If you received a Notice of Internet Availability of Proxy Materials and did not receive proxy materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

The Securities and Exchange Commission's rules permit us to deliver a single Notice or set of Annual Meeting materials to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Notice or Annual Meeting materials, as requested, to any stockholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the proxy statement or annual report, contact Broadridge Financial Solutions, Inc. at +1.800.542.1061 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. Information about the Board and its Committees

Each of our Directors, other than Messrs. James F. McCann and Christopher

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

G. McCann and Ms. Jan L. Murley, qualifies as an "independent director" as defined under the published listing requirements of the NASDAQ Stock Market. The NASDAQ independence definition includes a series of objective tests. For example, an independent director may not be employed by us and may not engage in certain types of business dealings with the Company. In addition, as further required by NASDAQ rules, the Board has made a subjective determination as to each independent Director that no relationship exists which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. In making these determinations, the Board reviewed and discussed information provided by the Directors and by the Company with regard to each Director's business and personal activities as they may relate to the Company and the Company's management. In addition, as required by NASDAQ rules, the Board determined that the members of the Audit Committee each qualify as "independent" under special standards established by NASDAQ and the U.S. Securities and Exchange Commission (the "Commission") for members of audit committees.

The table below provides current membership and meeting information for each of the Board committees for Fiscal 2008.

Compensation Committee

The Compensation Committee of the Board of Directors establishes the Company's compensation philosophy and makes a final determination on all forms of compensation to be provided to the Company's Section 16 Executive Officers ("Executive Officers"), including base salary and the provisions of the Sharing Success Program under which annual cash incentive compensation may be awarded. In addition, the Compensation Committee administers the Company's 2003 Long Term Incentive and Share Award Plan ("2003 Plan") under which option grants, stock appreciation rights, restricted awards, performance awards and equity awards under the Company's Long Term Incentive Plan ("LTIP") may be made to Directors, officers, employees of, and consultants to, the Company and its subsidiaries. See "Named Executive Officer Compensation--Compensation Discussion and Analysis--Sharing Success Program and Long-Term Incentive Equity Awards." The Board of Directors has authorized a Secondary Committee of the Compensation Committee (the "Secondary Committee"), which consists of Mr. James F. McCann, to also review awards for all of the Company's employees, other than its Executive Officers. The Compensation Committee also makes recommendations to the Board of Directors regarding Director's compensation. The Company's Board of Directors adopted a written charter for the Compensation Committee in June 2003, which outlines the responsibilities of the Compensation Committee. Any such unsolicited commercial solicitation or communication not forwarded to the appropriate Director or Directors will be available to any non-management Director who wishes to review it.

Attendance at Board Meetings

During Fiscal 2008, the Board of Directors held four meetings and acted by unanimous written consent on three occasions. During Fiscal 2008, all Directors attended at least 75% of the meetings of the Board of Directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our Executive Officers and Directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Commission and the Nasdaq Stock Market. Executive Officers, Directors and greater than 10% stockholders are required by Commission regulations to furnish us with copies of all reports they file pursuant to Section 16(a).

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

This section discusses compensation to our Named Executive Officers, which consist of our Chief Executive Officer, our Chief Financial Officer and the three next most highly compensated Executive Officers of the Company as determined under the rules of the Commission (collectively, the "NEO's").

The Compensation Committee believes that the compensation programs for its NEO's, as well as all of its Executive Officers, should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company and should reward individual contribution to the Company's success. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified Executive Officers through the competitive compensation packages it offers to such individuals.

The fundamental policy of the Compensation Committee is to provide the Company's NEO's, as well as its Executive Officers, with competitive compensation opportunities based upon their contribution to the development and financial success of the Company. It is the Compensation Committee's philosophy that a significant portion of each NEO's and Executive Officer's compensation should be contingent upon the Company's financial performance. The Company also acknowledges the importance of attracting and retaining talented, motivated and success-oriented Executive Officers who share our overall corporate philosophy and will enable our Company to achieve its short and long-term goals. Accordingly, the compensation package for each NEO and Executive Officer is comprised of three elements: (i) base salary; (ii) annual cash incentives and (iii) long-term incentive equity awards.

