Dear Fellow Stockholders:

You are cordially invited to attend the 2019 Annual Meeting of Stockholders (the “Annual Meeting”) of Great Ajax Corp., which will be held at the offices of Mayer Brown LLP, 1221 Avenue of the Americas, New York, New York 10020-1001, on May 28, 2019, at 9:00 a.m. Eastern Time.

All holders of our common stock at the close of business on the Record Date (April 8, 2019), or their duly appointed proxies, are authorized to attend the Annual Meeting. Admission to the meeting will be on a first-come, first-served basis. Because of security reasons at the venue, we request that you provide us with notice of your intention to attend the meeting at least 24 hours before the scheduled time of the Annual Meeting.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Accordingly, on or about April 18, 2019, we will send our stockholders a notice with instructions for accessing the proxy materials and voting via the Internet or by telephone. This notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We believe the use of the Internet and telephone makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The Proxy Statement, the Notice of Annual Meeting of Stockholders and the Annual Report on Form 10-K for the year ended December 31, 2018 (the “2018 Annual Report”) are available at <http://www.proxyvote.com> and may also be accessed through our website at www.great-ajax.com under the “Financial Information — SEC Filings” section. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the proxy card to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in person. Returning the proxy does not deprive you of your right to attend the Annual Meeting and to vote your shares in person.

On behalf of our Board of Directors and our employees, we thank you for your continued interest in and support of our company. We look forward to seeing you on May 28, 2019.

Sincerely,

Lawrence Mendelsohn
Chairman and Chief Executive Officer

PROXY STATEMENT

2019 Annual Meeting of Stockholders

FREQUENTLY ASKED QUESTIONS ABOUT THE ANNUAL MEETING

Why am I receiving this Proxy Statement?

This Proxy Statement contains information related to the solicitation of proxies for use at our 2019 Annual Meeting of Stockholders (the “Annual Meeting”), to be held at the offices of Mayer Brown LLP, 1221 Avenue of the Americas, New York, New York 10020-1001, on May 28, 2019, at 9:00 a.m. Eastern Time, for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders (the “Notice of Annual Meeting”). This solicitation is made by Great Ajax Corp. on behalf of our Board of Directors (the “Board”). “We,” “our,” “us,” and the “Company” refer to Great Ajax Corp.

We have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders of record on April 8, 2019. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or to request to receive a printed set of the proxy materials. Instructions on how to request a printed copy by mail or electronically may be found on the Notice and on the website referred to in the Notice, including an option to request paper copies on an ongoing basis. On or about April 18, 2019, we intend to make this Proxy Statement available on the Internet and to mail the Notice to all stockholders entitled to vote at the Annual Meeting. We intend to mail this Proxy Statement, together with a proxy card, to those stockholders entitled to vote at the Annual Meeting who have properly requested paper copies of such materials, within three business days of such request.

This Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the “2018 Annual Report”) are available at <http://www.proxyvote.com>. This website address contains the following documents: the Notice, the Proxy Statement and proxy card sample, and the 2018 Annual Report. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

What am I being asked to vote on?

You are being asked to vote on the following proposals:

•

Proposal 1 (Re-election of Directors): The re-election of the seven director nominees named in this Proxy Statement, each for a term expiring at the 2020 annual meeting of stockholders;

•

Proposal 2 (Ratification of Moss Adams LLP): The ratification of the appointment of Moss Adams LLP to serve as our registered independent public accounting firm for the year ending December 31, 2019;

•

Proposal 3 (Approval of Executive Compensation): The approval of, on an advisory basis, the compensation of the Company’s named executive officers;

•

Proposal 4 (Frequency of Vote on Executive Compensation): The approval of, on an advisory basis, the frequency of future stockholder advisory votes on the compensation of the Company’s named executive officers; and

•

To transact any other business that may properly come before the Annual Meeting or any adjournment(s) or postponements of the Annual Meeting.

TABLE OF CONTENTS

What are the Board’s voting recommendations?

The Board recommends that you vote as follows:

-
- Proposal 1 (Re-election of Directors): “FOR” each of the Board nominees for re-election as directors;
-
- Proposal 2 (Ratification of Moss Adams LLP): “FOR” the ratification of Moss Adams LLP as our registered independent public accounting firm for the year ending December 31, 2019;
-
- Proposal 3 (Approval of Executive Compensation): “FOR” the non-binding advisory approval of compensation of the Company’s named executive officers; and
-
- Proposal 4 (Frequency of Vote on Executive Compensation): “3 YEARS” as the non-binding advisory vote as to preferred frequency for future non-binding advisory votes on the compensation of the Company’s named executive officers.

Who is entitled to vote at the Annual Meeting?

Only holders of record of our common stock at the close of business on April 8, 2019, the record date for the Annual Meeting (the “Record Date”), are entitled to receive notice of the Annual Meeting and to vote at the meeting. Our common stock constitutes the only class of securities entitled to vote at the meeting. As of April 8, 2019, there were 19,591,329 shares of common stock outstanding (assuming exchange of 624,106 limited partnership units of our operating partnership (“OP Units”) purchased by one such investor on a 1-for-1 basis into shares of our common stock) (see “Principal Stockholders”).

What are the voting rights of stockholders?

Each share of our common stock outstanding on the record date entitles its holder to cast one vote on each matter to be voted on. No dissenters’ rights are provided under the Maryland General Corporation Law, our Articles of Amendment and Restatement or our Amended and Restated Bylaws (the “Bylaws”) with respect to any of the proposals described in this Proxy Statement.

Who can attend the Annual Meeting?

All holders of our common stock at the close of business on the Record Date (April 8, 2019), or their duly appointed proxies, are authorized to attend the Annual Meeting. Admission to the meeting will be on a first-come, first-served basis. Because of security reasons at the venue, we request that you provide us with notice of your intention to attend the meeting at least 24 hours before the scheduled time of the Annual Meeting. If you attend the meeting, you may be asked to present valid photo identification, such as a driver’s license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you are the beneficial owner of shares held in “street name” (that is, through a bank, broker or other nominee), you will need to bring a copy of the brokerage statement reflecting your share ownership as of the Record Date.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

-
- Stockholder of record. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLP, you are considered the stockholder of record of those shares and the Notice is being sent directly to you by us.
-

Beneficial owner of shares held in the street name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in “street name,” and the Notice is being forwarded to you by your broker or nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you

TABLE OF CONTENTS

have the right to direct your broker how to vote your shares and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the organization that holds your shares.

What will constitute a quorum at the Annual Meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of our common stock outstanding on the Record Date (April 8, 2019) will constitute a quorum, permitting the stockholders to conduct business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting for purposes of determining the presence of a quorum at the meeting. As of the Record Date, there were 19,591,329 shares of our common stock outstanding (assuming exchange of 624,106 OP Units purchased by one such investor on a 1-for-1 basis into shares of our common stock) (see “Principal Stockholders”).

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial owners at least ten days before the Annual Meeting. If that happens, the nominees may vote those shares only on matters deemed “routine” by the New York Stock Exchange (“NYSE”), the exchange on which shares of our common stock are listed. On non-routine matters, nominees cannot vote without instructions from the beneficial owner, resulting in a so-called “broker non-vote.”

Under NYSE rules, Proposal 1 (re-election of directors), Proposal 3 (advisory vote on approval of executive compensation) and Proposal 4 (advisory vote on frequency of vote on executive compensation) are considered non-routine proposals. Consequently, if you do not give your broker or other nominee instructions, your broker or other nominee will not be able to vote on these proposals, and broker non-votes may exist with respect to any of these proposals for which you did not specifically cast a vote.

Proposal 2 (ratification of Moss Adams LLP) is the only proposal that is considered “routine” under the NYSE rules. If you are a beneficial owner and your shares are held in the name of a broker or other nominee, the broker or other nominee is permitted to vote your shares on the ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2019, even if the broker or other nominee does not receive voting instructions from you.

How many votes are needed for the proposals to pass?

The proposals have the following voting requirements:

•

Proposal 1 (Re-election of Directors): Directors are elected by plurality vote. There is no cumulative voting in the election of directors. Therefore, the seven director nominees receiving the highest number of “FOR” votes will be re-elected. For purposes of the re-election of directors, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

•

Proposal 2 (Ratification of Appointment of Registered Independent Public Accounting Firm): The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve this proposal. For purposes of this vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

TABLE OF CONTENTS

•
Proposal 3 (Approval of Executive Compensation): Votes cast “FOR” this proposal must exceed votes cast “AGAINST” it for the approval of this advisory resolution. Although the vote on this advisory proposal is non-binding, the Compensation Committee of the Board (“Compensation Committee”) and the Board value the opinion of stockholders and will take into account the outcome of the vote when considering future executive compensation decisions.

