event of a Change in Control (as defined in the Option Plan), notwithstanding any vesting schedule provided for by the Committee, all Options shall become immediately exercisable with respect to 100 percent of the shares subject to such Option.

SHARES SUBJECT TO THE OPTION PLAN

As noted above, the Option Plan has been amended, subject to stockholder approval, to increase the maximum number of shares of Common Stock available for issuance thereunder by 500,000 to a total of 2,466,886 shares; provided, however, that options covering no more than 350,000 shares of Common Stock may be issued to any one person during any one year.

MARKET VALUE

The closing price of the Common Stock on the NYSE on March 15, 2002 was \$27.89 per share.

AMENDMENT AND TERMINATION

The Board may from time to time, to the extent permitted by applicable law, amend, suspend, or discontinue the Option Plan; provided, however, that the Board may not take any action which would have a material adverse effect on outstanding Options or any unexercised rights under outstanding Options without the consent of participants whose Options would be adversely affected thereby.

6

FEDERAL TAX CONSEQUENCES

The following is a brief discussion of the Federal income tax consequences of transactions with respect to Options under the Option Plan based on the Code, as in effect as of the date of this summary. This discussion is not intended to be exhaustive and does not describe any state or local tax consequences.

ISOS. No taxable income is realized by the optionee upon the grant or exercise of an ISO. If Common Stock is issued to an optionee pursuant to the

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

exercise of an ISO, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of grant or within one year after the transfer of such shares to such optionee, then (1) upon the sale of such shares, any amount realized in excess of the Option price will be taxed to such optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) no deduction will be allowed to the Company for Federal income tax purposes.

If the Common Stock acquired upon the exercise of an ISO is disposed of prior to the expiration of either holding period described above, generally, (1) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the Option price paid for such shares and (2) the Company will be entitled to deduct such amount for Federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the optionee upon the sale of the Common Stock will be taxed as short-term or long-term capital gain (or loss), depending on how long the shares have been held, and will not result in any deduction by the Company.

If an ISO is exercised more than three months following termination of employment (subject to certain exceptions for disability or death), the exercise of the Option will generally be taxed as the exercise of a NQSO, as described below.

For purposes of determining whether an optionee is subject to an alternative minimum tax liability, an optionee who exercises an ISO generally would be required to increase his or her alternative minimum taxable income, and compute the tax basis in the stock so acquired, in the same manner as if the optionee had exercised a NQSO. Each optionee is potentially subject to the alternative minimum tax. In substance, a taxpayer is required to pay the higher of his/her alternative minimum tax liability or his/her "regular" income tax liability. As a result, a taxpayer has to determine his/her potential liability under the alternative minimum tax.

NQSOS. With respect to NQSOS: (1) no income is realized by the optionee at the time the Option is granted; (2) generally, at exercise, ordinary income is realized by the optionee in an amount equal to the excess, if any, of the fair market value of the shares on such date over the exercise price, and the Company is generally entitled to a tax deduction in the same amount, subject to applicable tax withholding requirements; and (3) at sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

SPECIAL RULES APPLICABLE TO CORPORATE INSIDERS

As a result of the rules under Section 16(b) of the Exchange Act ("Section 16(b)"), and depending upon the particular exemption from the provisions of Section 16(b) utilized, the officers and directors and persons owning more than 10 percent of the outstanding shares of stock ("Insiders") may not receive the same tax treatment as set forth above with respect to the grant and/or exercise of Options. Generally, Insiders will not be subject to taxation until the expiration of any period during which they are subject to the liability provisions of Section 16(b) with respect to any particular Option. Insiders

should check with their own tax advisers to ascertain the appropriate tax treatment for any particular Option.

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

NEW PLAN BENEFITS

Because the grant of awards under the Option Plan is entirely within the discretion of the Committee, the Company cannot forecast the extent or nature of awards that will be granted in the future. Therefore, the Company has omitted the tabular disclosure of the benefits or amounts allocated under the Option Plan. Information with respect to compensation paid and other benefits, including Options granted in respect of the 2001 fiscal year to the Named Executive Officers is set forth in the Summary Compensation Table and the Stock Option Grants in 2001 table contained herein.

