TRUMP HOTELS & CASINO RESORTS
REPORTS 2003 FIRST QUARTER RESULTS

NEW YORK, NY - Trump Hotels & Casino Resorts, Inc. ("THCR" or the "Company") (NYSE:DJT) today reported its first quarter operating results. THCR reported consolidated net revenues (defined as gross revenues less promotional allowances) for the quarter ended March 31, 2003 of \$278.8 million, compared to \$295.8 million for the quarter ended March 31, 2002. Consolidated income from operations for the quarter ended March 31, 2003 was \$27.3 million, compared to \$48.2 million for the quarter ended March 31, 2002. Consolidated net loss for the quarter ended March 31, 2003 was \$24.0 million, or \$1.09 per share net of minority interest of \$5.1 million (including a \$1.2 million charge for state income taxes), compared to a net loss of \$4.6 million, or \$0.21 per share net of minority interest of \$2.6 million, for the quarter ended March 31, 2002. EBITDA (defined as income from operations before depreciation, amortization, non-cash CRDA write-downs, non-recurring debt renegotiation costs and corporate expenses) for the quarter ended March 31, 2003 was \$56.8 million, compared to EBITDA of \$74.1 million reported for the quarter ended March 31, 2002. "EBITDA" is not a measure of financial performance under GAAP. The Company believes that EBITDA is used by certain investors as one measure to evaluate an entity's ability to service debt. A reconciliation of EBITDA to income from operations is included in the attached schedules.

Donald J. Trump, Chairman, President and Chief Executive Officer, commented, "This winter's weather has been one of the worst in recent memory. Snow storms, many on weekends, including the blizzard on the Presidents' Day holiday, made travel to Atlantic City very difficult and is the major factor in our revenue decline. The war in Iraq and anemic economic conditions

have also contributed to the decline. In addition to these issues, higher insurance costs, utilities and real estate taxes also contributed to the

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 8-K

decrease in income from operations and EBITDA. With the winter behind us and the war virtually over and possible signs of a strengthening economy, I am confident that we will rebound through the remainder of the year."

Trump Taj Mahal Associates reported net revenues of \$118.5 million for the quarter ended March 31, 2003, compared to \$124.9 million for the quarter ended March 31, 2002. Income from operations for the quarter ended March 31, 2003 was \$16.0 million, compared to \$24.3 million for the quarter ended March 31, 2002. EBITDA was \$27.2 million for the quarter ended March 31, 2003, compared to \$33.8 million for the quarter ended March 31, 2002. Mark A. Brown, the Company's Chief Operating Officer, commented, "The Taj Mahal had the formidable task of matching last year's first quarter which was the Taj Mahal's best first quarter ever. With our ongoing hotel room and casino floor improvements, the property looks great. Our marketing programs and entertainment schedule for the remainder of the year should help us make up for the slow start."

Trump Plaza Associates reported net revenues of \$70.0 million for the quarter ended March 31, 2003, compared to \$75.9 million for the quarter ended March 31, 2002. Income from operations for the quarter ended March 31, 2003 was \$7.3 million, compared to \$12.6 million for the quarter ended March 31, 2002. EBITDA was \$12.9 million for the quarter ended March 31, 2003, compared to \$17.5 million for the quarter ended March 31, 2002. Mr. Brown said, "Trump Plaza obviously had the same weather obstacles as our other properties. It also had a 2.2-point decrease in table gaming hold percentage, (15.7% for the quarter ended March 31, 2003, compared to the unusually high 17.9% for the quarter ended March 31, 2002) which represents over 62% of the EBITDA decline. With our marketing plans for the remainder of the year, I anticipate regaining some of the momentum from last year during the remaining portion of 2003."

For the quarter ended March 31, 2003, Trump Marina reported net revenues of \$58.5 million, compared to \$63.2 million for the quarter ended March 31, 2002. Income from operations for the quarter ended March 31, 2003 was \$2.6 million, compared to \$8.5 million for the quarter ended March 31, 2002. EBITDA was \$8.2 million for the quarter ended March 31, 2003,

compared to \$14.7 million for the quarter ended March 31, 2002. Mr. Brown commented, "In addition to the adverse weather, Trump Marina had a 1.8-point decline in table games hold percentage, (16.8% for the quarter ended March 31, 2003, compared to the unusually high 18.6% for the quarter ended March 31, 2002)."