Guiding Principles:

- o Growth - To create an atmosphere that encourages superior growth and performance of the Company while also offering personal and professional growth.

10

- o Teamwork - To encourage executives to work together effectively and efficiently so that company goals can be fully realized.
- o Innovation - To encourage and reward creativity and innovation, including the development of new ideas and business opportunities for the Company.

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

- o Market competitiveness - To offer a strong, comprehensive compensation package that will enable the Company to attract and retain qualified executive talent.

Setting Executive Compensation

We compete for senior executive talent with many leading companies. In order to stay competitive in the marketplace, a critical component of which is the recruitment and retention of executive talent, we annually review the market competitiveness of our Executive Officer compensation programs. In connection with this review, the Compensation Committee has retained the services of Mercer (formerly Mercer Human Resource Consulting ("Mercer")) (see "Role of Compensation Consultant" below for further discussion of Mercer's role).

When assessing the market competitiveness of our compensation programs, in addition to information provided by Mercer, we review summary third-party survey information and publicly available data relating to a specific group of companies. For our executive compensation comparisons, we consider peer companies. The peer companies include a broad range of companies in the internet retail, internet content and catalog/specialty retail sector. Members of the peer companies include: William-Sonoma, Inc., Tiffany & Co., Cabela's, Inc., American Greetings, Inc., Priceline.com, Inc., Monster Worldwide, Inc., EarthLink, Inc., Netflix, Inc., Orbitz Worldwide, Inc., Overstock.com, Inc. GSI Commerce Inc., ValueClick, Inc., FTD Group, Inc., RealNetworks, Inc., and Drugstore.com, Inc. Although the Compensation Committee compares the compensation of its executive officers to the compensation of similar personnel within its peer group, the Compensation Committee uses this information as a general guideline, exercising discretion in determining base salaries and equity grants and does not require that either be benchmarked against a specific level relative to its peers. The Compensation Committee also reviews the Company's recent historical compensation practices for its executives, and considers recommendations from the Chief Executive Officer and President regarding the compensation of their direct reports, who include the other NEO's.

Elements of Compensation

The Compensation Committee believes that we can maximize the effectiveness of our compensation program by ensuring that all program elements are working in concert to motivate and reward performance. The elements of our executive compensation program are detailed below, together with the principal factors which the Compensation Committee considers in reviewing the components of each Executive Officer's compensation package. In general, for each compensation element, these factors include: the key role each Executive Officer performs for the Company; the benefit to the Company in assuring the retention of his or her services; the performance of the Company during the past fiscal year; the competitive market conditions for executive compensation; the executive's prior year compensation; and the objective evaluation of the Executive Officer's

11

performance. The Compensation Committee may also, however, in its discretion, apply other factors with respect to executive compensation. We believe that our executive compensation program effectively strengthens the mutuality of interests between the Executive Officers and the Company's stockholders, which results in greater company performance.

Base Salary. The Compensation Committee views base salary as the assured element of compensation that permits income predictability. Subject to existing employment agreements and employment offer letters, our objective is to set base salary levels at the competitive norm. However, individual salaries may be above or below the competitive norm to reflect the strategic role, experience, proficiency and performance of the executive. Incumbents who have been in their

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

positions for a longer period of time, and whose performance is superior, may be paid above the competitive norm. The primary exception to this general rule will be in the case of seasoned executives with strategic value who are newly hired into the Company. In these situations, it may be necessary to pay above the competitive norm in order to attract the best candidates to the Company.

The minimum base salaries for Messrs. J. McCann, C. McCann, and Hopkins are primarily prescribed in their employment agreements or employment offer letters, as the case may be (see below for description of the employment agreements and employment offer letters in the "Narrative Disclosure to Summary Compensation Table--Grants of Plan-Based Awards--Employment Agreements and Employment Offer Letters"). Annual base salary increases for the NEO's and other Executive Officers are determined on the basis of the employment agreements (for Messrs. J. McCann, and C. McCann), as well as the following factors: the performance of the executive versus job responsibilities; the relationship between current salary and the range for the executive's level, ranges having been set based on the competitive norm in the industry; the average size of salary increase based upon the Company's financial performance; and whether the responsibilities or criticality of the position of the incumbents have been changed during the preceding year. The weight given to each of these factors may differ from individual to individual as the Compensation Committee deems appropriate. Increases for Fiscal 2008 for Messrs. J. McCann, C. McCann, Hopkins, Gallagher and Shea were 0%, 9%, 2%, 3.7% and 3.9%, respectively.

