ITEM 9. REGULATION FD DISCLOSURE

The Registrant has filed with the Securities and Exchange Commission a preliminary prospectus supplement and accompanying prospectus for the offering by the Registrant of 2,750,000 of its Class A Common Units through a group of underwriters for whom UBS Warburg LLC and Lehman Brothers Inc. are acting as joint book-running managers. The prospectus supplement also relates to an option granted by the Registrant to the underwriters to purchase an additional 412,500 Class A Common Units to cover any over-allotments. The Registrant intends to use the net proceeds from this offering to repay a portion of its existing indebtedness. This current report on Form 8-K does not constitute an offer for sale of any securities of the Registrant. The offer is being made only through the prospectus, as supplemented, which is part of a shelf registration statement that became effective in October 2001.