•
Proposal 4 (Frequency of Vote on Executive Compensation): The option of every year, every two years or every three years that receives the highest number of votes cast by stockholders will reflect the frequency for future say-on-pay votes that has been selected by stockholders. Although the vote on this advisory proposal is non-binding, the Compensation Committee and the Board value the opinion of stockholders and will take into account the outcome of the vote when considering the frequency of future votes on our executive compensation.

Will any other matters be voted on?

As of the date of this Proxy Statement, we are not aware of any matters that will come before the Annual Meeting other than those disclosed in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy card will vote the shares represented by the proxies on the other matters in the manner recommended by the Board, or, if no such recommendation is given, in the discretion of the proxy holders.

How do I vote?

If you are a registered stockholder, you may submit your proxy by U.S. mail, Internet or telephone by following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by Internet or telephone is 11:59 a.m. Eastern Time the day before the Annual Meeting date, May 27, 2019. The designated proxy will vote according to your instructions. You may also attend the Annual Meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with the Notice. Follow the instructions on the Notice to access our proxy materials and vote by Internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board’s recommendations specified above under “What are the Board’s voting recommendations?” and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the Annual Meeting.

If I plan to attend the Annual Meeting, should I still vote by proxy?

Yes. Voting in advance does not affect your right to attend the Annual Meeting. If you send in your proxy card and also attend the Annual Meeting, you do not need to vote again at the Annual Meeting unless you want to change your vote. Written ballots will be available at the meeting for stockholders of record. Beneficial owners who wish to vote in person at the Annual Meeting must request a legal proxy from the organization that holds their shares and bring that legal proxy to the Annual Meeting.

How are proxy card votes counted?

If the accompanying proxy card is properly signed and returned to us, and not subsequently revoked, it will be voted as directed by you. Unless contrary instructions are given, the persons designated as proxy holders on the proxy card will vote: “FOR” the re-election of all nominees for the Board named in this Proxy Statement and “FOR” the ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and as recommended by the Board with regard to any other matters that may properly come before the Annual Meeting, or, if no such recommendation is given, in their own discretion.

TABLE OF CONTENTS

May I revoke my vote after I return my proxy card?

Yes. You may revoke a previously granted proxy and change your vote at any time before the taking of the vote at the Annual Meeting by (i) filing with our Secretary a written notice of revocation or a duly executed proxy bearing a later date or (ii) attending the Annual Meeting and voting in person.

Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies, including preparation and mailing of the Notice, preparation and assembly of this Proxy Statement, the proxy card and the 2018 Annual Report, coordination of the Internet and telephone voting process, and any additional information furnished to you by us. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of shares of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by Internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final results will be announced in a Current Report on Form 8-K that will be filed with the SEC within four business days after the conclusion of the Annual Meeting and may be accessed from the SEC's website at www.sec.gov.

Whom should I contact if I have any questions?

If you have any questions about the Annual Meeting or these proxy materials, please contact us at Great Ajax Corp., 9400 SW Beaverton-Hillsdale Hwy, Suite 131, Beaverton, OR 97005, Attn: Corporate Secretary, or call (503)-505-5670. TABLE OF CONTENTS

PROPOSAL 1 — RE-ELECTION OF DIRECTORS

The Board is currently comprised of seven directors, all of whom have terms expiring at the 2019 Annual Meeting. The nominees, all of whom are currently serving as our directors, have been recommended by the Board for re-election to serve as directors for one-year terms until the 2020 annual meeting of stockholders and until their successors are duly elected and qualified. Based on its review of the relationships between the director nominees and us, the Board has affirmatively determined that the following directors are “independent” directors under the rules of the NYSE and under applicable rules of the Securities and Exchange Commission (the “SEC”): Messrs. Condas, Friedman, Handley and Ogren.

The Board knows of no reason why any nominee would be unable to serve as a director. If any nominee is unavailable for re-election or service, the Board may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board. Under these circumstances, the Board may also, as permitted by our Bylaws, decrease the size of the Board.

PROPOSAL 3 — ADVISORY RESOLUTION TO APPROVE EXECUTIVE COMPENSATION

Section 14A of the Exchange Act and the rules and regulations promulgated thereunder provide that, not less frequently than once every three years, an issuer shall include in its proxy statement for its annual meeting of stockholders an advisory resolution subject to a stockholder vote to approve the compensation of the Company's named executive officers. We are no longer an emerging growth company under the Jumpstart our Business Startups Act of 2012 (the "JOBS Act") and are required to hold an advisory stockholder vote to approve the compensation of the Company's named executive officers beginning with the Annual Meeting.

At the Annual Meeting, you are asked to approve the compensation of the Company's named executive officers as described under the heading "Compensation Discussion and Analysis," the compensation tables and the related narrative discussion, by voting in favor of the following advisory resolution:

"RESOLVED, that the stockholders of Great Ajax Corp. approve the compensation of the named executive officers as discussed and disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion."

Under the rules and regulations of the SEC, your vote is advisory and will not be binding upon the Company or the Board and will not be construed to overrule any decision by the Company or the Board or require the Board to take any action. However, the Compensation Committee and the Board will take the results of this advisory vote into consideration when considering future compensation arrangements for the named executive officers and whether any adjustments or modifications are warranted.

Vote Required and Recommendation

The affirmative vote of a majority of the votes cast at the Annual Meeting will approve this advisory resolution. As discussed in this Proxy Statement, the Compensation Committee and the Board believe that the Company's compensation programs and the actual compensation paid to the named executive officers are supportive of the long-term interests of the Company and the creation of value for the Company's stockholders.

Accordingly, the Board unanimously recommends a vote FOR the approval of the advisory resolution approving the compensation of the named executive officers, as described in this Proxy Statement.

TABLE OF CONTENTS

PROPOSAL 4 — ADVISORY RESOLUTION TO DETERMINE FREQUENCY OF VOTE ON AN ADVISORY RESOLUTION TO APPROVE EXECUTIVE COMPENSATION

Section 14A of the Exchange Act and the rules and regulations promulgated thereunder provide that, not less frequently than once every six years, an issuer shall include in its proxy statement for its annual meeting of shareholders an advisory resolution subject to a shareholder vote to determine whether a vote to approve an advisory resolution approving executive compensation, as set forth in Proposal 2 above, will occur every year, every two years or every three years. We are no longer an emerging growth company under the Jumpstart our Business Startups Act of 2012 (the “JOBS Act”) and are required to hold an advisory stockholder vote to approve the preferred frequency of an advisory stockholder vote to approve compensation of the Company’s named executive officers beginning with the Annual Meeting.

At the Annual Meeting, you are asked to vote on the resolution below to determine whether the vote to approve an advisory resolution approving the compensation of the named executive officers will be held every year, every two years or every three years.

“RESOLVED, that the advisory vote required by Section 14A(a)(1) of the Securities Exchange Act of 1934, as amended, to approve the compensation of the named executive officers of Great Ajax Corp. shall occur (i) every year; (ii) every two years; or (iii) every three years at the annual meeting of stockholders of Great Ajax Corp., from and after the Annual Meeting.”

Under the rules and regulations of the SEC, your vote is advisory and will not be binding upon the Company or the Board and will not be construed to overrule any decision by the Company or the Board or require the Board to take any action. However, the Compensation Committee and the Board will take the results of this advisory vote into consideration when considering the frequency of the advisory vote to approve the compensation of the named executive officers.

Vote Required and Recommendation

The interval that receives a plurality of the votes cast at the Annual Meeting will be approved.

The Board believes that the goals of the Company’s executive compensation programs of supporting the long-term interests of the Company and long-term value creation for its stockholders are best served by an advisory vote to approve the compensation of the named executive officers in three-year intervals. The Board is concerned that this long-term focus could be compromised and undermined by holding such vote with any greater frequency by shifting the focus of executive compensation to short-term performance measures. In addition, the Board believes that three-year intervals will afford the Compensation Committee sufficient time to assess the stockholders’ views on the Company’s compensation programs and to effectively deliberate and implement appropriate responses. The three-year time frame will also give stockholders the best opportunity to evaluate the effectiveness of the Company’s compensation programs in view of the Company’s long-term goals.

Accordingly, the Board unanimously recommends a vote in favor of holding the vote to approve an advisory resolution approving the compensation of the named executive officers every **THREE YEARS**.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Profile

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

- the Board is not classified, with each of our directors subject to re-election annually;
- four of our seven directors satisfy the listing standards for independence of the NYSE and Rule 10A-3 under the Exchange Act;

The Board has established three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The principal functions of each committee are described below. Each director attended all Board and applicable committee meetings on which he served during his period of service. Directors are expected to attend, in person or by telephone, all Board meetings and meetings of committees on which they serve.