Annual Cash Incentive. Annual cash incentive compensation plays a significant role in the Company's overall compensation package for its Executive Officers. The annual cash incentive for the NEO's is based upon the Company's financial performance and, in the case of Mr. Hopkins, also included brand specific financial performance. This balance supports the accomplishment of the Company's overall financial objectives and rewards the individual contributions of our NEO's. Annual incentive programs for Executive Officers support the following company objectives:

- o Communication of important goals through performance targets that are aligned with business strategies.
- o Motivation for the entire management team to work together toward a common set of goals.
- o Reward executives on the basis of results achieved.
- o Deliver annual incentive opportunities and payments through a structured, performance driven, objective mechanism.
- o Deliver a competitive level of compensation that is fully competitive with industry practice.

NEO's are eligible to receive annual cash incentive awards under the Company's Sharing Success Program.

12

Sharing Success Program. The Sharing Success Program is intended to cover management positions, including the NEO's. Each eligible plan participant is assigned a target award (expressed as a percentage of base salary) which represents the level of cash incentive payment the participant can expect to earn in the event all performance measures are achieved at 100% during the ensuing fiscal year. For each fiscal year, specific performance measures are established by the Compensation Committee that reflect the key strategic and business goals established by the business plan for that year. For Fiscal 2008, in the case of Messrs. J. McCann, C. McCann, Gallagher and Shea, the growth of both Company-wide revenue and Company-wide Plan EBITDA, were the performance

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

measures selected for their annual cash incentive awards. EBITDA as used for purposes of the Sharing Success Program and the Long Term Incentive Plan ("LTIP") is defined as net income before interest, taxes, depreciation, amortization and stock based compensation expense ("Plan EBITDA"). For Mr. Hopkins, performance measures were the aggregate of: (i) the growth of both brand-specific revenue and brand-specific Plan EBITDA, and (ii) the growth of both Company-wide revenue and Company-wide Plan EBITDA. The following table presents the NEO's targeted incentive award opportunity, as a percentage of their salary ("target award"), and the performance measures and relative weighting of their components for Fiscal 2008:

Name	Target Award (% of Salary)	Weighting of Performance Measures				
		Company-wide			Brand-specific	
		Revenue	EBITDA	Sub-total	Revenue	EBITDA
James F. McCann Chairman of the Board and Chief Executive Officer	75%	25%	75%	100%	n/a	n/a
William E. Shea Senior Vice President, Treasurer, and Chief Financial Officer	40%	25%	75%	100%	n/a	n/a

Gerard M. Gallagher General Counsel, Senior Vice President of Business Affairs, Corporate Secretary	40%	25%	75%	100%	n/a	n/a

When Company-wide and/or brand-specific actual results exceed or fall below performance measures, actual awards are proportionately increased or decreased from the target awards. Participants may earn no Company-wide or brand-specific bonus if the threshold performance measures are not met (defined as achievement of 70% of performance measures, resulting in a 50% pay-out of target award) and no participant may be paid an incentive award under the Sharing Success Program in excess of maximum (defined as achievement of 135% of performance measures, resulting in a 200% pay-out of target award), as presented in the table below. In addition, all participants must be actively employed at the time of payment in order to qualify for the award.

The Company's performance measures are a function of achieving specified increases in comparison to prior year actual performance and contemplates the impact of acquisitions and management's strategic initiatives. For Fiscal 2008, Company-wide performance measures were as follows: Company-wide revenue growth of 8.8%, or \$79.9mm, and Company-wide Plan EBITDA growth in a range of 30.6%, or \$17.6mm, reflecting an expectation of growth similar to Fiscal 2007, exclusive

13

of acquisitions, and the ability to continue to leverage revenue growth to provide continued improvement in EBITDA. Pertaining to Mr. Hopkins, brand-specific performance measures for Fiscal 2008 were as follows: Madison Brands (Home and Children's Group) revenue growth of 2.2%, or \$4.2mm and Plan EBITDA growth of 750.0%, or \$9.1mm, reflecting the expected return to profitability of the Madison Brands, which was unsuccessful in its efforts to profitably introduce new catalog titles and products outside of its core brands during Fiscal 2007.

