**INFORMATION STATEMENT**

December 10, 2009

**WE ARE NOT ASKING YOU FOR A PROXY  
AND YOU ARE REQUESTED NOT TO SEND US A PROXY.**

Our board of directors has approved an amendment to our Amended and Restated Certificate of Incorporation (as amended to date, our “Charter”), to effectuate an increase in the authorized number of directors from not more than eight members to not more than nine members (the “Charter Amendment”), so that we may offer W.E. Sheriff, our Chief Executive Officer, the opportunity to join our board of directors. See “The Charter Amendment.”

On November 6, 2009, certain stockholders (including funds managed by affiliates of Fortress Investment Group LLC) who are party to the Stockholders Agreement dated November 28, 2005, as amended, executed a written consent approving the Charter Amendment. This consent constituted the consent of a majority of the total number of shares of our outstanding common stock entitled to vote in the election of directors and was sufficient to approve the Charter Amendment. As a result of the consent referred to above, we will not be asking you to take action on the Charter Amendment.

We are furnishing this information statement to our stockholders to provide you with certain information in connection with the Charter Amendment. The Charter Amendment will not be effected until at least 20 days after we first send this information statement to stockholders.

This information statement provides further information about Brookdale and the Charter Amendment. Please carefully read the information statement in its entirety. You may also obtain other information about Brookdale from publicly available documents that have been filed with the Securities and Exchange Commission. See “Where You Can Find More Information.”

This information statement is first being mailed to stockholders on or about December 10, 2009.

### THE CHARTER AMENDMENT

#### General

Our Amended and Restated Certificate of Incorporation (as amended to date, our “Charter”) provides for a board of directors comprised of not less than three and not more than eight directors. The exact number of directors within this range is determined from time to time by resolution adopted by a majority of the board of directors then in office. Our board of directors currently has eight members, the maximum size permitted by our Charter.

On July 31, 2009, our board of directors unanimously approved an amendment to our Charter to increase the authorized number of directors from not more than eight members to not more than nine members, so that we may offer W.E. Sheriff, our Chief Executive Officer, the opportunity to join our board of directors.

The board of directors has proposed that the first sentence of Article Twelve of the Charter be amended and restated in its entirety to read:

“The number of directors which constitute the whole Board of Directors shall be not less than three (3) or more than nine (9).”

On November 6, 2009, certain stockholders (including funds managed by affiliates of Fortress) who are party to the Stockholders Agreement dated November 28, 2005, as amended, executed a written consent approving the Charter Amendment. This consent constituted the consent of a majority of the total number of shares of our outstanding common stock entitled to vote in the election of directors and was sufficient to approve the Charter Amendment.

Promptly following the effective date of the Charter Amendment, the board of directors intends to approve a corresponding amendment to Article III, Section 2 of our Amended and Restated Bylaws (the “Bylaw Amendment”). The Charter Amendment and Bylaw Amendment (along with the amendment to the Stockholders’ Agreement described below) will enable the board of directors to formally increase the allowed number of directors to nine and appoint Mr. Sheriff as a Class I director, to serve until the annual meeting of stockholders to be held in 2011 and until his successor is duly elected and qualified.

Mr. Sheriff’s appointment to our board of directors has been unanimously recommended by our Nominating and Corporate Governance Committee. We anticipate that his appointment to the board of directors will be effective promptly following the effective date of the Charter Amendment.

#### Stockholders’ Agreement Amendment

Upon the consummation of our initial public offering, we entered into a Stockholders Agreement with Fortress Brookdale Acquisition LLC, Fortress Investment Trust II, FIT-ALT Investor LLC and Health Partners (as has been and may be from time to time amended, the “Stockholders Agreement”). The Stockholders Agreement provides these stockholders with certain rights with respect to the designation of directors to our board of directors as well as registration rights for our securities owned by them. Upon consummation of the merger with American Retirement Corporation, and the related underwritten public offering, Health Partners no longer beneficially owned more than 5% of the voting power of the Company and is no longer a “Stockholder” for purposes of the Stockholders Agreement.

Prior to the amendment discussed below, the Stockholders Agreement required that each of Fortress Brookdale Acquisition LLC, Fortress Investment Trust II, FIT-ALT Investor LLC, RIC Coinvestment Fund LP and their respective affiliates and permitted transferees (collectively referred to in this information statement as the “Fortress Stockholders”) vote or cause to be voted all of our voting stock beneficially owned by each and take all other reasonably necessary action so as to maintain a board of not more than eight directors and to elect to our board of directors, so long as the Fortress Stockholders beneficially own (i) more than 50% of the voting power of the

Table of Contents

Company, four directors, or, if the board shall be composed of eight members, five directors, designated by FIG Advisors LLC, an affiliate of Fortress (“FIG Advisors”), or such other party designated by Fortress; (ii) between 25% and 50% of the voting power of the Company, three directors designated by FIG Advisors; (iii) between 10% and 25% of the voting power of the Company, two directors designated by FIG Advisors; and (iv) between 5% and 10% of the voting power of the Company, one director designated by FIG Advisors.

In accordance with the Stockholders Agreement, FIG Advisors has designated Wesley R. Edens, Tobia Ippolito, Jeffrey R. Leeds, James R. Seward and Frank M. Bumstead to our board of directors.