Risk Management and Oversight Process

Our Board and each of its committees are involved in overseeing risk associated with our operations and business. The Board and the Audit Committee monitor our credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and independent auditors. In its periodic meetings with independent

auditors, the Audit Committee discussed the scope and plan for any internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs. The Audit Committee also discusses with our independent auditors the external audit scope, the independent auditing firm's responsibility under applicable requirements, including, the Standards of the Public Company Accounting Oversight Board, accounting policies and practices and other required communications. The Audit Committee and, where appropriate, the independent members of the Board, review and approve related party transactions under our Related Party Transactions Policy. The Board and the Nominating and Corporate Governance Committee monitor our governance and succession risks by regular reviews with management. with management. In addition, the Board and the investment supervisory committee of the Board (the “Investment Supervisory Committee”) monitor our operations with respect to related party investment transactions, significant investments and overall oversight of our investment strategies, guidelines and policies.

The Board’s role in risk oversight is consistent with our leadership structure, with the CEO and other members of senior management of our Manager, that perform services for us having responsibility for assessing and managing our risk exposure, and the Board and its committees providing oversight in connection with these efforts. See “Board Leadership Structure.”

Director Selection Process

The Nominating and Corporate Governance Committee is responsible for, among other things, the selection and recommendation to the Board of nominees for election as directors. In accordance with the Nominating and Corporate Governance Committee charter and our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee develops on an annual basis guidelines and criteria for the selection of candidates for directors of the Board. In considering director candidates and the composition of the Board, the Nominating and Corporate Governance Committee takes into account factors including, but not limited to, the current composition of the Board as a whole; diversity; age and succession considerations; skills and industry and other experience in the context of the Board’s needs; the desire for a substantial majority of independent directors; and the commitment of time on the part of directors to their service. The Nominating and Corporate Governance Committee aims to advance the Board’s and the company’s goal of having a diverse and inclusive Board with directors having different backgrounds, including, but not limited to, geography, race, ethnicity, gender, and age. Applying these criteria, the Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. After completing the identification and evaluation process described above, the Nominating and Corporate Governance Committee selects the nominees for directorship for stockholders to consider and vote upon at the annual stockholders’ meeting.

Stockholders wishing to recommend individuals for consideration as directors must follow the procedures described in Article II, Section 11 of the Company’s Bylaws, including (among other requirements) the giving of written notice of the nomination to our Secretary no later than the close of business on the 90th nor earlier than the close of business on the 120th day prior to the first anniversary of the date of the proxy statement for the previous year’s annual meeting.

The stockholder’s notice must set forth as to each nominee all information relating to the person that would be required to be disclosed in a solicitation of proxies for election of directors pursuant to Regulation 14A under the Exchange Act if the candidate had been nominated by or on behalf of the Board. Recommendations by stockholders that are made in this manner will be evaluated in the same manner as other candidates. See “Other Matters — Stockholder Proposals and Nominations for the 2020 Annual Meeting.”

Code of Business Conduct and Ethics

The Board established a Code of Business Conduct and Ethics that applies to our officers, directors and employees and a Code of Ethics for the CEO, CFO and other senior financial officers that applies to our CEO, CFO and other senior financial officers. Among other matters, our code of business conduct and ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and

- accountability for adherence to the code of business conduct and ethics.

TABLE OF CONTENTS

Any waiver of the Code of Business Conduct and Ethics must be approved by the Compliance Officer or such officer's designee. Any waiver of the Code of Ethics for the CEO, CFO and other senior financial officers must be approved in writing by the Board. Any such waiver shall be promptly disclosed to stockholders as required by law or NYSE regulations.

Hedging and Pledging Policy

Under the Company's Insider Trading Policy, Company personnel are prohibited from engaging in any of the following activities involving the Company's shares: pledging Company securities, short sales, buying or selling puts or calls, or engaging in derivative transactions relating to the Securities (e.g., exchange traded options, etc.).

Availability of Corporate Governance Materials

Stockholders may view our corporate governance materials, including the charters of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics and the Code of Ethics for the CEO and CFO, on our website at www.great-ajax.com under the "Investor Relations — Company Information" tab, and these documents are available in print to any stockholder who sends a written request to such effect to Great Ajax Corp., 9400 SW Beaverton-Hillsdale Hwy, Suite 131, Beaverton, OR 97005, Attention: Corporate Secretary. Information at or connected to our website is not and should not be considered a part of this Proxy Statement.

Independence of Directors

NYSE listing standards require NYSE-listed companies to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent directors. Under the NYSE listing standards, no director of a company qualifies as "independent" unless the board of directors of the company affirmatively determines that the director has no material relationship with the company (either directly or as a partner, stockholder or officer of an organization that has a relationship with such company).

The Board currently has seven directors, a majority of whom the Board affirmatively has determined, after broadly considering all relevant facts and circumstances, to be "independent" under the listing standards of the NYSE and under applicable rules of the SEC. The Board affirmatively has determined that each of the following directors is independent under these standards: Messrs. Condas, Friedman, Handley and Ogren. Messrs. Mendelsohn and Schaub are not independent as they are executive officers of the Company. Mr. Begleiter is not independent as he is the designee of Flexpoint REIT Investor (as defined below). See "Certain Relationships and Related Party Transactions Agreements with Anchor Investors Flexpoint Ford."

Board Leadership Structure

Mr. Mendelsohn serves as the Chairman of the Board and CEO. The Board has reviewed its current leadership structure and has determined that the combined Chairman and CEO position is currently the most appropriate and effective leadership structure for the Company. Mr. Mendelsohn has been involved with the mortgage markets for more than 25 years. As the individual primarily responsible for the day-to-day management of business operations, he is best positioned to chair regular Board meetings as the directors discuss key business and strategic issues.

Executive Sessions of Non-Management Directors

Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, in order to promote open discussion among non-management directors since our IPO, our non-management directors meet in executive sessions without management participation regularly. The non-management directors determine among themselves which non-management directors will preside over each executive session (the "presiding independent director"), although the same director is not required to preside at all such executive sessions. The presiding independent director approves the meeting agenda items, and serves as a liaison between the Chairman of the Board and the independent directors with respect to matters discussed at each such executive session.

TABLE OF CONTENTS

Communications with the Board

Stockholders and other interested parties may communicate with the Board by sending written correspondence to the Corporate Secretary of Great Ajax Corp., 9400 SW Beaverton-Hillsdale Hwy, Suite 131, Beaverton, OR 97005. The independent, non-employee directors have directed our Secretary to act as their agent in processing any communications received. All communications that relate to matters within the scope of the responsibilities of the Board and its standing committees are to be forwarded to the Chairman of the Board. Communications that relate to matters that are within the scope of the responsibilities of one of the Board's standing committees are also to be forwarded to the chair of the appropriate committee. Communications that relate to ordinary business matters that are not within the scope of the responsibilities of the Board are to be sent to the appropriate member of management.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is or has been an officer or employee of our Company, and no member has any relationship with us requiring disclosure under Item 404 of SEC Regulation S-K. No member of our Compensation Committee currently serves or has served as a member of any board of directors or compensation committee of any other entity that has one or more executive officers serving as a member of our Board.

Legal Proceedings

The nature of our business exposes our properties, us and our operating partnership, Great Ajax Operating Partnership L.P., to the risk of claims and litigation in the normal course of business. Other than routine litigation arising out of the ordinary course of business, neither we nor our officers and directors are presently subject to any material litigation nor, to our knowledge, is any material litigation threatened against us or any of our officers or directors.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Overview

We are externally managed by our Manager under the terms of the management agreement, pursuant to which our Manager provides us with all of the personnel required to manage our operations, including our executive officers. Our Manager or the Servicer makes all decisions relating to the compensation of such officers based on factors it deems appropriate. We do not directly or indirectly reimburse our Manager for the compensation paid to our executive officers. We do not provide any of our executive officers with pension benefits or nonqualified deferred compensation plans. We do not have any employment agreements with any person (except with Ms. Doyle as described below under "— Employment Agreement with Ms. Mary Doyle") and are not obligated to make any payments to any of our executive officers upon termination of employment or a change in control (except with Ms. Doyle as described below under "— Employment Agreement with Ms. Mary Doyle"). See "Certain Relationships and Related Party Transactions — Management Agreement."

Under the Management Agreement by and between the Company and the Manager as amended and restated on March 5, 2019, the Company pays a quarterly base management fee based on our consolidated stockholders' equity per annum and a quarterly and annual incentive management fees based on its cash distributions to its stockholders for the applicable period. Our executive officers are officers or employees of our Manager or Servicer and receive compensation from them as appropriate.

