Item 1.01 Entry into a Material Definitive Agreement

Pathology Services Agreement

On March 21, 2017, Precipio, Inc. (the Company) entered into an Amended and Restated Pathology Services Agreement (the Pathology Services Agreement) which amends and restates in its entirety the Pathology Services Agreement previously entered into between the Company and Yale University (Yale). The Pathology Services Agreement governs the general terms under which Yale provides professional pathology services to the Company.

Pursuant to the Pathology Services Agreement, the term was renewed for an additional five-year term and commenced on June 1, 2016 and terminates on June 1, 2021. Under the Pathology Services Agreement, the Yale Department of Pathology may not provide the hematopathology services that it provides to the Company to any other commercial entity that is one of the Company's competitors. The Pathology Services Agreement allows for termination by either party (i) for uncured breach by the other party, (ii) if either party has its respective license suspended or revoked, (iii) if the insurance coverage of either party is canceled or modified, (iv) if the Company fails to maintain or meet the requirements of Medicare conditions of participation, or (v) if the Company declares bankruptcy. The Pathology Services Agreement also provides that if the performance by either party (i) jeopardizes the licensure or accreditation of Yale or any Yale physician, (ii) jeopardizes either party's participation in Medicare, Medicaid or other federal, state or commercial reimbursement programs, (iii) violates any statute, ordinance or otherwise is deemed illegal, (iv) is deemed unethical by any recognized body, agency or association in the medical or laboratory fields, or (v) causes a substantial threat to Yale's tax-exempt status, then either party may initiate negotiations to amend the Pathology Services Agreement and the Pathology Services Agreement will terminate if a mutually agreed amendment is not executed by the parties within 30 days.

The foregoing description of the Pathology Services Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the Pathology Services Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.

This facility is currently used for research, office and laboratory purposes. Under the terms of the New Haven Lease, the lease term is 60 months, commencing on January 1, 2017 and terminating on December 31, 2021.