For the quarter ended March 31, 2003, Trump Indiana reported net revenues of \$30.8 million, compared to \$31.9 million for the quarter ended March 31, 2002. Income from operations for the quarter ended March 31, 2003 was \$4.1 million, compared to \$5.5 million for the quarter ended March 31, 2002. EBITDA was \$7.6 million for the quarter ended March 31, 2003, compared to \$8.1 million for the quarter ended March 31, 2002. Mark Brown commented, "Even the Chicago/Northern Indiana market had weather related issues with extreme cold and above-average snow fall amounts this first quarter, but again, with the garage and dockside gaming available for the remainder of the year, we anticipate recouping some of the lost revenue."

THCR Management Services during the quarter ended March 31, 2003, earned \$1.0 million in management fees under its five-year management agreement with the Twenty Nine Palms Band of Luiseno Mission Indians of California for Trump 29 Casino (included in other revenues) and incurred \$0.1 million in associated general and administrative costs. Mark Brown said, "The property is still absorbing its expansion, and we believe it will be a major factor in the Palm Springs' market."

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 8-K

For the quarter ended March 31, 2003, Trump Atlantic City Associates reported combined net revenues of Trump Plaza and Trump Taj Mahal of \$188.5 million, compared to net revenues of \$200.7 million for the quarter ended March 31, 2002. Income from operations for the quarter ended March 31, 2003 was \$23.2 million, compared to \$35.3 million for the quarter ended March 31, 2002. EBITDA was \$40.1 million for the quarter ended March 31, 2003, compared to \$51.3 million for the quarter ended March 31, 2002.

On March 25, 2003, Trump Casino Holdings, LLC ("TCH") closed the private placement of \$490 million aggregate principal amount of two new issues of mortgage notes, consisting of \$425 million first priority mortgage due March 15, 2010 and \$65 million second priority

mortgage notes due September 15, 2010. The subsidiaries of TCH include Trump's Castle Associates, L.P. (now known as Trump Marina Associates, L.P.), the owner of the Trump Marina Hotel Casino Resort in Atlantic City, New Jersey; Trump Indiana, Inc., the owner of the Trump Indiana Riverboat Casino in Gary, Indiana; and THCR Management Services, LLC, the manager of Trump 29 Casino located in the Palm Springs, California area.

The net proceeds of the offering were used primarily to redeem and retire the following debt of the Company:

- Trump's Castle Funding, Inc. 11-3/4% Mortgage Notes due 2003;
- Trump's Castle Funding, Inc. 13-7/8% Increasing Rate Subordinated Pay-in-Kind Notes due 2005;
- Trump Hotels & Casino Resorts Holdings, L.P. 15-1/2% Senior Secured Notes due 2005; and
- Bank debt of Trump Marina, Trump Indiana, and THCR Management Services, LLC.

For the quarter ended March 31, 2003, TCH reported combined net revenues of Trump Marina and Trump Indiana and for Trump 29 of \$90.3 million, compared to net revenues of \$95.1 million for the quarter ended March 31, 2002. Income from operations for the quarter ended March 31, 2003 was \$7.3 million, compared to \$14.0 million for the quarter ended March 31, 2002. EBITDA was \$16.7 million for the quarter ended March 31, 2003, compared to \$22.8 million for the quarter ended March 31, 2002.

Mr. Trump said, "I am very pleased that we completed the financing in March 2003 to repay our Trump Marina debt that was to mature in 2003. We were able to accomplish the financing in a decidedly difficult capital market environment. My \$30 million investment in this recent financing is evidence of my continuing commitment to the Company. After the financing, the Company has a more simplified structure. The debt at the Trump Hotels & Casino Resorts Holdings, L.P. level is eliminated. Under Holdings, we now have two subsidiaries, Trump Casino Holdings, which owns the Trump Marina Hotel Casino, Trump Indiana Casino Hotel and the management contract for Trump 29 Casino, and Trump Atlantic City Associates, which owns the Trump Taj Mahal Casino Resort and Trump Plaza Hotel and Casino."

THCR is a public company which is approximately 47.0% beneficially owned by

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 8-K

Donald J. Trump. In connection with the March 2003 financing, Mr. Trump received 1,500 shares of Series A Preferred Stock which, upon stockholder approval, may be exchanged by Mr. Trump for an aggregate of 7,894,737 shares of the Company's Stock. Upon obtaining stockholder approval, Mr. Trump's beneficial ownership of the Company's Common Stock would increase to approximately 56.2%. The Company is separate and distinct from all of Mr. Trump's real estate and other holdings and is the exclusive vehicle through which Donald J. Trump engages in gaming activities.

PSLRA Safe Harbor for Forward-Looking Statements and Additional Available Information

The Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for forward-looking statements so long as those statements are identified as forward-looking and are accompanied by meaningful cautionary statements identifying important factors that could cause actual results to differ materially from those projected in such statements.