The following table reflects the relationship of actual performance against the Company's performance measures and the resulting Total Payout Factor for the Company's Sharing Success Program. The performance measures range from "threshold" (the minimum achievement level of the performance measure at which an executive may earn 50% of the target award) to "maximum" (the maximum achievement level of the performance measure at which an executive may earn 200% of the target award). The Target Award Multiples are then weighted to produce a "Total Payout Factor." The Total Payout Factor is multiplied by each executive's target award percentage to produce the executive's cash bonus award. In Fiscal 2008, the Compensation Committee did not exercise any discretion in awarding cash bonus compensation under the Sharing Success Program.

Performance/Payout Relationship (\$'s in thousands)

(1) Actual performance for revenue and EBITDA growth are computed exclusive of

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

the impact of acquisitions/dispositions.

(2) Actual performance was below the 70% threshold performance measure.

During Fiscal 2008, the Company-wide Total Payout Factor was 0%. The Company-wide Total Payout Factor for Fiscal 2007, 2006, 2005 and 2004 was 75%, 0%, 34% and 0% of the target award, respectively.

Long-Term Incentive Equity Awards. In order to structure a long term incentive program for the Company's Executive Officers that would tie a significant portion of their compensation to the profitability of the Company, the Compensation Committee consulted with Mercer to evaluate its long term incentive program. All award grants are designed to align the interests of each Executive Officer with those of the stockholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company.

The grant of an award is set at a level intended to create a meaningful incentive based in part on the Executive Officer's and NEO's current position with the Company, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry,

14

and the individual's personal performance in recent periods. The Compensation Committee also takes into account the number of awards held by the Executive Officer in order to maintain an appropriate level of incentive for that individual. The Compensation Committee has the authority to review extraordinary events that impact on the Company's performance and may adjust the calculation of an award by taking into account the effect of any such extraordinary events. The Compensation Committee did not exercise such authority in Fiscal 2008.

The NEO's were granted a target number of performance shares in Fiscal 2008 under our LTIP. The number of shares ("target shares") granted in the Fiscal 2008 LTIP (for performance in Fiscal Years 2008 through 2010) ("LTIP 2008") for Messrs. J. McCann, C. McCann, Hopkins, Gallagher and Shea were 100,000, 100,000, 20,000, 20,000 and 25,000, respectively. These target shares are earned if the Company achieves 100% of its targeted financial performance over the three year period subsequent to the grant. The number of target shares actually earned will be based on actual cumulative performance results over the three year period against the below mentioned pre-established financial measures. For LTIP 2008, the Compensation Committee selected Company-wide Plan EBITDA as the basis for its performance measure. For LTIP 2008, the Compensation Committee established a range of award payouts (from a threshold of 50% of target shares (upon attaining EBITDA of \$205 million) to a target of 100% of target shares (upon attaining EBITDA of \$241 million) to a maximum of 150% of target shares (upon attaining EBITDA OF \$289 million)) that are directly related to the percentage of the financial performance measure achieved. For LTIP 2008, the Company currently expects to achieve 59% of its pre-established financial measure.

Executive Benefits

The Company's NEO's, except for Mr. Gallagher, are eligible for the same level and offering of benefits made available to other employees, including our 401(k) Profit Sharing Plan (which includes a discretionary annual Company contribution), health care plan and other welfare benefit programs. We do not currently maintain any qualified or nonqualified defined benefit pension plans or nonqualified deferred compensation plans for our NEO's, except for the Nonqualified Supplemental Deferred Compensation Plan discussed below.

During Fiscal 2008, the Company adopted a Nonqualified Supplemental Deferred Compensation Plan for certain executives. Participants can defer from 1% up to a maximum of 100% of salary and performance and non-performance based

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

bonus. The Company will match 50% of the deferrals made by each participant during the applicable period, up to a maximum of \$2,500. The participants are vested in the Company's contributions based upon years of participation in the Plan. Distributions will be made to participants upon termination of employment or death in a lump sum, unless installments are selected.