Our Manager and its affiliates' principal compensation philosophy is to seek to align the interests of its professionals with those of its investors and investors in the vehicles that it manages. This alignment is achieved in a number of ways including through the practice of paying annual incentive compensation partly in the form of equity-based awards that are subject to vesting. Our Manager and its affiliates take into consideration various factors in determining the total compensation payable to its professionals including the type, scope and level of responsibility of the professional, competitive market dynamics, the individual contributions made by the professional to the success of the Manager and its affiliates, and corporate citizenship exhibited by the professional.

Except for certain equity grants, our Manager compensates each of our executive officers. Our compensation policies focus mainly on retaining and attracting employees necessary to operate and grow

our business, and to compensate such employees in a manner that will align their interests with the interests of our shareholders. Our Manager, in its discretion, determines the levels of base salary and cash incentive compensation earned by its officers and whether and to what extent our officers will be provided with pension, deferred compensation and other employee benefit plans and programs. We have adopted the 2016 Equity Incentive Plan, under which we may provide incentive compensation to non-employee directors, executive officers, key employees and service providers and to stimulate their efforts toward our continued success, long-term growth and profitability and to attract, reward and retain key personnel.

Say-on-Pay Vote and Say-on-Frequency Vote

We are no longer an emerging growth company and beginning this year, we will provide our stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers and the frequency at which such advisory vote will be held. We have included in this Proxy Statement certain additional information about the compensation of our executive officers that is consistent with disclosure guidance for externally managed companies previously issued by Institutional Shareholder Services, including:

- the aggregate cash compensation paid by our Manager to our named executive officers that is reasonably associated with their management of our Company, as well as a calculation of the percentage of such aggregate cash compensation relative to the aggregate amount of management fees and reimbursements we paid to our Manager during 2018;

- the allocation of such aggregate cash compensation amount between fixed and variable cash compensation; and

- factors considered by our Manager in determining our named executive officers' variable cash compensation.

We have also provided the compensation-related information and data that is required of us, as an externally-managed issuer, per SEC rules and regulations. Such required disclosure focuses primarily on the equity compensation that we pay to our named executive officers, which is set forth in the "Equity Incentive Compensation" section of this Proxy Statement and identifies the factors considered by the Compensation Committee in determining such pay.

Compensation Program

As an externally managed company, we utilize a hybrid approach to the compensation program for our named executive officers and payment of our management fees to our Manager. Our Manager is responsible under the Management Agreement for all cash compensation paid to our named executive officers. Equity incentive compensation that is awarded to our named executive officers from time to time is the responsibility of the Company and is determined by our Compensation Committee in accordance with our 2016 Equity Incentive Plan. As described in more detail in the following sections, we believe that the terms of the Management Agreement and the utilization of our 2016 Equity Incentive Plan effectively align the interests of the Company and our Manager with those of our business, our named executive officers and, most importantly, our stockholders.

Cash Compensation

We do not pay any cash compensation to our named executive officers or to any other employees of our Manager who support our business. Our Manager is responsible for all cash compensation for our executive officers and for making decisions relating thereto based on such factors as our Manager determines appropriate. However, our Manager takes into consideration the interests of the Company in ensuring that its compensation philosophy is consistent with our objectives and consults with our Compensation Committee concerning the cash compensation that it proposes to pay to its employees who serve as our executive officers. The cash compensation paid by our Manager to our executive officers includes salaries and performance-based bonuses for services provided to our company. Cash compensation paid by our Manager to the individuals serving as our executive officers, includes salaries that are derived in part from the management fee we pay to the Manager and in part from various other revenue streams generated by our Manager in its ordinary course of operations as a global asset manager. However, our

TABLE OF CONTENTS

Manager takes into consideration the interests of the Company in ensuring that its compensation philosophy is consistent with our objectives and consults with our Compensation Committee concerning the cash compensation that it proposes to pay to its employees who serve our executive officers. The cash compensation paid by our Manager to our executive officers includes salaries and performance-based bonuses for services provided to our company. Cash compensation paid by our Manager to the individuals serving as our executive officers, includes salaries that are derived in part from the management fee we pay to the Manager.

Our Management Agreement does not require that any specified amount or percentage of the management fees we pay to our Manager be allocated to our named executive officers. However, we estimate that the aggregate compensation of our named executive officers that may reasonably be associated with their management of our Company (exclusive of any salary or other arrangements payable to our executive officers that is attributable to their roles as employees of the Manager) totaled \$400,000 for 2018. This aggregate amount represents approximately 6.5% of the \$6,192,000 in total management fees and reimbursements paid by us to our Manager for 2018.

Of the aggregate cash compensation paid by our Manager to our named executive officers in 2018 that was reasonably associated with their management of our Company, we estimate that approximately 62.5% represented fixed compensation (e.g., salaries) and 37.5% represented variable compensation (e.g., performance-based bonuses). Our Manager does not use a specific formula to calculate the variable pay portion of our named executive officers' compensation. Generally, in determining each executive's variable pay, our Manager will take into account factors such as the individual's position, his or her contribution to our business, the performance of the Company, market practices, and, with respect to the Chief Executive Officer and President, the recommendations of our Compensation Committee, and applies its discretion in considering and weighing such factors.

Cash compensation to our Chief Financial Officer, Ms. Doyle, is paid by our Manager and Servicer and based on the employment agreement as described under "— Employment Agreement with Ms. Mary Doyle". Our Manager does not use a specific formula to calculate the cash compensation for our Chief Financial Officer. In determining our Chief Financial Officer's compensation, our Manager expects to take into account factors such as her contribution to our business, the performance of the Company, market practices and comparisons with peers, the recommendations of our Compensation Committee, and will apply its discretion in considering and weighing such factors.

Equity Compensation

Our Board has delegated its administrative responsibilities under the 2016 Equity Incentive Plan to the Compensation Committee. Our Compensation Committee, which consists solely of independent directors, is responsible for overseeing the equity incentive component of our compensation program, and approves and recommends all equity awards granted pursuant to our 2016 Equity Incentive Plan, which awards are then ratified by the Board. We grant equity compensation to our named executive officers and pay part of our management fees to our Manager in equity awards under the 2016 Equity Incentive Plan. Such equity compensation paid to our named executive officers and our Manager is designed to align the interests of our employees, our Manager and personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement with those of our stockholders, by allowing our Manager and personnel of our Manager and its affiliates to share in the creation of value for our stockholders through stock appreciation and dividends. These awards further provide flexibility to us in our ability to enable our Manager and its affiliates who support our Manager to attract, motivate and retain talented individuals. Restricted shares of Common Stock issued to our independent directors in respect to a portion of their annual director fees are also issued under this plan.

We periodically review our equity compensation program to ensure it reflects strong governance practices and the best interests of our stockholders, while striving to meet the following core objectives:

- Pay for Performance — Our equity compensation program is designed to generate and reward superior individual and collective performance by ensuring that equity compensation is commensurate with the level of achieved company results.

TABLE OF CONTENTS

- Strengthen our Ability to Retain our Work Force — We are a specialized company operating in a highly competitive industry, and our continued success depends on retaining our talented executive team. Our equity compensation program is designed to attract and retain highly qualified executives whose abilities and expertise are critical to our long-term success and our competitive advantage. Continued success over the long term will create opportunities for our named executive officers through their common stock ownership by enabling them to participate in any future appreciation of our common stock and receive dividends.

- Align Interests with Stockholders — We are committed to using our equity compensation program to increase executive stock ownership over the long term and focus our named executive officers' attention on creating value for our stockholders. We believe that equity ownership directly aligns the interests of our named executive officers with those of our stockholders and encourages our named executive officers to focus on creating long-term stockholder value. Accordingly, our named executive officers are prohibited from hedging company stock.

Restricted stock that are granted to our named executive officers under our 2016 Equity Incentive Plan provide for ratable vesting on an annual basis over a three-year period, with accelerated vesting occurring under certain circumstances, as described in greater detail below under "Payments Upon Termination or Change in Control." Under certain circumstances, our named executive officers may be required to forfeit their respective restricted stock awards pursuant to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), the Sarbanes-Oxley Act of 2002, applicable stock exchange listing rules, or any clawback or recoupment policy adopted by the Board or Compensation Committee. The restricted stock awards are treated as issued and outstanding as of the grant date and each named executive officer is entitled to vote the shares and receive dividends as declared and paid thereon; however, the restricted stock remains subject to forfeiture if the executive officer does not comply with the terms of the award agreement, including where the executive officer voluntarily terminates his or her employment with our external manager prior to any applicable vesting dates.