RECOMMENDATION AND VOTE

Approval of the Option Plan Proposal requires the affirmative vote of a majority of the shares of Common Stock present, in person or by proxy, at the Annual Meeting, and entitled to vote thereon.

THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE OPTION PLAN PROPOSAL.

8

PROPOSAL NUMBER THREE RATIFICATION OF INDEPENDENT AUDITORS

Subject to stockholder ratification, the Board, upon recommendation of the Audit Committee, has appointed the firm of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2002. This firm has examined the accounts of the Company since inception. If the stockholders do not ratify this appointment, the Board will consider other independent auditors. One or more members of Ernst & Young LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and will be available to respond to questions.

AUDIT FEES

Audit fees billed to the Company by Ernst & Young LLP during the Company's 2001 fiscal year for review of the Company's annual financial statements and those financial statements included in the Company's quarterly reports on Form 10-Q totaled \$337,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not engage Ernst & Young LLP to provide advice to the Company regarding financial information systems design and implementation during the Company's 2001 fiscal year.

ALL OTHER FEES

Fees billed to the Company by Ernst & Young LLP during the Company's 2001 fiscal year for all other services rendered to the Company totaled \$525,000, including audit related services of \$299,000 and non-audit services of \$226,000.

RECOMMENDATION AND VOTE

The affirmative vote of a majority of the shares of Common Stock present, either in person or by proxy, at the Annual Meeting and entitled to vote is required for the ratification of the independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS.

9

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

THE BOARD AND ITS COMMITTEES

AUDIT COMMITTEE. In 2001, the Audit Committee was comprised of Michael Danziger, David Haas and John Purcell. The Audit Committee is responsible for meeting with the Company's independent auditors regarding, among other issues, audits and adequacy of the Company's accounting and control systems. The Audit Committee also recommends a firm of certified independent auditors to serve as the Company's independent auditors, authorizes all audit fees and other professional services rendered by the accountants, reviews the independence of the accountants and ensures the objectivity of the Company's financial statements. It held five meetings in 2001. Additional information regarding the Audit Committee and its functions and responsibilities is included in this Proxy Statement under the caption "Report of the Audit Committee of the Board of Directors."

The Compensation Committee has the authority to determine all matters relating to the compensation of the Company's employees. It held one meeting during 2001. The Board of Directors did not reject any recommendations of the Compensation Committee in 2001.

COMPENSATION OF DIRECTORS

The Chairman of each committee of the Board also receives an annual fee of \$1,000. On August 13, 2001, each Independent Director received a grant of options to purchase 665 shares of Common Stock with an exercise price equal to the then current market price of \$22.55 per share. Subsequent to 2001, each Independent Director will receive an annual grant of a number of options equal to \$15,000 divided by the fair market value of one share of Common Stock on the date of grant, which options will be exercisable at a price per share equal to the fair market value of the Common Stock on such date. All options granted to Independent Directors will vest immediately. Directors who are not Independent Directors will not receive fees for serving on the Board or any committee thereof. In 2001, the Company had three Independent Directors (Messrs. Danziger, Haas and Purcell) and three directors employed by the Company or its affiliates. The Company has an employment agreement, dated as of March 15, 2000, with Mason P. Slaine which provides that Mr. Slaine will serve as President and Chief Executive Officer of the Company until June 30, 2001, subject to automatic one-year renewals unless either party provides notice of non-renewal. Mr. Slaine's employment agreement provides for a base salary of \$325,000 through June 30, 2000, increasing to \$700,000 through June 30, 2001 and \$750,000 through June 30, 2002. Thereafter Mr. Slaine's base salary will be subject to increases at the discretion of the Board of Directors. In addition, Mr. Slaine is eligible to receive an annual cash bonus, as determined by the Board of Directors. He is also entitled to participate in health, insurance, pension, automobile and other benefits provided to other senior executives of the Company.

In connection with the execution of the employment agreement, the Company granted options to Mr. Slaine to purchase 200,000 shares of Common Stock at a purchase price per share equal to the fair market value of one share of Common Stock on the date of grant. These options were canceled by mutual agreement between Mr. Slaine and the Company in February 2001. Under the terms of the agreement, Mr. Slaine was entitled to a second option grant to purchase 200,000 shares of Common Stock at a purchase price per share equal to the fair market value of one share of Common Stock on the date of grant. These options, which were granted in August 2001, vest and become exercisable at the rate of 100,000 shares each on the first and second anniversaries of the date of grant; provided, however, that the options shall become immediately vested and exercisable upon the occurrence of a Change of Control (as defined in the employment agreement), Mr. Slaine's death or his termination of employment on account of disability.