Perquisites

We do not routinely provide any significant perquisites to our NEO's. Except for Messrs. J. McCann and C. McCann's perquisite which is disclosed in the Summary Compensation Table, the value of perquisites to each other NEO in Fiscal 2008 did not exceed \$10,000.

15

Severance/Change of Control

We do not maintain any severance or change of control plans or agreements. However, pursuant to the terms of employment agreements, employment offer letters and incentive plans, certain NEO's are eligible to receive severance and other benefits in the case of certain termination events and in the case of a change in control. See "Potential Payments upon Termination and Change in Control" below.

Management's Role in Setting Executive Compensation

Although the Compensation Committee of the Board of Directors establishes the Company's compensation philosophy and makes the final determinations on all compensation paid to our Executive Officers, the Chief Executive Officer and President work closely with the Vice President of Human Resources to develop compensation programs and policies and make recommendations regarding annual adjustments to the Executive Officers' salaries and incentive award opportunities (other than their own compensation).

Role of Compensation Consultant

The Compensation Committee has retained the services of Mercer to provide specialized information and targeted research to assist us in the development of compensation and retention strategies. Mercer provides general assistance to our Vice President of Human Resources and the Compensation Committee and does not perform any other services for the Company. For Fiscal 2008, Mercer's services were in advising the Compensation Committee on the development of its LTIP 2008. Mr. J. McCann did not participate in discussions with Mercer in Fiscal 2008, but Mr. C. McCann did discuss with Mercer their recommendation for LTIP 2008.

Compensation Deductibility Policy

A federal income tax deduction will generally be available for annual compensation in excess of \$1 million paid to the Chief Executive Officer and the three other most highly compensated executive officers (other than the Chief Financial Officer) of a public corporation only if such compensation is "performance-based" and complies with certain other tax law requirements. Although our policy is to maximize the deductibility of all executive compensation, the Compensation Committee retains the discretion to award compensation that is not deductible under Section 162(m) of the Code when it is in the best interests of the Company to do so.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis provisions to be included in the Company's filings pursuant to the Securities Exchange Act of 1934. Based on the reviews

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

and discussions referred to above, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis referred to above be included in such filings.

Pension Benefits

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

The Company does not maintain any defined benefit plans.

Nonqualified Deferred Compensation

During Fiscal 2008, the Company adopted a Nonqualified Supplemental Deferred Compensation Plan for certain executives. Participants can defer from 1% up to a maximum of 100% of salary and performance and non-performance based bonus. The Company will match 50% of the deferrals made by each participant during the applicable period, up to a maximum of \$2,500. Participating employees are vested in the Company's contributions based upon years of participation in the Plan. Distributions will be made to participants upon termination of employment or death in a lump sum, unless installments are selected.

Potential Payments upon Termination and Change in Control

The Company does not have a formalized severance policy. In accordance with the Company's 2003 Long Term Incentive and Share Award Plan (the "Plan") in the event of a Change of Control, as defined in the Plan, all outstanding Awards pursuant to which a Participant may have rights the exercise of which is restricted or limited, shall automatically become fully exercisable immediately prior to the time of the Change of Control and all performance criteria and other conditions shall be deemed to be achieved or fulfilled and shall be waived by the Company immediately prior to the time of the Change of Control so that the Shares subject to the Award will be entitled to participate in the Change of Control transaction.

In addition, as disclosed in Potential Payments Upon Termination and Change in Control, certain executives within the Company have individual employment agreements or offer letters that contain negotiated provisions that trigger payments or provision of benefits upon termination or a change in control. Payment and benefit levels under the various circumstances that trigger payments or provision of benefits upon termination or a change in control for Messrs. James McCann, Christopher McCann and Hopkins were calculated and presented in accordance with the provisions of their respective employment agreements or employment offer letters. For Fiscal 2008, potential payments under the circumstances triggered upon termination or change of control did not have a material impact on the Compensation Committee's evaluation of all other elements of compensation or total compensation.