In connection with the Charter Amendment, on November 4, 2009, we and the Fortress Stockholders entered into Amendment Number Two to the Stockholders Agreement. Among other things, the amendment amended the Stockholders Agreement to provide that the board will consist of not more than nine directors and that FIG LLC, an affiliate of Fortress, will be able to designate four directors, or if the board is composed of eight or nine directors, five directors, for so long as the Fortress Stockholders and their permitted transferees beneficially own more than 35% of the voting power of the Company’s common stock (as compared to the 50% ownership threshold in place prior to the amendment).

Anti-Takeover Effects of the Charter Amendment

The Charter Amendment could, under certain circumstances, have an anti-takeover effect, although this was not the intention. For example, in the event of a hostile attempt to take over control of Brookdale, it may be easier for us to impede the attempt with a larger board since it would require more directors to vote in favor of the take-over attempt. The Charter Amendment, therefore, may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempt, the Charter Amendment may limit the opportunity for our stockholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal. The board of directors is not, however, aware of any attempt to take control of us and the board of directors has not presented this proposal with the intent that it be utilized as a type of anti-takeover device.

The full text of the Charter Amendment is included in Appendix A to this information statement. Please refer to Appendix A for a more complete description of the terms of the Charter Amendment.

Recommendation of the Board of Directors

Our board of directors has determined that the Charter Amendment is advisable and in the best interests of Brookdale and all of our stockholders. Accordingly, the board has unanimously approved the Charter Amendment. In addition, on November 6, 2009, holders of approximately 51% of the total number of shares of our outstanding common stock entitled to vote in the election of directors executed a written consent approving the Charter Amendment. As a result, it is not necessary for us to call a special meeting of stockholders to consider the Charter Amendment, and your approval is not required and is not being sought. This proposed amendment to our Charter will not be effected until at least 20 days after this information statement has first been sent to stockholders.

ACTION BY WRITTEN CONSENT

Vote Required; Vote Obtained

As of the November 6, 2009 record date for action by written consent and for determining the stockholders entitled to receive this information statement for the Charter Amendment, we had 118,875,224 shares of our common stock outstanding and entitled to vote. Stockholders as of the record date are entitled to one vote per share.

Section 228 of the Delaware General Corporation Law (the “DGCL”) and Article II, Section 10 of our Amended and Restated Bylaws provide that the written consent of the holders of the outstanding shares of voting capital stock having not less than the minimum number of votes that would be necessary to authorize or take an action at a meeting at which all shares entitled to vote thereon were present and voted may be substituted for such a meeting. The holders of approximately 60.9 million shares of common stock have executed a written consent approving the Charter Amendment. These holders represent approximately 51% of the total issued and outstanding shares of common stock entitled to vote on the Charter Amendment. No other series of voting capital stock was entitled to vote. Accordingly, our stockholders will not be asked to take action on the Charter Amendment at any future stockholders’ meeting.

Pursuant to Section 228 of the DGCL and Regulation 14C, as promulgated under the Exchange Act, we are required to provide certain information with respect to the taking of corporate action without a meeting by less than unanimous written stockholder consent to those stockholders who have not consented in writing to such action or whose consent we have not solicited. Accordingly, we are furnishing this information statement to our stockholders to provide you with certain information in connection with the Charter Amendment. The Charter Amendment will not be effected until at least 20 days after this information statement has first been sent to stockholders.

We will pay all costs associated with the distribution of this information statement, including the costs of printing and mailing. We will reimburse the brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending this information statement to the beneficial owners of our common stock.

No Appraisal Rights

Stockholders do not have dissenters’ rights of appraisal with respect to the transaction described in this information statement.

Interest of Certain Persons

In reviewing this information statement, our stockholders should be aware that the following directors have an interest in the transaction described in this information statement that may differ from other directors due to their relationships with Fortress. Wesley R. Edens, the chairman of our board of directors, is a principal and the chairman of the management committee of Fortress. Tobia Ippolito, a member of our board of directors, is a managing director of Fortress. As a result of the Charter Amendment and the amendment to the Stockholders Agreement, Fortress will generally be able to maintain five designees on our board of directors (assuming the board consists of eight or nine members) so long as the Fortress Stockholders beneficially own 35% of the voting power of the Company (as compared to the 50% ownership threshold in place prior to the recent amendment to the Stockholders Agreement).

Our board of directors was aware of this interest and considered it, among other matters, in making its recommendations. See “- Recommendation of the Board of Directors” in the discussion of the Charter Amendment.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and information statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement or information statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household these materials, delivering a single proxy statement or information statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or information statement, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to Brookdale Senior Living Inc., 111 Westwood Place, Suite 200, Brentwood, Tennessee 37027, Attention: Secretary or by calling our Secretary at (615) 221-2250. We will undertake to deliver promptly, upon written or oral request to our Secretary, a separate copy of this information statement to a stockholder at a shared address to which a single copy of this information statement was delivered. Additionally, if current stockholders with a shared address received multiple copies of this information statement and would prefer us to mail one copy of future mailings to stockholders at the shared address, notification of that request may also be made by mail or telephone to our Secretary at the address or number listed above.