In the event of (i) Mr. Slaine's death during his term of employment with the Company or (ii) the termination of his employment by the Company without "Just Cause" (as defined in the employment agreement) or (iii) his resignation from employment for "Good Reason" (as defined in the employment agreement), the Company is obligated to continue paying Mr. Slaine's base salary for a 12 month period following the date of termination. In addition, the Company is required to continue to provide health insurance benefits during such 12 month period. In the event that Mr. Slaine resigns within 90 days following a Change of Control or the Company terminates Mr. Slaine's employment without Just Cause following a Change of Control, the Company is obligated to pay to Mr. Slaine a lump sum amount equal to three times the sum of (i) his then current base salary and (ii) the bonus he received in the prior fiscal year. In addition, the Company is required to continue to provide health insurance benefits during the 12 month period immediately following such termination. To the extent that any payment under the employment agreement would be subject to an excise tax imposed by Section 4999 of the Code, the Company is required to make gross-up payment (the "Gross-up Payment") to Mr. Slaine to cover the excise tax and any taxes incurred by Mr. Slaine upon the payment of the Gross-up Payment.

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN ANY OF THE COMPANY'S FILINGS UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR THE EXCHANGE ACT THAT MIGHT INCORPORATE FILINGS BY REFERENCE, INCLUDING THIS PROXY STATEMENT, IN WHOLE OR IN PART, THE FOLLOWING REPORT OF THE BOARD OF DIRECTORS AND COMPENSATION COMMITTEE (THE "COMPENSATION COMMITTEE") ON EXECUTIVE COMPENSATION AND THE PERFORMANCE GRAPHS SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS.

REPORT OF THE BOARD OF DIRECTORS AND THE BOARD COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION

The Compensation Committee's responsibilities include establishing the Company's policies governing the compensation of its officers and other key executives. The Compensation Committee approves all elements of compensation for executive officers, including their equity compensation under the Company's 1998 Stock Option Plan (the "Option Plan"). The Board is responsible for overall administration of the Option Plan.

EXECUTIVE COMPENSATION. The Company's compensation program consists of base salary, annual incentive payments, stock options and employee benefits. The goal of the Company's compensation program is to motivate and reward its executive officers and other key employees to improve long-term stockholder value and to attract and retain the highest quality executive and key employee talent available. The Company's executive compensation program is designed to align executive compensation practices with increasing the value of the Common Stock and to foster adherence to, and promotion of, the Company's business mission, values, strategic goals and annual objectives.

Except for equity compensation under the Option Plan to employees that are not executive officers, the Compensation Committee has the authority to determine all matters relating to compensation of the Company's employees. When making compensation decisions, the Compensation Committee considers an executive's scope of responsibilities, level of experience, individual performance and attainment of pre-established goals as well as the Company's business plan and general economic factors. The Compensation Committee also considers input from the Company's Chief Executive Officer and Chief Financial Officer.

BASE SALARY AND BONUS. The salary levels for executive officers are determined by such officer's level of job responsibility and experience, job performance and attainment of pre-established goals. Consideration is also given to salaries for comparable positions within the industry and the Company's ability to pay. The Compensation Committee considers all of these factors and makes an informed decision with respect to any annual salary increases for the executive officers. Bonus payouts to the Company's executive officers and other key employees are based on the attainment of corporate earnings goals and certain individual performance goals.

COMPENSATION OF CHIEF EXECUTIVE OFFICER. The salary paid and stock options granted in fiscal 2001 to Mason Slaine, the Company's Chief Executive Officer, were determined in accordance with specific provisions of his employment agreement. Mr. Slaine did not receive a bonus in fiscal 2001.

OPTIONS. The Board believes that stock options are important to provide an inducement to obtain and retain the services of the Company's employees and the employees of its subsidiaries and to increase their proprietary interest in the Company's success. Long-term incentives in the form of stock options provide a vehicle to reward executive officers only if there is an increase in stockholder value. Stock options are granted on a subjective and discretionary basis within

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

a guideline range that takes into account the position responsibilities of the Company's executive officers and key employees whose contributions and skills are important to the Company's long-term success.