The following table sets forth the potential payments to our NEO's under existing agreements, plans or arrangements, for various scenarios involving a change in control or termination of employment, assuming a June 29, 2008 termination date and using the closing price of the Company's Class A Common Stock on June 27, 2008 \$6.74. Pursuant to the terms of the Sharing Success Program, the amounts shown do not include the Non-Equity Incentive Plan Awards which were earned as of June 27, 2008. The exact amount of payments and benefits that would be provided can only be determined at the actual time of the NEO's separation from the Company.

The 1999 Stock Incentive Plan provides, generally but with limitations, that each option outstanding at the time of a change of control but not otherwise fully-vested shall automatically accelerate so that each such option shall, immediately prior to the effective date of the change in control, become exercisable for all of the shares of Common Stock at the time subject to that option and may be exercised for any or all of those shares.

2003 Long Term Incentive and Share Award Plan

The 2003 Plan provides that unless otherwise provided by the compensation Committee at the time of the award grant, in the event of a change of control, (i) all outstanding awards pursuant to which the participant may have rights the exercise of which is restricted or limited, shall become fully exercisable immediately prior to the time of the change of control so that the shares subject to the award will be entitled to participate in the change of control transaction, and (ii) unless the right to lapse of restrictions or limitations is waived or deferred by a participant prior to such lapse, all restrictions or limitations (including risks of forfeiture and deferrals) on outstanding awards subject to restrictions or limitations under the Plan shall lapse, and all performance criteria and other conditions to payment of awards under which payments of cash, shares or other property are subject to conditions shall be deemed to be achieved or fulfilled and shall be waived by the Company immediately prior to the time of the change of control so that the shares subject to the award will be entitled to participate in the change of control transaction.

To the Board of Directors
of 1-800-FLOWERS.COM, INC. (the "Company"):

We, the members of the Audit Committee, assist the Board of Directors in its oversight of the Company's financial accounting, reporting and controls. We also evaluate the performance and independence of the Company's independent registered public accounting firm. We operate under a written charter that both the Board and we have approved. A current copy of the Audit Committee charter can be found on the Company's website located at www.1800flowers.com under the Investor Relations section of the website.

The Board annually reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that each member of the Audit Committee meets that standard. In addition, although the Board has

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

determined that each of the members of the Audit Committee meets NASDAQ regulatory requirements for financial literacy and that John J. Conefry, Jr. is an "audit committee financial expert," as defined by Commission rules, and is financially sophisticated under NASDAQ requirements, we would like to remind our stockholders that we are not professionally engaged in the practice of auditing or accounting and are not technical experts in auditing or accounting.

The Company's management is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, including setting the accounting and financial reporting principles and designing the Company's system of internal control over financial reporting and disclosure controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Company's management is responsible for objectively reviewing and evaluating the adequacy, effectiveness and quality of the Company's system of internal control. The Company's independent registered public accounting firm, Ernst & Young LLP ("Ernst & Young"), is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The independent registered public accounting firm is also responsible for expressing opinions on management's assessment of the effectiveness of the Company's internal control over financial reporting and on the effectiveness of the Company's internal control over financial reporting. Although the Board is the ultimate authority for effective corporate governance, including oversight of the management of the Company, the Audit committee's purpose is to assist the Board in fulfilling its responsibilities by overseeing these processes, as well as overseeing the qualifications and performance of the Company's independent registered public accounting firm.

The Audit Committee has policies and procedures that require the pre-approval by the Audit Committee of all fees paid to, and all services performed by, the Company's independent registered public accounting firm. At the beginning of each year, the Audit Committee approves the proposed services, including the nature, type and scope of service contemplated and the related fees, to be rendered by the firm during the year. In addition, Audit Committee pre-approval is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees approved by the Audit Committee. For each category of proposed service, the

30

independent accounting firm is required to confirm that the provision of such services does not impair their independence. Pursuant to the Sarbanes-Oxley Act of 2002, the fees and services provided [as noted in the table below] were authorized and approved by the Audit Committee in compliance with the pre-approval policies and procedures described herein.