In 2018, our Compensation Committee and Board approved the grant of an aggregate amount of 4,000 shares of restricted common stock (the "2018 Restricted Stock Awards") under our 2016 Equity Incentive Plan to our named executive officers, which awards are set forth in greater detail below under "Grants of Plan-Based Awards." The 2018 Restricted Stock Awards were granted to our named executive officers in recognition of our overall development and the financial performance of the business during the fiscal year ended December 31, 2018. Consistent with our compensation philosophy and objectives discussed above, our Compensation Committee considered a number of key Company results and developments in determining whether it was appropriate to grant awards for the fiscal year ended December 31, 2018. When determining the amount of individual equity awards granted to our named executive officers, our Compensation Committee took into account the individual's expected and actual job performance, the individual's ability to influence the outcome of our Company's future performance, the value of the award in retaining and motivating key personnel, comparable compensation data for similarly situated peers and economic and market conditions generally. Our Compensation Committee considered all of these factors in exercising its discretion to determine the equity awards granted to each named executive officer for his or her performance during 2018. Our Compensation Committee's decision on whether to approve any equity awards in future periods will depend on a number of factors, including intrinsic value creation, shareholder return relative to our peers, achievement of performance objectives reflected in our annual budget and other considerations in the Compensation Committee's sole discretion.

Management Fees

We believe our performance is one of the important factors in determining compensation and our management fees to our Manager are linked closely to our performance. Under the Management Agreement, we pay a quarterly base management fee based on our stockholders' equity and a quarterly and annual incentive management fees based on our cash distributions to stockholders for the applicable period. Our Manager is entitled to an incentive fee only if our Board declares a dividend from REIT taxable income, which on an annualized basis exceeds 8% of our book value per share, and upon earnings exceeding certain thresholds for a given series of calendar quarters. The incentive fee is

payable at the same time that
22

TABLE OF CONTENTS

the dividend is payable to our stockholders. Our Manager will not receive any incentive fee in respect of a dividend constituting a return of capital. We believe structuring our management fees to be tied closely to our performance along with partial payment of such fees in equity awards, better aligns our Manager's interests with our stockholders and mitigates the possibility of excessive risk taking.

Role of Compensation Consultant in Compensation Decisions

The Compensation Committee has not engaged a compensation consultant to date.

Role of Named Executive Officers in Equity-Based Compensation Decisions

Our Compensation Committee makes all equity-based compensation decisions related to our named executive officers. Our Compensation Committee receives input from Mr. Mendelsohn, our Chief Executive Officer, regarding the equity compensation and performance of named executive officers other than himself, including recommendations as to the equity compensation levels that he believes are commensurate with an individual's job performance, skills, experience and qualifications to our Company, as well as with our compensation philosophy, external market data and considerations of internal equity. Mr. Mendelsohn regularly attends meetings of our Compensation Committee, except when our Compensation Committee is meeting in executive session or when his own equity compensation arrangements are being considered. Our Compensation Committee communicates its views and decisions regarding equity compensation arrangements for our named executive officers to Mr. Mendelsohn, who is generally responsible for implementing such arrangements.

Tax Treatment of Compensation

Section 162(m) of the Internal Revenue Code (the "Code") disallows a federal income tax deduction for any publicly held corporation with respect to individual compensation exceeding \$1 million in any taxable year paid to a corporation's chief executive officer and certain other executive officers; beginning in 2018, pursuant to a change to Section 162(m), this limitation generally applies to payments made to employees or former employees who held those positions at any time beginning in 2017, or to their beneficiaries. The changes to Section 162(m) also greatly restrict the ability to design compensation for these officers in a way to ensure its deductibility for a company subject to Section 162(m). We do not have any employees whose compensation exceeded \$1 million in 2018. We do not believe that Section 162(m) has been or is currently applicable to us and, therefore, we do not currently consider the effects of Section 162(m) on the compensation paid to our named executive officers by our Manager or the degree to which it would be advisable to structure the amount and form of equity compensation to our named executive officers so as to maximize our ability to deduct it. If we were to determine that Section 162(m) was applicable to us, our Compensation Committee retains the discretion to provide compensation in an amount or form that would not be deductible under Section 162(m) in circumstances under which it believes the exercise of such discretion would be in the best interest of our company.

Our 2016 Equity Incentive Plan provides that, with respect to awards intended to qualify for relief from the limitations of Section 162(m) of the Code, the maximum number of shares that may underlie awards over any three-year period to any eligible person may not exceed 500,000 as options and 500,000 as other grants. If we were subject to Section 162(m), these limitations on awards would be required under prior Section 162(m) to qualify for deduction of payments to certain officers to settle the awards. As indicated above, management does not believe that Section 162(m) is applicable to us and, moreover, these limitations on awards no longer qualify payments of the awards for deduction; therefore, management does not currently consider and has not previously considered such restrictions in connection with the granting of prior awards.

Compensation Risk Assessment

We believe that our compensation policies and practices are aligned with the interests of our stockholders and do not create risks that are reasonably likely to have a material adverse effect on our Company. We do not believe that our fee arrangement with our Manager or the equity awards granted by us to our named executive officers encourages inappropriate risk taking. As noted above, we are externally managed by our Manager pursuant to the terms of the Management Agreement and all decisions regarding

TABLE OF CONTENTS

cash compensation paid to our named executive officers are made by our Manager. Cash compensation paid by our Manager to the individuals serving as our Chief Executive Officer and President, includes salaries that are derived in part from the management fee we pay to our Manager and in part from various other revenue streams generated by our Manager in its ordinary course of operations.

The base management fee under the Management Agreement is calculated based on a fixed percentage of stockholder equity and is payable quarterly. Calculation of the base management fee is not primarily dependent upon our financial performance or the performance of our named executive officers, thus the base management fee does not create an incentive for our management to take excessive or unnecessary risks. Specifically, the use of stockholders' equity to calculate the base management fee does not result in leveraged pay-out curves, steep pay-out cliffs, or set unreasonable goals and thresholds, each of which can promote excessive and unnecessary risks. Our independent directors review our Manager's performance annually and are provided with the base management fees and expenses each quarter, providing a check upon any improper effort by our management to increase compensation payments indirectly via the pass-through of costs. We will continue to have certain costs allocated to us by our Manager for compensation, data services and proprietary technology and other costs, but most expenses we incur with third-party vendors are paid directly by us. The base management fee itself cannot be increased or revised without the approval of our independent directors. See "Certain Relationships and Related Party Transactions — Management Agreement" for further discussion of the terms of the Management Agreement, including the base management fee payable to our Manager thereunder and our expense reimbursement obligation to our Manager.

In 2018, we granted equity awards to our named executive officers pursuant to our 2016 Equity Incentive Plan. Restricted stock awards granted to our executive officers generally provide for ratable vesting over a three-year period, with accelerated vesting occurring under certain circumstances, as described in greater detail below under "Payments Upon Termination or Change in Control." We believe that the vesting restriction is an important retention device and encourages our named executive officers to focus on sustaining our Company's long-term performance and delivering total return to our stockholders rather than encouraging decisions that result in a short-term benefit for our Company.

Employment Agreement with Ms. Mary Doyle

On March 29, 2016, we, our Manager, our Servicer, and an Aspen Capital affiliate (collectively, the "Companies") had entered into an employment agreement with Mary Doyle, who serves as the CFO of each entity. The employment agreement provided for a base salary of \$250,000 and an annual target bonus opportunity equal to 60% of Ms. Doyle's base salary, with the amount actually earned based on the achievement of certain performance objectives. On March 4, 2019, we renewed the employment agreement with Ms. Doyle increasing her base salary to \$315,000 and the annual target bonus opportunity to 59% of Ms. Doyle's new base salary, with the amount actually earned based on the achievement of certain performance objectives. The renewed employment agreement has a three-year term, which may be extended if agreed to by the parties. Ms. Doyle is also eligible to participate in any equity plans that may be adopted during her employment term, and she is entitled to participate in and receive such benefits or rights as may be provided to other employees under any group employee benefit plan provided during her employment term.

The employment agreement provided that, if Ms. Doyle's employment is terminated:

- for cause, by Ms. Doyle for any reason, or due to Ms. Doyle's death or disability, Ms. Doyle will receive salary and benefits through the date of her termination and provision of any vested benefits, which will be provided in accordance with the terms and conditions of the plans or programs under which such vested benefits arise; or

- without cause, Ms. Doyle shall receive the amounts described above and a lump sum severance payment equal to one year of her annual base salary at the time of termination.

The term "cause" is defined to include (a) Ms. Doyle or any of the Companies (as a result of the acts or omissions of Ms. Doyle) having materially breached its Operating Agreement or the Management Agreement between us and our Manager, (b) Ms. Doyle or any of the Companies (as a result of the acts or omissions of Ms. Doyle) being subject to disciplinary action or disqualification by a regulator or

TABLE OF CONTENTS

self-regulatory organization or an examination, investigation or other inquiry or proceeding by any governmental authority that is reasonably likely to impair our ability to engage in business, (c) commission of a felony or other serious crime or violation of federal or state laws (including any crime of dishonesty or disloyalty), (d) certain actions that caused or are reasonably likely to cause a substantial public disgrace or disrepute or substantial economic harm, or (e) Ms. Doyle's breach of the employment agreement.