During 2001, the Board approved the issuance of options to purchase a total of 596,395 shares of common stock of the Company to various employees. Such options were granted at exercise prices equal to the respective market prices of the Common Stock on the various dates of grant.

15

POLICY REGARDING QUALIFYING COMPENSATION. Section 162(m) of the Internal Revenue Code imposes a \$1,000,000 limitation on tax-deductible remuneration paid to any one of the five most highly compensated executive officers of a publicly-held corporation, unless the compensation qualifies as "performance-based compensation" or is otherwise exempt from the provisions of Section 162(m). None of the compensation paid to executive officers exceeded the limits of Section 162(m) for the fiscal year ended December 31, 2001.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is responsible for overseeing the Company's financial reporting process and for recommending to the Board of Directors, subject to stockholder ratification, the selection of the Company's independent auditors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The Audit Committee is composed of independent directors of the Company, as defined by the New York Stock Exchange listing standards, and acts pursuant to a written charter adopted by the Board of Directors. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards.

The Audit Committee has discussed with the independent auditors the matters

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The independent auditors provided to the Audit Committee the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended. The Audit Committee has reviewed and discussed with the independent auditors the firm's independence and has considered the compatibility of non-audit services with the auditor's independence.

The Audit Committee discussed with the independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, both with and without management present, to discuss the results of their examinations, their evaluation of internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001.

Section 16(a) of the Exchange Act ("Section 16(a)") requires the Company's executive officers, directors and persons who beneficially own more than 10% of the Common Stock to file initial reports of ownership and reports of changes in ownership with the Commission and the NYSE. Executive officers, directors and greater than 10% beneficial owners are required by Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms furnished to the Company and written representations from the executive officers, directors and greater than 10% beneficial owners, the Company believes that all Section 16(a) filing requirements applicable to the Company's executive officers, directors and greater than 10% owners were complied with during Fiscal 2001, except for stock option grants to Messrs. Danziger, Haas, Pandey, Purcell and Wolfson that were not reported on Form 4. Such option grants were included on Form 5's filed by the officers and directors listed above in March 2002.

STOCKHOLDER NOMINATIONS AND PROPOSALS FOR 2003

Any proposals intended to be presented by stockholders at the Company's 2003 Annual Meeting of Stockholders must meet the requirements of Rule 14a-8 of the Commission relating to stockholders' proposals. A stockholder proposal outside of the processes of Rule 14a-8 will be considered untimely if received by the Company after February 14, 2003.

OTHER BUSINESS

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

It is not anticipated that there will be presented to the Annual Meeting any business other than the election of directors, the approval of the Option Plan Amendment and the ratification of accountants, and the Board was not aware of any other matters which might properly be presented for action at the Annual Meeting. If any other business should come before the Annual Meeting, the persons named on the enclosed proxy card will have discretionary authority to vote all proxies in accordance with their best judgment.

Proxies in the form enclosed are solicited by or on behalf of the Board. The cost of this solicitation will be borne by the Company. In addition to the solicitation of the proxies by use of the mails, some of the Company's officers and regular employees, without extra remuneration, may solicit proxies personally, or by telephone or otherwise. In addition, arrangements will be made with brokerage houses and other custodian, nominees and fiduciaries to forward proxies and proxy material to their principals, and the Company will reimburse them for their expenses in forwarding soliciting materials, which are not expected to exceed \$5,000.

It is important the proxies be returned promptly. Therefore, stockholders are urged to sign, date and return the enclosed proxy card in the accompanying stamped and addressed envelope.

ARTICLE IX

TRANSFERABILITY

Options and any Optionee's rights and interest under the Plan, including amounts payable, may not be sold, assigned, donated, or transferred or otherwise disposed of, mortgaged, pledged or encumbered except, in the event of an Optionee's death, by will or the laws of descent and distribution; PROVIDED, HOWEVER, the Committee may, in its sole discretion, allow for transfer of Options other than ISOs to other persons or entities, subject to such conditions or limitations as it may establish.

ARTICLE X

ADJUSTMENT FOR RECAPITALIZATION, MERGER, ETC.

