**In accordance with SEC Release No. 33-8216, the following information (including any exhibits attached to this Current Report on Form 8-K) is furnished pursuant to Item 12, Disclosure of Results of Operations and Financial Condition.**

On April 10, 2003, we commenced the mailing of our 2002 Annual Report to Shareholders, which included the 2002 shareholders letter and proxy statement. The 2002 shareholders letter contained certain non-GAAP financial measures and a reconciliation of certain of those non-GAAP financial measures to the most directly comparable financial measures calculated in accordance with GAAP. As a supplement to the 2002 shareholders letter, we have prepared additional information reconciling the balance of the non-GAAP financial measures to the most directly comparable financial measures calculated in accordance with GAAP. We will begin mailing this additional information to our shareholders on or about April 25, 2003 along with our first quarter 2003 earnings release. This additional information will also appear on our website on or about April 17, 2003.

This Current Report on Form 8-K attaches as Exhibits 99.1 and 99.2 respectively, the 2002 shareholders letter and the additional information reconciling the non-GAAP financial measures to the most directly comparable financial measures calculated in accordance with GAAP.

### **Use of Non-GAAP Financial Information**

Cypress provides certain non-GAAP financial measures as additional information relating to its operating results. Cypress's management believes that the presentation of these measures provides useful information to investors regarding certain additional financial and business trends relating to its financial condition and results of operations. These measures are not in accordance with, or an alternative to, generally accepted accounting principles and may be different from non-GAAP measures used by other companies. The calculations of non-GAAP financial measures have been adjusted to exclude the effects of acquisition costs, restructuring charges, impairments, asset write-downs, non-cash deferred compensation, gains on bond retirement and certain employee loan reserves.