Ms. Doyle's right to receive the severance payment is subject to her delivery and non-revocation of an effective general release of claims in favor of us and our affiliates and compliance with confidentiality, noncompetition, and nonsolicitation covenants.

Compensation Committee Report

The Compensation Committee evaluates and establishes equity award compensation for our Manager and our directors and officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement and administers our 2016 Equity Incentive Plan. The Compensation Committee consults with our Manager when determining the level of grants under our 2016 Equity Incentive Plan to be payable to our Manager, our executive officers and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our Management Agreement. While our management has the primary responsibility for our financial reporting process, including the disclosure of executive compensation, the Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement. The Compensation Committee believes that the Compensation Discussion and Analysis fairly represents the philosophy, intent and actions of the Compensation Committee with regard to executive compensation. The Compensation Committee recommended to our Board that the Compensation Discussion and Analysis be included in this Proxy Statement for filing with the SEC.

Pension Benefits

Our named executive officers received no benefits in the 2018 fiscal year from us under defined pension or defined contribution plans.

Nonqualified Deferred Compensation

We do not have a nonqualified deferred compensation plan that provides for deferral of compensation on a basis that is not tax-qualified for our named executive officers.

Potential Payments Upon Termination or Change in Control

Our named executive officers are employees of our Manager or its affiliates and therefore we generally have no obligation to pay them any form of compensation upon their termination of employment. However, the 2016 Equity Incentive Plan provides that, in the event of a “change in control” (as such term is defined in our 2016 Equity Incentive Plan), the following would apply:

(i) where awards are not being assumed or continued, all outstanding awards, excluding performance awards (as such term is defined in our 2016 Equity Incentive Plan), will be deemed to have vested and the shares subject thereto will be delivered, and all Dividend Equivalent Rights (as such term is defined in our 2016 Equity Incentive Plan) shall be deemed to have vested and the shares subject thereto shall be delivered, immediately prior to the occurrence of such change in control. For performance awards, if less than half of the performance period has lapsed, the awards would be converted into restricted stock or stock units assuming target performance has been achieved (or unrestricted stock if no further restrictions apply). If more than half the performance period has lapsed, the awards shall be converted into restricted stock or stock units based on actual performance to date (or unrestricted stock if no further restrictions apply). If actual performance is not determinable, then performance awards shall be converted into restricted stock or stock units assuming target performance has been achieved, based on the discretion of the Committee (or unrestricted stock if no further restrictions apply); and

(ii) where awards are being assumed or continued, the 2016 Equity Incentive Plan and awards theretofore granted would continue in the manner and under the terms so provided in the event of any change in control to the extent that provision is made in writing in connection with such change in control for the assumption or continuation of the awards theretofore granted, or for the substitution for such awards for new awards relating to the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number of shares (disregarding any consideration that is not common stock) and option and stock appreciation rights exercise prices.

In addition, the Management Agreement is in effect until March 5, 2034 and is automatically renewed for successive one-year terms each anniversary date thereafter unless terminated by a party in accordance with the Management Agreement. Neither we nor the Manager may terminate the Management Agreement without cause during the first 24 months of the initial term of the Management Agreement. Thereafter, we may either terminate the Management Agreement without cause or, at the expiration of its term, elect not to renew the Management Agreement upon the

determination of at least two-thirds of the our independent directors that (i) there has been unsatisfactory performance by the Manager that is materially detrimental to the Company, or (ii) the compensation payable to the Manager under the Management Agreement is

27

TABLE OF CONTENTS

unreasonable; provided that the Company shall not have the right to terminate the Management Agreement under clause (ii) if the Manager agrees to compensation that at least two-thirds of our independent directors determine is reasonable pursuant to the Management Agreement. In recognition of the level of the upfront effort required by the Manager to structure and acquire the assets of the Company and the ongoing commitment of resources by the Manager, in the event that the Management Agreement is terminated by the Company, we are obligated to pay to the Manager, on the date on which such termination is effective, a termination fee (the "Termination Fee"). The Termination Fee will be equal to twice the combined base management fees and incentive fees earned by the Manager during the 12-month period immediately preceding the date of termination, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination. From and after the effective date of termination of the Management Agreement, the Manager will not be entitled to compensation for further services under the Management Agreement, but would be paid all compensation accruing to the date of termination and any applicable Termination Fee.

Pay Ratio

The pay ratio disclosure rules of Item 402(u) of Regulation S-K requires an issuer to disclose the ratio of the total compensation of the median employee of the issuer and its consolidated subsidiaries, if any, to the total compensation of the issuer's Chief Executive Officer. Because we are externally-managed and therefore have no employees, we do not believe such pay ratio disclosure would provide meaningful information to our stockholders and, therefore, do not provide this disclosure in the proxy statement.

2016 Equity Incentive Plan

Our 2016 Equity Incentive Plan (the "Equity Incentive Plan") aims to attract and retain non-employee directors, executive officers, key employees and service providers, including officers and employees of our affiliates, and to stimulate their efforts toward our continued success, long-term growth and profitability. The Equity Incentive Plan authorizes the issuance of up to 5% of our outstanding shares from time to time on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities, including OP Units and LTIP Units, into shares of common stock). Grants of restricted stock to our officers use grant date fair value of the stock as the basis for measuring the cost of the grant. The cost of grants of restricted stock to employees of our affiliates is determined using the stock price as of the date at which the counterparty's performance is complete. Forfeitures are accounted for in the period in which they occur. The shares vest over three years, with one third of the shares vesting on each of the first, second and third anniversaries of the grant date. The shares may not be sold until the third anniversary of the grant date.

Our Board may amend or terminate the Equity Incentive Plan at any time; provided that no amendment may adversely impair the benefits of participants with respect to outstanding awards without the participants' consent or violate the Equity Incentive Plan's prohibition on repricing. Our stockholders must approve any amendment if such approval is required under applicable law or stock exchange requirements. Our stockholders also must approve any amendment that changes the no-repricing provisions of the plan. Unless terminated sooner by our Board, the Equity Incentive Plan will terminate on the tenth anniversary of its approval by stockholders.

2014 Director Equity Plan

Our 2014 Director Equity Plan (the "Director Plan") is designed to promote our interests by attracting and retaining qualified and experienced individuals for service as non-employee directors. The Director Plan is administered by our board of directors. The total number of shares of common stock or other stock-based award, including grants of LTIP units from our operating partnership available for issuance under the Director Plan is 100,000 shares. At the closing of the Original Private Placement, Messrs. Handley and Ogren each were granted restricted stock awards of 2,000 shares of our common stock, and at the closing of our IPO, Mr. Condas was granted 2,000 restricted shares of our common stock. In July 2016, upon joining the Board, Mr. Friedman was also granted restricted stock awards of 2,000 shares of our common stock. In February 2018, each of our independent directors was granted restricted stock awards of 3,000 shares of our common stock, with 1,500 shares subject to a one-year vesting period.

TABLE OF CONTENTS

The Director Plan permits the grant of shares of our common stock in the form of restricted stock. A restricted stock award is an award of a specified number of shares of our common stock which may be subject to forfeiture upon the occurrence of specified events. The expiration of any restriction period may be conditioned on continued employment over a period of time or upon any other criteria as determined by the board of directors. During such time as shares awarded under the Director Plan are under restriction, holders of restricted stock have the right to receive any dividends paid on our common stock and to vote the shares of restricted stock. The Director Plan also permits the grant of stock awards that are free of forfeiture provisions, and the grant of awards valued in whole or in part by reference to, or otherwise calculated by reference to or based on, shares of common stock, including, without limitation, interests in a subsidiary of the Company or interests in our operating partnership, such as LTIP units. The Board may condition the expiration of any restriction period on continued service over a period of time with the company or upon any other criteria, as specified in the award agreement.

The Director Plan contains customary provisions to adjust the grants of restricted stock and other awards in the event of any corporate transaction or event such as a stock dividend, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, spin-off, combination or other similar corporate transaction or event affecting the common stock, or other interests subject to the awards under the Director Plan. In the event of a Change of Control (as defined in the Director Plan) of the Company, the board of directors may, on a holder by holder basis, take any of the following actions, either singly or in combination: (i) fully vest and/or accelerate the restriction period of any awards; (ii) cancel and/or redeem any outstanding awards with respect to all common stock or other interests for which the award is subject to forfeiture in exchange for a cash payment of an amount determined by the board; (iii) require that the award be assumed by any successor corporation or that awards for shares of other interests in the company or any other entity be substituted for such award; or (iv) take such other action as the Board shall determine to be reasonable under the circumstances.