We reviewed and discussed the audited consolidated financial statements and related footnotes for the fiscal year ended June 29, 2008 with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. We also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61, as amended (communication with Audit Committees). We received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and discussed with Ernst Young their independence; and discussed with Ernst & Young their independence. This review included a discussion with management and the independent registered

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

public accounting firm of the quality (and not merely the acceptability) of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the disclosures in the Company's Financial Statements, including the disclosures relating to critical accounting policies.

Based on the reports, discussions and reviews described in this report, we recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 29, 2008, for filing with the Securities and Exchange Commission. We also selected Ernst & Young as the independent registered public accounting firm for Fiscal 2009. The Board is recommending that shareholders ratify that selection at the Annual Meeting.

Certain Business Relationships with Directors and Officers

The Company has a policy providing that all material transactions between it and one or more of its Directors, Executive Officers, nominees for Director or a member of their immediate families must be approved either by a majority of the disinterested members of the Board or by the stockholders of the Company.

The Company's legal and finance staff is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. This includes inquiries of its Directors and Officers. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person, are disclosed in the Company's proxy statement. The Company considers individual transactions, or any series of transactions which, in the aggregate exceed \$120,000, to be material and requiring of disclosure.

Below are the transactions that occurred during Fiscal 2008 in which, to the Company's knowledge, the Company was or is a party, in which the amount involved exceeded \$120,000, and in which any Director, Director nominee, Executive Officer, holder of more than 5% of the Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

For Fiscal 2008, the Company entered into an agreement with Julie Mulligan, the sister of Directors and Executive Officers, James F. McCann and Christopher G. McCann, pursuant to which Ms. Mulligan was employed as a Personality Expert Designer. The agreement was unanimously approved by the Independent Directors of the Board. Ms. Mulligan's compensation for Fiscal 2008 was \$340,307, consisting of \$130,000 in base salary and \$210,307 in earned floral sales commissions for sales of products designed by Ms. Mulligan for the Company. In consideration for the floral sales commissions paid to Ms. Mulligan described above, Ms. Mulligan was not eligible to receive any cash bonus under the Company's annual cash incentive plan ("Sharing Success Program"). During Fiscal 2008, Ms. Mulligan was awarded, pursuant to the 2003 Plan, 2,000 shares of restricted stock. The grant date for these awards was October 26, 2007. The restricted stock vests 100% on the third anniversary of the grant date, assuming Ms. Mulligan remains employed by the Company as of that time.

Gerard M. Gallagher, our General Counsel, Senior Vice President of Business Affairs and Corporate Secretary, is the founder and managing partner in the law firm of Gallagher, Walker, Bianco & Plastaras based in Mineola, New York. Compensation for Mr. Gallagher's services are paid to the law firm. The Company, with the approval of the Board, also pays the law firm fees for services rendered by other members of the firm on the Company's behalf.

This section titled "Summary Compensation Table" sets forth the cash compensation paid in Fiscal 2008 by the Company to the firm for services provided by Mr. Gallagher. For legal services provided by the other members of the firm the Company paid \$465,919 in fees and \$37,192 in disbursements. The

Edgar Filing: 1 800 FLOWERS COM INC - Form DEF 14A

Company believes that collectively these fees and disbursements are fair and reasonable.

Jan L. Murley, a member of our Board of Directors, began serving as our Interim President of Consumer Floral Brands business segment on September 15, 2008. Ms. Murley began acting as a consultant for the Company on June 30, 2008 and resigned from the Audit Committee and Compensation Committee upon commencement of such consulting service. Ms. Murley's compensation for her services as Interim President is \$15,385 on a bi-weekly basis and she is eligible to receive a performance bonus for Fiscal 2009 of up to \$200,000 based 75% on satisfactory attainment of the Consumer Floral Brands business segment's revenue growth and profitability and 25% on the Company's Fiscal 2009 EBITDA targets. Except for her participation in the 2003 Plan, Ms. Murley does not participate in any Company benefit or other plans.

David Taiclet, our President of Gourmet Food & Gift Baskets business segment, has an 18.25% ownership interest in Dynamic Confections, Inc. ("Dynamic"). In Fiscal 2008, certain of the Company's subsidiaries purchased \$491,183 worth of candy goods from the subsidiaries of Dynamic. In Fiscal 2008, the lease payments to OLB totaled \$1,360,384.