(a) The aggregate number of shares of Common Stock which may be purchased pursuant to Options granted hereunder, the maximum number of shares of Stock with respect to which Options may be granted to any single Optionee during any calendar year, the number of shares of Common Stock covered by each outstanding Option and the price per share thereof shall be appropriately adjusted for any increase or decrease in the number of outstanding shares of Common Stock resulting from a stock split or other subdivision or consolidation of shares of Common Stock, or for other capital adjustments or payments of stock dividends or distributions or other increases or decreases in the outstanding shares of Common Stock effected without receipt of consideration by the Company.

(b) If the Company shall be sold, reorganized, consolidated, or merged with another corporation, or if all or substantially all of the assets of the Company shall be sold or exchanged (a "Corporate Event"), (i) each Optionee shall, at the time of such Corporate Event, be entitled to receive upon the exercise of his Option the same number and kind of shares of

common stock or the same amount of property, cash or other securities as he would have been entitled to receive upon the occurrence of such Corporate Event as if he had been, immediately prior to such event or on the record date relating to such event, the holder of the number of shares of Common Stock covered by his Option, and (ii) if the Company is not the surviving

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

corporation in such Corporate Event, the Company shall require the successor corporation or parent thereof to assume such outstanding Options; PROVIDED, HOWEVER, that the Committee may, in its discretion and in lieu of requiring such assumption, provide that all outstanding Options shall terminate as of the consummation of such Corporate Event and accelerate the exercisability of all outstanding Options to any date prior to the date of such Corporate Event.

(c) The foregoing adjustments and the manner of application of the foregoing provisions shall be determined by the Committee in its sole discretion. Any such adjustment may provide for the elimination of any fractional share which might otherwise become subject to an Option.

ARTICLE XI

CHANGE OF CONTROL

In the event of a Change of Control, each outstanding Option under the Plan shall vest and become immediately exercisable in full as of the date immediately preceding the date of such Change of Control, or such other date, not later than the date of such Change of Control, as shall be established by the Committee in its discretion. For purposes of the Plan, a "Change of Control" shall mean:

(a) The acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) (a "Person") of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 50% or more of either (i) the then outstanding shares of Common Stock (the "Outstanding Company Stock") or (ii) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "Outstanding Company Voting Securities"); provided, however, that for purposes of this subsection (a), the following acquisitions shall not constitute a Change of Control: (i) any acquisition directly from the Company, (ii) any acquisition by the Company, (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company, (iv) any acquisition by WP Ventures, or (v) any acquisition by any corporation pursuant to a transaction which complies with clauses (i), (ii), and (iii) of subsection (c) of this Article XI;

(b) Individuals who, as of the date hereof, constitute the Board (the "Incumbent Board") cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the effective date of the Plan whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be

A-5

considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(c) Consummation of a Corporate Event, unless, following such Corporate Event, (i) all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Stock

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

and Outstanding Company Voting Securities immediately prior to such Corporate Event beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors of the corporation resulting from such Corporate Event (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) upon consummation of such Corporate Event in substantially the same proportions as their ownership, immediately prior to such Corporate Event, of the Outstanding Company Stock and Outstanding Company Voting Securities, as the case may be, (ii) no Person other than (1) WP Ventures, (2) any corporation resulting from such Corporate Event, or (3) any employee benefit plan (or related trust) of the Company or such corporation resulting from such Corporate Event, beneficially owns, directly or indirectly, 50% or more of, respectively, the then outstanding shares of common stock of the corporation resulting from such Corporate Event or the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the Corporate Event, and (iii) at least a majority of the members of the board of directors of the corporation resulting from such Corporate Event were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Corporate Event; or

(d) Approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

ARTICLE XII

RIGHTS AS A STOCKHOLDER

An Optionee or a transferee of an Option shall have no rights as a stockholder with respect to any shares covered by his Option until he shall have become the holder of record of such shares, and he shall not be entitled to any dividends or distributions or other rights in respect of such shares for which the record date is prior to the date on which he shall have become the holder of record thereof.

A-6

ARTICLE XIII

EMPLOYMENT RIGHTS

Nothing in the Plan or in any Option Agreement entered into hereunder shall confer on any Optionee who is an employee of the Company or any of its subsidiaries any right to continue in the employ of the Company or any of its subsidiaries or to interfere in any way with the right of the Company or any of its subsidiaries to terminate the Optionee's employment at any time.