The Director Plan shall remain in full force and effect until the tenth anniversary of the date of its adoption by the board of directors, or if earlier, the date it is terminated by the board. The Board may amend, suspend or terminate the Director Plan at any time. However, no amendment is permitted without stockholder approval if such approval is required by applicable law or applicable requirements of any securities exchange or similar entity. The Board may amend outstanding awards, provided, however, that in the case of amendments adverse to the holder, the board of directors must obtain the holder's consent to any such amendment unless the amendment is required by certain tax laws.

COMPENSATION OF DIRECTORS

During 2018, each of our independent directors received an annual fee of \$75,000, payable quarterly, half in shares of our common stock and half in cash. On February 25, 2019, our Board authorized an increase in the annual compensation of our independent directors from \$75,000 to \$100,000, 40% of which is payable in shares of our common stock and 60% in cash, to be effective as of April 1, 2019. The value of the shares is determined in the same manner as the value of the shares to be paid to our Manager as part of its base management fee (see “Certain Relationships and Related Party Transactions Management Agreement”). The non-independent directors, including Mr. Begleiter, the designee of Flexpoint REIT Investor, are not entitled to any compensation for serving as a director. We reimburse all our Directors for their reasonable travel expenses incurred in connection with their attendance at board and committee meetings.

In July 2014, pursuant to the 2014 Director Equity Plan (see “Certain Relationships and Related Party Transactions 2014 Director Equity Plan”), Messrs. Handley and Ogren, members of our Board who are identified as independent directors (see “Corporate Governance and Board Matters Independence of Directors” above) were each granted restricted stock awards of 2,000 shares of common stock, which were subject to a one-year vesting period.

Mr. Condas, who was also identified by our Board as independent (see “Corporate Governance and Board Matters Independence of Directors” above), received a similar grant when he joined the Board following our IPO in February 2015. In addition, Mr. Friedman, who was also identified by our Board as independent, received a similar grant when he joined the Board in July 2016. The chair of each committee of the Board other than the Audit Committee and the Investment Supervisory Committee also receives an additional cash payment of \$10,000 per year. The chair of the Audit Committee receives an additional cash payment of \$15,000 per year.

In February 2018, each of our independent directors was granted restricted stock awards of 3,000 shares of our common stock, with 1,500 shares subject to a one-year vesting period which are not considered 2018 compensation and are not reflected in the table below.

The following table sets forth information regarding the compensation paid during 2018 to each of our independent directors:

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently comprised of Messrs. Friedman, Handley and Ogren, with Mr. Handley serving as its chairperson. The members of the Audit Committee are appointed by and serve at the discretion of the Board. One of the principal purposes of the Audit Committee is to assist the Board in the oversight of the integrity of the Company's consolidated financial statements. The Company's management team has the primary responsibility for the consolidated financial statements and the reporting process, including the system of internal controls and disclosure controls and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited consolidated financial statements in the Annual Report on Form 10-K for the year ended December 31, 2018 with our management.

The Audit Committee also is responsible for assisting the Board in the oversight of the qualification, independence and performance of the Company's independent auditors. The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited consolidated financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board.

The Audit Committee has received both the written disclosures and the letter from Moss Adams LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Moss Adams LLP its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements for 2018 be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Directors

Jonathan Bradford Handley, Jr. (Chairman)

Paul Friedman

J. Kirk Ogren, Jr.

The Audit Committee Report above does not constitute "soliciting material" and will not be deemed "filed" or incorporated by reference into any of our filings under the Securities Act of 1933, as amended (the "Securities Act"), that might incorporate SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Ownership of our Manager, Great Ajax FS LLC and Aspen Yo LLC

Our Manager

On July 8, 2014, we closed a private offering of shares of our common stock and OP Units. We commenced operations on July 8, 2014. On August 1, 2014, we closed the sale of additional shares of our common stock and OP Units pursuant to the exercise of the additional allotment option we granted to the initial purchaser and placement agent in connection with the July placement and we refer to these closings as the Original Private Placement. Upon the closing of the Original Private Placement, we received a 19.8% equity interest in our Manager, which is held by GA-TRS LLC, our operating partnership's wholly owned subsidiary ("Thetis TRS"). Our Manager is owned 19.8% by Thetis TRS, 26.73% by Flexpoint REIT Investor, 26.73% by the Wellington Management Institutional Investor (as defined below) and its wholly owned subsidiaries and the balance of 26.74% by Aspen.

Great Ajax FS LLC and Aspen Yo LLC

Flexpoint REIT Investor and the Wellington Management Institutional Investor directly or indirectly each own 9.3% of Great Ajax FS LLC ("GA-FS"), the parent of the Servicer and subsidiary of Aspen. See "— Agreements with Anchor Investors" below.

On January 26, 2018, we, through Thetis TRS, acquired an 8% ownership interest in GA-FS, the parent of our servicer, Gregory Funding LLC. The acquisition was completed in two transactions. On January 26, 2018, the initial closing, we acquired a 4.9% interest in GA-FS and three warrants, each exercisable for a 2.45% interest in GA-FS upon payment of additional consideration, in exchange for consideration of \$1.1 million of cash and 45,938 shares of our common stock. On May 29, 2018, the additional closing, we acquired an additional 3.1% interest in GA-FS, and three warrants, each exercisable for a 1.55% interest in GA-FS in exchange for consideration of \$0.7 million of cash and 29,063 shares of our common stock.

Aspen is managed by its manager, MARS Development LLC. Mr. Mendelsohn controls 50% of the manager of Aspen and has certain economic and/or management rights with respect to 8.5% of the interests in Aspen. Steven Rosenberg, the President of Gregory and the founder of Aspen Capital (the business trade name for the group of companies using the Aspen name), controls the other 50% of the manager of Aspen, and he or his affiliates own 24.7% of the interests in Aspen; Mr. Schaub owns 2.9% of the interests in Aspen; partners of Aspen Capital who are not involved in the operations of Aspen own 14.2% of the interests in Aspen, another employee of Aspen owns less than 0.2% of the interests in Aspen, and the balance of the interests in Aspen are held by investors not affiliated with Aspen.

In connection with the closing of the Original Private Placement, Aspen entered into an agreement with us pursuant to which Aspen agreed, for itself and on behalf of its subsidiaries, that it may not engage, without our consent, in any business or provide any services to any other entity that invests in the asset classes in which we intend to invest so long as either we have on hand an average of \$25 million in capital available for investment over the previous two fiscal quarters or our independent directors determine that we have the ability to raise capital at or above our most recent book value.

Management Agreement

On July 8, 2014, we entered into a 15-year management agreement (the "Management Agreement") with the Manager, which was amended and restated on March 5, 2019. Under the Management Agreement, the Manager implements our business strategy and manages our business and investment activities and day-to-day operations of the Company and any joint venture or other strategic arrangement entered into by and among the Company and one or more third-party, unaffiliated entities, subject to oversight by the Board. Among other services, the Manager, directly or through Aspen affiliates, provides us with a management team and necessary administrative and support personnel.

Under the Management Agreement, we pay a quarterly base management fee based on our stockholders' equity and a quarterly and annual incentive management fees based on our cash distributions to stockholders. We pay our Manager fees as follows: the initial \$1 million of the quarterly base

TABLE OF CONTENTS

management fee is payable 75% in cash and 25% in shares of our common stock. Any amount of the base management fee in excess of \$1 million is payable in shares of our common stock until payment is 50% in cash and 50% in shares (the “50/50 split”). Any remaining amount of the quarterly base management fee after the 50/50 split threshold is reached is payable in equal amounts of cash and shares. As for the Manager’s incentive fee, in the event that the payment of the quarterly base management fee has not reached the 50/50 split, all of the incentive fee is payable in shares of our common stock until the 50/50 split occurs. In the event that the total payment of the quarterly base management fee and the incentive fee has reached the 50/50 split, 20% of the remaining incentive fee is payable in shares of our common stock and 80% of the remaining incentive fee is payable in cash.

Our Manager is entitled to quarterly and annual incentive fees only if our Board declares a dividend from REIT taxable income, which on an annualized basis exceeds 8% of our book value per share, and upon earnings exceeding certain thresholds for a given series of calendar quarters. The incentive fees are payable at the same time that the dividend is payable to our stockholders. Our Manager will not receive any incentive fee in respect of a dividend constituting a return of capital. We also reimburse our Manager for all third party, out of pocket costs incurred by our Manager, including third party diligence and valuation consultants, legal expenses, auditors and other financial services. We or the Manager may terminate the management agreement without cause or in connection with any renewal of the management agreement, subject in certain cases, to payment of a termination fee.

