Material Fact

Non-recurring Payment of Interest on Shareholders' Equity

The Board of Executive Officers of Banco Bradesco S.A. decided today to submit to the Board of Directors, which will resolve at the meeting to be held on September 30, 2016, proposal for the non-recurring payment of Interest on Shareholders' Equity related to the third quarter of 2016 totaling **R\$3,317,000,000.00**, corresponding to **R\$0.571123466** per common shares and **R\$0.628235813** per preferred share.

If the proposal is approved:

a) the shareholders benefitted will be those of record on September 30, 2016 (declaration date), with the shares being traded "ex-right" on non-recurring interest, as of October 3, 2016; and

b) the payment will be made on March 8, 2017 based on the net amount of **R\$0.485454946** per common share and **R\$0.534000441** per preferred share, already deducting fifteen percent (15%) as withholding income tax, except for corporate shareholders

who are exempt from said tax and will received the declared amount.

The non-recurring interest on shareholders' equity, net of Withholding Income Tax, to be approved corresponds to approximately 33 times the amount of interest on equity monthly paid and will be computed in the calculation of the mandatory dividends for the fiscal year, as provided in the bylaws.

The Company may, based on income calculated at the end of 2016 fiscal year, pay additional interest on shareholders' equity and/or dividends to the shareholders.

Cidade de Deus, Osasco, SP, September 20, 2016.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