ARTICLE XIV

TRANSFER RESTRICTIONS

Appropriate legends shall be placed on the stock certificates evidencing shares issued upon exercise of Options to reflect any relevant transfer restrictions.

ARTICLE XV

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

AMENDMENT OR DISCONTINUANCE OF PLAN

The Board may from time to time, to the extent permitted by applicable law, amend, suspend, or discontinue the Plan; provided, however, that the Board may not take any action which would have a material adverse effect on outstanding Options or any unexercised rights under outstanding Options without the consent of the Optionee whose options would be adversely affected thereby.

ARTICLE XVI

CANCELLATION OF OPTIONS

The Committee, in its discretion, may, with the express written consent of the Optionee to be affected, cancel any Option held by such consenting Optionee hereunder.

ARTICLE XVII

MISCELLANEOUS

(a) Notwithstanding any other provision of the Plan, the Company or a subsidiary, as appropriate, shall have the right to deduct from all Option exercises Common Stock, valued at fair market value on the date of payment, in an amount necessary to satisfy all Federal, state or local taxes as required by law to be withheld with respect to such Options. In the alternative, in the sole discretion of the Company, the Optionee or other person receiving such Common Stock may be required to pay to the Company or a subsidiary, as appropriate,

A-7

prior to delivery of such Common Stock, the amount of any such taxes which the Company or subsidiary is required to withhold, if any, with respect to such Common Stock. Subject in particular cases to the disapproval of the Committee, the Company may accept shares of Stock of equivalent fair market value in payment of such withholding tax obligations if the Optionee elects to make payment in such manner.

(b) The obligation of the Company to make payment of Option exercises in shares of Common Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Option to the contrary, the Company shall be under no obligation to offer to sell or to sell and shall be prohibited from offering to sell or selling any shares of Common Stock pursuant to an Option unless such shares have been properly registered for sale pursuant to the Securities Act of 1933 with the Securities and Exchange Commission or unless the Company has received advice of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act of 1933 any of the shares of Common Stock to be offered or sold under the Plan. If the shares of Stock offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act of 1933, the Company may restrict the transfer of such shares and may legend the Stock certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

(c) The Plan shall be governed by and construed in accordance

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

with the laws of the State of Delaware without reference to the principles of conflicts of law thereof.

(d) No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes.

(e) Except as otherwise specifically provided in the relevant plan document, no payment under the Plan or other amount required to be reported as income for Federal income tax purposes shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company.

(f) The expenses of administering the Plan shall be borne by the Company. The proceeds received by the Company from the exercise of any Options pursuant to the Plan will be used for general corporate purposes.

(g) Masculine pronouns and other words of masculine gender shall refer to both men and women.

A-8

(h) The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

(i) Except as otherwise specifically provided in the Plan, no person shall be entitled to the privileges of ownership in respect of shares of Common Stock which are subject to Options hereunder until such shares have been issued to that person.

ARTICLE XVIII

SPECIAL PROVISIONS FOR ISOS

(a) ISOs must be granted within ten years from the date the Plan is adopted, or the date the Plan is approved by the stockholders of the Company, whichever is earlier.

(b) ISOs may not be exercised after the expiration of ten years from the date such ISOs are granted.

(c) The Exercise Price of ISOs may not be less than the fair market value of a share of Common Stock at the time such ISOs are granted, as determined by the Committee. In such case, fair market value shall be determined in a manner consistent with the rules and regulations under Section 422 of the Code.

(d) ISOs may not be granted to a person who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any "subsidiary corporation" of the Company within the meaning of Section 424(f) of the Code.

(e) To the extent the aggregate fair market value of the Common Stock with respect to which ISOs are exercisable for the first time by any Optionee during a calendar year (under all plans of the Company and all

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

"subsidiary corporations" of the Company within the meaning of Section 424(f) of the Code) exceeds \$100,000, such ISOs shall be treated as Non-Qualified Options. For purposes of the preceding sentence, the fair market value of the Common Stock shall be determined by the Committee at the time the ISO covering such stock is granted.

(f) No ISOs may be granted under the Plan unless the Plan has been approved by the stockholders of the Company within 12 months before or after the date of the Plan's adoption by the Board.