Servicing Agreement

Under the servicing agreement, Gregory receives from us servicing fees ranging from 0.65% – 1.25% annually of the unpaid principal balance (“UPB”) (or the fair market value or purchase price of REO we own or acquire). Gregory is reimbursed for all customary, reasonable and necessary out-of-pocket costs and expenses incurred in the performance of its obligations, and the actual cost of any repairs and renovations. The total fees incurred by us for these services is dependent upon the UPB and type of mortgage loans that Gregory services, property values, previous UPB of the relevant loan, and the number of REO properties. The agreement automatically renews for successive one-year terms, subject to prior written notice of non-renewal. In certain cases, we may be obligated to pay a termination fee. The management agreement will automatically terminate at the same time as the servicing agreement if the servicing agreement is terminated for any reason.

Trademark License Agreement

Upon the closing of the Original Private Placement, we entered into a trademark license agreement with Aspen. Under the trademark license, Aspen grants us a non-exclusive, non-transferable, non-sublicensable, royalty-free license to use the name “Great Ajax” and the related logo. We also have a similar license to use the name “Thetis.” The agreement has no specified term. If the management agreement expires or is terminated, the trademark license agreement will terminate within 30 days. In the event that this agreement is terminated, all rights and licenses granted thereunder, including, but not limited to, the right to use “Great Ajax” in our name will terminate. Upon the closing of the Original Private Placement, Aspen also entered into a substantially identical trademark license that grants our Manager a non-exclusive, non-transferable, non-sublicensable, royalty-free license to use of the name “Thetis.”

Agreements with Anchor Investors

Wellington Management Institutional Investor

In the Original Private Placement and related investment agreements, an investment fund for which Wellington Management Company LLP is the investment advisor, or the Wellington Management Institutional Investor, acquired the following interests and rights in the aggregate, either directly or through one or more wholly owned subsidiaries:

TABLE OF CONTENTS

- Interests in Great Ajax FS LLC — (i) 9.3% of the equity of Great Ajax FS LLC, a subsidiary of Aspen and parent of the Servicer (including the interest-bearing promissory notes from GA-FS in the aggregate principal amount of \$1.05 million that automatically converted into 4.9% equity interest in GA-FS on September 15, 2014), and (ii) two non-transferable ten-year warrants, which each permit the holder to acquire an additional 9.4% equity interest in GA-FS at a premium to the original purchase price, exercisable subject to certain regulatory requirements or in the event of a contemporaneous sale of the equity interests of GA-FS; and

- Interests in our Manager — 26.73% of the equity of our Manager.

In addition, the Wellington Management Institutional Investor and other investment funds sponsored and advised by Wellington Management Company LLP sold a 41% equity interest in Little Ajax II, LLC (“Little Ajax II”) to us. On December 16, 2014, we closed an additional private placement pursuant to which we sold 2,725,326 shares of common stock and 156,000 OP Units, which we refer to as the Second Private Placement. The Wellington Management Institutional Investor purchased 650,000 shares of common stock (inclusive of shares issuable upon redemption of 156,000 OP Units on a 1-for-1 basis) in the Second Private Placement.

Flexpoint Ford

In the Original Private Placement and related investment agreements, Flexpoint Great Ajax Holdings LLC, or the Flexpoint REIT Investor, an affiliate of an investment fund managed by Flexpoint Ford LLC, acquired the following interests and rights:

- Interests in our common stock — 1,645,363 shares of our common stock;

- Interests in Great Ajax FS LLC — (i) 9.4% of the equity of Great Ajax FS LLC, a subsidiary of Aspen and parent of the Servicer (including the interest-bearing promissory notes from GA-FS in the aggregate principal amount of \$1.05 million that automatically converted into 4.9% equity interest in GA-FS on September 15, 2014) and (ii) two non-transferable ten-year warrants, which each permit the holder to acquire an additional 9.4% equity interest in GA-FS at a premium to the original purchase price, exercisable subject to certain regulatory requirements or in the event of a contemporaneous sale of the equity interests of GA-FS; and

- Interests in our Manager — 26.73% of the equity of our Manager.

In addition, so long as Flexpoint REIT Investor and/or its affiliates own at least 9.8% of our outstanding shares of common stock, Flexpoint REIT Investor will have the right to nominate a representative for election as a member of our board of directors.

Flexpoint Ford is also the manager of the investment fund whose affiliate sold a 41% equity interest in Little Ajax II to us.

The Flexpoint REIT Investor purchased 192,137 shares of common stock in the Second Private Placement.

During 2018, Flexpoint Ford acquired an investment in one of our securitization trusts consisting of both a Class B debt security and 37% of the beneficial interest in the trust for acquisition prices of \$5.9 million and \$15.1 million, respectively. We own the remaining 63% of the beneficial interest in the trust, and accordingly we consolidate the entire trust under generally accepted accounting principles, recognizing the Flexpoint Ford share of the trust’s earnings as non-controlling interest in our consolidated statements of income.

Original Private Placement, Initial Portfolio

Our Manager used \$1 million of the aggregate proceeds from Flexpoint REIT Investor and the Wellington Management Institutional Investor to acquire 66,666 shares of our common stock in the Original Private Placement. GA-FS contributed to the Servicer \$4 million of the aggregate proceeds from Flexpoint REIT Investor and the

Wellington Management Institutional Investor, which used such funds to acquire 266,667 shares of our common stock. In addition, we used \$48.8 million of the proceeds in the

36

TABLE OF CONTENTS

Original Private Placement offering to acquire our initial portfolio of mortgage-related assets through acquisition of the 82% equity interests in Little Ajax II owned by Flexpoint REIT Investor, the Wellington Management Institutional Investor and affiliated entities.

Governance Matters

In connection with their acquisition of interests in our Manager and GA-FS, Flexpoint REIT Investor and the Wellington Management Institutional Investor entered into an operating agreement with our Manager and Great Ajax FS LLC pursuant to which our Manager and GA-FS agreed not to take certain actions outside of their respective ordinary course of operations without the consent of Flexpoint REIT Investor and the Wellington Management Institutional Investor.

Interests in Joint Ventures

During 2018, we acquired \$175.3 million in notes and beneficial interests issued by joint ventures that we formed with third-party institutional accredited investors. Each joint venture issued senior notes and beneficial interests, which are trust certificates representing the residual investment of the trust. In certain transactions, the joint venture also issued subordinated notes. We acquired \$144.1 million in senior notes and \$9.4 million in subordinate notes. The notes are accounted for as debt securities carried at fair value. As of December 31, 2018, the notes were carried on our consolidated balance sheet at a fair value of \$146.8 million.

Related Party Transaction Policy

Our Board has adopted a policy and procedure for review, approval and monitoring of transactions involving related persons, including our Manager, the Servicer, directors and executive officers or their immediate family members and stockholders owning 5% or greater of our outstanding stock. Any situation that potentially qualifies as a conflict of interest will immediately be disclosed to the Audit Committee to assess the nature and extent of any concern as well as the appropriate next steps, including whether such situation requires approval of the Board, including a majority of the disinterested directors. Related persons are required to obtain the prior written approval of the Audit Committee before participating in any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including (i) whether the transaction is in our best interests; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to us. The Audit Committee will periodically monitor any approved transactions to ensure that there are no changed circumstances that would render it advisable for us to amend or terminate the transaction.

OTHER MATTERS

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 that they file. Based solely on our review of copies of such reports, we believe that all Section 16(a) filing requirements applicable to our directors, officers and 10% stockholders were complied with during 2018 except the following: Ms. Doyle, our Chief Financial Officer, made one late report with respect to two transactions. The late filing is due to an administrative error.

Other Matters to Come Before the Annual Meeting

No other matters are expected to be presented for action at the Annual Meeting other than as set forth in this Proxy Statement. If other matters properly come before the meeting, however, the persons named in the accompanying proxy card will vote all proxies solicited by this Proxy Statement as recommended by the Board, or, if no such recommendation is given, in their own discretion.

Stockholder Proposals and Nominations for the 2020 Annual Meeting

Any stockholder proposal pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act, to be considered for inclusion in our proxy materials for the 2020 annual meeting of stockholders must be received at our principal executive offices no later than January 13, 2020.

In addition, any stockholder who wishes to propose a nominee to the Board or propose any other business to be considered by the stockholders (other than a stockholder proposal included in our proxy materials pursuant to Rule 14a-8 of the rules promulgated under the Exchange Act) must comply with the advance notice provisions and other requirements of Article II, Section 11 of our Bylaws, which are on file with the SEC and may be obtained from our corporate secretary upon request. These notice provisions require that nominations of persons for election to the Board and the proposal of business to be considered by the stockholders for the 2020 Annual Meeting must be received no earlier than December 14, 2019 and no later than January 13, 2020.

TABLE OF CONTENTS

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Great Ajax Corp., 9400 SW Beaverton-Hillsdale Hwy, Suite 131, Beaverton, OR 97005, Attention: Corporate Secretary, or contact us by telephone at (503) 505-5670. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.
