-

Item 1.01 Entry into a Material Definitive Agreement

The information included in Item 2.03 of this Current Report on Form 8-K is incorporated by reference into this Item 1.01.

Item 2.03 Creating of a Direct Financial Obligation or an Obligation under and Off-Balance Sheet Arrangement of a Registrant.

On February 12, 2015, New Jersey Natural Gas Company (“NJNG”), a wholly-owned subsidiary of New Jersey Resources Corporation (“NJR”), and certain institutional investors in the private placement market (“Purchasers”) entered into a Note Purchase Agreement (“Note Purchase Agreement”), under which NJNG has agreed to sell, and the Purchasers have agreed to purchase on April 15, 2015, subject to customary closing conditions, \$50 million of NJNG’s 2.82% Series A Senior Notes due April 15, 2025 (“Series A Notes”) and \$100 million of NJNG’s 3.66% Series B Senior Notes due April 15, 2045 (“Series B Notes,” and collectively, the “Notes”). The Notes will be secured by an equal principal amount of NJNG’s First Mortgage Bonds issued under NJNG’s Amended and Restated Indenture of Mortgage and Deed of Trust dated September 1, 2014 between NJNG and U.S. Bank National Association, in its capacity as Trustee, as amended and supplemented by the First Supplemental Indenture to be dated as of April 1, 2015. Accordingly the Notes will be secured ratably with NJNG’s First Mortgage Bonds in the collateral pledged to secure such bonds. The proceeds of the Notes will be used for general corporate purposes, including to refinance or retire debt and to fund capital expenditure requirements.

Interest will accrue on the Series A Notes at 2.82% per annum and on the Series B Notes at 3.66% per annum and will be payable on April 15 and October 15 of each year, beginning October 15, 2015 and on the respective maturity date. NJNG may at any time and from time to time prepay all or a portion of the Notes at a make-whole prepayment price. The Notes are also subject to required prepayments upon the occurrence of certain events. The Notes will not be registered under the Securities Act of 1933 (“Securities Act”) or under the securities laws of any jurisdiction. The Notes will be subject to certain restrictions on transfer and may only be sold in transactions exempt from, or not subject to, the registration requirements of the Securities Act.

The Note Purchase Agreement contains customary representations and warranties of the Company and the Purchasers and also contains customary events of default and certain covenants which will limit NJNG’s ability beyond agreed upon thresholds, to, among other things: (i) incur liens; (ii) make dispositions of assets; (iii) enter into transactions with affiliates; and (iv) merge, consolidate, transfer, sell or lease all or substantially all of NJNG’s assets. These covenants are subject to a number of important exceptions and qualifications set forth in the Note Purchase Agreement.

NJR is not obligated directly or contingently with respect to the Notes or the First Mortgage Bonds.

The above description of the Note Purchase Agreement is qualified in its entirety by reference to the entire Note Purchase Agreement attached hereto as Exhibit 4.1 and incorporated by reference. The description of the First Supplemental Indenture is qualified in its entirety by reference to the entire First Supplemental Indenture to be filed as an Exhibit with NJR’s next Quarterly Report on Form 10-Q.

Item 9.01. Financial Statements and Exhibits.

(c) Exhibits.

Exhibit 4.1 \$150,000,000 Note Purchase Agreement dated as of February 12, 2015, by and among New Jersey Natural Gas Company and the Purchasers party thereto

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