All statements, trend analysis and other information contained in this release relative to THCR's or its subsidiaries' performance, trends in THCR's or its subsidiaries' operations or financial results, plans, expectations, estimates and beliefs, as well as other statements including words such as "anticipate," "believe," "plan," "estimate," "expect," "intend," "will," "could" and other similar expressions, constitute forward-looking statements under the Private Securities Litigation Reform Act of 1995. In connection with certain forward-looking statements contained in this release and those that may be made in the future by or on behalf of THCR, THCR notes that there are various factors that could cause actual results to differ materially from those set forth in any such forward-looking statements. The forward-looking statements contained in this release were prepared by management and are qualified by, and subject to, significant business, economic, competitive, regulatory and other uncertainties and contingencies, all of which are difficult or impossible to predict and many of which are beyond the control of THCR. Accordingly, there can be no assurance that the forward-looking statements contained in this release will be realized or that actual results will not be significantly higher or lower. The forward-looking statements in this release reflect the opinion of the Company's management as

of the date of this release. Readers are hereby advised that developments subsequent to this release are likely to cause these statements to become outdated with the passage of time or other factors beyond the control of the Company. This Company does not intend, however, to update the guidance provided herein prior to its next release or unless otherwise required to do so. Readers of this release should consider these facts in evaluating the information contained herein. In addition, the business and operations of THCR are subject to substantial risks, which increase the uncertainty inherent in the forward-looking statements contained in this release. The inclusion of the forward-looking statements contained in this release should not be regarded as a representation by THCR or any other person that the forward-looking statements contained in the release will be achieved. In light of the foregoing, readers of this release are cautioned not to place undue reliance on the forward-looking statements contained herein.

Note: Certain prior year reclassifications have been made to conform to current year presentation.

(a) During the quarter ended September 30, 2002, the Company reclassified certain additional bus coin expenses from gaming expenses to promotional allowances to be consistent with prevailing industry presentation. Such amount was \$5.4 million for the quarter ended March 31, 2002.

(b) EBITDA (Earnings before interest, taxes, depreciation and amortization, valuation allowances on casino reinvestment obligations, corporate expenses and DJT services agreement, and debt renegotiation costs) is a measure of financial performance commonly used in the casino hotel industry as an indicator of a company's historic ability to service debt. We provide EBITDA results to enhance an investor's understanding of our operating results. EBITDA is a non-GAAP financial statement measure and should not be construed as an alternative to operating income as determined under generally accepted accounting principles as an indicator of operating performance. All companies do not calculate EBITDA in the same manner; accordingly, the EBITDA results presented above may not be comparable to EBITDA results as reported by other companies. Corporate expenses include administrative expenses associated with the operation of THCR Holdings and lobbying and developmental costs in other gaming jurisdictions. Debt renegotiation costs include the costs associated with 2002 debt refinancing no longer pursued and transactional fees earned upon the successful completion of debt refinancing in 2003.

(c) Includes a net gain of \$10.4 million of the Trump Marina PIK Notes and First Mortgage Notes, which is offset by the \$2.8 million call premium on the retirement of THCR Holdings 15.5% Senior Notes, Trump Indiana's interest rate swap of approximately \$.9 million and unamortized loan costs of approximately \$3.8 million. All of these transactions occurred on March 25, 2003 in connection with the Company's issuance of Priority Mortgage Notes and the related use of proceeds.

(d) Represents New Jersey state income taxes due under the Business Tax Reform Act passed in July 2002.

(e) Minority interest credit is limited to the Balance Sheet amount at December 31, 2002.

Note: Certain prior year reclassifications have been made to conform to current year presentation.

(a) During the quarter ended September 30, 2002, the Company reclassified certain additional bus coin expenses from gaming expenses to promotional allowances to be consistent with prevailing industry presentation. Such amount was \$2.4 million for the quarter ended March 31, 2002.

(b) EBITDA (Earnings before interest, taxes, depreciation and amortization, valuation allowances on casino reinvestment obligations, corporate expenses, and debt renegotiation costs) is a measure of financial performance commonly used in the casino hotel industry as an indicator of a company's historic ability to service debt. We provide EBITDA results to enhance an investor's understanding of our operating results. EBITDA is a non-GAAP financial statement measure and should not be construed as an alternative to operating income as determined under generally accepted accounting principles as an indicator of operating performance. All companies do not calculate EBITDA in the same manner; accordingly, the EBITDA results presented above may not be comparable to EBITDA
